TORRENTIAL RAINS FLOODING COUNTRY

GIRLS TELL OF ADVENTURE ON BRIEF JOURNEY

Travel All First Night in Mud, Then Seek Work With Success.

Winnie Lee Harper, 14 years old, and Odessa Mae Akers, 17 years old, told the police, after severe questioning Sunday, that Wesley Fox and Jim Carter took them from their homes at Cheaney, 10 miles south of Ranger in an automobile Monday night and left them at Dublin the next morning, according to Assistant Chief L. E. Davenport.

The Harper girl held nothing back and told everything she knew, the officer said. The older girl was reticent and it was only after repeated questioning that admissions could be drawn out of her. The girls were examined separately. Odessa was in a defiant mood at times. She is in the Clinical hospital today, said to be suffering with a slight valvular leakage of the heart.

Winnie Talks Freely

Winnie frankly told it was the intention of the two men to take them to Oklahoma, or so she understood, the assistant chief said. This, the Akers girl refused to corroborate. This plan was dropped, Winnie said, after the auto in which the four were traveling became stuck in the mud five or six miles south of Gorman. The machine was on the road from 9 o'clock p. m. Monday until about 9 o'clock Tuesday morning in going to Dublin, so muddy were the roads. Winnie told the assistant chief in a general statement that will be presented to County Attorney Barnes that they were left at a Dublin hotel. This statement has been verified by the owner of the hotel, who told the police authorities here last week that two men and two young girls came to his hotel last Tuesday morning. The men went on to Fort Worth, she said.

Salesmen Promised Jobs.

It was at the hotel that they fell into conversation with a traveling man described by Winnie as being "red complexioned." He told the girls, Winnie said, they could get jobs in Cisco, and that he was going to that city and if they wished, he would take them on in his car. The girls accepted. The salesman took them to a Cisco hotel. The hotel keeper, or his clerk, refused to register the girls, and he took them to another hotel, Winnie said and her chum spent the week alone until Saturday night, when the Cisco police found them at a Cisco hotel, named by Officer Jim Ingram in a telegram received Saturday night from him in Ponca City, Okla. They were almost penniless, having been unable to find work.

Odessa went into hysterics yesterday morning when Chief Davenport ordered her and her chum booked for investigation. This the chief decided to do after she developed a reticent attitude. She cried for her mother, and asked to be taken home.

Winnie told the police her chum had trouble with her heart during their escapade and a physician was sent for. He said today her condition was due to worry. Late last night she was removed to the hospital. Her chum went with her.

INGRAM DELAYED IN RETURNING PRISONERS

Officer Jim Ingram had not arrived here with his two prisoners early this afternoon from Gainesville, Texas. He was in Ponca City, Okla., Saturday, which city was reported today to be almost isolated by flood waters, and it is possible that he has been delayed by washouts or inundation of railroad tracks. The two men, Chief Davenport said today, will be turned over to the county authorities, together with the evidence gathered by his department.

STUDENTS SEEKING WORK IN THE WHEAT FIELDS

AUSTIN, June 11.—Already 31 students of the University of Texas have signed up for work in the wheat fields this summer, according to W. A. Smith, secretary of the Y. M. C. A., who is registering men for this work. This is part of the regular duties of the Y. M. C. A. in furnishing work for students, and it is being done in co-operation with the state labor commission. This commission will attempt to place students in the harvest fields of Texas at the beginning of the season, and as the season advances to find work for them in the northern fields. Joseph S. Myers is in charge of this work.

SALE OF OIL PERMITS ON STATE LANDS MAY BE MADE COMPETITIVE

AUSTIN, June 11.—Change in the state laws so as to allow disposal of oil permits on university or state lands on a competitive basis is proposed by some members of the legislature who conferred today with Land Commissioner Robison on the proposition.

This action is proposed in view of the reported gusher on university lands in Reagan county, which would net the university much larger returns, if oil is discovered in paying quantity, under terms of the bill. Permits on state lands would be allowed to expire, but hereafter all permits would be sold on competitive basis, according to the proposed bill.

RANGER WINS SECOND GAME FROM EASTLAND

Two Teams Well Matched, but the Snappers Are Able to Put Over Winning Run

Fans who saw the Ranger-Eastland game yesterday are clamoring for another taste of the kind of battle put up at the municipal hall park. With the games now standing in Ranger's favor with two won and none lost, Eastland is probably laying plans to take the measure of the Snappers in their next clash. In the form shown so far, the two teams are evenly matched, so far as actual scoring ability counts.

