## Lady Panthers Take Second as Gorman Lifters Compete at the 4th Annual Dublin Meet

Back Row: Tecia Jones, Rosa Herrera, Kendra Swanner, Nikki Keith, April Keaton, Megan Lewis. Front Row: Avery Tyson

The Gorman Powerlifting teams traveled to Dublin this week to take place in one of the toughest meets of the year. Although there were almost 300 lifters and 19 teams there at the meet, our men and women still competed very well. The Lady Panthers who were one lifter shy found a way to battle their way to second in the team standings at the end of the day. The Gorman girls (24 pts) finished behind 3A Clyde (48 pts) for the second week in a row and just ahead of 3A West (23 pts).

The Lady Panthers placed all lifters in the top 5 (top five score team points). In the 105 class Tecia Jones lifted a career best 435 lb total for a 3rd place finish. Tecia is currently ranked 6th in the Region among all 105 class lifters from 1A thru 5A and she is ranked 5th in the State among all 1A lifters in her class. April Keaton continued to improve by topping her best total with a 440 lb performance good enough for 3rd in the 114 class. April is currently ranked 12th in the region among all 1A-5A lifters in her class. Megan Lewis made a big jump this week for a season best 535 lb total for a 5th place finish in the 123 class. Megan is currently ranked 10th in the region among all 1A-5A lifters in the 123 class and 9th in the State among all 1A lifters. Sharla Perez did not lift, but she is currently ranked 7th in the region among all 1A-5A lifters in the 123 class and 7th in the State among all 1A lifters. Nikki Keith equaled her career best total of 550 lbs to take 1st place in the 132 class. Nikki is currently ranked 6th in the region among all 1A-5A lifters in the 132 class and she is ranked 8th in the State among all 1A lifters in her class. Kendra Swanner totaled 660 lbs for a 2nd place finish in the 165 class. Kendra is currently ranked 1st in our region among all lifters 1A-5A in the 165 class and she is ranked 3rd in the State among all 1A lifters in her class. Rosa Herrera took 2nd in the 181 class with her best total ever of 660 lbs. Rosa is currently ranked 4th in the region among all 1A-5A lifters in the 181 class and she is ranked 4th in the State among all 1A lifters in her class.

For a girl lifter to qualify for Regional they must (by February 26th) be in the top 12 (1A-5A) of their class or be the highest ranked 1A lifter in the region in their class. To qualify for state the lifter must place in the top 3 at regional (1A-5A) or be the highest placing 1A lifter in their class.

The boys ran into some stiff competition at the meet this past week. Some of the best lifters in the Region I and II were in attendance. Matthew Cogburn took 3rd with a fine total of 510 lbs in the 114 division. Daniel Shirley earned a tie for 3rd in the 123 division with a career best total of 755 lbs. Paul Burt finished 15th in the 148 division with a total of 730 lbs. Gabe Burt took 17th in the 148 division with a total of 720 lbs. Codi Church finished 20th in the 148 division with a total of 650 lbs. There were 28 lifters in the 148 class. Pete Ramirez took 8th in the 181 class with a total of 1060 lbs. David Ibarra took 11th in the 181 class with a total of 1010 lbs. Zachary Bryan took 15th in the 181 division with a total of 950 lbs. There were 25 lifters in the 181 class. Seth Johnson finished 5th in the 275 class with a career best total of 1155 lbs. In regional standings for the boys for class 1A-2A: Matthew Cogburn is currently ranked 12th in the 114 division, Daniel Shirley is currently ranked 6th in the 123 division, Gabe Burt is currently ranked 28th in the 148 division, Paul Burt is currently ranked 29th in the 148 division, Codi Church is currently ranked 40th in the 148 division. Aaron Keith is ranked 29th in the 165 division, Pete Ramirez is currently ranked 7th in the 181 division, David Ibarra is ranked 12th in the 181 division, Zach Bryan is ranked 14th in the 181 and 15th in the 198 divisions. Seth Johnson is currently ranked 5th in the 275 division.

For the boys to qualify for regional they must (by February 26th) be ranked in the top 10 of their class among all 1A and 2A lifters. To qualify for State they must place in the top 2 at regional.

The Gorman Powerlifting teams will travel to Perrin-Whitt this Saturday (Feb 4th) to participate in the 2nd Annual Pirate Powerlifting Meet. Lifting will begin around 9:00 am. If you can, our kids would love for you to come out and support them.

## GISD receives a Greenhouse and Brush/Tree Limb Chipper

The West Central Texas Council of Governments, the United States Department of Agriculture (USDA) Rural Utilities Service Office (RUS), and Home Depot, Inc. have partnered together to provide independent and cooperative school districts (ISD/CISD) within a city of 10,000 or less population with funding grant that promotes a non-point source pollution prevention project by utilizing a brush chipper and greenhouse. WCTCOG honored 14 ISDs with the grant award totaling over \$2,100.00 in equipment per district. Delivery of said equipment occurred for six ISD/CISDs in November 2005, six in January and one in April 2006.

Yard waste via brush and tree limbs are approximately 15% of the solid waste stream. This project assists community school districts to reduce the costs, involved with collection, transportation and disposal of this useful material. Mulch can be used as a soil amendment for vegetable and flower gardens. The mulch is also very useful around trees and shrubs since it helps retain moisture. For the West Central Texas region moisture retention is very important due to this area being an arid-prone area.

