Area Talent Hunted

Talent from the entire area is being hunted this year to appear in the Annual 4th of July Celebration in Muleshoe. Singers, dancers, instrumentalists, comedians and other groups and entertainers are invited to compete in the big talent contest. First prize in both adult and juvenile divisions will be \$100, with prizes of \$5, \$30, and \$15 going to 2nd, 3rd, and 4th place winners.

The contest begins at 7 p.m. on the 4th of July and will be followed by a big fireworks display. Entries are being accepted by Roger Albertson, Manager of Cobb's Department Store in Muleshoe. No entry fee is being charged. Entries must be received by July 2.

Only 6,000 are expected to attend the free public celebration, which has become an established area institution in the last 4 years. Many families come as early as 5 p.m. to spread their picnic supper on the football field and enjoy the musical entertainment which precedes the talent show.

Sponsored by the Chamber of Commerce, the event is a community-wide effort, with many taking part in the preparations and program.

Frank Ellis, General Chairman, in announcing plans, said, "We want to invite everyone to be with us for an outstanding evening of free, wholesome family entertainment."

Local Girl Injured In Accident

A 16-year-old Texico boy was killed Wednesday night when an automobile overturned 3 1/2 miles east of Clovis.

Dead on arrival at Clovis Memorial Hospital was Larry Martin, son of Mr. and Mrs. Delbert Martin, Texico.

Mrs. Patricia Ann Ingram, 18, of Muleshoe, Tex., suffered cuts and bruises and another passenger, Richard Arnold, 16, Texico, suffered facial lacerations and bruises and complained of a back pain.

Local Car Dealer Honored

Muleshoe Motor Company of Muleshoe has been selected as one of the nation's outstanding Ford dealerships and will receive Ford Motor Company's Distinguished Achievement Award.

The Distinguished Achievement Award is presented "in recognition of progressive management . . . modern sales and service facilities . . . sound merchandising practices . . . high quality standards . . . and continuing interest in rendering superior service to Ford owners."

Robert Hooten has been a Ford dealer in Muleshoe since July, 1962. The dealership is located at the Crossroads.

INVESTMENT IN MULESHOE'S FUTURE — Workers this week began erecting foundation forms for the new \$100,000 Johnson Furniture Building to be located east of Francis Implement on the Clovis Highway. To have more than 14,000 sq. ft. of floor space, the building will allow Johnson to offer the Muleshoe Trade area a complete selection of furniture. To be of concrete block construction, the building will have a brick front. It is being constructed by B & C Builders of Muleshoe. Here Red Johnson and David Headlee discuss the foundations.

Muleshoe Rotary Club Breaks Two Membership Records

Muleshoe's Rotary Club has grown more than 40 percent during the past club year, according to Melvin Evans, who this week compiled a report of the local organization's actions for the year.

This growth may be a new record in the Texas and New Mexico areas. Not all states and districts have completed reports yet and just how extensive the record may be is currently unknown.

During the year, the report continued, the organization had a single meeting without a program. The programs covered the vast range of diverse interests represented by the Rotary membership, and ranged from general fun to serious discussion and questions concerning the pros and cons of the recent school bond issue. Generally the programs were informative.

The music department, supported by the best choir in the entire state (?????) has had a song leader and pianist every week. Those in this department have done a very outstanding job.

The club actively participated in the Junior Chamber of Commerce Carnival and made about \$112. It also participated in the Halloween Carnival and its efforts to this end were also successful.

The club chartered a bus and attended the Lubbock Intercity Meeting, where it won the trophy for the club with the greatest percentage of its members attending.

A new system of electing officers was established. The new system is based on a ballot by the member of the club. It is felt by the membership, in general, that this system will give them a more democratic vote by each member.

The scholarship committee did an outstanding job developing a system of selecting the scholarship recipient. The plan of this committee was approved by the club.

One of the effects here is that Negroes and whites will eat side-by-side.

New Reading Program For Kids Here Successful

Over 100 persons crowded into the Muleshoe Area Permanent Library last week to register their children for the summer reading program sponsored by the American Association of University Women here.

A total of 57 children were enrolled at last report and enrollments are still continuing to roll in. Enrollments will close in about another week.

The crowd represented families, not only from the Muleshoe area, but from Sudan, Earth, Needmore and Farwell as well.

The Texas State Library has loaned the local effort 250 books listed for approved children's reading programs.

The rules are: This program is sponsored for students from primary through high school and college age only.

Check-out hours are limited to two (2) hours each Wednesday afternoon of the 10-week period, June 25 through August 26, 1964.

Children participating in reading program will be admitted into Muleshoe Library Building, 113 East Ash, Muleshoe, by AAUW women only between the hours of two (2 p.m.) to four (4 p.m.) Wednesday afternoons.

The library building must be cleared and the doors will be locked promptly at 4 p.m. each Wednesday.

One book may be checked out per week for a two-week maximum period.