The Snappers have won both games by only one run. The first clash was a 14-inning affair and yesterday's affair threatened to go into extra innings.

Thirber will come here on June 23 for a Saturday game. Fans will get the opportunity then to see one of the strongest semi-pro teams between Fort Worth and Abilene in action. Thirber has won 20 out of 22 games this season, having dropped two games to Breckenridge. One thing is certain. Ranger fans have been slow warming up to the Snappers. The attendance yesterday could have been better. Some stayed away, possibly under the impression no game would be played because of wet grounds. Considerable money has been put into the club, and the team is beginning to round into shape, where it can play a high caliber game.

B. F. DAVENPORT TO CARRY RADIO ON AUTO TOUR

B. F. Davenport and his wife, will have music and news reports at every camping point on their automobile tour to Colorado, beginning next week. They plan to carry a radio outfit with them, along with a sleeping tent and other outdoor needs. Mr. Davenport is with the Chestnut & Smith corporation.

OIL AND GASOLINE SHIPMENTS AGAIN GAIN

S. A. White, passenger and freight representative of the Texas & Pacific railroad in Ranger, says he can see an improvement in oil and gasoline shipments out of Ranger. The price cuts last month were reflected sharply in rail shipments from here, he said. The falling off in freight was considerable. But shipments have begun gaining again.

Ranger Elks To Celebrate Flag Day, June 14

The Ranger lodge of Elks will celebrate Flag day, June 14, with suitable exercises, as prescribed by the National Order B. P. O. E. The program will be given at 8 o'clock in the evening in the high school auditorium, the principal address to be delivered by Judge Ove Overson. The Flag day oration will be given by Aubrey Jameson and a color guard of honor will be furnished by the American Legion of Thurber. Smith's orchestra will furnish musical selections.

WILDCAT WELL IS DRILLED IN NEAR GORMAN

Estimated Pumping Output 100 Barrels; Gasser Comes In Four Miles Away.

Drillers have gone through 15 feet of sand, believed to be the Desdemona sand, in the Herbert Oil company, lay No. 1 well, four miles southwest of Gorman, in the West Gorman district. The well is reported to be down 2780 feet. Mr. Bridges of the Mahstedt-Mook company, said today that the well has been swabbed for an estimated 100 barrels. No gas is showing and it will have to be pumped. The Herbert well is in wildcat territory. If it is drilled in successfully, it will mean the opening of considerable new acreage in the west Gorman district, oil men say.

Control Head Blown Off Four miles to the southwest of this well, the Atlantic Refining company's No. 1 well, an immense gasser, blew the control head off last week, so strong was the pressure. The rock pressure is said to be 1025 pounds. The company is now cleaning out the well with the intention of making it an oil well. So far only gas has been obtained.

Andy Urban spudded in his Neville, No. 1 on the Spire-Dooley survey, five miles east of Ranger, today. This is Mr. Urban's second well to spud in this spring in the Ranger field. His No. 1 on the Y. L. Williams farm has been shut down temporarily at 3150 feet.

Drillers on the Loss Wood well have a fishing job on their hands, it was reported today. It is down 3340 feet.

The Mook-Davidson well on the Minnie Sibley tract, six miles south of Ranger, has been drilled to a depth of 1600 feet, it was said.

FIRE DESTROYS BROAD STREET TRAIN SHED IN HEART OF PHILADELPHIA

PHILADELPHIA, June 11.—Fire early today destroyed the Broad street train shed of the Pennsylvania railroad, driving scores of persons from their berths in the Pullmans. For a time, when the flames were at their height, it appeared that the entire station, which is in the heart of the city, would burn.

Four electric trains and several steam trains were lost and also a quantity of mail and baggage. While no estimate of the loss has been made by the railway officials, it is claimed to be close to \$1,000,000. The blaze started under a wooden platform, but it is not known what started it. A number of firemen were overcome by smoke while fighting the flames.

