## Carolyn Bolt Announces Candidacy For County Clerk

I, Carolyn Bolt, want to be your County Clerk. I announce this plainly and with a positive spirit. As most of you know, I have spent many years in dealing with the public, and have worked in organizations both large and small. I know what it's like to operate in a political environment, in which the players on all sides of an issue may feel passionately, speak forcefully and yet can still yet can still work together. In such an environment people sometimes lose their cool, and yet in Eastland County you can still ordinarily rely on some basic measure of truthfulness and good faith in the conduct of political debate. I promise to conduct myself in this way without fanfare or arrogance. I promise to be focused and consistent in carrying out the duties of the County Clerk. Integrity and commitment are not just words to me. I won't let you down.

My husband John and I love and appreciate Eastland County. We both have served with others here on projects and endeavors to improve our County and I pledge to continue to do so when elected. We have two sons of whom we are very proud. Their families have blessed us with two very special grandchildren.

I am a life-long resident of Eastland County. My wife, Frances, is also an Eastland County native. My three daughters and their families reside here. I have three grandchildren, and 3 great-grandchildren,

whom I thoroughly enjoy! I enjoy all of the challenges I have taken on in this position! I derive satisfaction from doing the best job that I can for my constituents, as well as the people who pass through this fine county!

Every component of the judicial system needs to stay current on trends and changes in the laws that we are expected to enforce, and the rules governing the administration

## Randall Logan Asking For Your Vote For County Judge

My name is Randall Logan, and I am requesting your vote for Eastland County Judge in the Republican Primary on Tuesday, March 7. I have served Eastland County and the 91st District Court for nearly 22 years as an Adult and Juvenile Probation Officer and for the last 15 years as Director of the Eastland County Community Supervision Department.