In order to promote more complete circulation of books, reading club members are requested to check in books in one week if book has been read.

A book is considered overdue after a two-week period.

A fine of five cents (5) per calendar day will be charged each day after the two-week period and no additional books will be checked out by the child until fine is paid in full.

Receipts from book fines will be used to defray expenses of the AAUW reading program and for library improvements.

Each child is required to have their individual State Bookmobile card in order to participate in this program. If they do not have their own bookmobile card, youths may obtain one from AAUW women during program hours at library.

Children under 14 years of age must be accompanied by one parent to obtain a bookmobile library card.

Each youth must bring his own library card each Wednesday in order to check out books for the Reading Program.

Ten or more books checked out through the AAUW program from the Muleshoe Library Building must be read by August 26 in order that Reading Club members receive Honor Certificates for completion of AAUW Summer (See PROGRAM, Page 5)

88 Golfers Enter Local Tournament

Play started Friday at the Muleshoe Country Club in what may be one of the strongest championship flights in the history of the Muleshoe Invitational Golf Tournament. Spectators should see some fine golfing.

The Championship Flight, for which qualifying was held earlier this week will include, defending champion David Bonner, Amarillo; Jack Williams, Plainview; Max Hickey, Pampa; John Hatcher, Jr. Amarillo; Bill and Irvin St. Clair, Russell Haberer all of Muleshoe.

Bonner will be defending his championship against the above field. A total of 88 persons had signed up for the tourney by closing time last week. The total was short of the predicted 120 expected by club officials.

Jack Williams, the Plainview threat, has won more golfing crowns in this area than one can count. He won the Men's West Texa title in 1963. It was his third MWC crown. He won the Flodada Partnership together with Max Dyess twice in a row.

Another top contender is Hickey, who is considered one of the top amateurs in the Panhandle. He took the Top 'O' Texas title last year.

Local hopes are pinned on Irvin St. Clair, who won the Mor- (See GOLFERS, Page 5)

Local sales of binoculars, telescopes and other close-up equipment took a sudden nose-dive when the word spread that not only wouldn't local stores sell the new fashions, but wouldn't even display them.

There is some hope, however. Olin Burrows, manager of St. Clair's Department Store, says that although they won't stock the eyeglasses, they do have some dandy two-piece bikinis whose tops could be given away to a neighbor or something.

Opal Thompson, owner of Muleshoe's Fashion Shop, also gives some small hope. "We're not going to stock them, but if anyone wants to order one we'll try to get it for them," she said. "We are not stocking them yet," she continued, "because the area just isn't that sophisticated. They may go over in the big cities where people aren't so conscious of what their neighbors think, but here, in Muleshoe, it's a different story. I personally, do not think the things will go over at all."

Cobb's Department Store assistant manager Franklin Mann, gave a definite "no" when asked Cobb's policy on the fashion situation. When asked why not, he replied, "Well, you'd have to check with the manager on that. He wasn't available."

It's the same story in Clovis, Lubbock and Amarillo.

Oh well, it's probably a good thing. Considering the size of the area's pools, the crowd probably couldn't get in anyhow.

Richard Goodrow, editor of the Journal papers, resigned his position this week.

He resigned because the growth of his other business interests necessitated his full attention. He will continue operating the Early American Pillow Company here.

No replacement has been announced. However, it is expected another editor will be named shortly, according to L. B. Hall, publisher.

It's A Sad Thing; No Bare Busts For Area

Bare bosoms may be "in" or rather out — in some parts of the country, but alas, the word in Muleshoe is "nix" on the new, eyes appealing styles.

Local girl watchers, who were hoping, somewhat desperately, that things might liven up a bit at the area's various watering places, were saddened when the word got out that no area stores would stock the models.

Local sales of binoculars, telescopes and other close-up equipment took a sudden nose-dive when the word spread that not only wouldn't local stores sell the new fashions, but wouldn't even display them.

There is some hope, however. Olin Burrows, manager of St. Clair's Department Store, says that although they won't stock the eyeglasses, they do have some dandy two-piece bikinis whose tops could be given away to a neighbor or something.

Opal Thompson, owner of Muleshoe's Fashion Shop, also gives some small hope. "We're not going to stock them, but if anyone wants to order one we'll try to get it for them," she said. Time Of Decision Here For Muleshoe Most Businesses Bow To Civil Rights

side just what, at base, really motivates this measure.

Sen. Richard Russell (D) of Georgia said, during the debate that civil rights is mainly a political issue.

Sen. Barry Goldwater sees the issue largely one of constitutionality. Parts of the bills are unconstitutional, in his view.

Sen. Everett Dirksen of Ill. says the civil - rights bill involves a moral issue.

In his view he is supported by the late President Kennedy, who declared, "We are confronted primarily with a moral issue. It is as old as the Scriptures and is as clear as the American Constitution."

The heart of the question", he went on to say, "is whether all Americans are to be afforded equal rights and equal opportunities, whether we want to or not. The speech was not reported by area news papers or radio stations.

