NUMBER FORTY-TWO

OCTOBER 30, 2003

Fall Festival Friday, October 31st

Firsfruits Christian Fellowship will host an evening of free fun, games, and food for the youngsters of the community (adults welcome too!). From pony rides and pumpkin bowling to hot coffee and snacks, there will be something for all ages. The event begins immediately following the Halloween Parade on Friday night, Oct. 31.

Spaghetti Supper

The Gorman Junior Class is hosting a spaghetti supper Friday, November 7th, 2003. Each plate consists of a heaping serving of spaghetti, salad, and garlic bread. The money raised will be used to go towards the prom.

Prices: \$5.00 per adult

Students: \$3.00

Children under 3-free

Supper will be held in the high school cafeteria from 5:00-7:00 p.m.

This the last home game-Gorman vs. Baird—Come support the Juniors and the Panthers!!

RABIES CLINIC

The Gorman Animal Control and Dr. Burk from DeLeon will be sponsoring a rabies clinic from 9:00 a.m. until 12:00 p.m. on November 8, 2003. More information will be published later on the location.

How To Organize A Relay For Life Team Eastland County Relay For Life

You're invited to attend the Kick Off Rally, November 15, 2003 at the End of the Trail Restaurant, Eastland, Texas from 10 a.m. until 11 a.m.

Start recruiting NOW! Gather 8-15 of your friends, family and co-workers to participate. Tell them about the Relay For Life, an overnight event, that benefits the American Cancer Society. It's never too early to get your team formed and start raising money. Most teams raise funds year 'round.

Choose your team captain! This fearless leader will be the liaison between the American Cancer Society and your team. All that's required is a few free evenings to attend Captain's Meetings and Bank Night and a desire to lead your team in the fight against cancer.

Pay a team registration fee and ask each team member to raise a minimum of \$100. Each member who raises \$100 will receive a Relay For Life T-shirt.

On Your Mark, Get Set, Start Fundraising! The fun part is that YOU get to decide how. Whether you walk door to door, wash cars or grill burgers—it's up to you. Tell people you are raising money for a good cause. Check out the Fundraising Handbook for other great ideas. Be sure to check with your employers to receive matching gifts. You will be surprised how quickly you can accumulate donations. And, to reward your hard work, we'll give an award to the person and the team that raises the most funds.

Plan your campsite theme. To make the night's event even more fun, we encourage teams to decorate their campsites with a cancer theme. Some teams go all out and even have costumes to go with their theme. Use your imagination! Let that creativity flow. Who knows...you could walk away the winner of the campsite contest!

Create your Team Banner. This will help your team stand out as you make your lap during the Parade of Teams! It also enhances your campsite...and helps direct you back, in case you get lost!

Prepare to have fun!!! Arrive at the tract anytime after 5:00 p.m. to set up camp for the night. Bring a tent to spend the night, some frisbees or footballs to toss on the sidelines, and a camera to take blackmail pics of your friends and family in the wee morning ours of the Relay for Life.

Invite friends, neighbors and everyone else you know to come out and cheer your team on! An especially beautiful time is the Luminaria Ceremony. This is when all the stadium lights are turned off, luminarias are lit and all participants stop to remember those who lost the battle—and honor those who have survived.

After Relay take a good, long nap! You deserve it!! Then meet with your team to reminisce about the fun and to start making plans for the next year!

For more information please call Valerie Hampton 734-2174 or Michelle Byrd 639-2762.

2 - 2	Fumbles/Lost	3-3
6/36	Punts/Avg.	3/28
6/35	Penalties	9/60

The Gorman Panthers played host to the Ranger Bulldogs on Friday night in an important District tilt and held on for a 14-13 victory. Gorman scored on their third possession after being stopped on their first two possessions and held a 7-0 first quarter lead, when they recovered a Bulldog fumble on the Ranger 16.

But Ranger added a touchdown on their next possession and tied the score at 7. They added another score in the second period but missed the extra point for a 13-7 lead.

Then Gorman came back with a drive of their own but had to punt to Ranger. That's when Reggie Sanchez got the fumbled punt on a recovery in the end zone for the tying score. Then Sawyer Wright booted the go-ahead point after for a 14-13 halftime lead and the Big Red defense held on for a 14-13 victory.

On Gorman's second drive the Panthers moved from their own 10 to the Bulldog 19 before fumbling the ball. However, the Bulldogs lost the ball right back to Gorman on the Ranger 16. Then following a Bulldog penalty of 5 yards, Trent Withers ran for 2 yards and 7 yards before running in from 3 yard line for the score with 13 seconds left in the first, Sawyer Wright booted the point after and Gorman was up 7-0.

But the Bulldogs came right back with a drive of their own and moved the ball from their own 41 in just 2 plays with Keaton Kellog catching a pass from Milton Monroe on the Ranger 45 and racing down the sideline for 55 yards with 11:09 left in the second. Kellog kicked the point after and tied the score at 7-7.

