GOVERNOR CALLS TURN ON LEGISLATURE

RANGER SCHOOL BOARD WILLING BUT ANXIOUS

Unquestioned Membership Is Now Three and Number of Quorum Uncertain.

The Ranger School board did not hold a meeting as such this afternoon and the school teachers must wait a little longer for their money.

At 2 o'clock, the hour set for receiving bids for the new school house of the Merriman school, President V. V. Cooper was on hand together with Trustees Hagaman, Williams and Mrs. Drienhofer. Without calling the board to order President Cooper read a prepared statement in which he stated that he had not called the meeting, that published notice of it had been without his knowledge or consent, and that the board was unable to act on matters legally, for if the school trustees election in April should be held illegal as to two members, it would be equally as to the other two elected at the same time.

MARATHON DANCE RECORD SMASHED HERE

Conklin and McMillin Had Danced 173 Hours at 3 P. M. Today.

At 3 o'clock this afternoon, "Spark Plug" Conklin and Margaret Collier of Dallas and W. E. McMillin of Los Angeles had passed their one hundred and seventy-third hour in the marathon dance contest at the Summer Garden. For the men this breaks the world's record for marathon dancing. A record of 161 hours and 35 minutes was established in Ohio last week.

Miss Collier said late this morning that the Ohio woman, who is reported to have passed the one hundred and sixty-ninth hour last night, might as well stop dancing for she would outdance her. She was wide awake when a reporter talked to her before noon today. She kept stepping around the music machine.

When she got through reading the telegram, sent to her and Mr. Conklin from two members of a show company that was here last week, she beamed with happiness. It was signed "Billie and Norma, Margaret Lillie company."

The California dancer had his morale considerably stiffened up during his 15-minute rest period just before noon today when a Ranger barber gave him a muscular massage. "That's fine," he said as the masseur worked his muscles up and down. The offer of different Ranger girls to go around with him "pepped" him up.

Spectators kept dropping in during the morning as they heard the men dancers had broken the world's record earlier in the day.

Rosser Newman of Dallas is scheduled to start in tomorrow night at the Summer Garden in his attempt to break the world's marathon dance record.

Former President of Irish Republic Issues Order Said To End Revolt.

DUBLIN, May 28.—Amonn De Valera, the Irish rebel leader, has advised his followers to lay down their arms. This is the end of the revolt, it was announced today.

POPULATION OF WORLD NEARLY TWO BILLIONS

Statisticians in Berlin Place Total at 1,804,187,631; New York Largest City.

BERLIN, May 28.—Scattered over the face of the earth is a total population of 1,804,187,631, only 7 per cent of which is in cities of more than 100,000 inhabitants, according to statistics compiled here and based largely on 1922 census reports. Only 30 out of the 70 nations listed have cities of or above the 100,000 class, which is the lowest counted within the classification of "large cities."

Approximately 40,000 of the globe's inhabitants live in the 18 centers having a million residents or more each. About 90,000 live in the smaller large cities, of which there are only 393 in the whole world. The average large city is said to number some 320,000 souls. From these figures, it is stated, every forty-fifth human resides in cities housing millions, while every fourteenth finds his home in a large city of some sort.

New York is given as the largest city in the world, with a population of 5,620,048. London is second with 4,483,240, and Berlin third with 3,803,770.

Europe leads the continents in point of population. It has six centers in the million class, London, Berlin, Paris, Glasgow, Vienna and Moscow, and 193 with more than 100,000 inhabitants. Of the European countries, England has 53 large cities, Germany 45, Italy 16, France 15, Russia 15.

It is considered surprising that Asia has more large cities than North America. Six of the 92 Asiatic cities house more than a million apiece. These are Shanghai, Hankau, Calcutta, Bombay, Tokio, and Osaka. British-India is credited with 30 large cities; China has 20, so far as available records show, and Japan's number 19, including three in her foreign possessions.

Commissioner Haynes said there was less occasion to be worried over the activities of the rum-running fleet than over domestic concoctions. He said a larger amount was smuggled in than these figures indicated and expansion followed through adulteration or by smuggling the synthetic concoction out and in again.

Less than 1 per cent of the liquor sold is good liquor, said the commissioner. The bootlegger foists his wares on a sympathetic public for the genuine article and gets fabulous prices for it, he said.

Shallow Oil Pool Near Ranger Now

The Panhandle Refining company is reported to have brought in a well on the E. H. Webb tract in the shallow oil pool five miles southeast of Ranger Sunday afternoon. The well is variously estimated at from 60 to 100 barrels. The depth is around 1100 feet.

Tom Bray et al well which spudded last Friday is reported to be down about 250 feet today.

