Plan To Ride In The Melon Patch Tour Aug. 10

The Melon Patch Tour '96 continues the tradition of offering a fun, festive family cycling event in De Leon on the Saturday of the Peach and Melon Festival week, August 10. Also held on this day is Golden Saturday and these two events were started simultaneously in 1994 to encourage people to come to our community, see the surrounding scenery, and then stay for a vareity of festivities. The support of the community and the surrouding areas has been remarkable and there are over 300 volunteers who work on the day of the ride to ensure its success.

It only costs \$18 to enter the ride if you register by August 1 and \$22 after that date. Another advantae to registering by the August 1 deadline is that it enters your name in a drawing for a new Char-Broil gas cooker donated by Higginbotham's. There are special rates for goups of four or more and for tandems. At registration you also receive a bag of souvenirs and ride information, including a 100% cotton Melon Patch Tour T-shirt, a coffee cup with the ride logo, and toher treasures.

Registration is held at the Senior Citizens's area where the start/finish is also located. A vareity of routes are availabe: 6 miles, 18 miles, 30 miles, throughou the ride offering home made cookies, popsickes, frozen peaches, and peanuts as well as the standard fare of fruit and drink with the rest stops in Gorman manned by the Gorman Peanut Festial volunteers. In order to encourage the riders to take a break from the heat, there will be drawings at each rest stop for vaious prizes. These include tickets to Fiesta Texas, "gimme hats", peanuts, free meal chits, T-shirts, waterbottles, and gift certificates to name a few. There are over 300 items in the drawing so far, so the chances of getting awinning chit are pretty good. Sag wagons will be partrolling all the routes to help if need be, and San Angelo Bicycling Assocaition will also have ride marshals riding the routes to give assistance and support. Each of the rest stops will have medical personnel should problems areise, so we want you to just enjoy yourself, and let us take care of the rest.

Join us for a good time and take home good memories. People have come from all over Texas to participate- - so should you, ride brochures are available at the De Leon Information Center, of call 893-6600.
