EASTLAND IS FILLING COMMUNITY CHEST

FILM BEAUTY'S DRESS BURSTS INTO FLAMES

Miss Martha Mansfield Dies From Burns Caused by Smoker's Carelessness.

SAN ANTONIO, Nov. 30.—After hovering between life and death since she was burned late yesterday, Miss Martha Mansfield, 22, movie star, died here at noon today.

Miss Mansfield was seriously burned while on location work in the filming of a picture, in which she was being starred. An ignited match lighted her clothing while she was resting in an automobile waiting for the next scene. The flames were extinguished but not until the screen beauty was burned badly about the chest and arms. Miss Mansfield had the stellar part in "The Warrens of Virginia." She was seated in an automobile awaiting her turn to take part in the filming when an attendant carelessly threw aside a match with which he had lighted a cigarette. It ignited the lace of the dress she was wearing and before the flames could be extinguished she was painfully burned.

Wilfred Lytell, a brother of Bert Lytell, and a member of the film corporation, tried to save Miss Mansfield by throwing his overcoat over her head, and did prevent her face from being burned or her features marred.

She was rushed to a hospital, where a corps of physicians worked to try and save her life. Her body will be sent to New York city.

Prize Awarded For Best 'Back To Farm' Slogan

"Turn Eastland Soil and Get the Spoil."

The above slogan, submitted by A. L. Williams, of Cisco, was selected, Friday at noon, by the Chamber of Commerce committee as winner of the \$5 prize for a back-to-the-farm catch phrase.

The Chamber of Commerce, striving to revive interest in farming in Eastland county offered \$5 for the best slogan carrying the "back to the soil" idea in new form.

An unrevealed committee was appointed to judge the entries and the contest closed at noon Friday.

Two other proposed slogans were so good that they were seriously considered by the judges. By coincidence, all of the slogans that were in the running for final choice were sent in by Cisco contributors.

Those that were considered as second and third best were: "Regardless of oil, back to the soil," Theo France, Cisco.

"The country for mine, with chickens, cows and swine," Mrs. S. L. France, Cisco.

There were only 24 slogans submitted in the contest, but they were from widely scattered parts of Eastland's farming territory, showing that there was considerable interest in the affair.

GENERAL JACOB COXEY VISITS RANGER ON HIS TRIP ACROSS TEXAS

General Jacob Sechler Coxe Sr., who headed the famous "Coxey's march of unemployed" to Washington in 1894, was a visitor in Ranger today.

General Coxe has been making an automobile tour of Texas, having entered at Orange nearly two weeks ago and traveled to El Paso along the southern route and Old Spanish trail, then returning along the line of the Texas & Pacific.

General Coxe was the non-partisan candidate for senator in Ohio and is preaching his doctrine of "money at cost" as he goes.

HEALTH AND HAPPINESS LEAGUE ENCOURAGES HEALTH GAMES IN PUBLIC SCHOOLS

AUSTIN, Nov. 30.—Classes wishing to carry on the health game in the grades of the public school must enroll in the Health and Happiness league not later than December 15, according to Miss Edythe Hershey, acting head of the nutrition and health education division of the University of Texas bureau of extension.

"The goal of the league," asserts Miss Hershey, "is that all Texas boys and girls may grow up to be happy and healthy. Some children are tall, some short. Yet because the father and mother may be tall and thin, or fat and short, is no reason why the child should remain underweight for his height. The average weight for height has been found by weighing and measuring thousands of healthy children. Seven per cent below or twenty per cent above this average weight is an indication that the proper food needs to be selected for body building.

"Each classroom should have a weight chart hanging in the room upon which is recorded the monthly weights of the children in that grade. This gain in health can only be made by playing the health game. That means start with the first rule by drinking four cups of milk each day, but no tea or coffee. The certificate of membership with its stars of achievement, will note the progress of each child and class in the health league."

London Excited By Report of German War Preparations

LONDON, Nov. 30.—A sensation which has threatened to develop into a national scandal has been created by the publication by a news agency of articles claiming the government is concerned over military preparations in Germany, and that the rapid military training of large numbers of men as in excess of the Versailles treaty stipulations has been progressing and the government is cognizant of the facts.

