Miss Gorman and Little Miss Gorman Contestants

Jaylon Miley

My name is Jaylon Miley and I am the daughter of Steven and Misty Miley. I am also the sister of Randall Miley and the granddaughter of Jimmy and Marileigh Miley of Breckenridge, Beverly Gillespie of Ranger and Paul Singleton of Breckenridge.

I am 16 years old and will be a Junior at Gorman High School in the fall. I am an honor student and a member of The National Honor Society. I play the clarinet in the Gorman High School Band. I made the district and regional band this past winter. I will be one of the Drum Majors this next year.

I also play Volleyball, Basketball, and Softball. My passion is softball and I am the pitcher for the High School Team.

My hobbies are hanging out with my friends, playing summer league softball, pitching practice with my dad, swimming, playing my clarinet and talking.

My sponsor will be the Gorman Chamber of Commerce. All funds raised will go back into our community. The contest will be June 27th at the Gorman Auditorium. My escort will be Josh Ryon. I am looking forward to supporting our community and thank you for your support.

Suellyn Hunter

Hi! My name is Suellyn Hunter and I am 5 years old. I am running for Little Miss Gorman as the Chamber of Commerce candidate. I live in Gorman and will be attending Kindergarten in the fall at Gorman Elementary School. My Parents are James and Christan Hunter and my daddy is the preacher at Kokomo Baptist Church. I have one brother and his name is Derick. My grandparents are Glenita Graham of Baird and Harold and Dianne Hunter of Roanoke and my great-grandparents are Lester and Sue Seaton of Gorman.

I spend most of my time playing with my brother Derick and my dog Jazmine. I love going to see the cows with my Granny and Paw. I adore animals of any kind, but bring me a puppy and you have stolen my heart.

Some of my favorite things to do include playing with my cousins Kaci, Kimi and Kourtney Seaton and I even share my birthday with Kourtney, but I don't mind. I like to ride in my Nana's car when we go places. I also enjoy going out to Texas Motor Speedway with Daddy and Mommy to volunteer with raceway ministries. I would like to thank the Chamber of Commerce for sponsoring me in the Little Miss Gorman contest.

McKenzie Osborne

McKenzie is the daughter of Phil and Melissa Osborne and the granddaughter of Kay Henry and Sandra Osborne. McKenzie is sponsored by the Gorman Volunteer Fire Department. She will be a Sophomore at Gorman High School.

Her interests are volleyball, basketball, band, and stock shows. McKenzie received the Academic Achievement Award presented by the Chamber of Commerce for her Freshman year.

McKenzie's favorite food is seafood and she enjoys several different types of music.

EDC TALKS ABOUT HOME ECONOMY

I have gone to several workshops on "how-to" stimulate the economy of our small rural towns. I think I have figured it out. We have been left the responsibility of preserving what our founding fathers gave to us. They worked hard to establish this community. We may not, at present, have all that they left to us, but we still have all the essentials. We have City Grocery; we have Gorman Pharmacy; we have Dr. Dan; we have the Gorman Progress newspaper; we have Gilmore's auto parts store; we have a post office; and we have one of the largest feed mills in our area, Gorman Milling. We have a DQ, we have Z's, and we have Josefine's and Breakfast Delights. We have our "mini WalMart" up on the hill called Bob's that we can run in any time and find things we need or have a key made. Let's not forget we have Clark's hardware store and lumber yard. Do you need a flat fixed - Smith's Sta. Car dirty - Mears Carwash. Remember, Panda's is not just for prom and funerals; she also has gifts in there, as does Our Father's Antiques. We have three beauty shops and you can even get a pedicure and manicure. Like fresh ground peanut butter, try the Peanut Hut. We all know Gold Metal Imports have all kinds of goodies. We have American State Bank; we have Homestead Health; we have Higginbotham's Funeral Home and we have a good school system. Is your lawnmower working properly, if not, go see Lawrence; Porter's can keep you on the road. We have three choices for purchasing gasoline. If we drive twenty or thirty miles to save about \$4.00 on 20 gallons of gas, could we not just invest that with our merchants? Do we want to keep these businesses in our town, yes! What will it take to do this? The way to keep the economy going in our town is invest part of our monthly or weekly paychecks in our stores. Why invest all of our paychecks in surrounding towns and build their economy.

Recently, The Gorman EDC invested in our City Grocery in the form of a loan to allow them to stock more items and be more competitive with stores the surrounding area by stocking some items they do not presently carry. This will not only help retain jobs in our community, but strengthen a local business on which many of our elderly, depend that have no way to get out of town to get groceries and they will continue to have their groceries delivered to their door, at no extra charge. We will also continue to have that wonderful Pizza Pro and the best meat market around. We at the EDC are doing all we can to keep City Grocery and Pizza Pro viable businesses in Gorman, but it will take everyone's help. You have to do your part by buying as many things as you can at home. We all have the occasion to shop out of town, but I ask that you make an investment in Gorman and make an effort shop here as much as you can, not only at City Grocery, but at all of our businesses. They all need your support to survive. Only you can make a difference! You can't wait for someone else to do it, you have to do it! DON'T LET OUR LOCAL BUSINESSES DOWN, SHOP GORMAN!

