# **City and County Officials Guests** of Judge Ingram

Hearty good fellowship, airy persiflage and serious opinions as to prerequisites for town building marked a 6 o'clock dinner tendered by J. E. Ingram, Sunday, to the city and county officials, old and new, and a few personal friends.

There was no serious intent to the affair, beyond a desire that all the powers should become better ac quainted and thus be enabled to work together with more effectiveness and a common aim in the conduct of the country's affairs. All present joined in the round table talks and expressed themselves on matters of importance and unimportance. Judge E. A. Hill drew a round of applause when he referred to Ranger as the "hub of the oil fields of the world." . McCullough stressed the point that no town was worth while that did not provide a proper atmosphere in which to bring up children. There was much good natured kidding of various individuals present, and it was brought out that Mayor Hagaman during hi long and active career in Eastland county had served as school teacher at Eastland and Cisco in the early days.

After the dinner the party was en tertained at the Majestic theater, where a large key to the city was turned over to the visitors with the request that they unlock it.

Those present at the dinner were Mayor M. H. Hagaman, City Commis sioners Davenport and Deffenbach, Dis-trict Judges E. A. Hill and George Davenport, County Judge at Law R. L. Rust, G. G. Hazel present county attor ney; M. McCullough of Attorney-el Nunnam's force; County Clerk Eau Bender, C. B. Hedrick, J. W. Jennings L. D. Brooks, Ove Overson, H. E. Boze man and the host.