As the news agency is credited with being semi-official in its announcements, the familiar declaration of Germany's action is being taken seriously. The foreign office immediately disclaimed official authority for the statement, but the "fat was in the fire."

The newspaper controlled by Lord Rothermere today evidenced the greatest concern over the report. Other papers said the report was merely a repetition of claims frequently made by Premier Poincare of France. The Daily Express declared the statement contained elements of propaganda and added, "The British government is entitled to demand that the agency disclose the source of its information."

HOUSE OF REPRESENTATIVES LOSES ANOTHER MEMBER

AUSTIN, Nov. 30.—With the death in a local hospital of State Representative D. R. LeMaster of McDade, the total number of deaths occurring in the house of representatives since the beginning of the year has reached seven.

This is the second death of a member in the last 10 days.

BURKETT NAMED SUPERVISOR OF 8TH DISTRICT

Will Have Charge of Hiways in West Half; Has Had Experience.

EASTLAND, Nov. 30.—O. H. Burkett, of Eastland, has been appointed one of the two supervisors who are to be named for the newly created Eighteenth District of the Texas state highway department. Headquarters for this division were sent to Eastland last week. The town won this honor over several other competitors.

J. B. Earley, chief engineer of the eighth district was in Eastland Thursday and announced the appointment of Burkett. The other supervisor has not been named.

Burkett will have charge of the west half of the eighth district, all of that territory lying west of a north and south line through Eastland county. He is a brother of Joe Burkett and well known to Eastland people who are glad to see him thus honored. Burkett was construction foreman when some of Eastland county's most important highways were built. He was in charge of construction work at Camp Bowie, near Fort Worth, during the world war. He was chief of police of Eastland during the oil boom days and for four years was a commissioner of Callahan county. Burkett is amply qualified to do the work for which he has been selected.

Earley was in Eastland Thursday for the purpose of looking over the proposed locations for the various activities of the highway headquarters. He was here for one day last week and expected to move to Eastland permanently before this, but other business held up his work. The newly created eighth district is composed of 13 counties, including Eastland. The force will employ ten mechanical men besides the engineers and supervisors, clerks and such. These men and their families will make their homes in Eastland and so the highway headquarters is quite a boon to the city.

Ranger B. P. O. E. Memorial Services To Be Held Sunday

RANGER, Nov. 30.—The memorial services of Ranger B. P. O. E. No. 1373, will be held Sunday afternoon at 3 o'clock in the First Baptist church auditorium.

The roll call of departed brothers will be called and the beautiful memorial ritual used by the Elks will be read.

Frank B. Crane, who delivered an eulogy on the late President Harding at the memorial services in Ranger on the day of his interment at Marion, Ohio, will deliver the memorial address.

U. S. GETS INVITATION TO EXAMINE GERMANY'S AFFAIRS
PARIS, Nov. 30.—The reparations commission today decided to form a committee of experts to investigate Germany's capacity to pay. According to newspapers, the commission decided to include the United States on the commission, provided that country approves the action.

Stricken In Their Tracks By Gas While Assaulting Verdun They Are Gruesome Reminders of the World War.

VERDUN, Nov. 30.—The bodies of more than 100 German soldiers, many of them standing upright in lifelike attitude, were found today in a tunnel between Dead Man's hill and Bettincourt. Apparently they had been caught in a surprise attack and had been engaged in battling against the Verdun walls when stricken down.

The soldiers are thought to have been stricken by gas, which must have acted instantly, for many were on their feet, leaning against the walls of the tunnel. They presented a gruesome reminder of one of the last attacks of the World war.

Boys of Twelve Years and Over May Join the Boy Scouts

Who may join a troop of Boy Scouts? Persons desirous of getting familiar with scouting frequently make this inquiry. The temporary executive committee of the Ranger Boy Scouts in a statement issued today said that any white boy over 12 years of age, who is willing to subscribe to the scout code of honor known as the oath and law, and who has his parent's permission, can join.

He may drop out at any time he chooses and is not obligated to any service whatever. It costs each boy 50 cents a year to be a scout. This, besides a copy of the official scout handbook, is the only expense to him.

