Jury List Names Drawn For Court

Pat Leonard has been elected president of his class at the University of New Mexico Medical School in Albuquerque where he is a second year student. His wife, Susan, is the daughter of Mrs. W.F. Birdsong of Muleshoe.

Mrs. Frank Rogers, of Littlefield, visited Mrs. W.F. Birdsong this week.

Mr. and Mrs. Raleigh Mason and Sheryl returned August 30 from a 15-day vacation to McGuire AFB, New Jersey, where they visited with their daughter and husband, Captain and Mrs. Norris Conklin. While there they visited New York City, where they saw a stage production of "Hello Dolly" with Ethel Merman; drove to Washington, D.C.; Philadelphia; Princeton University and Atlantic City, New Jersey. On the way home, they visited with Mason's brother, Raymond Mason in Arlington, Texas and with friends, Mr. and Mrs. Gene Stevens, in Dyersburg, Tennessee. They also stopped in Nashville, Tennessee and visited Andrew Jackson's "Hermitage".

SP/5 Roger Dale Williams, son of Mrs. Clea Williams of Muleshoe and Lee Williams of Albuquerque, has returned to the states following his second tour of Vietnam.

He has been discharged from the U.S. Army and has joined his wife, Vickie, at their home in Albuquerque. His future plans are indefinite at this time.

Mr. and Mrs. H.R. Scarbrough returned home Tuesday from Fort Worth where they had spent the Labor Day weekend with their son, R.W. Scarbrough and his family.

Among the forty-three persons enrolled in the Nursing Home Administration course at South Plains College this year are Jo Gene Blackwell, Thomas Marshall Cook and Eric Stonecipher, all of Muleshoe.

This is the first year the college has offered this particular course and it will be a total of 200 clock hours.

Elevator Damage Considered Minor In Tuesday Fire

Members of the Bailey County Volunteer Fire Department were called to Griffiths Elevator around 11 a.m. Tuesday when a fire was reported in a dryer on the east side.

Arriving at the elevator on East Highway 84, firemen noted a strong "popcorn" smell around the elevator, but no smoke and no flames visible.

Fireman Earl Ladd Jr. climbed a ladder on the side of the dryer and located the fire approximately 30 feet up in the dryer. There was no way to get to the fire without unloading the corn from the dryer, so the firemen opened chutes near the bottom of the dryer and began shoveling the corn back out of the way.

After more than an hour of work, the firemen managed to release the trapped, hot corn and put out the fire without having to use water. Very minor damage was noted to the dryer, but some corn was destroyed by the intense heat generated by the overheated dryer, according to Bailey County Fire Chief Earl Ladd.

Three criminal cases have been set in 154th District Court to begin on Monday, September 21. The cases will be heard before Pat Boone, District Judge.

Included will be the theft case involving John Mock, Ron Gorbet and Eli Johnson; a burglary case against Kevin Bond and Marie Anslay and Bobby Black, charged with theft.

Seventy-two names have been drawn by the jury commission and are being summoned for the trials.

The 72 included: Troy Page, W.H. Lee, Julian E. Lenau, Mrs. R.J. Parker, Clifford Parks, J.L. Phelps, Jimmy Pitcock, Lee R. Pool, Haney Poyner, Mrs. A.J. Lenderson, Barry T. Lewis, Truman Lindsey, J.W. Maddox and Ruth Malone, Also Clifford Mardis, Lee

Also Mrs. Morris Nowlin, Jack Obenhaus, Polly Oliver, Betty Oliver, Milton Oylor, Mrs. A.R. McGuire, Edward Crum, Mrs. Pearl Young, C.J. Tiller, Roger Albertson, Olan Burrows, Mrs. Jimmy S. Black, W.Q. Casey, Fred Clements and Mrs. Ross Goodwin.

Also, Mrs. Cecil Cole, Maudena Claunch, L.H. Medlin, Nolan Harlan, Marshall Cook, J.W. Coppedge, W.F. Bartley, Howard Cox, John Crow, B.A. Dalton, Lloyd Haire, Cont'd. on Page 2, Col. 8

GOP Delegation Convention Bound

Bailey County Republicans are leaving Sunday (today) and Monday for Fort Worth where they will attend the State GOP convention Tuesday, September 15.

Delegates from this country include Clarence E. Mason, Mrs. Jim Shafer and Larry Hall. Also attending will be Mrs. Ma-

Bush Belles To Organize Here Monday

An organizational meeting of women who are interested in supporting George Bush for United States Senator will be held at 1 p.m. Monday, September 14, at 1812 West Avenue H, the home of Mrs. Larry Hall, Bailey County Bush Chairman.

Any woman interested is urged to come and participate in the BUSH Belles organization in Bailey County. Volunteers are needed to do campaign work in each precinct, to help on voter telephone and turn-out-the-vote programs and contributions, Mrs. Hall said. For further information telephone Clarence E. Mason, county GOP chairman at 925-3448, or Mrs. Hall, 272-4749.

Rotary Club Selling Mule Car Stickers

Boosting the 1970-1971 Muleshoe Mules, the Rotary Club members of Muleshoe are presently selling black and white bumper stickers which state: "Muleshoe High School, '70-Kick Might-'71, Muleshoe Mules."

This project was undertaken in an effort to show the spirit of the local people and emphasize to the boys that Muleshoe people are backing their efforts in the sports field.

The stickers are available from any member of the Muleshoe Rotary Club and are selling for \$1 each. They urge everyone to buy and display a Muleshoe Mule on their car, pickup or truck.

guest speaker, A.Y. Ingham of Amarillo, at the annual Muleshoe Classroom Teachers Public Relations Banquet Thursday night.

Ingham is the father of Ben Ingham, Muleshoe elementary school teacher and Jeff Ingham, former Muleshoe Choir Director for junior high and high school.

He said he is the father of five sons and had a DD degree. (For the uninitiated, DD is Dumb Dad). Ingham said his five sons had all recorded greater achievements than he had managed.

Muleshoe Boy Scouts Aided By United Fund

The second largest recipient of budgeted funds from the Muleshoe Area United Fund is the Boy Scouts of America organization, who receive \$2,500 from the fund.

The local scout groups involve more than a hundred boys and their leaders. Included in Boy Scout training are skills, character building, life saving, sports, public relations and hobbies.

The local leaders, including Den Mothers, Den Fathers, Pack Chiefs, and all Scout leaders, are volunteer workers who spend their time helping train the boys of today to be the man of tomorrow.

