LOCAL WOMEN WILL SERVE AS HOSTESSES FOR FREE COOKING SCHOOL SESSIONS NEXT WEEK

Three local women prominent in club and church affairs Thursday had accepted invitations to serve as hostesses during The Herald's Free Cooking School sessions, slated next Monday, Tuesday and Wednesday afternoons at the municipal auditorium.

The three are Mrs. Preston B. Sanders, president of the Garden Club; Mrs. G. C. Schurman, chairman of the Church Federation; and Mrs. Hayes Stripling, president of the Parent-Teacher association council. Mrs. Sanders will serve as official hostess Monday, Mrs. Schurman Tuesday and Mrs. Stripling Wednesday.

Each will introduce the lecturer, Mrs. Arreva D. French, and assist in various ways in conducting the afternoon programs. The three are joining The Herald and co-operating firms and manufacturers in extending an invitation to all women to attend the free cooking school.

The school—entirely free to the women of the community—is to begin with a lecture at 3 o'clock Monday afternoon and continue every afternoon at the same hour through Wednesday.

Daily gift awards will be an outstanding attraction of the school including such useful things as groceries, gas ranges, dishes, electric irons and percolators. A list of these are to be published in the next few days.

Mrs. Arreva D. French, who is to conduct the school, believes that our very civilization depends upon the housewives who prepare the family's food. She emphasizes the importance of the business of being a home manager. In her daily lectures, she gives many helpful suggestions that make fun of kitchen work and at the same time enables the busy housewife to save time.

Music Study Club Has Tea To Honor Guests

Tea Room Is Attractively Decorated With Zennias, Dahlias And Fern; Affair Is Preceded By A Business Meeting

A musical tea was given in the crystal ballroom of the Settles hotel Wednesday afternoon honoring Music Study club members and their guests following an initial business meeting of the club.

The ballroom was beautifully decorated with baskets and bowls of zennias, fern, ivy and flanked by attractive floor baskets of zinnias. The floral background was completed by the placing of baskets of yellow dahlias at regular intervals around the ballroom.

The tea table, presided over by Mrs. G. C. Schuman and Mrs. H. Kirkpatrick, past presidents was laid with a handsome lace cloth over yellow satin and up pointed with silver candleholders and yellow tapers.

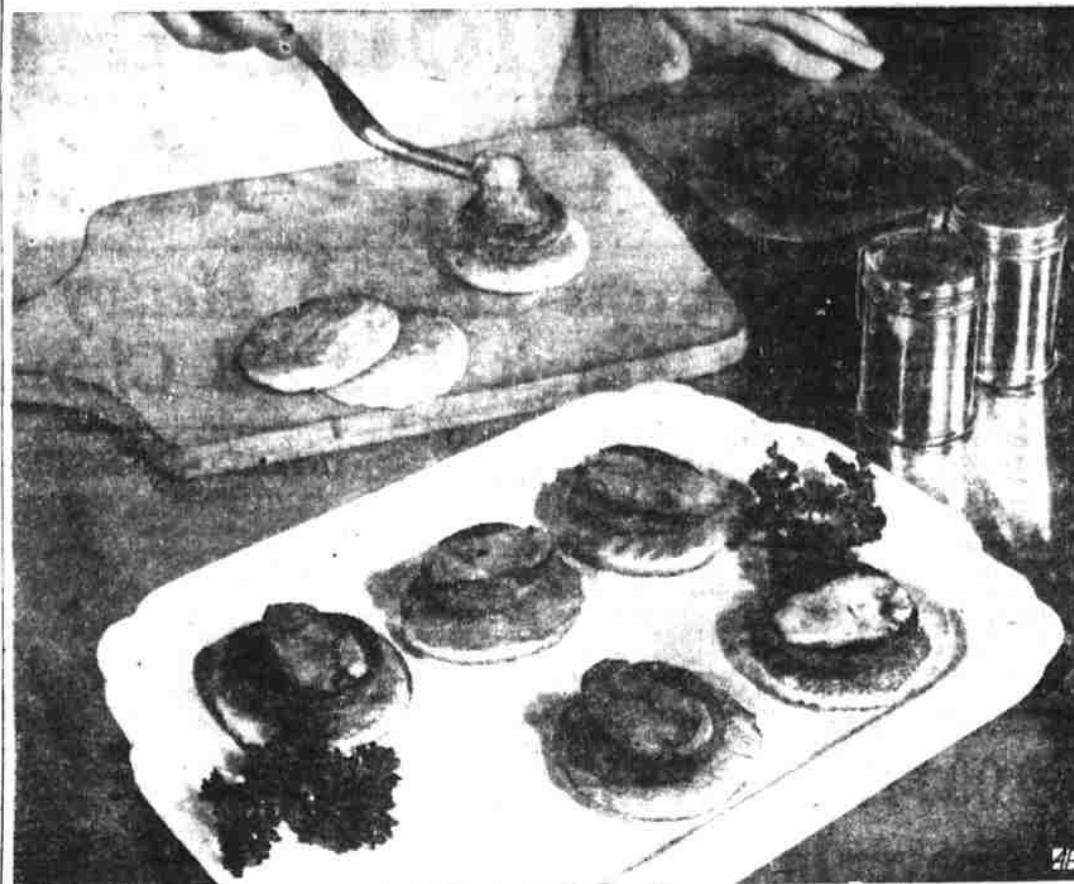

Receiving Line Mrs. H. G. Keaton was at the guest book and the receiving line included Mrs. Schuman, Mrs. Kirkpatrick, Mrs. Harvey Hurt, president, Mrs. Bernard Lamun, Mrs. Ann Gibson Houser, Mrs. S. H. Gibson, Mrs. Wilford Read and Mrs. Raymond Winn.

The musical program was presided over by Mrs. Hurt who welcomed the visitors to the tea. Elsie Willis gave the piano selection, "Hungarian Rhapsody No. 6" by Liszt and Mrs. Bernard Lamun sang these numbers: "The Birth of Man" by Fritson Loun, "The Dewdrop Loves the Morning" by F. Hardelot, and "The Fields of Lee" by Stephen Adams. She was accompanied by Roberta Gay.

A violin trio composed of Mrs. D. W. Conley, Mrs. Charles Houser and Mrs. Valdeva Childes accompanied by Miss Gay played "Minuet From G Minor Symphony" by Mozart, "Carmen" by Bizet and "The Old Refrain" by Kreisler.

Officer Elected Earlier in the afternoon a business session was held in which Mrs. Keaton was elected treasurer to replace Mrs. Edmund Berger.

Seven Good Ways To Serve Delicious Oysters This Season As Seen By The Food Authority

In this dish two patrician foods, oysters and mushrooms, are blended for a rich luncheon or dinner.

By MRS. ALEXANDER GEORGE AP Feature Service Writer Oysters are back. To many of us that's as thrilling as harvest-time or the opening of the football season.

Every oyster-growing section of the country boasts of the superior delicacy of the local product. But regardless of origin, individual flavor or size, oysters can be prepared and served by the same general methods.

How will we have our oysters? Well, let's start with the cocktail. Use your favorite variety and see that they are fresh, well chilled and topped up by the right sauce. Serve about six to the portion and always include a wedge of lemon for each service. Serve the oysters on the half-shell or in small glass cups lined with cress or shredded lettuce.

Here's a recipe for a universal cocktail sauce: Mix half a cup of catsup, a third of a cup of chili sauce, two teaspoons of grated horseradish, a fourth of a teaspoon of salt and an eighth of a teaspoon each of paprika, celery salt and granulated sugar. Mix and chill. This is enough for six or seven servings. If you're extra fond of seasoning, top the oysters with a little chopped, crisp bacon, minced parsley and pimientos.

Perhaps you'd like to launch your luncheon or dinner with something hot. Oyster bisque is just the ticket. Chop oysters and heat them in melted butter, then add to savory cream soup sauce. Serve

in cups or plates and garnish with whipped cream and paprika. For a change include some corn or mushrooms with the oysters.

Oyster kabobs are just the thing to serve for an informal supper. Alternate eight oysters with squares of bacon on long skewers. Broil or bake until browned, sea-

Mrs. Keaton Is Guest Speaker Of Sorority

'Musical Idealism Of America' Is Studied By Group

One of the most interesting programs of Beta Sigma Phi in several meetings was featured this week by Mrs. Herbert Keaton who gave an interpretation of "Musical Idealism in America" and illustrated her talk with selections played by Mrs. Harry Hurt and Mrs. Omar P. Man at the Settles hotel.

Mrs. Keaton said musicians now say that America will lead in the world of music and she pointed out seven types of music America has already contributed. The types include the songs of Stephen Foster which are mostly Irish and Scotch in melody, the parlor organ, Edison's phonograph, Sousa's marches jazz which is not considered typical of America, classical composers and synchronization in movies.

After a brief outline of each composer, Mrs. Hurt and Mrs. Pitman played Mason's "Dance Rustique," Ethelbert Nevin's "Narcissus," Edward McDowell's "To a Wild Rose" and Sousa's "Stars and Stripes Forever."

Questions covering the activities and developments of the sorority were discussed for the benefit of the pledges.

Attending were LaFern Dehlinger, Frances Rogers, Betty Pat Barker, Jimmie Lou Goldman, Evelyn Merrill, Mary Burns, Anne Zarnofnetis and Marguerite Alderson.

Friendship Class Installs Officers At Recent Meeting

Friendship class of the First Baptist met Wednesday morning at the church for a monthly business meeting and to install new officers for the year.

Taking part in the installation were Mrs. A. B. Winslet, president; Mrs. H. L. Agee, second vice-president; Mrs. C. L. Lambert, third vice-president; Mrs. D. D. Dunn, fourth vice-president; Mrs. Hugh Hendrick, secretary; and Mrs. J. C. Allen, associate secretary.

Mrs. Roy Dewese, Mrs. Erwin Daniels, Mrs. C. O. Nalley and Mrs. Alton Underwood are the new captains.

Attending were Mrs. Wright, Mrs. Underwood, Mrs. W. D. Carnett, Mrs. Joe Pond, Mrs. Agee, Mrs. Truman Townsend, Mrs. Dewese, Mrs. Earl Bibbs, Mrs. W. D. Berry, Mrs. Hendrick, Mrs. Charles Houser, Mrs. Daniels, Mrs. G. G. Morehead, Mrs. A. T. Smith and Mrs. Winslet.

Mrs. M. H. Bennett Surprised With A Shower Of Gifts

Members of the Tuesday Luncheon club met with Mrs. E. V. Spence and surprised Mrs. M. H. Bennett with a shower of handkerchiefs in honor of her birthday.

Lunch was served from a lace covered table with a beautiful centerpiece of pink roses. After the luncheon, Mrs. Bennett was presented with a birthday cake topped with candles and surrounded with little gift packages.

Mrs. Shine Phillips scored high and Mrs. J. Y. Robb is to be the next hostess.

Attending were Mrs. H. W. Leeper, Mrs. George Oldham, Mrs. John Hodges and Mrs. Mabel Carter, who were guests, and Mrs. Carl Blomshield, Mrs. Robb, Mrs. Bennett, Mrs. W. W. Inkman, Mrs. M. K. House, Mrs. Roy Carter and Mrs. Phillips.

High Prize Given To Mrs. Merrill At Bluebonnet Affair

Mrs. E. D. Merrill received a prize for high score and Mrs. Charles Koberg binged Wednesday afternoon at a meeting of the Bluebonnet club with Mrs. S. L. Baker.

The Halloween motif was used for house decorations and bridge appointments. Following the games, the club presented Mrs. Ira Watkins with a gift.

Refreshments were served to Mrs. Watkins, Mrs. Koberg, Mrs. W. D. McDonald, Mrs. Merrill, Mrs. E. C. Boutler, Mrs. Wilson, Mrs. R. L. Carpenter, Mrs. Charles Watson, Mrs. Carl Strom, Mrs. J. B. Hodges, Sr., Mrs. R. V. Tucker, and Mrs. J. L. Terry.

Woodmen Circle Plans To Sell Quilt Soon

Plans for making and selling a quilt to aid the drill team were discussed at a meeting of the Woodmen Circle at the W. O. W. hall. The members are preparing for a district meeting of the circles in November.

At the meeting this week, the juniors sold cookies to raise money for the staging of a Halloween carnival.

Refreshments were served to Mrs. Beulah Carnrike, Mrs. Maude Low, Mrs. Ernestine Rennels, W. E. Carnrike, Mrs. Kate Franklin, Mrs. Hope Brock, Mrs. Gracie Lee Greenwood, Mrs. Ethel Clifton, Mrs. Fardus, Mrs. Altha Porter, Mrs. Cora Fleeman, Neva Brock, Katharine Morrison, Catherine Bowles, Debra Bradford, Wanda Bradford, Juanita Miller, Mary Jo Morrison and Lola Fay Miller.

TWO HEADS are better than one sharing secrets, decided Arline Judge, wife of Dan Topping and former film actress, as she whispers to Film Actor George Raft at the Topping's party in a Manhattan night club, the Versailles.

CALENDAR Of Tomorrow's Meetings

Friday ROYAL NEIGHBORS to meet at the W.O.W. hall at 7.30 o'clock p. m.

Four Are Guests Of No-Trump Club And Mrs. Roy Dewese

Four were guests of Mrs. Roy Dewese and the No-Trump club this week when she entertained at her home with an afternoon of bridge.

Guest high went to Mrs. John Whitmore, club high to Mrs. V. A. Merrick and bingo to Mrs. J. E. Laney, Mrs. Lester Flinn, and Mrs. A. Seydler.

A salad plate carrying out the Halloween motif was served to Mrs. Whitmore, Mrs. Seydler, Mrs. Carl Merrick and Mrs. Truman Townsend, who were guests, and Mrs. Merrick, Mrs. T. H. Collins, Mrs. R. C. Hitt, Mrs. Laney, Mrs. Earl Bibbs, Mrs. Flinn and Mrs. J. W. Joiner.

Hallowe'en Motif Used For Birthday Party By Hostess

Hallowe'en horns and candy favors and clever contests were featured by the hostess to a birthday party for Gerry Jim Edwards on his fourth anniversary Wednesday afternoon. He was entertained by his mother, Mrs. W. K. Edwards, who was assisted by Norma Jean Edwards.

Millicent Ann Childers and Sue Caroline Wasson received contest prizes. Guests were served individual birthday cakes decorated with pumpkin heads.

Present were Caroline Wasson, Millicent Ann Childers, Kitty Roberts, Lillian Rowe, Janet Cogert, Barbara Hill, Edmund Fahrrenkamp, A. B. Conley, Craig Lewis Duncan, Bobby Gross, Sandy Edwards, and Gerry Edwards. Charles Marchbanks sent a gift.

Twenty-Six More Concert Tickets Have Been Sold

Club Is Pleased With Campaign Thus Far

Twenty-six more adult season tickets to the Musical Art series under the sponsorship of the Music Study club have been sold since yesterday, a check-up with the campaign manager, Mrs. Ann Gibson Houser, revealed this morning.

Mrs. Houser said the club is well pleased with the way in which the campaign is going forward and it is hoped by Saturday night that the goal of 150 adult tickets and 75 student tickets have been sold.

At a business meeting of the club Wednesday, the members voted to hold the five concerts at the high school auditorium instead of the municipal auditorium.

Total tickets sold by the lieutenant up to date are:

Table with ticket counts: Adult tickets: Pittman 8, Willis 10, Wilson 2, Wood 26, Flewellen 25, Talley 14, Darby 8, Total 93. Student tickets: Eddy 2, Winn 19, Total 21.

Picnic Supper At Park Is Feature Of Embroidery Club

Picnic-supper at the city park Wednesday afternoon was a feature of the Zinnia Embroidery club.

Attending were Mrs. Ralph Neill and daughter, Mrs. R. E. Neill, a new member, Mrs. Bob Wren and children, Donald and Belya Jo, Mrs. Zeb Womack and children, Shirley and Donna, Mrs. John Houser, who was a guest, Mrs. F. McCullough and two daughters, Mrs. John Porter and daughter, Barbara, Mrs. Stewart Womack, Mrs. C. E. Morgan and Marilyn Youngblood.