The Garrett and Smith well, No. 1, Parsons, south of Olden, has been shut down to await the arrival of eight-inch casing. It was said to be down 1885 feet on Saturday.

The Gholson-Chastain well on the H. B. Wood tract, located one mile due west of the Wright well, was at 3163 feet this morning. A six-inch casing is being put down. A showing of gas is reported.

The McLeester well, No. 1, on the Bryant farm, near Olden, is still inactive. The drillers are still fishing for some casing lost last week.

The Mook-Texas No. 1 on the Minnie Sibley tract, three-quarters of a mile southwest of the Panhandle shallow field, which had a showing of oil at 255 feet, was reported Monday morning to be down 349 feet. A string of 15 1-2 inch casing is being put in. Thirty feet of sand was struck in the showing of oil last week.

The States Oil corporation will carry its No. 1 Bob Wright to the Ellenburger line for oil, it was reported here this morning. When operations were stopped recently the hole was full of oil.

The rig has been completed and a string of tools is being brought up for the Andy Urban No. 1 well on the Neville tract of the Spire-Doolley survey, five miles east of Ranger.

The Urban No. 1 well on the Y. L. Williams farm was down 2150 feet Saturday, it was reported here.

CONCOCTIONS OF LIQUOR POISON WHOLE COUNTRY

Dry Commissioner Says They Are Worse Than Rum Runners.

WASHINGTON, May 28.—How the United States was dried up under prohibition despite rum-runners and bootleggers was the subject of a statement made this morning by Federal Prohibition Commissioner Haynes. Figures showing imported distilled spirits in comparison with liquor obtained from other sources amounted to slightly more than 1 per cent of the withdrawals.

Commissioner Haynes said there was less occasion to be worried over the activities of the rum-running fleet than over domestic concoctions. He said a larger amount was smuggled in than these figures indicated and expansion followed through adulteration or by smuggling the synthetic concoction out and in again.

SENATE MAKES SLIGHT ADVANCE IN LAWMAKING

Attends to a Few Matters and Adjoins; House Passes Anti-Darwinism Bill.

AUSTIN, May 28.—The senate made little headway today towards the disposal of matters before looking to adjournment. After passing the Darwin bill, reappropriating funds for boll weevil control and enrolling the bill separating the insurance and banking departments, the senate adjourned until tomorrow.

Opposition developed to recommendations of the joint ways and means committee looking to adjournment this week. The committee went into executive session to try to iron out its difficulties.

The house of representatives went on record today as opposed to the teaching of Darwinism regarding evolution in the public school and colleges of the state when it adopted the Stroder resolution, 81 to 9.

RUSSIAN CREW ON AMERICAN TRANSPORT REPORTED ON STRIKE

MANILA, May 28.—It was reported today that the Russian crew of the American Army transport "Merritt" enroute from Manila to San Francisco with 540 Russian refugees has gone on a strike, holding up the ship.

The U. S. S. Harrison has started in the direction of the transport with an emergency crew of Filipinos.

RED FRONT GROCERY STORE BURGLARIZED

The Red front grocery store was burglarized sometime between 12 and 5:30 a. m., Sunday, and \$400 in cash and checks stolen, according to the owner of the store, C. O. Manning. A policeman was assigned to the case.

The cash till and all of the contents were removed by the burglars. Mr. Manning has no safe and he usually hides the cash drawer in different places in the store. The burglars apparently had no difficulty in finding the hiding place of the drawer on this occasion, according to Mr. Manning. Nothing else was disturbed.

All of the possible clues to the identity of the burglars have been run down by Mr. Manning and he said today there seemed little prospect of apprehending the thieves.

WHISKEY MAKERS IN CANADA JOIN HUNT FOR RUM RUNNERS

WASHINGTON, May 28.—Legitimate manufacturers of Canadian whiskey are suffering so much by the counterfeiting of their labels and caps by persons who make synthetic liquor that they are helping to run down the rum runners, according to Judge E. L. Porterfield, divisional chief for Ohio, Indiana and Michigan. He has made such a report to Prohibition Commissioner Ray A. Haynes.

LIONS AND ROTARIANS WILL PLAY BALL WEDNESDAY AND WILL HURT NO ONE'S FEELINGS

The Lions and the Rotarians are to play ball Wednesday afternoon. The game will be staged in Municipal park, formerly known as Nitro park, and the proceeds will be devoted to improving the tourists camp.

It is promised that there will be no unruly conduct sufficient to alarm the ladies. On the contrary, the Lions and Rotarians expect to be very polite to each other. Rotarian Clegg, who is expected to occupy the box for a portion of the time, will ask Lion Craig, for instance, how he will have the ball placed, and Lion White will show the same courtesy to Rotarian Gullahorn. This does not mean, of course, it was explained very carefully by the managers, that the pitchers will be able to deliver just the kind of balls that will be asked for, but they will try at least to deliver over the plate.