Not all Muleshoe area residents have come to this simple conclusion. President Kennedy came to it belatedly. He was not alone. Even President Lincoln at one time was considering not desegregation but that freed slaves be removed to new Negro colonies. Liberia was founded by freed American Negro slaves.

Many think the passage of the bill marked the march of righteousness. That in the churning impact of moral force on humanity, there comes a time when a cause looms as so clearly ready for action, so necessary, that it is undeniable.

Sen. Dirksen stated, "Stronger than armies is an idea whose time has come."

The earnest religious people of the Muleshoe area and others will find the civil-rights adjustment easier to live with if they perceive that this new

significant advance for a segment of mankind.

wide - ranging law is not the result of some Northern meddlers or liberal do-gooders, but is the unavoidable result of the impact of enlightened ideas, from whatever sources. The Communists never understood this, so they predicted that a capitalistic society would fail to remedy its abuses, would permit vast gaps to grow between the rich and the poor, would ultimately crash in oppression and revolution. They were wrong.

Lasting Rose Chapter Held June Workshop to Organize Activities

The officers of the Lasting Rose Chapter met for a three-day planning session held June 22 - 24. The officers met Monday and voted on several amendments to their chapter Constitution, and set up work to be done Tuesday and Wednesday by the committee members. On Tuesday and Wednesday the officers met with committee workers and during these sessions they set up socials, financial project program, and the project for the coming year. The group also worked on the Point System and the Chapter Yearbook.

The groups met from 9:00 a.m. to 3:00 p.m. each day and plan-

ned all of the program of work for the coming year.

To end the planning session, the group decided they would all go to Palo Duro Canyon on Friday for an outing.

Those attending the planning session were: Katie Blackstone, Johnnie Ivy

Lazbuddie Officers Attends Tech. Workshop: Executive Council Meet

The officers from the Lazbuddie Lasting Rose Chapter attended the officers training workshop held at Texas Tech, June 16 - 18. The girls learned many new things and brought back many new ideas to be used in planning a program of the work for the coming year. Officers attending were: President — Katie Blackstone, First Vice President — Sherry Robinson, Second Vice President — Marsella Mayfield, Third Vice President — Johnnie Ivy, Fourth Vice President — Colleen Harper, assistant to the Fourth Vice President — Gail Ivy, Fifth Vice President — Charlotte Seaton, Secretary — Marsha Aduddell, Treasurer — Kay Bobby Jones, Historian — Marquita Seaton, and advisor — Mrs. Charley Walton.

Also on the Wednesday night the advisor Mrs. Charley Walton, spoke to a group of advisors from the different chapters. At this time Mrs. Walton discussed some of the projects, and showed the group the chapter yearbook which was admired by all those present. Dean Tinsley, who is head of the Home Economics Department at Tech, invited Mrs. Walton to be a speaker next fall at Texas Tech.

The chapter is very proud that Mrs. Walton was one of those selected to be a speaker at Tech.

TEACHER VISITS
Paul Durham, choir director visited here over the weekend with Dr. and Mrs. Birdsong and other friends.
He is currently attending Texas Tech.

MISS PHILLIPS HERE
Kathy Phillips, Muleshoe's former Band director, visited here several days with Mr. and Mrs. Cliff Griffiths and other friends.

COLLEGE STUDENT
Magam Lamb was at home with her father, Gil Lamb, and visiting friends over the weekend. She is a summer semester student at West Texas State University, Canyon.

Our sincere regret is expressed that Mrs. Charley Walton, will be unable to be with us next year and help us carry on with our chapters work. She will be missed by all of those who have been connected with her in her three years of teaching at Lazbuddie.

Engaged

Mr. and Mrs. Joe Rogers, 520 Avenue I, Hereford, have announced the engagement and approaching marriage of their daughter, Miss Donna Faye Rogers, to Jimmy D. Ivy, son of Mr. and Mrs. Jimmy Ivy, Lazbuddie.

The wedding will be held August 8 in the First Baptist Church, Hereford.

The bride-elect is a graduate of Hereford High School and attended Baylor University, where

she majored in music education. She sang with Baylor's A Capella Choir and became a member of Mu Phi Epsilon, national professional women's music sorority. She is presently employed at A. O. Thompson Abstract Company.

Her fiancé was graduated in 1962 from the University of Texas at Law School. He is now associated with Witherspoon, Aikin, Thomas, and Langley.

Band Member Writes of Europe

Susan Birdsong, a member of the All America Band on a European tour, writes her parents, Dr. and Mrs. W. F. Birdsong, and the Journals that concerts are being played to packed houses and with standing ovations.

Each concert has been a complete success and cheers like I've never heard. The audiences are so appreciative. I have writers cramps from signing autographs during intermission.

Shops close in Germany at 2 p.m. and they attended some American movies. The hotel where we stayed had no showers or bath tubs. A bath at the bath house cost .75 in American money.

