Hollyann Wright Named 2006 Peanut Festival Queen

2005 Peanut Festival Queen
Presentation Speech

Holly Ann Wright
When I go out of town, and people ask me where I am from, there are three responses that I always hear: (1) "Is that in Texas?" (2) "Oh yeah, isn't that where they have ZJ's?" (3) "Oh, Gorman the Peanut Capital."

When I was younger, our town had the strongest smell of peanuts, and sometimes I personally didn't care for it. The rain made the smell so much stronger, but I remember lots of others saying they loved our town's "signature smell." I bet everyone misses it now. After Parnell's shut down, the smell started to fade away a little. Then when Birdsong was moved to Brownfield, the smell seemed to be gone. Many families moved away, and a lot of us said good-bye to some great people. However, our town stayed united through all of this. I am so proud to live in a town where people never give up.

I would just like to say that it is an honor and a privilege to represent our town as your 2005-06 Peanut Festival Queen. Thank you

Panthers Defeat Owls 32-27; Travel To Perrin-Whitt Friday

The Gorman Panthers travelled to Covington to take on the Owls Friday night and after an amazing come back effort, the Big Red outgunned the Owls 32-27. The score was 14-0 at the end of first quarter and it jumped to 27-12 at halftime. Then the marvelous come-back happened with the Panthers scoring 20 points in the last half while holding the owls scoreless for the win.

It was a fantastic comeback by the Panthers, but the only bad thing was the lack of fans from Gorman, who missed an uplifting event.

After exchanging possessions the Owls got the ball on the Gorman 18. After a 7 yard run Jason Spain ran in for the TD on a 11 yarder to make the score 6-0 with 7:51 left. Ty McFarland booted the point after and it was 7-0.

Then the Owls got another break when they recovered a Panther fumble on their own 47 and then after losing 2 yards on a run, McFarland tossed a pass to Jason Spain who raced 55 yards for the score with 3:48 left. McFarland kicked the point after and the score was 14-0.

The Owls got the ball on their own 14 after holding the Panthers and after losing 1 yard on a run, McFarland hit Spain for an 85 yard score with 11:46 left in the second. The try to point failed and the score was 20-0.

Gorman finally got a good drive started after getting the ball on their own 25 and scored in 5 plays with Kennon Hornback hitting John Torres on a 9 yard pass for the score with 5:43 left in the second. The try of point failed and the score was 20-6. The drive featured runs of 60 and 6 by Orlando Valenzuela before Torres got the score.

The Owls came right back with a 60 yard pass from McFarland to Spain with 4:48 left in the half. McFarland booted the point after and the score was 27-6.

However the Panthers weren't to be denied and came right back with a 65 yard drive in 7 plays with Tyson Swanner driving in from 1 yard out with 2:01 left in the half. The drive featured a 15 yarder by Valenzuela; runs of 1 and 2 by Matt Underwood; a 19 yard pass to Torres and a 20 yard pass to Brian Greet before Swanner got the score. The kick try failed and Gorman trailed 27-12 at the intermission.

The bands did a very good job during the halftime activities and were awarded with good applause.

The Big Red came out ready to play in the second half and took the ball on the Owl 46 after an onside kick recovery. Valenzuela had runs of 5 and 10 yards; Underwood had 1 run for 5; and Torres had runs of 2, 2, and 2 before catching a pass for 10 yards. Then following 2 Gorman penalties of 5 yards each, Hornback hit Matt Underwood for the final 16 on a pass with 6:15 left. A pass to Gabe Burk added the 2 pointer and the score was 27-20.

Then the Panthers got another drive going midway through the 4th period when they took the ball on their own 25, and after 1 run of 1 yard and an incomplete pass, Underwood caught a pass and raced the 74 yards for the score with 4:01 left. The run of points failed and the score was 27-26.

Following another on-side kick, the Panthers recovered the ball on

the Owl 47 and scored in 7 plays with Hornback hitting Swanner for a 7 yard scoring pass with 1:19 left in the game. A pass try for 2 points failed and Gorman jumped to a 32-27 lead. The drive featured runs of 7 and 11 by Torres, and a 2 yarder by Valenzuela before Swanner got the score.