Hiking and camping are also included in the extensive Scout training.

In survival, the boys are taught how to survive in the woods, in desert conditions and how to utilize nature to sustain life.

Firemaking with crude instruments is emphasized, along with signals and signs, the use and importance of fire, along with the potential dangers of fire.

Swimming and handicrafts are strongly emphasized; as are life saving practices; not only for the Scouts, but for people in an area.

The scouts are taught to help at public functions, in an escort or assistant capacity, and as Scouts, and the future young men of America, they are taught to respect their country and to protect it. The value of Cont'd. on Page 2, Col. 1

aged, and added that it could only be done in America, the land of opportunity.

Reminding the educators at the dinner of their great responsibility in forming the nucleus for the future of this country, he commented, "You have in your hands the opportunity to make this country great. You have the responsibility to make this country great."

He spoke of the need for more and more education and dwelled briefly on the problems which arise in these modern times which were not apparent when many of the teachers were in college themselves.

"Our education is important," he added, "but more than that, the fellowship and love for our fellow man must be emphasized."

Interspersing his talk by keeping patriotic theme uppermost, he stressed "Say what is right about America, instead of what is wrong."

"We have a low eb in morals and we can only hope that the low morals can only be temporary."

"The Silent Majority can be blamed for many of our present headaches of today, because they have remained the Silent Majority and have not spoken out. They have not been heard like the small, noisy minority groups."

He continued, "We cannot legislate respect, it still has to be earned, by the sweat of our brows, by word and by deed."

"Be proud of America, this land in which you live. I am proud to be an American."

Preceding the patriotism talk by Ingham, members of the Texas Classroom Teachers Association and their guests had a salad supper in the Fellowship Hall of the First United Methodist Church.

President Estelle Fox welcomed teachers and guests and introduced three retired teachers who attended the dinner; members of the Muleshoe Independent School District School Board; presidents or representatives of Civic clubs; the school administration personnel; new teachers and teacher aides; Librarian Anne Camp and representatives from The Journal and Radio Station KMUL.

"Educational" "Beneficial" "Up-to-date" "successful" - such comments were among exclamations made on Friday's first annual Businessman's Farm tour sponsored by Muleshoe Chamber of Commerce. "Should've been 500 or more" but "just expected 50 persons but more than 70" persons joined in the on-the-spot five-hour tour. Operations viewed ranged from edible-type crops and products such as carrots, peppers, corn, cattle, sheep, hogs, sugar beets, dairy cows to production methods, costs, regulations, advantages, disadvantages and "hints" of twelve qualified persons whose farms were located in a circle around Muleshoe.

Cotton, maize, corn, rye, millet and seed operations looked particularly good as do the crops as a whole around Bailey County and Muleshoe trade area. The tour served well its purpose of showing businessmen from town a sampling of farm operations which form the large agricultural base to this area's economy.

The changes that are being anticipated in Muleshoe's area future agri-business contrasts with the once-populated, now deserted site at Progress schoolhouse where the tour's lunch was served. Now, at Progress where there were children active and playing, weeds and tall grass now grow.

The chamber's agri-business committee co-chairmen Don Rempe and Bill Wimberly; Don Harmon, attendance chairman of the tour; moderators Clinton Kennedy and J.K. Adams; Chamber Manager Jerry Hutson, ably led two busloads and car caravan. Tour chairman was Harmon Elliott.

The morning checked over east and north; following a picnic-style fried chicken lunch at the deserted Progress school grounds, the tour continued west and south.

Tour hosts conducted the 70-odd, including several out-of-town visitors from Amarillo, Lubbock, Littlefield, and even from as far away as St. Louis, Mo. Muleshoe and trade area businessmen and agri-businessmen and several women were members of the tour.

Potential implications of future growth in vegetables, corn, hogs, cattle and sheep were noted with interest. One of the changes seen from early-day farming was the use of sprinkler systems for conservation of water as brought

out by Derrell Oliver at St. Clair farms.

There were many other points of interest made by individual cooperative speakers and during the question-answer sessions.

"Allotments for sugar beets is administered as any other crop, but Holly Sugar of Hereford is the only contractor of sales in this area," John Gunter commented on tour of his 220 acres of sugar beets.

He added that a ton of sugar beets from 13-17 percent sugar is worth from \$13 to \$17 costs, regulations, advantages, disadvantages and "hints" of twelve qualified persons whose farms were located in a circle around Muleshoe.

In discussion the beet's production advantages were listed as diversification, better utilization of labor can be grazed after harvest, and good government support, but added problems are disadvantages of cost of fertilizer, water, controlled labor, transportation to Bovina, and land can be plants for beets only every five years because of disease problems.

Hartley Dairy manager Lester Harris told the crowd of the 330 head in the dairy operation with its lease of 15,750 pounds per day.

"Any production over the base must be sold as surplus milk at a lower price. Milk is sold to Lubbock. Additional base may be purchased from other

G-G's Fashions Grand Opening Slated Monday

Mrs. Charles (Gayle) Green has scheduled the grand opening of her new beauty shop in Muleshoe for Monday, September 14.

She opened a shop at her home following her completion of school at Curry County Beauty College in Clovis a year ago. Mrs. Green has moved her shop to 120 East Avenue B, the former Sweetheart Lane location.

Mrs. Green said the name of her shop is G-G's Fashions and Wigs and her increased wig stock will have the same price as Lubbock prices. Her hours are from 9 a.m. to 6 p.m.

Mrs. Green said they will always have specials in the shop.

Dallas Will Host State Democrats

Bailey County will send nine delegates and alternates to the State Democratic Convention to be held Monday and Tuesday in Dallas.

From Muleshoe attending will be Harvey Bass, County Democratic Chairman; Buck Johnson, Joe Costen, Irvin St. Clair, Kenneth Powell and R.L. Scott; Jack Ferguson, Three Way; John Hubbard, Bula, and Delbert Watson, Baileyboro.

Bass, accompanied by his wife, will attend the county state chairman's meeting Monday morning, at the executive headquarters in the French Room, Adolphus Hotel, Dallas.

Other delegates and alternates will leave on the special B.J. St. Clair bus Monday morning, 7 a.m. from the courthouse lawn. Chairman Bass announced.

Tuesday, September 15, at 10 a.m. the State Demo convention will be called into order at the Dallas Memorial Auditorium. The delegates and alternates will attend a TOPS in Texas banquet honoring all Democratic candidates at the Great Hall of the Apparat Mart. Vikki Carr will be the entertainment highlight.