Mrs. McCullough is to be the hostess next week at her home, 607 East 12th street.

Called To Clovis

Mr. and Mrs. Willis Taylor were called to Clovis Wednesday afternoon because of the serious illness of Taylor's sister who died Wednesday night. Funeral services are to be conducted Friday afternoon there.

Check COLD DISCOMFORTS. At the first sign of a cold, make up your mind to avoid as much of the sniffing, sneezing, soreness and stuffy condition of your nostrils as possible. Insert Mentholum in each nostril. Also rub it vigorously on your chest. You'll be delighted with the way Mentholum combats cold misery and helps restore comfort. MENTHOLATUM Gives COMFORT Daily.

Marriage Of Pearl McClure To J. B. Bruton Announced. Announcement has been made of the marriage of Pearl McClure, daughter of Mrs. W. L. McClure of Big Spring, to J. B. Bruton at El Dorado, Oct. 3. The couple was accompanied by Mr. and Mrs. Hugh Hendrick of Big Spring, Mrs. Sara Bruton is the mother of Mr. Bruton. Mrs. Bruton formerly worked in the office of Dr. E. B. G. Cowper. They are honeymooning at various Texas points and are expected home in a few days. Mrs. Preston R. Sanders returned Wednesday afternoon from Waco, where she has been visiting relatives and friends for several days.

BROILED OYSTERS WITH MUSHROOMS. 1 pint Bluepoint oysters, drained. 24 medium mushroom caps, peeled. Melted butter, salt, pepper. Season oysters with salt and pepper. Brush mushroom caps, inside and out, with butter and season with salt and pepper. Cook mushrooms under broiler about 5 minutes or until browned; then turn and cook about 5 minutes, or until done. Cook oysters under broiler about 2 minutes; then turn and cook about 2 minutes, or until edges begin to curl. Place 1 oyster in each cap; serve at once on hot buttered toast.

Justamere Club And Guests Are Entertained With A Luncheon. Marigolds and other fall flowers were arranged attractively in the home of Mrs. M. H. Bennett Wednesday afternoon when she entertained the Justamere club members and four guests with a 1 o'clock luncheon followed by bridge. The Hallowe'en motif was used for the luncheon table appointments. Mrs. George Oldham, Mrs. Shine Phillips, Mrs. W. W. Inkman and Mrs. Mabel Carter were guests with Mrs. Oldham receiving high score. Mrs. V. Van Gieson scored club high. Other members playing were Mrs. John Clarke, Mrs. Roy Carter, Mrs. Carl Blomshield, Mrs. H. W. Leeper, Mrs. J. B. Young, Mrs. E. O. Ellington, and Mrs. J. Y. Robb.

WRITING AND READING. 'LISTEN! THE WIND,' by Anne Morrow Lindbergh; (Harcourt, Brace; \$2.50). It is not difficult to appraise the news value of Anne Morrow Lindbergh's new book—anything done by anyone with the name Lindbergh is news. It is very difficult, however, to know what value the book has as literature or entertainment. This decision depends upon a number of things, but most upon the reader's capacity for hero worship.

Mrs. Roy Carter Is Hostess To Sunday School Class. Mrs. Roy Carter was hostess to the Bluebonnet class of the First Christian church this week for a regular monthly business meeting. Attending were Mrs. J. T. Allen, Mrs. W. E. Schmitz, Mrs. J. D. Sheppard, Mrs. A. G. Hall, Jr., Mrs. W. B. Martin, Mrs. Doug Perry, Mrs. Charles L. Girdner, Mrs. James Wilcox, Mrs. W. K. Baxter, Mary Alice Leslie and Ima Deason.

Mrs. Roy Carter Is Hostess To Sunday School Class. Mrs. Roy Carter was hostess to the Bluebonnet class of the First Christian church this week for a regular monthly business meeting. ### New Members Of Homemakers Are Initiated Here

97 Join Future Homemakers At Recent Meeting

Candlelight initiation service for 97 new members of the Future Homemakers' club of the Big Spring high school was held Wednesday evening at the new gymnasium.

The club's made up this year of eight different homemaking classes or units and for the first time boys have been permitted to join the club through the Social Problems class. The boys' unit, which is composed of members of the Social Problems class, has been named the Future Hiscuit Passers. Taking part in the service were Rita Mae Bignon, president; Ruth Thomas, secretary; Mildred Thompson, who represented the orange of home; Ellen Dempsey, the blue of character; Maybelle Bly, the yellow of wisdom; Leta Mae Miller, the lavender of beauty; Peggy Thomas, the green of service; and Lanelle Glaser, the spirit of homemaking. Various units have individual meetings but the entire club only meets once each month during the year.

### Fellowship Supper Attended By Over Hundred Recently

Over 100 attended a monthly fellowship supper at the First Methodist church Wednesday evening with Circle Two of the W.M.S. as hostesses. Mrs. V. H. Flewelen announced October 16-23 as Childhood and Youth Week and asked the cooperation of the parents in helping to make the week worth while. Dr. Will C. House, pastor, talked on the common task of church—the church school—and the home. The program closed by group singing of "Bless Be the Tie That Binds."

### Members Of Club Meet To Sew And Chat For Evening

Good Times Club was entertained recently by Mrs. J. A. Coffey at her home and the evening was spent in sewing and talking. After a Brotherhood meeting at the First Baptist church, the members' husbands joined the party. Attending were Dr. and Mrs. J. E. Hogan, Mr. and Mrs. Joe B. Harrison, Mrs. Horace Reagan, Mrs. E. J. Smith, Mrs. Larson Lloyd, Mr. and Mrs. Roy Cornelson, Mr. and Mrs. J. C. Loper, Mr. and Mrs. Vernon Logan and Mr. and Mrs. Coffey.

### FOR THE CAREER WOMAN

Molyneux uses suave black wool for this fall costume worn with a muff and a veiled, plume-tipped hat. The dress is trimmed with jet necklace embroidery and the jacket banded with black Persian lamb tubing. A useful street suit for the successful career woman.

### Smaller Production Forecast For Some Texas Crops

AUSTIN, Oct. 13 (AP)—Conditions during September favored maturity and rapid harvesting of some Texas crops but resulted in somewhat smaller production forecasts on Oct. 1 for tame hay, rice, peanuts and sweet potatoes, the U. S. department of agriculture reported today. The Oct. 1 forecast for peanuts was 129,000,000 pounds, 10 per cent below the September forecast but 28,000,000 more than last year's production. The tame hay crop was estimated at 981,000 tons, compared with 831,000 produced in 1937. The department said an average sweet potato crop had been harvested with an indicated yield of 4,500,000 bushels, 6 per cent less than indicated Sept. 1. Rains in early September caused some damage to rice and indicated production on Oct. 1 was 13,000,000 bushels, somewhat less than previ-

### 'CLERICAL AGITATORS' ASSAILED BY NAZIS

VIENNA, Oct. 13 (AP)—Vienna nazis, using all their propaganda means, launched a campaign today against Theodore Cardinal Innitzer and what they called "clerical agitators." Newspapers were filled with attacks against the archbishop and "political Catholicism." More than 100,000 nazis were expected in Heroes' square tonight for a "mass protest" and District Leader Odilo Globocnik ordered "every decent-thinking person in Vienna" to appear there as public notice that the "entire population is against clerical provocations." Joseph Buerckel, Chancellor Hitler's deputy in Austria, fresh from conferring with the Reichschancellor, was scheduled to preside over measures to "end clerical provocations."

### COTTON SEED CRUSH BELOW A YEAR AGO

WASHINGTON, Oct. 12 (AP)—The census bureau reported today cottonseed crushed in the two-month period, Aug. 1 to Sept. 30, totaled 799,189 tons, compared with 978,107 tons in the corresponding period a year ago. Cottonseed on hand at mills Sept. 30 totaled 1,068,788 tons compared with 991,832 a year ago.

## Money Likely To Be Voted For Defense

### World Situation Due To Bring Congressmen Into Line

WASHINGTON, Oct. 13 (AP)—Several senators predicted today that the troubled international situation would assure President Roosevelt a clear track in congress if he requests substantial increases in the national defense budget. Senator King (D-Utah), who opposed the billion-dollar naval expansion program at the last session, said that in view of world conditions he now was inclined to support larger appropriations for both the navy and the army. Mr. Roosevelt said this week a budget increase would be necessary to provide \$150,000,000 for new war-

ship construction next year. Senator Borah (R-Ida) indicated he would continue his opposition to large naval expenditures, but said he had little hope congress would accept his view. Senator Townsend (R-Del) has predicted that most republicans would support increases in defense appropriations.

### ELECTION CONTEST IS SETTLED BY HIGH TRIBUNAL

AUSTIN, Oct. 13 (AP)—The supreme court settled another election contest today by upholding the claim of I. J. Benavides of Brooks county to the democratic nomination for district clerk. It granted the petition of Benavides for a writ of mandamus compelling Charles O. Atkins, the county chairman, to certify Benavides as the nominee. Because of the proximity of the contest to the general election, the court made the judgment effective at once, declaring also no motion for rehearing would be entertained. Benavides alleged that although he had received 694 votes for 679 for his opponent, M. F. Orth, the county executive committee had refused to certify his name. The supreme court yesterday declined to order the names of La-

prove to be a source of strength rather than a weakness in event of a Pacific war.

verne Somerville and Arion B. Cy-clone Davis on the ballot as the nominees for governor of the Independent American and the Peoples Pension parties.

**START SECOND HUNT FOR WOMAN'S BODY**

SAN ANTONIO, Oct. 13 (AP)—Deputy Sheriffs John J. Klevenhagen, John J. Gray and Texas Ranger Captain Lee Miller left here last night for Ingleside where this morning they will begin a second search for the body of a former employe of John D. Ball, Elmerendorf tavern operator, who shot himself to death recently as he was about to be questioned concerning the disappearance of a woman.

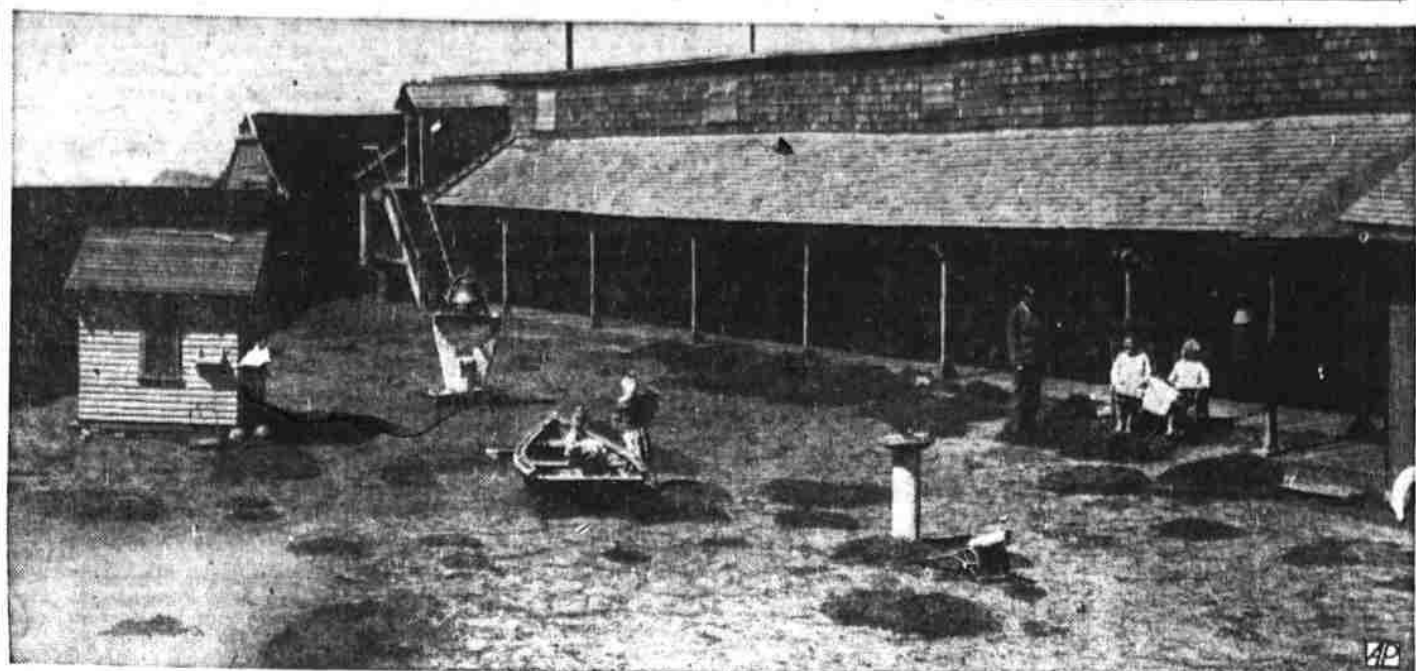

**SOCIAL SECURITY CONFERENCE HELD**

SAN ANTONIO, Oct. 13 (AP)—Field office executives of the federal social security board from Louisiana, New Mexico and Texas opened a three-day conference here today.

Sherwood H. Avery, regional representative of the board's bureau of old age insurance, will be in charge.

Heading the list of speakers will be John W. Corson, director of the old age insurance bureau, it was announced.

**ONE-FAMILY KINGDOM ENJOYS ONE-MAN RULE**

**PEACE REIGNS IN NEIGHBORLESS KINGDOM**—San Miguel Island off the California coast near Santa Barbara, where Mr. and Mrs. Herbert S. Lester (seated, right) are sole rulers, and 14 miles of windswept sand and shells are the playground for their two daughters. This is the yard of the Lester home. At the left is the tiny schoolhouse where Marianne, 7, and Betsy, 4, are taught by their mother, the former Elizabeth Sherman of Rye, N. Y. Both the Lesters are listed in the N. Y. social register.

**NEW AUDITOR AT THE SETTLES HOTEL**

Announcement was made Thursday by R. S. Norton, manager of the

Settles hotel, that a new auditor had assumed duties here. He is David Meyers, who comes to the Settles from the Texas hotel, Fort Worth, another National Hotel

company unit, where he was assistant auditor. Mr. Meyers' wife will join him here shortly. He succeeds James Britton.

Mrs. J. B. Thomas of Midland is visiting her mother, Mrs. J. H. Hurt and other relatives for a few days.

**SHELL POSTS LOWER PRICES FOR CRUDE**

HOUSTON, Oct. 13 (AP)—The Shell Petroleum company today listed price cuts of Mid-Continent crude oils.

The new Shell postings were made retroactive to 7 a. m. October 11.

Prices quoted in the Shell company's statement were East Texas and Livingston area, \$1.10 a barrel; Pecos county, Texas, except the Yates shallow pool, 78 cents. The Yates pool oil was posted at 85 cents.

Fisher county, Texas, below 25 gravity, 68 cents, plus two cents for each degree of gravity up to 40 gravity and above topped at \$1.

Crane, Ector, Howard, Glasscock, Upton and Winkler counties, Texas, and Lea county, New Mexico, below 20 gravity 53 cents, plus two cents for each degree of gravity up to 36 gravity and above topped at 87 cents.

Black Bayou and White Castle, coastal Louisiana, below 20 gravity, 79 cents, plus two cents for each degree of gravity up to 34 and above topped at \$1.14.

Iowa, coastal Louisiana, below 18 gravity, 75 cents, plus two cents for each degree of gravity up to 34 and above, topped at \$1.14. Gibson, Terrebonne parishes, coastal Louisiana, \$1.04 flat.

**TO HYDE PARK**

WASHINGTON, Oct. 13 (AP)—President Roosevelt made tentative plans today to leave around mid-day Saturday on another trip to his home at Hyde Park, N. Y. He probably will be gone about a week.

**OUT-OF-CITY WATER, SEWER CONNECTIONS PROHIBITED**

City commissioners in session Wednesday evening ordered no additional water or sewer connections outside the city limits without special dispensation.

The action was taken in view of the heavy demand within the city and already overloaded lines outside the corporate limits.

Photographers were ordered licensed in an ordinance passed by the commission and designed to curb fly-by-night solicitors. Each photographer will be required to obtain a \$10 annual license, and solicitors must post \$10 fee for each person calling from house to house and back their offers with a \$1,000 surety bond for good faith in performance of contracts.

