# **Community Thanksgiving Service** Set For Sunday, November 20th

The Community Thanksgiving Service for Gorman and the surrounding area will be held at the First United Methodist Church on Sunday evening, November 20 at 6 P.M.

This is a time for the entire community to come together and, like our Pilgrim fathers, gratefully acknowledge the blessings that we enjoy which have been purchased by the shed blood of our Savior.

A time to share food and fellowship with your neighbors will be provided in the Methodist Fellowship Hall immediately after the service. Please come and join in this celebration.

# JUNIOR HIGH GIRLS BASKETBALL

# Hog Validation Panthers Have Two Listed **On All-District Teams**

Two Gorman Panthers earned all-district honors for their play in district 13-A this season.

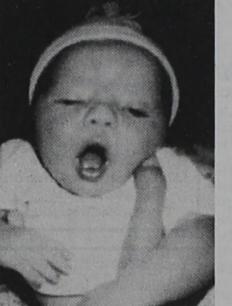

Senior Zachary Bryan was named 1st Team All-District Guard for the third year in a row and was also named 1st Team All-District Defensive Lineman for the second year in a row. Zachary led the Panther offensive line that averaged 200 yards rushing per game and 275 yards of offense per game. Zach also finished second on the team in tackle with 69 including 2 sacks, 1 fumble re-

Junior David Ibarra was the second member of the Panthers to make the If you show under Gorman FFA All-District team. David earned 1st Team All-District Linebacker honors. David led the team in tackles with 96 including 1 sack, 1 fumble recovery and 5 caused fumbles. Congratulations to both of these fine young men on their honors.

The Goldthwaite Eagles which went 5-0 in district play, placed the most on the all-district team with 18 players filling 25 slots on the first and second teams of offense and defense. That meant that all offensive starters and all defensive starters made either first or second team all-district. Ranger filled the next most all-district slots with 15 followed by Baird at 12, Evant 8, Cross Plains 6, and Gorman with 3 slots.

David Ibarra was unavailable for photo.

Claire McGlothin is proud to announce the arrival of her son Cas Wyatt McGlothin.

He was born at 11:07 p.m. on November 10, 2005. He weighed 7 lbs. and 4 oz. and was 21 inches long. at birth. Wyatt is welcomed by his grandmother, Rebecca Cook, great-

grandparents, Vernon and Shirley

Crain, Aunt Heather, Bubb, and lots

of cousins.

The Gorman Lady Panthers traveled to Evant for their season opener last Friday, November 11th. The JV girls beat the JV Lady Elks 38-20, and the Varsity Girls toppled the Lady Elks 48-26.

Evant's "big threat" on varsity was held to two points thanks to the efforts of Kristy Carlton and Kaci Seaton, allowing Kendra Swanner free reign of the back side with a performance of 17 rebounds and 16 points. High pressure defense in the front court led by Nikki Keith and Jessica Panter wore down the Lady Elks as the Lady Panthers took the game to another level. Freshmen Audrey Johnston and Valorie Longoria combined for 20 points proving their confidence on fast breaks.

The coaches are proud of the hard work and inspiration all these young ladies have to offer the Gorman Athletic Program.

# **Cubs Win District**

The showdown between the Gorman Cubs and the Goldthwaite Eagles took place Nov. 3 at Brogden Field in Gorman. The Cubs entered the game undefeated and the Eagles defense had not allowed a score in district. Something had to give. The Eagles started the scoring in the 1st quarter on a reverse. Gorman then answered with a 51 yard touchdown run by Tyler Johnson. Johnson then put in the 2 point conversion to give the Cubs the lead 8-6. The Eagles then drove down the field, Goldthwaite was able to convert an important fourth and five to score and take the lead, 14-8. Gorman then drove the length of the field to score on a Cameron Clark 4 yard touchdown run late in the second quarter. Gorman and Goldthwaite went in at halftime tied 14-14.

