COAST GUARDS MAY STOP "POISON SHIP"

GOVERNOR HAD FINGER IN PIE WITNESSES SAY

Prosecution Presents Evidence In Walton's Impeachment Trial.

By Associated Press.
OKLAHOMA CITY, Nov. 9.—Al-drich Blake, former executive counsellor and close adviser to Governor Walton was recalled by the prosecution today when the impeachment trial was resumed before the senate court.

Blake was questioned at length about several persons alleged to have been put on the state payroll. He testified that on one occasion he had discharged 29 employees of the state highway department, while the governor was out of the city, on the request of the department head.

Dr. A. E. Davenport, state health commissioner, testified that the governor had made a written request that he appoint P. E. Edwards as a health department employe. He denied that the governor had telephoned him regarding the appointment as testified by Paul Nesbitt, state highway commissioner. He discharged him when he found he was doing no work for his department.

Dr. L. T. Bynum, former bank commissioner, said that at the request of the governor, he had appointed several persons to banking positions.

Memorial Fountain Will Be Dedicated Monday Afternoon

A handsome marble fountain, gift of the Civic league of Eastland and Eastland county and the city of Eastland in commemoration of the soldiers from Eastland county who gave their lives in the late war, will be dedicated Monday, November 12, at 2 p. m., on the court house square, the southwest corner, where the fountain will be placed.

A beautiful and appropriate ceremony will open with an address by former Senator H. P. Brelsford, a pioneer citizen of Eastland and one who sent his sons to the war. His subject will be "Why we are gathered here."

The chaplain of the American Legion will give the invocation.

Mrs. W. K. Jackson, president of the Civic league of Eastland, will introduce Mrs. Phillip S. Wolfe, as the founder of the Civic league, and the member with whom the thought of the gift originated.

Mrs. P. S. Wolfe will present the fountain to the county and city.

Response will be made by the post commander of the American Legion, Virgil T. Seaberry.

Closing feature, chorus, "America," by the boys and girls glee clubs of the high school.

Benediction.
The public of Ranger, Cisco and Eastland is invited to attend the dedication and take part in the service.

SIMMONS WILL FIGHT REMOVAL FROM ATLANTA OF KLAN HEADQUARTERS

ATLANTA, Ga., Nov. 9.—Any attempt to remove the headquarters of the Ku Klux Klan from Atlanta to Kansas City would be opposed in the courts, Col. W. J. Simmons, klan emperor, said here today in commenting upon news dispatches that agents of Evans were negotiating for a headquarters site in Kansas City.

The emperor pointed out that the klan operates under a Georgia charter, which provides that the klan headquarters must be maintained in Atlanta.

AN APPRECIATIVE ADVERTISER

Ranger Daily Times, Ranger, Texas. Gentlemen: During my short abode with you, I have been handing out praise for everything in Ranger. Last, but by no means least, the Times must have a share. Advertising for a lost bunch of keys Tuesday night, same were recovered through the advertisement before the paper reached Main street. Surely going some. Thanking you,
Very truly,
R. W. LAITHE.

Figures Which Do Not Lie Show Ranger Is Much Alive

REV. L. A. WEBB GIVES REPORT OF HIS WORK

Methodist Pastor Tells What Was Accomplished During Last Four Years in Ranger.

Figures were presented at the quarterly conference of the Ranger Methodist church, Wednesday, by the Rev. L. A. Webb, Methodist pastor in Ranger for the last four years, that give a vivid picture of the enterprise, ability and financial resources of the people of Ranger.

The report given by the Rev. Mr. Webb of his work here showed that during his four-year pastorate he had received more than 600 men and women into church membership.

During the same period the Methodist church people of Ranger raised for all purposes, including church building, local expenses and home and foreign missions, the sum of \$180,000. This not only was subscribed, but has been paid in cash.

The report showed also that during the fiscal year just closed the Methodist women of Ranger raised for various church work the sum of \$4,656, all of which has been paid in cash.

The report will be taken by the Rev. Mr. Webb to the annual conference of this district which will be held in Temple next week, beginning Monday. Mr. Webb will preach his farewell sermon next Sunday morning at 11 o'clock. The Sunday night service will be given over to a musical program and, while Mr. Webb will preside and offer prayer, there will be no sermon at that time.

Having received the Ranger Methodist church four years as its pastor, Mr. Webb expects to be transferred by the bishop to another post in Texas. During his pastorate here, the new Methodist church was built from foundation to top of steeple, and completely refurbished. All of the money that went into it was raised by Mr. Webb and his helpers. His efforts here have been crowned with notable success and it is with much regret that the people of Ranger see him depart. He will utter his parting benediction and benediction to his congregation here next Sunday morning and has extended an invitation to all the people of Ranger to attend that service.

Lone Star Gas Compressor Plant To Have Try-Out

The Lone Star Gas company compressor plant No. 1 will have its engines tried out this afternoon for the first time. The gas pipe lines have not reached the plant yet, but it is planned to have the machinery in readiness.

Plant No. 2, which is near Plant No. 108 of the Chestnut & Smith corporation gasoline plant, on the Eastland road, will have its engines tested out next Tuesday. Plant No. 3 will be ready for the test between Nov. 25 and 30.

M. B. Lasch, superintendent of the North Central division of the Lone Star, said today everything is being rushed.

ALLEGED DRY OFFENDERS ARE HELD AT AMARILLO

AMARILLO, Nov. 9.—Chief of Police John Snider, R. A. Starns and John Taylor, members of the police force, waived examining trial here today when arraigned in U. S. commissioner's court on charges of conspiracy to defeat the national prohibition law and were released on bond to await the action of the federal grand jury.

The bonds of Snider and Starns was fixed at \$750 each and Taylor's \$750 each for two complaints.

FIRST OIL LEASE IN NAVAJO RESERVATION SIGNED

WASHINGTON, Nov. 9.—The first lease of the development of oil land on the Navajo Indian reservation in New Mexico and Arizona was signed today at the interior department. It was with the Gypsy Oil company of Tulsa, Okla., covering 4,000 acres.

Ranger Elks Invite Friends to Dance To Strains Of Merry Doodle

Joe Fry and Dr. C. C. Craig, Ranger Elks, worked out between themselves a bit of free verse last week when they faced the job of getting out invitations to a dance for the pleasure of those who were of assistance at the Elks' circus and the Elks' jubilee early in the fall on different dates.

They little thought it would bring them compliments, for verse making is not in their line. But it has brought them a few compliments. For those who haven't seen the invitations, it goes like this: Say—

Speaking of fun; Think of the Elks' circus, The Elks' jubilee, That was fun but ain't no more. However, we got some fun. We want to give you folks, What helped us.

Get your partner and your dancing shoes. Bring this card, Now don't refuse. Summer Garden, Friday, Nov. 9 9 o'clock.

Moore's peppy five. Oh, boy!

Ranger Elks. "It tells the story without a waste of words," said one after he read the invitation.

MEXICO STOPS STRIKE, AVERTING CRITICAL POLITICAL CRISIS

By Associated Press.
MEXICO CITY, Nov. 9.—The action of the federal authorities in frustrating the movement for a general strike is regarded as the first step towards ending the critical situation arising out of the campaign between two rival parties for the presidency. The government asserts that the strike plan, which was nipped by a display of military force, represented an attempt to turn the working classes against the regular army and provoke a conflict which was intended to result favorably to the Co-Operativista party supporting Adolfo de la Huerta in his campaign for the presidency.

BAPTIST GENERAL CONVENTION OF TEXAS TO MEET NEXT MONDAY

DALLAS, Nov. 9.—The Woman's Missionary Union of the Baptist general convention of Texas will meet in Galveston on Nov. 12-14, in its 37th annual convention, which will be the 47th year of the organized woman's work.

The following are the officers: President, Mrs. F. S. Davis, Dallas; corresponding secretary, treasurer, Mrs. A. F. Beddoe, Dallas; young people's society, Mrs. J. E. Leigh, Dallas; recording secretary, Mrs. Joe Etter, Sherman; personal service chairman, Mrs. M. N. Chrestman, Dallas.

Simmons Asserts Present K. K. K. Has Shattered on Rocks

By Associated Press.
ATLANTA, Ga., Nov. 9.—The Ku Klux Klan is on the rocks, William Joseph Simmons declared here today. In an interview discussing the events leading into the development of two factions, one headed by himself and the other by Dr. W. H. Evans, imperial wizard, culminating in the murder of W. E. Coburn, Simmons' attorney, he said:

"The klan ship is on the rocks. The physical organization may be torn down, but the call must live. The soul of the movement must not be killed."

Simmons revealed that he plans a new organization with a nucleus of the present klan membership. He estimated that 70 per cent of the klan members would support him and that he would launch a meeting very shortly to reorganize.

RANGER FARMER PROVES COTTON IS PROFITABLE

Raises and Markets Seven Bales, Receiving Record Price for the Last.

Thirty-three and one-half cents per pound was the price paid for a 510-pound bale of cotton, raised by B. C. Weeks, living 10 miles southeast of Ranger and ginned at the Moss cotton gin this week. E. H. Mills, groceryman of Ranger, was purchased. This price established a new record price for Eastland county cotton this season, it is said.

Weeks received the total sum of \$187.38 for his 510 pounds of cotton line and 930 pounds of cotton seed, the seed and lint weighing altogether 1,440 pounds.