Muleshoe Lions Broom Sale Set September 15-16

A two-day broom sale will be conducted by the Muleshoe Lions Club, according to Lions Club reporter Dave Sudduth. The two day sale will be on Tuesday, September 15 and Wednesday, September 16.

Members of the Lions Club will be working both the business sections and residential areas during the sale. Included in the sale will be brooms, mops, brushes and other household cleaning aids.

All proceeds from the broom sale will be used for local Lions Club projects. The brooms and household cleaning equipment are made by the Lighthouse for the Blind. Reporter Sudduth has asked the cooperation of all local persons in this sale.

education is taught, as well as the love of their fellowman. Publicity Chairman for the Muleshoe Area United Fund, Derrell Oliver, said that when anyone helps the Scouts, they are helping America stay a strong country. The Scouts add to the strength and backbone of the country by teaching the youth of today how to handle the problems of tomorrow and at the same time learn various crafts and skills.

Each county is entitled to one delegate vote and one alternate delegate vote in the State convention for each 300 votes or major faction thereof which were cast in each county for the Republican candidate for governor in the general election of Nov. 5, 1968.

dairies going out of production. With own replacement cows this can be repaid in about three years," Harris continued in comment. The operation is mechanized, a pen of 63 cows brought in - 2 a.m. and 2 p.m. Arvis Grogan's carrot patch would intrigue Peter Rabbit with its tender Improbria No. 58 carrots which will be ready November 15.

"They are not hard to raise, but preparing ground, keeping ground loose, planting and watering about every two weeks are harder. It is a supply and demand market. The best price was \$125 per ton in January 1967, with this year's market 'not so good' because of Michigan and Canada's productions. Expenses run \$70-75 an acre until harvest," he said.

Carrots are machine harvested by a Hereford firm, so that the carrot is elevated from the ground and thrown on machine while the tops are dropped on the ground.

Green pepper fields cannot be plowed, must be hoed, Lusky Green said "This was a real good year because our peppers were ahead of other and it is a good pepper market in the East," Green said, Packers are

in Plainview, Bovna and Floydada. The peppers must be picked by skilled crews, about five times a crop, then watered after each picking, he added, Kenneth Nesbitt, of a SPF hog operation, told of the disease-free operations which keep their hogs from some of the major common hog diseases. He said these hogs get premium prices. Break even point is about 15 cents per pound, Nesbitt said.

Hog raising is an up-and-coming new industry in this area. Outlets are individual buyers, and at present Plainview and Clovis markets, he added.

The massive 400 by 200 foot ensilage pit with some 60,000 tons at King Feed Lot for their cattle and sheep was impressive. The bus tour around the lots went past the 1,700 sheep now testing out on ensilage and later hay, and cattle in various pens, hospital and the green pasture" which often cures a sick cow when medicine has not done it," Harold King told his bus load, Max King spoke to the other group.

"Death loss of cattle is about one percent, while sheep loss is kept to a good 2 percent," Harold King said.

At the last stop at Santa Rosa Cattle Company, Hal Bynum told of the sprinkling sys-

NEW GIRL SCOUT OFFICERS . . . Newly elected officers for the Muleshoe Neighborhood of Girl Scouts are l. to r. Mrs. Walter Bartholf, treasurer; Mrs. Wayland Harris, organizer; Mrs. Dean Morgan, secretary; and Mrs. Joel Nowlin, Neighborhood Chairman. They were installed in a meeting September 10, at the Girl Scout Hut.

Muleshoe Study Club Opens New Club Year

The Muleshoe Study Club had its first regular meeting of the club year Thursday, September 10, 1970, at 7 a.m. in the Corral Restaurant. Hostesses for the breakfast meeting were Mrs. John Farley, Mrs. Wilson Witherspoon, Mrs. C.M. King, Mrs. Les Bruns and Mrs. Joe Costen.

Mrs. Rufus Gilbreath led the Pledge of Allegiance. Each answered roll call with "What I Did With My Summer Time".

The club gave a gas light to Girl's Town U.S.A. and donated five dollars to Muscular Dystrophy Association of America, Inc.

Mrs. G.L. Splawn, the president, welcomed the new members, Mrs. Barry Lewis, Mrs. Mildred Neeley and Mrs. Ed Manning. She reviewed the responsibilities and duties of the members.

Mrs. O.N. Jennings, Federation Counselor, reported that this is Texas Federated Club's Diamond Jubilee year. She stressed the importance of preservation of the Big Thicket. It is getting monotonous to travel with everything the same - we need to save our trees.

Lyndon B. Johnson has been added to the Federation Golden Book as an outstanding American.

The Caprock District theme is "Take Time". The Muleshoe Study Club theme is "Time for Family, Church, and Friends". The theme for the meeting was "Fellowship" and the quote was from Proust, "The time which we have at our disposal everyday is elastic."

Mrs. Jennings concluded her report with the charge to begin the new club year with the following: "Fear less; hope more; Talk less; say more. Eat less; chew more; Hate less; love more. Criticize less; do more. Forget the bad; remember the good. Disagree less; unite more."

Mrs. R.F. Wright, year book committee chairman, distributed the yearbooks to the members.

The meeting was adjourned with a prayer by Mrs. Douglas DuBose.

Mrs. Jack Rennels and Mrs. Frank Wire of New Orleans, Louisiana, were guests.

Members present were Mrs. J.G. Ann, Mrs. Walter Bartholf, Mrs. H.L. Blackburn, Mrs. Les Bruns, Mrs. Joe Costen, Mrs. Douglas DuBose, Mrs. John Farley, Mrs. Rufus Gilbreath, Mrs. R.O. Gregory, Mrs. Ed Johnson, Mrs. George Johnson, Mrs. O.N. Jennings, Mrs. C.M. King, Mrs. Barry Lewis, Mrs. Ed Manning, Mrs. Mildred Neeley, Mrs. Levina Pitts, Mrs. G.L. Splawn, Mrs. Wayne Williams, Mrs. Wilson Witherspoon and Mrs. R.F. Wright.

Jaycee-Ettes To Hold Meeting

The Muleshoe Jaycee-Ettes will hold their first meeting of the new year Tuesday, September 24, 1970, in the home of Mrs. Duane Seay at 7:30. Guest speaker will be Earl Crush from the Home for Unwed Mothers in Lubbock, Texas. Plans will be made for following activities that the Jaycee-Ettes will participate in for the next few months.