In the second half the Cubs defense put the clamps on the Eagles only allowing 3 first downs the entire second half. The Cubs offense sustained a long drive that used most of the 3rd quarter, and scored on an Ernie Rodriguez 4 yard touchdown run. Tyler Johnson punched in the 2 point conversion to give the Cubs a 22-14 lead. Justin Little made a great run on the drive going around end for a 38 yard keeper that kept the drive alive. Both teams exchanged turnovers in the fourth quarter, the Cubs were finally able to run the clock out on a couple of key 1st down runs by Tyler Johnson.

result of many hours, and days, of cleaning and, of course, decorating, as only Coon Guthery can do it. (A true labor of love!) Many thanks to all these willing hands and aching backs!!

Then, there were the busy last minute preparations. Larry and Gay Moore cooked the turkeys, and several ladies hurried in Saturday morning to do all the last minute things that needed to be done. There were many errands to run, and pies and other foods were brought in. Many thanks to all these loyal workers who stayed for hours!!

We thank all the generous people and businesses who donated supplies and food, because without these, this could not happened. We thank all the friends and neighbors who came to share in this delicious dinner. We thank our local newspapers for their support. We thank everyone for supporting us in all our efforts.

Most of all, we thank the LORD for allowing us to live in this country, land of the free!

# **Thank You To Gorman**

I would just like to start out by saying that the people in Gorman are wonderful. We were set up as vendors at the Doodle Bug Train Festival in October. My daughter was out playing with a group of kids and tripped over her foot, fell and broke the femur above her knee, across the growth plate in her left leg. There was a tremendous response from the people there. Dr. Dan, who has my thanks for coming out at night and doing everything that he did, stabilized her with a splint and helped get her as comfortable as possible. There was also a Spanish man, whom also I give a big thanks to, for making my daughter as comfortable as possible in the situation by sitting under her head the entire time.

We appreciate you very much. Also, to the lady whom I believe was a nurse, helped the doctor splint her leg. Last but not least the teacher who occupied my daughter, kept her calm as well as myself, My husband and I couldn't begin to tell you how much we appreciate the help from those who helped pack everthing up so that he was able to get to the hospital to be with us. Brittany had surgery on her knee the next day. The doctor was able to align the break perfectly. We are expecting a 100% recovery. She is doing great and sends her thanks to everyone in Gorman. This is an example of how a small community comes together in a time of need, for people they didn't even know.

We will always be grateful to the people of Gorman Texas.

Thank You, Lisa, Gary & Brittany

# Several Lady Panthers Volleyball Members Make All-District Team

The Lady Panther volleyball season came to an end after a hard fought out season. The Lady Panthers ended their district with a 6-4 record. During the season the Lady Panthers overcame some great obstacles.

Nikki Keith and Kendra Swanner did a great job as co-captains of the volleyball team. Nikki Keith led the team in assists and saves, while Kendra led the team in kills. Nikki and Kendra received Second Team All-District for District 11A.

Kristy Carlton, Kaci Seaton, and Rosa Herrera stepped up their game to help the Lady Panthers gain their first ever winning season. Kristy Carlton led the team in serving points and blocks. Kristy received

First Team All-District.

Nicole Cogburn, Tecia Jones, and Megan Lewis gained valuable experience on the varsity squad. Tecia and Megan received Honorable Mention for the district.

Audrey Johnston and Lindsey Laminack was able to help the Lady Panthers in their 5-0 district season at home. Audrey Johnston received the Newcomer award for District 11A. The Lady Panthers would like to thank Holly Wright and Brandy Carlton(disabled list) for all of their help and hard work for the team.

Rev. Clarence and Leona Wilson To Mark 50th Anniversary

The Cubs completed a perfect season with a great victory over a very worthy adversary; it was a very fitting end to a great season. The offensive line consisting of John Flores, James Brown, Taylor Chew, Alex Giles, and Jose Velasquez, did a great job opening up holes for the backs and controlling the line of scrimmage. Defensive standouts for the game were Tyler Johnson, Ernie Rodriguez, Taylor Chew, and Keifer Wilson. Tyler Johnson caused a critical fumble late in the game that was recovered by Ben Burgess.