Weeks has brought seven bales to the Moss gin this season and the other six bales besides the one he got a top price for, have been as good if not better, Pat Nolan, bookkeeper for the Moss company, said today. The six bales weighed 3,950 pounds.

"The percentage of lint in the bale was above the average, which is ordinarily about 33 per cent. Weeks' premier bale had 35.4 per cent of lint, considered an extraordinary "good turnout," in the language of the ginner.

Weeks told the gin company's bookkeeper he had one more bale to bring in. If it makes a "good turnout," undoubtedly, he will get as high a price as he did this week. The last bale ginned, weighing 610 pounds, he gave to his young son, Willis, for helping him on the farm.

Weeks' farm is in the sandy loam country. It is on the Desdemona road and located two and one-half miles from Chaney. He has lived there for more than 20 years.

Dallas Lawyers to Defend Phil E. Fox on Murder Charge

By United Press.

ATLANTA, Ga., Nov. 9.—Defense plans for Phil Fox, former editor of the klan's official organ, facing the charge of the murder of W. E. Coburn, former attorney for W. J. Simmons, klan emperor, began to take shape today with relatives and friends arriving here. Along with them came Robert Allen, said to be one of the leading criminal attorneys of Dallas. Another attorney expected is Jed Adams, also of Dallas, a former U. S. district attorney. Fox continued to remain silent as to the motive for the killing of Coburn. According to his cellmate, Fox has not read any newspaper accounts of the killing and refuses to let his fellow prisoners discuss it in his presence.

DRY FORCES MAKE WHOLESALE RAID ON PENNSYLVANIA BREWERIES

By Associated Press.
WASHINGTON, Nov. 9.—A wholesale raid on breweries in eastern Pennsylvania to shut off the supply of beer admitted to be flooding a large part of the east was begun today by prohibition forces.

Reports to Prohibition Commissioner Haynes from Philadelphia said that 12 breweries had been seized early today and that a score would be padlocked before night.

GEORGE ATTACKS BALDWIN'S POLICY FOR PROTECTION

By United Press.

SOUTHAMPTON, Eng., Nov. 9.—David Lloyd George, former premier of Great Britain, jumped into the middle of the British political battle before the White Star liner, Majestic, on which he returned from his trip to the United States and Canada, had been made fast to the bank here today.

In a general interview, Lloyd George scathingly attacked Prime Minister Baldwin's protection policy.

FASCIST REVOLT IN BAVARIA IS NIPPED IN BUD

Leaders Divided and Arrest of Hitler and Ludendorff Is Ordered.

By United Press.

BERLIN, Nov. 9.—The outbreak in Munich has been suppressed, according to a Reuter's report. The former police chief, Von Poehner, one of the leaders of the movement, who had been appointed one of the Bavarian governors, is reported to have been arrested.

Adolf Hitler, Fascist leader and declared chancellor of Bavaria, and Gen. Ludendorff whom, Hitler has made minister of war, have barricaded themselves in the ministry of war. All other buildings are held by the Bavarian government under Premier Von Knilling.

The revolt is believed to have ended. The Reichswehr is declared loyal to the Berlin government. Members of the cabinet are in continuous session here and are determined to protect the republic. The latest advices from Munich indicate that the Bavarian dictator, Von Kahr, and General von Lossow, minister of war, are not identified with the Hitler-Ludendorff movement and have ordered the arrest of both Hitler and Ludendorff.

BERLIN, Nov. 9.—General Ludendorff and Adolf Hitler, leaders of the Bavarian revolt, have been captured by federal troops, it is announced here.

COUNCIL OF AMBASSADORS CONSIDERING SITUATION

By United Press.

PARIS, Nov. 9.—The inter-allied council of ambassadors has been summoned to meet this afternoon to consider the situation in Germany.

It is reported here that France is ready to occupy Frankfurt and that Great Britain would immediately occupy Bremen and Hamburg should any nationalist dictatorship appear imminent.

ARMY IN BAVARIA REMAINS LOYAL TO BERLIN GOVERNMENT

By United Press.

BERLIN, Nov. 9.—The coupe de et in Munich and Wurzburg is under the direction of Adolf Hitler and General Ludendorff, who are entrenched in the ministry of war at Munich. Von Poehner, one of the leaders, has been arrested, according to the report, and the army remains loyal to the Bavarian government.

An official statement has been issued based on a message from Wurzburg, which says that all public Munich buildings are now occupied by the proper authorities, with the exception of the ministry of war, where Hitler and Ludendorff are barricaded. The weakness of the Bavarian municipal uprising, intended to start the movement for the Republic of South Germany, became apparent when Von Kahr refused to co-operate with Hitler and Ludendorff. He saw it was impossible for the Bavarian troops to march on Berlin, and believes Ludendorff to be visionary.

HITLER WOUNDED IN ATTACK PRECEDING CAPTURE

BERLIN, Nov. 9.—Adolph Hitler and general Ludendorff, head of the monarchists, were captured by federal troops in a building where they had taken refuge.

Hitler, according to dispatches from Munich, was wounded. This afternoon, a Munich dispatch said that the commandant sent an ultimatum to the building, where they were barricaded, demanding their surrender within one hour. The monarchists refused. The commandant then ordered the building stormed.

UNIDENTIFIED MAN BURNED TO DEATH IN SAN ANTONIO

By Associated Press.

SAN ANTONIO, Nov. 9.—An unidentified man believed to be Young June, proprietor of a Chinese restaurant here, was burned to death in a fire that gutted the interior of a frame building early this morning. The man, who was sleeping in the kitchen of the building, was burned to a crisp. The fire is believed to have been started by an explosion that scattered the flames quickly through the structure.

Gold and Platinum Mine Near Llano, Long Idle, Will Be Developed

Special.

LLANO, Texas, Nov. 9.—\$500,000 corporation has been organized here for the purpose of developing the gold and platinum mine located five miles from this city. This mine has been idle for the past 15 years because of financial troubles but it will now be worked under the name of the Llano Gold & Rare Metal company.

In the past thousands of dollars have been spent in developing and equipping this mine. In a communication to the West Texas Chamber of Commerce which organization is much interested in the development of the property, it is stated that the plant is of 50-ton capacity, and the ore may easily be reached as the outcroppings are numerous. There are about 220 acres of mineral land available for the plant. Quite a number of miners will be employed.

GHOLSON NAMED CHAIRMAN FOR CAMPAIGN HERE

Agrees to Aid in Annual Sale of Christmas Seals.

John M. Gholson, former mayor of Ranger, has accepted the position of chairman of the Christmas Seal campaign in this city.

Miss Emma Ara Bacon, public health nurse, connected with the Texas Public Health association, was in Ranger yesterday and obtained the consent of Mr. Gholson to act as chairman. He will have the assistance of Secretary Bennett of the Chamber of Commerce, of the Ranger Welfare association and other civic organizations.

The money received from the sale of Christmas Seals is devoted to the warfare against the great "white plague," otherwise known as tuberculosis. The greater part of the money collected is expended, so far as it may be needed, in the district where it is collected, providing nurses and medical care for persons afflicted with the disease and teaching preventative measures.

Miss Bacon went from Ranger to Eastland and Cisco to appoint chairmen in those cities. She has been all over West Texas and the Panhandle and also in some East Texas counties naming chairmen and getting the campaign started, having 32 counties in her district. She said she had met with a very cordial reception everywhere.

France Continues Restrictions on Work of Experts

By United Press.

PARIS, Nov. 9.—The French foreign office today published a note explaining the position of France towards the proposed conference of experts to determine Germany's capacity to pay reparations. The note reiterates France's position that it would be useless for the conference to consider the poverty or prosperity of Germany in the future, as that cannot possibly be determined.

The note says the conference should first deliver to the allies a statement of Germany's resources at home and abroad, and then indicate what part can be used for the payment of reparations and how. Finally the experts should determine how Germany can restore her financial status.

Any plan of the experts, according to the note, must not include the possibility of long-time payments by Germany in an effort to settle the whole problem of reparations immediately.

FLEWELLEN ALSO RECEIVES LETTER REQUIRING 15 MILLION MARKS POSTAGE

"The reports of the highest court in Germany are worth 22,500,000,000 marks," writes William L. West, American publisher in a letter telling of his trip through Germany to learn the judicial system and also to advertise his second decennial digest volume of court decisions. "In the pre-war value of marks this would make the reports more valuable than all of the law books in the United States."

His letter was received here by L. H. Flewellen, attorney and other Ranger lawyers. It had three five million marks stamps on the envelope.

West, who lives at St. Paul, Minn., said that he is finding the system of presenting and arguing cases to be much the same in both countries.

Mr. Flewellen said similar letters had been received by nearly all Ranger and Eastland lawyers.

KLAN CANDIDATES ARE DEFEATED IN MEMPHIS

By United Press.

MEMPHIS, Tenn., Nov. 9.—The bitter election fight in the city's history ended in a defeat of all the Ku Klux Klan candidates except one here yesterday. The present city government officials were reelected.

WARNING FROM WEST INDIES TO BE ON WATCH

Vessel Carries Christmas Liqueur Heavily Diluted With Wood Alcohol.

By United Press.

GALVESTON, Tex., Nov. 9.—Coast guards were on the watch along the gulf coast today to intercept a vessel reported to have sailed from the West Indies with a cargo of Christmas liquor heavily diluted with wood alcohol.