If there is any Jaycee wife that has not been contacted about joining the Jaycee-ettes, please contact one of the following: Mrs. Duane Seay, Mrs. Ronnie Spies, Mrs. Curtis Walker, Mrs. Marlin Mills, Mrs. Marshal Lee, Mrs. Larry Combs, Mrs. Bill Dale, Mrs. John Blackwell or Mrs. Clarence Christian.

GIRL SCOUT LEADERS . . . The Muleshoe Neighborhood of Girl Scouts have installed the pictured women as new leaders. L. to r. are Mrs. Jerry Littau, Brownie leader; Mrs. Gene McGlaun, Junior leader; Mrs. Royce Clay, assistant Brownie leader; Mrs. Ronnie Shaffer, Brownie leader; and Mrs. Kenneth Stice, assistant Brownie leader.

Art Association Begins New Year

The Muleshoe Art Association began their new year Tuesday, September 8, at 10 a.m. in the Community Meeting Room of the Muleshoe State Bank. There was a good representation of its members to hear the interesting and enlightening speech of Rev. Kenneth Wyatt of Tulsa on the ARTS, said Mrs. Herman White, president of the association, who introduced the speaker.

Stating that Art is an expression of yourself and the creative force of man, Wyatt went on to describe the three different types of Art. The three types were Practical Arts, Graphic Arts and the Fine Arts. Following this discussion, he described the four main types of painting. He brought some of his paintings with him. These were shown and discussed before Wyatt had to leave.

Mrs. Gil Lamb made an announcement for the Fine Arts Council, asking that the Muleshoe Art Association select a representative to attend the first meeting of the Fine Arts Council this fall. Mrs. Herman White was selected to attend.

After refreshments of coffee, doughnuts, orange nut bread and coffee, Mrs. Herman White, president, again called the meeting to order. Mrs. John Hammock, secretary-treasurer, gave the reading of the minutes of the previous meeting. Mrs. Elbert Nowell gave

the financial report. The new year books were not ready, due to the death of the mother of the printer. They will be passed out at the next meeting. Other officers of the association are, Mrs. Jack Linderon, vice-president and exhibition chairman; Mary Sweatmon, first vice-president and program chairman and Mrs. Jack Smith, reporter.

Mrs. Frances Stegall asked that any member, having paintings lying around who would like to share their work, to donate them to some hospital to hang in the rooms of their patients. Lubbock and Amarillo have made a request for paintings. The address of the person to contact in Amarillo for this is Mary Mitchell, 128 Mustang, Amarillo, Texas.

Members attending the meeting were: Mrs. Herman White, Mrs. Frances Stegall, Mrs. L. W. Chapman, Mrs. John Hammock, Dana Arnauld, Velma Davis, Mrs. Charles Lenau, Mrs. Pat Bobo, Mrs. Arnold Gross, Mrs. Elbert Nowell, Mrs. Horace Blackburn, Mrs. Jack Schuster, Mrs. Horace Hutton, Mrs. C.E. Roark, Mary Sweatman, Lynn Campbell, Mrs. Sam Fox, Mrs. Vernon Jamison, Mrs. James D. Maybry, Mrs. Leland Mounts, Mrs. Gerald Allison, Mrs. Conrad Williams, Mrs. Donnie Carpenter, Mrs. Jack Lenderon, Myrtle Steinbock, Sandra Chancy and Mrs. Jack Smith. New members were: Alameda McGuire, Opal McClevey, Dorothy Franklin and Mary Lena Burke. Guests attending were Rev. J.B. Fowler, Allene Chapman and Mrs. Gil Lamb.

TOPS Crown Weekly Queen

The Muleshoe Chapter of Jenny TOPS met Thursday, September 10, at 7:30 in the Bailey County Electric Meeting Room. Mrs. J.R. Otwell held the meeting due to the absence of the leader, Mabel Wolfe.

The pledge was repeated and the TOPS song was sang. Selma Redwine called roll with members answering whether they had lost or gained weight. A letter was received from ARD asking members to bring any questions they had to the meeting in Hereford. Members then discussed questions that could be asked at the area meeting.

Mrs. Antonio Rodriguez was crowned Queen of the Week and received a gift from the white elephant box. First runner-up was Mrs. Tom Berry and second runner-up was Jean Whalin.

Three members read to the group what they had eaten for the past week. All members are asked to bring a low-calorie recipe for next week's meeting. Mrs. Raleigh Mason will give the pep talk next week. Everyone drew an item out of a box to see what they could not eat next week.

The meeting was closed with the singing of the good night song.

CONVERT YOUR HOME TO COMFORT ELECTRIC HEATING NOW...AND WE'LL INSTALL STORM WINDOWS... *free!*

■ Now is the time to bundle up your home for winter. Now is the time to install whole-house, comfort electric heating because, right now, with every qualifying electric home heating installation, we'll install *free* a complete set of storm windows for the heated portion of your home. All you need do is call Southwestern Public Service Company. Our electric heating specialist will gladly and professionally determine the exact heating requirements for your home.

■ Modern electric comfort heating is already being enjoyed by over 4 million American families! . . . almost 5,000 in our area alone. The reasons are many, but what most people like about clean electric heating is the *comfort* it gives. An even warmth from floor to ceiling creates a comfort unlike any other heating method. You owe it to yourself and your family to get the facts about electric heating! . . . and now is the time to do it.

■ Storm windows have proven their value in keeping out cold, wintry winds, holding down

inner heat loss and contributing to lower heating costs. The storm windows now offered *free* with qualifying home electric heating installations, are 2-track, aluminum windows with screen, and custom made to fit your own windows. Storm windows do an excellent job of combating dust storms, too.

IS YOUR HOME ELIGIBLE?

This offer is available to residential customers of Southwestern Public Service Company, living in existing single family homes and qualifying for the special residential electric heating rate. Should you already have storm windows or windows of such design or shape that they do not lend themselves to normal installation, do not despair — we have a special, most attractive plan for you, too.