It was a fitting end to a great season, to put the Cubs domination in perspective, the Cubs were only forced to punt 1 time all season. The Cubs finish the year 9-0, thanks to all the fans that supported the Cubs from start to finish. The coaching staff is very proud of the effort and hard work the kids put into this great season, and look forward to their continued participation in the future.

# 8th Grade Cub Basketball

On Saturday November 12th the Gorman Cubs went to participate in the Perrin- Whitt Tournament this marked the first action for the Cubs this season. The Cubs played well and gave a great effort against some good competition. The 8th grade Cubs finished 2-1 and received a third place trophy for their efforts. The Cubs defeated the Chico B team with some ease. Then they played the Tolar Rattlers in a close match up that saw the Cubs fall 20 - 17. They finished the tourney with a win over the Gorman Cub 7th grade. This brought their mark to 2-1 on the season as they went to take on Albany Monday night.

Those making key contributions in the Perrin Tournament were Taylor Chew, Tyler Johnson, Ernie Rodriguez, Ben Burgess and John Flores.

# **Cubs Defeat Albany**

The 8th grade Cubs basketball team traveled to Albany and defeated the Lions. The Cubs defeated Albany by a score of 15 to 13. this win gives the cubs a 3-1 overall record and a 1-0 district record. Those making key contributions are Alex Giles, Taylor Chew, and John Flores.

# 7th Grade Cub Basketball

On Saturday November 12th the Gorman Cubs went to participate in the Perrin- Whitt Tournament this marked the first action for the Cubs this season. The 7th grade Cubs played up against some 8the grade competition, they fared well however. They started the tournament by beating the Perrin Whitt A team. The Cubs then ran up against the Chico A team composed of 7th and 8th graders and the Cubs put forth a good effort. This set the Cubs up to play there comrades the 8th Grade cubs for the Third place trophy. The 7th grade made a good showing but, eventually fell to the 8th grade cubs in a fun and exciting game. Those making key contributions, were Keifer Wilson, Cameron Clark, Matt Keith, Jacob Fritz, Jacob Singleton, Raymond Martin, and Randy Woodall. The Cubs travel to Albany to take on the Albany Lions in the first district. The Cubs enter the contest with a 1-2 record on the year.

# 7th Grade Cubs Basketball

The 7th grade Cubs took on the Albany Lions and lost a close game 26 - 20. The Cubs put forth a great effort but just fell short of the win. Those contributing to the close loss were Raymond Martin, Keifer Wilson, and

Cameron Clark. The Cubs record now stands at 1-3 on the year and 0-1 in district.

### **A Word** In Season

By Pastor Dane Gressett **BLESSED ARE THOSE** WHO MOURN

"Blessed are those who mourn, for they shall be comforted ... " (Matthew 5:4)

Continuing our consideration of the Sermon on the Mount, we find Jesus promoting yet another value that seems to contradict our own. The words "blessed" and "mourn" seem to be antagonists and not partners! We usually feel pity for those who mourn. When the heartaches and losses of life come crashing in, we usually look for ways to escape the pain. In many instances to mourn means to experience the sorrow of losing something

I will be working with Rose in her clinic for at least a week while I am in Kenya. I am hoping to take as much financial support as possible for the clinic when I go . The Methodist Church here in Gorman has been collecting donations for this purpose for some time, but I am asking our greater community to get involved. If you can contribute to this worthwhile effort, about my trip to Kenya or how you please let me know.

Another way that you can get involved at this time is through books. The community in Kakuru where

The Gorman FCA would like to thank Corey Devito for coming and speaking at the FCA meeting on Thursday night. Corey spoke about offering your time, money and spiritual life to God. There were thirty to thirty five students in attendance on Thursday who all stepped out of their comfort zone to join in on activities that included speaking, praise and worship, and amazing games. Anyone from our community is welcome to join in on the fun, so you can witness first hand God at work in our community through the Gorman FCA students.

The FCA'S next meeting will be on the 15th of December, we will keep

Thank you for your continuing love and support.

