That sure was some good moisture we received this past weekend. Reports varied around the area, but what we did get surely helped out with the unseasonably hot weather we have had and contiune to have at this time. The moisture will be a God send for the young peanut plants and will be immeasureable in benefits to the crop. The area was in need of more moisture. For this we thank the Good Lord and pray that we will receive rain in sufficient amounts to make the crops this season. -J-

We were stunned this weekend when word got around town of the sudden illness of Kernel Gene Baker. His brother, Raymond Baker, who has been residing with him for some time passed away on Friday around noon. Kernel Gene and his brother had both been hospitalized earlier. Then on Friday afternoon Kernel Gene was rushed to Hendrick Hospital in Abilene as an emergency case. He was operated on Friday night in a lengthy operation and was critically ill for a couple of days. He has been steadily improving and is coming around now. He has been in intensive care for several days but is expected to be moved into a room within a day or so if he continues to improve. We thank God that our prayers were answered and God spared this man who has meant so much to our town and community.

There is need now for blood donors to replace the blood used in his behalf. Donors may give blood of any type to replace the blood used to save his life. So if you can give blood it will be greatly appreciated by the family.

As soon as we hear what room he will be in we will get the news around so that friends will be able to send cards, etc. He will appreciate them I'm sure. Our prayers will be for his continued good health.

-J-Jay's Grocery will be observing their 45th anniversary with a giant sale beginning June, 26 and continuing through July 5th. This firm has rendered a fine service over these many years to our community and we add our congratulations to all of those in the community to the Jay family. We have an article elsewhere in this issue and also you will find a full page congratulations to the firm from other business firms on their continued success in our town. Also James. Thurman and Claudia have really put on some marvelous bargains for this sale as you will see in their ad this week. So go by and give them your congratulations and stock up on all the fine buys you will find at Jay's during this sale. This firm has truly been an asset to our community all these years and we thank them for the service they have rendered.

Also celebrating their first anniversary in business is Jay's Insurance Agency and we congratulate James on his success. Of course Ginger does all the work, but the boss gets all praise. We are glad to have this fine firm in

The turn out for the work day at Frank A. Gray Park was less than expected but those who showed up did a great job and are continuing to work to get the park in shape for the upcoming July Fourth event to be held at the park.

Lisa Norris-Carl Davis Joined In Wedlock

Miss Lisa Norris and Mr. Carl Davis were united in marriage on Wednesday June 4th 1980. At 7:30 p.m. in the First Baptist Church of Cisco, Texas. The bride's parents are Mr. and Mrs. Paul Norris of Eastland, and the groom's parents are Mr. and Mrs. Bill Davis of Bedford, Texas.

Rev. Buddy Sipe performed the double ring ceremony. The church was decorated with an archway of greenery with white wedding bells, flanked by candlebras and baskets of yellow glads. Mrs. Buddy Sipe provided

the wedding music while, Mrs. Sharla Melville, of Houston and Terri Davis of Bedford, sisters of the groom sang the Wedding Song' and 'Longer. Given in marriage by her father, the bride wore a formal gown of silk organza enriched with Venise lace with seed pearls. An Empire bodice featured a square neckline and Victorian sleeves. Lace runners marked the semi-flow skirt with pleated center front, falling to a chapel train. The lace banded hat held the walking length veil with lace motiffs on the veil.

She carried a bouquet of vellow and white silk roses, carnations and daisies. The bride carried out the tradition of something new, her wedding gown, something old her grandmother Norris's wedding band, something borrowed, her mother's pearl earrings, something blue the garter, and a penny in her shoe.

Judy Krantz was Maid of Honor, from Eastland. The bridesmaids were Terri Gomez of Eastland, Cindy Goss of Leuders and Jan Green from Hurst, Texas. They wore identical yellow dresses, carrying bouquets of vellow and white silk daisies.

The groom wore an all white tuxedo with a vellow silk rose boutonniere. His best man was Dean Swanzy of Hurst. Texas. The groomsmen were Gregg Sparkman of Hurst. Ken Mizell of Richland and Andy Duncan also of Hurst. They wore toast tuxedos with vellow silk carnation boutonnieres.

The candlelighter was Mary Kate Davis sister of the groom, of Bedford. She was wearing a yellow and white dress with a yellow tipped in brown carnation corsage.

Ring bearer was Cory Pack, nephew of the bride. He was wearing a brown suit with a vellow boutonniere. He is from Carbon, TExas.

Flower girl was Jana Norris, neice of the bride, from Denton, Texas. She was wearing a white dress with vellow trim and a vellow daisy corsage.