'Cats on Top, 22-8

Mules Thrill Fans In Opening Game

"They looked good;" "that last quarter was quite a ball game;" "look at the way the Mules hit!" and other comments were heard immediately following the first football game for 1970 Friday night. The Muleshoe Mules took on the Dimmitt Bobcats for openers and fell to the 'Cats, 22-8. The 'Cats utilized a passing game much of the time and one of their touchdowns followed a long downfield pass. Following a rocking back and forth first half, the Bobcats managed to score early in the first quarter, when speedy Daniel Frier-son, a back on the Cat team, snaked his way through the Mule line with 7:10 on the clock in the first. A wild snap to the kicker held the 'Cat score to 6. During the balance of the first quarter and through the second, neither team managed to threaten too much, although both teams managed to penetrate enemy territory. Tight defenses held the runner out of the end zone. Tightened up defenses, with some top defensive stops noted on both teams, left a halftime score of 6-0. Early in the third, a Mule wild snap, and fumble provided two extra points for the Cats on a safety when Randy Field found himself trapped behind the goal line. The rattled Mules watched the 'Cats score two more times in the third. The second TD for the Bobcats was after almost six and one half minutes to play in the third when Jay Stanton, back for the Bobcats raced from approximately the Mules 40 into the end zone. He found a hole in the defense line and broke through. The kick for extra points was good and the score was 15-0. A long downfield pass from 'Cat quarterback Mark Wohlge-muth to end Max Newman provided the final TD for the Dimmitt players. In the air for

approximately 30 yards, the touchdown pass was with 2:19 on the field clock. Kicker Hoyt Heston booted the pigskin between the uprights to add another point and it was a 22-0 game. A steady downfield march put the Mules on the two-yard line with around three minutes on the clock in the fourth. Bobby Hayes and Donny Wheat moved the ball as they inched toward the near goal. Hayes blasted and powered his way through, dropping into the end zone with 2:33 on the clock. Wheat backed this up by mowing down a couple of 'Cats and breezing in for two extra points.

After the Mule score, they held the 'Cats during the final minutes of the game and it ended, 22-8. It was noted and many comments were made about the almost packed grandstand on the visitor side at the game. Several of the coaches added that it increased the spirit of the boys on the field. Next Friday night, the Mules will travel to Olton to take on the Mustangs at 8 p.m. Athletic Director Fred Hedgecock urged everyone to continue backing the Mules and adding to the spirit of the competition.

Gail Downs Bula For '70 Opener

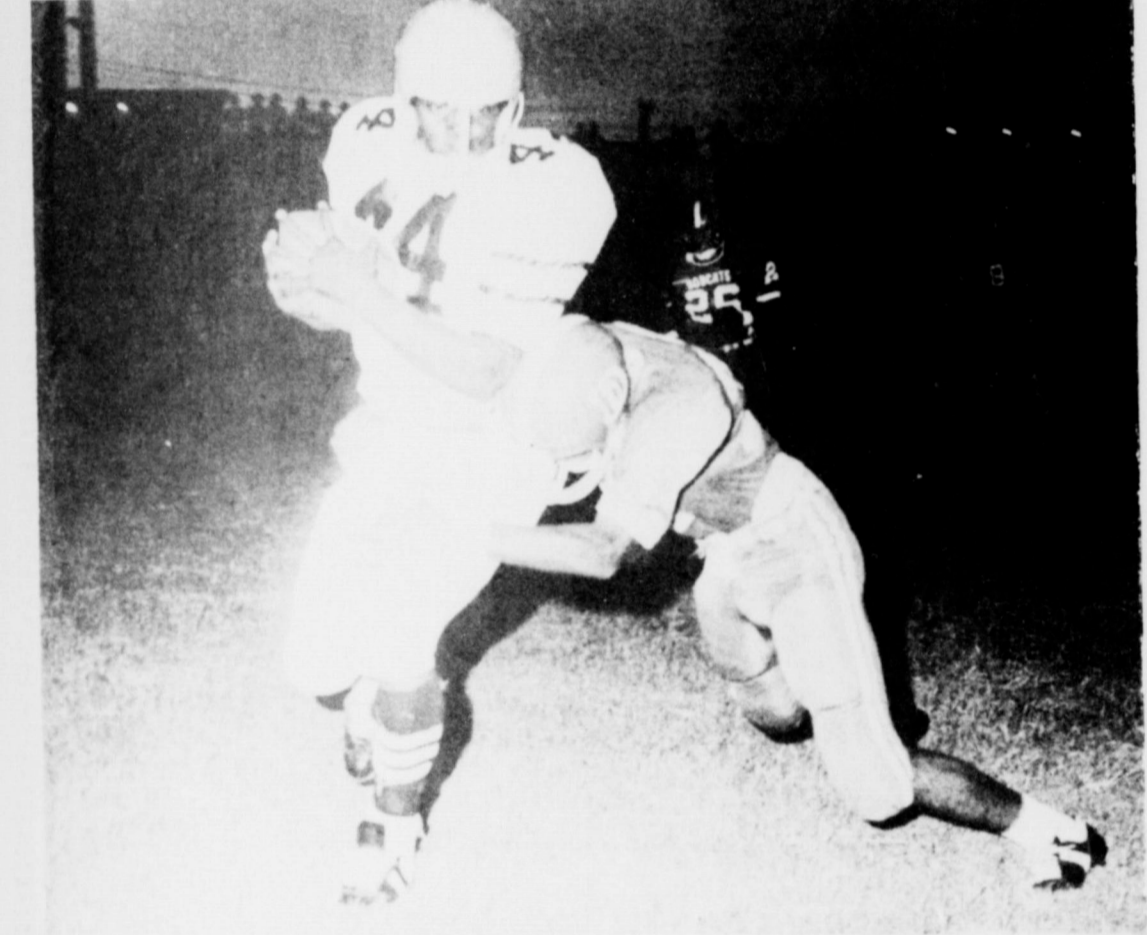

Borden County's Gail School found the right combination at Bula Friday night and upended the Bulldogs, 52-18 in the opening tilt of the 1970 football season. Gail scored eight points in the first; 30 points in a wild

second quarter; 14 in the third and were held scoreless by tightened up defenses in the fourth. Bula's scoring was done by Mitchell Autry in the first and two TD's by quarterback Don Risinger in the fourth. Coach Loyd Halbrooks said the game was predominantly a ground game, with Gail logging 294 yards and Bula 264 yards. Bula led in first downs with 13,

while Gail had 11. Coach Halbrook said Steve Newton proved to be the best ground gainer for the Bulldogs and logged an outstanding night.

HAYES (No. 44) HEADED FOR DUMPING--As 160-pound halfback Bobby Hayes provides much of the ball carrying action in the Dimmitt-Bobcat-Muleshoe Mule game Friday night, he is headed for one of the numerous dumpings he was on the receiving end of during the night. He scored Muleshoe's solitary TD, with the extra points being added by Donnie Wheat, also a half-back. Final score in the game was Dimmitt 22, Muleshoe 8. Next Friday night, the Mules will travel to Olton to take on the Mustangs.