Some of the band members went shopping and found beautiful swim suits for only \$5 but for some reason, Susa said they were shaped wrong for them, but gave no styling details.

They toured a beautiful castle erected 1150 A. D. and saw a wine keg with a 55,000 gallon capacity. The draw bridge and moat around the castle was no longer being used, and the moat was a beautiful flower garden.

Europe is beautiful and there are many types of beautiful flowers, trees and quaint buildings. There is no zoning like we have in the States and a mansion may be surrounded by shanties.

Although we have a tight schedule, we have all enjoyed our tour so far and feel sure the remainder of it will be just as enjoyable.

WELLS TO AMARILLO

Mr. and Mrs. Clayton Wells and Linda spent Fathers Day in Amarillo with their son and family Mr. and Mrs. Robert Well Richard and Donita.

PARENTS ARE GUESTS

Guests in the home of Mr. and Day were her parents, Mr. and Mrs. J. T. Montgomery and brother, Decne.

Darnells Home After Exciting Vacation Tours

Mr. and Mrs. Billy J. Darnell and children, Linda and Bill, have returned from a two week's vacation in Washington, D. C. and New York.

While in Washington, D. C., they were guests of their daughter, Karen Speer.

They enjoyed many sightseeing trips and was very impressed with Smithsonian Institute where they saw John Glenn's Friendship 7, Spirit of St. Louis, the Wright Brother's plane and Wiley Post's Willie May and many other historical things of interest.

They visited the Pentagon, Capitol, White House, Arlington Cemetery and the grave of the late President John F. Kennedy, Mount Vernon and the Potomac. At the World's Fair, most of all, they liked the Ford and General Motors' fabulous exhibits.

"Although New York is an impressive city, we enjoyed Washington, D. C. much more," Darnell said.

Ice Cream Social Held At Progress

Forty - two attended an ice cream social given for area newcomers Tuesday evening at Progress Methodist Social Hall. The event was hosted by Progress Home Demonstration Club.

Following the serving of ice cream and cake, games of 42 were played.

Attending were Mr. and Mrs. Lee Jones, Mr. and Mrs. Marshall Cook and children, Ray Davis, Roger Albertson, Mr. and Mrs. Spencer Beavers and Chester Clay, Mr. and Mrs. Cecil Tate, Mr. and Mrs. Ernest Ramm and family, Mr. and Mrs. Wiley Baker and children, Mr. and Mrs. Tye Young, Mr. and Mrs. Jenks Myers and son, Mrs. Gordon Murrain and Tanya, Mrs. Clayton Wells, Mrs. Harold Mardis, Mrs. Lola Bryant, Mrs. Mae Busbice and Mrs. Stanley Williams.

AUGUST DATE — Mr. and Mrs. M. E. (Red) Simmons announce the engagement and approaching marriage of their daughter, Barbara, to Richard Gordon, son of Mr. and Mrs. Bert Gordon, Lazbuddie.

Vows will be read Sunday, August 23 at 3 p.m. at the First Baptist Church here.

The future bride is a 1964 graduate of Muleshoe High School and the prospective bridegroom was graduated from Lazbuddie High School with the 1964 class.

They plan to make their home in Portales where he will be attending Eastern New Mexico University this fall.

Mrs. Griffiths Is Club Hostess

Mrs. Ray Griffiths was hostess for the recent meeting of the Friendship Club.

Mrs. Cecil Tate president, presided for a business meeting during which the membership voted to supply a shampoo chair for patients in Muleshoe Nursing Home.

The devotional was given by Audie King on the subject of "Social Obligation of Christians" taken from the book of Luke.

The hostess served salad plates to Minnie Dunn, Mary Young, Lois Precure, Adelle Beaty, Billie Mathis, Mae Busbice, Maud Young, and Mrs. Tate. A period of fellowship followed.

Swim Class Over; Another To Start

Don Smith, life guard at Muleshoe Country Club swimming pool announces the completion of the first two week's session of swim lessons Friday, June 19. Ten children were enrolled in the two classes.

Completing the course were Vicky and David Bamert, Ruty White, Gary Hooten, Gayla Hooten, Scott Brown, Melissa Brown, Lisa Santos, Dan Ellis and Kiel Watkins.

Registrations for the second in a series of lessons will be at 10 a. m. July at the pool. Children ages 5 and 7 years will be taught in one class and those 7 years and above will compose another class.

Smith said a diving instruction course will be offered later during the summer; date to be announced later. Pool hours are from 1 to 7 p. m. week days and 1 to 6 p. m. Sundays. The pool is closed on Mondays.

Japan Minister Speaks At Enoch

Guests of the Enoch Baptist WMU were Rev. and Mrs. Kenji Otani, pastor of Oi Baptist Church, Tokyo, Japan. With them was their interpreter, Mr. Fukwhora, who is making the tour.