The license was the outgrowth of many complaints of solicitors taking down payments on bargain photography and failing to complete their contracts.

Oil and mineral lease on 67 acres in the dump around the east of town was renewed by the commission to Dick Graham for another year at 59 cents an acre. Graham blocked acreage for the famous "air well" just east of Cosdon refinery.

The commission formally authorized

issuance of \$275,000 in water bonds voted Sept. 27 and awarded sale of the issue to Garrett & Co. of Dallas and Plythe & Co. of Chicago at par and accrued interest, \$1,325 premium and 3 3/4 per cent interest.

**WOMAN PATIENTLY CHECKS UP ON ROCK WEIGHT**

AUSTIN, Oct. 13 (AP)—State weights and measures inspectors today doffed their hats to the ingenuity of a Dallas housewife.

Suspicious of the quantity of building rock a salesman had represented as two tons, she weighed the rocks—one by one—on her bathroom scales.

The total weight was 1,587 pounds, 2,044 short of two tons. Dallas inspectors, called in to verify the weight with accurate scales, did only three pounds better.

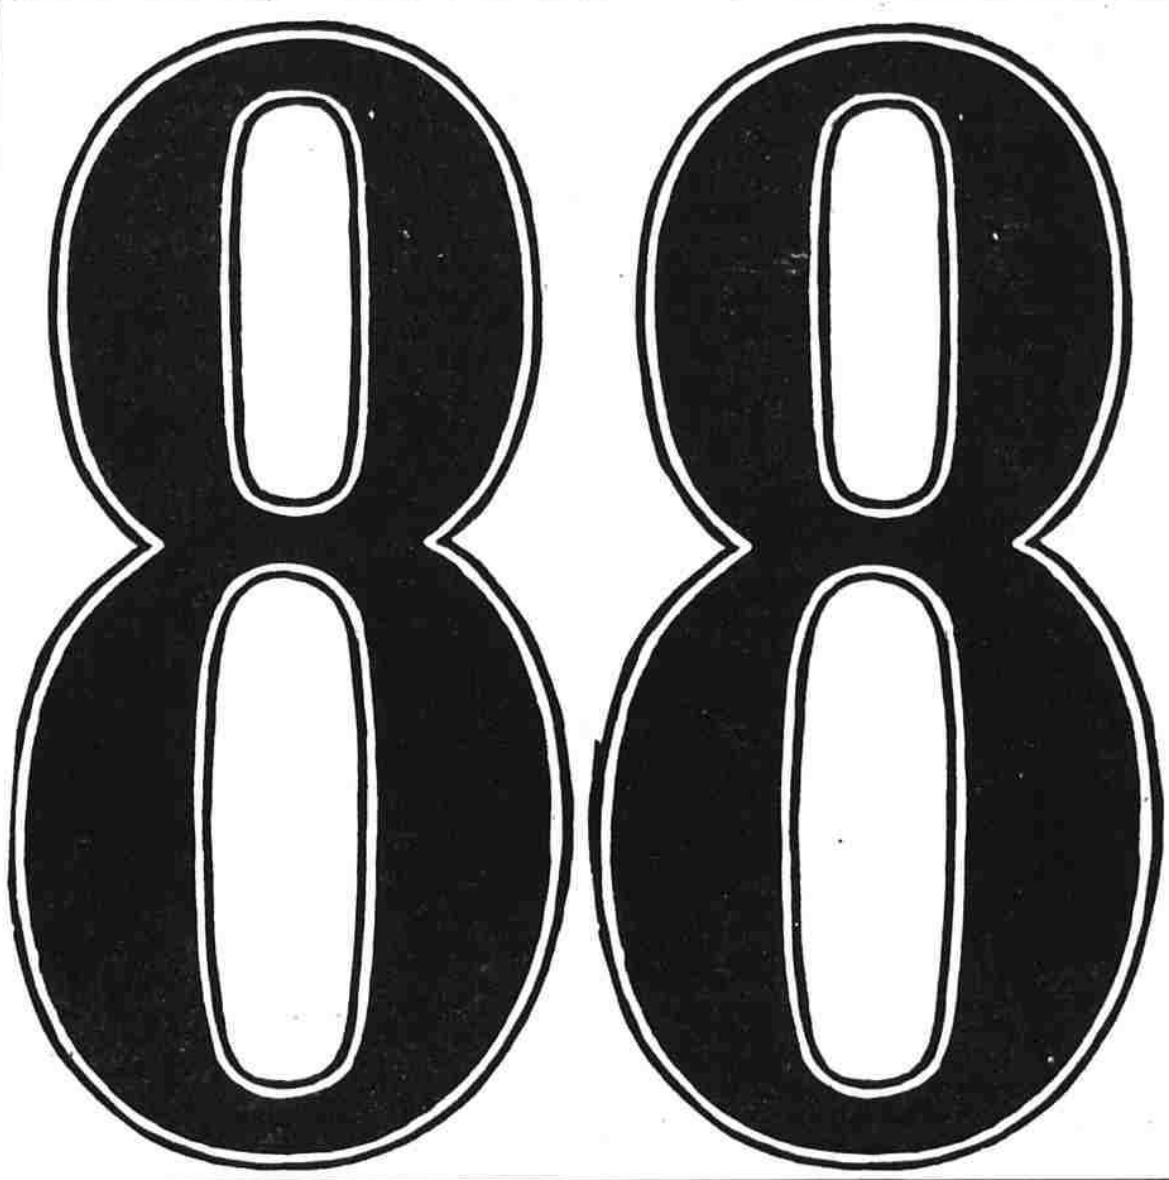

"This is the kind of cooperation that will wipe out fraudulent weight practices," said W. S. Bussey, chief of the weights and measures division of the state agriculture department.

# Auto Strike Is Settled

## Agreement Reached On Issues After One-Day Sitdown

DETROIT, Oct. 13 (AP)—Employees of the Motor Products corporation, their one-day sit-down strike ended, awaited a call back to work today.

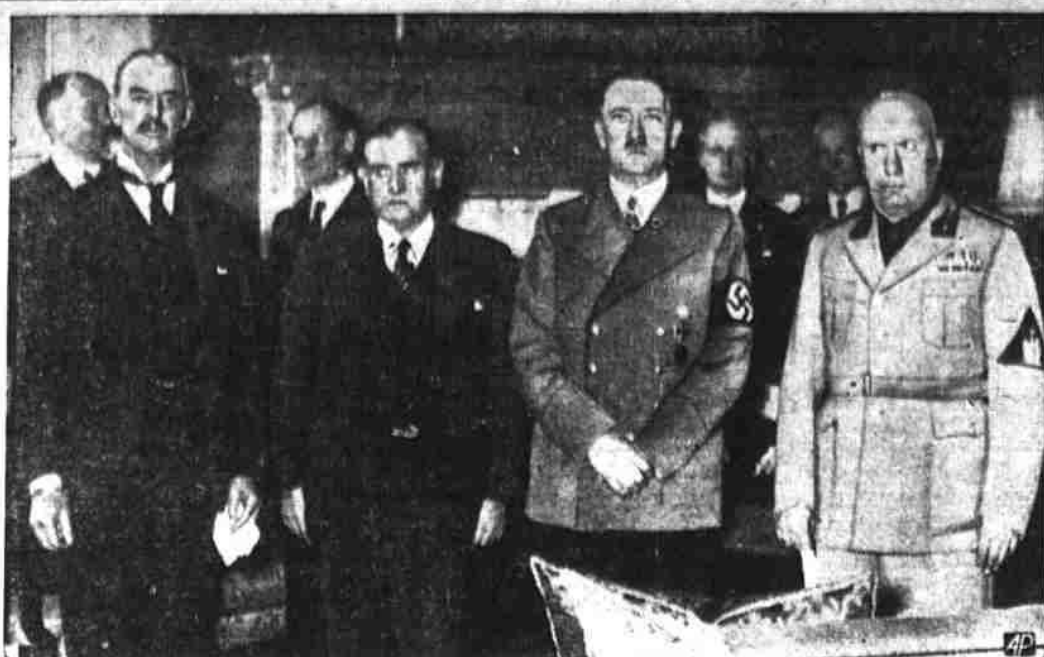

Settlement of yesterday's strike, which affected 2,200 persons, was reached in the Detroit office of the National Labor Relations Board late yesterday and ratified by the strikers last night before they vacated the plant here.

Homer Martin, United Automobile Workers president, said that A. L. Lott, president of the corporation, agreed at the conference to open negotiations with the union on its grievances and to draft a new contract to replace one which expired last summer.

Martin said the strike followed the management's failure to consider seniority in recalling workers and the installation of machinery which brought a wage reduction.

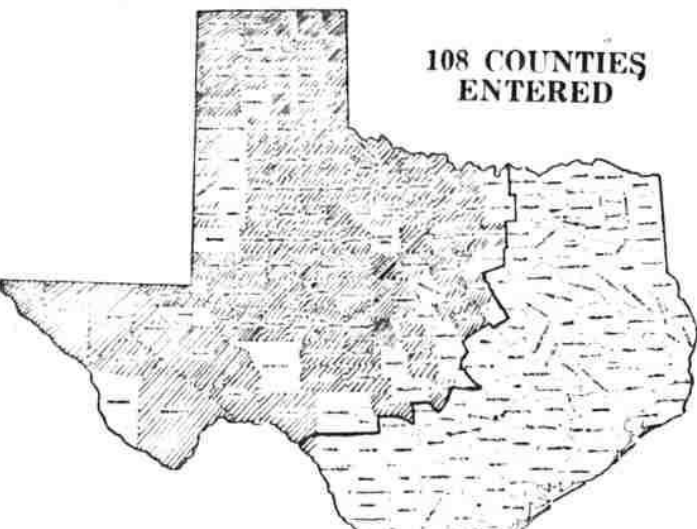

Another automotive strike was in the negotiation stage. It was at the Evansville (Ind.) plant of Chrysler's Plymouth division, and brought idleness to 2,300 workers in that plant and in the body-supplying plant of the Briggs Manufacturing company in the same city.

A conference was called at Flint today between union leaders and Buick executives to forestall a threatened strike in the Buick division of General Motors corporation. The chief issues before the conference were wages and seniority.

**TWICE IN THE 20TH CENTURY** a diplomatic "Big Four" has met to shape Europe's destinies. At Munich on Sept. 29, Neville Chamberlain of England, Edouard Daladier of France, Adolf Hitler of Germany, Mussolini of Italy (left to right) met to arbitrate the Czech-German question. Back in 1919 another "Big Four" composed of Lloyd George, Clemenceau, Woodrow Wilson and Orlando of Italy met at Versailles, France, and outlined European boundaries since discarded, or being discarded.

# WTCC Soil And Water Utilization Contest Is Largest Conservation Project Developed In Nation

ABILENE, Oct. 13 (AP)—Largest conservation project in the United States is the West Texas Chamber of Commerce Soil and Water Utilization contest.

In the period for entry, from June to September, 108 West Texas counties entered more than 70,000,000 acres of farm and ranch land in the competition. Thus is approximately 12 per cent of the total land area of Texas and exceeds by far any other conservation unit in this country, or perhaps, in the world.

Difference in climate and topography meant nothing to the West Texas counties, as typically ranching counties entered the contest along with strictly farming counties. All counties will have equal opportunity to win in this contest as the score card lists 24 approved conservation practices, work on any or all of which will count points toward winning scores, says R. C. Hopping, Lubbock, member of the WTCC agricultural board.

Other members of the agricultural board are Clifford B. Jones, Spur, chairman; Omar Burlington Anson, Hugo, Haterias, Linderos; R. E. Dickson, Spur; J. A. Crump, Paducah; J. J. Steele, Anson, and R. E. Patterson, Lockney.

West Texans for several years have been conservation minded but the WTCC contest has added zest to the work and soil and water saving activities have increased considerably in the last few months, Hopping says.

The contest offers \$1,000 in cash prizes to the three counties with best records in conservation for 1933, but the smallest benefit to be received in the contest is the prize, declares D. A. Bandoen, WTCC manager. The far-reaching and permanent benefit to each participating county will be conservation of its soil and water, he says.

A local soil and water utilization committee was organized by each county which entered the contest; and more than 1,000 West Texas leaders are serving on these committees. Duties of the committees include promotion of activities to increase interest in conservation. Schools and tours already have been conducted in several counties and other activities are being planned.

## BRAZORIA COUNTY TENDERS LAND FOR A STATE PARK

AUSTIN, Oct. 13 (AP)—Citizens of Brazoria county have tendered the state parks board a 500-acre tract of land for parks purposes, William Lawson, executive secretary of the state parks board, announced today.

Lawson said the proposed location, facing the Gulf of Mexico, was very desirable and he would recommend its acceptance by the board.

He has made an inspection of the tract and will go to Freeport next week to further discuss the offer. He said the area of the beach between mean high and low tide was public domain and only the legislature could vest its title with the parks board. The inland acres, however, should present no title difficulties, he said.

Lawson said spokesmen for the donors was E. C. Tobey of Freeport, chairman of the Brazos River Harbor and Navigation district.

The board also is considering a gift of 2,500 acres in the Guadalupe mountains of Culberson county, offered by J. C. Hunter of Abilene.

## THREE KILLED IN BOILER EXPLOSION

ELGIN, Ill., Oct. 13 (AP)—The boiler of a steam locomotive on a Chicago, Milwaukee and St. Paul railroad freight train exploded on the main line three miles northwest of here today, killing the engineer, fireman and a brakeman. Two other members of the crew were slightly injured.

## PARDONS, PAROLES GRANTED BY ALLRED

AUSTIN, Oct. 13 (AP)—Governor James V. Allred today granted two full pardons and two conditional pardons to convicts on recommendation of the board of pardons and paroles.

Full pardons went to: A. Lee Watson, sentenced to two years from Newton county for wife desertion.

Hugh Wade, given five years in McLennan county for robbery with firearms.

Conditional pardons went to: Royce Carnes, sentenced to four years in Brazos county for felony theft.

John Baker, given eight years in Travis county for burglary.

## MAN HELD HERE

The sheriff's department Thursday was holding C. C. Dooley for Rannels county officers. The sheriff at Ballinger holds a felony warrant for the man, officers said.

## Allen-Ogden Pumpnickel

We apologize for not having sufficient Bohemian Pumpnickel, Russian Rye, Swedish Rye, and Whole Wheat plain and raisin bread to go around last week, but we just couldn't know in advance what a hit it would make. However, we have just received another large shipment and believe that we will have enough to go around this week end, but in case that you should fail to get yours this week, please feel sure that we will have other shipments following as closely as we can get shipments, and we will be able to take care of you. Buy plenty because age has practically no effect on the fine quality of this bread.

## Dairy Maid

We want you to try a new and we think better baking powder—the Dairy Maid brand—and as an introductory offer—take home a 10-ounce can and a one-pound 8-ounce can for two bits. Try the smaller can and if you are not thoroughly satisfied—bring the larger can back and get your money back. Oh! by the way, there is a fine silver-plated spoon in each of the larger cans. You don't have too many spoons do you?

## Specials

- Quart peanut butter 25c
- Standard catsup 10c

## Hospital Notes

**Big Spring Hospital**  
Mrs. C. E. Pepper of Midland was admitted Tuesday to the hospital for treatment.

Mrs. Lee Goswick of Coahoma was admitted to the hospital for treatment.

Mrs. C. F. Cluck of Midland underwent minor surgery at the hospital Thursday morning.

Mrs. C. E. Hope of Kermit is in the hospital for observation.

Mrs. Marvin Hayworth, 1803 West Third street, submitted to a blood transfusion Wednesday, and her condition was better Thursday afternoon.

Powell Martin, who underwent major surgery several weeks ago, was about the same Thursday afternoon.

## RELIEF FUNDS MUST LAST UNTIL MARCH

WASHINGTON, Oct. 13 (AP)—Aubrey Williams, deputy WPA administrator, said after a White House conference today President Roosevelt told him the \$1,455,000,000 appropriated for relief for the first eight months of the current fiscal year must be spread over that period.

