

REVISION OF TREATY DEMAND BY GERMANY OF ALLIED

ANNUNZIO TO WITHDRAW FROM FIUME

By Associated Press
LONDON, Dec. 4.—Italian regulars will occupy Fiume and the territory included in the treaty of London signed in 1915 by representatives of Italy, France, Great Britain and Russia, according to a Rome dispatch received here today by the Exchange Telegraph company.

D'Annunzio's volunteers will withdraw from Fiume under terms of an agreement reached as a result of negotiations between London and Paris. The agreement, which it is hoped will solve the Adriatic problem, was prepared in Paris by American, French and British peace representatives for submission to the Italians, according to private advice. Premier Clemenceau and the head of the American delegation are declared already to have signed the agreement.

It is understood that Great Britain is prepared to sign upon which the agreement will be handed to the Italian plenipotentiary in Paris. The nature of the proposal has not been made known, but it is said to be so framed as to be satisfactory to the Italian people.

JENKINS CASE BRANDED MERE PRESS SCANDAL

By Associated Press
MEXICO CITY, Dec. 4.—Luis Cabrera, secretary of the treasury, speaking to reporters today, said that he believed it unwise to settle the difficulties between the United States and Mexico through a joint industrial commission.

He intimated that a one-man commission appointed from each country might be beneficial. He said: "In this Jenkins affair, Jenkins is the least factor. It is really a press scandal originated for the pretext of increasing the difficulties pending between the two countries."

BOARD DEBATES RIGHT OF WAY FOR NEW R. R.

Streets that are to be closed and streets that are to remain open along the route of the Wichita Falls, Ranger and Fort Worth railroad through Ranger are indicated in the plan of the right of way and yards submitted to the city by the engineers for the station and Kell interests, and will be the subject of discussion at the meeting of the board of commissioners at 4 p. m. today.

Complaints may be expected from residents of property east of the tracks, who will be cut off from direct routes to the business section by the closing of streets in Lackland and Burk additions. At the other end of town the proposed Rusk addition also will suffer. Hodges Central, Burger, Gholsen and Young additions are not injuriously affected, but are directly benefited.

In the proposed franchise which will be considered by the board of commissioners today, the railroad asks that these streets be closed along the right-of-way from the road's crossing with the Texas & Pacific, near the city incinerator, south through town. Gordon, Lackland, Marchland, Byers, McCleskey, Smallwood, Stevens, Hill, Rex and Terrell avenues; Barber street, Lamar, Famin, Bowie, Thorpe, Moorman, Gordon, Hill, Comey, Brown, Harkrider, and Coleman streets; Minnie, Alma, Lee, Ebbert and McKinley streets.

Crossings are to be put in, according to preliminary plans, at Tiffin road, Riddle avenue, Hamilton street, Hunt street, Houston street, Ross street and Division street.

The new station will be between Hunt and Houston streets, on Gordon street, three blocks east of the Texas & Pacific station. The city will require crossings at Hunt, Houston and Hamilton streets, to avoid congestion near the new station.

Scott No. 1 Is Flowing 1,000, Not Completed

Kelley & Sankey have a 1,000-barrel well from the top of the lime on the Scott lease No. 1. The well is drilling at 3,250 feet and making better than forty barrels an hour. Magnolia Petroleum company's Turner No. 1 has the top of the sand at 3,520 feet and is making 800 barrels.

Vulcan Oil company's Hamor No. 4, developed as a shallow well at 1,980 feet, probably will be made into a pumpjack and is expected to make between 400 and 500 barrels, according to J. W. Hutchinson, general manager. The well is standing in oil, but lacks the gas pressure necessary to natural flow.

WILL UNCLE SAM AGAIN SEIZE MEXICAN GULF PORTS?

A view of the government docks and railway terminal at the Mexican port of Tampico (above), and the waterfront at Vera Cruz.

Relations between the United States and Mexico are becoming daily more strained, and Carranza's course may compel early American intervention. In case of a definite break between the two governments it is likely that one of the first acts of the U. S. navy would be to seize the Mexican ports of Tampico and Vera Cruz. Tampico is especially important because of its great oil fields.

Cold Weather Is Holding Up Kans. Mine Operations

By Associated Press
PITTSBURG, Kan., Dec. 4.—Weather conditions made operations in the Kansas strip mine pits practically impossible this morning.

Employees of the open and Pittsburg street and interurban railways will refuse to haul any volunteer coal miners to work and have asked permission of the national officers of their union to refuse to haul coal mined by volunteers.