KLANSMEN AND EX-SERVICE MEN CLASH IN NEW YORK

NEW YORK, Nov. 30.—Several Ku Klux Klan members of the Klan at Cedarhurst, Long Island, today were nursing bruises as a result of a Thanksgiving day fight with American Legion members when the klansmen tried to place a wreath on a monument to the soldier dead.

The ceremonies were proceeding quietly when three klansmen came through the crowd and laid a wreath on the monument. One gold star mother protested, saying that her boy, whose name was engraved on one side of the granite tablet, did not fight for Ku Klux Klan tenets. Legion members removed the wreath and when the klansmen tried to put it back they were attacked by the ex-service men.

SIBERIAN BUTTER AND CHINESE EGGS ARRIVING

CHATTANOOGA, Tenn., Nov. 30.—The arrival at New York of a large shipment of Siberian butter and Chinese eggs is a warning to the American farmer "to be up and doing if he wants to head off the cheap competition that is coming in from other countries," according to a letter received by Fred Arn, chairman of the Tennessee division of the Southern Tariff association from N. L. Flournoy, president of the Bank of Millington, Tenn.

The tariff association will meet here on Dec. 7 and 8, with delegates from all over the South in attendance.

BROTHERHOOD OF AMERICAN YEOMAN CARRIED INTO COURT

DES MOINES, Iowa, Nov. 30.—Charges that officers of the Brotherhood of American Yeoman have "squandered and lost large amounts of funds belonging to the society," and that negotiations carried on with more than 100 cities for the location of a children's home were based on fraud, were filed in district court today.

Chemical Analysis Of Haganan Lake Water Suggested

RANGER, Nov. 30.—Ranger citizens are debating among themselves the wisdom of filtering Haganan lake water in the event the voters give a majority vote at the waterworks bond issue election, notice of which is expected to be advertised shortly by the city commissioners. These interviews were obtained today.

Dr. A. K. Weir, physician and property owner—"It's a mighty fine proposition, but I'm afraid of the lake water. The least slip in filtering would be bad for the city's health. All of the wash of the city goes in the direction of the lake. It would have to be a wonderful filter plant to keep the water pure. There would have to be eternal vigilance.

"There is some prejudice in the city against the lake water, but others contend it is pure. A chemical analysis would help solve the doubt. A creek east of the city, if dammed, might provide a good water supply."

Edw. R. Maher, of the Leveille-Maher Motor company, said—"Give us better and cheaper water."

H. Rippey, part owner of the Ranger Cafe—"All that we use the city water now for is dish washing. We spend about \$40 a month for electricity, \$10 for barrel water and our city water bill last month was \$15. This makes a total of \$65. During the warm months our bill is greater, running as high as \$100 a month. If the city makes the water pure, it would be better for us and all restaurant men."

Mrs. J. F. Dreinhof, member of the Ranger Independent School board: "It seems to me that it would be better than the way we are doing, that it would be choosing the lesser evil. We haven't a sufficient supply and it can't be used for drinking water. The town is in a wretched condition when people must buy bottled water. Many people can't afford to buy water, but it's either pure water or unfit water for them. Even if it raises the taxes, that is better than to have water people won't drink. With an improved plant, we'll save hundreds of dollars in fire and health matters."

Price of Crude Oil To Rise Within Two Weeks Forecast

FORT WORTH, Nov. 30.—Prediction of a general advance in crude oil prices throughout the country within the next two weeks is made by John Mitchell, a director in the Texas company, according to a wire from New York to T. & B. Beer, the latter advise their local correspondent, Jess Taylor & Co. Mitchell is quoted as saying that the petroleum situation has been steadily improving in the recent past.

In making his prediction and in pronouncing the situation as improving, Mitchell voices the belief of scores of other bankers and oil men who feel that the industry has at last passed through the critical period, according to the New York Herald, which carried Mitchell's prediction in Chicago dispatches.

Woman Killed When Her Auto Runs Wild After Hitting Man

HOUSTON, Nov. 30.—Paralyzed with horror after running down and possibly fatally injuring Fred Hickman, 33, Mrs. C. O. Fuller of this city was instantly killed when her car was wrecked after wildly careering down a crowded boulevard and crashing into a street car. Mrs. Fuller's body was so badly mangled that she was not identified for several hours.

