The flames in any article or statement (except as which originated on the second floor an explanation) with my permission.

OVERCOAT TO POLICE

A chic, tubbable dress is an asset beyond words. And with summer time so near, and the need for goodlooking things which may be laundered so prevalent, these fresh stocks of lovely new frocks are the more interesting. For they're of fabrics that may be tubbed any number of times-tub silks, ratine, linen, French gingham, dotted Swiss, voiles, printed crepes-in all the new colors of the season. Best of all, they flaunt novel detail touches so smart. Taken all in all, the section is a facinating place, and with pricings so low you can afford more than one!

Service is of prime necessity to every Natural Gas company. The consumers demand it. The company must give it or eventually go out of business. Natural gas service must be given 24 hours a day and 365 days a year. The same equipment necessary to provide for the peak loads of winter are in use during the summer. It costs money to provide this service and the consuming public should realize this fact.

Gas without service is worthless. When paying gas bills the consumer should take into consideration the service rendered as well as the gas used.

RANGER GAS CO.

Why a Good Used Car Will Increase In Value

It is sound logic that conservative manufacturing schedule and the increasing demand for automobiles will shortly force values up on used cars.

A good used car is not the less a good car because of that word "used" and on a cost per mile basis is greater value than a new car. We can show you some thoroughly good used cars now at the present rock-bottom prices.

Thousands of families are taking advantage of this new way of buying a Ford and will soon be driving their own cars, enjoying all the benefits and advantages of motor transportation.

The Ford Weekly Purchase Plan is amazingly simple. You can enroll with an initial payment as low as \$5.00. Each week you add to your first payment-as much or as little as you feel you can afford. This money is placed in the bank and draws interest. In a short time your deposits, plus the interest paid by the bank, will be sufficient to obtain delivery of the car.

Start today and before you realize it you will be driving your own Ford Car.

DALLAS, May 12 .--- Some where in the Trinity bottoms there is a school-a night school for moonshiners.

So say federal agents who recently began an investigation of the alleged school, which, it is claimed, teaches the profitable art of distilling.

The existence of the "college" came to light following a probe by officers into the source of expert knowledge of liquor making by persons in this section. A veteran moonshiner came here recently from Tennessee and established a school "somewhere in the Trinity bottoms,' it is alleged.

Distilling is difficult and requires years to master, according to pro agents. Due to this fact authorities have long suspected someone was receiving pay for teaching the subject which has caused poverty for many to unlawfully enrich a few.

For Cross Country or City Driving Jack Dempsey has good prospects

From the handsome luggage trunk on the rear to the nickeled drum head lamps the Buick four cylinder touring sedan has an air of smartness that is distinctly new in a motor car of its price.

This model combines the rich luxury of the fine closed car with practical every day utility for business and social motoring. Touring is made comfortable by the luggage facilities the trunk provides and by the broad vision afforded by the wide windows.

Fitted with every convenience for comfort in winter and summer and completely equipped for restful driving and riding, the four cylinder touring sedan is recognized everywhere as an exceptional motor car value.

turned late Saturday evening from Fort Worth where they went on Thursday to attend the meeting of the State Medical association. They remained over Friday to attend the Shrine meeting and dance.

Senior High School Play To Be Given Friday Evening

The senior play to be staged by the class of 1923 of the Ranger High school is rapidly rounding into form. The cast includes practically all of the members of this year's class and they are assisted by one member of the junior class, Thurman Gholston, who starred in a recent one-act play, "The Show Actress."

The title of this year's senior play is "The Kingdom of Hearts Content." It has been performed successfully by a number of high schools in the various sections of the country and had an unusually good staging by the highschool of Tulsa, Okla., recently.

For the last four years it has been the custom of the classes graduating from the high school to put on these plays and every year they have been received by the public with remarkable favor. Those who have witnessed the plays of the past three years can rest assured that this year's play will well measure up to any of those of previous years.

The new high school auditorium will be used for this performance on Friday evening, May 18. Tickets will be placed on sale, beginning Monday, and it is expected that all tickets will be sold ahead of the perform-

BEAUMONT .--- Seven county dempastration agents have been in Beaumont recently taking extension courses under Agricultural and Mechanical college instructors. The course covered particularly rice culture. Agents

were here from Columbus, Wharton Edna, Bay City, Dickinson and Beau
