Coach Pettit will be assisted by several high school boys and girls who won the District title in girls softball and boys baseball for Gorman's 1996 school year.

Registration notes will be sent out at school May 20, 1996. For more information about registering for this clinic call Deborah Jackson (734-2675), or Gaytha Pettit (893-2244), senior sponsors.

Mark the date on your calendar to support and thank the kids who have worked so hard.

TAAS and TEAMS Test To Be Taken July 16-18

The TAAS and TEAMS tests will be offered this July at Gorman High School. By state law, students who are now enrolled in high school must pass all sections of the test in order to receive a high school diploma.

Anyone in the community who has completed all graduation requirements except for passing the TEAMS or TAAS may take these tests to try to earn a high school diploma. A person only has to take that portion of the test that he or she did not pass in high school. Individuals who are not longer enrolled in a Texas public school and who wish to retake a portion of the TAAS and TEAMS may pick up a registration packet at any high school campus. In Gorman registration packets will be available in the counselor's office until May 24. After that date, packets will be available in the Superintendent's office. Forms must be completed and are to be received in Iowa City, Iowa, no later than June 14, 1996.

Students who are currently enrolled in Gorman High School do not need to register for this test.

Persons who have not finished high school and who are interested in obtaining their diplomas, must fulfill the requirements for graduation that were in effect when their class graduated. Therefore, if the TAAS was not required for a person's class, it would not be required today. Texas Tech also has a correspondence program enabling a person to receive a high school diploma through correspondence courses. For more information on any of these areas contact Linda Glover, Gorman High School Counselor.

Third Grade Class Enjoys End of Year Field Trip

On Wednesday, May 8th, the third grade classes of Maxfield Elementary went to Abilene on their end-of-year field trip. In the morning, the group toured Abtex Beverage Company, and got to see the Canning and Bottling Process that Dr. Pepper, Pepsi, and many of their other favorite soft drinks go through before going to the store shelf. They also were told many interesting facts about the process, and at the end of the tour, were treated to a soft drink and a free Pepsi T-Shirt.

After a picnic lunch at Rose Park and a fun play time, they visited Mrs. Baird's Bakery. Here they got to go inside the bakery and see how the dough is mixed in giant mixers, then on to a special rising. Then they saw the huge ovens, where hundreds of loaves are turned out each hour, and watched the bread be sliced, bagged, and put on store racks, ready to go on the trucks. The tour guide served the entire group hot buttered bread straight from the oven.

The trip was very interesting and informative, as well as a lot of fun.

Students attending were: D. J. Brown, Adam Spivey, Jonathan O'Connor, Frances Lewis, Heath Sellers, Martha Cruz, Casandra Grumbles, Cesilia Raygoza, Amanda Davis, Gil Cochrane, Scotty Lewis, Elizabeth Hipolito, Rachel Granado, Ashlee Hornbeckm, Carlos Herrera, Ariana Giles, Kyle Broom, Hector de la Torre, Ivan Madera, Clint Jones, Hunter

Speck, Dillon McBeth, Luis Ramirez and Mike Grissom, as well as Mrs. Spivey, Mrs. Caraway, and Donna Grissom, who drove the bus.

Mothers going on the trip were: Charisse Cochrane, Paula Lewis, Kathy Brown, and Shirley Lewis. Their help was greatly appreciated. Everyone on the trip had a wonderful time, and felt this was a great ending to a great year in third grade.

Correction Of Cemetery Article

This is a correction statement concerning the information that was given to the paper concerning the Oakland Cemetery Association Meeting that was held Saturday, May 4th.

There was no Land Memorial given in Memory of our beloved Marion Dennis.

His wife and children gave a Money Memorial in his name.

The land that was mentioned in the article is being given to the Cemetery by the wife and children of W. E. "Bill" Dennis who passed away in 1979. That land will be as a gift memorial for him.

We hope this clears any misunderstanding concerning this bit of business.

Sig.: J. E. Porter
President of the Association

Greet Each Day With Gladness

Greet every day with Gladness,
when first you see the light,
There is no need for sadness,
you made it through the night.

The day may not be perfect,
The sky may not be blue,
But God will walk beside you,
and help you see it through.

Don't fret about tomorrow,
Just do your best today,
For sunshine follows sorrow,
as blue skies follow gray.

Greet every day with gladness,
as it were a friend,
There may be a blessing waiting,
Somewhere around the bend.