A report of the sailing of the "death" ship was received by the collector of the port at Galveston from reliable sources in the West Indies, he declared here last night. Custom officials are understood to be in full possession of full details of the craft with the exception of its port of destination, and coast guard vessels along the entire gulf coast have been warned to be on the lookout.

The "death" ship is said to contain more than 1,000 cases of poisoned liquor. The warning to the authorities is believed to have been sent to gulf ports collectors because of the evident deadliness of the ship's cargo.

Hugo Stinnes Jr. on Way to Visit Texas Oil Fields

NEW ORLEANS, Nov. 9.—Hugo Stinnes Jr., son of the German industrial magnate, who is making a tour of the oil producing and refining sections of this country as the guest of Harry Sinclair, today declined to answer questions whether he and his father were interested in the Oklahoma oil fields and also declined to discuss the German situation.

The party, which arrived here last night from Chicago, is scheduled to leave tonight for Houston and Galveston, after which they will visit the oil fields in Central and North Texas and Oklahoma. Several officials of the Sinclair Oil company are with the party.

The money received from the sale of Christmas Seals is devoted to the warfare against the great "white plague," otherwise known as tuberculosis. The greater part of the money collected is expended, so far as it may be needed, in the district where it is collected, providing nurses and medical care for persons afflicted with the disease and teaching preventative measures.

HI-JACKERS MAKE MAN IN TULSA ANGRY, HE PURSUES AND SHOTS

By United Press.

TULSA, Okla., Nov. 9.—Four hi-jackers held up Carl Slate, gasoline filling station proprietor and robbed him of \$11 after threatening to shoot "you through the heart." Slate said this made him mad and after telephoning the police he was out after them, he borrowed a shotgun from a neighbor and hailing a passing automobile, took after the fleeing bandits.

Slate was re-enforced by a squad of policemen. On a downtown street, Slate recognized four men in a big touring car and he opened fire, wounding three of them. They were all taken into custody.

Police believe the robbers are responsible for the terrorizing of the highways here. They were all heavily armed, police said.

BIBLE THOUGHT

MORE THAN CONQUERORS—

All things work together for good to them that love God. If God be for us, who can be against us? Who shall separate us from the love of Christ? shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? Nay, in all these things we are more than conquerors through him that loved us.—Romans 8:28, 31, 35, 37.

PROHIBITION AND ENFORCEMENT

Speaking at the recent Citizenship Conference, Dr. Charles Stelzle of New York City told some interesting facts. Dr. Stelzle has served as pastor churches in New York, Minneapolis and St. Louis, but more recently he has devoted most of his time to sociology and work among immigrants. He served several years as superintendent of work among foreign speaking people in New York and was a delegated investigator of the economic aspects of liquor problems in the United States and European countries. He is also a well-known editor and writer. He said at the conference:

"Prohibition became a fact not only because of moral sentiment but also because of economic pressure. Before national prohibition became effective, 33 of the states, each acting for itself, had adopted prohibition. About two-thirds of the territory of the remaining third of the states had adopted it, so that when congress passed the eighteenth amendment by more than a two-thirds vote and when 46 of the 48 states had ratified this amendment, they had before them rather decided action upon this subject by the people themselves.

"Prohibition became a fact not because of mere sentiment but because the country faced certain economic conditions which made it imperative. The two billion dollars which were annually spent for liquor before the eighteenth amendment was adopted was three times as much as we spent at that time to maintain all of our public schools, as much as we spent to operate all of our railroads, almost twice the value of all church property in the United States, twice the amount which we spent before the war for the support of our federal government, as much as we spent for bread and clothing and it equalled the wages earned by all the trade unionists of this country.

"The people of America thought that this waste of two billion dollars was deplorable not merely because no good came from the expenditure of this money, as may have been true of other large expenditures, but because its expenditure was in the main positively harmful."

Relative to enforcement, Rabbi S. S. Wise of New York said there was no need to feel discouraged. Rabbi Wise is a Chevalier d'Honneur which was conferred on him by France in 1919. He was rabbi of a congregation in New York before going to Portland, Oregon, to be rabbi of Beth Israel in that city several years. Returning to New York, he founded and is now pastor of the Free Synagogue in that city. He is a well-known author and a recognized orator. He said at the conference:

"The enemies of the eighteenth amendment have neither the courage to undertake to repeal nor the decency to acquiesce in enforcement. Let the foes of those legal processes which make possible the enforcement of the eighteenth amendment come out into the open and honestly and frankly de-

mand repeal. The eighteenth amendment will never be repealed. It is not completely enforced today. The violators of it are growing fewer and fewer in number and within a decade the eighteenth amendment will meet with enforcement. It does every law and statute of these United States within certain limits. Nothing could be more specious than to look upon this transitional stage between the wet and the dry regimes as a finality. To assume that, because perfect enforcement is impossible in this stage of transition, therefore the eighteenth amendment must remain unenforced and ultimately be repealed is to give the citizens of the United States the privilege of upholding some laws and violating others as they see fit. There is no anarchy greater than the lawlessness of selective and discriminating lawfulness."

FIRE ESCAPE LAW CARES LITTLE FOR CLASSIC BEAUTY

HOUSTON, Nov. 9.—Shall the classic architecture—the beautiful columns and graceful arches of Rice Institute here—be marred by fire escapes?

G. W. Tilley, state fire marshal, says that under state laws fire escapes must be placed on all buildings of two stories or more which have a basement as high as five feet. Officials of the school and architects say a beautiful fire escape never was made and that to place them on the building would be to disfigure it.

And the discussion rages.

ARMISTICE DAY PROGRAM AT CENTRAL BAPTIST

Armistice Day will be celebrated Sunday morning at 11 o'clock at the Central Baptist church, and the pastor, Rev. A. L. Leake, will preach on the "Cause, cost, and boon of war." This sermon will abound in illustrations and incidents of the ghastliest war in all history. The newly organized American Legion post of Ranger has been invited to attend in a body and all parents who had sons in the camps or in active service, and the public generally, are invited in honor of those who fought and died. Dr. R. J. Pender of Abilene will occupy the pulpit in the evening.

PRIZE BOSTON BABIES HONORED

Mayor Curley, of Boston, is shown presenting to Muriel Louise Coyle, 5-year-old miss, of Neponset, Mass., highest scoring girl at the better babies' conference in Boston, and adjudged 99 1-2 per cent perfect, a silver cup and a bankbook showing a \$10 deposit to her credit. The boy, Lloyd Allison Jenkins, highest scoring boy at the conference, with a record of 97 per cent, received a gold key to the City of Boston.

COLLECTING INDIAN RELICS IN BREWSTER COUNTY

ALPINE, Texas, Nov. 9.—A Texas sheriff with a touch of art in his make-up in giving to Brewster county what critics say will one day be the finest collection of Indian relics in the state. Sheriff E. E. Townsend is the man with the collector's "itch."

His latest find is a white ivory relic made in the shape of a human ear. Within the inner fold of the ear is a ring of metal, very much like silver of lead. However, it is not lead and the metal is too soft for silver. Apparently the article has been subjected to intense heat. It has a vitrified appearance. The relic was picked up along the Rio Grande river.

Greenfield, Mass., Masons are building a new temple. Some of the oldest lodges in the state will meet there. Republican Lodge of Greenfield was established in 1795, over 128 years ago.

\$5 Powders
The kind I use—at very modest prices
By Edna Wallace Hopper

The powders we use in Movieland cost us \$5 per box. Beauty is our stock in trade, and we care not what it costs. I have offered to other women my helps to youth and beauty. The very creations which France supplied me, which made me a famous beauty, and which have kept my youthful beauty to a grand old age.

But I did not think of powders. I never dreamed that the powders I use could be sold at modest prices. Women by the thousands asked about my powders. So I showed the makers that millions of boxes could be sold to users of my beauty helps. And they offered me those identical powders, made under my name, to be sold at 50c and \$1.

Few ever used them
Up to now, few women have ever used a powder so exquisite. Few could afford the price. Now I bring them to you—the finest powders experts can create. They are as fine as vapor, as harmless as dew. And all are fragrant with my favorite perfume. Now the powders used by stage and movie beauties can be used by all who wish. There are two kinds, light and heavy. I use a cold cream powder,

Jobs are scarce for the Physically Run-Down

THE DOOR of opportunity flings wide its portals only to the man who is up and doing—who is filled with pep and punch—with rich, red blood tingling through his veins. Mountain size obstacles dwindle to ant hills and ambitions become accomplishments to these sort of men. Where is the employer who seeks the man who is physically run-down?—The man without stamina to withstand the knocks and gaff of the hurrying, scurrying world of business? S. S. S. is the long established and time honored creator of red blood cells. You cannot expect to get very far up the ladder unless you are equipped with a body that is strong and vigorous. S. S. S. will start you on your way. Don't allow the "Door of Opportunity" to be closed to you because you have not the stamina to withstand the gaff—because your nerve power is lacking. Build up your system!

