Call to Aid Business Morale

(An Editorial)

The business men of Ranger, Texas have expressed their hearty endorsement of the Pay-Up campaign, which will take place beginning May 1st to May 15th inclusive. Everybody in Ranger is asked to co-operate in getting money to moving, so that Ranger may enjoy an industrial and commercial prosperity. This not only applies to debtors, but to all creditors as well, as the official motto of the campaign is to be "You pay me and I'll pay you."

The splendid manner in which Ranger business and professional men carried on during the depression. is worthy of the response of all fairminded people who enjoyed their help and should be shown during the campaign by an extra effort to pay accounts or something on them.

It. was felt necessary by the business people of Ranger to have a campaign on paying up back accounts as it is a well known fact that many people become delinquent through carelessness and neglect, and that a concerted effort would forcefully recall to everyone the necessity of taking care of obligations.
