## Neely Carter Wins Singles Tennis Title At Cross Plains

Last Friday, March 5th and Saturday, March 6th, Neely Carter took top honors in the Cross Plains Tennis Tournament's boy's singles. With just a 30 minute workout on Wednesday, not much was expected by Carter or tennis coach Mark Kyle, but Carter was able to capture the Championship with two three-set victories.

After an easy first round match, the Gorman senior defaced Rodney Rudloff of Cross Plains. After falling down 4-0 in the first set, Carter later reeled off 7 straight games to take the first set. After losing the next set, he finished Rudloff in the third to take a (6-1) (3-6) (6-4) victory.

Shane Coleman of Sidney was Carter's Championship opponent. In a match that took almost two hours, Carter prevailed (4-6) (6-3) (6-4).

Congratulations to Neely on a great performance and we wish him the best as the season progresses.

the use of the permanent school fund to guarantee state revenue bonds, but would permit the legislature to provide by law for the issuance of general obligation bonds or revenue bonds of the state for the purpose of making loans to, or purchasing bonds of, school districts for the purpose of acquisition, construction, or improvement of instructional facilities, including all furnishings. The amendment also provides that the state, pursuant to general law, may forgive the payment of principal and interest on all or part of a loan made to a school district under the amendment to partially finance an instructional facility. The cap of \$750 million on the amount of bonds that could be issued under article VII, section 5(b), as amended, would be retained. The amendment would repeal the current provision of the constitution permitting the legislature to authorize bonds in excess of \$750 million by two-thirds record vote of both houses of the legislature. While any of the general obligation bonds issued under the amendment or any of the interest on those bonds is outstanding and unpaid, there would be appropriated out of the first money coming into the state treasury in each fiscal year, not otherwise appropriated by the constitution, the amount sufficient to pay the principal and interest on the bonds that matured or became due that fiscal year.

The proposed amendment will appear on the ballot as follows:  
"The constitutional amendment authorizing the issuance of \$750 million in state general obligation or revenue bonds to assist school districts in partially financing facilities, authorizing the state to forgive payments of loans made to a school district for partially financing facilities, and repealing the authorization for \$750 million in state revenue bonds guaranteed by the permanent school fund."

"The constitutional amendment exempting a school district from the obligation to comply with unfunded state educational mandates."

The proposed amendment will appear on the ballot as follows:

## PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS  
OF PROPOSED  
**CONSTITUTIONAL AMENDMENTS**  
SPECIAL ELECTION  
MAY 1, 1993

**PROPOSITION NO. 1  
ON THE BALLOT**

Section 1 of Senate Joint Resolution 7 proposes a constitutional amendment that would allow the legislature to redistribute among other school districts ad valorem taxes levied and collected by a school district. The amendment would also allow the legislature to create county education districts with the taxable property of existing school districts in one or more counties combined. County education districts may levy, collect, and distribute ad valorem taxes as authorized by general law. The legislature would be allowed to set the rate of the ad valorem tax to be imposed in a school district or county education district or it may authorize the board of trustees of each school district or county education district to set the rate, provided that the rate of county education district ad valorem taxes may not exceed \$1.00 per \$100 valuation of taxable property, unless a higher rate is approved by the voters of the district. The amendment also provides that the amount of ad valorem taxes redistributed among school districts by the legislature and effectively redistributed within a county through county education districts may not exceed 2.75 percent of the sum of the state revenue appropriated for public schools and the revenue from local ad valorem taxes levied and collected for public schools. The term "state revenue" does not include revenue from ad valorem taxes, revenue for the provision of free textbooks, or contributions to a retirement system. Finally, the amendment provides that it does not affect the distribution of the available school fund under article VII, section 5, of the Texas Constitution.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment allowing limited redistribution of ad valorem taxes for schools, authorizing the legislature or local districts to set

a minimum tax rate in county education districts, and placing a cap on the ad valorem tax levied by county education districts."

**PROPOSITION NO. 2  
ON THE BALLOT**

Section 2 of Senate Joint Resolution 7 proposes a constitutional amendment that would provide that, except for state educational mandates imposed in compliance with the Texas Constitution or federal law, or unless enacted by a vote of at least two-thirds of the members elected to each house of the legislature, a school district may not be required to comply with an obligation requiring expenditure of school district funds unless the obligation is fully funded. The amendment also requires the legislature to provide by law a procedure for determining whether an obligation is fully funded. In the absence of such a procedure, and at the request of a school district's board of trustees, the comptroller of public accounts shall determine whether or not an obligation is fully funded. This amendment applies only to state educational mandates enacted after December 31, 1993.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment exempting a school district from the obligation to comply with unfunded state educational mandates."