KELLY CALLS ON LAWYER TO GET HIS "LEG WASH"

International News Service. SOMERVILLE, Mass.—Dan Kelly says they're carrying this prohibition business too far. They've locked his quart bottle of "leg wash" up in the dark recess of the steel vault at police court. Kelly retained counsel. It's a fight to a finish, take it from D. Kelly.

Kelly got mad at his wife last March and, according to witnesses, gave an imitation of a cave man. He was placed on probation and has been reporting regularly every week since. But he got tired of it and appealed to Probation Officer William Preble Jones. The probation officer brought Kelly into the private office of Judge L. Roger Wentworth to review the case and ask that it be dismissed.

"Judge, I want to go out to California," began Kelly.

Judge Wentworth sniffed. Officer Jones sniffed.

"What have you been drinking?" demanded Jones.

"Indeed, I've not been drinking anything," retorted Kelly indignantly. "And where would I be getting it these days, anyway?"

Judge Wentworth pointed the accusing finger of the law toward the neck of a bottle protruding from Kelly's overcoat pocket. Kelly drew it forth. No label.

"Let me explain this," said Kelly. "I've got a sore spot on my leg and I saw an advertisement in the paper for a leg wash and so I sent to Chicago. It cost me \$2 this bottle did. Honest, Judge, it's leg wash, not liquor."

Jones sniffed at the bottle. "I think it's whisky," he said.

Dan Bradley, clerk of the police court, was called in. Bradley sniffed and voted with Jones.

Then the star witness, Captain E. A. Carter, of the police department. Years of handling drunks, years of sniffing at bottles, qualified the police captain as an expert par excellence.

Captain Carter took up the bottle. "That's whisky," he said simply.

Kelly quit. "Well, it's medicine, anyhow," he began. "I bought it for a sick friend. It's a sample bottle and I paid \$8 for it."

Judge Wentworth sat in silence for a moment. "I'm going to continue your case until Dec. 29," he said.

Kelly stood with bowed head. Gone was his trip to California. With a sigh he reached for his bottle. It, too was gone—gone from the judge's desk. It was in the hands of Captain Carter, who was putting it into the steel vault of the police court.

"But I tell you it's mine," exploded Kelly. "You can't take that quart away from me. It belongs to a friend."

Clerk Bradley affirmed that the bottle would be there when Kelly's case was disposed of.

Kelly slammed his derby on his head. He was quivering with anger. His fists were clenched. He started for the door, then wheeled around.

"I'm going to Boston," he fairly shouted. "I'm going to get a lawyer. I'm going to see if a man's bottle, his own property, can be taken from him."

Kelly stalked out. And Captain Carter slammed the big door of the steel vault on Kelly's "leg wash."

22-LB. TURNIP RAISED ON TOP OF ARCTIC CIRCLE

EDMONTON, Alta., Dec. 4.—A turnip weighing twenty-two pounds is a monster vegetable when raised anywhere. When raised almost on top of the Arctic circle it is an event.

A turnip weighing exactly that was grown this year in the Hudson's Bay company's garden at Port Good Hope, a few miles south of this point, where the Arctic circle cuts the Mackenzie river.

At Fort Resolution, in the same latitude as the extreme top of Labrador, potatoes as big as canteloupes were raised which yielded six and a half pounds to the hill. In the mission garden at Hay River potatoes grew so large that a 3-year-old child could hide behind one of the heads.

Onions, lettuce, rhubarb, peas and all the other vegetables familiar in gardens of lower latitude grew in abundance and to great size.

STAMFORD C. OF C. GETS PREMIUM CHECK

Special to The Times. STAMFORD, Texas, Dec. 4.—The chamber of commerce received a check for \$50 from the Texas cotton palace, which was the award for seventh premium during the 1919 cotton palace exposition at Waco.

Little preparation was made for its exhibit, but through the co-operation of the chambers of commerce Anson, Hamlin and Stamford a small exhibit was collected.

The co-operation of these three chambers of commerce is noticeable over the state. A much larger exhibit will be prepared for the state fair and one for the cotton palace in '20.

A descriptive booklet of Jones county will be published by the three chambers of commerce, each realizing that the county's welfare comes first.

MICHIGAN TEACHERS PLAN STRIKE FOR MORE PAY

International News Service. ADRIAN, Mich.—A strike of school teachers is a certainty after the Christmas holidays unless increased salaries are forthcoming before that time.

The Adrian public school teachers conference have decided that unless a living wage is paid them they will enter other vocations, thus leaving many schoolrooms without instructors. Many of the teachers aim to be running deeper in debt monthly.

CITY DOCKET LIGHT DURING BAD WEATHER

The city docket was once more blank, when court convened this morning. No drunks, gamblers, vagrants, fistic combatants or any of the usual run of misdemeanor cases came before the judge.

