## Panthers Scrimmage At Millsap On Thursday at 6:30

The Gorman Panthers have been working hard in practice in preparation for the upcoming season and their first scrimmage game on Thursday, August 19th at 6:30 p.m. at Millsap.

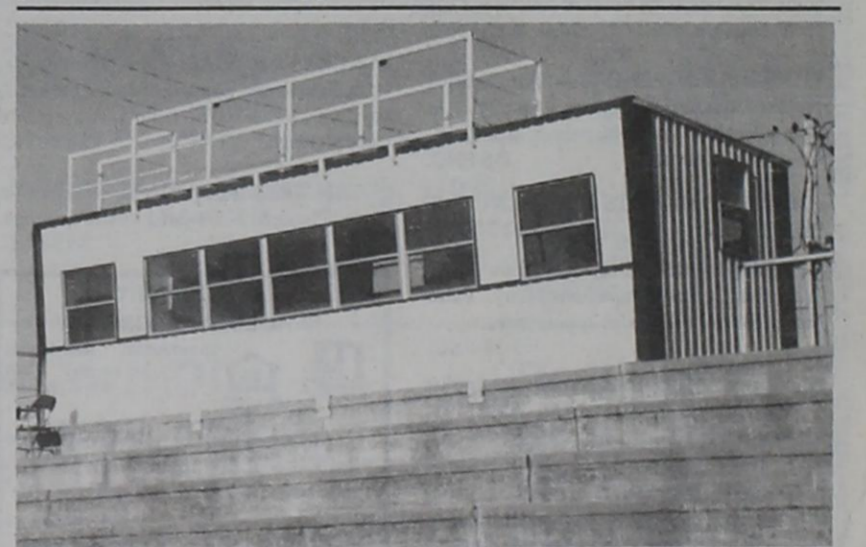

Coach Bryan Allen is expecting a good performance from the 25 Panthers reporting for workouts. The heat has been especially bad, but the workouts have been held in the mornings in different sessions where the workouts would not be held in the toughest heat of the day.

There are 17 returnees this season. Players returning from last season are Jeremy Sanders, Quarterback & Defensive Back; Nick Guthery, Quarterback and Linebacker; Scotty Walton, Fullback and Linebacker; Kevin Scitem, Wingback and Defensive Back; Charlie Torrez, Fullback and Defensive Back; Brent Skaggs, Guard and Defensive End; Nic Burleson, Center and Defensive Tackle; John Mart Stephens, Tackle and Defensive Tackle; Jason Warren, Tackle and Defensive Back; Juan De La Torre, Center and Defensive End; Marco Herrera, Tailback and Defensive Back; Chris Holland, Guard and Linebacker; Noah Landa, Tackle and Defensive Tackle; Jason Rich, Guard and Defensive End; Don Mauney, Guard and Defensive Tackle; Justin Snider, Tight End and Defensive End; Shane Caraway, Tight End and Linebacker; and Tom Bynum, Quick End and Linebacker.

There are several freshman reporting and we will have a list on them next week.

The Panthers have been picked to finish forth in their district. However, we expect the Panthers to do better than this pick. They have a long way to go, but they are really hustling this year and if some key players come around to expectations, the Panthers would be better than expected.

Fans are urged to follow the Panthers to Millsap on Thursday at 6:30 p.m. and be ready to support the Big Red in the upcoming season.

**NEW PANTHER PRESS BOX** — The new Press Box has been completed and placed atop the home stands. This is a beautiful white and red metal building and will greatly expand the space in the press box for the announcers, clock and scoreboard operators, as well as the press and the coaches and the filming crews. **NEW TEXACO STATION NOW OPEN** — Harvey Bryan has opened the new Texaco Station on Hwy. 6 West. He features a Full Service Station. Harvey stated that the Grand Opening will be held at a later date.

# KOKOMO NEWS

The activities will begin at 5:00 p.m. with games, and a barbecue brisket meal will be served about 6:00 or so. The meat will be furnished and each family should bring a salad, vegetable or dessert. Visitors are welcome to come and enjoy the fun and fellowship. The time was originally set at four p.m., but has been changed to 5:00 p.m. We hope that it will be a little cooler by then. But there are good shade trees to help protect from the sun.

Carol Ables of Mineral Wells ministered to the Kokomo Baptist Church through scriptures, singing and testimony at the 11:00 a.m. service on Sunday. Her husband, Dale, also gave his testimony. We were blessed through their ministry. Other visitors were Kenneth and Shirley Good of Gorman.

### LEISURE

"This is the day that the Lord has made; let us rejoice and be glad in it." (Psalm 118:24)

I begin each Sunday worship service with that verse. I have been doing that for some time now. Yet every time I read that verse it becomes more alive in my life. God truly wants each of us to rejoice in the days that He has made for us. He wants us to be glad for another sunrise and another sunset. He also wants us to enjoy our leisure time.

Some people are under the impression that to be a Christian that it means all work and no play. Well, to the contrary, God expects us to get away from the duties of everyday life from time to time. Look at what Jesus told his disciples after they had been hard at work for days: "He said to them, 'Come away to a deserted place all by yourselves and rest for a while'. For many were coming and going, and they had no leisure even to eat." (Mark 6:31). There are numerous passages that show that Jesus, when tired, sad, or frustrated, would go to a deserted place for rest and solitude.

We are such silly people. We work all year and save all our money to go on a week or two vacation. Then we hurry, hurry, hurry to get all the traveling done and have all that fun, and wear ourselves out in the process. So we return from our so-called vacation more exhausted than we were before we left. Why do we do that and why does it turn out that way? I wonder if God was placed first on our vacation plans? Did we spend some of that time, money, and energy on helping those less fortunate before we left on vacation? I often wonder how many people invite Jesus to spend leisure time with them. Have you ever asked Jesus to sit down and watch a "COWBOY" game with you? Have you ever taken Jesus with you on a walk, on a picnic, or a quiet drive in the country with the radio off in the car? Try it sometime, you might just find when you return to your everyday duties, that you are more rested than when you got back from your vacation. And besides that, it was a lot cheaper.