Sophomore Mules Win First Game

by Charlie Chandler Muleshoe sophomore Mules showed good speed and used the wishbone formation generally to win their first game of the season against the Sudan Hornets Thursday afternoon at Sudan, with a score of 28-6. After opening kickoff by the Hornets to the Mules, Muleshoe scored eight plays later. Gerald Bara, left halfback made the touchdown; conversion was unsuccessful; the score, 6 to 0. Sudan used the spread T and wishbone plays in their game, showing well.

Mike Slayden stole a fumble from Sudan on the 30 yard line, then a play later Muleshoe lost the ball to Sudan's Michael Sharp on the 30. A bit later Raymond Davenport received the ball in a handoff on the 50 and made a 25 yard run down to the 25, after which Vara went off tackle on an inside belly play and made 20 yards. He continued with a power-off tackle to score. The Mules failed to run the extra point. A 70 yard run by Dennis Parker around left end after a handoff ended in a TD. The point after the touchdown was made by Bara, bringing the score to 20-0. A series of penalties and fumbles preceded halftime which ended the second quarter with Sudan's Kevin May going for nearly ten yards as the whistle blew. Third quarter brought a pass received by Sudan's Kevin May and another with Sudan's quarterback Curtis Chester to May completed. Muleshoe got the ball, and Bara carried from Mules own 24 to 12 yard line for 54 yards. In the fourth Muleshoe's Kenny Taylor recovered a fumble on the 14 yard line, then after a first down on the 2 yard line, Bara went over for his third TD. A pass from Raymond Davenport to Larry Vinson was good for two points, making the score 28-0 in the first of the fourth quarter. The Hornet's Mark Hanna recovered a Muleshoe fumble in the end zone for a touchdown in the last four seconds of the game. They failed on the extra point. Final score was 28-6. Mules outstanding on defense were Danny Blaylock, Charlie Vila and Jessie Villarreal, Sudan's Michael Sharp looked well on

"I DON'T SEE ANYTHING"

THERE IS ONLY ONE WAY TO SEE THROUGH A CAMERA Did you ever try to look through a camera from the front side? Yes, most of us have... out of curiosity... but we would not even consider trying to take a picture in such a manner. There are many though, who go through life never giving themselves a chance to really see God. In order to see God, one must look at him through faith. Attend church regularly, seek God where others can help direct you in your search for God. "So then faith cometh by hearing, and hearing by the word of God."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God. GET OFF MY BACK!--Leroy Maxwell finds himself dumped, quickly and efficiently at the Jaycee-Lumberjack donkey softball game Thursday night. The donkeys did not allow many riders to go around all the bases. In fact, the game ended with a score of 2-1, Jaycees, a lot of laughter and a lot of sore riders. Secretly, the donkeys actually won the game. Most of the time, they don't lose.

Donkeys--Men Tangle; Donkeys Win Ball Game

Officially the Jaycees defeated the Lumberjacks by a score of 2-1, but from the hilarious laughter and antics presented by the unwary riders on the baseball field, the donkeys actually captured the ball game.

The activity was the occasion of the donkey softball game at Roger Miller Park Thursday evening. Unruly donkeys kept

New Jersey ends ban on Election Day liquor.

the players sliding over their heads as they objected and simply came to a sudden halt, ducked their heads quickly and over went the rider. Others kicked up their heels, spun around in a miniature rodeo and the rider and donkey parted company.

It was 'who's up to bat' as everyone wanted to play. Jerry Hutton said they had a few problems as some of the potential players momentarily objected to the stubborn little creatures, but as soon as those who stayed back and lagged behind saw how much fun, they

Hutton said they did not make a lot of money, but the fun more than made up for the few days of soreness which certainly faced the players unused to riding

(or being tossed off). The Jaycees plan to use the funds from the game for various projects. They thought that perhaps they wouldn't have to use too much of the money for liniment.

By the way, rumor that is circulating, has it that some of the potential players who suddenly 'had to be out of town, or came up with various convenient illnesses and ailments' are on a 'chicken list.' Predominant on the list are supposed to be the names of several of the more prominent young people in Muleshoe.

Hunters To Get Mixed Shooting Opportunities

AUSTIN -- Shotgunners with a knack for being at the right place at the right time may be able to legally shoot doves and teal on the same hunt this month.

The experimental early teal season from Sept. 12-20 overlaps the dove season for the States, North Zone, which is Sept. 1 through Oct. 30.

In the South Zone, however, the teal season will be over before the start of dove season Sept. 26. Nevertheless, a mixed bag still is possible later because the dove season extends to Nov. 24 and the regular duck season opens statewide on Nov. 4.

The South Zone dove regulations are different in 21 counties near or adjacent to the Rio Grande. These counties have a special season for white-winged doves.

In those counties where there is an open season for white-wings, hunters won't be able to take teal on the first two days of whitewing shooting, Sept. 5 and 6, but may do so on Sept. 12-13. Teal and other ducks may also be taken

in combination with doves in the South Zone during part of the last portion of the dove season Sept. 26 to Nov. 20, as the regular duck season starts Nov. 4.

The early teal season is designed to give hunters a chance at the fast-flying teal which migrate south earlier in the season than other types of waterfowl.

A valid Texas Hunting license is needed to hunt doves if hunting outside the county of residence, and federal duck stamp are required for all

waterfowl hunting in the State, but no special permit is required for the teal season.

Teal shooting will be from sunrise to sunset, with an aggregate bag limit of four per day of bluewing, greenwing or cinnamon teal. Possession limit is eight. Dove hours are 12 noon to sunset.

The state's dove hunting regulations are explained on a dove map recently distributed by the Department.

Jaycees Host Guest; State Vice President

Dick Lyons of Plainview, State Jaycee vice president was special speaker at the noon meeting Monday of the Muleshoe Jaycees. He spoke on various Jaycee State activities and projects.

Discussed in the regular session of the meeting was a re-

gional visitation which is slated for September 19 at the Muleshoe Country Club at 8 p. m. and the Muleshoe Jaycee annual Sandhill Crane hunt which will be held in November.

Fall is here and harvest is under way. Several hundred acres of ensilage has already been cut and several of the farmers are starting to cut corn. The cotton crop up to this point looks better than it has at this time in several years. Some of the farmers are beginning to combine maize. V.T. Tanner told us that on 400 acres of cucumbers, there were 4,700,000 pounds produced.

