You can send your information via e-mail to gprogress@gormantexas.us or to The Gorman Progress, PO Box 68, Gorman, Texas 76454, Attn: Marilyn. Addresses are especially needed for the more recent graduates.

## Panthers Fair Well In Season Opening Scrimmages

The Gorman Panther Varsity Football team has fared well in its two scrimmages this season. The Panthers played host to a 3 way scrimmage against Eden and Sterling City back on August 17th. Gorman started the scrimmage on defence against Eden and held a big Bulldog squat to only one touchdown. The Panthers then ran an offensive series against an improved and large Sterling City squad. Gorman went on a 15 play 70 yard drive with the longest 3rd down conversion being a 3rd and 4. Gorman offense then went against the Eden defense that proved to be rather stout. Gorman did manage to pull things together after a rough few plays and go on a 12 play 70 yard drive. Overall the first team played both Eden and Sterling City to 1 touchdown to 1 touchdown ties. Our second unit which is composed of several freshman was unable to score but did have some positive plays. Defensively the second team played well and we saw some good things from several players.

On August 22nd, the Panthers traveled to Throckmorton for another 3 way scrimmage. This one was against Throckmorton and Wichita Falls Notre Dame. The Gorman offense began the scrimmage in an exciting way scoring on the first play from scrimmage on a 70 yard touchdown run. The Panthers would score again several plays later on a pass play. The defense performed well against Throckmorton holding the Greyhounds to one score. The defense then looked very strong shutting down Notre Dame. The offense then finished the scrimmage in exciting fashion by scoring twice on Throckmorton. The second team scored twice on Throckmorton's second team and held Notre Dame's first team to one score. Overall the first team beat Notre Dame 2-0 and Throckmorton 2-1. The seconds beat Throckmorton/Notre Dame 2-1.

We do not keep stats on scrimmages, therefore to avoid leaving someone out we did not include names in this week's article. The coaching staff is very pleased with where we are right now and look forward to an exciting season. The football season gets into gear on September 6th against Santo here at Gorman. The team looks forward to seeing all of you at the first game. They have been working hard all summer and through out all of two-a-days, so come out and give your support to this year's Gorman Panther Football Team.

## Athletic Director News

By A.D. Coby Tyson

The school year is officially underway and along with that so is the athletic year. High school Volleyball has already played several games and will be in a tournament this weekend. They have been playing well although they have come up short in each of their games this season. When they put it all together in one game they will be tough to beat.

The varsity football team has been practicing for several weeks now and have fared well in their scrimmages. They get the season started September 6th against Santo here in Gorman. We have 22 players right now and they have been working very hard to make this a successful season.

The JH volleyball and football teams started practice this past week as school got under way. The volleyball team has a large number of girls out this year and they are anxious to get the season started. The football team only had 17 7th and 8th graders combined come out for football the first day. Under UIL rules, Class A schools can use 6th graders if that number is below 22. We are using 6th graders and have since added a few other 7th and 8th graders to the squad. The boys have yet to put on pads but are excited about playing football and they can't wait to strap on the pads this week. It looks like a good group of kids and we are looking forward to working with them.

We have some new faces on the coaching staff this year. We welcome you to meet these new coaches at the end of any of our practices. Troy Doyle will be our new boy's basketball coach, Dennis Schlueter will be our new baseball coach, and Charles Whitfill will be our new cross country and softball coach. These coaches have other duties as well but will serve as head coaches in the sports listed above. We are glad to have them on staff and look forward to a successful year.

With Texas children heading back to school, avoid the post-summer blues by taking a break. Visit the State Fair of Texas in Dallas; it's something fun, something relaxing and something even a little bit educational. Its larger-than-life truly Texan spirit draws some 3.5 million visitors each year. And the Texas Department of Agriculture's Food and Fiber Pavilion hosts well over half of those visitors.

People from all walks of life, all across Texas, come to check out the pavilion, which regularly features many colorful and varied Texas-based exhibitors, performers and agriculture experts, all of which give fairgoers a glimpse into rural Texas and the wonders of agriculture.

This year is definitely no exception. Two giant stores, the GO TEXAN General Store and the Mercantile Store, will sit in the heart of pavilion, and they'll be stocked floor to ceiling with Texas-made products - everything from saddles to salsa, jerky to jewelry. This year, the stores are bigger and brighter than ever before.

Borden Dairy's Elsie and Beauregard will make daily appearances in the pavilion, the Celebrate the Wonders of Agriculture Schoolhouse will be on display, and commodity groups and agribusiness leaders from across the state will salute the 4-H centennial with special programs and souvenirs.

The 2002 State Fair of Texas runs from Sept. 27 to Oct. 20, at Fair Park in Dallas.

# Kokomo News

By Zelda Jordan

Our community was saddened to hear that a dear friend and neighbor, Naoma Morrow had passed away on Tuesday, August 20, 2002 in a Levelland hospital. She had lived in Levelland with a sister, Gladys Morrow, for the past two years or so. Her funeral was held at the Kokomo Baptist Church on Friday, August 23, with burial in the Eastland Cemetery.

Naoma was a long time resident of the Kokomo Community, and very active in the Kokomo Baptist Church, Kokomo Extension Club and The Kokomo Community Club. Failing health prompted her move to Levelland to be near her sisters and to her son, Larry and family who live at Plains. She will certainly be missed.

She was preceded in death by her husband, J. L. Morrow and a son, Lyndall Morrow. She is survived by a son and daughter-in-law, Larry and Paula Morrow of Plains and three grandsons, Lance, of Abilene, Layne of Plains and Lenny and wife Rachele Of Ozona and a great-grandson, Landon Morrow of Ozona; and two sisters, Gladys Morrow and Mildred Campbell both of Levelland.

We extend sincere sympathy to her family.

We extend sincere sympathy to Bro. Clarence and Leona Wilson at the death of her sister, Mrs. Dovie Pinkerton in Snyder. Bro. and Mrs. Wilson were in Snyder on Saturday for Mrs. Pinkerton's funeral.

Attendance was back up at the Kokomo Baptist Church on Sunday morning as most of the vacations are over and everyone is about back to normal routine. Ima Boles of Clyde was a visitor. "Happy Birthday" was sung to Woodrow Browning. The special music was rendered by Glynda Bond on the organ.

**Ima Boles of Clyde spent the weekend with Bobby and Mary Jane Little. Bobby and Mary Jane have just returned from a vacation in Colorado and they also did some mission work while in Colorado.**

Visitors with Nancy Hendricks were Edward Eppler of Caddo Mills, Tony, Joel and Rusty Stogner of De Soto, Darlene Hampton of Carbon, Charlie and Jonell Torrez and Charlie Torrez, Jr. of Gorman and Zelda Jordan.