CENTRAL BAPTISTS TO TAKE RELIGIOUS CENSUS NEXT SUNDAY

The Central Baptist church had busy sessions Sunday. Every seat in the auditorium was taken at both services Sunday morning and evening and extra seats were placed in the aisles. There were four additions. Eighty young people attended the B. Y. P. U. association at Carbon in the afternoon. There were 326 visitors in attendance. The next meeting will be with the Central Baptist church, the fifth Sunday in July.

The religious census to have been taken Sunday was postponed until next Sunday on account of the rain and mud. All those who are to assist in taking the census will meet at the church Wednesday evening for preparation.

The W. M. U. and Sunbeam society will meet at the Tee Pee building and annex at 8 o'clock today.

GEISS SLOWLY RECOVERING FROM EFFECT OF FALL

Ed C. Geiss, of the C. C. Advertising company, who fell from a scaffold 20 feet high and broke his arm and his left hip bone two weeks ago today is still confined to his room in the Reavis apartments. He will be able to leave his room in about four more weeks, according to his doctor. He plans to go to Kansas City then and recuperate at the home of his folks.

Magnolia Oil Co. Declares 1-4 Per Cent Dividend

DALLAS, June 11.—A quarterly cash dividend of 1-4 per cent was declared today on stock of the Magnolia Oil company as of date June 23, the dividend to be paid July 5.

TRINITY RIVER OUT OF BANKS IN DALLAS COUNTY

Fort Worth Taking Steps to Prevent Loss if Lowland Overflows.

DALLAS, June 11.—The Trinity river was out of its banks today and the lowlands flooded. Approximately \$50,000 damage is reported throughout the Trinity river lowlands in Dallas county, including washed-out bridges, livestock drowned and crops ruined. During the 48 hours ending at 7 o'clock this morning 4.7 inches of rain had fallen and the Trinity river at 9 o'clock stood at 32.4 feet, and was rising.

Rain this morning was reported falling at Abilene with no sign of letting up. It was also at Sherman and the farmers were getting anxious about their grain crops. The rain throughout McLennan county Sunday is said by the farmers there to have been beneficial.

STATE INCOME TAX BILL AGAIN DEFEATED

AUSTIN, June 11.—Proposal to levy a state income tax during this session of the legislature was lost today when the authors of the bill in the house asked that it be laid on the table with the understanding that it would not be called up at this session. Representative Price said it would be impossible to pass it at this session in the house, due to announced opposition.

The house passed the emergency appropriation bill, totaling \$294,000, a reduction of \$50,000 under the appropriation of the bill vetoed by Governor Neff.

The bill giving the state title to abandoned blind institution property in Austin to be used as a state insane asylum passed.

The bill requiring the teaching of the constitution in the schools was passed and as was also the bill amending the collection of delinquent land taxes.

FRANCE SAYS NO REPLY TO GERMAN NOTE IS CONSIDERED

PARIS, June 11.—No reply to the German note is considered necessary so far as the French are concerned, it was said here today. But if the allies desire to renew a discussion of German reparations, France is willing to go the way.

SUPREME COURT DECIDES AGAINST KANSAS COURT INDUSTRIAL RELATIONS

WASHINGTON, June 11.—The objection to the Kansas state court of industrial relations made by the Charles Wolff Packing company of Topeka, a subsidiary of the allied Packers was upheld today by the supreme court of the United States.

This decision in effect overrules the power of the Kansas court of industrial relations, which was created by Kansas to solve the problem of industrial unrest, and relieve itself from the disastrous consequences so often attending labor strikes.

BULGARIA AGAIN AFLAME WITH INTERNAL WAR

Bloodless Coup Against Government Followed by Counter Revolution.

PARIS, June 11.—A counter revolution by peasants is under way in Bulgaria. Several affrays have been reported in which the supporters of Stamboulliski, the deposed premier, have been defeated. Several thousand persons are reported to have taken arms against the new government, which was established last week after a bloodless coup. Armored trains are being rushed to Plevna, where an engagement is expected.

It looks very much as if the high or Balkans again may become inflamed and that the revolution will not be so bloodless as first was promised. Reports from Sofia tell of many killed and wounded in minor skirmishes.

BELGRADE, June 11.—Upwards of 100 persons are expected to have been killed in counter revolutionary fighting in Bulgaria, according to dispatches today from Sofia. Zankoff, a bourgeois, belonging to no political party, heads the present government of irregular military, assisted by the national troops which overthrew the Stamboulliski ministry, quietly arresting all members of the cabinet except the foreign minister, who made his escape.