The P.T.O. would like to thank all of the volunteers who helped this year's Book Fair be a success. Thank you to Kim Ryon, Nana Vaughn, Maria Gonzalez, Janice Burt and Deborah Jackson. It takes the community to make this school a success!

The junior high one-act play competed in district competition in Ranger on November 10. The students performed The Happy Scarecrow. They gave a great performance and entertained the crowd who attended. Mrs. Gutierrez was the director. Three students earned honors at the competition. Brittany Henderson was named to the honorable mention all star cast, Jonathon Flores was awarded technical crew honors, and Justin Little was named to the all star cast and are pictured below:

The entire cast and crew is pictured below with their names below the picture:

Cameron Clark, Brice Campbell, Taylor Chew, Ben Burgess, Alex Giles, Justin Little, Tyler Johnson, Skylar Jones, Matt Keith, Jonathon Flores, front row: Brittany Henderson, Katie Fritts, Amy Regian, Jaime Johnston, and Kimmy Seaton.

Maxfield Elementary Library will celebrate National Children's Book Week November 14th through November 18th. We have some special drawings planned. The students enter the drawings when they check out a book to read. The more books they read, the more times they can enter their names in each day's drawing.

out mourning is to live without love. I think C.S. Lewis nailed it when he wrote:

"To love at all is to be vulnerable. Love anything, and your heart will certainly be wrung and possibly be broken. If you want to make sure of keeping it intact, you must give your heart to no one. Wrap it around carefully with hobbies and little luxuries; avoid all entanglements; lock it up safe in the casket of your selfishness. But in that casket - safe, dark, motionless, airless - it will change. It will not be broken; it will become unbreakable, impenetrable, irredeemable...The only place outside heaven where you can be perfectly safe from all the dangers of love is ... Hell."

Wow, those are sobering words!

**How Safe is Your Child?** 

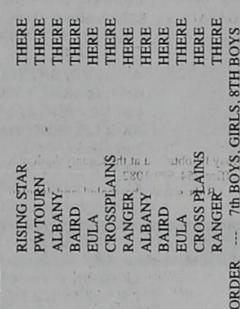

During the last three months, we have been offering the child safety seat distribution program to Eastland County as well as all of the surrounding counties, and during these programs parents learn the "ins and out" of a child safety seat, and how to determine which seat will best suit their child's needs.

One of the most common mistakes that are seen during these program is the child has out-grown there current seat, but is still being used. Another misuse that is noticed is that parents are using a hand-me-down car seat that a family member may have given them or one that they have bought at a garage sale or thrift store. So, let's discuss some of these misuses as well as some others that are minor, but still pose a safety concern.

What kind of car seat do I need? This all depends on your child, and this is based on his/her age, weight and height. All new car seats will have a label on the box & seat that will tell you what age, weight and height that the seat will accommodate. Naturally, as the child grows you will need to upgrade seats to accommodate their change in size, as car seats are not a one size fits all. Once the middle of the child's head reaches the top of the seat that you are using, it's time to either upgrade to another car seat, booster seat or they are ready to use the normal vehicle seat.

Second hand seats. The use of second hand car seats is not recommended, even if you know the history behind the seat. Families that have more than one child tend to save the seat and use it for the next child. While this is done to save money, it can be dangerous also. While the seat's general appearance may look good, it could have flaws. If you bought the seat new, and are using it for another child, then this while not recommended, is much safer than buying one second hand. The problem with buying one second hand at a garage sale or thrift store is that no one knows the history behind that seat. Meaning, that particular seat may have been recalled by the maker for a design flaw or other reasons. You don't know if the seat has been involved in a crash or not. Any seat that has been involved in a crash, even minor ones, it should be replaced. You have to remember that these are made from plastic, and even a minor crash can damage the integrity of the seat that may not be visible, therefore they should be destroyed.