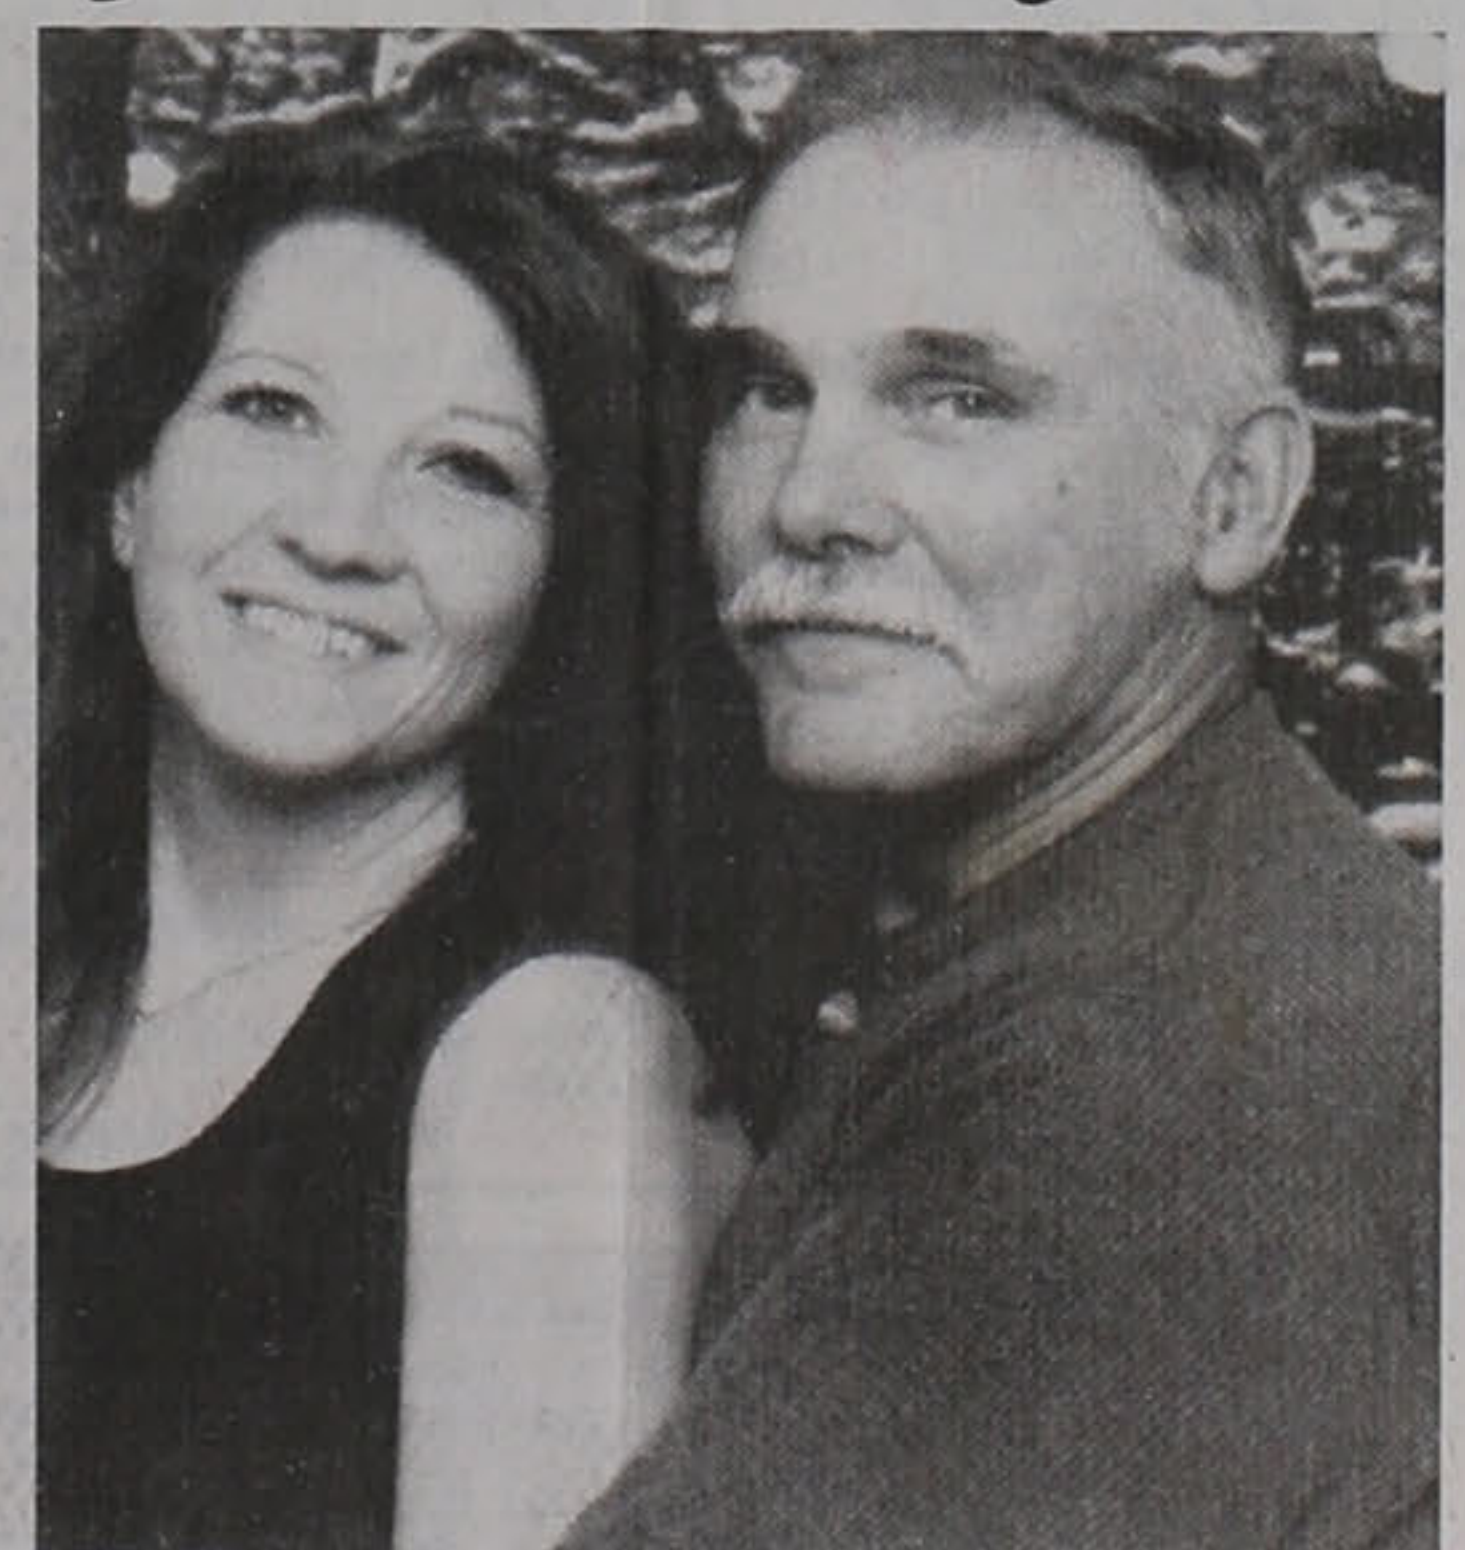

My desire as county judge would be to meet the needs of the people of Eastland County in a responsible and economically sound manner. I have no preconceived programs that I wish to inflict on Eastland County and I would allow the citizens and commissioners to set the agenda for the commissioner's court in a spirit of cooperation that will best serve the entire county.