Chinese Bandits Agree to Release Foreign Prisoners

WASHINGTON, June 11.—Chinese troops have accepted terms for the release of all foreign prisoners, the United States state department today was notified by Minister Schurman at Peking. He wired: "Release of all American and other foreign prisoners of the Chinese expected today, although the bandits asked three days in which to complete their enrollment in the Chinese army."

DENTON FOLKS OBJECT TO INTERURBAN TRACKS

DENTON, June 11.—Now that Denton has everything set for an interurban line from Dallas, she can't find a place to put the tracks. The people of Dallas living on the street where the tracks for the proposed interurban were to be laid have taken out an injunction restraining the traction company from laying the tracks on their street.

TRUST THE POSTAL CLERKS TO UNDERSTAND ADDRESSES

DALLAS, June 11.—Jack Hawkins, clerk of the criminal district court No. 2 here is more than satisfied with the postal service. "There's a reason," for when his little 8-year-old daughter, who was visiting in Waxahachie, wrote to him and addressed the letter to "My Dear Daddy, Criminal Court, Dallas, Texas," Jack got the letter.

"ON WAY HOME," HE SAID, BUT TARRIED TOO LONG

George Glenn, negro, got paid off by his boss and decided a little corn liquor would do him no time. He tarried on Austin street after imbibing, however, and a call was sent to the police station. Assistant Chief L. E. Davenport responded and took the negro to the station.

Floods In Oklahoma

Streams in Places Three to Six Miles Wide; Ponca City and 101 Ranch Isolated; 200 Houses Marooned at Tulsa.

OKLAHOMA CITY, June 11.—Swollen streams, in places three to six miles wide, rushed through Oklahoma today, some dropping and others rising. Rumors of six persons drowned at the 101 ranch, near Ponca City, is unverified, pending establishment of communication with the ranch. Thousands of dollars in property and stock is reported lost. Ponca City with a population of 11,000 is almost isolated. Two hundred houses at Tulsa are reported marooned at Tulsa, although the Arkansas river is reported to be falling. Miami reports the Neosho river to have completely inundated the lowlands. Two miles of track of the Santa Fe railroad between Blackwell and Ponca City are said to be under water, although the trains are still running to Kansas City. The Rock Island has declared a freight embargo west and north while passenger trains are being detoured.

Swollen Rivers Spread Dismay Far and Wide

Four States, Oklahoma, Kansas, Colorado and Georgia Suffer from Overflows. Thousands Made Homeless, Large Number of Deaths Probable and Property Loss Will Run Into Millions.

Four persons were known early today to have been drowned and thousands of persons were made homeless, while millions of dollars damage was done by flood waters in Kansas, Oklahoma and parts of Colorado and Georgia, which early today were sweeping in increasing volume down the river channels and over-running the banks. Scores of Kansas towns have been inundated and thousands of acres of wheat all ready for the harvest have been ruined by the high waters that have resulted from the recent torrential rains.

FRENCH TROOPS IN UGLY MOOD AT DORTMUND

Five German Civilians Shot After Two French Officers Are Killed.

DORTMUND, June 11.—Five Germans were shot and killed by French troops during the night for alleged violation of the French regulation which forbids German civilians being on the streets after dark. These killings followed soon after the shooting of two French officers by German civilians, Sunday. The acting head of the town has been arrested.

The center of Dortmund is swarming with French troops who appear to be in an ugly mood. It is claimed the Germans who were killed refused to halt at the command of the patrol.

BARNES THREATENS TO CLOSE UP CERTAIN CONCESSIONS

Cotton Belt exposition shows arrived today in wagons from Eastland, and the "razorbacks" began immediately to pitch the show and concessions tents. County Attorney Barnes told officials of the police department last night that the show has several concessions operating wheels that are against the laws, and indicated that he might move to close them up while in Ranger.

YOUNG MAN DROWNED WHILE TRYING TO SAVE GIRL

TEXARKANA, June 11.—Clarence King, 22, was drowned today while trying to save Miss Margaret Mills, a telephone operator. She was thrown from the car in which she was riding when it was struck by a Cotton Belt train and fell into the river. King jumped in to save her and was sucked under. Other got the girl out and she was rushed to a hospital, where her conditions is said to be precarious.