OIL CO. OFFICIAL HURT BY FALL ON PAVEMENT

J. R. Bahan, an official of the White Oil company, suffered a dislocated hip when he slipped on the icy pavement in front of the McCleskey hotel. He was carried into the building and received medical attention. Later in the day he was taken to the depot in the ambulance of Jones, Cox & Co. and sent to a Fort Worth sanitarium. Mr. Bahan is about 50 years of age.

EXCAVATION ON BIG \$125,000 CHURCH PROCEEDS

Excavation work on the new Methodist church building is progressing in spite of bad weather. Ditches are being dug for the foundations and wooden cement molds are being made.

The new building will be located on Elm street, just west of Marston. It will cost about \$125,000 when completed and will be one of the finest in Texas.

It is hoped to complete the building within six months.

START WORK OF NEW ABILENE POWER PLANT

Special to The Times. ABILENE, Dec. 4.—Mr. Sander-son of a Chicago firm of engineers and architects is here this week and has driven the stakes for the new electric and ice plant of the Abilene Gas and Electric company, to be built at a cost of \$789,000. Work on this big plant will be pushed with all speed as fast as material can be assembled.

High tension lines to supply current to Anson, Stamford, Hamlin, Baird, Cisco, Merkel and other places will be built, bringing the total output for the plant and lines to about \$1,140,000. The Abilene-Anson line is in course of construction, while the Merkel line has been in operation three years or more.

LEGAL NOTICES

AN ORDINANCE

Ordering that an election be held within the city of Ranger, Texas, on December 22nd, 1919, for the purpose of determining whether the city commission of the city of Ranger, Texas, be authorized to issue the bonds of said city, in the amount of three hundred fifteen thousand (\$315,000), dollars for the purpose of retiring and discharging the accrued indebtedness of said city; in the amount of forty thousand (\$40,000) dollars for the purpose of erecting public buildings, to-wit, fire stations, and the purchase of the necessary sites therefor; and for the levy of a tax on all the taxable property in said city to pay the interest and create a sinking fund to redeem said bonds as they shall mature.

Against the issuance of bonds in the amount of three hundred fifteen thousand (\$315,000) dollars, maturing serially at such times as may be fixed by the City Commission, not to exceed forty (40) years from their date, and to bear interest at a rate to be fixed by said Commission, not to exceed six (6) per cent per annum, payable semi-annually for the purpose of retiring and discharging the accrued indebtedness of said city; and against the levy of a tax on all the taxable property in said city to pay the interest and create a sinking fund to redeem said bonds as they shall mature.

Whereas, because of the rapid growth in population and development of the city of Ranger, there exists a necessity for the construction of public buildings, street improvements, sewer improvements, and other public improvements herein mentioned, and because of a lack of funds in the City Treasury of said city with which to construct said improvements, the City Commission deems it advisable to order an election to determine whether the qualified property taxpayers voters of the city of Ranger will authorize the City Commission to issue the bonds of said city for said purposes;

Therefore, be it ordained by the city of Ranger that an election be held within the limits of said city on Tuesday, the 22nd day of December A. D., 1919, at which election they shall be submitted to the qualified voters of said city the following propositions:

First: Shall the City Commission of the city of Ranger be authorized to issue the bonds of said city in the amount of Three hundred fifteen thousand (\$315,000) dollars, maturing serially at such times as may be fixed by the City Commission, not to exceed forty (40) years from their date, and to bear interest at a rate to be fixed by said City Commission, not to exceed six (6) per cent per annum, payable semi-annually, for the purpose of retiring and discharging the accrued indebtedness of said city; and to levy a tax on the property in said city sufficient to pay the interest and create a sinking fund to redeem said bonds as they shall mature;

Second: Shall the City Commission of the city of Ranger be authorized to issue the bonds of said city in the amount of forty thousand (\$40,000) dollars, maturing serially at such times as may be fixed by the City Commission, not to exceed forty (40) years from their date, and to bear interest at a rate to be fixed by said City Commission, not to exceed six (6) per cent per annum, payable semi-annually, for the purpose of erecting public buildings in said city, to-wit, fire stations, and the purchase of the necessary sites therefor; and to levy a tax on the property in said city sufficient to pay the interest and create a sinking fund to redeem said bonds as they shall mature.