Everyone enjoyed the farm tour, especially since the crops show promise of good production. With pretty weather this Fall, we should have one of the best overall harvests in recent years.

Introducing The New Teachers At Muleshoe High

'70 Student Council Plans 'Big' Year

By Becky Sain, Reporter
The 1971 Student Council officers are in the swing of things. They plan to make this the best year old MHS has ever seen. The Student Council officers and representatives have met several times and have great plans for the year. Many suggestions have been discussed such as spirit contests, the selling of book covers to the student body, several special days of entertainment, and various other activities of fun-filled excitement. Several projects are underway such as buses for a pep squad to be driven to out of town games. Also, the writing and dating of a constitution is being taken care of.

WT Football Magazine Sale Now Underway

By Cathy Mardis
It's that time of year again! Football Season! This year the Student Council and Cheerleaders at M.H.S. are selling the West Texas High School Football magazine by Art Albracht. The magazine includes a two-page spread on the Muleshoe Mules for 1970-71. Every team that Muleshoe plays is featured except for Portales. It tells about the boys, the position they will be playing and what kind of season is expected from each one.

If you wish to have one of these magazines contact Jerry Putman, Martha Chapman, Cathy Mardis or Susan Wood. The price is \$1.50. Stick around, the Muleshoe Mules aren't dead yet. They've paid their dues and it's time for an about-face. "There's a lot of KICK left in this old MULE!"

The council has discussed having several money making projects this year. Before school started they helped the cheerleaders sell high school football magazines. The magazines include all high school teams in West Texas. Ideas for spirit contests have been discussed. It was decided that the contest be based on attendance at all school functions. The competition will be between classes and the attendance will be computed on a percentage basis. Weekly results of the contest will be announced each Monday. At the end of the year a plaque will be presented to the winning class. The Student Council welcomes each of you and hope this year will be the best ever.

Congratulations

Climbing Roses At Sandhills

By Gayla Hooten
Wow! What a blast! If that's part of F.H.A., it's going to be great fun! How does this sound -- being drenched in vaseline and buried in the sand -- Ugh! or coke with sand instead of ice and hot dogs covered with sand. Just get a lot of fun-loving girls and all of this. It simply adds up to the perfect recipe for a great party. The annual party was given for the FHA freshmen girls by the Sophomore, Junior, and Senior members, but was it safe for them to come? (Some were scared off). The hay ride (without hay) and the sandhill party was held September 8. Talk about an initiation! However, the freshmen girls managed to get a few upper-classmen too.

Senior Class Emphasizing School Spirit

Reporter Becky Sain
"Look out world, here we come! We're the class of '71." The senior class met for the first time, Tuesday, September 8. The 1970-71 class officers and sponsors received recognition. They are as follows: Jon Cole, president; Greg Little, vice-president; Judy Dodd, secretary; Becky Sain, reporter; and Lance Puckett and Tommy Taylor, parliamentarians. Class sponsors are Mr. and Mrs. Smith, Coach Washington and Mrs. Harlin. Jerry Putman gave a talk on school spirit. He told about the spirit contest and the plaque which will be presented to the winners at the end of the year. The Senior class wishes to challenge any class for the contest.

BURIED ALIVE!--When the Freshmen FHA girls were honored with a sandhill party a few days ago, some of the girls were reported to have been buried alive. Sure hope all of them got dug up in time to return to their classes the next day.

George Marshall

By Cathy Mardis
George Marshall, the new Algebra I and Related Math I and II teacher, has taught for two years. He was reared in the West Texas area around Lubbock. His last job was in New Home, Texas.

Marshall received his Bachelor of Science degree in Education from Texas Tech. He enjoys Entomology, chess, fishing and camping. Marshall said he appreciated the opportunity of meeting and working with the principal and teachers. He said M.H.S. had

FTA Officers Begin Plans For Activities

By Sonnie Glaze
The F.T.A. began the season with an officer's meeting, August 28, at Jerry Putman's home. The new officers -- Jerry Putman, president; Sharron David, vice-president; Bebbie Bruns, secretary; Sonnie Glaze, reporter; Don Heathington, parliamentarian; Randy Williams, chaplain -- and sponsor, Kerry Moore, discussed the events of the coming year.

The first chapter meeting was held September 4. A get-acquainted cook-out was planned and dues were paid. On September 7, the cook-out was held at the home of Mr. and Mrs. John Gunter. Games of volleyball, ping-pong, badminton, and jumping on the trampoline were enjoyed by approximately sixty members. Hamburgers ran low as Jon Cole set a record of eight hamburgers, eating two at a time.

Everyone enjoyed the cook-out and are anxiously awaiting the coming activities of next month such as the Powder Puff Football Game.

Mrs. Joe Young

By Steve Holfield
Mrs. Pat Young is teaching for the first time this year. She teaches Girls Physical Education and Health in Muleshoe High School.

Marion Teel

By Betty Chandler
Among the ten new additions to our staff at MHS is a freshman English teacher, Marion Teel. Teel is a native of Portales, New Mexico. He previously taught English, Speech, and World History at Stinett High School at Stinett, Texas. When asked if he enjoyed teaching, he replied, "After eleven years, yes."

Teel has a B.A. degree from Eastern New Mexico University in Portales, New Mexico. His graduate work is from the University of Texas at El Paso. His special interests and hobbies include drama, musicals, and writing short stories published, "My Boy is a Good Boy" and "Picaro" (Rascal). When asked what he liked about MHS, he said "the faculty." Teel is a bachelor and now resides at 120 West Avenue J.

Mark Gist

By Karen Mayhugh
Muleshoe High School welcomes Mark Gist, the new distributive education teacher. He was born and reared in Odessa, and he obtained his degree from West Texas State University.

Gist's wife, Cheryl, teaches sophomore English at M.H.S. They have a two year old son and they attend the Methodist Church.

The Gists love to travel, especially to Red River. In fact, they just returned from a weekend trip from the mountains in New Mexico. Gist likes his new school because he finds that the faculty and students are friendly. In return he is a very friendly and interesting person. Mark and Cheryl Gist are a welcome addition to M.H.S.

Mrs. Mark Gist

By Betty Chandler
It is September, 1970, and again school has begun with new students and faculty. Among the new teachers is Mrs. Mark Gist.