BRICK HIGHWAY OPEN ALL THE WAY BETWEEN RANGER AND EASTLAND

It is a fact, no joke and no mistake. For the first time autoists began Sunday evening, using the brick highway underneath the Texas & Pacific railroad tracks south of Ranger. This means the elimination of the detour through a field at the left of the road a few hundred yards north of the railroad culvert.

RUHR TENSION LESSENING BUT RIOTS CONTINUE

Fifteen Killed in Week-End Fighting; Communists Make Trouble.

DUSSELDORF, May 28.—With only 13 dead in week end riots in the Ruhr, reports throughout the valley today indicated the tension is lessening, for the moment, at least.

In Bochum, where communists be-seized the municipal offices and assumed control of the city, authorities have regained the upper hand. French in Essen have seized several million paper marks, following repeated refusal of German officials to pay certain occupational expenses. Workers held peaceful demonstrations in many cities during the night. Officials fear, however, the lull is only temporary.

HARRY PORTER TO BE KING OF THE PAGEANT; IS SELECTED BY ELKS

EASTLAND, May 28.—Harry Porter has been elected king of the pageant by the Elks club at a meeting Monday night. The Elks had been requested by those having the pageant in charge to make a selection of some young man to make nominations and after careful consideration Harry Porter was unanimously selected for the position.

Mr. Porter is connected with the States Oil corporation, and is a very popular young man and his selection for this honor meets with very general approval by Eastland citizens.

A T. & P. wreck train and crew which has been working at Dothan clearing up the wreckage that resulted from a head-on collision of passenger trains Nos. 15 and 16 last Thursday morning, stopped at the brick highway culvert Sunday and completed the track work over the new crossing.

People from Ranger and other communities parked their autos long enough on the highway Sunday evening to view the damaged engines and twisted steel and iron of coaches which the wrecking crew brought into Ranger about 7:30 o'clock. The two ill-fated engines were chained face together, each with its own tender, immediately back of the engine, also pulling the flat cars carrying the wheels and framework of destroyed passenger coaches.

PALESTINE, Texas, May 28.—Jeff English, deputy sheriff of Houston county, shot late yesterday by an escaped convict, believed to be Tom Davis, died in a hospital here today. Officers are searching Houston county for the convict, who is said to have escaped from a convict farm May 24.

NEFF SENDS MESSAGE TO LAWMAKERS

Says If They Do Not Provide State With Revenue He Will Veto Appropriations.

AUSTIN, May 28.—"Unless some decisive and meaningful" action is taken by the legislature within the next day or so towards meeting the discrepancy between appropriations and revenues, Governor Neff will veto the appropriations now before him. The governor so informed the legislature in a message to the legislature today in which he said the special session had been working 13 days and had taken no action to meet the large and rapidly increasing deficiency in the state treasury.

BALDWIN NAMED NEW LEADER OF THE CONSERVATIVE PARTY

LONDON, May 28.—Premier Stanley Baldwin today was elected the new leader of the conservative party. The meeting was held to solidify the party to its full strength when Baldwin goes before the House of Commons to face the opposition. Dissatisfaction of the group, led by Austin Chamberlain, is spreading to the liberals and laborites, who felt a sympathy with Bonar Law because of his illness, and all are combining against the new ministry.

SEVEN KILLED WHEN INTERURBAN CRASHES INTO AUTOMOBILE

DETROIT, Mich., May 28.—Four young women and three men were killed several miles north of this city yesterday when an interurban crashed into an automobile, throwing the wrecked motor car with its two passengers, both killed, into the road paralleling the track and wrecking two other automobiles, killing and maiming several persons in them.

Besides the seven dead, all as yet unidentified, a number of persons were hurt, some seriously.

Your blood changes in the Spring. Why? YOUR blood is thicker and more sluggish in Winter than in Summer—it has to be to keep you warm. Then comes warmer days and lighter clothes. Your blood, still thick and heavy-laden, is slow to throw off its impurities. What happens? The impurities crowd out through the skin—boils and pimples appear—you feel sluggish and tired! The remedy for this condition is S. S. S. It is the ideal blood purifier, because the medicinal properties are purely vegetable. It is a glorious fact that S. S. S. has given new, long-forgotten strength to older people and has made many old and young people look years younger. Blood is life—it's your foundation—make it rich—get blood strength—we all need it, especially rheumatics. S. S. S. will give you greater energy, strength and endurance. Mr. Harry C. Bachman, 4736 Main Avenue, Norwood, Ohio, writes: "I had skin eruptions—pimples and blackheads. I took S. S. S. and was happily surprised at the results I got in less than three weeks' time." Try it yourself. S. S. S. is sold at all good drug stores. The large size is more economical. Get a bottle today! S. S. S. makes you feel like yourself again.