The visitors were selected by a committee to tour Texas and learn church organizational work. They are especially interested in the functions and benefits of W-MU and Brotherhood organizations in churches, both small and large.

Open House Held Observing Golden Anniversary

An open house given in their daughters home in Waco honored Mr. and Mrs. A. Copaus, Bula. The event was held last Sunday.

The former Miss Tiny Thomas and A Copaus were married in Cameron by a Baptist minister, Rev. W. W. Melton. They are parents of seven daughters and all attended the reception except one. They have 42 grandchildren and thirty great-grandchildren.

Approximately 125 called to congratulate the couple.

The Copaus have lived in West Texas for 14 years, moving here from Waco where they lived for 16 years.

They were guests of their daughter, Mrs. Pittman, for several days before returning to Bula.

swim lessons Friday, June 19. Ten children were enrolled in the two classes. ATTEND THE CHURCH OF YOUR CHOICE REGULARLY

ROMANS 8:31-39—"THE STRONGEST THING IN THE WORLD"

What shall we then say to these things? If God be for us, who can be against us?
 He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things? Who shall lay any thing to the charge of God's elect? It is God that justifieth.
 Who is he that condemneth? It is Christ that died, yea rather, that is risen again, who is even at the right hand of God, who also maketh intercession for us.
 Who shall separate us from the love of Christ? Shall tribulations, or distress, or persecution, or famine, or nakedness, or peril, or sword?
 As it is written, For thy sake we are killed all the day long; we are accounted as sheep for the slaughter.
 Nay, in all these things we are more than conquerors through him that loved us.
 For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord. Paul encountered many adversities in life. He was stoned, endured brutal whippings, experienced shipwrecks, languished month after month in dungeons of solitary confinement. Nevertheless, he testified that he had discovered something that world through Christ Jesus.
 was stronger than all these things. This was the love of God that came 1. This love is stronger than "things present." "Things present" harden youngsters into gangsters, fill headlines with crimes, and plunge to the nations into wars. Although we live in difficult times, the love of Christ is strong enough to overcome them.
 2. This love is stronger than "things to come." Uncertainty of things to come is a source of fear. There is one thing stronger than fear. That is Christ's love. "Perfect love casteth out fear." (1 John 4:18).
 3. This love is stronger than death. Death is strong enough to separate soul and body, but there is one thing stronger than death. That is love of Christ. Not even death can snap the ties of love that connect us with Christ.
 "We never cease to marvel at the invincible strength of our Lord's love. It secures, steadies, and sustains us in all life's circumstances."

Off The Runways

It takes know-how, skill and nerve to reveal the magnificent grandeur of sky diving as did two men at Muleshoe Airport late Thursday afternoon.

Putting on this pageantry in the sky were John Nelson, Fort Walton Beach, Fla. and Richard Cooper, Cannon Air Force Base, Clovis.

Just before sundown, Nelson left the runway with Morgan LeCler piloting a Super Cub for the climb to 8,000 feet, where he was to leave the craft on his 155th jump as a sport skydiver. At an altitude of 2,500 feet, the huge, colorful chute opened after 30 seconds delay on free fall. Nelson landed within a few feet of his intended spot with a 12-15 mile per hour wind.

The second jump run Richard Cooper was aboard to make his dive. A continual trail of brilliant smoke gave onlookers a distinct pattern of the divers maneuvers and he shot eastward against the wind, this feat accomplished through skilled body movements, until he was in the position for his descent.

Cooper left the plane at 8,200 feet and fell 6,500 on free fall. Nelson has been in the Air Force for the past seven years and is stationed at Hurlburt Field, Fla. He participated in the Cannon Air Force Base Air Show "Falcon 64", this week and is returning to Florida.

A native of Ashland, Wis., Nelson began jumping more than two years ago and is a member of the Commando Sport Parachute Club at Hurlburt.

FOLDING THE SILK—Cooper, right) and Nelson (left) fold up the silk after each had made a parachute jump here Thursday evening. The intrigued young enthusiast in the foreground is Jimmy Daniel, the 5 year old son of Mr. and Mrs. Roy Daniel, Muleshoe.

He has jumped from many types of planes including the military C-47 and C-123. The longest delayed opening he has made is 75 seconds.

Nelson and his wife, Betty Jean, have one daughter, Kimberley Ann, 9 months, and make their home in Fort Walton Beach, Fla. Cooper, a native of Winterset, Iowa, began skydiving almost three years ago in Denver, Colo. where he was a member of the Rocky Mountain Sport Parachute Club.

While stationed in Germany with the Air Force he was a member of the Pathfinder Club. He is "instructor qualified" in skydiving and holds a private pilot's license. Of his 185 parachute jumps, 148 have been free falls, baton passing and other skydiving feats.

Wylie Baker flew to Hobbs, N. M. recently where he visited with his brother and family, the Lee Bakers. The flight was logged as a cross country solo.

Ted Harrison was flown to Turkey recently where he picked up his son who had been there.

The charter was flown by Morgan Locker.