Ushers were James Norris

The bride's mother was wearing a yellow dress with a yellow and brown carnation corsage. The grooms mother was wearing a brown dress with a yellow and brown carnation corsage also.

boutonnieres.

The reception was held in the Fellowship Hall of the church. The bride's table was covered with white lace day night in Hendrick Meover yellow. The three tiered cake was topped with the wedding bells and white doves, with a fountain underneath the cake stand. The yellow punch, yellow and brown mints and nuts were served by Mrs. Paula Morrow Mrs. Jo Norris, and Mrs. Jeanna Pack, sisters and sister-in-law of the bride. The groom's table was also covered with white lace over yellow. The chocolate cake and coffee was served by Terri Guyton and La Vonda Jones of Breckenridge, Tex-

The rehearsal dinner was hosted by the groom's parents at the White Elephant in Cisco, Texas.

The Bride and Groom are at home in Stephenville, Texas, where he is employed with Engineers Construction Inc. He will attend Tarleton State University this fall. She is employed with Gulf State. United Telephone Co. in Stepehenville, Texas.

#### CAROLYN GILBERT PARTICIPATES IN AFR EXERCISE Air Force Reserve Captain

Carolyn Gilbert recently re-

turned from deployment with the 301 Tactical Fighter Wing in operation "Paid Redoubt '80". The Carswell based Wing participated with the Air Force Reserve in the largest mobilization exercise in its history. This years two-week exercise centered on operations at Hill Air Force Base, Utah and Volk Field, Wisconsin, an Air National Guard training site. "Reboubt '80" to be held June 7-22 is AFRES' test of joint readiness planning, mobilization and deployment of forces. The 301st Tactically Fighter Wing deployed 18 aircraft, 442 reservists and 167,725 pounds of equipment to Hill AFB, Utah, Home of the wing's 508th Tactical Fighter Group, from which the F-105's from the two units operated. For the Carswell-based reservists, in addition to exercise activity, the wing took part in an Operation Readiness Inspection administered by Tactical Air Command's 12th Air Force IG Team. The purpose of the exercise was to evaluate the readiness of the wing to transition from peacetime to wartime posture and employ forces in combat. The ORI began June 7 and judged the unit's ability to deploy personnel and equipment and effectively operate away from home base. Captain Gilbert is Chief of Administration for the 301 TFW. She is the daughter of Mr. and Mrs. Floyd Gilbert of

This is one reason our oil is so near depleted. We used it to raise food etc. for other people. The ones we helped are our enemies now. They are ready to storm. We are ready for destroy us. Our main friends are Japan and Germany.

I say give them all the strategic weapons they want. They will use them and not be like some of our allies.

Russia is just gobbling up what it wants and our President and Congress just stands by. We must put a lot of the blame on Congress. As we have a murderer, and many, many thieves there. All the majority want is to grab all they can and as fast as they can. They talk about balancing the budget. Baloney, it can not be balanced and they know it cannot be balanced. They may switch funds around and say it is balanced.

The auto and steel workers

have found those industries to close down. They have killed the goose that way laying the golden egg for them. No one to blame but themselves. They would get a raise, a cost of living increase and increase frienge benefits. It made the products they produced just too high for people to buy. Instead of increasing production with those raises, it decreases and the work became sorrier and sorrier. Millions of cars had to be recalled. So many of the employees seemed not to care how poor their work was done. The result is that many more foreign cars replaced the American cars at cheaper prices and were more economical to run. The same is happening to the

raising wages, cost of living and frienge benefits that it put them out of business. As foreign steel can be bought cheaper. I feel so sorry for those hostages in Iran. As the chance for them to become free is so slim. The Butcher Khomeini is one of the most ruthless murderers of all time. They have promised to do so many things and the next day it is a new leaf turned. You will wonder what is on the next page. He has the Shas, even Santa Anna beat. I notice when Ramsey Clark went to see his dear friend in Iran to confess the sins of the U.S. to the Ruler there, he had Kemsler with him. Birds of a

I was gone over the weekend, but I understand that we had a nice rain shower on Saturday night, and we are sure thankful for it on the gardens and crops. It sure won't take this 100 plus degree weather long to take care of the moisture in the ground.

Mrs. Glinda Steele and Kim of Everman spent the weekend with her mother, Mrs. Ray Rodgers, and they visited with her brother, Charles Rodgers, in the East-

land Memorial Hospital. He underwent knee surgery last week, and is reported to be doing fine and expects to be home from the hospital some time this week. Kim remained for a visit this week with her grandmother, and she was a visitor at the Kokomo Baptist Church on Sunday.