Third: Shall the City Commission of the city of Ranger be authorized to issue the bonds of said city in the amount of eighty thousand (\$80,000) dollars, maturing serially at such times as may be fixed by the City Commission, not to exceed forty (40) years from their date, and to bear interest at a rate to be fixed by said City Commission, not to exceed six (6) per cent per annum, payable semi-annually, for the purpose of erecting public buildings, to-wit, a City Hall in and for said city; and to levy a tax on the property in said city sufficient to pay the interest and create a sinking fund to redeem said bonds as they shall mature.

Fourth: Shall the City Commission of the city of Ranger be authorized to issue the bonds of said city in the amount of two hundred sixty-five thousand (\$265,000) dollars, maturing serially at such times as may be fixed by the City Commission, not to exceed forty (40) years from their date, and to bear interest at a rate to be fixed by said Commission, not to exceed six (6) per cent per annum, payable semi-annually, for the purpose of the improvement of the streets of said city, by paving the same; and for the levy of a tax on all the taxable property in said city to pay the interest and create a sinking fund to redeem said bonds as they shall mature.

Fifth: Shall the City Commission of the city of Ranger be authorized to issue the bonds of said city in the amount of fifty thousand (\$50,000) dollars, maturing serially at such times as may be fixed by the City Commission, not to exceed forty (40) years from their date, and to bear interest at a rate to be fixed by said Commission, not to exceed six (6) per cent per annum, payable semi-annually, for the purpose of erecting public buildings, to-wit, fire stations, and the purchase of the necessary sites therefor; and against the levy of a tax on all the taxable property in said city to pay the interest and create a sinking fund to redeem said bonds as they shall mature.

LEGAL NOTICES

dollars maturing serially at such times as may be fixed by the City Commission, not to exceed forty (40) years from their date, to bear interest at a rate to be fixed by the City Commission, not to exceed six (6) per cent per annum, payable semi-annually, for the purpose of the construction of additions to and extensions of the present sewer system of said city; and to levy a tax on the property in said city sufficient to pay the interest and create a sinking fund to redeem said bonds as they shall mature.

Said election shall be held at Five Hall in said city and the following named persons are hereby appointed managers of said election: Rev. W. H. Johnson, presiding judge; W. A. Hyatt, judge; P. Learned, clerk; Leslie Hagaman, clerk.

Said election shall be held under and in accordance with the general election laws of the State of Texas governing city elections, and under the City Charter of the city of Ranger, and only qualified voters who are property taxpayers of said city shall be allowed to vote, and all voters voting at said election shall have written or printed on their ballots to following words:

For the issuance of bonds in the amount of three hundred fifteen thousand (\$315,000) dollars, maturing serially at such times as may be fixed by the City Commission, not to exceed forty (40) years from their date, and to bear interest at a rate to be fixed by said Commission, not to exceed six (6) per cent per annum, payable semi-annually, for the purpose of retiring and discharging the accrued indebtedness of said city; and against the levy of a tax on all the taxable property in said city to pay the interest and create a sinking fund to redeem said bonds as they shall mature.

Against the issuance of bonds in the amount of three hundred fifteen thousand (\$315,000) dollars, maturing serially at such times as may be fixed by the City Commission, not to exceed forty (40) years from their date, and to bear interest at a rate to be fixed by said Commission, not to exceed six (6) per cent per annum, payable semi-annually, for the purpose of erecting public buildings in said city, to-wit, fire stations, and the purchase of the necessary sites therefor; and against the levy of a tax on all the taxable property in said city to pay the interest and create a sinking fund to redeem said bonds as they shall mature.

For the issuance of bonds in the amount of forty thousand (\$40,000) dollars, maturing serially at such times as may be fixed by the City Commission, not to exceed forty (40) years from their date, and to bear interest at a rate to be fixed by said Commission, not to exceed six (6) per cent per annum, payable semi-annually, for the purpose of erecting public buildings in said city, to-wit, fire stations, and the purchase of the necessary sites therefor; and against the levy of a tax on all the taxable property in said city to pay the interest and create a sinking fund to redeem said bonds as they shall mature.

Against the issuance of bonds in the amount of fifty thousand (\$50,000) dollars, maturing serially at such times as may be fixed by the City Commission, not to exceed forty (40) years from their date, and to bear interest at a rate to be fixed by said Commission, not to exceed six (6) per cent per annum, payable semi-annually, for the purpose of erecting public buildings, to-wit, fire stations, and the purchase of the necessary sites therefor; and against the levy of a tax on all the taxable property in said city to pay the interest and create a sinking fund to redeem said bonds as they shall mature.

Witness my hand and official seal of this city of Ranger, Texas, this 18th day of November, 1919. ALEX. G. ARMSTRONG, City Secretary.