Program...

(Continued from Page 1) the program, because of a lack of success in selling display booths to local businessmen.

The circus will still be the big attraction, but the "Queen" contest has been dropped, according to Jaycee spokesmen.

It is free. A bookmobile library card is all that is required for registration. For those who have not obtained a bookmobile library will be available to issue card on Wednesdays during the program hours. Doors open promptly at two o'clock, close promptly at 4 p.m. every Wednesday afternoon for ten weeks. Program dates: June 24 through August 26.

For the elementary students, grades one through four, a special picture chart entitled "Famous American Indians" and matching bookmark will be given each Reading Club member of that age group, Mrs. Johnson said.

Children may begin their reading at any time during the June-August period. Members of the club will receive colorful pictures of famous Indians, such as Hiawatha, Pontiac, Sitting Bull, Geronimo and Pocahontas, to glue on their charts as they read the 10 or more books required for Honor certificates.

When completed and signed by AAUW sponsors, the card becomes the readers and he will have earned himself a place on the roll of Honor Readers.

Fifth graders through high school age students may participate in the Youth Reading Club. Honor Roll letters will be sent to their respective principals next fall.

All pre-schoolers are invited to come to the Muleshoe library building at 3:15 p.m. each Wednesday for the "read aloud picture book Story Time. The thirty-minute period is for children who will enter school this fall (reach the age of six by Sept. 1, 1964).

A parent must accompany any child under 14 to obtain a bookmobile library card. AAUW officials stressed. Cards may be obtained and membership started in the Reading Program begun any Wednesday during the 10-week period.

Jaycees...

Glen Stevens Completes AF Tech. School

WICHITA FALLS, Tex. — Airman Third Class Glen C. Stevens, son of Mr. and Mrs. Butler Stevens of 306 W. Sixth St., Muleshoe, Tex., has graduated from the technical training course for U. S. Air Force communications center specialists at Sheppard AFB, Tex.

Airman Stevens, who learned to operate teletypewriter equipment used in the world-wide Air Force communications system, is being assigned to an Air Defense Command (ADC) unit at Fallon Air Force Station, Nev. His new squadron supports the ADC mission of defending the continental U. S. against enemy air attack.

The airman, a graduate of Muleshoe High School, entered the air force in May 1963.

GRANDCHILDREN HERE

Mrs. W. E. Young was in Oklahoma City last week visiting her son, Lowell Young and family.

She returned Monday bringing their grandchildren, Sonja Kay and Bradley Keith, for several days visit here.

Their parents will be in Muleshoe this weekend.

Granvil Oden Promoted To 125th Battalion

U. S. ARMY, EUROPE (AHT-NC) — Granvil L. Oden, whose wife, Belinda, lives in Muleshoe, Tex., was promoted to private first class, June 8, in Germany where he is serving with the 15th Company.

Oden, a supply clerk in the Transportation Battalion's 126th company near Karlsruhe, entered the Army in August 1963 and received basic training at Fort Polk, La. He arrived overseas last May.

The 24-year-old soldier was graduated from Springlake High School, Earth, in 1960 and was employed by Quicksall Pryor Company, Inc., Earth, before entering the Army. His parents, Mr. and Mrs. Houston G. Oden, live in Earth.

PAM LENAU RETURNS

Pam Lenau is back at home after a visit in Denver, Colo. with a former roommate there.

George is working there and attending school.

Wilson Evans Assigned To 3rd Armored

3D ARMORED DIV., GERMANY (AHTNC) — Army Pvt. Wilson H. Evans, 23 son of Mr. and Mrs. Wilson H. Evans, Friona, Tex., was assigned to the 3d Armored Division in Germany, June 18.

Evans is a member of the 2d Battalion, of the division's 48th Infantry near Geinhausen. He entered the Army in January of this year and received basic training at Fort Polk, La.

He is a 1959 graduate of Onida (S. D.) High School and attended West Texas State University. Evans is a member of Alpha Psi Omega fraternity.

Funeral

Funeral services for Emma Alice Quesenberry were held in the Primitive Baptist Church Saturday. Rev. Glen William officiated. Burial was in Muleshoe Cemetery (Northside).

DON'T MISS

NITROMITE
82% NITROGEN

If you play to win, you need everything going for you. Like winning the big profit on this year's crop is going to depend on your young plants having their maximum yield. A side dress of Shamrock's Nitromite is a smart way to guarantee that nitrogen. It's 82% nitrogen in the form that's ready to go to work. It costs such a small part of the extra yield and extra profit you just can't afford not to use it. Call us or come by today... time is running out.

Golfers...

(Continued from Page 1) ton crown last year. St. Clair may have a slight edge because he's playing on his home course and knows it like the palm of his hand.

The same holds true with Stan Barrett, who has won the Hereford "Life begins at Forty" tourney for the past two seasons and for Haber, who has come close to this meets crown on several occasions. Last year he hit a 66 on the first 18 holes and carried a seven stroke lead. The afternoon round downed him where he climbed to a 83, to finish three behind Bonner.