"The president told me," Williams said, "it will have to last until March 1."

The deputy expressed some doubt the money would last but said he hoped a "big upturn" in business would enable the agency to stretch the funds over that period.

# 'Circuit Rider' Covers The State For Traffic Safety Instruction

COLLEGE STATION, Oct. 13 (AP)—Texas has a "circuit-riding" traffic safety expert who travels over the state teaching traffic officers and commercial drivers how to prevent accidents.

Vernon Engberg, employed by the state board for vocational education as itinerant instructor of traffic education, recently completed a series of conferences at Texas A. and M. college with E. L. Williams, head of the department of industrial education, planning his courses of study and instructional material to meet the needs of peace officers and commercial drivers.

Engberg's first classes were held at Wichita Falls. Prof. Williams conducted conferences last year with Wichita Falls police, the outgrowth of which was a planned training program to be carried out by Engberg.

Engberg is a graduate of the University of Texas, spent three years with the state highway patrol, served as field representative of the Texas Motor Transportation association and as technical advisor to the Rio Grande Valley Safety council. He took a course in training accident investigators in accident prevention bureaus offered by the National Institute of Traffic Safety training at the University of Michigan last summer.

The courses to be offered for traffic officers are based largely on materials prepared by the safety division of the International Association of Chiefs of Police. Lieut. Franklin M. Kroml of the Evans-

ton, Ill., police department, is director of this safety division. The Texas League of Municipalities is cooperating in the program.

## RAIL MAN IMPROVED

TEXARKANA, Ark., Oct. 13 (AP)—Condition of Kirby Post, Tyler, Texas, vice president and general superintendent of the Cotton Belt railroad, was reported improved today by attendants at the Cotton Belt hospital here where he has been a medical patient for several days.

The report was filed by Trial Examiner Horace A. Ruckel as a result of unfair labor practices filed by the International Brotherhood of Teamsters, Chauffeurs, Stabblers and Helpers of America, local No. 745.

**HOW DO YOU DO IT?**

There's one "best way" to mix in shortening to make your biscuits tender. Do you know it?

LOOK IN THESE BAGS FOR NEW IMPROVED BISCUIT METHOD—PLUS THE KIND OF FLOUR ESSENTIAL TO BISCUIT SUCCESS!

In simple foods—bread, biscuits, pies, plain cakes—the goodness all comes from flour! It costs only 1/2c more per recipe to use Pillsbury's Best Flour than to use the cheapest flour.

## AUSTIN TO OBSERVE A 'BEAUTY WEEK'

AUSTIN, Oct. 13 (AP)—Capital city beauty shop owners and operators today prepared to observe "beauty week" next week in accordance with a state-wide plan inaugurated by the state board of hairdressers and cosmetology.

Mrs. Clara Dreyling, board secretary, said the plan of having one Texas city after another observe the beauty week program was meeting with success, Dallas having staged a parade and other activities last week.

## To Stop Constipation Get at Its Cause!

If constipation's got you down so you feel heavy, tired and dopey "It's time you did something about it. And something more than taking a physic! You should get at the cause of the trouble.

If you eat only the things most people do, the chances are that a very simple fact causes your constipation—you don't get enough "bulk." And "bulk" doesn't mean heavy food. It means a kind of food that isn't consumed in the body, but leaves a soft "bulky" mass in the intestines and helps a bowel movement.

If this is your trouble, eat crisp crunchy Kellogg's All-Bran for breakfast every day and drink plenty of water. All-Bran contains both "bulk" and the intestinal tonic, vitamin B. And it's not a drug, not a medicine!

Made by Kellogg's in Battle Creek. Sold by every grocer.

# RESIGNATIONS OF GREEN AND LEWIS WOULD NOT SOLVE WHOLE LABOR PROBLEM

WASHINGTON, Oct. 13 (AP)—The withdrawal of both William Green and John L. Lewis from their posts, in the opinion of many seasoned labor men, would not bring peace between the American Federation of Labor and the C.I.O.

Green and Lewis have been held apart by a personal feud of 20 years standing. However, this was not the wedge which split organized labor three years ago this week. It began with an idea for industrial unions. Lewis and some associates believed something ought to be done about the 30-million workers who did not belong to labor unions. These workers were not craftsmen and did not fit into the craft unions of the A.F. of L. A plan was worked out for industrial unions.

The federation toyed with the idea. It considered a proposal for granting charters to federal unions, which were industrial unions under another name. But it did not do enough with the idea to suit the advocates of industrial unions. They joined with Lewis and created the C.I.O., now a powerful organization.

Green and Lewis began whacking away at each other. The C.I.O. pulled away from the federation. The hard feelings began to percolate down through the two organizations, to local unions.

The turn taken by government and labor laws injected another element into the dispute. Green and those who stand with him want labor left to play its own hand with industry.

Lewis represents another theory. He and his allies would like to line up government on the side of labor.

Thus, the differences are no longer the simple arguments of whether workers shall belong to industrial or craft unions. The A.F. of L. and the C.I.O. represent different philosophies.

**MUCH TRAVELED** soprano will Jessica Dragolette (above) be, when she returns to New York from concert tour that will take her to New Orleans, Iowa City, Kalamazoo, Cleveland, Toronto and other points. She's a radio star.

## TEXTBOOK APPROVALS ARE ANNOUNCED

AUSTIN, Oct. 13 (AP)—Eighty-five textbooks to be used in the public schools today were on the free textbook list as approved by the state board of education.

The list included books on five new subjects recently adopted by the board for universal use in the schools: Public Safety, Speech Arts, Economics, Practical Physics and Practical Algebra.

Texts chosen for public safety education were "Safely On We Go" by Matthews-Risinger-Wilson, and "Drive and Live," Fitzgerald-Hoffman-Bayston.

The approvals concluded the business of the board at its regular monthly meeting.

## Cooking

(Continued From Page 1)

wife to feed a family better food at a smaller cost.

Whether or not you have ever studied home economics and whether or not you have had long experience of your own in cooking, you will want to have your knowledge brought up to date through Mrs. French's knowledge as gained by 100,000 other women with household problems similar to your own.

Don't fail to attend all the lectures, and be there early, as each session starts promptly at 2 o'clock.

Each talk is actually demonstrated as the lecturer prepares the dishes she describes and not only tells you but shows you how to do the things she is talking about.

## Quotas

(Continued from Page 1)

plus cotton, vegetables, fruits, dairy and livestock products and meat.

Secretary Wallace told reporters yesterday that a gigantic program for disposal of such surpluses to relief and low income families at "cut-rate" prices was being developed.

AAA officials said the 1939 cotton allotment would be approximately 27,500,000 acres, or about the same as this year. The allotment will be divided among states and counties and then appointed among growers under a formula set up in the farm law.

A grower's marketing quota would be the amount of cotton he produced on his allotment. The penalty for selling in excess of one's quota would be three cents a pound. The penalty was two cents this year.

The objective of the cotton program is to keep 1939 production below 12,500,000 bales. Officials have estimated the cotton surplus at about 13,500,000 bales, or more than enough to supply a normal year's domestic and export demand for American cotton.

Under the quota system this year, growers planted less than 27,000,000 acres. Their crop has been officially estimated at 12,212,000 bales.

Mrs. William R. Dawes and son are visiting this week in Canyon with her parents, Mr. and Mrs. J. L. Duffol.

When buying a chicken, press the breast bone. If the bone is flexible, the chicken is probably not more than five months old.

## Transports

(Continued From Page 1)

all transportation under one board."

Asserting his belief that a wage cut would be of little benefit to the railroads in the long run, Wheeler declared:

"What the railroads need is more business. When a depression comes, the railroads always make the mistake of cutting wages and asking for rate increases. Where would the auto industry be if it tried to raise the prices of its products in a depression?"

Harrison, in his argument for the 18 brotherhoods affected contended he had proved that a wage cut would offer no solution to the industry's problems.

To solve them, he asked railroad officials to consider a long range program involving coordination of competing forms of transportation, government loans to railroads who agreed to the program, reorganization of railroad finances, and revision of rate structures.

Referring to the strike already voted by nearly 1,000,000 workers in protest against the wage reduction, Harrison told the presidentially-appointed board that there could be no progress until the wage dispute was out of the way.

## Japs

(Continued From Page 1)

the coast. From there the invaders would have 25 miles to go across comparatively flat country to reach the vital Kowloon-Canton-Hankow railway, about 30 miles from the Hongkong frontier.

Increasingly bitter fighting was reported in the Pingshan-Nimshan district at the extreme northeast end of Blas bay, where the Japanese apparently were consolidating for an advance up

Adams, Rear Admiral Forde A. Todd, who is in charge of the 14-ship squadron; Lieut. G. L. Caswell and Lieut. C. B. Laning. This will be first such squadron for U. S. since 1922.

the highway to Watchow.

The defenders were expected to give the Japanese the first real resistance at Tamshui and farther inland beyond the range of Japanese naval guns.

The railroad itself was still operating between Canton and Kowloon, at Hongkong, the British crown colony. Some Chinese experts believed it safe for many weeks yet.

More than 100 Japanese warplanes bombed large areas of Kwangtung province. Watchow suffered heavy raids.

Military observers here believed the Japanese by no means had finished disembarking troops. One estimate was that two divisions, of 40,000 men, had landed in Blas bay.

## PRESBYTERY SESSION AT COLORADO ENDS

Dr. D. F. McConnell, pastor of the First Presbyterian church, returned Wednesday evening from Colorado where he attended the semi-annual meeting of the El Paso Presbytery.

E. V. Spence, Big Spring city manager, extended an invitation to the Presbytery to hold its young people's encampment here in the summer. This matter will be decided at the spring session, Dr. McConnell said.

Tuesday evening D. A. Koons, Emory Duff, A. A. Porter and Roy Hester attended the men's meeting of the Presbytery. Dr. McConnell remained over Wednesday for the business sessions. Rev. William Pruitt, Portales, N. M., was named moderator of the El Paso Presbytery.

## Labor Chieftain Backs LaFollette

HOUSTON, Oct. 13 (AP)—William Green, president of the American Federation of Labor, today called on labor in Wisconsin to reelect Governor Philip F. LaFollette "by an overwhelming majority."

In a letter to Henry Ohl, president of the Wisconsin State Federation of Labor, Milwaukee, Wis., Green said:

"There are so many influences at work to undermine the program of labor in the various states of the country that it is imperative men of proven friendship and true sympathy to our cause be elected to fill the high offices of the state. For instance, in California, Washington and Oregon measures have been introduced which seek

## Negotiations

(Continued From Page 1)

by further bargaining on the basis of this proposal Hungary might obtain about 46 per cent of her demands.

Hungary demanded cessation of Hungarian populated districts in Slovakia on the basis of the Hungarian 1910 census. Slovaks countered with a proposal to give up territory on the basis of the 1870 census, when there were but few Hungarians living in districts which Hungary now wants.

The Hungarian proposal it was indicated, would require cession of 8,000 square miles, while Slovaks were willing to cede only 2,000 square miles.

Czechoslovak and Hungarian troops were in fighting positions 250 feet apart on one section of the border. Yesterday the Hungarian army had moved up approximately 12,000 men to the frontier district.

The ultimatum was served at the conference on the minorities dispute by Koloman Von Kanya, Hungarian foreign minister. Hungarians declared that concessions offered by Czechoslovakia were unacceptable.

In Budapest, Hungarians felt to curtail the fundamental rights of labor secured and established after years of hard work on the part of our movement."

Other states, Green said, look to Wisconsin when considering legislation affecting workers, and added that Governor LaFollette "is a tried and true friend of the organized labor movement in Wisconsin and of the nation."

that the most critical day since the end of the World war had come for the country. Demands for military action were heard in the streets, especially from Hungarian radical nationalist quarters.

Budapest police, apparently fearing anti-Czechoslovak demonstrations, were reinforced and ordered to carry rifles day and night.

According to proposals attributed to the Czechoslovak negotiators today, Hungary would not get a number of purely Hungarian-populated towns that Hungarians demanded.

## Czechs Ordered Out Of Polish Sector

TESCHEN, Poland, Oct. 13 (AP)—Orders were posted throughout the Teschen district today for all Czechs who have settled since November, 1918, in this area, newly acquired by Poland from Czechoslovakia, to leave by November 1.

Most of those affected by the orders are government employees, school teachers, engineers and factory supervisors.

(Havas, French news agency, in a dispatch from Marchich, Ostrava, said Czech teachers already had been forcibly ejected from their schools and from the Teschen district.)

Polish authorities are trying to facilitate the enforced exodus by issuing special departure permits to those falling under the orders.