My personal experience includes raising a family in this county. All of my children have graduated from high school here. My wife recently retired from teaching in the Ranger and Eastland School Districts and is currently serving as the librarian with the Centennial Memorial Library. I have been active in youth sports as president of Little League for two years, president of flag football for four years and helped coach in Little Dribblers and girl's softball. I am active in the Eastland Rotary Club and my church. I have been a volunteer at Northview Development Center in an advisory capacity for 20 years. I proudly served in the U.S. Army 1966-1968 including a tour of Duty in Vietnam as a Combat Medic with the 9th Infantry Division.

I pledge that I will be a full time administrator and judge. The only business that I will operate will be the business of Eastland County. Early voting at the courthouse in Eastland will continue until March 3. Voting in Gorman will take place on Tuesday, March 7 at the Gorman Senior Citizens Center. I will appreciate your vote.

of justice in our courts. I may not advertise, but I have strived to remain current through annual classes and seminars, of which are required, and I have gladly done so each and every year. I want everyone to know that I accepted this position as a full time job and I am at my office 40 hours per week. I have not ever and never will not spend any time that is supposed to be for the citizens doing anything other than serving the people! I

would also like to remind everyone that the JP 1 office handles a lot of money and is responsible for taking care of those funds.

*Based on my experience, training, and temperament, I believe that I am the most qualified candidate for this office. I respectfully ask for your vote! Thank you for taking the time to read this article and for voting in the Democratic Primary on March 7th!*

# Gorman Softball Tournament Rained Out

As usual the Annual Gorman Softball tournament was altered by rain. It seems like every year rain causes either games or the whole tournament to be canceled. This year however the rain is a welcome site and we won't complain about it one bit. Before the rains affected the games the Lady Panthers were able to get in 2 and 1/2 of its games. The Ladies lost the opener to Dublin by a score of 1 to 11. That game was played Thursday and was moved to Dublin since their field was completely dry. On Friday the Lady Panthers got back on track by defeating Perrin-Whitt by a score of 10-0. The Lady Panthers got through half of the next game as they were leading the Dublin JV by a score of 3 to 0.

In the Dublin game Megan Lewis was 1 for 3, Audrey Johnston was 2 for 3, Kendra Swanner was 0 for 3, Nikki Keith was 2 for 4, Kristy Carlton was 1 for 2, Brandy Carlton was 1 for 2, Rosa Herrera was 0 for 2, Reba Granado was 1 for 2 with 1 run scored, and Tecia Jones was 1 for 2 with 1 RBI. The Player of the Game for the Lady Panthers was Tecia Jones who was 1 for 2 with 1 RBI and made a good play in the outfield holding a runner to a double on a ball that was hit well enough to be a triple.

	1	2	3	4	5	R	H	E
Gorman	0	0	0	0	1	1	7	4
Dublin	0	0	7	1	3	11	13	1

In the Perrin game Audrey Johnston was 2 for 4 with a run scored, an RBI and 2 stolen bases. Megan Lewis was 2 for 4 with an RBI, a run scored, and 4 stolen bases. Nikki Keith was 2 for 4 with 2 runs scored, an RBI, and 3 stolen bases. Kendra Swanner was 3 for 4 with 2 runs scored and 2 RBI's. Kristy Carlton was 2 for 2 with 1 run scored and 2 RBI's. Brandy Carlton was 1 for 3 with a run scored. Val Longoria was 2 for 3 with 1 run scored, 2 RBI, and a stolen base. Rosa Herrera was 2 for 3 with a run scored and a RBI. Kendra Swanner pitched 6 innings giving up no runs, 1 walk, 1 hit, and struck out 10 batters.

	1	2	3	4	5	6	R	H	E
Perrin	0	0	0	0	0	0	0	1	3
Gorman	2	0	6	0	0	2	10	16	2

Before the Dublin JV game was called due to rain the Lady Panthers were playing well. Audrey Johnston was 1 for 2 with a double, a stolen base, and a run scored. Kristy Carlton was 1 for 1 with a run scored. Brandy Carlton was 1 for 1 with a run scored, a stolen base, and a RBI. Val Longoria was 1 for 1 with a RBI and a stolen base. Kendra Swanner struck out 9 batters out of 10 she faced with the only base runner for Dublin having reached on a hit by pitch.

The Lady Panthers next game will be against Evant on Tuesday February 28th (we will have played it by press time). After that, the Lady Panthers will open District 6-A play when they take on one of the favorites to make the play-offs in the Albany Lady Lions. That game will be in Albany at 4:30 on Tuesday March 7th.