Hickman was attempting to cross the street when run down by Mrs. Fuller. He was hurled 25 feet against a post and his skull was fractured.

DRY AGENT SQUEEZES EVIDENCE OUT OF BLANKET

HOUSTON, Nov. 29.—The grand jury can now return a "blanket" indictment against a Houston man and his son.

Here's the reason: Sheriff's deputies were riding along on the Clark street road last week when a suspicious looking automobile caught their eye. When they drew closer to the car it speeded up and attempted to escape.

Officers, now genuinely interested, gave chase. When they came closer to the fleeing car, they saw a bundle hurled from the car and, after capturing the occupants, returned to investigate.

They found a dirty blanket wrapped around several broken whisky bottles. It reeked of liquor, and the "evidence" of illegal possession of intoxicants was fast seeping into the ground. Seizing the blanket, Deputy Norfleet Hill squeezed a half pint of liquor into a broken bottle which was used as evidence on which to file "dry" charges a short time later.

MAN KILLED IN PARIS, DOMESTIC TROUBLE CLAIMED
PARIS, Nov. 30.—Dr. John M. Lenoir, 55, was shot and killed at his home here today. Immediately following the slaying, E. H. Dow, 50, surrendered to police. Dr. Lenoir was shot three times.

CAMPAIGN FOR CHARITY FUND IS IN MOTION

General John Knox and His Staff Set Out to Get \$15,000.

EASTLAND, Nov. 30.—Eastland is out to win. The \$15,000 Community Chest campaign to meet all charity demands for 1924 was launched with a whoop Friday morning from the rooms of the Chamber of Commerce and before noon the drive was well under way.

The drive is under the generalship of John Knox and the soliciting is being done by five teams, as follows: District No. 1.—West side of the square. West Commerce and West Main streets. Jack Williamson, Cy Perkins, Ernest Jones.

District No. 2.—South side of the square, South Lamar street to Cox's store, South Seaman street, except the Arab and Prairie oil offices. Joe Jones, Donald Kinnsaird, Paul Woodward.

District No. 3.—East side of the square and East Main street, except First State bank and Oil Cities Electric company. Jep Little, Jinks Garrett, Theo. Ferguson.

District No. 4.—North side of the square, North Seaman street and North Lamar streets. Earl Bender, Maurice Rubin, C. L. Meade.

District No. 5.—Courthouse and one hundred-dollar prospects, city employes and Chief Mead. Committee headed by W. H. Sewell, chairman of the Community Chest executive committee.

Besides the five teams listed, there are special committees headed by John Knox, Jack Lewis and W. H. Sewell, who will solicit the larger prospects such as the various oil corporations, public utilities, railroads and banks.

These special committees went out armed with lists of companies, and individuals expected to give from \$100 to \$250 a-piece and it was from such sources that the bulk of the \$15,000 quota was expected.

The solicitors also will call upon the school children of Eastland and get as much as they can in this way, through collections in all departments of the various schools.

Besides the team workers canvassing all of the business district, all of the women's organizations, social clubs, lodges and the like have been asked to co-operate and before the drive is over there will be a house to house combing of the entire city. Early responses to the call Friday were many and generous and the Community Chest workers were highly encouraged. They were confident of "going over the top."

Coolidge Will Not Announce Candidacy Preceding Message

WASHINGTON, Nov. 30.—President Coolidge will not permit a public declaration of his candidacy until after the country's reaction to his forthcoming message to congress.

He believes that inasmuch as the country will take his message as a basis of his fitness as president, it would be poor politics to declare himself before learning what benefits the message can bring him.

Furthermore, the president holds that an announcement would subject his message to criticism, in that it was framed as a political document.

FORMER SECRETARY OF INTERIOR FALL FEELS SHADOW OF SUSPICION

WASHINGTON, Nov. 30.—The financial affairs of former Secretary of Interior Fall were gone into today by the senate committee investigating the Teapot Dome naval oil lease. A sworn statement was introduced as evidence by Senator Walsh of Montana that Fall had been unable to pay taxes on his property between 1912 and 1922, but that they were paid in full in 1922.