PLEADS GUILTY TO COUNTERFEITING MONEY

DALLAS, June 11.—Joe Turban, charged with counterfeiting, possessing counterfeit money and passing it, pleaded guilty today and was sentenced to pay a fine of \$500 and serve three years in prison. He had been making 25 and 50-cent pieces, according to secret service operatives.

CURZON URGES FRANCE TO ACCEPT REPARATIONS OFFER FOR ARGUMENT

LONDON, June 11.—Lord Curzon had an important conference with the French ambassador this morning, the British foreign secretary urging that the French accept Germany's latest proposal as a basis for negotiations. If the French will do this, it is said that Great Britain will inform Germany of the French willingness to discuss the problem collectively with the allies. DOMINOES HAS MANY FANS WHO GATHER IN EVENINGS Dominoes, despite the torrid heat, is finding many adherents about town. Hardly an evening passes but what fans don't gather about a table in the Ranger Shrine club rooms in the Gholson hotel, or one in the lobby of the McCleskey hotel and try their "lady luck."

RAILWAY RATES NOT AFFECTED BY VALUATION, SAYS LANCASTER

DALLAS, June 11.—Declaring that the importance of the concerted attempt being made by certain groups of politicians and agitators to induce the Interstate Commerce commission to render a valuation of the railroads far below their actual value, can hardly be exaggerated, since its outcome will determine the future of railroad transportation in this country for at least a quarter of a century, and possibly for all time to come, J. L. Lancaster, receiver of the Texas & Pacific, has issued the following statement in connection with the recent conference on railway valuation, held in Chicago by the so called "progressive bloc" in congress.
 "Many people believe, and radical leaders and politicians diligently encourage the belief, that the valuation finally placed on the roads will have a very important effect on the total rates they will be allowed to charge. This is not true. The railroads at present are paying out in operating expenses and taxes 85 per cent of all the earnings they derive from the rates they charge. This means that so long as present operating expenses and taxes prevail, they will have to continue to collect from the public at least 85 per cent of the present rates, to pay operating expenses and taxes alone—absolutely regardless of what valuation is placed upon their properties.
Affects Only Part.
 The valuation finally made will affect only that part of rates and earnings which constitute the net return of the railroads, and from which they must pay interest charges and dividends, and directly or indirectly make all enlargements and improvement of their properties. An increase or a reduction of a billion dollars, in the valuation now tentatively placed upon the properties by the Interstate Commerce commission would affect the total passenger and freight rates they are allowed to charge by less than one per cent. A change of five billion dollars, upwards or downwards, in the total valuation, would effect the total rates the roads are allowed to charge by only about four per cent!"
 According to Mr. Lancaster, however, while it is true this final valuation will have relatively little effect on the total rates the railroads will be allowed to charge, it will have a most important effect upon the net return the railroads will be allowed to earn, and, therefore, on the interest and dividends they will be able to pay, and the additions and improvements in their properties they will be able to make; and that, regardless of the technicalities of the subject, it is comparatively easy to estimate the amount of net returns the roads must earn in future, if they are to provide adequate and satisfactory transportation service.
Tentative Valuation.
 "The Interstate Commerce commission has placed on the railroads a tentative valuation of \$19,400,000,000, and has held that a fair return upon this valuation would be 5 3/4 per cent annually," he declared. "This would be, roughly, equal to 5 1/2 per cent on the investment in property shown by the railway companies' books. Now, in the 10 years before this country entered the war, there were five years in which the roads earned an average of about 5 1/2 per cent on their property investment, and the earning of this net return resulted in an average annual investment of about \$700,000,000 in new railroad facilities. During the other five years of that period, the roads earned an average of about 4 1/2 per cent on their property investment, and made an average annual investment in new facilities of only about \$400,000,000. In other words, whether the railroads earned an average of 5 1/2 per cent or 4 1/2 per cent annually on their property investment made a difference of over 40 per cent in the average investment made by them annually in new facilities with which to render more and better transportation service. And there is no reason to doubt the same causes would produce the same effects in the future."
 According to Mr. Lancaster, it was estimated by the joint commission of agricultural inquiry of congress, in the report "Transportation" made by it in 1921, that "at least