From there the Big Red defense again held the Owls on downs to end the game.

Valenzuela led the Panthers with 149 yards on 10 carries; Underwood had 69 on 14 tries; Torres got 44 on 17 totes; Hornback got 2 on 5 keepers, Greer ran 1 time for 9; and Swanner carried 2 times for 1. Jeremy Spain led the Owls with 154 on 16 tries.

The Big Red defense did a great job in the second half to hold the Owls scoreless and will need a repeat performance when they travel to Perrin-Whitt Friday night. The Pirates have a very good team and will be ready to give the Panthers a tough game, so let's all follow the Panthers to Perrin-Whitt and back the team.

Go Get 'Em Big Red!!!

SHORT YARDAGE - Several Panthers gang up to stop a Owl running back for short yardage in game action Friday.

PASS PLAY - Kennon Hornback is shown tossing a pass in game action Friday night. Blocking for Kennon is Pete Ramirez.

IN THE GRASP - Zachary Bryan and Aaron Keith stop an Owl Running back in game action Friday.

PUBLIC NOTICE BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 8, 2005

PROPOSITION 1 (HJR 54)

HJR 54 would create a Texas rail relocation and improvement fund in the state treasury and would authorize grants of state revenue and issuance of public debt to relocate, rehabilitate, and expand privately and publicly owned passenger and freight rail facilities and to construct railroad underpasses and overpasses.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment creating the Texas rail relocation and improvement fund and authorizing grants of money and issuance of obligations for financing the relocation, rehabilitation, and expansion of rail facilities."

PROPOSITION 2 (HJR 6)

HJR 6 would provide that marriage in Texas is solely the union of a man and woman, and that the state and its political subdivisions could not create or recognize any legal status identical to or similar to marriage, including such legal status relationships created outside of Texas.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment providing that marriage in this state consists only of the union of one man and one woman and prohibiting this state or a political subdivision of this state from creating or recognizing any legal status identical or similar to marriage."

PROPOSITION 3 (HJR 80)

HJR 80 would provide that local economic development program loans or grants (other than debts secured by a pledge of ad valorem taxes or financed by the issuance of any bonds or other obligations payable from ad valorem taxes) do not constitute or create debt. Any provision of state constitutional law that may prohibit or limit the authority of a political subdivision of the state to incur debt does not apply to those loans or grants.

The proposition will appear on the ballot as follows: "The constitutional amendment clarifying that certain economic development programs do not constitute a debt."

PROPOSITION 4 (SJR 17)

SJR 17 would authorize a district judge to deny reinstatement of bail or new bail to a person accused of a felony, if the person's bail had been revoked or forfeited as a result of the person's violation of a condition of release related to the safety of a victim of the alleged offense or to the safety of the community.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the denial of bail to a criminal defendant who violates a condition of the defendant's release pending trial."

PROPOSITION 5 (SJR 21)

SJR 21 would authorize the Legislature to exempt commercial loans from state usury laws that set maximum interest rates. "Commercial loans" are loans made primarily for business, commercial, investment, agricultural, or similar purposes and not primarily for personal, family, or household purposes.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment allowing the legislature to define rates of interest for commercial loans."

PROPOSITION 6 (HJR 87)

HJR 87 would increase the size of the State Commission on Judicial Conduct from eleven to thirteen members by increasing from four to five the number of public members and by adding a constitutional county court judge. The additions would ensure that the commission has an odd number of members, which is required by another provision of the state constitution.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to include one additional public member and a constitutional county court judge in the membership of the State Commission on Judicial Conduct."

