## Athletic Director Report Valentines Day at Heritage Manor City General Election Slated For May 4th

By A.D. Coby Tyson

Baseball, softball, and track start after the completion of our basketball season. We encourage all athletes to participate in these sports. We do not ask our athletes to choose between baseball and track or softball and track. It takes commitment to do both, but it is possible. As of right now, softball and baseball practices are scheduled to be approximately 4:30 pm to 6:30 pm. Track practices will be the conditioning done during off-season training with field events, hand-offs, distance training, block work, and hurdle work coming after school up until baseball and softball practice begins. Those that are not in baseball may continue to work on their events at that time.

Golf and tennis will begin at a later date. Those involved in these sports will be notified as soon as possible.

Powerlifting continues its season when they travel to Cisco this week to compete in the 1st Annual LOBO Powerlifting Meet. It is expected to be a large meet with some quality competition.

Other important information to remind you of includes: Baseball and Softball tournaments are scheduled for Feb 23rd and 24th. Contact Kathy Marlow to volunteer your help to the athletic booster club in hosting these tournaments. The Lions Club will help host the Gorman JH Relays on March 1st. Contact Coach Wilson to volunteer your help in running off this meet. UIL classification realignment will be released on Feb 4th. I will release the information to be put in the paper next week.

Keep your eye out for information on our summer camps. We are still hashing over details but hope to have some information out soon.

Football District 14-A 2002-2004 Gorman, Baird Cross Plains, May, Rising Star, Ranger, Tolar.

Basketball District 10-A 2003-2004 Gorman, Albany, Baird, Cross Plains, Ranger.

The cut-off from class A to class AA rose from 169 to 179. Gorman turned in 116 to the UIL in October. The number of teams in class A, 11-man football increased from 129 to 143. The number of basketball teams class A basketball increased from 310 to 339.

## Kokomo News

By Zeldia Jordan

The sky is overcast this Monday morning and I'm sure hoping that we will get some rain before it clears off. Sounds like we might get some colder weather too.

Attendance was up some at the Kokomo Baptist Church on Sunday morning. We were happy that some of those who have been a little under the weather were able to be back with us. The choir, under the direction of Woodrow Browning, with Glynda Bond at the piano, rendered the special music. Those in the choir were: Crystal Snider, Sylvia Buchanan, Kay Snider, Aletha Burgess, Leona Wilson, Ruby Lee Kinser, Helen Browning, Oren Webb, Daryl Hirst, Jimmy Little and Joe Bond. It was beautiful.

The choir met at the church on Thursday night for a practice session and then enjoyed a time of fellowship after the practice. They reported a good time.

Woodrow and Helen Browning visited in Mineral Wells on Saturday with Gary, Donna, Lesley, Melanie and Garrett Gatlin and attended Lesley and Melanie's basketball games.

Zeldia Jordan visited in De Leon on Friday with Quida Stringer and William Whitley.

Jimmy and Maggie Nelson of Fort Worth spent the weekend here at their farm home. Cassie and David Brasher and Zeldia Jordan visited with them.

Betty Little brought lunch to Joyce and Delmon Eaves on Friday and visited a little while with them.

Jamie Clearman of Ovalo visited with Delmon and Joyce Eaves on Saturday.

## Thank You

I want to thank the members of the Kokomo Baptist Church and other friends and neighbors for the prayers, phone calls and visits while I was in the Eastland Hospital and since I've been home, and for the food brought to our home. Delmon and I really appreciate every act of kindness shown to us.

A special thanks to my family for the loving care they've given me.  
God Bless you all.

# Desdemona News

By Vonnie Guthery

This reporter received a "surprise" phone call last Tuesday from Max and Bell Bailey in Lubbock. They celebrated their 57th wedding anniversary on January 29, 2002. "Congratulations" to this wonderful couple. Max as born and raised in Desdemona where he attended school and graduated with the Class of 1941. Max and Bell attend the Annual Desdemona Homecoming and School Reunion as often as their health permits. Bell has suffered from the "Shingles" since 1996. She has gone to several doc-

tors, tried all kinds of medication, shots, vitamins, etc., but she still has the "Shingles." This reporter can relate to that. Max's parents are the late Mitch and Minnie (Woodard) Bailey, who owned and operated the Twin Oaks Hotel during the Desdemona Boom Days. His brother, Rex and sisters, Thelma and Lucille are all deceased. Max receives the *Gorman Progress* to keep up with his friends in this area through the 'Desdemona News.' He told this reporter to keep on writing the news.