## Super Notes

By David K. Perry  
dperry@gorman.esc14.net  
734-3171

I don't know if we will ever get enough rain, but I certainly know the farmers and ranchers in the area were thankful for what we did get. I know most folks need a down pour to refill their stock tanks and hopefully this spring we will get all we need. I just hope we can work it in around baseball, softball, and track. Oops, I forgot golf and tennis. They need sunshine too.

Speaking of rain, our tournament last weekend was rained out. However, our teams looked really good on Friday, rain or no rain. I watched our girls beat Perrin-Whitt on the ten run rule and the boys were putting Evant away when I left. I think they scored 18 runs in the first inning. It doesn't really matter what the score was. What matters is that both teams showed the potential that they have for the rest of the season. I expect some exciting games this year. Good luck Panthers!

I understand that the Valentine's dance was enjoyed by all that attended. I appreciate the fact that we have students that are respectful and well behaved. I also appreciate the fact that our students know how to have a good time and enjoy themselves without all the bad things you read about and see on television. Our students and their parents are fortunate to have a place like Gorman in which to live where life is simpler and family values are still held in high regard.

Here are some dates you may want to remember:

- 3/2 JH Track @ Cross Plains
- 3/4 Baseball-Here 2:00
- Powerlifting @ Plainveiv
- 3/6 One Act Play Festival @ Ranger 2:30
- 3/7 Band Contest
- Softball @ Albany 4:00
- Baseball @ Here 4:00
- 3/8 Cheer Tryouts
- 3/14 Softball here 4:30

Powerlifting is one of those sports about which you may not be familiar unless you have a student who participates, but it is really something to watch. This year we have experienced a lot of success. We qualified six girls for regional and three boys. Coach Tyson has already written an article to tell you who qualified and will give you details as to where and when regionals will be. I would like to congratulate not only the students advancing to regionals but all of the students that participated. Lifting weights is a great way to prepare for the other sports in which you participate and a good habit to get into now and continue throughout your life to stay fit. Good luck at regionals!

Please check your child's report card over carefully and contact their teacher (s) for a conference if they did not have a 75 or above in any subject. The success of your child is the most important issue at this school and we want to make sure we are doing everything possible to help them succeed. A partnership with you, the parents, is essential! We have to work as a team. So please don't hesitate calling, it is why we are here.

I just want to remind everyone about spring break. We will be out of school the week of March 13 through March 17. There will still be ball games and some limited activity around the school, but we will be closed. For this reason there will probably not be an article the following week. As for that matter, there may not be one next week. I will be helping several other volunteers prepare brisquets for the Heroes and Survivors of the Eastland County fire Benefit to be held at ZJ's Monday the 6th. Don't miss it!

I always feel like I am forgetting something or someone each time I submit this article for publication. If I missed any event that you would like to have seen covered, please let me know. It takes community involvement for a school to be successful and you are welcome to get involved at Gorman ISD anytime. Remember, this is your school; these are your children; and these children are your future! Come help us shape the future.

## EDC TALK

### Gorman Economic Development Corporation To Receive Two New Grants For Downtown Improvements

Recently the Gorman EDC applied for grants with both the Texas Department of Agriculture and the Leon-Bosque RC&D and received word this past week from both agencies that Gorman will receive both awards March 1st. The TDA grant is for Rural Beautification. Total grant amount, including Gorman's in-kind donations and cash match will be \$13,670. These grant funds will be used for buying benches and nice, sturdy trash receptacles in the downtown area, as well as decorative lamp poles and flags.

This is a highly competitive grant offered to rural communities by TDA. Grants are awarded on a point system. Gorman scored 70 out of 80 points. Our high score can be attributed to the wonderful show of support from local civic organizations and school system. The Gorman Chamber of Commerce, Gorman Lions Club, Masonic Lodge, Gorman GROW, Keep Gorman Beautiful, Gorman ISD, and the City of Gorman all donated cash and labor to help implement the project.

The Community Improvement grant offered by Leon-Bosque RC&D (Resource, Conservation & Development) Council is for \$2000. It is a 1:1 match and can be both cash and in-kind services, as well. The EDC will use this grant as seed money for the TDA Rural Beautification grant to get that project started. This is our second Leon-Bosque RC&D Council Community Improvement grant. In 2001, we received funding for the water fountain and paint/repairs for the downtown park playground equipment. Gorman GROW provided labor and \$250 cash toward the grant.