FOUR LINEMEN OF POWER CO. ARE ON STRIKE

Linemen of the J. E. Lewis Power & Light company have gone on a strike, both here and at Eastland. Seven men are employed as linemen at Eastland and four in this city. Non-union men have been secured to take the place of the strikers.

Local officials of the company had little to say in regard to the matter. "The union men quit us and we had to get somebody to take their place," was the comment of one official. "I don't think we will employ any union men from now on. We have been maintaining an open shop policy. If a man wanted to work and was competent we hired him."

Officials expressed no hostility to the union. Union electricians charge that the J. E. Lewis Power & Light company is controlled by the Texas Power & Light company, which they claim is unfair to organized labor. Linemen here and at Eastland demanded a dollar an hour, they say, and time and a half for overtime. The wage paid here was \$7 dollars a day. They say their demand for increased wages and time and a half for overtime was refused by the company. The Eastland linemen went on strike and the workers at Ranger followed suit.

The strike does not affect operators working at the plant. According to one union electrician, an effort will be made to adjust the dispute from grand headquarters of the union.

Back in the middle of last baseball season when the fans were beginning to realize that the Cincinnati Reds headed pennantward, baseball critics began picking weak links in the team. Said some of them: "If the Reds could get Buck Herzog to play short and fill the weak spot there the Reds would have a chance. The ds didn't get Buck, but Morris Rath held up his end at short in the home stretch and world's series in a way that fooled the wise ones."

TAD'S TID-B

THIS MAN MORRISSEY WAS "FIGHTING FOOL" Written for International News Service. NEW YORK, Dec. 1.

Dear Tad: In your interesting article a few weeks ago I read of one of your correspondents taking umbrage at the remarks of another, a Mr. Thorley, who had been arguing with that great promoter, Tex Rickard, as to who was the bravest man in the history of the prize ring. Mr. Thorley said that John Morrissey was the bravest that he ever knew of. Well, Tad, for the benefit of those unwilling to give honor where honor is due, I am going to tell them that John Morrissey (Old Smoke), our second American champion, was the bravest man to my mind that ever lived, with all due respect to Daniel, who walked into the lions' den. Morrissey had him beaten to a frazzle. Here are some facts to prove my case, and if your correspondents desire it I will show clippings proving the dates and with a full account of all I speak of. In the first case, the rough-and-tumble fight between Morrissey and Jack McCann, one of the greatest rough-and-tumble fighters of sixty years ago, down in Park place in a gambling house, where the stove was

upset and McCann over and over on Morrissey, bleeding blisters, arose from after his man and feet. It was the Bill Poole to southern bravery had then hated lasted unover Poole. Here is another rissey's bravery; but I will be brag a tad of 18, can Troy, to whip whipped his emton, of Troy. L man, and he wa of the Bowery Morrissey walked nangout on Pa for Dutch. "Wolves of the Night"

A FEW OF THE BIG THRILLS

- When great explosion imprisons Farnum in mine under tons of rock. When Farnum, after days of agony, digs himself out of the mine, his reason gone.
- When Farnum, after five years of insanity, returns home to find his wife married to his old rival and his property gone.
- When Farnum meets his little son—who does not know him.
- When Farnum comes face to face with the man who robbed him of his wife by plot.
- When Farnum finds his enemies are about to make millions by Wall Street manipulation of stocks based on rich ore found on his land.
- When Farnum, single-handed, faces three conspirators in locked room and demands reparation.
- When Farnum, triumphant, reveals himself to his wife, just before suicide of second husband.

When a man has been insane five years, then recovers to find fortune stolen, and wife remarried, he's in hard luck.

But this man has red blood, courage and two hard fists. See how he deals with foes. See Farnum and be thrilled.

Passing of the Oklahoma Outlaws

IN THE PIONEER DAYS, WHEN THERE WERE NO COURTS OF JUSTICE, BUT LOTS OF TREES AND ROPE

Six Exciting Parts—A True Historical Reproduction of the Pioneer Days of Oklahoma—Showing the Outlaw Careers of Bill Doolin, Bill Dalton, Al Jennings and Henry Star.

Also **Bill Tilghman**, who for 35 years was a U. S. Marshal, who also was directly responsible for the capture and conviction of Oklahoma's noted Female Outlaws, Cattle Annie and Little Breeches. Including a number of other notorious outlaws, who roamed and terrorized the great West.

A Story of Love, Adventure and Romance

Oklahoma's Noted Deputy U. S. Marshal—**BILL TILGHMAN**—Himself—Will Lecture the Picture

Boys and young men are especially invited to see this picture and see the price of crime. A GREAT MORAL LESSON. See the veteran outlaws in the thrilling events of his official life that has passed into history.