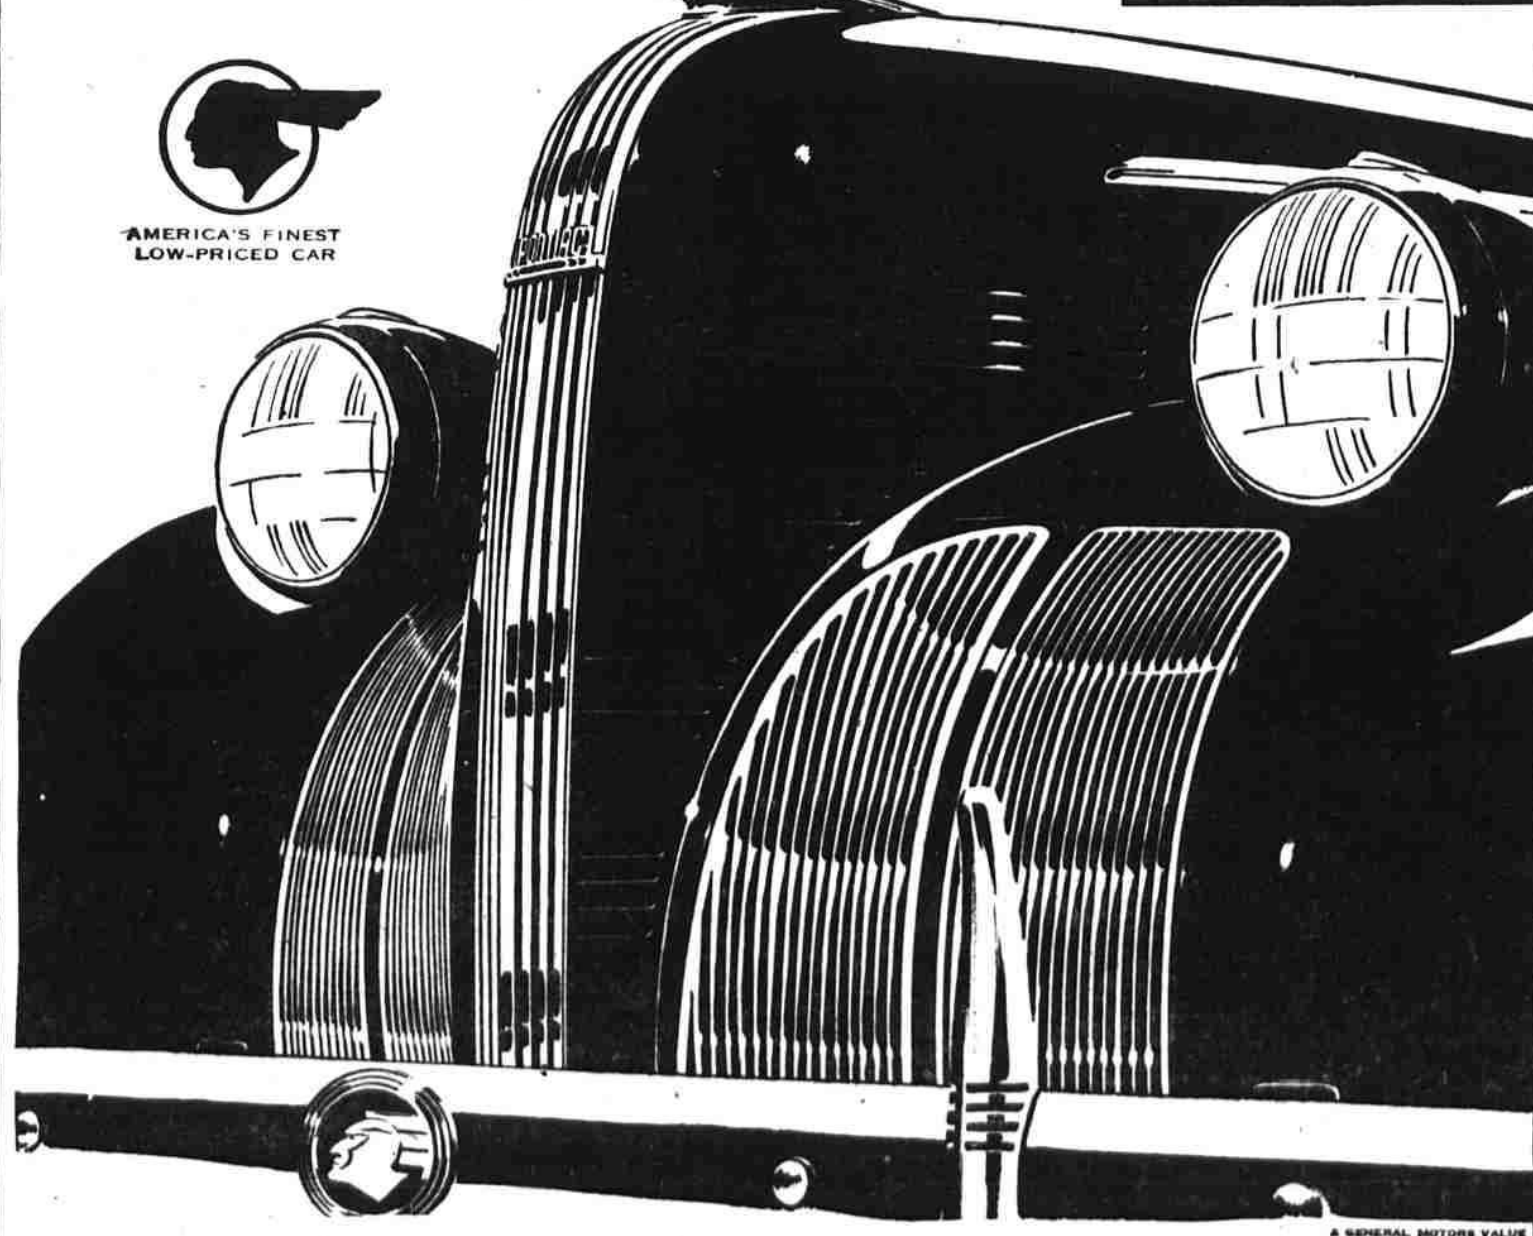

It was understood that Czechs who settled in the district after November, 1918—that is, after formation of the Czechoslovak republic—but who can not or will not leave will be denied Polish passports and will be regarded as undesirable aliens.

**GOVT. HOLDS HEAVY MORTGAGES ON U. S. FARMS AND HOMES**

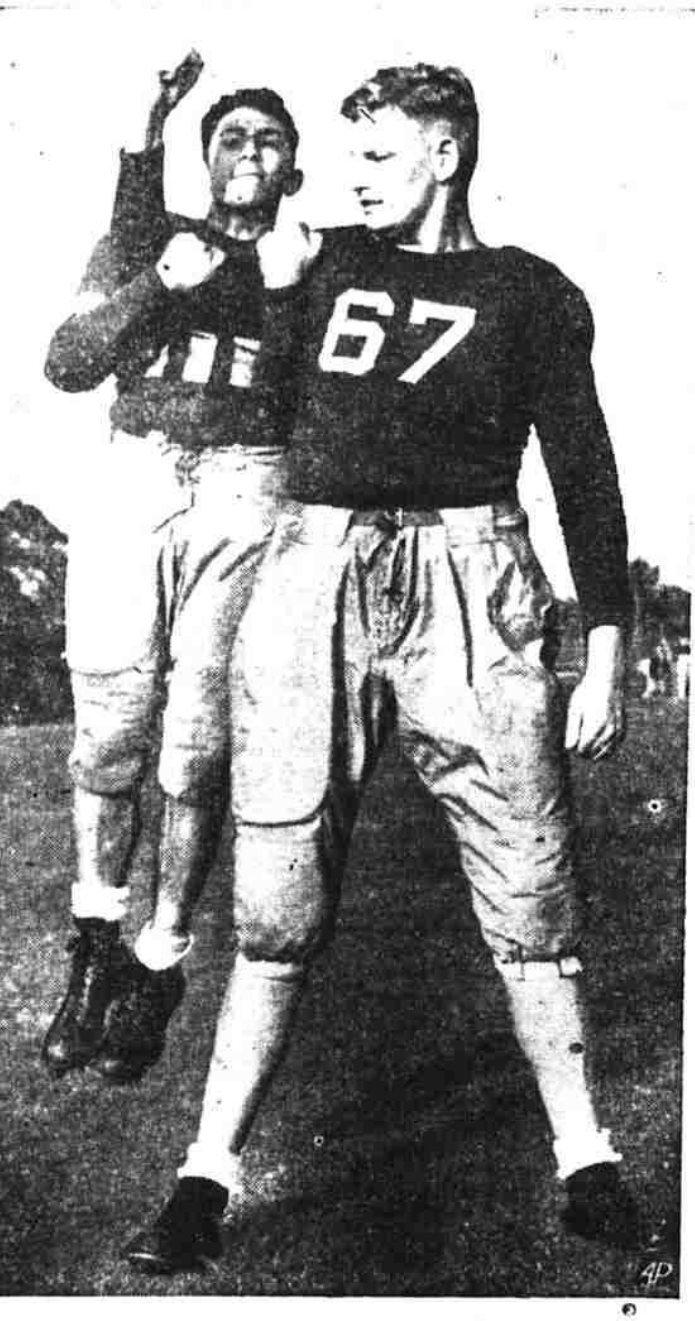

NEW YORK, Oct. 13 (AP)—Farmers and home-owners, "largely because of favorable governmental policies, are in a stronger and more hopeful position in the nation's economic structure," the committee on debt adjustment of the Twentieth Century fund said today in reporting on its study of the nation's mortgage problem.

The federal government, as a result of its extensive refinancing activities, now holds more than a third of all the nation's farm mortgages and nearly one-sixth of the urban home mortgages, the committee reported.

In the "violent readjustments" of the depression and recovery years since 1929, the committee said, the total farm and home mortgage debt shrank more than 18 per cent to about \$25,000,000,000 at the present time.

**Labor Peace Is Urged By Andrews**

**Advantages Of Unity Are Cited By Wage-Hour Chieftain**

HOUSTON, Oct. 13 (AP)—Elmer F. Andrews, wage-hour administrator, expressed the hope today that organized labor soon would settle its internal differences.

He told the annual convention of the American Federation of Labor that he, "like millions of other Americans," hoped the Federation, C. I. O. disputes could be ended with no more bitterness.

"I have good friends on both sides of these arguments and I want to be able to ask the advice of both of them without each fellow thinking I'm going to get the wrong idea," Andrews said in a prepared address.

"I am fully aware that men of principle, even when they are friends, often find it hard to reconcile their differences. But just look at the gains organized labor has made in this country in the last few years and think what it could do for itself and the nation if it were again one great united force."

**No Dictator**

Andrews sought to quiet fears he said had been expressed that the new law, which becomes effective Oct. 24, would give its administrator "dictatorial" powers.

He replied directly to John P. Frey, a high A. F. of L. official who, Andrews said, complained that the administrator, if he chose to disregard recommendations of an industry committee would be like a judge not accepting a jury verdict if it did not please him.

"The essential difference," he said in explanation, "is that when a judge sends a case back or impounds a new jury, the defendant remains in jail or the plaintiff must wait for his money, but when the administrator differs with an industry committee and appoints a new one, there is no wage order."

"The administrator can not issue a wage order except as the result of a committee recommendation. He cannot change a committee recommendation. Neither the administrator nor the committee can act without the consent of the other, just as neither house of congress can enact a law by itself."

**A Just Proportion**

Turning to criticism that if hours are shortened and wages raised it follows that living standards must be lowered, Andrews told the convention:

"One might think that in demanding higher wages and shorter hours, labor was asking for more than its fair share in the goods it produces. As a matter of fact, la-

bor asks nothing more and the government of the United States asks for labor nothing more than a just proportion of the wealth which it has helped create. Throughout recent years, labor has been denied this share. x x x

"With the tremendous increase in the productivity of the American workers during recent years, labor has a right to demand an increase in its real wages; that is, in its purchasing power.

"That increase in productivity, together with the influx of women workers and other factors which have increased our labor supply in proportion to demand, is the reason why the standard work week in this country must be shortened."

**MOSLEM LAWYER IS SLAIN BY ARABS**

JERUSALEM, Oct. 13 (AP)—Hasan Sidki El Dajany, prominent Moslem lawyer who refused to participate in a campaign against Jews and British by the Arabs was shot dead today.

An investigation disclosed that Dajany had been seized by an Arab band near Hebron last night and was shot and stabbed to death.

The slaying followed a day of terror and bullets that killed 25 Arabs yesterday and caused the British Royal Air force to dispatch two planes to rescue a British police patrol ambushed by Arabs.

For many years Dajany was a friend of Haj Amin Effendi Hussein, the exiled Grand Mufti of Jerusalem, but was reported to have turned against the Mufti recently and refused to take part in the anti-Jewish campaign.

THE SPORTS PARADE

by Hank Hart

Clear The Way

Rudely awakened by Dewey Mayhew's Abilene outfit last weekend, Sweetwater's Mustang grid warriors are going to be doubly hard to stop by San Angelo this weekend and by the remainder of the Oil Belt squadrons this season.

Reason: Larry Priddy's crew was afflicted, so they say, with a large case of over-confidence and it took a large dose of nothing to bring about the revival, nothing, that is, in the way of a score.

It is said they were lucky to escape with a deadlock with the War Birds but they do have the ball team to go places when they want to.

Harry Taylor's slow linemen may find it difficult indeed to cope with the hard chargers in the Mustang wall and the fast-breaking Pony backfield.

Midland is preparing in a big way for the invasion of the Wink Wildcats in that sector's important Class B clash next weekend. Seats to accommodate 500 additional spectators are being built on the east side of Lackey field, bringing the seating capacity to 2,000 which probably will be enough to take care of the throng expected for the duel. The Steer crew plays in Sweetwater next weekend but many local fans may take advantage of the attraction to the west and drive over.

Enthusiasm High

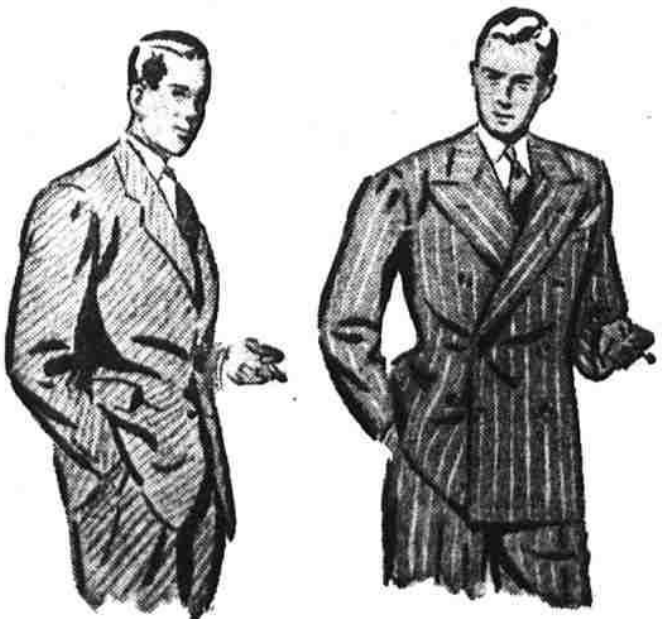

Coahoma's red headed athletic center, Lloyd Devan, is having his troubles. He had a sparkling little class C grid outfit at the East Howard county school last fall but lost most of the material through graduation. He's built his latest edition around freshmen and second year men and the fruits of his labor haven't fared badly in three games played thus far, having won one, tied another and lost a third.

However, his crew's offense is built more or less around two seasoned boys—Clyde Ellis Dunn and S. F. Echols—and those two are not at all sure that they want to play football. Echols doesn't attend school regularly and hasn't played in the past two games while Dunn works at intervals and cannot find the time to participate.

One of Devan's brighter prospects is a young 105-pounder by the name of Wayne Mulroney who is starting in the Bulldog secondary against the Big Spring Yearlings in the game this afternoon. A freshman, Wayne promises to develop into quite a ball handler before receiving his sheepskin four years hence.

The enthusiasm for football among the Coahoma boys in general is high.

FORSAN AND GARNER SET FOR BATTLE HERE TONIGHT

Hollis Parker, Marlin Brown Featured

Game Gets Underway At 8 P. M., Teams Lead PSAA

The two smartly coached leaders of the PSAA six-man football league tangle at Steer stadium tonight, 8 o'clock, affording Big Spring fans a first glance at the game that is increasing in popularity throughout this sector's smaller schools. Tariff for the affair has been set at 25 cents for all those who can't get past the gates at the 15c student price.

Those two leaders are Forsan's Buffaloes and the Garner Hill Billies, each boasting perfect conference records. The Buffs, tutored by Brady Nix, have triumphed twice over the Garden City Bearkats and conquered Courtney in their earlier engagement while Floyd Burnett's Billies have been impressive in wins over Courtney, Garden City and Sterling City. The battle for individual honors between Forsan's Hollis Parker, one of the greatest all-around athletes to ever attend the school, and Garner's Marlin Brown highlights the nocturnal go here. Parker is the leading scorer of the league while Brown is at the present time the runnerup.

Weight Advantage The Billie crew boasts a decided weight advantage with Marvin Daugherty, 185-pound end, its heaviest. Nix's heaviest starter is Orville Greenman, an end who tips in at 160 pounds.

The Billies' best bet for victory will be speed and Burnett is not lacking in that department. Besides Brown he has Ray Gilliland and L. R. Lane, both of whom won dash events in the county track and field events last spring.

The Buffs, on the other hand, are not exceptionally fast, rather depend on smart passing on the parts of Parker and Bill Lonsford for victory. They execute their plays well as evidenced by the fact that they haven't been held to less than five touchdowns in any of their three games.

The stadium turf has been marked off for a regulation six-man game.

Rules for the game differ only slightly from the eleven-man game. All players must wear canvas shoes. Shoes with any kind of cleats are strictly prohibited.

A team must gain 15 yards in a series of downs and the ball must be passed on every down.

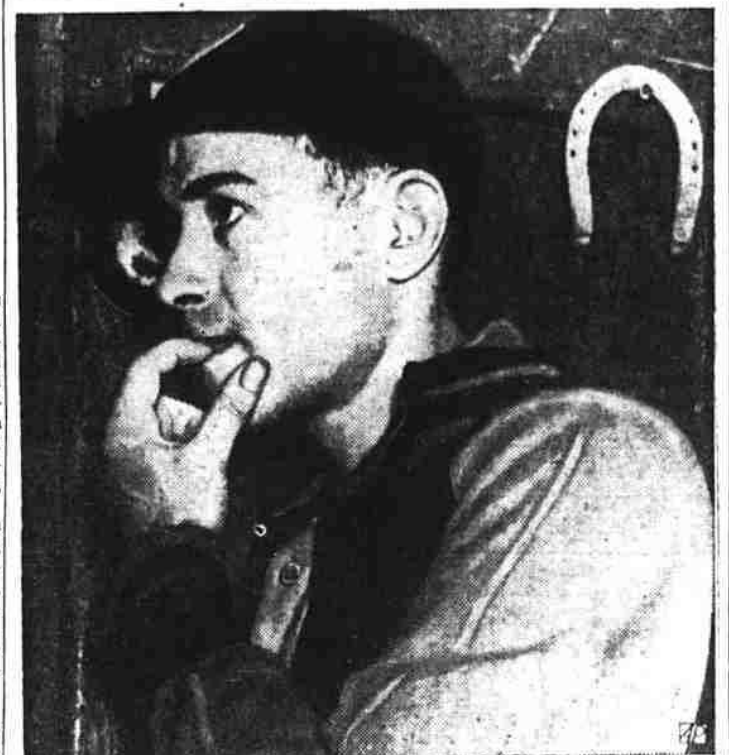

Starting lineups (with weights): Forsan - Creelman (160), lb; Craig (157), c; McKinnon (155), lb; Parker (160), qb; Lonsford (150), lb; Asbury (155), lb.

