### Around Town

Drove passed the Ranger High School Monday morning as Mr. Garrett was ushering a large fertilizer spreader over the school house lawn. In past weeks, I have also observed him with a car full of student drivers in the driver education program. I think, perhaps, if it had been me the first driving instructions I would have given would have been on that fertilizer spreader type vehicle. Who knows, they would probably be able to solo it by The shade of that tree looked awfully inviting.

A treat is in store for Ranger baseball fans this coming Saturday night.

Everyone that sincerely enjoys good serious well-played ball, a game played by men in top physical condition, men who, through team loyalty, are willing to give their all should definitely stay at home. You can see that on

television every day. Everyone who enjoys an

nutty softball is in store, courtesy of the men of Ranger.

The men of the city will be dressed in women's clothes and will be required to carry a hand bag throughout the

You will see such startling Dennis Dies beauties as Jasperila Williams, Winona Tootie Eaton, that delicate little dish, Monika Offield and many others.

That tall skinny one from the newspaper will be out of town — too bad.

dents.

'The Operation BIG Pro - as these farmers use this mongram has the full support of ey to pay school taxes, church the Farmers Home Adminis- dues, and spend it with the tration," was the statement businessman, merchants, etc., made by L. J. Cappleman, in this area. Reputable auth-State Director of the FHA, at orities have said that a dollar recent meeting. He said, such as this would turn over The Farmers Home Adminis- on an average of five to seven tration has out over \$50,000,- times before leaving a com-000 in loans to farmers in the munity. This means a 75 to 51 counties that make up the Operation BIG area. During the economy in this area. fiscal 1963 the FHA has made over 3,000 loans to farmers in this area for a total of over 'For instance," Mr. Capple

man said, "about 950 farmers who use FHA credit are grow ing about 100,000 acres in cotton. About 82,000 acres will be fertilized and 99,500 acres will be protected by the insec control program advocated by FHA. They have borrowed \$487,000 for fertilizers and \$610,000 for insecticides. About 630 of these farmers are growing 32,000 acres of grain sorghum, needing \$161,000 for fertilizer. In order for 440 farmers to grow 14,000 acres of wheat, FHA loaned the m \$67,000 for fertilizer. Over 900 farmers wanted to improve 26,000 acres of old pasture and plant 10,000 acres in coastal bermuda grass so FHA loaned them \$205,000 for fertili-

"Beef cattle is a growing farm enterprize in the Operation BIG area and 1,254 farmers with herds of 10 head or over already have 35,000 head. FHA has loaned some 540 farmers \$1,552,000 to buy 9,500 head of cows and 326 improved beef bulls."

frames throughout. Mr. Cappleman, in com menting on dairying in the 51 counties, said, "FHA is helping 371 dairymen with an average herd of 50 cows. The cere appreciation and gratitude to Rev. McCord, Dr. Watkins, 1962 average production of these herds was 8,086 pounds of milk per cow." The 1962 and staff, and all of our neighbors and friends for their many deeds of kindness, flowestimated Texas state average ers, and expressions of love milk production was 5,610 and understanding throughout pounds per cow and this was the highest annual Texas state the illness of our loved one. average of record.

The FHA makes several different type loans such as Farm Ownership, Rural Housing, etc., where the payments are distributed over a period of years; and Mr. Cappleman said, "The balance owed FHA on loans in the BIG area as of December 1962 was about \$35,000,000. In addition to the above, the FHA has loaned in 1963 \$1, 740,000 to 107 farmers to either buy a family farm or enlarge their present small farm. Also 290 persons borrowed \$2,812,000 to rural homes under the Rural Housing Program.

"Water Distribution Loans are making it possible for at Stamford, and Joanna Maover 3,200 users to have good " he said, "as there are 34 of these associations operating in this area and the FHA has loaned them \$3,649,000 so they could get this water. The associations have to meet the 3-IN-ONE OIL standards of the Texas Public Health Department." Oils Everything

ATTEND WEDDING

Out of town guests who attended the wedding of Miss Loresta Love and Charles Veale on June 22 were Mr. and Rose of Jal, New Mexico, Mrs D. H. Rose, Sr. of Midland, Mr and Mrs. Ernest Stuard of Boyd Shepperd of Pampa.

Behind many "For Sale" signs there is a sad story: A family borrowed more than they could afford to pay for a home, or payments and interest rates were too high; the home had to be sold, often at a loss. This tragedy could often be avoided if the families would seek help from a home loan specialist, such as our As-

sociation. We work with you to arrange for a loan that's as easy to handle as monthly rent.

The Bluebonnet Group of the Bluebirds held two meetings during the month of June. Their first meeting was on June 12th. On that day they were taken in cars by Mmes. Stanton Carr and Bill Collings to Joe Jackson's ranch where they spent the morning ' hiking and noting wild life. Mrs. Jackson accompanied the group and told the children about the cactus, stock, etc.,

on the ranch. The children enjoyed hand feeding a group of goats. Following a picnic lunch, the girls were given a ride in the pickup about the ranch. Mr. and