We will be starting on the new community center sometime in Sept. More news on that later.

Jill and I went to the monthly Huddle meeting, held in Rising Star this month. It was announced that Ranger College will be starting an R.N. Assoc. course in either Sept. 2010 or Jan 2011. That is good news.

Cisco Jr. College will no longer be called CJC but will become just Cisco College and will be offering some just-for-fun courses this summer, kid's drama camp, automotive (race cars), quilting, sewing, and some others.

First Fruits Children In Action (CIA) Ends School Year

Firstfruits Children In Action (CIA) held their 12th children's meeting this past Monday. The Summer Special celebrated the end of a successful school year and the beginning of an incredible summer. The main room at Firstfruits was transformed into an indoor playground. Messy, wet, and fun were the feature of the day, along with music, food, and the Apex Store. The excitement yet still continued with the Incredible Water Battle. A good time was had by all who attended.

In the past twelve weeks, children who have attended CIA have been taught to be Agents for Christ by learning how to impact their family, their friends, and their church. As CIA continues through the summer, Agents will continue to broaden their knowledge by learning ways to impact their community and their world.

CIA will continue to meet every Monday at Firstfruits at 6:30 pm, with the exception of when another local church is conducting VBS. This coming Monday CIA will not meet but rather is encouraging all their Agents to attend First Baptist Church's Boomerang Express VBS. CIA will resume meeting the following Monday, the 15th of June.

The CIA directors have exhilarating events planned for summer CIA. Everyone from 6-12 is invited to come and join the fun, and parents are also welcome! For more information call 254-734-3203.

Summer is upon us, school is out and there are so many things to do. CIA on Mondays is certainly one of them and a great activity for children ages 6-12. That is right CIA will continue through the summer, meeting Mondays at 6:30 pm. The excitement continues all summer long with music, games, food, fun and so much more. Oh and don't forget the CIA Bucks. However, CIA will suspend its Monday meetings when the other local churches conduct their summer VBS program. FBC is presenting the Boomerang VBS program starting the June 8 so CIA will not have a meeting that Monday night. CIA will resume the following Monday. We hope to see you there. Come and join the fun and learn to be an Agent for Christ. Parents are welcome to come as well. For more information call Firstfruits at 254-734-3203.

Pig Tales From Hogtown

As I am writing this on Monday morning, it is dark outside and very humid. I am waiting for rain that probably won't come! We could sure use a good soaker, couldn't we!

Saturday, June 6th, is 'Breakfast at the DAC' - hope you all can come and enjoy a hearty start to your day with us. Breakfast is served from 7:00 until 10:00 and the cost is by donation.

Johnny Johnson and the Memory-Makers will be back for our June dance on the 12th. Music starts at 7:00 P.M. and the cost is \$5.00 per person. The concession stand will open at 6:00. This is a fantastic band and I know you will enjoy listening and dancing to their music. Y'all come!

Super Notes

By David K. Perry -- dperry@gorman.esc14.net -- 734-3171

I was not going to write an article this week, but wanted to share with everyone what a great graduation we had last week. The Eighth Graders did a wonderful job. Everyone that gave speeches was excellent. I look forward to them competing in UIL speech competitions in the future. It was also great to see Mr. Panter interact with them one last time. He did a great job. The high school graduation was at the football field as usual and fortunately the weather was very accommodating. Everything went as Mr. Panter had planned until just before the end where I gave Emily Lewis permission to read a letter to Mr. Panter from the seniors. It was very touching and yes there were many tears shed, not only by seniors and Mr. Panter, myself and the crowd as well. These seniors began their high school classes with Mr. Panter as the new principal and are the last graduating class in Gorman that will experience the love and concern he had for them all. It was a very touching emotional evening. You should have been there!

Most of the teachers and kids are gone. There will be coaches around for most of the summer at one time or another and we have several student workers this summer, but it is still very quiet in comparison to a normal school day. The administration and tax office will be open Monday through Thursday from 8:00am until 3:00pm and from 8:00am till noon on Fridays. We will be closed from June 29th through July 3rd.

We still have a few teaching and coaching positions to fill for next year. We are still looking for a boy's basketball coach, a girl's volleyball coach, and a middle school math teacher. If we have any other opening come available we will post them at: www.esc14.net and at: www.TASAnet.org. Mr. Byrd is available at 254-734-5717 to answer any employment questions you may have about the openings.