# Lady Panthers Take 1st At Strawn Powerlifting Meet

The Gorman Powerlifting teams competed at the Strawn Powerlifting meet this past Saturday to complete the regular season and did so with the Lady Panthers taking 1st place in team standings. The Ladies blew away the competition by posting 35 points which stood out compared to the 14 points in second place. The boys finished 13th out of 24 teams. Competition was at its highest with most lifters fighting for a qualifying spot for their respective regional meets. With 27 schools competing at the meet, 4 of the 6 regions in Texas High School powerlifting where represented. Teams traveled from as far as 3 1/2 hours away to take their last shot at regional.

All of the Lady Panthers placed at the meet within their respective weight classes. Tecia Jones took 2nd place in the 105 division and improved her total for regional standings by totaling her career best of 440 lbs. April Keaton took 2nd in the 114 division with a total of 445 lbs. Megan Lewis earned 2nd place in the 123 division and improved her regional standing with a career best total of 600 lbs. Sharla Perez also hit a career best and improved her regional standing by totaling 595 lbs and she finished 3rd in the 123 division. Nikki Keith improved her regional standing by totaling a career best 560 lbs for 3rd place in the 132 division. Kendra Swanner took 1st in the 165 division with a total of 680 lbs. Rosa Herrera had the best day of her lifting career by totaling an amazing 720 lbs for 1st place in the 181 division while also improving her regional standing.

On the boys side, Matthew Cogburn finished 8th in the 114 division with a total of 520 lbs. Zach Bryan finished 8th in the 181 division by totaling 955 lbs in his last meet as a Gorman Panther. Pete Ramirez took 2nd in the 181 division by totaling a best ever 1125 lbs. Seth Johnson took 3rd in the 275 division with a total of 1170 lbs.

Once again the Panthers and Lady Panthers had a very successful season. Some will have a chance to move on to regional and possibly state. I know the kids worked hard all year and improved so much each week. We look forward to next season and we look forward to even more lifters competing on our teams. The season saw the boys take 1st at the Gorman Meet and 3rd at the Perrin meet. The girls took 2nd at Gorman, 3rd at Clyde, 2nd at Dublin, 2nd at Perrin, 1st at Winters, and 1st at Strawn. Congratulations on a great year! Boys: Seth Johnson, Pete Ramirez, David Ibarra, Zach Bryan, Gabe Burt, Daniel Shirley, and Matthew Cogburn. Girls: Rosa Herrera, Kendra Swanner, Nikki Keith, Sharla Perez, Megan Lewis, April Keaton, and Tecia Jones.

## Carolyn Bolt Announces Candidacy For County Clerk

Continued From Page One  
Eastland their home for over 40 years. Many of you knew by dear sweet father G. A. White who was very active in this community. My husband's parents, Donald and Esther Bolt, also made their home in Gorman. Being active in the community comes naturally to me as I was raised that way. I proud to make my home in Eastland County. I am a graduate of Putnam High School and continued my education at North Texas State University in Elementary Education. I worship at the First United Methodist Church in Eastland and am active in Community Bible Study. Playing the organ and piano for churches and other groups has given me great pleasure.

I have been a legal assistant for ten years and am currently employed in the Criminal District Attorney's Office. Through daily contact with the general public, attorneys, local businesses and other

courthouse offices, I have demonstrated an ability to work with others and to get things done.

I gave careful consideration to entering the race for County Clerk and am confident that I can and will make a difference in this office through courtesy, honesty, integrity and commitment. I will strive for professionalism and will not hesitate to roll up my sleeves and work as hard as anyone else if not harder. Those who come to seek information or record documents will be met courteously and with enthusiasm.

I look forward to getting out and visiting with you during my campaign. Should you wish to discuss my qualifications, ideas or have questions in general, please do not hesitate to contact me at my home. My number is 629-3272.

May I please have your vote? I want to be your County Clerk.

## Rocky Maynard Candidate For Justice Of The Peace, Pct. 1

Continued From Page One  
Association, and helping with the Eastland Little League Association, Eastland Teenage Baseball Association and Flag Football.

After 25 years of service, I retired from Southwestern Bell Telephone Company in 2003. I had plans of relaxing and enjoying my family, but I have found myself wanting to continue to be involved in the community service.

For nine years I served on the Eastland ISD Board of Trustees. During that time, we were responsible for interpreting and implementing school law and policies, planning and carrying out construction projects, as well as, over-seeing multi-million dollar budgets. As a part of my commitment to my service, I attended special training and kept current on new school law and school board member's responsibility and duties.

As I served the school system then, it is time to serve my county now. Although I can not say I have a background in law enforcement, I can give my word that I will be fair, honest, and unbiased as I perform the duties of the Justice of the Peace. I am willing to be available to the people 24 hours a day 7 days a week. I will bring a fresh new energy to this position. I am eager

to learn and I am not afraid of working hard. It will be my goal to represent the people of this precinct with honesty and integrity.