Garner - Daugherty (185), lb; Bailey (165), c; Lawley (170), qb; Brown (160), qb; Chapman (140), lb; Gilliland (140), lb.

LONGHORNS GIVEN LONG DEFENSIVE DRILLS

SCHOOLBOY ROWE, PAUL DEAN LEAD TEXANS TO BIG SHOW

PAUL DEAN: He's Back With The Cards

By FELIX R. McKNIGHT DALLAS (AP)—Not the usual 'teen age boy wonder, but a hawk-nosed giant who once before felt the thrill of "going up," heads a batch of Texas leaguers storming towards the majors.

To Lynnwood (Schoolboy) Rowe, his second try to Detroit from the Beaumont farm should carry a bigger wallop than his first train ride to the big show. Combacks, they say, never pan out.

But Rowe, working easily under the trained eyes of Manager Al Vincent and Dutch Lorber, apparently has made the grade. Perhaps the old fast one doesn't burn as it once did, but the curve is still there and the control is nigh perfect. The payoff comes on the earned run average—and he leads a very classy collection of Texas league chumpkins in that department: Beaumont, long the greenest pasture in Texas league farms, has a fiery young catcher, Dixie Parsons, who looks ready. A great .340 hitter who bounces out his bingles with line drives, Parsons, if he is not too mechanical behind the plate, should make Detroit a star. Frank Secory, Beaumont outfielder, is a husky hitter always in the first five and will get his try. Dizzy Trout, eccentric pitcher, is another cinch tryout with Detroit.

Cards Get Epps In Hal Epps, a slugging outfielder who also ranks among the league's fanciest fielders, Houston has a potential St. Louis Cardinal gardener. The young Georgian has batted consistently better than .300.

From the St. Louis Browns' prospective San Antonio farm likely will go John Bernardino, hustling second baseman who wields one of the most potent bats in the league. Off California's collegiate diamonds, he has been a first-year sensation. Outfielder Ed Silber, a steady fielder and a good batsman who almost stuck with the Browns the past season, looks ready for advancement. Jackie Kramer, baby-faced pitcher, is a certainty to get his major league tryout with St. Louis.

Slated for a shot at Cleveland's second basing job is Blas Monaco, Oklahoma City youngster off of San Antonio's sandlots. Not a rugged hitter, Monaco, nevertheless, is timely with his bat and has impressed with his fielding.

Paul Dean Returns Due for trial with Chicago's White Sox is Pete Fleming, Shreveport's heavy-hitting outfielder who once was rumored tagged for the New York Giants. Grey Clarke, Dallas' third baseman who has hung around the 300 mark, may also get his chance with the White Sox.

Paul (Daffy) Dean, who pitched for Dallas, hopped back to the majors late in the season, winning two and losing one for the Cardinals. Paul likely will be with St. Louis next season.

Aggie Shift Is Causing Frogs Much Concern

Frosh Use It To Advantage, Defense Worries Bible

By The Associated Press The "double shuffle" was causing the Texas Aggies and Texas Christian university Horned Frogs more concern today than the jitterbugs worry about the "big apple."

The way the Cadets execute this football play the opposition thinks its some kind of dance anyway and Coach Homer Norton hoped the deception would persist when his Aggies battle the Frogs Saturday at College Station in the Southwest conference headliner.

Norton expressed confidence his "double shuffle" would enable the Cadets to give the Frogs trouble.

Over at Fort Worth Coach Dutch Meyer of the Frogs was not exactly happy over the prospect in view of the fact that his regulars found the shuffle, as practiced by the freshmen, to be complicated and the varsity didn't fare so well.

Coach Dana Bible at the University of Texas was cheered with prospects of an improved offense for the game with Arkansas at Little Rock Saturday. The defense continued to give Bible worry.

Coach Fred Thomson at Arkansas continued to emphasize his ground attack but kept a sharp eye on his aerial offense.

The Eagle Bears showed improvement offensively and Coach Morley Jennings was pleased with the ground game. Jennings used the freshmen against the varsity to perfect plays for the Centenary game Saturday.

The Rice Owls dug in with a vim for their joust with Tulane at New Orleans Saturday and the Southern Methodist Mustangs polished up their aerial stuff for use against Pittsburgh next week.

Baseball Slated To Become Part Of Olympic Games After 1940

NEW YORK, Oct. 13 (AP)—Under the energetic direction of Secretary-Treasurer Leale Mann, the International Amateur Baseball Federation rapidly is approaching its goal, the inclusion of baseball as a competitive sport on the Olympic Games program.

Neither Mann nor his fellow-workers here and abroad expect to reach that goal for the 1940 Olympics. But they plan to hold amateur baseball's international "world series" in England that summer and then submit their application to the International Olympic committee in time to be included in the 1944 program.

Baseball, like any other sport, must show that it has the active support of ten nations banded together in a federation before it can receive I. O. C. approval. Mann and his fellow-workers already have passed that milestone.

The United States and England definitely are committed to compete in the 1939 championship for the John Moores trophy, put up by the founder and president of England's national baseball association. Cuba, Mexico, Puerto Rico, Hawaii, Canada and Peru also have agreed to send teams, while Japan, the Philippines, Australia and France are virtually certain to petition.

Bill McClure To Start For War Birds

Locals Sure To Take To Air Again In Quest Of Victory

Mentors Pat Murphy and Carmen Brandon worked long and hard on defense Wednesday afternoon as their charges, the Big Spring high school Longhorns, neared the end of their practice drills for the invasion of the Abilene Eagles here Friday night.

Murphy, who worked under Coach Mayhew in Abilene until he came here two years ago, apparently is well schooled in Dewey's type of offense. He indicated that he feared no aerial attack, rather was laboring hard to slow down the Eagles' vaunted running game.

It was apparent that Bill McClure, who was injured in practice two weeks ago, will start in Abilene's secondary along with Charles Jones, Gillian Stovall and Charles Sewell and the mentor was taking extreme pains to have his wings and tackles maneuver into position to stop the lightweight end sweeps. McClure weighs only 132 pounds but he is fast and shift.

The Longhorns will undoubtedly take to the air again in an effort to upset the invaders. The overhead game worked to advantage against San Angelo last week, paving the way for both the team's touchdowns.

Howard Hart, who started the season as an end, has been moved back to center, backing up the regular pivot man, Paul Kaseh. Henry Bugg is still at the regular right terminal with Chock Smith at the other post.

Leo Durocher Happy Over New Job

NEW YORK, Oct. 13 (AP)—One of the most eagerly sought positions in all sport, the management of one of the 16 big league ball clubs, has been handed to Leo Durocher, 33-year-old shortstopping product of West Springfield, Mass.

Having reached the pinnacles of his profession, Durocher was so happy he barely could talk faster than 200 words a minute when he faced the metropolitan baseball writers yesterday to receive congratulations on his new job with the Brooklynns.

His joy was tempered only by the fact that he had to be back in West Springfield today to attend the funeral of his father, a rabid baseball fan, who died Monday night.

Leo fairly bubbled as he told of his plans for the Dodgers.

A cynic in the back row said in an aside: "You'll notice they're only giving him a one-year contract. Wonder who they'll be appointing this time next year."

And there you have one of the daffiest things about the national game. Durocher, a fine, fighting shortstop since he broke in with the Yankees 11 years ago, is so happy he could bust at the prospect of managing a seventh-place ball club—for one year.

If he is fortunate and shot with luck, may be his contract will be renewed for 1940. But Burleigh Grimes, whom Durocher succeeds in the long line of Brooklyn pilots, wouldn't advise you to bet on it.

Milk, fish, soy beans and meat are raw materials from which four different kinds of new synthetic fabrics are being developed.

YEARLINGS TO MEET COAHOMA BULLDOG GRIDERS TODAY

Lloyd Devan's crippled Coahoma Bulldogs awaited the invasion of the Big Spring junior high school Yearlings here today, still reigning as slight favorites to cap their second victory despite absence of the two key men. The game was scheduled to get underway at 3:30 o'clock on the Bulldog field.

Neither S. P. Echols nor Clyde Ellis Dunn, hard hitting regulars, have been in uniform during the week and Devan indicated that neither would see action in the battle. Echols and Dunn were two regulars on the '37 squad and were being counted upon as leaders of this year's team.

In their place the red headed coach announced that he would probably start Roy Collins and Wayne Mulroney along with the other regular backs, Jack Graham and Ewert Little. Little backs the signals.

In the line Lawrence Robinson was to open at center, Weldon Engle and L. B. Wheat at guards, Tollie Hale and Alex Turner at tackles and Roy Arthur and Sibley Neal at ends.

Mentor Johnny Daniel finished off a week's work in the Yearling camp with a light drill. The crew was due to leave Big Spring early this afternoon for the game.

Probable starting lineup as announced by Daniel will be: Wood, lb; Harold, lb; Franklin, lb; Parker, c; Williams, qb; Blount, rt; Suggs, re; Mann, qb; Ely, hb; Winslow, lb; and Moore, lb.

Courtney's Lions will call a temporary halt to their PSAA football schedule after the Friday battle with the Garden City Bearkats in Garden City. The Courtney schools are turning out for six weeks for the cotton season.

In another PSAA encounter Westbrook and Sterling City will meet in Westbrook. The Wolves

will be out after their fourth victory of the year. They defeated Sterling two weeks ago, 31-0.

Courtney And Kats To Play

Lions Call Halt After Friday; Westbrook In Action

Courtney's Lions will call a temporary halt to their PSAA football schedule after the Friday battle with the Garden City Bearkats in Garden City. The Courtney schools are turning out for six weeks for the cotton season.

In another PSAA encounter Westbrook and Sterling City will meet in Westbrook. The Wolves

will be out after their fourth victory of the year. They defeated Sterling two weeks ago, 31-0.

SOCIAL SECURITY GRANTS INCREASE

WASHINGTON, Oct. 13 (AP)—The treasury reported today that grants to states and other cash costs of social security increased to \$2,868,127 in the first quarter of the fiscal year. In the similar period last year, the cost was \$2,799,168.

Casadena Alleys

Ready for every Kickoff

Each weekend an All-America team of crack Associated Press sports writers gets down under the ball to bring you brilliant, thorough coverage of the nation's outstanding football classics.

Here's the lineup of one "eleven" which has names known from coast to coast for high calibre pigskin reporting:

Paul Mickelson, New York; Charley Dunkley, Chicago; Whitney Martin, Kansas City; Fritz Howell, Columbus; Eddie Brietz, New York; Robert Myers, Los Angeles; Russ Newland, San Francisco; Kenneth Gregory, Atlanta; Gayle Talbot, New York; Earl Hilligan, Chicago; and Bill King, Boston.

Every Saturday, you'll find this all-star cast in the press boxes at the great gridirons of the country. And they are only part of the team. Their expert stories are augmented by those of a hundred other Associated Press correspondents who cover the football fields in every state of the union.

Together, this vast array of sports writing talent produce an average of 57,000 words every Saturday afternoon,—enough to fill 70 newspaper columns!

Read the complete story of football this fall in this paper.

### ITEMS FROM MOORE

Miss Arah Phillips entertained the high school pupils with a party Saturday night in the school gym. Games were played throughout the evening. Those present were Roberta Wheeler, Loveta Shultz, Callie Wheeler, Gladys Goodman, Othel Woods of Lomax, Hawthigh McCullough, Ella Ruth Thomas, Dorothy Lee Broughton, Margaret Wheeler, L. E. Bender, W. C. Fields, Alvin Hudgins, Darric Boaz, Ann D. Couch, J. W. Payne, John Couch, Mary Pettey, Claudine Goodman, Viola Pettey, Bobbie June Boaz, Pauline Pettey, O. A. Goodman, Wayne Turner, George Brown, Frank Goodman, J. H. Goodmyer, Norman Newton, Twila Lomax, Anna Smith and the hostess, Miss Arah Phillips.

Misses Ann Martin and Lora Farnsworth were Tuesday dinner guests in the W. H. Ward home.

Twila Lomax was a visitor in the Lomax community Friday night.

Lawrence Adkins who is attending school at W. L. S. C. at Conway, was home over the weekend to visit relatives and friends.

Sunday school reached an attendance mark of 73 Sunday. There were eight new members and three visitors. The public is invited to be with us every Sunday morning at 10 a. m.

Mrs. Ruby Daniels and children of the Lomax community visited her parents, Mr. and Mrs. M. L. Rowland, over the weekend.

Mr. and Mrs. Lee Castle of Martin county were visitors in the J. W. Phillips home Sunday.

Mrs. J. W. Phillips who has been ill for two weeks, is slowly recovering.

T. F. Hill, H. G. Hill and Mrs. George Grant were called to Abilene Friday to be with a brother, Charlie Hill, who is in the hospital recovering from an operation.

The Moore and Fairview Home Demonstration club met in the home of Mrs. H. F. Fuller last Thursday afternoon. The group discussed interesting topics. Refreshments were served to Mrs. Charlie Key, Ray Smith, J. G. Hammock, Sr., W. H. Ward, J. G. Hammock, Jr., G. J. Couch, J. N. Lane, Lora Lee Couch. Those visiting were Mrs. Bryant, Mary Pettey, Mrs. Gillman, Verdie Phillips.

A cook stove exploded recently in the W. A. Langley home. The kitchen was damaged by the fire considerably and other parts of the house were damaged by smoke. Repair work started soon after the mishap.

Mrs. W. H. Ward of this community attended the Howard County Parent Teacher association in Big Spring Wednesday.

Mr. Austin, Percy Morton, Jim Grant, Troy Newton, Misses Beanie Miller and Robbie Jackson made a trip to Lamesa last Sunday.

Miss Patricia Peck spent the weekend with Miss Juanita Cook of Big Spring.

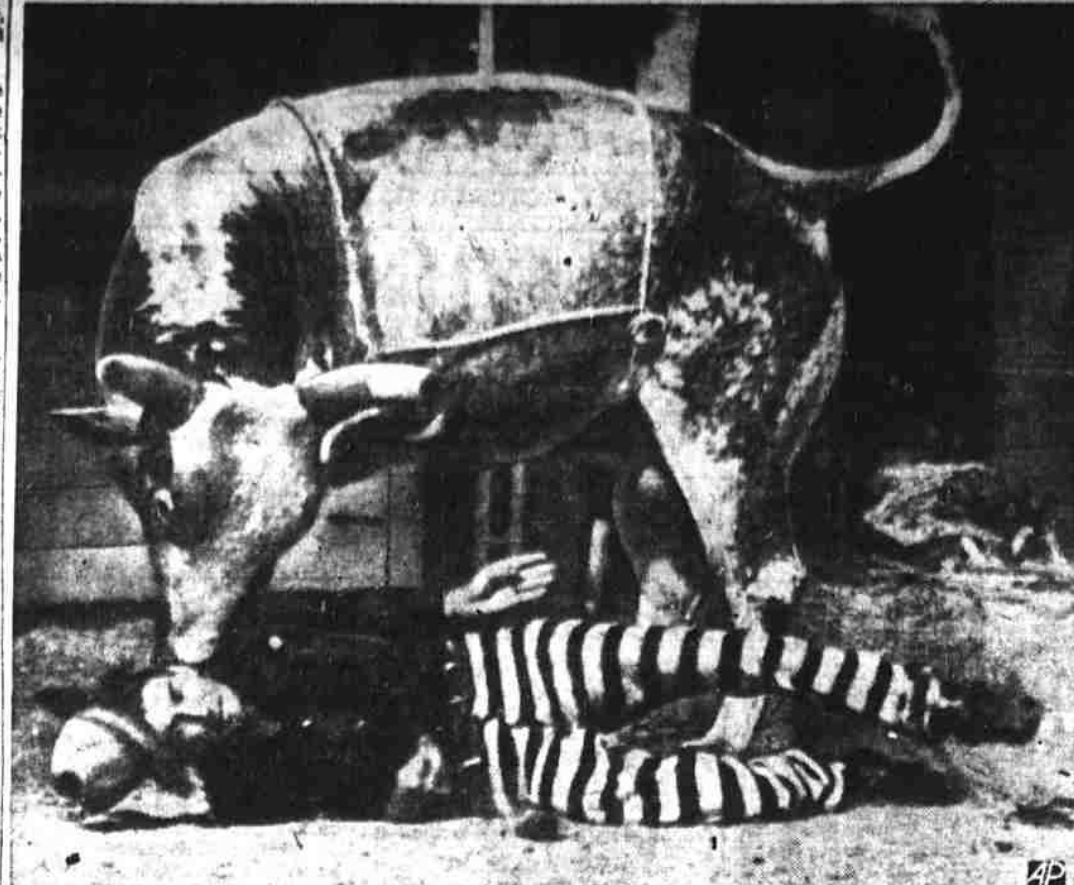

Mr. and Mrs. John Warren and sons of Luther spent Sunday with Mr. and Mrs. E. M. Newton.