PROPOSITION 7 (SJR 7)

SJR 7 would authorize new options for reverse mortgage agreements for senior homeowners allowing them to draw advances at unscheduled intervals, if and when needed, and only in the

amounts needed, during the loan term. These are in addition to options that would allow a lump sum payment after settlement or regular periodic, predetermined equal amounts over a term of years or the lifetime of the homeowner. Additionally, SJR 7 would: (1) prohibit the agreement from requiring the use of a credit card, debit card or similar device to obtain an advance; (2) prohibit the charge or collection of a transaction fee solely in connection with any debit or advance, after the time the extension of credit is established; and (3) prohibit the lender or holder from unilaterally amending the extension of credit.

The proposition will appear on the ballot as follows: "The constitutional amendment authorizing line-of-credit advances under a reverse mortgage."

PROPOSITION 8 (SJR 40)

SJR 40 would clear individual land titles by relinquishing and releasing all claims of state ownership interests, including mineral interests, in two local areas, namely, a roughly 4,600 acre area located roughly 14 miles southeast of Gilmer, Texas, and a separate 900 acre area located north of Tyler, Texas.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment providing for the clearing of land titles by relinquishing and releasing any state claim to sovereign ownership or title to interest in certain land in Upshur County and in Smith County."

PROPOSITION 9 (HJR 79)

HJR 79 would authorize the Legislature to provide staggered six year terms of office for board members serving on regional mobility authorities, with no more than one-third of the board positions being appointed every two years.

The proposition will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide for a six-year term for a board member of a regional mobility authority."

Gorman OES Honors Fire Department and Police Officers

The Gorman Order of the Eastern Star honored the fire department and police officers with a dinner on Sept. 5. The chapter wanted these departments to know how much we appreciate them for their service and dedication to our community. They are always on call if and when anyone needs them. The fire department is made up of citizens who are willing to give of their time and energy. They and the police officers put their lives in danger for us the citizens of Gorman and surrounding area. We appreciate these men and women and thank them.

Memories Of The Doodle Bug Express

My grandparents, John Willy and Dovie Mounce lived in the Kokomo, New Hope Community when I was six or seven in the middle forties around forty-two or three.

I lived in Desdemona (Hogtown). In the summer time my sister and I would spend part of the summer at our grandparents farm. I always looked forward to seeing the Doodle Bug come by because if we were down by the tracks they would wave and throw candy.

My Grandpa would load us in the wagon and mules with watermelons. We would go into Gorman and park by a huge tree on the yard at the Depot. Grandpa would fix me a pallet to sleep on under the wagon. We sold the watermelons for a dime each.

I did not get a ticket for October, but I am looking forward to April.

OFFICERS ELECTED FOR THE 2005-2006 GORMAN EXES ASSOCIATION

Kenneth Welch has been elected President for the 2005-2006 Gorman Exes Association. The election was held as part of the business meeting of the group on Saturday September 11 at the Gorman High School auditorium. Joining this slate of officers is Vice President Francis Simpson, Sylvia Buchanan, Secretary and Cecilia Hirst, Treasurer. Kenneth wants to hear from everyone who has ideas and suggestions for making next years celebration the best ever!

This years meeting featured special recognition of the class of 1955 who celebrated their 50th year. Look for a picture with details in next weeks issue of the Gorman Progress! The class of 1961 also enjoyed a reunion in the home of Don and Dolores Underwood on Saturday. "Glorify" entertained the group of more than one hundred people on Saturday afternoon. This musical group was made of Daryl Hirst, outgoing President of the Gorman Exes and Brenda Thomas of Cisco. Mr. Ricky Panter, High School Principal welcomed the visitors. Sylvia Buchanan presented the Reading of the Minutes, Treasurer's Report was given by Cecilia Hirst. Following was a recognition of classes by Decades. Richard Watson presented a moving memorial in remembrance of large number of thirty eight class members who passed away during the year. Many thanks to Icy Munn who keeps these records every year for the Association. Mrs. Velda Foster Baze was elected as Coming Home Queen for the upcoming year.

Many thanks to Pam Childers who made arrangements for the set up of the facility for the group. She graciously does this each year. Thanks also to Judy Gore and her students for the well done Power Point presentation of the former classes from Gorman Schools.