I believe that a desire to be involved in the community service comes from within. It is about someone's character, and commitment, it's where their heart is. My heart is in Eastland County. My wife and I chose to live here, raise and educate our children here, and now our grandson. We are members of the First Baptist Church, Eastland, and I serve as a deacon, Sunday School Teacher, and a member of the New Multi-Purpose Building Team. My wife has been the church secretary for First Baptist, Eastland for 18 years. We work here, we shop here, we worship here, and I am asking you to allow me to serve you HERE in OUR HOME.

Please go to the polls on Tuesday, March 7, and elect me, Rocky Maynard for your Eastland County Justice of the Peace, Precinct 1. Thank you for taking the time to read this article and for voting! I really appreciate your help and support!

## Port Security Deal Raises Red Flags

Like most of you, I was surprised to learn that a state-owned company based in the United Arab Emirates (UAE) was approved to manage a number of terminals at several U.S. ports. Port management entails unloading cargo containers and then holding the containers until they are hauled out by trucks. The U.S. government would remain in charge of security at the ports and the vast majority of port workers would be U.S. citizens.

President Bush has announced that there is now going to be a 45-day investigation of the deal. This is a good decision, and I also welcome further Congressional hearings that will help determine if this is good deal for national security. In fact, one of those hearings will be held by the Financial Services Committee, a committee of which I am a member. As I prepare for this hearing, I will take the following items into consideration.

President Bush has a track record of making the right decisions when it comes to national security. So the fact that he is defending this sale should not be overlooked. The UAE has also been a strong ally in the War on Terror. It has sent soldiers to fight along American troops in Afghanistan and has been instrumental in "freezing" financial assets of terrorist organizations. And the UAE has contributed \$100 million in humanitarian assistance to help Hurricane Katrina recovery efforts. Furthermore, because the business records will be kept in the UAE, our intelligence community will be able to access these records, which means that we can look into the backgrounds of the company's employees on demand.

However, I have some serious concerns with this deal. I am still worried by the UAE's previous ties to terrorism. I am also troubled by the fact that the UAE has not officially recognized Israel's right to exist as a free and independent country. Yes, the UAE has shown improvement in recent years, but in the post-September 11 world in which we live, there is very little room for error.

So we must ask ourselves the following question: Do we want to take this chance? I think the congressional hearings will help educate members of Congress as well as the nation so that we can answer this question knowing all the relevant facts. In the end, this will come down to the effect this deal will have on U.S. security in the future, not what the UAE has done in the past. That is what I will be paying attention to during the hearings, and as I make my final decision.