Mrs. Gist, a native Texan from Odessa, has been teaching for two years and enjoys it very much. Last year she taught the subjects of English (eighth through twelfth grade) and speech at Roy High School in Mosquero, New Mexico. She holds a Bachelor of Science degree which she obtained from West Texas State University at Canyon, Texas.

This year Mrs. Gist is a member of the Muleshoe High School staff, teaching sophomore English. When asked what she like about MHS, she said, "the friendly students and helpful faculty."

Mrs. Gist's husband, Mark Gist, is the teacher of Distributive Education in MHS. They have a son, Shawn, two years old. Hobbies and special interests of Mrs. Gist include playing with her son, traveling, and water and snow skiing.

The Gist's residence is at 407 C West 17th.

Welcome to MHS From Mule's Tale Mrs. Jay Harbin

Several new faces are seen around MHS this fall among the teaching staff and they are to lead off the 1970-71 version of the Mule's Tale, the official publication for Muleshoe High School.

To the new teachers and administration officers outlined in the story below, we wish to extend a welcome to MHS:

Fred Mardis

By Cathy Mardis
Muleshoe High School has a new Principal, Fred Mardis. Mardis was reared in Childress, Texas. He went to West Texas State University where he received his BBA in 1951. He received his Master's degree at Eastern New Mexico University in Portales, New Mexico, in 1968.

Mardis has had seven years teaching experience, two years as assistant principal, and two years as assistant principal of the Junior High School. Mary, his wife, is a first grade teacher at Mary de Shazo. Mardis has one son, Jim, a sophomore at McMurry, and one daughter, Cathy, an M.H.S. Senior.

His hobbies are hunting and fishing. Mardis said, "When I am not hunting for a place to fish, I am fishing for a place to hunt."

When asked what he liked about M.H.S., Mardis said that he believed the students were the finest group of boys and girls he had ever worked with. "They are outstanding compared to any other boys and girls anywhere."

Mardis resides at 1729 West Avenue F., Muleshoe.

Mrs. Jay Harbin

By Cathy Mardis
Dorine Harbin, the new Homemaking III, Home and Family Living and Consumer Education teacher lived for 16 years in Levelland. Mrs. Harbin has has 23 years teaching experience. She received her B.S. from Texas Tech and is presently working on her Master's degree.

Mrs. Harbin's husband, Jay, is the manager of Bailey County Farm Bureau. They have one daughter Jayellen Wilson and two sons Mark, attending Texas Tech and Paul, attending Muleshoe Junior High School. Her hobbies include her family, tote painting and working with people.

"I feel that everyone at MHS is friendly and I enjoy the good attitude of students and their willingness to co-operate," commented Mrs. Harbin.

Mrs. Harbin resides three miles out on the Plainview highway.

Mike Pollard

By Babs Haire
Mike Pollard is the new girls' basketball coach. In addition to coaching the freshman, B team, and varsity girls, he teaches a class of Physical Science and one of World History.

He received his Bachelor of Science degree at West Texas State University and is now working on his Master of Education at W.T.S.U. He taught in Spearman in 1967 and 1968, and then was in service for two years.

He is interested in sports, and he likes to play baseball. He enjoys fishing and hunting. His foremost interest is working with young people.

Pollard likes the campus and buildings of Muleshoe High because they are neat and attractive. He is impressed by the attitude of the students and the fact that they are interested in learning.

Mike Pollard and his wife Ramona live at 911 South First Street in Muleshoe.

Neuenschwander

By Babs Haire
Jerry Neuenschwander is teaching junior high and high school choir and ninth grade World Geography. He was born in Murray, Utah, and he calls Littlefield home.

Neuenschwander is unmarried and Muleshoe is his first teaching position. He graduated from Texas Tech with a Bachelor of Music Education degree.

He resides at 207A 18th Street. His special interests are music and fishing. He also likes sports, particularly football and soccer.

He feels that Muleshoe High School students have a lot of talent and that the administration and faculty are really "up on things."

CARD OF THANKS

How we do wish it could be possible just to see each of you and say a personal, "Thank you", for every kind deed that was done for us during the illness and death of our dear mother, Mrs. Ethel Miller. Our every need was met that friends could possibly meet.

Thank you for every act of kindness, visits you made, cards and flowers, and the wonderful way you provided food for our families.

A very special thanks to our doctors and nurses, you were so kind.

Obituaries PearlHammock

Mrs. Lillie Pearl Hammock, 83, died Wednesday, September 9 in Desert Center, Calif. She died suddenly of a heart attack while visiting in the home of a son. Her home in Muleshoe was at 702 South Main. Mrs. Hammock moved to Muleshoe 10 years ago from Sudan, and had lived in Sudan since 1922. Lillie Pearl Hammock was born July 25, 1887 in Indian Gap, Texas and was a member of the First Baptist Church.

Funeral services are pending at Singleton Funeral Home in Muleshoe.

Survivors include five sons; John Hammock, Muleshoe; Ross Hammock, Desert Center, Calif.; Truett Hammock, Hurst; Carl Hammock, Dallas, Ore. and Rex Hammock, Gates Ferry, Conn.; three daughters, Mrs. Lee Pool, Muleshoe; Mrs. R.C. Brandon, Henderson; Mrs. J.W. Ray, Cebuene one sister, Mrs. Anna Mae Hudspeth, Pittsburg, Calif.; one brother, Irvin Stephenson, Anton; 22 grandchildren and 18 great-grandchildren.

Dear Editor:

Back in May at the "fact" finding meeting at Needmore the question was asked "Why was Southern Bailey county included in a district providing a hospital for Muleshoe?" The only answer given there was that sooner or later everyone will be paying taxes to a hospital district so we might as well accept this one. This is ridiculous. Life is full of "sooner or later's": false teeth, old age, baldness, wrinkles, and death, all of which we are going to put off just as long as we can.

This question was asked several times at different meetings but the only other answer given was a quote by Dr. Lewis in the Lubbock paper just before the trial. He said simply "It was the easiest way." No thought to fairness, no thought to justice, no thought to sportsmanship, no thought to the American system of who benefits pays the bill, only "It was the easiest way."

Really there is a very simple answer to this question and it doesn't take a degree in math to figure it out. A project of this magnitude requires the largest tax base possible. The purpose was not to provide needed services to Southern Bailey county, but to provide sufficient tax revenue to make the payments. They don't want any backtalk, they just want our money.

If the Hospital board refuses to appoint a person from Southern Bailey county to fill the existing vacancy, the name should be changed from the Bailey County Hospital District to what it really is and has been since the beginning, The Muleshoe Hospital District!