Recognition Dinner Held As Part Of Gorman Exs' Celebration

Kenneth Welch, Vice President of the Gorman Exs for 2004, was the Master of Ceremonies for the Recognition Dinner held at ZJ's Restaurant Saturday evening, September 11. Kenneth and Daryl Hirst, this year's president, presented awards to individuals who have made significant contribution to the Gorman Schools and the Homecoming events. Receiving plaques in honor of their service were:

Nedra Green - Mrs. Nedra Green, wife of Mr. Bob Green, taught school in the Gorman Independent School District and made a lasting impact on the lives of her students. She taught nearly three generations of young people during her career.

Mrs. Green graduated from High School at Andrews. Later she attended Tarleton and finished the Bachelor of Arts Degree at Hardin Simmons University in Abilene. In the Gorman school system she taught English and Spanish for a number of years. After their son Randy was born, she resumed her teaching career and taught in the elementary schools, including 5th through 8th grades. She also taught English as a second

language.

Mrs. Nedra Green has special memories of her years of teaching. She recalls a student who had graduated in the previous year asking her if she didn't agree that his class was the best she'd ever taught. She told him in truth, "I believe every class I have is the best one I ever had." And that's the way she made us feel. She had a gift for giving us all the equal chance to excel in her eyes. She made us all feel special.

A happy memory Mrs. Green recalls is of her work with One Act Plays and Senior Plays during school. She says this was the opportunity we all had to "relax and just be people!" She was very successful in coaching Drama at Gorman High School. Her work was recognized through successful UIL competitions, also.

Mrs. Green started teaching in 1957 and retired after a long and successful career in 1987. It is our pleasure tonight to recognize her for her contribution to her students and the entire Gorman Independent School District.

Mr. Bob Green, Mrs. Green's husband is well known in this area from his work in the Southwestern Peanut Growers Association. He was her escort Saturday night.

Velda Foster Baze has been a leader in school activities as well as civic affairs all of her adult life in Gorman. She entered the Gorman Public Schools when she was in the 5th Grade.

In 1940 she graduated from High School and was married to her High School sweetheart, Dick Foster. Her husband Dick was a World War II veteran serving in the Philippines when the atomic bomb was dropped. His unit was the first to arrive in Japan after that event.

Velda was a career woman, too. She recognized by her company after she had worked 21 years for Munsingwear. She was Department Supervisor for a majority of that time. She also worked 6 years for Sunbelt Savings.

Velda and Dick had three children, Dolores, Mike and Brent. All attended Gorman Schools. Dolores married Don Underwood and she and Don have recently returned to Gorman to live after both had careers in Law Enforcement in Central and West Texas. The Foster's son Mike graduated from Abilene Christian University and taught and coached in the Joshua School System for 15 years. Their son Brent, a talented musician, worked for the Gorman Housing Authority until his health forced his retirement. Brent and Tammy Foster Straw's son Cody is her escort tonight.

After her husband's death, Velda married another classmate, Graydon Baze. Graydon was also a great supporter of the school. He was teacher and then was Superintendent for many years.

Velda is a very hard worker. She attributes her passion for living as something he inherited from her mother. She is very active in church work at the Gorman Church of Christ. Just this last year, when many of the rooms needed painting, it was Velda who took on the project singlehandedly, only allowing her daughter to do the ceiling trim. Until just recently she was actively involved in work on the family ranch. She says she still is "If she can catch her kids gone!"

Always interested in school activities, she has been very helpful to the Homecoming Committee. Last year, she was key to the success of the Veteran's Recognition. When preparations began, the committee thought there would be 4 or 5 Veterans in Gorman. When the number grew to 18, they began to panic and sought Velda's help. She spent hours contacting the veterans and getting their addresses so they might attend last year's celebration. She literally spent months finding the people to be recognized. As a result, 58 World War II Veterans were found and contacted. The event was well attended because of her efforts. This last year, Velda has worked night and day as she took on the challenge of revising the mailing list for Gorman Exs'. As a result our mailing list went from 200 to 800. And these were just the out of towners, since we don't mail to people in town. Her updated address lists have been used not only by the Homecoming committee but by numerous groups in town. If anyone wants to know how to contact someone, they know she has the answer. If you live in this area and have attended Gorman schools, you've probably gotten a phone call from Velda!!