Then after exchanging possessions on two different occasions the Bulldogs grabbed an interception on the Gorman 21 and ten scored on one play with Jarrel Monroe going the distance in one play with 3:35 left in the half. The kick try by Kellog missed and Ranger was up 13-7.

After being stopped on their next possession the Panthers were forced to punt from their own 42 and the Ranger ball handler fumbled the catch and the ball rolled into the end zone and was finally recovered by Reggie Sanchez for a Gorman touchdown with 36 seconds left in the half. Sawyer Wright kicked the point after and Gorman was up 14-13 at the intermission.

Both the Ranger and Gorman Bands performed outstanding routines at the intermission and received standing ovations from the fans.

The two teams played on fairly even terms the rest of the way until late in the 4th period when the Bulldogs moved the ball inside the Gorman 20 following a Panther fumble, but were held on a third down play and were forced to try a field goal from the Gorman 19. But the Big Red Defense were not to be denied the win and blocked the field goal try and then held on for the final two and one half minutes to preserve the victory.

Trent Withers led the Panthers, with 68 yards on 16 carries. Sawyer Wright had 36 on 10 tries and a pass completion for 25 yards. Roberto Rodriguez got 8 yards on 5 tries and Ryan Wright had 7 yards on 4 keepers. Justin Teter led Ranger with 61 yards on 18 tries.

This win puts Gorman at 5-3 for the season and 3-1 in District play. The Big Red Defense has done a fabulous job thus far.

Gorman travels to Tolar to take on the Rattlers on Friday night. Tolar is undefeated in District and will be a very tough, experienced foe for the Big Red. So let's follow the Panthers to Tolar on Friday and back them to victory.

Go Get 'Em Big Red!!!!!!

Halloween Costume Parade

The annual Halloween Costume Parade will be this Friday night (the 31st). Everyone is to meet in the Senior Citizen Parking lot. The parade will start at 5:30ish...no earlier than 5:30. This will give those who want to go to Tolar to the football game plenty of time, and earlier start for those who want to Trick or Treat. Bags of candy will be handed out following the parade in the Senior Citizen building. Don't forget the Fall Festival at First Fruits following the parade. Also remember the Lions Club will be collecting old eye glasses before and after the parade. I look forward to seeing you there.

Ranger College Spotlight

If you have recently made a phone call to TXOL Internet to get technical support, you may have spoken with the current Ranger College Spotlight graduate, Tracy Mills. Tracy earned her Associate of Applied Science Degree in the field of Computer Information Technology from Ranger College in December of 2002, and then began working for Bryan's Computers and TXOL Internet in January 2003.

Tracy has this to say about her background with computers: "I actually bought my first computer from Bryan's computers back in 1997 and had no idea how to operate it. By January 2001, when I decided to transfer to Ranger College, I knew that I wanted a career that had something to do with computers. I already had experience using most of the Microsoft Office applications, but had no certificate or degree to back it up to get a job. That is when I called Sandra Cunningham, the computer teacher at Ranger College, and asked her to help me decide what courses to take. Going back to school at the age of 30 was a little daunting, but Mrs. Cunningham made me feel at ease by letting me know that I was not alone. In fact, she was right. All of the faculty and staff were very friendly and helpful."

When asked about her job experience, Tracy replied, "Getting a job with TXOL Internet and Bryan's Computers right out of college was a dream come true. I couldn't have asked for a better place of employment."

Tracy grew up in southern California and attended high school in LaHabra California. She has two sons, age 9 and 11, who attend Ranger Elementary. duties at Bryan's Computers and TXOL Internet include evening technical support, answering support email and phone messages, one-on-one tutoring, and teaching Internet classes. She also does PC troubleshooting, setup, repair, and software installation.

The degree that Tracy earned at Ranger College, the AAS in Computer Information Technology, is a two-year program that includes classes in Microsoft Office applications, PC hardware, Windows, Internet use, web page development, and computerized accounting. Before she completed the AAS Degree, Tracy completed the one-semester program and the one-year program in Computer Information Technology and earned a Certificate of Completion in each.

Bryan Jackson, owner of Bryan's Computers says of Tracy, "Tracy is a valuable part of our family here at Bryan's Computers and TXOL Internet. Through determination, attitude, character, and education, she is doing what she once only dreamed of doing. Her skills are a blessing to the technology field in our area."

Keeping an Eye on Texas

A National Outcry Against Breast Cancer

October marks the 19th annual national Breast Cancer Awareness Month—a campaign that has boosted mammograms, pushed for better treatments, and saved lives. The American Cancer Society estimates that in Texas in 2003, about 13,700 new breast cancer cases will be diagnosed and 2,600 Texans will die from breast cancer. For more information, go to <http://www.cancer.org> or <http://www.susankomen.com/>.