\$750,000,000 per annum" in new investment should be made by the railroads for several years, in order to remedy the great and increasing shortage of transportation.
 "Other authorities," he declared, "have estimated that the annual new investment made in railroads should be over a billion dollars a year. It is by no means certain that if the roads are allowed to earn in future an average return of 5 3/4 per cent on a valuation equivalent to that now placed upon them by the commission, they will be able to raise all the new capital required to adequately increase their facilities; but it is certain that if a substantially lower valuation than the present one is placed on the railroads, and the net return they are allowed to earn is correspondingly reduced, they will not be able to raise the new capital and make the enlargements and improvements in their properties necessary to enable them to handle the country's increasing commerce."
 Mr. Lancaster further declared that those who "for political purposes are seeking through arbitrary

legislation or by putting pressure on the Interstate Commerce commission" to secure a large reduction in the valuation of the railroads, are "recklessly disregarding the plain economic facts of the situation;" and that if the policy they advocate should be adopted, some small reductions in rates would be secured, "but at the cost of a great increase in the shortage of transportation, of a drastic limitation of the country's production and commerce because of this increased shortage of transportation, and finally of a great industrial and financial disaster due to the eventual stoppage of the growth of our production and commerce."

FORT WORTH WEDDING OF INTEREST IN RANGER.

The following account of the marriage of Miss Mossieau to Captain H. H. Johnson, which appeared in the Sunday issue of the Fort Worth Record will be of interest to many in Ranger.
 "Among the early June weddings was the marriage of Miss Rosemary Morrisseau of Duluth, Minn., to Captain Harry H. Johnson at the parsonage of Saint Patrick's Catholic church Tuesday afternoon, June 5, at 5 o'clock. The ceremony was performed by the Reverend Father Nolan.
 The bride was attended by Mrs. Maybelle von Court of New York, and the best man was Joseph Goodman of Corsicana. After the wedding a beautiful supper was given for the party at the Fort Worth club by Mr. W. B. Pyron, and a chest of silver was presented by the business associates of the groom.
 Mrs. Johnson was an active member and organizer of the National Delphian society of New York, and Captain Johnson served in the World war as a member of the Thirty-sixth division, and later with the First division. He is continuing his military service as brigade adjutant of the Fifty-sixth cavalry, Texas National Guard.
 After the wedding supper the bride and groom left for a three weeks' honeymoon, which they will spend in Cloudford, N. M. Following the honeymoon they will be at home in Eastland."

How to throw off that tired, listless feeling

GENERATIONS ago, our forefathers made a "tea" every Spring from certain herbs and barks to purify the blood. Likewise, since 1826, such herbs and barks have been carefully selected, proportioned scientifically and prepared for that great blood purifier—S. S. S. To serve beneficially from one generation to another successfully is a guarantee of its effectiveness. The way we live and eat, we can't stop from Winter into Spring without purifying the blood; unless we choose to suffer depression, feel tired out, and have pimples and boils. It is so easy to give nature a little help, and the best sure way is to start with S. S. S. Stronger and more useful nerves depend on blood-power. S. S. S. will give you that greater endurance, energy, strength, and a more youthful appearance.
 Mr. J. M. Mar, Los Angeles, Calif., writes: "Overwork occasioned a complaint which consisted of a tired feeling and pains in the back, that finally exhausted all my strength. A friend advised me to take S. S. S. and after taking only several bottles I was entirely relieved."
 Try it yourself. S. S. S. is sold at all good drug stores. The large size is all more economical. Get a bottle today!

S.S.S. makes you feel like yourself again

Curious Facts Concerning the Book of Books

The Bible has 1189 chapters; 929 belong to the Old Testament and 260 to the New. The 117th Psalm is the middle chapter of the Bible, its number being 595. Exactly 594 chapters precede it, and 594 follow it.
 The middle chapter of the Bible is also the shortest; containing only 33 words, composed of 133 letters. The longest is the 119th Psalm, containing 176 verses, 2,445 words, and 10,146 letters.
 The text of the Bible is divided into 31,101 verses; 23,144 for the Old, and 7,957 for the New Testament. The shortest verse in the Bible is John XI: 35, containing only two words with nine letters. One verse in the Bible contains all the letters of the alphabet except J—Ezra 7: 21.
 The famous inscription on the Liberty Bell, in Independence Hall, Philadelphia, is taken from Leviticus 25:10. It reads, "Fructum Moscy throughout all the land unto all the inhabitants thereof."