The golfers played one match Friday and another Saturday. The lower flights will have two matches today. It is expected that the four remaining top golfers in the championship flight will battle it out Sunday afternoon in 36 holes of Medal play.

The championship consolation will be decided over 18 holes of Medal play. Winners of each flight will take home a set of irons and runners-up will receive woods.

TO ANDREWS

Mr. and Mrs. Bill Jim St. Clair and family flew to Andrew and were Sunday guests in the home of her parents.

Marsha Buhrman Hosts Meeting

The Pins and Needles 4-H Clothing group met Thursday, June 25 at the home of Marsha Buhrman.

Those present were Gladys Stroud, Diane Crawford, Lana Washington, Nanette Morris and leaders, Linda Grossand Marsha Buhrman.

The afternoon was spent learning to use a sewing machine. Tuesday, June 30, at 2:30 p.m. has been set for the next meeting when the girls will begin making skirts.

Refreshments of cake and cookies were served. Nanette Morris has been elected reporter.

Court of Honor Held For Scout Troop 620 Friday

Troop 620 held their Court of Honor Friday night at the Boy Scout Hut.

The following boys received badges and Merit badges. First class: Archie Waller.

Merit badges went to Ronnie Cawthron, swimming; Logan Puckett, wildlife management; Tommy Jones, wildlife management, painting, Astronomy, automotive, safety, home repairs, dog care and pets; Cary Purdy, dairying, coin collecting, stamp collecting, electricity; home repairs, canning; wildlife management; Mickey Wilson, home repairs, electricity, dairying, swimming, canning, and wildlife management; Bruce Purdy, dairying, electricity, automotive safety, home repairs, stamp collecting, coin collecting, wildlife management, canoeing; Jerry Haskins, architecture, wildlife management, basketry; Billy Kelly, archery, wildlife management and David Gupton, wildlife management.

The following boys received their coup bead; Tommy Jones, Jerry Haskins, Cary Purdy, Bruce Purdy, Mickey Wilson, David Gupton and Logan Puckett.

Paul's Cafe One Of City's Popular Spot

For fine foods — visit Paul's Restaurant on the Clovis Highway. This restaurant specializes in steaks and they are faultlessly served in a luxurious, friendly atmosphere. Paul's is a credit to Muleshoe and is as good as any found in large cities.

There is a special dining room for parties and club meetings with a seating capacity of 44. Anyone wanting to have a dinner there can make reservations by calling 3-0000.

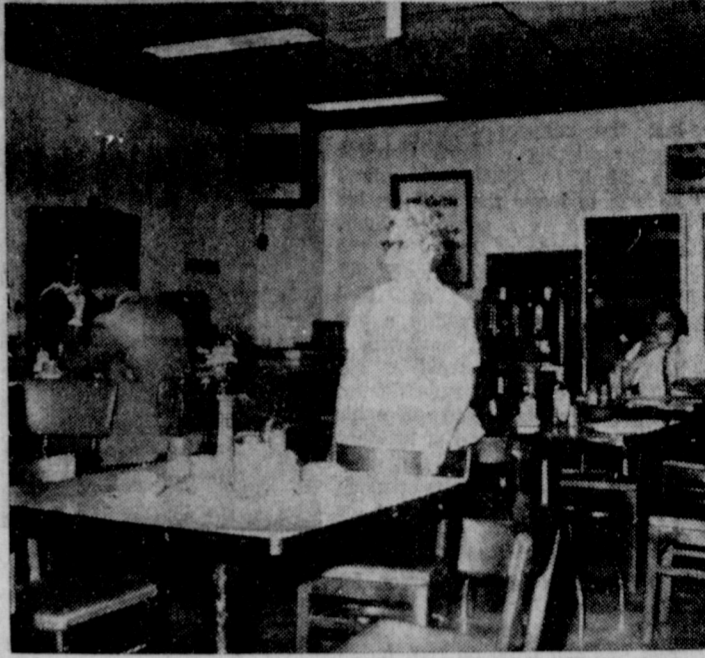

Mr. and Mrs. Paul Whitecotton are the owners of this business and opened it here two years ago. Since that time they have built up a prosperous trade and many Muleshoe people take meals there. Paul has had many years experience as a chef and still "pinch hits" in the kitchen if one of the cooks is off duty. He is an expert at cooking steaks and can cook them in any style wanted — rare, medium rare, or well done. He uses only the finest grades of beef and they are tender and tasty when served.

Noon lunches are served every day from twelve to 2 p.m. and a variety of food is offered. In addition to that all types of short orders, sandwiches, and hamburgers are served at all hours. Lunches are packed to take out too and many working men buy their lunches here.