For her many contributions to the Public Schools of Gorman and for her careful attention to detail in all her work, we recognize Velda! Mrs. Baze has five grandsons, Lyndall, Greg, Daryl, Jason and Cody. Brent and Tammy Foster Straw's son Cody was her escort Saturday night.

T.D. Goodwin and his wife Wanda are Gorman natives. They both attended Tarleton State University. The Goodwin's were married in 1948 and celebrated their 55 year anniversary in 2004.

Mr. Goodwin started his teaching career in Carbon and then spent 11 years in Gorman. He taught Math and Science and was an Elementary Principal in Gorman. After his tenure here, he went on to the post of Superintendent in Tolar. He was Superintendent in Texas and New Mexico for 30 years with the last 7 years in New Mexico. He taught for 42 years altogether.

Though this was not his main job, Mr. Goodwin is perhaps best known in Gorman for his work as a Girl's Basketball coach. He is proud of his win/loss record of 496 games won and 252 games lost.

Mr. Goodwin said he was forced to coach Jr. High Football. While this was not his favorite activity, the group still won 54 games and lost only 27.

Of the 42 years of his career, 38 of these were spent as an administrator. When asked what he believe made him successful, he says that he was fortunate to be qualified in several different fields that allowed him to teach whatever was needed at the time. He says he had enough teaching fields that he could "fit whatever was needed". And we know that he was willing to do so.

His fond memory in Gorman is taking the 1958 Girl's Basketball Team to state. They lost, but only by one point, 74-73. He said he is the first to admit that he had some really talented people. He liked all sports...but basketball was a favorite.

The Goodwin's have four children, all with college degrees. They are Becky Decker, Bennie Goodwin and Ricky Goodwin. Their son, Rick lives in Carthage and works out of Dallas in the Coal Mining Industry. The Goodwin's also live in Carthage. Ricky was with his parents Saturday night.

Lottie Morris - Mrs. (Lottie) Morris graduated from Gorman High School. From the very beginning, sports have been of paramount interest to Lottie and her late husband Hupp (better known as Huppy). Their love of sports came naturally. Her husband and his 4 brothers were very well known for their football abilities. Lottie and Huppy Morris lived in Brownfield during their career when Huppy was with an oil company. They returned to Gorman in 1971. When they came back to Gorman to live, Athletics became their life. They were simply great Gorman Fans. They were at all of the Football games. In fact, the couple received special recognition from the Gorman School and Panther Booster club in May of 1991 for their indomitable Panther Spirit! A great Gorman fan, they attended all the games as long as they could mount the stands. In fact, the Gorman Yearbook was dedicated to them in the late 1990's.

Their love of sports was passed along to their children. Their son, James G. Morris was a football and track coach. Then in the year 2000-2001, he was inducted in the National Jr. College "Track and Field" Coaches Hall of Fame. He was national Jr. College "Coach of the Year" 8 times!

The Morris's have two children, James G. (who has already been mentioned) and Pam Hulse. Lottie and her late husband, Huppy have 5 grandchildren and 14 great grandchildren. James G. Morris, Lottie's son was her escort Saturday night.

A Word in Season By Pastor Dane Gressett ADDRESSING COMMON OBJECTIONS (Part One)

Over the next several weeks I want to address some of the most common objections that people have regarding Christianity. Though the answers are brief, perhaps they will help answer some questions you may have or will help you answer someone else's questions. It's important to understand that God is not offended by our questions. But we must also realize that not all questions are sincere. Many times our questions are simply a cover up for our willful rebellion against God! It's easy to find fault with someone or something if I have already made up my mind what I want to do!