RANGER WINS ITS FIRST HOME GAME

Nugent Pitches Snappers to 8 to 6 Victory Over Olden at Municipal Park.

Ranger's Chestnut & Smith baseball club cinched the game with Olden at Municipal park yesterday afternoon in the first two innings when the Snappers made eight runs. The most Olden could pile up was six runs.

Embree for Olden, a left hander, was forced to retire in favor of Groves, who held the Ranger team scoreless. Groves allowed the local club by two stinging hits in the six innings he was in the box.

Adams, formerly of Thurber, Stevens and Boone for Ranger, fielded nicely. The club showed up to better advantage than in the Parks camp game of a week ago.

Nugent kept the visitors off the bases in good style except for one inning, the third, when three runs were scored.

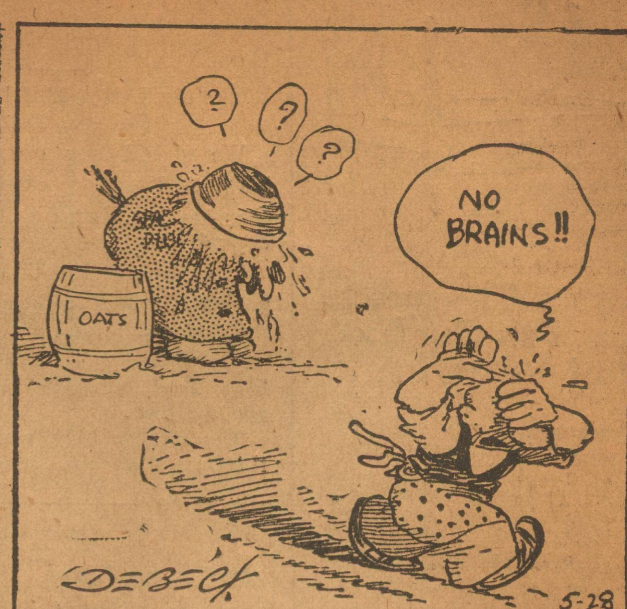

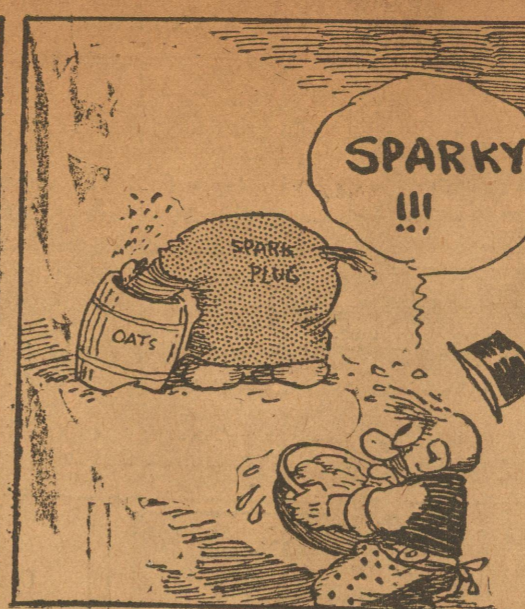

Cisco will be the opposing team next Sunday at Municipal park, the second of a five-game series at home. THURBER, Texas, May 28.—Thurber defeated the crack Breckenridge team, 8 to 7, in the hottest contest of the season here Sunday, after taking Saturday's game by a score of 6 to 5. In the Saturday game both teams showed up in excellent form, however, it appeared as if Thurber would suffer her first defeat, when, in the eighth frame, the visitors bunched four hits, which resulted in four runs, but in Thurber's half of the same inning they hit for a single, a triple and another single, which tied the visitors' score, and in the last inning they held down Breckenridge to no runs and pushed one across for themselves, which won the game. Fifth inning: Breckenridge—McElreath hit a hot one through Curbin; Gober bunted to Hudspeth, who tried to catch McElreath at second, Knight dropping the ball; Josephin also bunted to Hudspeth, who threw out McElreath at third; Martin singled over second, filling the bases; Robinson flied to left, Gober scoring after the ball was caught and Schmidt fouled out to White. 1 run, 2 hits, 1 error.

Sixth inning: Breckenridge—Freeman flied to Knight; Tabor beat out a bunt and Williams fanned, Tabor stealing second; McElreath walked and Gober popped up to third. No runs, one hit, no errors.