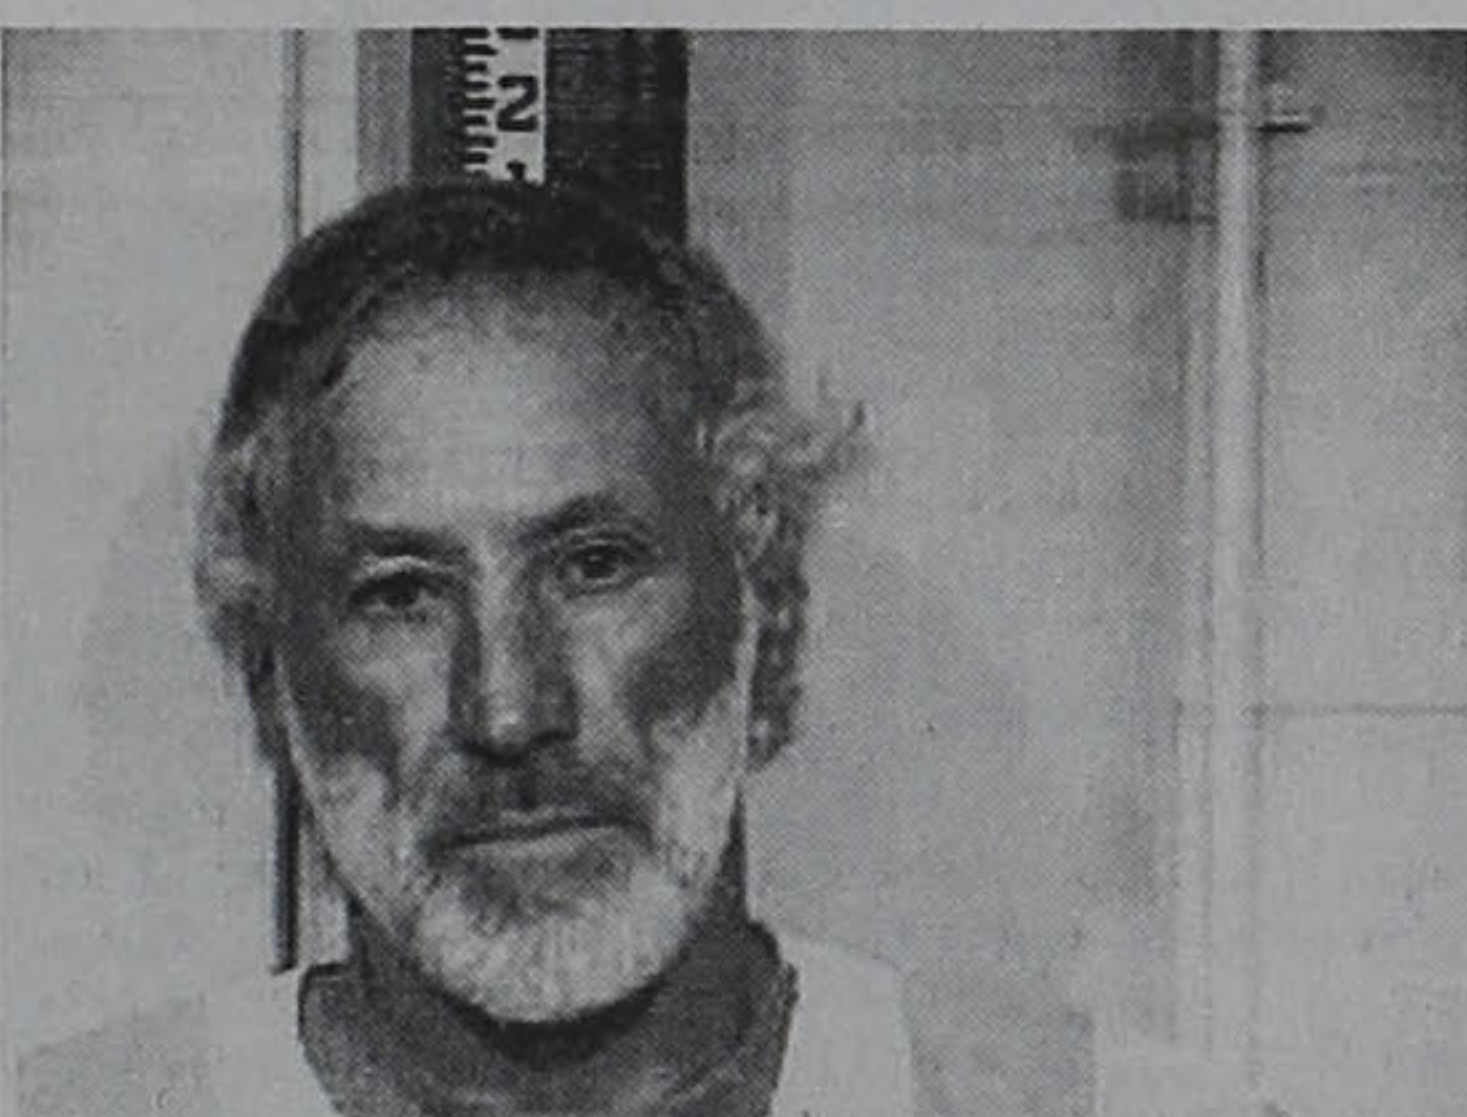

## Reminder of Important Deadlines

There are several important deadlines that folks should mark on their calendars. March 13 is the final day for those who experienced losses due to recent wildfires to sign up for individual FEMA assistance. Victims can register by applying online at [www.fema.gov](http://www.fema.gov) or by calling FEMA toll free at 1-800-621-FEMA (3362) or TTY 1-800-462-7585. Also, farmers and ranchers in Callahan and Eastland counties can sign up for Emergency Conservation Program (ECP) assistance from March 1 through April 28. ECP is a cost-share program to help restore fences and rehabilitate farmland damaged by fires.

## Man Gets 60 Years and \$10,000 For Possession of Meth With Intent To Deliver

JOE MACK BREED, 53, formerly a city of Ranger resident, is now an inmate awaiting transfer to state prison to serve a 60-year sentence for the Possession of Controlled Substance, Methamphetamine, 4 grams or more but less than 200 grams with the intent to deliver.