SIXTH PRIZE WINNING LETTER IN THE RANGER DAILY TIMES ESSAY PAGE CONTEST

BY MISS JOSEPHINE STALLINGS
Ranger, Texas

Dear Cousin:

I am very glad to hear that you are going to move to Ranger, for here is where you get the best.

Do not fear about getting furniture, for if you just visit Wright's Furniture store you'll get exactly what you want for reasonable prices, too.

I heard your husband is thinking of buying some glasses. Tell him to wait until he reaches Ranger and let C. H. Dunlap, our optometrist,

fit him in a pair of glasses and he will be delighted.

When you reach Ranger you can have as many parties as you like, and at little expense, too. You can get your ice cream at the Banner Ice Cream factory. Your cakes, pies or any sort of pastries from the City Bakery and you can get lovely cut flowers for decorations at Valliant's. After the party you can take the crowd to the Lamb theatre to enjoy a good picture show.

Don't worry about the high prices of shoes or do not worry about not getting the correct fit for the Ranger

Shoe company can give you the best shoes and the correct fit. I advise you to see the J. L. Clem Shoe company for the good shoes also.

Listen, it is perfectly safe to put your money in the Peoples State Bank, for you know when you put it there it's at a place for safe keeping.

Marvin K. Collie, the oldest insurance agency in Ranger, is a good agency to insure your life in. The people living in Ranger put full trust in this company.

Take this tip from me and wait and have your suit and your hus-

band's suits cleaned at the Ranger Dry Cleaning Plant. They always look like new. We always have our laundering done at the Ranger Steam Laundry and we have never gotten any streaked clothes or faded clothes back. They always look as good as ever.

I hear that you are going to have your house worked over. Well, let the Bordeau Brothers help you out. They know how to build. After you have gotten your house all fixed up, after getting hammer and nails at the Clark Hardware company, touch your house up a bit with paint bought

from Huber Bros. The Standard Plumbing company will fix your bath room up fine.

Be careful about having your furniture taken out to the house. Let me advise you to let the Ranger Transfer and Storage company move your things.

Oh, yes, I nearly forgot to tell you, but you can get all pipes cut or welded at the Clay Boiler and Machine company.

Don't worry about the eating proposition. Just let me show you Gil-

breath's Grocery store, where you can get anything you want and at reasonable prices.

You said in your last letter that you could eat all the potato chips in the country, but you couldn't get any good ones. Well, just wait till you reach Ranger. I'll let you buy a few sacks of potato chips made by the Ranger Potato Chip company. They are crisp and so delicious you can eat four or five sacks.

Yes, I advise you to sell your car and buy a new Buick at the Goad Motor company. They are in beautiful colors and at prices that the poorest man in Ranger could buy one. Don't worry about the batteries. Just visit the Battery Service company and buy Exide batteries. They are satisfactory. Get your tires, gasoline and motor oils at the Victory Service Stations, and get all auto repairing done at the Mission Garage.

Well, when you get to Ranger you won't have to worry about being attractive. Just go to the Vogue Beauty Shop and come out a beautiful and changed woman.

You asked where I get my pictures made? Why, at the Ranger Studio, of course. I'm never disappointed with the pictures.

I must close, and I know you will find out all I have told you is true when you reach Ranger. YOUR COUSIN.

Ranger Snappers, With Nugent In the Box, Win Over Eastland, 3 to 2

Fans See Tight Game Here; Stevens Scores Deciding Run in Ninth.

Fans got their money's worth yesterday at the municipal ball park. Not until the last half of the ninth was the game finally decided in favor of the Ranger Snappers. The score was 3 to 2.

Stevens up for Ranger in the ninth hit for a sure out to shortstop but Anderson whipped the ball too low for Cole, and Stevens ran on to second. Grebble stepped to the plate and the fans howled for a hit. He sacrificed Stevens to third. Snapp waited out a ball and on the second pitched ball, Stevens came tearing home but Snapp fouled the bill. The third pitched ball went over Felt's head by two feet and Stevens raced home for the winning run, ending their game.

The spectators saw some fast fielding and the outfielders of both teams were cheered for their individual feats. The crowd also was treated to a monologue by a real comedian. At times the interest was divided between the ball game and the visitor's good natured jests and thrusts at the players and Umpire Neale, particularly the latter. The fun maker had things all his own way for no one seemed to dare engage him in a bit of repartee.