Shawn Boles and members of one of the GHS Ag classes watches the demonstration of the new brush chipper.

# Kokomo News

By Zelda Jordan

## COMMUNITY MEETING

There will be a community meeting on Friday night February 3 at 7:00 p.m. to discuss what kind of building we need to replace the Kokomo Community Center that burned on January 1. The meeting will be held in the home of Zelda Jordan. Every one in the Kokomo Community and anyone who is interested is urged to attend. We need to have a building constructed as soon as possible so we can be assured of a place to have the Kokomo Homecoming and lunch on May 6, 2006. New benches to be used at the tabernacle at the Simpson Cemetery will have to be purchased as the benches were stored in the 4-H building and were destroyed in the fire. The community center was insured and that will be a great help in replacing the building. Please come and help make the decisions that need to be made.

Rev. Jim Haggard of Strawn will preach at the Kokomo Baptist Church on Sunday, February 5, 2006. Visitors are always welcome.

Rev. Ken Smith of Eastland preached at the Sunday morning services at the Kokomo Baptist Church on January 29, 2006. His sermon was "He Is Able To Deliver Thee" using several different scriptures. In the Christian's war against Satan, the Christians are the light fighting against darkness and though Satan will do everything that he can to destroy the church and individuals, the spirit of God is in our midst, and as Jesus was triumphant over Satan, we also can be because the same power that God used to raise up Jesus, He will use to raise us up to show forth the light of His love in this community.

Other visitors were Mrs. Esther Smith and son David of Eastland, and Raegan Bond of Copperas Cove. The special music "Sweet Hour of Prayer" was beautifully rendered by Helen and Woodrow Browning.

An aunt, Faye Austin, and a cousin, Donna Brinkley, of Abilene visited with Bobby and Mary Jane Little on Sunday afternoon and brought 150 hymnals to the Kokomo Baptist Church, donated by the First Baptist Church of Abilene.

Many donations have been given to the Kokomo Baptist Church and we say thank you to each and every one from the bottom of our hearts. May God Bless you and repay your kindness in His way.

Jimmy and Verna Lee Little and Zelda Jordan attended the fifth Sunday singing at the Desdemona Baptist Church on Sunday night. A large crowd attended and the singing was very good. It makes our hearts glad when we can meet and worship our Lord together as we lift our voices in song.

Joe and Glynda Bond met Stephanie, Raegan, Sydnie and Joey Bond in Goldthwaite on Tuesday and Sydnie returned home with Joe and Glynda for a visit. Stephanie, Raegan and Joey came on Friday for a visit and Raegan remained for a visit with Joe and Glynda until Sunday when Joe and Raegan met Stephanie, Sydnie and Joey in Goldthwaite so Raegan could return home.

Jimmy and Verna Lee Little attended their granddaughter, Breckley Little's Elementary basketball game in Eastland on Saturday. Breckley's team won by 2 points.

Delmon Eaves spent the weekend in Ennis with Deliah, Randy, Chris and Jon Lewis and helped Jon celebrate his 13th birthday at a party at their home on Sunday afternoon. Delmon also visited with his sister, Verna Laminack, and Joe and Marilyn Pillow in Joshua.

Ima Boles of Granbury entered Heritage Manor at Gorman on Sunday afternoon to recuperate from knee replacement surgery. We wish her a speedy recovery.

Bobby and Mary Jane Little visited with her.

Recent visitors with Jimmy and Maggie Nelson at their Carbon home were Travis, Gladys, Alexis, Tiffany and Ethan Nelson of Fort Worth and Mike, Kathy, Jacob and Lauryn Westbrook of Azle.

Zelda Jordan and Cassie Brasher were in Abilene on Monday for Zelda's eye check-up and enjoyed lunch at Furr's Cafeteria. The eye check-up was very good.

## CASSIE AND DAVID BRASHER HONORED WITH HOUSE-WARMING

Cassie and David Brasher, who lost their home in the January 1 fire, was honored with a housewarming on Saturday, January 28 from 4:00 to 6:00 P.M. at LaMancha Lake Ranch, Lake Leon at the Depot building, hosted by the Gunsight Baptist Church.

# Gorman EDC Minutes

Recently the Ag Dept at Gorman ISD received a grant from The West Central Texas Council of Governments, the United States Department of Agriculture (USDA) Rural Utilities Service Office (RUS), and Home Depot, Inc. The grant was for a small greenhouse and brush chipper. The students will have the opportunity to develop various skills with these new items. Mr. Boles has done a great job teaching the kids to grow and maintain vegetation, and this grant will enable him to expand his program, adding additional projects for the students.

Gorman EDC also received a new \$6,000 grant from WCTCOG for a recycling trailer. The EDC will partner with GISD to build a program of waste reduction and recycling education for not only the students but the community. There will be more details in the spring. We hope to have the project details lined out by the annual spring Community Clean-up and Great State Trash-Off highway litter pick-up.

Thanks to all of you who asked about a recycling effort for our community. This will be a great start. Please contact Lori Dodd if you have suggestions or would like to help with the recycling program. I can be reached at 734-3933 or gedc@cctc.net.