ICE CUSTOMERS NOTICE
—WE NEED YOUR HELP.
—Economy requires that we have only one wagon to cover the entire residence district.
—Th's wagon is on the EAST side of the T. & P. Railroad on the even days, like 8th, 10th, 12th, etc., and on the WEST side on the odd days, like 9th, 11th, 13th, etc.
READ THAT AGAIN
—it will help us immensely if you can anticipate your needs so that your ice can be delivered on the regular days.
—for example: You live in the Young addition. The wagon will be there Saturday, and if you are not taking ice regularly, it might save us a long drive if you phone us Saturday morning, instead of waiting until Saturday afternoon.
WE THANK YOU

CENTRAL BAPTIST CHURCH ALATHEANS ENTERTAIN

An enthusiastic meeting of the Alatheans of the Central Baptist church was held Thursday afternoon in the annex building, Mrs. Wm. Wiggins, president, presiding. A short business session was held and plans were made for future work, then refreshments of hot chocolate and cake were served.

The class has 84 actively enrolled members and has been divided into two teams called the "Giants" and "Yanks," with Mrs. Joe Dennis captain of the Yanks and Mrs. Bruce captain of the Giants. Several points have been selected for a competition which will end New Year's eve, when the losing members will entertain the winning members with an elaborate supper.

TEACHERS AND OFFICERS MEET TONIGHT AT CENTRAL

Teachers and officers of the Central Baptist church are to meet this evening at 7:30 o'clock. A talk by Mrs. Ramey will be a feature of the evening, and a large attendance is expected.

ELKS DANCE TONIGHT AT SUMMER GARDEN

All those who assisted the Elks in making a success of their carnival and circus, will themselves be entertained this evening with a complimentary dance at the Summer Garden at 9 o'clock. Moore's Peppy Five will furnish the music and a large and happy gathering is expected.

REV. MR. AND MRS. LEAKE TO ATTEND CONVENTION

Through the courtesy of their congregation, and of the women of the church, Rev. A. L. Leake and wife will leave Sunday afternoon for Galveston to attend the Baptist convention to be held there next week. Mrs. Leake will address the Women's Missionary meeting on Monday afternoon, her subject being, "Sowing and reaping." They will be gone until the latter part of the week. Little Miss Jo Leake will stay with her grandmother in Abilene.

B. Y. P. U. PARTY PLANNED FOR SATURDAY NIGHT

Young people of the city are invited to the good times party of the B. Y. P. U. at the home of Mrs. Ray Todd, 605 South Hodgest street, Saturday night. The fun will start at 7:30 o'clock, it is announced. No

personal invitation is necessary but a welcome is extended to all young people to come.

PERSONALS

Dr. and Mrs. C. O. Terrell are rejoicing in the birth of a son who arrived Thursday afternoon.

Mr. and Mrs. W. D. Conway returned several days ago from a six weeks visit in Eastern cities.

Mrs. L. L. Rector will drive to Fort Worth on Saturday to join her husband and with him will go to Corsicana for a few days visit.

Mrs. M. F. T. Brahaney and children will return Sunday from a month's visit in Oklahoma.

T. O. Bray and family are back from California where they have been the past month.

J. C. McElroy who has been seriously ill in a hospital in El Paso, having been operated on for an abscess on the brain, is recovering nicely and writes that he expects soon to feel as well as ever.

Dr. and Mrs. Logsdon expect to drive to Fort Worth on Sunday and to spend several days there attending the jubilee.

Mr. and Mrs. Walter Burden and little daughter will drive to Fort Worth Sunday to attend the jubilee and pageant.

Four Years Ago In Ranger

Taken from the files of the Ranger Daily Times, Nov. 9, 1919:

Ranger's city bond election, authorizing the issuance of \$750,000 of city bonds to pay for paving, city hall, fire station, fire alarm system, sewer extensions and other improvements is invalid in the opinion of Attorney General C. M. Cureton. The revision to the city charter, permitting the paving program under chapter 11 of the revised state statutes, will not stand.

Elmer E. Beach, grand master of Masons of Illinois, recently laid the cornerstone of the West Englewood Masonic temple. The temple will cost \$200,000 and will be the Masonic center of the city.

Discussion of Swagger Sticks and Their Varied Uses, Actual and Possible.

By P. G. T.

Several years ago swagger sticks were things that an up to date girl couldn't do without. Then they got all interested in short dresses and put the swagger sticks up in the attic with German helmets, love letters from France and the rest of the plunder of war.

The long dresses came into practice again, but they couldn't hold the dear ladies' attention for very long, weren't interesting enough. Then the girls started to look the old attic over and discovered that the swagger sticks had grown up into life size swagger canes. So they pulled 'em down and now wear 'em all over the country—and in the city too.

Swagger canes have it all over the old swagger stick. In the days of the swagger stick it used to be a common thing for an "artistine" who painted a fresh picture on her face every morning to get the swagger stick balled up with the lip stick, as both were about the same size. Naturally the "artistine" never did this in broad daylight. It was only when she endeavored to put on finishing touches after dark.

The real use for swagger canes has never been definitely determined. We questioned one titian haired Trojan, inquiring if she used the pretty pole for defense, after the manner of the boys who used to carry loaded canes. She said the thing was too darn light for defense and she didn't know enough boys to have to beat 'em off anyway. She figured it might be more useful in beating them in her direction.

There have been lady bootleggers in the past and this new swagger cane thing opens up an opportunity for them to continue safely in the business. The general appearance of the swagger canes around our fair hamlet would suggest that they are capa-

ble of holding about one pint.

Their customers could endeavor to convey the impression that they were picking their teeth with the swagger cane while in reality they would be sucking from an opening in the end.

This information isn't absolute, and it's mostly incorrect. If you know what swagger sticks were used for, you'll know what swagger canes are used for and so far no one has discovered the necessity for swagger sticks. It seems as though the handiness of this article of apparel will never be explained. It is another one of those mysteries.

U. S. BELIEVED TO BE UNWILLING TO PARTICIPATE

PARIS, Nov. 9.—The fact that Ambassador Jusserand has requested delay in the publication of Secretary Hughes' declaration regarding the proposed expert reparations committee is taken here as indicating that the United States will decline to participate in the conference. The chances of the commission being organized are, consequently, regarded slight.

TWO GIRLS HURT WHEN THEIR CAR HITS TRUCK

Two girls, who were driving a Ford coupe, ran into the Sanders-Colegrove truck, parked at a 45-degree angle on North Marston street, early this afternoon and were slightly hurt. Dr. C. O. Terrell, in whose office the girls were examined, said that one suffered a bruised chest and the other a wrist sprain. They didn't give their names.

The driver made a wide circle into Marston from Main and in straightening out, she hit the truck. A front axle was bent and a hole made in the radiator.

IT IS OFTEN EFFECTIVE TO ITEMIZE THE BILL

The doctor sent a bill for ten dollars to the terrible tempered Mr. Bangs. The bill read, "Two visits—ten dollars."

"You're a robber," said Bangs. "Five dollars a visit! It isn't worth it."

"I'll rewrite the bill," said the doctor, and Bangs smiled. They couldn't put anything like that over on him.

Then the doctor wrote: "To getting out of bed at 2 a. m.; answering phone; disturbing wife; dressing; going to garage; cranking 'tin Lizzie'; two-mile drive in the cold; SAVING BABY'S LIFE; return to garage; waking wife; undressing; getting back into bed—ten dollars."

He said to Mr. Bangs: "I won't make any charge for the second visit and you need not pay for the first unless you feel I have earned the money."

Mr. Bangs paid the bill. Sometimes we don't pay willingly because we don't realize just what we get for our money.

It would be interesting to take the bill of the telephone or gas or electric light company for a month and attempt to separate it into the several services that are embraced in total of each—in every case less than the ten-dollar bill of the doctor for the average home.

It was a telephone call that brought the doctor to save the baby's life. He might have been too late without the telephone. Electric light and heat has something to do in every emergency and in every day's work in

the home. Gas is doing marvels every day in the home of every citizen who has it available.

MASONRY IN ANCIENT EGYPT. TORONTO, Canada.—Information has been received here that recent explorations in the Sudan region of Africa, of the ruins of Nupata, the ancient capital of Ethiopia, have

brought to light an ancient temple containing a huge Masonic altar, and throwing much light on primitive Masonry.

An ancient Egyptian wall painting has been discovered which shows Pharaoh with the Masonic apron and holding in his right hand the cruc ansata, or cross, with the circular handle.

SECOND STRING MEN DON'T GET THE CHEERS, BUT THEY WILL LATER

If an honor roll of athletes were to be published at the Ranger high school the names of Coffman, Thomas, Dupree, Mills, Campbell, Jordan, Glenn, Wright, Grubbs and Cooper would not be omitted.

These boys seldom see their names in the newspaper account of a football game, or get the ringing cheers of the crowd from the sidelines, but for coming out faithfully to practice, they deserve equal praise. The cheers will come later.

This is recognized by Coach R. N. Sandlin, for the other day he said to a newspaperman: "They are as valuable to the team as a man who plays for they are ready at any time to fill in."

He said that they all are showing a magnificent spirit. "We haven't any too many players, not as many as some schools have, and they mean much to us," he added.