A Cisco Police Officer stopped and detained Breed based upon a felony Motion to Revoke probation warrant. Breed had previously been placed on probation for the felony offense of Theft, \$1500.00 or more but less than \$20,000. A search was conducted on the truck-tractor that Breed was driving and officers found approximately 15.39 grams of Methamphetamine. Breed was ultimately indicted in November 2005 after presentation of the case to an Eastland County grand jury by Criminal District Attorneys' Office. Breed had been held in the Eastland County Jail since indictment. Breed had escaped from the Eastland County Jail on December 3, 2005 but was apprehended minutes after having had escaped.

An Eastland County jury of twelve citizens returned a verdict of guilty against Breed on February 22, 2006, after hearing two days of testimony. During closing arguments on punishment, Assistant Criminal District Attorney Brenda Seale Gray asked the jury to send a message with their verdict that the delivery of methamphetamine will not be tolerated in Eastland County. Approximately a little over an hour later, the jury came back with punishment on the intent to deliver charge set at 60 years confinement with a \$10,000 fine.

The Honorable Judge Steven Herod presided over the proceedings and formally sentenced Breed in the presence of the jury. Defense Attorney Patrick Fleming represented Breed. Assistant Criminal District Attorney Brenda Gray and Criminal District Attorney Russ Thomason prosecuted the case.

Thomason expressed gratitude for the efforts of the arresting officer and the Cisco Police Department in shutting down another drug dealer. Thomason gave special thanks to DPS Sgt. Danny Crawford of DPS Motor Vehicle Theft, the Stephens County Sheriff's Office and the Eastland County Sheriff's Office for their assistance in the investigation and presentation of the case. Thomason was very complimentary of the jurors who were selected in this case, stating "The jurors listened very attentively to the evidence in this case and sent a very clear message to those who are dealing in illegal drugs...if you bring it here, you are going to pay for it with a long prison sentence."

# Kokomo News

By Zelda Jordan

Wasn't the rain wonderful that we received on Friday and Saturday? The answer to our prayers. Around two inches fell here in the community. And I heard a report or two of some small hail during the thunderstorm that came through Friday night. The wind was real high on Monday, but at least the sand and "black stuff" didn't blow, thanks to the rain. Let's keep rain in our prayers as we need a lot more to bring the grass up and stop all the fire danger.

Bro. Jim Haggard of Strawn preached at the Kokomo Baptist Church on Sunday, February 26th. My apology to James Hunter and Bro. Haggard for having the wrong name in last week's paper. I was given the wrong information.

Judy and Sarah Porter and Scarlett Torres of Austin visited on Sunday with Oren and Norma Webb. They had lunch at Rafter H BBQ in Eastland to celebrate Norma's birthday.

Margie and Gary Bragg of Comanche visited with Betty and Larry Strube.

Joe and Glynda Bond visited in Copperas Cove with Shannon, Stephanie, Raegan, Sydnie and Joey Bond and Raegan and Sydnie returned home with them for a visit. Glynda, Raegan and Sydnie met Stephanie and Joey in Goldthwaite on Friday for the girls to return home.

Glenda Black of Abilene spent Tuesday night with Zelda Jordan. Norma and Oren Webb visited with Zelda on Monday.

Kenneth and Maggie Eaves of Eastland visited with Delmon Eaves. Oren and Norma Webb visited with Woodrow and Helen Browning.

Several in the community have been "under the weather" with cold symptoms during this past week, including this correspondent. Remember us, and all others who are ill, in your prayers.

Desdemona Monthly Musical was held last Saturday night at the Community Center. We appreciate all the musicians, singers and visitors that attends each month. There was several out of town visitors. Thanks to all the ladies that donate food each month for the Concession Stand.

Desdemona Firemen Benefit will be held on Saturday, March 25 at the Community Center School Gym. The benefit will be in connection with the regular monthly musical. Stew and cornbread will be served by donation only. Serving time begins at 5:00 p.m. followed by Country and Western music at 6:00 p.m. Make plans to attend and show your appreciation for our local firemen.

Justin and Rachael Stanford, missionaries from Indonesia were guests speakers last Sunday at the First Baptist Church in Desdemona. A covered dish luncheon at the Church Annex was served following the morning service.

There is a lot of sickness in our area at the present time. Colds, pneumonia, sinus, respiratory problems and some recovering from surgery. Remember the sick and shut-ins with your cards and prayers.

Dorothy Roberts is in the Harris Southwest Hospital in Fort Worth recovering from a recent heart attack. She is resting and much better at the present time.

Clyde Wright of De Leon is recovering from recent hip replacement surgery. She attended school in Desdemona and graduated with the Class of 1928.

"Hello" to Dixie Pack in De Leon. We missed you last Saturday night at the Desdemona Musical. Hope you are feeling better.

"Hogtown" area received 2 inches of rain on Friday thru Saturday morning. Every drop appreciated after being so dry for months. Continue to pray for rain.