Many times what we think is an intellectual difficulty with some claim of biblical Christianity is actually the cover up for a moral problem! If I know that the Bible does not condone my lifestyle, then I very likely will not be completely honest as I seek to search out its claims. If I can destroy the witness, then I feel I'm justified in avoiding the charges.

1. Christians are hypocrites. This may be the most common reason that folks avoid congregating with other believers. A hypocrite is an actor, a person who pretends to be something he or she isn't. It seems that Jesus' harshest words were aimed at hypocrites, and especially the religious variety! We must realize, though, that there always have been and always will be some hypocrites in the Church in every community. But Jesus doesn't ask us to follow others; he asks us to follow Him.

Although Christians can represent Jesus either poorly or well, **the real question isn't whether there are hypocrites in the Church, but whether Jesus is a hypocrite.** If someone can prove that Jesus was a hypocrite, then the whole foundation of the Christian faith falls into disrepute. The Bible presents Jesus as nothing less than perfect. He was sinless. Jesus' disciples testified that Jesus was without sin (1 Peter 2:22; 1 John 3:5). Jesus even challenged others to prove that he'd sinned (John 8:46).

To refuse to identify with Christ or to refuse to gather with other Christians because some are hypocrites could be likened unto refusing to drive a car because some cars are lemons. Who refuses to handle cash just because there are some counterfeiters in circulation? Anyone who refuses to see a doctor just because some doctors have been proven to be quacks is foolish. If you missed the Panthers game last Friday, you missed what has to be one of their best efforts of the season - your loss, not theirs. They were down 27-12 at the half and came back to hold the Owls scoreless in the second half and win the game 32-27. The Panthers scored their last touchdown with just over a minute left in the game. It was fantastic! It was incredible, especially when you consider they had to beat five of the worst officials I have ever seen since I've been watching football plus overcome a fifteen point deficit. Way to go Panthers! This week we travel to Perrin-Whitt to play at 7:30p.m.

The Junior High Cubs had a remarkable game too, 28-6. I can tell by watching them that we are going to have more numbers in the future and that will help a lot. The coaches have done an excellent job preparing them to be competitive.

As superintendent, I enjoy attending as many events as I can that involve our students; both academic and athletic. They deserve my support, but most of all they deserve your support. They work extremely hard to prepare for competition and they do not deserve to see empty bleacher seats at any game. The Panthers won Friday night, but even if they had not, I would have been proud of the effort they put forth. If you are a true Panther fan and claim to support these kids, I challenge you to be at every game if you are physically able. I know fuel is high, but you could get together with your neighbor and ride together and split the cost. I don't believe I ever missed one of my son's football or baseball games or my daughter's basketball or softball games, not one even before I became a teacher. Parents, grandparents, neighbors, it is important to support these young people. You don't get a second chance! In the blink of an eye, they will be graduating from high school and leaving to attend college or pursue a family and career of their own. Don't miss out on the memories. Be there!

I hope everyone enjoyed the Peanut Festival as much as I did. I can't believe we have so many talented musicians in Gorman. The music was wonderful. It made selling burgers at the Lion's Club booth very enjoyable. I want to thank everyone involved with the organization of the Peanut Festival for their hard work. There was a great crowd at the school for the Alumni meeting and I appreciate Mr. Panter hosting them while I was selling burgers. It was a great day!

We had some Gorman students experience success in the kitchen this weekend at the Peanut Festival. I'm not sure of everyone, so if I miss someone that should have been included in this article, please email the information to me for next week. Amanda Regian, 11th grader, won the overall championship for her peanut butter balls in the candy division. She received a blue ribbon and a championship trophy. Maria Oronia, 11th grader, won the overall championship in the snack division for her peanut butter Rice Krispy treats. She received a blue ribbon and a championship trophy for her effort. Both girls also received prizes from Pampered Chef. Cole Underwood won a first place blue ribbon with his pie. Cole is in the 8th grade. Mykisha Hampton won a blue ribbon for her candy. Mykisha is in the 4th grade. Clarissa Landa won a first place blue ribbon for her snack and a third place ribbon for her cookie. Clarissa is in kindergarten.