Expiration dates for car seats? Yes, even your child safety seats have an expiration date. They also have a date of manufacture. It is recommended that no seat be used that is 6 yrs old or older. This use to be 10 yrs, but was changed because they are plastic, and the more they are used, the more ware and tare they receive. Somewhere on your child safety seat you will find these dates, as it will be imprinted into the plastic portion of the seat (expiration date). The manufacture date should be on one of the labels on the seat, if the labels are still in tact & readable. If they are missing, then the seat should not be used. The reason for the "expiration date" is that you have to remember that these are made of plastic, and with all of the temperature changes that we have in Texas as well as temperature changes in general, the integrity of the seat can be compromised. Again, since the shell of the seat is plastic, it will deteriorate over time. Types of seats. There are various types of child safety seats on the market, and it is important that you select the correct seat for your child. Again, every seat has an age, weight and height rating both on the box and the seat. Read the labels to see which seat best fits your child. Rear-facing seats are for newborns & infants, forward facing seats are for children that are over one yr old and 20 pounds. Booster seats are for children that have out grown your typical car seat, but are still not old enough to ride without a child safety seat. Booster seats are for children 3 yrs old and who weigh anywhere from 40-80 pounds.

division. The boys 7th grade team came in 4th and the 8th grade team came in third. Thank you for all of you that went to the games and supported these athletes!

Sometimes politicians make statements regarding education in Texas, ing Star Police Department made a traffic stop on a vehicle in Rising Star which one might question. I am not talking about anything specific right now. It could be about test results, finance issues, court cases, or any number of school related issues. You are invited to call, write, or e-mail me anytime you have a question about something you've read or heard regarding school business and wish to know how it relates to our school. I will do my best to answer you question and if I don't know, I'll find out the answer for you.

Please remember to make a note that school is out at 1:00pm on Wednesday November 23rd and there will be no school that Thursday and Friday to celebrate the Thanksgiving holiday.

If I missed any event that you would like to have seen covered, please let me know. It takes community involvement for a school to be successful and you are welcome to get involved at Gorman ISD anytime. Remember, this is your school; these are your children; and these children are your future! Come help us shape the future.

#### On September 2, 2005, Chief of Police Travis Griffith from the Ris-

that resulted in the arrest of a subject for Possession of a Controlled Substance, Methamphetamine, Less than One Gram. On October 19, 2005, Timeka Rose Thorp entered a plea of guilty to the offense and was placed on probation for a period of five years with a fine of \$2,000.00.

The Rising Star Police Department working cooperatively with the Eastland County District Attorneys Office filed a petition seeking the forfeiture of Thorp's vehicle. The property was subsequently awarded to the Rising Star Police Department under Chapter 59 of the Texas Code of Criminal Procedure, an act that provides for the seizure and forfeiture of property used in the commission of a felony involving illegal drugs. District Attorney Russ Thomason and Cisco Police Chief Travis Griffith issued a joint statement "We will continue to use every tool available to us in the war against drugs in our community. Taking a drug user's assets used in the furtherance of a felony is something we will not hesitate to do."

Child Safety Seat Laws. As of September 1, 2005, new Child safety seat laws went into effect in Texas. Any child that is under 5 yrs old and 36 inches are required to ride either in a child safety seat or booster seat.

If you are unsure about your current child safety seat and would like for us to look at car seat, please call our office at 254-734-5989 and we will be glad to look at your seat and tell you if it should be replaced or not.

Our distribution program is open to everyone that may not be able to purchase a child safety seat or booster seat. There is no cost to attend this program, nor is there a cost for the child safety seat or booster seat. Everyone with children, should look at there child safety seat since the holidays are rapidly approaching once again, and we will be traveling. Again, please call us at the number above for any help with child safety seats.

### The Greatness Of Faith

"And without faith it is impossible to be well pleasing unto God; for he that cometh to God must believe that He is, and that He is a rewarder of them that seek after Him." (Hebrews 11:6)

Where faith is, there is courage, fortitude and steadfastness. The faith of a child of God bestows that sublime courage that rises superior to the troubles and disappointments of life. It acknowledges no defeat - only temporary setbacks that become stepping stones to endure, patient to wait, and energetic to struggles.

Study God's word more, and thereby increase your faith. It will lead you safely through the mists of doubt and the black darkness of despair and over the treacherous places of temptation and uncertainty.