Mr. and Mrs. Oren Webb attended the funeral of his father, Rev. Charles Webb, in Madison, Kans. on Monday morning and the burial in Pattonsburg, Mo. on Mon-

Mr. and Mrs. Willis Morrow and Alma Lee Creager of Levelland spent the weekend with Mr. and Mrs. J. L. Morrow and they all attended the School Hill Reunion at Desdemona on Saturday nite and Sunday.

Mr. and Mrs. J. C. Clearman visited with Mrs. Jessie McCaffety in the Scott and White Hospital in Temple one day last week. Mrs. McCaffety is making improvement and hopes to be home soon.

Mrs. Clifford Graham of Monahans and her daughter and family, Mr. and Mrs. Bruce Tuxhorn, Cassie and Katy of Christoval, spent the weekend with Mrs. Esther

Mrs. D. F. Eaves, Mrs. Esther Graham and Mrs. Glenn Jordan were in Abilene on Tuesday and Mrs. Roddy Miles, Robert, Joe and Sheri, and Whitney Robinson of Houston met them for lunch and an afternoon of shopping.

Deliah Eaves and Paulette Baze of Stephenville spent the weekend with Mr. and Mrs. Mark Eaves in Denton and attended the Pro-Am Golf Tournament at the Denton Country Club where they met Jim Davis and Patrick Duffy of the TV series "Dallas" and several of the Dallas Cowboys who were playing in the tournament.

Mr. and Mrs. Robert Fortenberry and Cindy have returned from a vacation trip to California. They visited with their sons and brothers, Mr. and Mrs. Garland Fortenberry, Kim, Debbie and Tim in Hayfork and attended Kim's graduation from high school, and with Mr. and Mrs. Roland Fortenberry and Amy and Gary Fortenberry in Weaverville and attended the second wedding anniversary celebration of the Roland Fortenberry's. Another son, Randall Fortenberry, Brian and Suzette of Elko, Nev. met them in California for a visit. They also visited with Mrs. Fortenberry's mother, Mrs. Emma Overstreet, and sisters, Idell Clifton and Raymond and Leanette Stallings and Lenny, all in Visalia. They report that it snowed while they were in Weaverville in the mountains.

Mrs. Emma Overstreet also attended the graduation of her great-granddaughter, Kim Fortenberry.

One day of Summer has gone by, but we have several more to go yet. Monday was rather warm and Tuesday is supposed to be much warm-

We had a nice group of visitors this past week and wish to invite them to come our way again real soon.

We also had visitors Saturday night, as we had a very good musical, the kind that won't let your feet be still.

Thanks a million to, Roland Smith, Mr. and Mrs. Marshal from Cisco, also Mr. Dewey Bailey, for entertaining our residents. Everyone enjoyed them very much and we hope they'll be with us again real soon.

We had to cancel Bingo last week, much to the disappointment of our residents, but we'll have it today.

Thanks very much to the ladies who have brought us scraps of material to work with. They are greatly appreciated.

This Thursday is Birthday Time again. Those having birthday's are: Minnie Bennett, Ninnie Kirk, Lon Snider, Dan Boatwright, and Marlin Bowers.

This is the time of year when we begin finding that our tomatoes are rottening on the blossom end. Blossom -end-rot in tomatoes may be blamed on several conditions but the resulting breakdown is due to water being withdrawn from cells on the blossom end of the fruit.

The withdrawal results when the water uptake by the plants roots is insufficient to make up for that loss in plant growth processes.

The breakdown of the fruit begins as a green watersoaked area which rapidly turns gray to dark brown in color, followed by shrinking and collapsing.

Insufficient water uptake occurs when the soil is too dry. Also, poor aeration resulting from excessive soil moisture can prevent water uptake by the roots. In addition, when hot winds and low humidity occurs, many plants cannot take up enough water to counteract the moisture lost from transpira

One of the best ways to maintain an adequate supply of moisture under tomatoes is by using a mulch over the root area and water when the soil becomes dry. Since a calcium deficiency affects the plants transpiration rate, the addition of gypsum to the soil sometimes help to prevent blossom-end-rot.

There have been some reports that spider mites are causing damage to vegetables. Spider mites are red in color and extremely small in size. They are usually found on the underside of leaves. The tiny insect pests cause damage by sucking juices from the plant. The infested leaves turn whitesh in color and fine webs can be seen on the leaves.

Insectices registered for use on spider mites are Kelthane, Diazinon, and Ethion. Sulphur will help repel spider mites. As with any pesticide, be sure to reed the label and follow all directions.