# CARBON NEWS

Church services were well attended Sunday. Some were out visiting before School starts. Bro. Keith brought a very interesting lesson on "Do You Know The Riches of His Grace?" They are of great abundance, Ephes. 1:1-7. They young people of the church and Keith will attend the Gospel Concert Monday evening at FBC in Breckenridge to hear Al Denson in Concert.

Tonya and Andrew Mangum of Fort Worth visited over the weekend with their grandparents, Coy and Jessie Mangum. Other visitors were Lora Sledge of Carbon and Charlie and Ruth Lovington of Cisco.

Elizabeth and C. O. Sandlin spent the weekend in San Angelo with Kathryn, Freddie and Chad Coburn, and to attend the graduation at Angelo State where grandson Chad graduated Cum laude. He is a Animal Science Major and will continue for his Master Degree this fall. Congratulation Chad. We are proud of you.

and took less time, so now you can find more time for leisure.

Remember, "For anyone who enters God's rest also rests from his own work, just as God did from his." (Hebrews 4:10). So, take some time off, don't feel guilty about it, and remember to take Jesus with you to that deserted place. He will make the trip worthwhile. Until next week, God bless you and have a great week!

Game night at the Community Center will be Saturday evening at 7 p.m. with Ice cream and desserts, so bring something and come on out and enjoy the evening. The Center would like to express thanks and appreciation for the outside donations on the sitting room and carpet.

Visiting with Billie Stacy last week were Kathy Rodgers and granddaughter Amanda of Brownwood and Berneice Rodgers and Ima Brown of Gorman.

## AROUND THE HOUSE

### How to Choose a Car Repair Shop

By Jeff Keller

(NU) - One of the most expensive items to operate around the house is your car. Since you put so much money into it for gas, insurance and repairs, here are some tips to help you find the best professional service.

- Don't leave your car at the nearest establishment for convenience. This is not "selecting" a shop.

- Read the owner's manual to become familiar with the car and follow the manufacturer's suggested service schedule.

- Ask friends for recommendations. Check local consumer organizations regarding the reputation of shops in your area.

- Look for a neat, well-organized shop. Be wary of a messy place of business.

- All policies (labor costs, guarantees, payment methods) should be posted or explained to you.

- Look for evidence of qualified technicians — trade school diplomas, certificates of advancement and national certifications.

Of course, you can save money if you learn to handle some of the basics

yourself, such as an oil change and minor under-hood and body maintenance.

For body care, new items such as 3M's Rust Avenger rust converter and two-inch sanding/finishing kit that can be attached to a power drill help do-it-yourselfers obtain professional results. A booklet about basic body care is available by sending a business-size, self-addressed envelope to 3M Auto Care, Dept. NU, Shared Marketing Services, Post Office Box 812480, Chicago, IL 60681.

To help your car retain, or regain, its original beauty, products such as Auto-Pak Scotchgard cleaners and protectors will remove dirt and repel many spills and stains. A new Scotchgard Protective Gel restores the look of plastic, vinyl and rubber inside and outside the car.

For racing fans: the International Hot Rod Association sponsors exciting races nationwide. To locate races in your area and obtain the semi-monthly Drag Review magazine, contact IHRA, Dept. NU, Post Office Box 3029, Bristol, TN 37625.

### Summer Tips for Outdoor Furniture

(NU) - Your outdoor furniture may be crying for help if you leave it exposed to summer's elements. Direct sunlight can cause wicker or redwood furniture to dry and crack. Too much humidity can soften wicker glue joints and create a buildup of nasty mildew. Even vinyl seat coverings can take a beating and accumulate dirt from outdoor elements, partly spills and heavy use.

To keep your porch furniture in tip-top shape throughout the season, the experts at Murphy's Oil Soap offer the following advice for preserving your treated outdoor furniture for years of summertime enjoyment:

- When not in use, cover outdoor wood furniture to protect it from the elements.

- Thoroughly clean outdoor furniture, including wicker and vinyl seat cushions at least once a month with a gentle soap such as Murphy's Oil Soap and a well-wrung sponge. Rinse and place furniture in the shade to dry.

- Use a gentle spray formula to remove accumulation of winter dirt and spring pollen on vinyl seat coverings, patio umbrellas and lawn tables.

- To remove mildew buildup, clean with a solution of 1/4 cup household laundry bleach diluted with one cup water. Rinse with water and dry with a cloth. Be careful not to mix bleach with other household cleaning products.

- Scrub stubborn stains with a soft bristle brush dipped in a soapy water solution.

- Carefully vacuum wicker furniture regularly. This will remove dirt caught between the fibers which can weaken the wicker. Clean with a damp, sudsy sponge.

## WE'RE ON DUTY IN LIFE'S WAR ZONES.

The latest dispatches from the front lines of life's battles often leave little hope. But where The Salvation Army is, there is hope.

The Salvation Army offers shelter and meals for the homeless. Group homes for handicapped persons. Drop-in centers for run-arounds. Job training for the unemployed. Camps for disadvantaged children. Treatment centers for substance abusers. Medical supplies for disaster victims.

But more important, The Salvation Army offers hope to hurting souls.

We take seriously our responsibility to care for our fellow men and women. Whoever they are, whatever their need. Around the corner, and around the world.

Please give generously of your time, your money, or your unneeded items. So we can stay on the front lines of life's war zones.

THE SALVATION ARMY.  
SHARING IS CARING.