Mr. and Mrs. Ellis Mathews and children, formerly of South Texas, have moved to the J. B. Merrick farm.

Twila Lomax, Arah Phillips, and Anna Smith were dinner guests of Mr. and Mrs. T. Thomas of Big Spring Tuesday evening.

Mr. and Mrs. E. D. Hull, and Mrs. Joe Hull were visitors in the school Tuesday afternoon.

A good crowd enjoyed a short song service Sunday afternoon in the auditorium. Visiting singers were from Big Spring, Richland, Midway, and Center Point.

**ROUGH BUT NOT READY** for onslaught of this Brahma bull was Cleon Roberts, who was attacked during the Texas prison rodeo staged by and for convicts at Huntsville, Tex.

### Objections Over Use Of Negro Gridders Causes Cancellation

EL PASO, Oct. 13 (AP)—Objection by athletic officials of the Texas College of Mines to use of two negro players by Santa Barbara State college had brought cancellation today of the Mines

football game with the California school.

Coach Mack Saxon of Texas Mines said in a telephone conversation with Don Follet, graduate manager of Santa Barbara, he was told the game, scheduled for Oct. 29, was being cancelled.

The average annual cash income from wheat in Missouri has been about \$25,000,000 for 30 years.

A \$2 shirt may contain as little as 10 cents worth of cotton; a \$5 bathing suit, 15 cents worth of wool and a package of cigarettes, less than 1-2 cent worth of tobacco.

There is an estimated 670,723,000,000 tons of coal available for mining in Wyoming.

## Texas Has Own Product—Sulphur, Which Is Gaining Popularity As Ammunition Against Insects

(The following article is reprinted from the October issue of West Texas Today, the official publication of the West Texas chamber of commerce, and was written for that magazine by W. H. Mecon, entomologist for the Freeport Sulphur company, Houston, Texas.—Editor's Note.)

Getting down to "grass roots" in the battle to widen margins between cotton production cost and selling price—by going after maximum per-acre yield with minimum outlay—Texas cotton farmers this year have been waging intensive war on the insect pests that normally destroy what would amount to nearly a million bales of the state's potential production.

With federal, state and commercial organizations pooling their resources of men and materials, the campaign of education, demonstration and practice of proved methods in control of the boll weevil, flea hopper and other pests has been geared up to help Texans meet the challenge of low-priced foreign competition and the acreage-reduction program.

**Cutting Costs**  
The first step toward cutting cotton-raising costs, and one that can be—has been, in many sections—taken quickly and with proved, practical results, is that of insect control. This is not overlooking the fact that finding new uses for cotton, improving ginning and baling practices, and producing finer grades and greater staple length are also vital to complete solution of the cotton industry's manifold economic ills. It is merely that insect control is one phase of the problem that can be attacked realistically and effectively.

Emphasizing the directness and relative simplicity and economy of combatting cotton insect ravages here in Texas has been the increasing use of one of the state's own readily-available resources, sulphur, in control measures. For several years the efficiency of sulphur-dusting for thwarting the cotton flea hopper—a tiny green sucking bug that has rivalled the more notorious boll weevil for ranking as "Cotton Enemy No. 1" in many sections—has been convincingly demonstrated in terms of both gross cotton and net cash returns.

On these plots, ranging from 17.5 to 76 acres in size, the average increase was 167.5 pounds per acre. Against this gain in cotton pounds, the applications of sulphur, from two to four dustings, averaged 62.1 pounds at a total cost of \$2.69 per acre, leaving an average net profit, in cash, of \$4.76 per acre—and one farm had a per-acre high net of \$11.86.

In five of the cuts the gain from dusting was between 200 and 250 pounds per acre; one cut produced between 100 and 200 pounds per acre gain; three cuts showed between 26 and 100 pounds, while in only one cut did the dusting fail to show an increase in yield, and this was caused not by failure of dusting to control the flea hopper, but by the fact that the hoppers were not sufficiently numerous in either the treated or untreated plots to have as much effect on yield as did other factors.

**Sulphur As Ammunition**  
This year's battle, on a widening front, has seen inclusion of sulphur as ammunition in the "arsenal" of hand and power dusters, and even airplanes—booming away at the boll weevil, too, for another Ewing McGarr study shows the effectiveness of combining the yellow gulf coast mineral with the time-honored weevil "medicine," calcium arsenate.

Highlights of their findings and recommendations are that a mixture of two parts sulphur and one part calcium arsenate is recommended when there is a combined infestation of weevils and hoppers, especially for early-season control; this mixture gave larger yields and greater profits than the arsenate alone even when used against high infestations of the boll weevil and low infestations of other insects; calcium arsenate alone is recommended for bollworm, sulphur alone for light infestations of hoppers or when infestation consists principally of nymphs.

**Educational Work**  
Educational work as to the proper application of insecticides, as to mixtures, spraying or dusting equipment, time and frequency, and so forth, has been carried on at increased pace this year by state agencies aided by commercial organizations which manufacture or produce the materials recommended by the experiment stations.

As Travis Bryan, banker of Bryan, Texas, who regards dusting as an ideal form of "crop insurance," says: "It is well known by those who come into close contact with the realistic efforts being made to bring more efficiency into agricultural practices that these concerns have capable, well-trained men who can and do contribute much in educational work among farmers and ranchers."

"It's merely 'good business practice' to be sure," Mr. Bryan adds, "but even so all such supplements to salesmanship must be conducted on a strict merit basis, especially when done on such a broad scale as is entailed in recommending comprehensive agricultural programs. In this state the work of commercial organizations in putting at the disposal of college and county agencies equipment, materials and services of their own entomologists is an encouraging manifestation of the willingness of these industries to do their part in creating effective machinery for fighting farm problems."

With the fund of information and tested practices richer and more readily available than ever before, and with abundant, low-priced, native Texas "ammunition" and willing, well-trained demonstrators from commercial organizations and county, state and federal agencies at their services, Lone Star cotton farmers are potentially the best equipped cotton growing army that has ever undertaken the perennial battle with the bugs.

Considerable damage to the W. A. Langley home resulted, and Mrs. Langley suffered a scorched face and hands when a stove exploded in the kitchen Tuesday evening. Blaise flared up quickly when Geneva Langley dropped the fuel tank which she was placing on the stove. Smoke damage added to that of the fire, before the flames were extinguished.

Mrs. Elmer White and daughter, Shirley Jean spent the first of the week with Mrs. White's sister, Mrs. Hammack.

Mrs. Greenwood is reported improving from an illness.

Mrs. J. G. Hammack and Mr. and Mrs. J. W. Wooten this week visited Mrs. Lula Motrow of Big Spring, who has been ill.

Mr. and Mrs. Gomer Trout of Abilene were visitors in the Fairview community last weekend.

Cotton harvest is gaining headway in this area. The crop is so short that most of it will be gathered in another two weeks. Practically all the feed is gathered.

Mrs. Jessie Henderson and baby spent Tuesday with Mrs. J. W. Wooten.

The home demonstration club met Thursday with Mrs. Fuller. An all-day meeting is planned for October 20, when a covered dish luncheon will be held. This meeting will be with Mrs. J. G. Hammack.

Preaching services are scheduled for 11 o'clock Sunday morning. Everyone is invited to attend.

Little Jean Bailey, daughter of Mr. and Mrs. Walter Bailey, was injured when kicked by a horse last week. The child suffered head and side injuries, and was unconscious for some time. She was taken to a hospital for treatment.

Mrs. Edgar Johnson was hostess to a quilting party Thursday.

Mrs. Frank Howard visited Mrs. Johnson Monday.

### TEMPERANCE MEET CONCLUDED TODAY

BEAUMONT, Oct. 13 (AP)—The annual convention of the Texas Woman's Christian Temperance Union closes here today with a tour by the delegates of this city and Port Arthur.

The convention yesterday re-elected Mrs. Claude de Van Watts of Austin president; Mrs. E. R. Hallard, Dallas, was named vice-president emerita; Mrs. W. E. May, Sherman, vice president; Mrs. Thomas C. Jensen, Austin, corresponding secretary; Mrs. Mary R. Powell, Waxahachie, recording secretary, and Mrs. J. D. Martin, Beaumont, treasurer.

Department of Agriculture experts have developed a method for converting sawdust, straw, wood waste and waste sugar cane stalks into synthetic plastics.

# Prices Down, Oil Tension Now Is 'Off'

## Gasoline Picture No Brighter After Another Drop

TULSA, Okla., Oct. 13 (AP)—The oil industry set itself today to the task of building business back to a more healthy status.

It just had found itself faced with a condition that always has given it major jitters—a general reduction in the price of crude oil in the Mid-Continent.

All the fluttery signs that usually precede such a change were present before major purchasers cut prices. First there were fractional lowerings by small companies. A few refineries shut down. More local cuts came. Commentators made dour predictions.

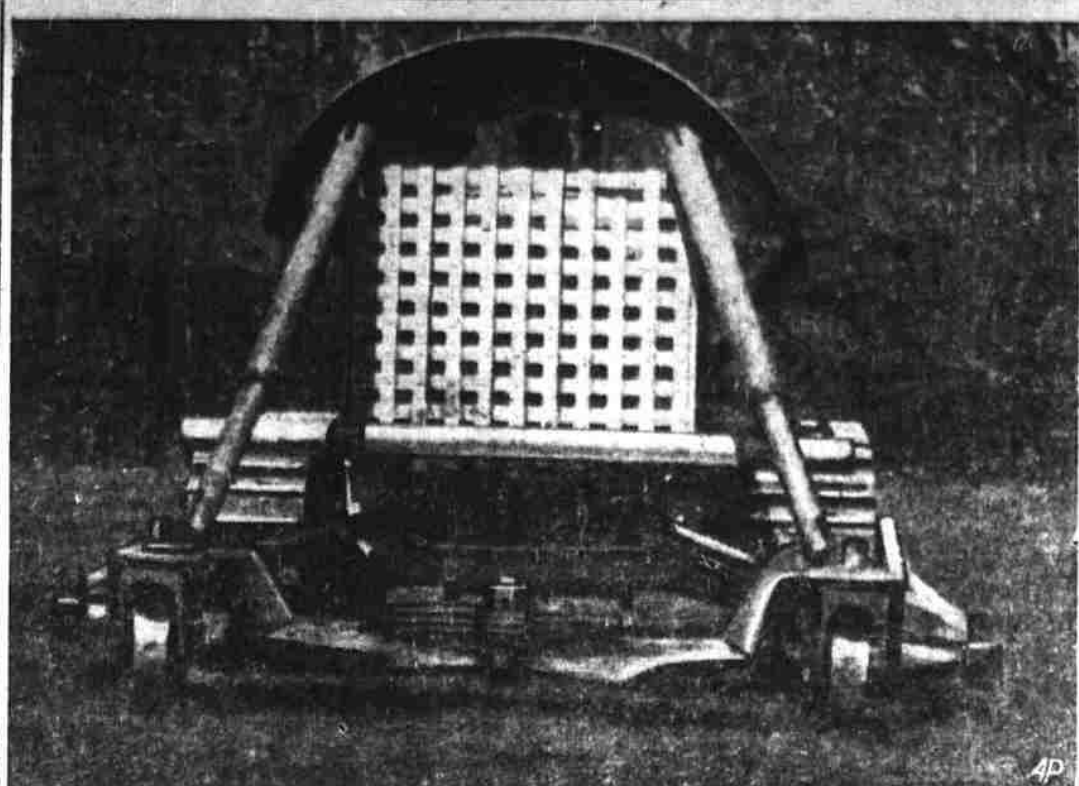

Nervous executives started calling newspapers to ask, "has the general cut come?" Then in Texas Humble set lower prices.

Finally Standard of Indiana, biggest purchaser in Oklahoma and Kansas, joined in with a 20-cent reduction.

Sinclair Prairie, major buyer in Oklahoma, Kansas and Texas, followed suit. Phillips, Texas, Barnsdall, Shell and others fell into line.

Today it seemed simply a case of everybody leveling off posted prices to around 20 cents a barrel for 36 hours.

"Behind all of this," said the head of a major company who wouldn't let his name be used, "is the simply unious price we're getting for re-

'WOODSMAN, SPARE THAT TREE' would fall on deaf ears if addressed to above mechanical tree cutter developed by Kirk Knight, a farmer in Bartlett, Tex. Its giant steel nipper-working scissors-like, will cut two trees a minute—or 1,500 in a 10-hour day—says Inventor Knight. The snippers cut trees six inches from the ground. (A. P.—Universal Newsreel Photo.)

fined products, particularly gas-

oline. To brighten the picture many an oil man pointed to the crude statistical picture today to contend there was nothing wrong with that product, what with storage at its lowest point in 17 years, around 280,000,000

barrels, down about 27,000,000 barrels from a year ago. Production is under strict regulation in the big producing states.

Refiners said gasoline, sagging further after another eighth of a cent drop at the refinery in this area during the week backed no bet-

ter after the American Petroleum Institute report showing gasoline stocks and gasoline output by refineries both up for the week.

United States agricultural exports to Canada the first half of 1938 were nearly double those of the corresponding period of 1937.

# Over 50 Here For Club Meet

## Next Lions' Zone Session Awarded To Anson

More than 50 Lions from five towns in this area participated in the autumnal zone meeting held Wednesday evening at the Settles hotel.

Next zone meeting was awarded to Anson on invitation by Gilbert Smith, thus swinging the session to the east end of the area after two consecutive sessions in the west.

Rosa Covey, superintendent of the Sweetwater schools and past president of Lions district 2-E, was the principal speaker of the evening, stressing the importance of right attitudes. He admonished Lions to rigidly observe the organization's code of ethics to the end that they manifest right attitudes.

Entertainment was furnished by Jean Kuykendall, accompanied by

Mrs. Anne Gibson Houser. Jean was heard in two vocal numbers and a novelty tap dance. Mrs. J. H. Kirkpatrick played the accompaniment for club singing.

B. J. McDaniel, president of the local club, presided over the first part of the program, announced the motordance to Lamasa Friday and the A. B. C. club convention here Monday to local members. John Butler, Midland, presided over the zone program and supervised reports by Gib Smith for Anson, Ludwig Grau for Big Spring, Dr. Oscar Rhode for Colorado, W. Arlie Cassie for Hamlin, and George Phillipus for Midland.

Attending from out of town were Ralph Lee, Dr. Oscar Rhode, J. W. Randle, Harry A. Logsdon, Jack Alexander, Fred Cravy, Tom Smith, Lewis Elliott, Frank Ramsdell, Jake Richardson, John Watson, Mac McSpaden, Jack Helton, Dr. Dave Bridgford, Ford Merrill, Clarence W. Cook and Coy Harris of Colorado; George P. Hudson, Kurt Schoenau, James Dunlap, W. Heary Albitton, W. Arlie Cassie, A. L. Jones, J. W. McCurry and Howard Hall of Hamlin; Gilbert Smith of Anson; Paul McHargues, T. D. Kimbrough, T. J.