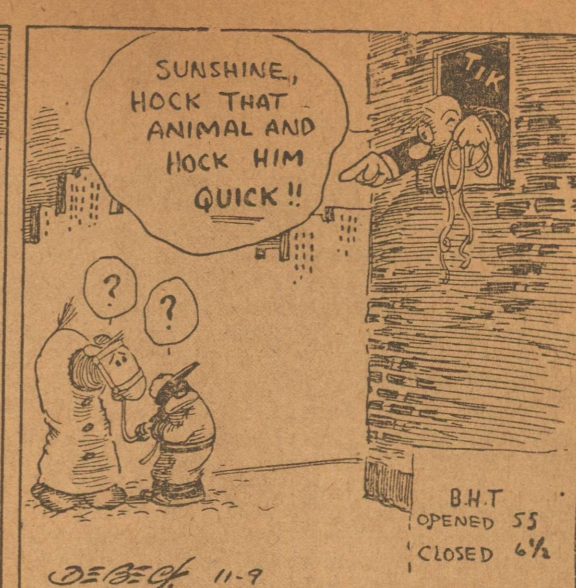

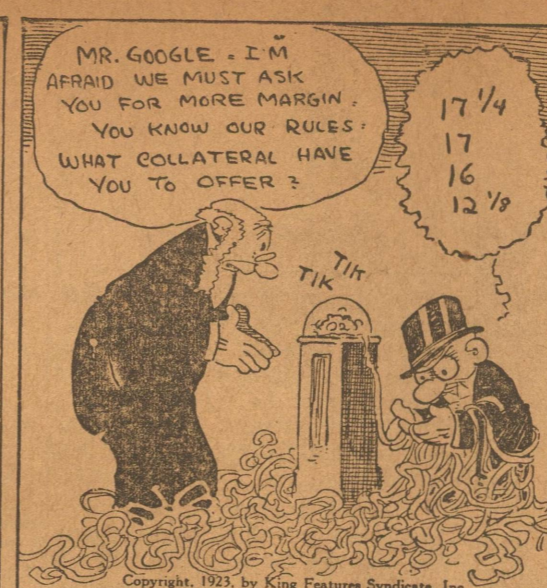

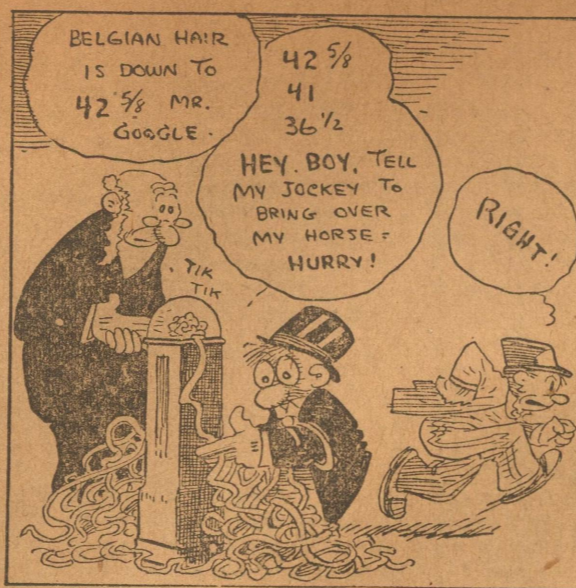

TRIAL OF BURNS ON CHARGE OF MURDER TO BEGIN MONDAY

J. W. Burns, charged with murder growing out of the killing of Spurgeon Hamilton near Gorman last January, will stand trial in the 91st district court here Monday. A special venire from which to select the jury will be ordered drawn.

Hamilton was killed with a knife in a fight between himself and Burns at a house from which the former was moving. The trouble is reported to have come up over three dollars alleged to have been due by Hamilton to a Weatherford, Texas, woman who owned the house which had been rented to Hamilton by Burns.

Burns was tried here last August, the jury standing ten to two for conviction. Burns pleaded self-defense. A special venire will be summoned from which to select a jury.

BARNEY GOOGLE AND SPARK PLUG—

RAMPAGERS READY, SAYS COACH MARSHALL; CISCO PRESENTS FIFTH BIG GAME OF EXACTING SCHEDULE

"Our team is ready," was the simple statement of Coach Dillard Marshall today. His athletes came through last evening's workout without a scratch, so to speak. Coach R. N. Sandlin was still out of the city at noon today.

Having faced a hard and exacting schedule with the exception of one game, the Rampagers will do battle tomorrow at Cisco without any misgivings. The metal of the athletes has been tested in five hard games and the scheduled play against the Lobos is nothing new to them.

The football line mentor is not of the superstitious kind, but whenever he delves down into his right side pocket, he fishes out a Lincoln penny which he found on a football field three weeks ago. He has carried it since and the Rampagers have been victorious in that period.

"It's going to be with me tomorrow," Marshall said laughingly.

"You're sure there is no hole in that pocket," he was asked.

"Yes, siree, I watch that pocket every day," with a decided emphasis. Given a clean November day, such

as Friday presented, the athletic field at Cisco should present a typical high school football scene—brilliant scarfs and coats and gay autumn hats of the girls and a November landscape.

Here is the probable lineup of the Ranger and Cisco teams:

Ranger	Cisco
G. Zaratofetis	Wilson
Williams	Westerfelt
Gullahorn	Lee
Shell	Grist
Dupree, Thomas or Coffman	Mobley
Collins	Smith
Wilson	Alsbrook
Althausen	Berry
Yonkers	Stubblefield
J. Zaratofetis	Brown

The referee will be named by the Cisco high school athletic authorities. Webb of Ranger, who has officiated in all of the Ranger games, either as referee or umpire this season, will be Ranger's choice as umpire in the Saturday battle.

Abraham W. Beitler, grand master of Masons of Pennsylvania, laid the cornerstone recently of the new Masonic temple of Lafayette Lodge No. 199 at Lockhaven, Penn. The building when completed will cost \$200,000.

OWENS' THIRD TRIAL ON SAME CHARGE ON DOCKET FOR THIS WEEK

John W. Owens of Ranger, twice tried in the 88th district court here on a charge of murder for the killing of Jack Payne of Ranger in that city more than one and a half years ago, will again face trial in the same court on the same charge on the 21st of the present month. Owens was tried the first time last December, the jury standing 8 to 4 for acquittal.

Domestic trouble was the cause of the killing.

METHODIST IN LEAD AT RICE UNIVERSITY

HOUSTON, Nov. 9.—There are more Methodists among students attending Rice Institute here than any other denomination.

Of the 1,050 students registered, the registrar's report shows 826 of them are Methodist. Baptists come second with 173. There's one Theosophist.

STAMFORD PLANNING POULTRY SHOW TO OPEN THIS MONTH

Stamford is planning a Poultry Show for November 29 and 30 and December 1, which promises to be one of the largest poultry exhibits ever held in West Texas. Liberal premiums will be awarded. Walter Burton, of Arlington, Texas, will act as judge.

The above information came to The Daily Telegram from J. R. Masterson, secretary of the Stamford Poultry Show and county agent.

Whether or not the Stamford show will be as big as advertised or plays second to our own Eastland county show at Cisco this week, it would be a good idea for Eastland to take an interest in the neighboring event. Masterson wound up his appeal with the promise that Stamford would gladly reciprocate.

DALLAS "NAVY" GOES WAY OF OTHER OLD BOATS

DALLAS, Nov. 9.—Dallas' "Navy" has gone the way of greater navies.

The boat used by the health department several years ago to assist in keeping White Rock reservoir from being polluted was sold when old age began to tell on the craft. It was the only boat ever owned by the city and was referred to as "Dallas Navy."

STATE GETS CONTINUANCE OF GEORGE BURTON CASE

The case of the State of Texas vs. George Burton of Mangum, who is charged with theft, was continued for the term Thursday afternoon when it was called up for trial. Defense counsel announced ready for trial, but the state asked for a continuance on the ground that material witnesses were absent.

Burton is charged with stealing pipe from Burleson of Cisco.

AUSTIN, Nov. 9.—Reports from Garfield, 12 miles southeast of Austin in this county, Thursday night, were that the Childress well No. 1 had blown in late Thursday afternoon and approximately 1,000,000 feet of gas per day is issuing from the well.

The gas struck at a depth of 1,300 feet, it was stated.

A CAR BUILT TO FIT THE PRICE

HAYNES?

When a manufacturer announces such a tremendous value as the Haynes 60 at \$1295 the public naturally wants to know why such a low price is possible—how the manufacturer can offer such a tremendous value—why this new Haynes can be offered at a price which is \$300 to \$400 below similar cars of other makes.

The answer is—Haynes foresight! The oldest automobile builders in America have always studied the public demand—realizing, at its amazing price, is recognition of an opportunity which has been waiting for someone to grasp it.

It is the opportunity of bringing down price first, and thus bringing down production costs by increasing volume. At the new Haynes price, the Haynes factories know that more Haynes cars can be built and sold than ever in history—AND STILL THE QUALITY CAN BE MAINTAINED.

It is your opportunity to save \$300 to \$400 if you want a car as fine as the Haynes. Like previous Haynes models, it is powered by the Haynes light s.x engine, built on a 121-inch wheel base, and equipped with **\$1295** 32 by 4 1-2 inch cord tires.

CAN BAYLOR STOP IN TEXAS 'U' TILT GREAT ECKHARDT

Eckhardt, Ace of the Varsity Attack, Has Been Star of Every Game So Far.

By Associated Press.

AUSTIN, Nov. 9.—Shearer, whose ability has not been tried in a big contest, will displace Newell, heavy Texas university end, in tomorrow's gridiron struggle at Waco against Baylor university. Coach "Doc" Stewart of Texas made the foregoing announcement today. Shearer is 20 pounds lighter than Newell, but the lighter man won the post for tomorrow's game because of his deadly tackling ability, and the fine fight he has exhibited in all scrimmages.