**PROPOSITION NO. 3  
ON THE BALLOT**

Senate Joint Resolution 4 proposes an amendment to article VII, section 5(b), of the constitution, which currently authorizes the legislature to provide for guarantee bonds issued by school districts and certain education-related revenue bonds issued by the state. The amendment would repeal the provision authorizing

## KOKOMO NEWS

ZELDA JORDAN -- PHONE 639-2289

We've had several very beautiful spring-like days with lots of sunshine but the forecast for the weekend says it will be down in the upper teens by Sunday morning, so I guess that it isn't quite Spring yet.

Special music at the Kokomo Baptist Church on Sunday morning was rendered by Helen and Woodrow Browning, Kay Snider, Leona Wilson, Norma and Oren Webb, Dan Snider and Joe Bond, with Glynda Bond at the piano.

Joe and Barbara Fields, Michael, Lisa and Falyn of Carbon and Richard and Teresa Nachtigall, Taylor and Trevis of Morgan Mill visited with their parents, Vernon and Deon Fields and Lindell Fields and celebrated Joe's 43rd borthday on Saturday, February 27th.

Glenn and Zelda Jordan spent Tuesday night in Abilene with Bill and Glenda Priest. Wade and Sheri Daniell were also dinner guests in the Priest home.

Claude and Juanita Fuller visited during the weekend at Ovalo with Wayne and Christi Eaton, Chad and Lindsey, and helped them move to a new home.

Oren and Norma Webb are happy to be back home after living in Fort Worth for the last nine months. We welcome them back. They were missed while they were away.

Visiting with Mrs. Hope Joiner on Saturday were Billie Jeanne Grisham Kathy and Mike Skaggs of De Leon, Lucille Joiner, Joyce and E. C. Bramlett of Stephenville, Donald Lee and Nita Joiner of Houston, Howard Joiner of Arlington and Tim and Christy Macon of Abilene.

Kelly Buchanan of Waco, Danny, Dianne and Sandra Snider of Gorman, Ryth Bryant and Hope Joiner visited with Nancy Hendricks.

Nancy Hendricks attended the birthday party honoring Sarah Tuggle on her 96th birthday on Saturday, March 6th at the Manor Nursing Home in Ranger.

A belated "Happy Birthday" to Sarah, her parents, the late Mr. and Mrs. Sam Hendricks, were some of the first settlers in the Kokomo community, and Sarah lived here all her life until bad health forced her and her late husband, Lum Tuggle, to move to the Manor Home.

Kelly Buchanan and Nancy Hendricks visited with Sarah Tuggle in the Eastland Hospital on Sunday. Sarah was taken to the hospital on

Sunday after suffering a stroke. We send get well wishes to her.

Harlan and Rea Crawley of Arlington visited with Larry and Betty Strube on Saturday. Batty has been a little under the weather the past few days with a sore throat and ear infection. Get well wishes to her.

### Tax Deferral Available For Over 65 Residential Homestead Owners

Section 33.06 of the State Property Tax Code requires the following informaiton concerning the Deferral of Certain Property Taxes to be publicized.

Property taxes on the residence homestead property of those persons sixty-five (65) years of age or older may be deferred or abated if they satisfy the requirements of the State Property Tax Code.

The property owner must occupy the residence homestead on which the tax is being levied or on which a suit has been filed for collection of delinquent taxes.

To obtain a deferral, the individual must file with the Chief Appraiser for the Appraisal District in which the property is located, an affidavit stating that he or she is sixty-five (65) years of age or older and that he or she does own and reside in the residence that the tax is being levied on.

If a suit has already been filed by a tax unit, the individual must file with the court in which the suit was filed the same type of affidavit.

By filing the affidavit with the proper authority, the payment of taxes or forced collections throught suit is postponed until the person filing the affidavit no longer owns and occupies the property as a residence homestead.

Although the tax is deferred, it is not cancelled. A tax lien remains on the property and penalties and/or interest may continue to accrue during the period that the collection of taxes is deferre.

For information concerning the tax deferral or abatement, contact the Eastland County Appraisal District. The office is located on the second floor of the Eastland County Courthouse and the telephone number is 629-8597 in Eastland.