It takes community involvement for a school to be successful and you are welcome to get involved at Gorman ISD anytime. Remember, this is your school; these are your children; and these children are your future! Come help us shape the future.

Gorman Goober Gourmet

Cook-Off Results And Thank You

On Saturday, September 10th, the Gorman Goober Gourmet Cook-Off was held as part of the Peanut Festival. The cook-off had thirty-five entries in five classes with four age groups each. All entries were delicious and made creative use of peanuts and/or peanut products. The cook-off chairperson, Melinda Harrington, wishes to express thanks for the effort put forth by all contestants.

Melinda, also wishes to thank the following volunteers for donating their time to help make this a successful event: Nancy Brown, Beth Dunwell, Debbie Gilder, Shirley Good, Ellen Gressett, Martha Harrington, Darlene Mathis, Mary Jane McPherran. Also thanks to Ty Vaughn for helping us to set up the tables, displays, and make up the goody bags.

Special thanks to the following individuals and businesses who donated items for the goody bags that each contestant received: American State Bank of Gorman, Golden Peanuts, First Financial Bank of Eastland, Frost Bank of Dallas, the Texas Department of Agriculture, and the Gorman High School Ag classes. Due to the generosity of the donors we were also able to provide goody bags to the players in the 42 tournament. PLEDGE TO THE UNITED STATES FLAG

I pledge Allegiance to the flag of the United States of America, and to the Republic for which it stands, One Nation under God, indivisible, with liberty and justice for all.

PLEDGE TO THE BIBLE

I pledge allegiance to the Bible, God's Holy Word, and will make it a lamp unto my feet, a light unto my path, and will hide it's words in my heart that I may not sin against God.

PLEDGE TO THE CHRISTIAN FLAG

I pledge allegiance to the Christian Flag, and to the savior for whose kingdom it stands, one brotherhood uniting all Christians in service and love.

Benefit For Meagan Holder

There will be a Bar-B-Que and Auction at the Desdemona Community Center on Saturday, September 17 for Meagan Holder. Serving will begin at 5:00 p.m. Purchase of food will be by donation only. The Auction will begin immediately after the meal.

Meagan, a freshman at the De Leon High School has been diagnosed with ASD (Atrial Septal Defects). She had heart surgery on Friday, September 9 at the Cook's Childrens Hospital in Fort Worth to repair 4 holes in the atrial wall which separates the 2 atrium of her heart. Meagan is the daughter of Donald Wayne and Stephanie Holder and grand-daughter of Donald and Wilma Holder all of Desdemona.

Meagan is a very hard working student with many talents. She was the Cubcat Mascot last year in Middle School. She has participated in other sports. Meagan won various Academic UIL events throughout her school years. She is also active in the youth group at her church.

Proceeds of this benefit will go toward medical expenses. Donations of items for the Auction will be appreciated. Please bring your donations when you attend the benefit - or if you are unable to attend you may phone Eddie and Linda Lindley at 254-758-2691 and your contributions will be picked up. You may also mail your donations to Eddie and Linda Lindley - P. O. Box 65 - Desdemona, Tx 76445. Everyone is invited to attend and support this family in their time of need. Thanks to all of the businesses and individuals to plan to contribute to this benefit. Friends of Desdemona wish the very "Best Of Luck" for this very special young lady.

Jeff Roberts of Dallas spent the past weekend with his mother, Dorothy Roberts.

"Happy Birthday" to our granddaughter, Holly from Granke and Granny Coon Guthery. We love you very much.

Though for today - "You can give without loving - but you cannot love with giving".

Larry and Gay Moore hosted a Family Cook-Out at their home on Sunday. The occasion was to celebrate September birthdays for grandson, Cory White, daughter, Renee White and Gay. They reported a good visit and fellowship. Others attending were Bruce and Chelsea White of Stephenville, Paul and Susan Moore and children, Hagan and Scarlet of Lingleville and Shorty Fox of Desdemona.