The new high school and gymnasium is looking fantastic! The contractors are working diligently to stay on schedule and finish as scheduled. If you are interested in contributing to our fund raiser to help pay for the extras we have purchased for the new gym, now is the time to turn in your donations. I will be ordering the plaque to honor those that have donated around the end of June, so please don't put it off. Drop off your donation to Terry Treadway or Terry Nickels in the administration office. By the way, the new four sided scoreboard has been installed and is awesome. We have also received the custom chairs (we used them at graduation), the custom podium (also used at graduation) and the custom score keepers table. Our custom graphics will begin going up this month and we will chose a sound system by the end of the month.

I was thinking about all that we have accomplished over the last few years while contemplating Mr. Panter's departure and feel we have been blessed abundantly, not just by the job he's done, but for the job everyone has done, not just at the secondary level, but at the elementary level as well. As a school district and a community, we have so much for which we should be thankful. At Christmas time, we often say "remember, Jesus is the reason for the season" and it is very true that we do need to remember it is His birthday. This morning I was reading a caption on the top of a tablet at home on which we write our shopping list and it added a new twist to the statement. It said, "Jesus is the reason...for Everything!" Can't argue with that, not me anyway.

Remember, it takes community involvement for a school to be successful and you are welcome to get involved at Gorman ISD anytime. This is your school; these are your children; and these children are your future! Your input is always welcome. Come help us shape the future. Thank you for all you do to support us

Senior Citizens News

By Carol Ward

Our weekly pot luck lunch was enjoyed by 32 Seniors on the 27th of May. Bro. Frank Shirley gave the blessing in thanks for all of us. Glad to see the Shirley's, miss them when not here. Beth made some most delicious pumpkin pies for us to devour, Yum!!

We enjoyed celebrating Edgar Reynolds 91st Birthday. Kenny Welch is good to provide the cake and ice cream. Kenny was raised close to where Edgar lives, so they are life long friends. A nurse named Kathy was here with Edgar to help celebrate. She had helped with his wife Mabel during her illness.

Sure did miss Betty Region and Barbara Bush. They are my best helpers. Barbara had a big family reunion over the Memorial week end. Her son from Idaho was still with them, know they enjoyed seeing all together. Betty had lunch with Marley, her grandchild. They enjoyed being together at school before all ended. I used to like going with Alaina also.

I must thank Ann Maxfield, Ailene Garrett and Emma Jane Larch for helping me through this meal.

Our menu was kind of low as we had more payers than dishes brought. But thanks to Emma Jane Larch for her good Spaghetti, it stretched a long way. Also we had many cakes and ice cream to fill up on. Also we enjoyed fish sticks, green enchilada casserole, mashed potatoes, green bean casserole and salad. Ailene Garrett brought a different salad, made of Broccoli, grapes and sunflower seeds with some onions. Quite good and different. Also pie, cakes, ice cream, cobbler, corn bread and rolls. I had made a lime Jello, sugar free, then forgot in the refrigerator, HA. So we ate part of it on game night. A few other errors also occurred.

I certainly enjoyed the Spring Concert at School by our bands. This was held on May 17. Mr. Howard has done a grand job with the children. Wish more kids would stay in band for high school. The Spanish dancers were great with Mrs. Sanchez help. The dress so authentic. Also the Bells and Bows concert was fabulous!! The young women so professional in their presenting!!

Well, we got through graduation barely. The people into racing in that part of town decided to rev their engines loudly. How rude! Surely they know graduation was going on. Drowned out some of the speakers. It should be better next year in the new gym. We lucked out, the weather was nice and not too hot. No wind. I remember my granddaughter Kendra was so windy nearly blew us out of the stadium. Her college graduation was also windy and cold. It hard to believe Tyson Swanner is through with high school. I have taken care of him since he was 6 weeks old, till he could go home alone. The years have just gone by too fast. Will miss him playing sports. But I could barely walk up some of the stadiums, so time to quit.

Hope all is well and see you next time, Carol.

"Ladies Monthly Social" will be held on Monday morning, June 8th at the Community Center (former school building). Make plans to arrive at 9 a.m. To enjoy the good food and fellowship with all the group. Visitors are welcome.

"Happy Birthday" to our grand-daughter, Kandice Cogburn on June 4th and our great-grandson, Dyan Cogburn on June 6th from Granny Coon and Granke Guthery. Dylan will be 5 years old and will attend kindergarten in De Leon School this coming school term.

Bernard and Ann Keith, Pug and Vonnie Guthery attended the annual Victor Cemetery Meeting last Saturday. Business Meeting was held at 11:30 a.m. Followed with lunch for everyone. After the noon meal several of the Keith Family member continued their visit in the home of Avie (Keith) Taylor in De Leon. Those attending were Mark and Connie Long of Lubbock, Bill and Chris Partain and their family, Lennis and Jean Cearly and their family, all of Fort Worth; Rodney Clements of Houston; Dean and Louise Newton of De Leon; Bernard and Ann Keith, Pug and Vonnie (Keith) Guthery, all of Desdemona. Cake and punch was served to all the visitors.