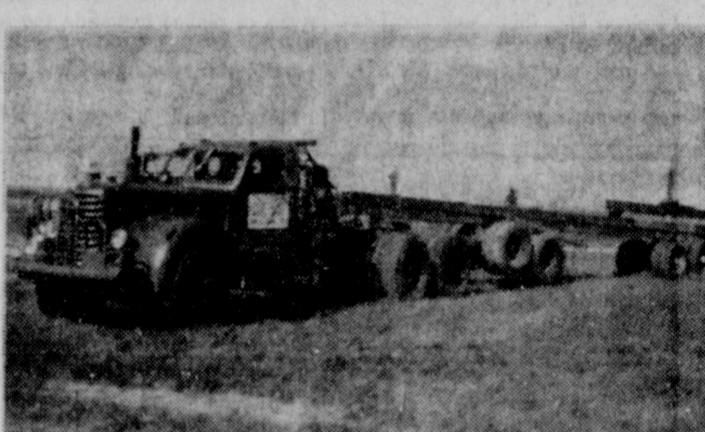

Well cooked food means more than just heating it over a fire. A great deal of skill is required to know how long to cook it and

just what and how much seasoning to add. It is an art that not too many people know.

Try Paul's next time and you will find the food here is truly delicious and is prepared in an expert manner.

INSIDE RESTAURANT — Mrs. Paul Whitecotton is shown inside the spacious restaurant specializing in steaks served in a luxurious, friendly atmosphere.

ONE of six large house moving trucks operated by Langer Bros. is shown above. This firm moves any type of building, anywhere.

VISITORS OF DEANS

Visitors of Dr. and Mrs. W. M. Dean were her mother, Mrs. H. S. St. John, Troy, Ala. and her sister, Carol, husband and son, the Glen Webbs, Chicago.

Webb has received his PH. D. in Oriental Art at University of Chicago and is going to Japan for a year work in Government Fellowship.

He speaks, writes and is a translator of the Japanese language.

"MUSIC MAN"

Kerry Moore, Muleshoe Speech teacher, and Bill Bradley, new Band Director, are currently presenting "Music Man in Memphis, Moore's home town.

Langer Bros. Move Houses Anywhere

If you want a house or business building moved across the street or across the state call Langer Bros. House Movers Co., at 5091 in Muleshoe; Porter 3-3497 in Clovis; and 238-3641 in Bovina. These men have been in the house moving business since 1939 and are experts in this field. They have moved houses as far as 450 miles.

This company is licensed and bonded both in Texas and New Mexico and the customer is protected from loss or damage resulting from moving.

This firm can move any type house or business building whether it is of frame construction, stucco or steel. They have six large house moving trucks and all other necessary equipment to do the job in an expert manner.

Three offices are maintained by this establishment — one in Muleshoe at 924 Ave. F; one in Clovis and one in Bovina. They can be on the job in a short time and move the building in the shortest time consistent with safety and proper care for the building.

In addition to moving houses, they also have houses for sale. They now have a 28 x 30 ft. frame stucco house for sale in Muleshoe to be moved from its present location.

Joe Langer who lives in Muleshoe and his brother Fred, who lives in Bovina are the owners of this business and both take an active part in it. Twenty-five years of experience has taught them many things about this type of work and they have learned how to do the job efficiently and safely.

CARD OF THANKS
 To say "thank you" seems so little for the many acts of kindness shown us in our hours of sadness at the loss of our loved one, Mrs. Dan Goad.
 But we know no other words to use and we are not able to enumerate the many things done for our comfort. To each of you who had a part and even breathed a prayer, "many thanks and may the Lord bless you."
 Dan Goad

WILLCOX, ARIZONA FARMS

Form No. 1—Containing 634 acres, all in cultivation, with 138 acres cotton allotment. 5 good wells, all powered by natural gas Continental Engines. The average static level is 105 feet. Average depth of wells 370' to 700' — 3 miles of concrete ditch. Good fences, good buildings and nice modern home, two labor houses and work shop. The farm is very clean and a going operation.
Farm No. 2 — Containing 480 acres all in cultivation, 58 acres cotton allotment. 3 good wells all on natural gas Continental Engines — one 10' discharge and 2 8' discharge all in good working condition. 1/2 mile concrete ditch, labor houses, and good 3 bedroom modern home for headquarters.

All the above, including the equipment, priced at \$500,000. Has an existing realty mortgage in the amount of \$110,000.00. Sellers prefer cash to mortgage, or would consider good first mortgage paper. This makes the land and improvements very reasonable. Reason for sale, estate wants to sell, owner died May, 1964.

OPTION OF BUYER:

Both farms can be purchased with the crop at the above price, but they must take over crop financing, which amounts to \$30,000.00. If buyer leased for one year with 93 acres of cotton planted his on leased farm chooses to take over crop he will get additional crops that the Estate has not owned by estate).

EQUIPMENT: Practically \$100,000.00 worth of equipment, including new cotton pickers; 5 vehicles, 11 cotton trailers; 5 tractors; and other tools necessary to running a farm. All equipment in good condition.