Texas university supporters here were interested and surprised in Coach Stewart's announcement, because it had been figured that either Newell or Gilstrap would hold down the post which today was assigned to Shearer.

Texas Captain Can't Play.

On the day before the big battle which will have an important bearing on the Southwestern conference championship, local supporters are downhearted because of the fact that Captain "Buddy" Tynes, plunging half and inspiring leader of varsity, will have to watch this big game from the sidelines. Tynes fractured a small bone in his ankle in the Southwestern game of two weeks ago, and since that time he has been unable to take part in the scrimmage session of his team. "Bully" Gilstrap, veteran wing man of the past two years, has been shifted to the post of the Texas leader. Gilstrap is an excellent blocker, and he will be used primarily to run interference for his mates. "Will that heavy Baylor line be able to stop Eckhardt?" That's the question Texas university rooters are asking each other on the eve of the big contest. The fleet Eckhardt has been the star of every game thus far, and he is easily the offensive "ace" of the varsity attack. The opinion expressed here is that if the Bruins are able to stop Eckhardt, Baylor will win over Texas. However, Bomar, second all-American end in 1922, and his Vanderbilt mates failed to stop Eckhardt at Dallas, Oct. 20, when the Longhorns defeated Vandy, 16-0, and Texas fans are basing hopes of victory on this fact.

Baylor Has Stars.

In Captain "Country" Williamson, veteran tackle; "Bear" Walker, pivot man and the outstanding performer in the Baylor-Texas A. & M. game of last Saturday; and in Fullingim, and Connally, ends, Baylor has four of the best forwards in the conference. To match the Baylor stars, Coach Stewart has "Blue" Bluestein, a wonderful fighting tackle; "Nig" Bralley, a fine center; Gorman, a guard of the first class, and Curtis, an able wing guardian.

In the backfield, Baylor has as its outstanding man, Pittman, plunging half, and long distance kicker. Pittman is rated as the best offensive player on the Baylor eleven. Strickland, a fleet half; Coffee, heady quarterback, and Sims, an able defensive fullback, complete the Bear backfield.

Robertson, kicker of long distance field goals; Marley, a hard hitting full, and Eckhardt, who is being touted for all-American honors, and Gilstrap make up the varsity backfield.

MARTIN BARNES GIVEN 2-YEAR SUSPENDED SENTENCE

Martin Barnes, on trial since Wednesday in the Eighty-eighth district court, on a charge of theft, was given a two years' suspended sentence by the jury Thursday afternoon. The verdict was reached at 3:30 o'clock.

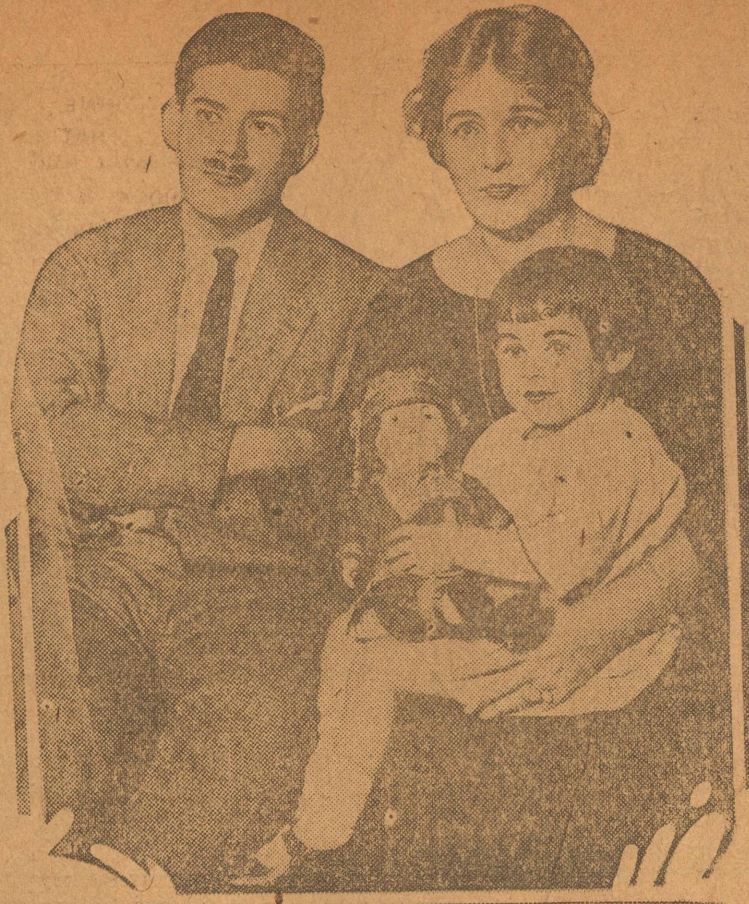

This case is a companion case to the Doc Fossett case which was tried Wednesday. Fossett was given a two and one-half years sentence for theft and concealing stolen property, and the jury did not recommend a suspension of sentence.

In these cases the defendants were charged with stealing auto casing from Barney Carter of Ranger. Martin White, the negro who was given two years on a theft charge Wednesday, later had the sentence suspended and went on his way rejoicing.

NATURAL GAS SUPPLY WILL BE AMPLE THIS WINTER

DALLAS, Nov. 9.—Managers of gas companies in North Texas whose supply comes from the Lone Star Gas company's lines are confident that the supply will be adequate for all domestic demands this season. Interruptions of the service, due to broken lines and other accidents, of course, may occur for brief intervals, and most gas distributing companies advise arrangements for emergency heating in the homes that use natural gas to meet such emergencies. But the supply of gas available in the pipe lines promises to be equal to all demands owing to extensions that have been made by the Lone Star Gas company, during the past summer.

WAR HEROINE SUES SISTER FOR ALLEGED LOVE THEFT

Princess Nicholas von der Lippe-Lipski and Mrs. Wendell Phillips.

Princess Nicholas von der Lippe-Lipski, 37, formerly the immensely rich Mrs. Wendell Phillips, New York society leader, who married Prince Nicholas von der Lippe-Lipski, 30, page to the late czar, has filed suit in New York City for \$100,000 against her sister, Mrs. Gertrude Schroeder, a widow, whose husband left her very wealthy. The princess charges her sister with alienating the affections of her royal husband, declaring she found his clothing in Mrs. Schroeder's luxurious apartment. The princess, before her marriage, served in the Women's Overseas Foreign Service hospitals in France and was severely wounded at Verdun. She received numerous decorations for valor. Her only son, an American aviator, was killed in an accident in France.

COUNTRY DOCTORS FIND STRUGGLE FOR LIVING PRACTICE VERY HARD

ST. LOUIS, Nov. 9.—"Reasonable living conditions," are necessary to restore permanently physicians and surgeons to rural communities, Dr. H. P. Colwell of Chicago, today told the convention of the American Country Life association, in session here. Dr. Colwell is secretary of the council on medical education and hospitals of the American Medical association. "The objectionable features of country practice," said Dr. Colwell, "are loss of well-to-do patients, long drives, bad roads, hard work, loss of income, increased expenses, poorer facilities for practice, no hospitals, no libraries, no laboratories, few churches, poorer schools and loss of time or opportunity for professional or personal development."

"What wonder, therefore, that the country doctor after struggling in vain against the rising tide of difficulties finally decides to follow his disappearing clientele to the city. It is quite clear also why the young physician, after graduating from medical school, usually in debt for his medical training, prefers to, or from necessity must, remain in the city rather than go to the country. " Census figures show that of the total of physicians in the United States 63 per cent are in cities of 5,000 or greater population, leaving only 37 per cent in cities or towns of less than 5,000. In other words in cities of 5,000 or above there is one physician for every 541 people. "To permanently restore doctors for rural communities requires restoration of reasonable living conditions in these districts."

ENSIGN BOOTH OF SALVATION ARMY TO BE HERE TOMORROW

Ensign Harry Booth of the Salvation Army will be in Ranger tomorrow and conduct meetings at the Salvation Army hall in the interest of the young people's work. Ensign Booth is divisional young people's secretary and makes his headquarters in Dallas, but has made occasional visits to Ranger, where he has made many friends. It is expected he will make addresses here both in the open air and in the hall.

CITATION BY PUBLICATION. THE STATE OF TEXAS.

To the Sheriff or Any Constable of Eastland County, Greeting: You are hereby commanded to summon Roxie V. Irons by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your county and 91st Judicial District, to appear at the next regular term of the 91st District Court of Eastland County, to be held at the court house thereof, in Eastland, on the first Monday in December, A. D. 1923, the same being the 3rd day of December, A. D. 1923, then and there to answer a petition filed in said Court on the 6th day of November, A. D. 1923, in a suit, numbered on the docket of said Court as No. 10,525, wherein Wilbert Irons is plaintiff and Roxie V. Irons is defendant, and the plaintiff sets forth and avers that he and defendant were married in Oakland, Maryland, but that they have not lived together as husband and wife since about April 1, 1921, when plaintiff was compelled to permanently abandon her.

Plaintiff alleges that the defendant has an ungovernable temper and that she was continuously nagging and cursing him without cause or provocation on the part of plaintiff. Among other things she accused him of living in adultery with other women; that he would have to be gone to his work and when he returned home she would not prepare his meals.