Inman, Bill Collyns, Russell C. Conkling, Perle Haigh, Dr. V. P. Neist, Dr. W. L. Sutton, Dewey Strauch, A. M. East, George Phillipus and John Butler of Midland; and Rosa Covey of Sweetwater.

# EX-CONVICT NABBED ON NARCOTIC COUNT

HUNTSVILLE, Oct. 13 (AP)—A former convict was in the toils of the law again today through the efforts of Captain A. M. Owen of Eastham state prison farm, who seized narcotics worth \$1,000 at prison exchange rates.

The prisoner, ex-convict from Burk Burnett, was turned over to federal narcotics agents at Huntsville.

The smuggling plot was thwarted after a convict sent a money order to his brother and received a note which, when heated, revealed secret writing stating the brother would deliver the narcotics at the prison.

The ex-convict was arrested near the farm and led officers to an outhouse near Trinity where the narcotics were found.

# 'Mystery Woman' Called In Trial

LIBERTY, Oct. 13 (AP)—Nella Scoville, "mystery woman" of the Richard Palmer murder trial, was expected to testify today in the case of John Wesley Fawcett, charged with the slaying of an unidentified Italian seaman.

Palmer was tried in a companion case and given life imprisonment. It was during this trial that the red-haired "mystery woman" identified from the witness stand another man as Fawcett.

Defense Attorney Price Daniel had called a slender, dark-haired man before the witness stand and asked Miss Scoville to identify him. She testified he was Fawcett, then Daniel called the court's attention to the fact that the man was F. J. Demary, a Beaumont wholesale groceryman, who resembled Fawcett.

Three state witnesses yesterday testified concerning the finding of the seaman's bullet-riddled body. All efforts to identify the man failed, it was brought out.

# Wards Lets Go with BOTH BARRELS and SHATTERS PRICES in a Gigantic DOUBLE BARRELED SALE!

Now's your chance for undreamed-of Savings on 2 new Fall necessities! Both go back to regular price after Saturday!

### Oil Land & Leases

**51 FOR SALE: Oil lease with drilling contract; 150 acres adjoining Lockhart Field. Owner, Wm. A. Heusinger, 427 S. Medina St., San Antonio, Texas.**

### INCREASE SEEN IN CATTLE FEEDING

**WASHINGTON, Oct. 13 (AP)—**The bureau of agricultural economics said today some increase was probable in the number of cattle to be fed for markets during the coming winter and spring over the number fed a year ago.

The bureau said information available early in October, however, does not point to a very large increase, even though feed supplies are more plentiful than last year and prices of most feeds are substantially lower.

### MORE JOBS OPEN IN AUTO FACTORIES

**FLINT, Mich., Oct. 13 (AP)—**Two divisions of General Motors Corp. today announced the recall to jobs within the next 12 days of 4,200 workmen.

The Chevrolet division, which is already employing 9,000 men, has ordered 3,000 automobile workers to report at the rate of 300 a day.

The Buick division summoned 1,200 men back to work at the rate of 100 a day. Buick's payroll on Nov. 1 will list 13,000 men.

**FOOT-BARED FOOTBALL** has the gridders toiling a mark in Hawaii where shoes are shed and bare toes do the work on the kicks. A fellow-player is steadying the ball. It takes a tough footer for football there.

### TEXAN WORKING ON ANTI-TRUST CASES

**WASHINGTON, Oct. 13 (AP)—**Tom Clark, justice department attorney from Texas, has taken office as special assistant to the attorney general and was assigned to trial of cases in the anti-trust division.

Clark was assigned in the war risk bureau and handled 62 cases for the department since his appointment in February, 1937. Thirty-four were settled without trial and the government won verdicts in each of the 28 that went to a jury.

He obtained his law degree from the University of Texas in 1922 and practiced law in Dallas, before coming here. He was first assistant district attorney in Dallas for six years.

(Continued From Page 5)

er the district committee reversed a ruling that had thrown out two of their stars, meet Brownwood, an unbeaten though tied eleven, in the district 3 eastern division standout. San Angelo clashes with Sweetwater in the top game of the western division.

**Unbeaten Teams Meet**  
The South Texas headliner brings together two undefeated, untied teams with Livingston, a graduate from class B ranks, tangling with Goose Creek. It is not a conference game but is a stand-out because it is the only battle between teams with perfect records.

Fifty-seven games are on this week's schedule, 33 of them counting in the championship race. Three will be played tonight, 50 tomorrow and four Saturday. Every district except the Panhandle has one or more conference games. Longview's state champion Lobos open the drive in district 9 with Athens, a team swamped by Tyler two weeks ago. The Lobos are finding the going rough but still look strong enough to make a real fight of it. They met defeat last week at the hands of Highland Park of Dallas but the Highlanders are rated with the best in the state.

An interdistrict schedule of eleven games features the clash between Vernon and Lubbock, a Panhandle favorite, while three inter-sectional tilts are carded with Plainview at Clovis, N. M., Norman, Okla., at Amarillo, and Jeff Davis (Houston) at Byrd High (Shreveport).

This week's schedule by districts:  
District 1—Friday: Port Arthur at Pampa, Vernon at Lubbock, Plainview at Clovis, N. M.; Saturday: Norman, Okla., at Amarillo.  
District 2—Friday: Childress at Wichita Falls (conference), Electra at Graham (conference), Quanah at Olney (conference).  
District 3—Friday: San Angelo at Sweetwater (conference), Abilene at Big Spring (conference), Eastland at Breckenridge (conference), Brownwood at Cisco (conference), Stephenville at Mineral Wells (conference), Ranger at Weatherford.

District 4—Friday: Cathedral (El Paso) vs. Austin (El Paso) Yaleta at Odessa (conference), Fabens at Bowie (El Paso), conference.  
District 5—Friday: Masonic Home (Fort Worth) at Sherman, Paris at Denton (conference), Bonham at Honey Grove.

District 6—Thursday: Commerce at Sulphur Springs; Friday: Denton at Highland Park (Dallas), conference; Gainesville at McKinney.  
District 7—Thursday: Poly (Fort Worth) vs. Fort Worth Tech (conference); Friday: Arlington Heights vs. North Side (Fort Worth), conference; Saturday: Riverdale (Fort Worth) vs. Paschal (Fort Worth), conference.

District 8—Friday: Sunset (Dallas) vs. St. Joseph's (Dallas), Greenville at Dallas Tech; Saturday: Adamson (Dallas) vs. North Dallas (conference).  
District 9—Friday: Athens at

**THEY GAVE THEIR ALL** but it wasn't enough, and so a heavy-hearted Dizzy Dean (left) and a discouraged Gabby Hartnett plod wearily near the crowd, after an eight-inning rout that gave the Yankees their second game in the world series. The eloquent language of defeat is spoken by these dejected figures passing in judgment before Chicago Cubs fans.

Longview (conference), Kilgore at Texasland (conference), Gladewater at Marshall (conference), Woodrow Wilson (Dallas) at Tyler.  
District 10—Friday: Nacogoches at Palestine (conference), Jacksonville at Mexia (conference), Henderson at Lufkin (conference), Goose Creek at Livingston.

District 11—Friday: Breckenridge (San Antonio) at Temple, Red Oak at Waxahachie, Waco at Hillsboro (conference), Bryan at Cleburne (conference).  
District 12—Friday: Jefferson (San Antonio) vs. San Antonio Tech (conference), Harlandale (San Antonio) at Georgetown, Saturday: Forest (Dallas) at Austin.

District 13—Thursday: Sam Houston (Houston) vs. Lamar (Houston), conference; Friday: San Jacinto (Houston) vs. Milby (Houston), conference; Jeff Davis (Houston) at Byrd (Shreveport); Saturday: Conroe at Reagan Houston, conference.

District 14—Friday: Galveston at Orange (conference), St. Anthony's (Beaumont) vs. South Park (Beaumont).  
District 15—Friday: Corpus Christi College-Academy at Robstown, Kerrville at Laredo, Kingsville at Corpus Christi (conference).

District 16—Weslaco at Pharr-San Juan-Alamo (conference), Mission at Mercedes (conference), Raymondville at Donna, San Benito at Brownsville (conference), Austin (Houston) at McAllen.

**MOORE, LOMAX CAGERS PLAY**  
MOORE, Oct. 13 — The Moore Lobos defeated the Big Spring Motor quintet, 36-12, in their third basketball game of the season here last weekend.

Friday night Lomax will be represented by three teams in three games with Moore outfits here. The feature will pit the Lobos against the Hornets. The senior girls and junior boys will also play.

**BILL HERMAN MAY LEAD CARDS**  
**LSU Offers To Go To NYC For Nothing**  
By EDDIE BRIETZ  
NEW YORK, Oct. 13 (AP)—Lots of news today, boys... Bill Herman of the Cubs is reported headed toward St. Louis as manager of the Cards (and don't let them laugh that one off)... Wallace Wade of Duke is about to give up the hunt for a big name coach to succeed him when he moves up to athletic director and will host Carl Volles, his first lieutenant, in to the head coach's job... Volles, a former U. of Illinois man, is o.k.

Louisiana State wants Fordham so badly they've offered to come up here for nothing if the Rams will only visit Baton Rouge. Which is fair enough.

**HAPPY RELIEF FROM PAINFUL BACKACHE**  
Many of those gnawing, nagging, painful backaches people blame on colds or strains are often caused by liver trouble—and may be relieved when treated in the right way. The kidneys are Nature's chief way of taking excess acids and poisons out of the blood. Most people pass about 2 pints a day of about 3 pounds of waste.

Frequent or steady passage with smarting and burning shows there may be something wrong with your kidneys or bladder. If the 15 tubes of kidney tubes and filters don't work well, poisonous waste matter stays in the blood. These poisons may start nagging backaches, rheumatic pains, loss of pep and energy, getting up nights, swelling, puffiness across acids and poisons waste out of the blood. Most people pass about 2 pints a day of about 3 pounds of waste.

# Saggau, Milner And Grayneal Grid Debs

## Great Early Season Starts Herald News In Football

NEW YORK, Oct. 13 (AP)—A place kick spinning between the goal posts; a pass tossed through the shadows in the last minute of play; the quick shift, the break and the dash down the sidelines as the stands roar—and a football star is born.

There are new luminaries aplenty on the horizon, some sophomores just tasting glory, others veterans rising to their big year.

Out at Minnesota they are singing the praises of Wilbur Moore, the halfback who has inherited the mantle once worn by Pug Lund and Jules Alphonse.

Bob Saggau, best freshman back last year, is Notre Dame's most notable newcomer. He plays left halfback, the most arduous backfield position in the Irish system.

Resurgent Michigan offers Tom Harmon, an able ball carrier and blocker who has been going well behind a veteran line. Wadde Young, the Oklahoma end who smothered Rice's Ernie Lain and harried Texas' passers, is the man of the hour in the Big Six.

Two outstanding stars on the coast apparently belong to Oregon's Webfoots, Jimmy Nicholson and Jay Graybeal, two fine halfbacks, have passed and run Oregon to the top of the coast conference. Cotton Milner, Louisiana State back, place-kicker the field goal that beat Rice, was made a major general on Governor Leche's staff and grabbed a sheaf of explosive headlines.

Five linemen are making their presence felt in the south. Dan Hill, Duke center, has been throwing his weight about. Bernie Smith, Tulane's fine center, is among other brightening stars. Best sophomore back in the south, according to deafening publicity and one or two opponents, is Sweet Lalanne, the quarterback at North Carolina.

**ARVIN BEATEN**  
SAN ANTONIO, Oct. 13 (AP)—Emil Munier of San Antonio, who took out the medalist, Dr. J. N. Arvin of Brownwood, in the opening round of the Texas senior golf tournament, met Fred Austin of Houston today.

Other matches in the second round today were:  
Guy Keith, Beaumont, vs. R. M. Kieberg, Corpus Christi; George Kotan, Houston, vs. Mart Moore, San Antonio; E. L. Brown, San Antonio, vs. Miers Crump, San Antonio.

# Two Pros In Feature Battle In Fems' Open; Betty Wins Easily

FORT WORTH, Oct. 13 (AP)—A battle between two professional stars, one a former National champion, headlined the Texas Women's Open Golf tournament today as play moved into the quarter-final.

Mildred Babe Didrikson of Beaumont, famed woman athlete, met Helen Hicks Harb of Little Rock, once the National title-holder. Defending champion Mrs. Frank Goldthwaite of Fort Worth played Mrs. John Parnell of Dallas; co-medalist Betty Jamison of San Antonio, the state champion, clashed with Mrs. E. R. Winger of Fort Worth, West Texas champion, and Mrs. E. R. Hury of San Antonio engaged Anna Bland Thompson of Fort Worth.

In yesterday's second round matches Miss Didrikson defeated Mrs. V. Z. Smith of Fort Worth, 6 and 5; Mrs. Harb downed Mrs. B. Grant of Terrell, 5 and 4; Mrs. Hury defeated Neil Moody of Sherman, 4 and 3; Mrs. Goldthwaite won over Mrs. W. H. Ainsworth of Houston, 4 and 3; Miss Thompson defeated Mrs. George Thompson, Jr. of Fort Worth 2 up; Mrs. Parnell downed Mrs. Connelly Henson of Little Rock, 7-5; Miss Jamison won over Iva Mae Pilcher of Mexico, Mo., 7-6, and Mrs. Winger defeated Joe Henson of Paris, 2-1.

**RANGER IS ASKING COOPERATION IN BIG HOMECOMING**  
RANGER, Oct. 13—Pointing out the tremendous significance that the discovery of oil in Ranger 21 years ago has had in the development of Texas, Mayor Walker has invited the co-operation of cities in Missouri in making the

annual homecoming on Oct. 21 a great success.  
The West Texas chamber of commerce and the West Central Texas Oil and Gas Association were asked to extend their assistance as the bringing in of the McCleskey at Ranger led to one of the most widespread wildcatting campaigns in history with the result that many West Texas fields were discovered and dozens of towns witnessed a manifold increase in population.  
No event since the building of the railroad into Fort Worth and the establishment of the packing houses has helped that city as much as the finding of oil in Ranger, the Fort Worth chamber of commerce and Junior chamber of commerce were reminded.

Citizens of neighboring cities, including Breckenridge (whose football team plays Ranger as the climax of the homecoming), Eastland, Cisco, Strawn, Gorman, Rising Star, Abilene and many others, likewise are being urged to take part in the celebration.  
Many notables are expected and a big parade, dedication of the new Bulldog stadium and the Oil-Belt football classic between two long-time rivals will be the features.

The 1938 production of turkeys in Missouri is expected to be five per cent greater than in 1937.

# BLIND PERSONS RUN OWN BUSINESSES IN STATE BLDGS.

AUSTIN, Oct. 13 (AP)—Approximately 50 blind persons operate refreshment stands in public buildings in Texas.

Miss Hazel Beckham, executive secretary of the Texas Commission for the Blind, said 16 persons recently trained by the commission have entered this form of business. Texas provides no direct financial aid for the dependent blind but the commission's funds are spent in rehabilitation and training work which includes operations of "light-houses" where the sightless are taught remunerative vocations.

Texas' adult blind population is approximately 6,000.

**ASSAULT CHARGE**  
W. H. Milkien was held in the Howard county jail Thursday under a charge of aggravated assault. The complaint alleged he had made an aggravated assault against Mrs. J. E. Rushing.

**BUSINESS VISITOR**  
J. W. Stitts, manager of the News Engraving company, Abilene, was a business visitor in Big Spring Thursday. He was en route to Odessa and Midland.

Kansas' 1,551 towns will spend approximately \$5,000,000 for operating their governments next year.

# Parade

(Continued From Page 1)  
eral is high and Devan has difficulty in keeping his squad trimmed. Youths attending school no higher than the third and fourth grades have appealed to Lloyd to allow them to report.

The much talked of ladies' golf tournament scheduled for the country club this fall may be cancelled unless action is taken by the members soon.

The association was supposed to meet for a discussion of the tournament last week but the presiding Mrs. A. Swartz, was baseballoing along with the New Yorks and the Chicagos in Chicago, and the confab fell through.

Another attempt may be made this week to get the women together. Mrs. Swartz intends to leave again this week-end.