Nugent had his straight ball working beautifully Sunday. He cut the plate so often with his puzzler that it required a good eye on the part of a batsman to get to him. Eleven strikeouts was his Sunday record.

Cope playing his first game for the Snappers made four trips to the plate and got a sacrifice, a bingle and struck out twice. O'Keefe in his first appearance in a Snapper uniform got a base or balls, a pretty infield hit, flew out once and the last time up was thrown out at first on a bounder to Fairbairn.

Nugent Starts Off Well. Captain Anderson in the first inning for Eastland struck out. Cole rapped a bounder to third for an out. Cooper struck out.

O'Keefe rambled to first on a base on balls. Cope put O'Keefe down to second on a pretty sacrifice. Fairbairn gave Gibson a pass. O'Keefe stole third but Gibson was cut short at second. O'Keefe later was thrown out at home.

Boone reached out and grabbed Felt's poke one handed. Hart got a base on balls. Laffoon struck out. Guydas was hit on the left leg and went to first. Russell caused the first run to be scored with a clean one, midway between third base and the centerfielder's position. Hart came in home. Fairbairn sent a pretty one to midfield, scoring Guydas. Anderson struck out.

Fairbairn laid one to the pitcher's

box for an out. Grebble's best effort was a weak roller to first. Snapp lined the ball safely. Here is where the first score came in. Boone followed orders and bunted. Felt pounced on the ball but in his eagerness miscalculated first base and with the result that Boone kept going and Snapp crossed the plate. Nugent fanned. Score now 2 to 1, in favor of Eastland.

Cole made splendid use of his legs and beat out a bounder. Cooper fouled the ball and it came down in Adams' hand 10 feet more or less from the home plate. Felt couldn't feel the ball so he went the strikeout route. Cole decided to end the inning by taking a chance on Jimmy Grebble's sure arm and he was waved out at second.

Guydas distinguished himself with a running catch of O'Keefe's flier. Cope and Gibson struck out.

In the visitor's half of the fourth frame, Hart got the benefit of a close decision at first on his grounder but threw it away on an attempted steal on Grebble. Laffoon struck out, but he took exception to Umpire Neale's decision on a close one and started arguing. Neale in stentorian tones told him to get to the bench.

The Rangerites did nothing in their half. Adams rolled one to Fairbairn and Stevens fanned and Grebble sent one direct to first base.

Cope Thrills Crowd. Extending himself, Cope leaped into the air and brought Russell's liner down for the first out. Boone picked up Fairbairn's grounder for an out. Anderson was thrown out at first by Nugent.

Snapp sliced the ball to left field. Boone popped to Russell. Nugent lost in his race for first. O'Keefe rapped the ball hard to shortstop for a safety, and Cope bingled to left field, scoring Snapp and tying the game. Cope was declared out on a steal. Cooper flied to Gibson. Felt and Hart fanned.

Fairbairn puzzled Adams and Stevens and Grebble's bat struck the ball

in a manner he didn't intend and he was tagged out by Felt. Laffoon sliced the ball to left field for two bases. Adams fielded Guydas' ball perfectly. He also took Russell's hard grounder. Fairbairn left Laffoon on second by flying one to right field.

Snapp skied to the right of the left fielder but Hart was on the job. Boone also found Hart waiting. Nugent struck out.

One, Two, Three. In rapid fashion, Nugent struck Anderson, Cole and Cooper out in a row.

O'Keefe out, Fairbairn to Cole. Cope struck out. Gibson clouted the ball to center field but Adams fouled out.

A piece of bad judgment caused Felt's fly ball to right field to be dropped by Snapp when O'Keefe and the former both attempted to take the ball. Boone staved off any threatening score by picking up Hart's liner and tagging Felt out. With the fans yelling for a double play, the second baseman threw a trifle wild to first and Hart was safe. Cope recovered the ball more quickly than the Eastland player thought and he was an easy out on his attempted steal of second. Laffoon hit to second and Boone fought the ball momentarily and retrieving it threw too high for Cope and the Eastland man went to second. O'Keefe was compelled to move but a few feet to take the fly ball of Guydas, which was the third out.

Ranger untied the score in their