Wherefore, by reason of such conduct, the plaintiff prays the court that he be given judgment dissolving the marriage relations between plaintiff and defendant, and for all costs of suit.

Herein fail not, and have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in East-

CITATION BY PUBLICATION. THE STATE OF TEXAS.

To the Sheriff or Any Constable of Eastland County, Greeting: You are hereby commanded to summon Monroe Truhitte by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, and 91st Judicial District, to appear at the next regular term of the 91st District Court of Eastland, on the first Monday in December, A. D. 1923, the same being the 3rd day of December, A. D. 1923, then and there to answer a petition filed in said Court on the 6th day of November, A. D. 1923, in a suit filed on the docket of said Court as No. 10,523, wherein Martha Truhitte is plaintiff and Monroe Truhitte is defendant, and said petition alleging that the plaintiff and defendant were lawfully married in Cosville, Missouri, May 22, 1904, and continued to live together as husband and wife until October 10th, 1922.

The plaintiff avers that defendant was guilty of excesses, cruel treatment and outrages toward her of such a nature as to render their living together insupportable. The defendant has on divers occasions addressed to plaintiff the most opprobrious epithets and threats of personal violence, and repeatedly threatened to take her life.

Wherefore, plaintiff prays the Court for judgment dissolving such marriage relations, for costs of suit and for general and special relief in law and equity, that she may be justly entitled to.

Herein fail not, and have before said Court, at its next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in East-

land, this 9th day of November, A. D. 1923. ROY MUNNALLY, Clerk, District Courts, Eastland County, Tex. s. By WILBOURNE B. COLLIE, Deputy.

FOR CONSTIPATION

Black-Draught Recommended by an Arkansas Farmer Who Has Used It, When Needed, for 25 Years.

Hatfield, Ark.—Mr. G. W. Parsons, a well-known farmer on Route 1, this place, says: "I keep Black-Draught in my home all the time. It is the best all-around medicine I have ever found for the liver and for constipation. We began using it 25 or more years ago and have used it whenever needed since. I have never found any other medicine as good for constipation, and that was what I suffered with till I began using Black-Draught. Black-Draught corrected this condition, and now we use it for the liver and for indigestion—a tight and sluggish feeling after meals, for bad taste in the mouth and sour stomach.

"My wife uses it for headache and biliousness. It sets on our shelf and we don't let it get out. It has been a great help to us. I believe a great deal of sickness is caused by hurried eating and constipation, and Black-Draught, if taken right, will correct this condition."

ROBS CALOMEL OF NAUSEA AND DANGER

Medical Virtues Retained and Improved—Dangerous and Sickening Qualities Removed. Perfected New Tablet Called "Calotab."

The latest triumph of modern science is a "de-nauseated" calomel tablet known by the drug trade as "Calotabs." Calomel, the most generally useful of all medicines thus enters upon a wider field of popularity—purified and refined from those objectionable qualities which have heretofore limited its use.

In biliousness, constipation, headaches and indigestion, and in a great variety of liver, stomach and kidney troubles calomel was the most successful remedy, but its use was often neglected on account of its sickening qualities. Now it is the easiest and most pleasant of medicines to take. One Calotab at bedtime with a swallow of water—that's all. No taste, no gripping, no nausea, no salts. A good night's sleep and the next morning are feeling fine, with a clean liver, a purified system and a big appetite. Eat what you please. No danger.

Calotabs are sold only in original, sealed packages, price thirty-five cents for the large, family package; ten cents for the small, trial size. Your druggist is authorized to refund the price as a guarantee that you will be thoroughly delighted with Calotabs.—Advertisement.

COURT ORDERS JURORS DRAWN FOR DECEMBER

Judge George L. Davenport of the 91st district court has filed with the clerk of the court his order for the drawing of jurors for the December term which convenes Monday, December 3rd.

The order is as follows: "In the 91st district court of Eastland county, Texas, December term, A. D. 1923. Order for drawing jurors,

Whereas, it appearing to the court that the next term of this, the 91st district court of Eastland county, Texas, will convene in the first Monday in December, 1923, the same being the third day of said month, and that there are a number of civil jury cases pending on the docket of said court, together with a large number of criminal cases pending on the criminal docket of said court, and that it will be necessary for juries to be accessible for the disposition of said cases, and proper to determine at this time the weeks of the said term which will be devoted to the trial of jury cases and to the trial of criminal cases, and

It further appearing to the court that the second Monday of the said December term, being the 10th day of December, 1923, and January 7th, 1924, being the sixth week of said term are suitable weeks for the trial and disposition of jury civil cases, and that the weeks beginning Monday, December 17th, 1923, being the third week of said term, and the week beginning Monday, January 21, 1924, being the eighth week of said term are suitable for the trial and disposition of criminal cases, and that it will be necessary and proper to draw from the jury wheel seventy-five (75) names for each week of said term so designated for the trial of jury civil and criminal cases:

It is therefore ordered and adjudged by the court that the clerk of this court, or one of his deputies, together with the sheriff of said county, or one of his deputies, in the presence of the judge of this court, draw seventy-five (75) names from the jury wheel of Eastland county, Texas, for each of said

weeks beginning Monday, December 10th, 1923; Monday, December 17th, 1923; Monday, January 7th, 1924, and Monday, January 21st, 1924, from which to select juries to serve in said court.

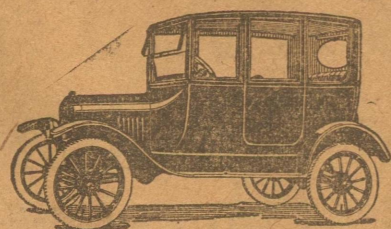

It is further ordered by the court that after said names are drawn from the jury wheel as is required by law, that the jurors so drawn from the said jury wheel be summoned by the sheriff of this county, as is required by law.

Given under my hand this sixth day of November, A. D. 1923.
George L. Davenport
Judge 91st District Court of Eastland county, Texas, presiding."

TERRACE FARMING MAKING BIG STRIDE IN EASTLAND COUNTY

Special.
RISING STAR, Nov. 9.—One of the recent developments in agriculture that is attracting considerable attention in both Eastland and Brown counties is the development of terrace farming. The campaign is being conducted in both counties by County Agents R. H. Bush of Eastland and O. P. Griffin of Brownwood, and it is proposed to make surveys for such farms as are interested.

The development of this type of farming, according to information furnished the West Texas Chamber of Commerce, follows the remarkable results secured this year by farmers who last year built terraces in these two counties. Reports show that the increase in crops in one year more than paid for building the terraces. The development of terrace farming is increasing all over West Texas.

DEFENSE IN TRIAL OF DR. COOK BEGINS OFFERING EVIDENCE

FORT WORTH, Nov. 9.—The defense in the trial of Dr. Frederick A. Cook and his 13 associates, charged with fraudulent use of the mails in connection with the sale of stock in the Petroleum Producers association, opened its case today with efforts to prove that the claims allegedly sent out by S. E. Cox of Houston relative to oil production were justifiable.

Literature on leases which Cox and Cook were exploiting, which were sent out to prospective stockholders, were located near producing wells, the defense will contend.

J. N. Corbett, owner of property in Eastland county, on which the defendants obtained leases, was the first witness for the defense.

Defense counsel indicated that their side would be completed within four or five days.

DRY AGENTS SEIZE QUANTITY OF LIQUOR

NEW YORK, Nov. 9.—A custom inspector today uncovered a secret cache containing 200 cases of French liquor on the tug Capital with a bootleg value of \$20,000. The custom men found 2,000 cases of liquor valued at \$200,000 last Tuesday.

RED PEPPER HEAT STOPS BACKACHE

The heat of red pepper takes the "ouch" from a sore, lame back. It can not hurt you, and it certainly ends the torture at once.

When you are suffering so you can hardly get around, just try Red Pepper Rub, and you will have the quickest relief known. Nothing has such concentrated, penetrating heat as red pepper.

Just as soon as you apply Red Pepper Rub you will feel the tingling heat. In three minutes it warms the sore spot through and through. Pain and soreness are gone.

Ask any druggist for a jar of Rowles Red Pepper Rub. Be sure to get the genuine, with the name of Rowles on each package.—Advertisement.

OLD AGE PUTS HEAVY HAND ON PRANCING MULE

WAXAHACHIE, Nov. 9.—Disturbing modern influences, which made their impression on old "Molly," the village mule, caused her death, cracked barrel sages around the general store say.

Shortly after the tale of how a French surgeon had brought the bloom of youth to the cheeks of an old woman through a miracle of modern surgery, had been printed in a local daily, "Old Molly" kicked up her heels and pranced around the pasture where she was spending her retirement. A playful dog chased her and

she threw her heels high in derision. It was "Old Molly's" last act as her thirty years could not stand the strain and the village mourns.

"Old Molly" had a very "romantic" life. She pulled the first buggy ever seen in Elm county among her other notable achievements.

The Masonic fraternity laid the first cornerstone in the District of Columbia. The stone marked the square at a point near Alexandria, Va., at that time within the confines of the district lines, and was laid April 15, 1791.

FORT WORTH IS PREPARING FOR MANY VISITORS

Pageant of Progress at Diamond Jubilee to Be Great Event.