## Thank You

Dear Friends,

What a wonderful surprise! We want to thank each of you for your thoughtfulness in helping us celebrate our Golden Wedding Anniversary.

Yours cards, calls, visits, and gifts will be treasured memories.

We love you,  
Fred and Joy (Rogers)

This reporter received a phone call last Sunday from Ernest Key in Mesquite. A former resident of Desdemona where he attended school and graduated with the Class of 1949. He would like to say "hello" to all his classmates and friends in this area. It is good to keep "in touch" with former residents.

Our sincere sympathy goes out to the family of Ruby Kirklen, 98, of Stephenville. Burial as on Friday, February 1, 2002. Survived by four daughters, Bobbie, Betty, and Helen all of Stephenville, and Billye Koonce of Desdemona.

David Batson of Stephenville will be ordained as a deacon on Sunday, February 10, 2002, 5:00 p.m. at the Desdemona First Baptist Church. Dr. R.E. Smith, a deacon from the Dallas First Baptist Church will attend this service and help with the ordination. Pastor, Dewayne Brawner, and the members send an invitation to all to attend this service.

The children of Jerry "Boone" Buckley will host a reception for their Dad on Saturday, February 9, 2002 at the Desdemona First Baptist Church Annex, 2:00 p.m. to 4:00 p.m. The occasion to celebrate his 70th birthday. Family and friends are invited to attend. No gifts please.

The date will be announced later for the Desdemona Community Center Garage Sale. Donations are needed. Thanks to those who have donated items for this sale. Please contact this reporter at 254/758-2665 if you have items to donate.

Road construction on Hwy. 16, south of Desdemona toward DeLeon is nearing completion. This has been an extensive project for over a year.

Roy Lee Whitlock is in the Gorman Rest Home. He would enjoy cards and visits from friends in this area. His sister, Jackie Lou lives in DeLeon. Keep these two in your prayers.

Please contact this reporter with your weekly news.

Have a nice day, Vonnie.

## Office of Rural Community Affairs To Open Its Doors!

(AUSTIN) - The Office of Rural Community Affairs (ORCA) today announced it has opened its doors to rural Texans, inviting the public to contribute suggestions for the new agency's mission statement. A mission statement describes the overall purpose of an organization in 50 words or less. Ideally, the statement should help people understand who the organization is, what the organization does, and what the organization achieves.

The move marks an historic step in the development of the new state agency. "As administrators, we have an obligation to serve the public by building an agency that meets the needs of its constituency," explained Robt. J. "Sam" Tessen, ORCA's Executive Director. "The best way to do that is to ask the public what they want their agency to be, what they want it to accomplish, and how they want the agency to accomplish those things. Essentially we are asking the public to participate in their new agency's development."

ORCA was created by the 77th legislature to address health, community development, and economic development issues in rural Texas. The agency began operations January 1, 2002 by combining three existing rural-focused state programs, which now comprise the agency's three main program areas.

ORCA's Community Development Unit is funded through the U. S. Department of Housing and Urban Development's (HUD) Community Development Block Grant (CDBG) Program. (In Texas, the program is administered as the Texas Community Development Program.) The Community Development Unit administers programs that offer communities opportunities for the development of sanitary sewer systems; clean drinking water; disaster relief; housing, drainage, and flood control; infrastructure and other forms of community development.

Local Government Services (LGS) provides specialized assistance and training to help local elected officials in small cities and counties become more effective at providing public services and resolving administrative, financial, social and environmental issues in their communities. The Unit also conducts workshops that focus on the responsibilities of the public official.

The Rural Health Unit's charge is to insure access to and the availability of health care services in rural Texas. To achieve this goal, the Unit facilitates the growth of rural clinics, establishes emergency medical care networks, and encourages health care professionals to choose to practice in rural areas.

ORCA encourages Texans to submit their suggestions for the new agency's mission statement. Write to ORCA at P.O. Box 12877, Austin, Texas 78711. Phone: 512-936-6701 Fax: 512-479-8898 Email: pknopp@tdhca.state.tx.us or visit ORCA on the web at: www.orca.state.tx.us.

The Office of Rural Community Affairs was created in 2001 by the 77th Legislature to develop policy specifically addressing economic and quality of life issues affecting small and rural communities across Texas. The Office administers programs supporting rural health care, the federal Community Development Block Grant nonentitlement program, and programs to improve the leadership capacity of rural community leaders. The Office also coordinates and monitors the state's efforts to improve the results and cost-effectiveness of programs affecting rural communities, as well as provide an annual evaluation of the condition of rural Texas communities.