Desdemona Homecoming and School Reunion will be held on Saturday, August 8th at the "old" school building. Morning program begins at 10 am. And the noon meal will be catered. Ex-Students, Teachers and Friends are invited to attend. This has been an Annual Event since 1921 except two or three years during World War II due to shortage of gasoline and tires. If you have a change of address, please contact this reporter at P. O. Box 187, Desdemona, TX 76445. New addresses are needed to "up-date" the invitation mailing list. Your help will be appreciated. Thank you.

Karen (Guthery) Fair will open her "Gift Shop" real soon. The building is located in Desdemona on the same lot where the late L. E. "Compound" Clark owned and operated a Blacksmith Shop.

Hallie Million spent the past weekend visiting with her great grandmother, Mildred Million. Hallie attends school in Dublin. They attended Church on Sunday at First Baptist.

"Congratulations" to Travis and Melissa Walston on the arrival of their son, Garrett Jobe born Wednesday, May 27, 2009 at Baylor Medical in Grapevine, TX weighing 7 lbs. 8 Oz and 20" long. Garrett is welcome by a big brother, Trevor Walston. Paternal grandparents are Gary and Jody Walston of Desdemona; great grandmother, Alta Mae Wilcoxson of Odesa. Happenings At FBC!!

Share! Share of yourself as a servant, a listener, a giver, and an encourager. Reach out and share the Good News of Jesus so you can effectively lead people to know Jesus and experience God's saving grace.

Mark your calendars:

June 7th - 10:00am - Please join us for the next session of touring the Holy Land.

June 8th thru June 12th - 8:30am - Vacation Bible School - please make plans for your kids to attend.

Special Guest - Mrs. Greer's sister was baptized at the Gorman First Baptist Church in 1945, and then she recited one of her many wonderfully bold poems which is entitled "The Great White Throne Judgment" Where will you spend eternity? When you stand before the throne it is done.

Children's Sermon: Liz talked with the children about many types of balloons. There are balloons that you can make into animals and balloons that you can fill with water just to name a few. Liz blew up a balloon with air, then she and the kids bounced it around. A deflated balloon is no fun and useless. When we ask Jesus to come into our heart He fills us with the Holy Spirit. Without Jesus we are like a balloon without air. Knowing Jesus gives us purpose as we are filled with the Holy Spirit and full of life.

Bro. Barry's message: "JTBDWIS" - Ecclesiastes 5:14. Everyone has heard of a text message, yet not everyone does texting. We need to bridge our generations to effectively communicate. Wake up, God is the light. Where are you on the Lord's day? The "Secret to Life" is simple: Trust Jesus Read The Bible Do What It Says.

WORDS TO LIVE BY:

I. Live Wisely. - Look for the best. Think of the worst and avoid it. Eph. 5:15 - "So be careful how you live. Don't live like fools, but like those who are wise."

II. Take Opportunities. - Our world is changing, and by 2020 knowledge will double every two and a half months. Invent something! Brother Barry demonstrated the convenience of 'carmax', vicks, breathe right, and a walker. Don't make the mistake of thinking opportunities are only related to wealth and fortune. Seize opportunities to tell others about Jesus. Eph. 5:16 - "Make the most of every opportunity in these evil days."

III. Know God. - Take time to examine your relationship with God. Do you really know God, or do you just know of God? Eph. 5:17 - "Don't act thoughtlessly, but understand what the Lord wants you to do."

IV. Don't Get Drunk. - No good comes from being drunk. Don't be drunk on your ideals. Eph. 5:18 - "Don't be drunk with wine, because that will ruin your life. Instead, be filled with the Holy Spirit."

V. G2 Church. - There are people that only turn to God in tragic times. Church is not just a building, it is the fellowship of believers. Beware of those preaching the social gospel. God will bring our Nation to it's knees. Eph. 5:19 - "Singing psalms and hymns and spiritual songs among yourselves, and making music to the Lord in your hearts."

VI. Be Thankful. - Don't be an ingrate. Trust God and give Him thanks in absolutely everything. Eph. 5:20 - "And give thanks for everything to God the Father in the name of our Lord Jesus Christ."

It's a hard thing to do, but all He asks is that you Thank Him. An amazing thing happens when you utter those words of thanks from your mouth even when you don't feel thankful. Just tell God "thank you", and God Blesses!

Our Worship Service begins at 11:00AM on Sunday mornings - please come and join us!

Remember: God loves you like no one else! Email us at fbcgorman@hotmail.com