Special.
FORT WORTH, Nov. 9.—Depicting the development of Texas and clothed in the wealth of color and sentiment of the Southwest, will be the story told in the Pageant of Progress of the Diamond Jubilee of Fort Worth Nov. 11 to 14, inclusive. Fourteen episodes, every one as nearly historically correct as is humanly possible to cast, will be required to tell how Fort Worth and Texas has grown and prospered in the last 75 years. The script has been prepared from history, and direction of the pageant placed in the hands of one skilled in histrionic art, Mrs. E. H. Hanley of New York city.

The cast calls for 2,500 people, a large number of horses, cattle and other equipment including a tribe of Comanche Indians. Only this week it was decided to stage the affair in the coliseum, the great building which houses the Southwest exposition. Every seat in the great structure will be free to those who are visitors to Diamond Jubilee. There will be no reservations for a selected few, but every seat will be as free as the air. The pageant is one of the most expensive single entertainments ever staged in Fort Worth or Texas. It is the gift of the people of the city to all of Texas.

A flying circus in which not less than 50 airplanes and bombers will be engaged is another salient feature. One battle formation calls for 50 planes in the air at one time, also a number of balloons. Aerial warfare, parachute jumping, plane exchanging and other hair-raising stunts are on the program. This is undoubtedly the greatest air circus ever staged in the Southwest.

There are more than a hundred different athletic events, including football, basket ball, volley ball and other court games. Something of the magnitude of the athletic and community affairs can be visualized when it is known that 41 neighborhood functions will be in progress at one time. These are all under the direction of the recreation department of the city of Fort Worth of which W. C. Batchelor is director.

RECLAMATION ASSOCIATION TO MEET IN SALT LAKE CITY
STAMFORD, Tex., Nov. 9.—The nineteenth annual convention of the Western States Reclamation association will be held in Salt Lake City, Nov. 19, 20 and 21, according to advance notice furnished the irrigation and reclamation department of the West Texas Chamber of Commerce by Frank W. Brown, secretary, Boise, Idaho. It is likely that representatives from West Texas will attend the convention.

AUSTRALIAN NEWSPAPERMEN.
SYDNEY, Australia.—The Masonic newspapermen of this city have formed a lodge of their own, of which the worshipful master is Hal Eyre, the well-known cartoonist of the Sydney Daily Telegraph and formerly of the Brisbane Courier.

Armistice Day Will Be Observed In Eastland Monday

Since Nov. 11 falls on Sunday this year, Eastland will celebrate Armistice day on Monday, Nov. 11.

The American Legion post held a meeting Wednesday night, at the new athletic club, to make final arrangements for the program. Among those present were the officers of the legion and representatives of some of the other civic bodies. The weather being favorable, Eastland will celebrate Armistice day more generally, next Monday, than ever before.

The merchants have agreed to close their establishments at noon, Monday, for the rest of the day, or at least for a part of the day.

In the morning hours, there will be an athletic program by high school students at the American Legion Athletic club gymnasium.

In the afternoon there will be the annual football game between Eastland and Weatherford, at Eastland.

The principal event of the day, of a patriotic nature, will be the acceptance by the city and county authorities of the soldiers' memorial presented by the women of the Civic league.

At 11 a. m. Monday all whistles will be blown and it is asked that all citizens of Eastland stop at that time for five minutes, whatever they may be doing, and offer up silent prayer.

The Grand Commandery of Knights Templar of Illinois, at their 67th annual conclave, appropriated \$2,500 for the Illinois Masonic hospital.

DRINK WATER IF KIDNEYS BOTHER

Take a Tablespoonful of Salts If Back Pains or Bladder is Irritated.

Flush your kidneys by drinking a quart of water each day, also take salts occasionally, says a noted authority, who tells us that too much rich food forms acids which almost paralyze the kidneys in their efforts to expel it from the blood. They become sluggish and weak; then you may suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To help neutralize these irritating acids; to help cleanse the kidneys and flush off the body's urinous waste, get four ounces of Jad Salts from any pharmacy here. Take a tablespoonful in a glass of water before breakfast for a few days, and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush and stimulate sluggish kidneys; also to neutralize the acids in the system so they no longer irritate, thus often relieves bladder weakness.

Jad Salts is inexpensive; cannot injure and makes a delightful effervescent lithia-water drink. By all means have your physician examine your kidneys at least twice a year—Advertisement.

EASTLAND STORES TO CLOSE AT NOON MONDAY

The Eastland Retail Merchants' association requests the announcement that all its members have agreed to close their establishments at noon on Monday, Nov. 12, when Armistice Day will be observed.

Because of the long interval between Saturday night and Tuesday morning, it was deemed inexpedient to close all day Monday as originally proposed.

HIGH SCHOOL STUDENTS TO GIVE BENEFIT PLAY

The first of a series of plays for the benefit of the various school organizations will be given at the high school tonight. They are intended to develop the histrionic talent of the students.

The play, "The Adventures of Grandpa," is a three-act comedy and a laugh from start to finish. The play centers around Monte Ray, the grandson of "Grandpa," who is the chief

adventurer. The cast includes: Monte Ray, Billie Drienhofer; Tod Hunter, Murray White; his wife, Phyllis Williams; a Swedish maid, Virginia Brooks; Marie, a French dancing teacher, Christina Smuck; Dorothy Ray, sweetheart of Monte, Evelyn West. Pansy Hopscotch, newly rich, Merkle Mills; Grandpa, who never misses a train, Vernor Mitchell.

In addition to this play, a snappy program will be given between acts. The play contains the high school's best talent and has been under the personal direction of Miss Cleo Motes, girls' physical instructor, for several weeks, and promises to draw a large crowd. An admission of 25 cents and 35 cents will be charged, the money derived to go into a fund with which to buy a piano for the gymnasium. The play will start promptly at 8 o'clock and everyone is invited to attend.

Illinois Masons are planning to construct an addition to the Illinois Masonic Hospital to accommodate 150 beds. Funds exceeding \$75,000 have been raised for this purpose.

New Lamp Burns 94% Air

Beats Electric or Gas

A new oil lamp that gives an amazingly brilliant soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94 per cent air and 6 per cent common kerosene (coal oil).

The inventor, J. T. Johnson, 609 W. Lake st., Chicago, Ill., is offering to send a lamp on 10 days' FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Write him today for full particulars. Also ask him to explain how you can get the agency, and without experience or money make \$250 to \$500 per month.—Adv.

TEXAS CRUDE PRODUCTION IS SLIGHTLY DOWN

Texas crude oil production showed a decline last week at 80,000 barrels, according to figures compiled by the Fort Worth Star-Telegram. The Powell field showed the biggest decline, dropping 30,000 barrels in potential production and not in the actual production. The Powell field is now considered to have passed its greatest peak in production.

The production for the United States registered a decline of 50,000 barrels daily last week.

California continued its steady decline to the tune of 15,000 barrels, and is now nearly 100,000 barrels under its high production figures of last summer. Wyoming and Montana helped the decrease along slightly being apparently on its winter decline.

The total daily production of the country was 2,204,680 barrels. Production east of the Rocky mountains was 1,421,280, a decrease of 33,860, according to the American Petroleum Institute.

The detailed production figures follow:

GEOLOGICAL SURVEY TELLS ABOUT BIG FUEL PROBLEMS

DALLAS.—Interesting and disquieting facts are contained in a pamphlet just issued by the United States geological survey. They disclose the diminishing supply of natural gas.

Emphasizing the fact that in 1921 the total production of natural gas in the entire country was but 727,052,000,000 cubic feet, as against 860,540,000,000 cubic feet the year previous the federal bureau says: "Natural gas has been produced in the United States for about 60 years with almost a continuous growth in quantity and value, but the industry has now probably reached its peak, for during the last six years there has been little increase in production and in two of these years there has been a decrease."

The Shriners of East St. Louis, Ill., dedicated their new Shrine temple on Oct. 26. A class of 7,000 candidates were initiated at the opening ceremony.

BURGLARS BREAK INTO DRUG STORE BUT FIND LITTLE THEY DESIRE

Burglars, who robbed the J. M. White department store Wednesday night of \$1,500 worth of men and women's clothing, also visited the Commercial Drug store on the same police said today. Nothing of value was taken, so far as could be discovered. The store, located at Main and Marston streets, and formerly run by W. H. Dinwiddle, has been closed for several weeks.

The burglars entered by the front door, as they did at the White store, ransacking here and there inside and left without taking anything, it was said at the police station.

The robbers are believed to have stolen their tools to effect an entrance to the stores from John Usery of Ranger. He reported to the police that a kit of tools was stolen from his property, also a headlight and a tail light.

Police worked throughout the night on the robbery. Chief of Police Davenport himself acted as night ser-

geant, while Night Sergeant Ted Hamilton worked with the regular night officers. Davenport had no information to give out early this afternoon on the results obtained in solving the robbery.

MOTHER OF JOHN OSBORN CALLING FOR HER SON

The mother of John H. Osborn is seriously ill and he is wanted at his mother's home in Cleveland, Ohio, according to a letter received from Mrs. Anna Kunsted of 3292 West 110th street of that city by the Ranger police department.

He was last heard from in Ranger and Breckenridge in May, 1922, according to the letter.

COTTON MARKET DECLINES

NEW YORK, Nov. 9.—Cotton dropped 60 to 100 points at the opening of the market today. This represents a decline of 125 points from the season's high mark.

After an extreme break of 80 to 125 points, cotton prices rallied 40 to 50 points.