COMMUNITY CHEST
Today Eastland inaugurates the Community Chest idea with a drive to collect \$15,000 to run the city's organized charities for a year. This is a highly practical idea, not an untried experiment. If the people of Eastland will respond as they should, they will save themselves much time, money and annoyance.

Heretofore the relief work of Eastland has been done in haphazard fashion, by the Elks, the Salvation Army, the women's clubs and by individuals. All of these agencies have done the best they could with the means at their disposal and they are to be commended highly for what they have accomplished. But there was no system to it. Necessarily these various agencies overlapped in their work. Smooth-tongued mendicants and unscrupulous rogues have collected from all of them.

There have been multiple drives and "tag days" spread out over the whole year, until the merchants and citizens became tired of them.

And every day the busy business men of the town have been availed by beggars, asking for alms, clothing, food and what not.

The Community Chest plan, if carried out, will correct all these defects. It is up to Eastland to open her purse strings and put it across. With \$15,000 subscribed in two days, Eastland people would be able to forget charity for a whole year with the comforting knowledge of duty well done. They would know that the welfare of the community's poor was in safe hands and amply provided for.

With the Community Chest properly filled by popular subscription, a part would be turned over immediately to the Salvation Army relief workers, another share would be allotted to the Elks and the Boy Scouts like wise would be given a part of the fund. The balance would be kept on hand to meet the current charity demands of Eastland and it would be administered wisely and well by the Community Chest executive committee.

Would it not be simpler for the average business man to give at one time the money that he has been giving away in dribbles? And would it not be easier for him, if he could refer all solicitations during the year to the central committee?

That is all there is to the Community Chest idea. It is the pooling and systematizing of Eastland's charity resources, putting charity on a business basis, insuring the greatest good to the largest number, and minimizing the waste of time and money.

Eastland should respond readily and raise \$15,000 without a whimper.

SEVEN MILLION STARVING CHILDREN IN GERMANY

NEW YORK, Nov. 30.—Seven million German children are in immediate danger of contracting tuberculosis as a result of prolonged undernourishment according to a cablegram made public today by Major General Henry T. Allen, chairman of the American Committee for Relief of German Children.

The message was sent from the headquarters of the American Society of Friends (Quakers) who have returned to Germany to feed the starving children with the fund of \$10,000,000 that is being raised in the United States by General Allen's committee.

"Altogether seven million children are in urgent need of food," the message reads. "Most of them do not get any warm meals or any bread at all. They are so badly undernourished that they are in great danger of contracting tuberculosis. In Dresden, one-sixth of the school children suffer from famine."

"The shortage of foodstuffs for children is increasing steadily owing to augmented unemployment and to the rapidly rising cost of materials. Five million people are without work and an additional one and a half million are working short time. The index of the government for the cost of living in October was 234 times higher than before the war. In September the prices of foodstuffs equalled 200 per cent of the gold prices in peace times. The wages approximate 60 per cent of peace time wages."

ELKS CLUB DANCE IS DELIGHTFUL EVENT

The Eastland Elks Thanksgiving ball, an annual event in local Elksdom, had the largest attendance in the history of the many successful affairs held in the handsome club rooms. Over 300 were present, and fully one-half were visiting Elks, their wives, sweethearts and friends, from Breckenridge, Cisco, Gorman, Desdemona and Ranger.

Music was provided by Moore's orchestra of Fort Worth. Local fruit punch was served by white uniformed colored maids from a table in the corner of the ball room.

Chaperones were: Meses. Tom Woods, Arthur Spear, L. Edwards and Furse.

JACKIE COOGAN POPULAR THANKSGIVING DAY

The offering of Manager Stalcut at the Connells Thanksgiving Day, "Long Live the King," featuring Jackie Coogan, drew full houses from the hour of the opening of the theatre until the last show. At no time was there less than a two-thirds house and the seats entirely filled before the close of each two-hour run of the film. Many parties in groups of fours and six had evidently come in from the golf links. Later in the day the parties were made up of those who had been dining together.

Mr. and Mrs. C. D. Freeman were 1 o'clock dinner guests yesterday at Mr. and Mrs. W. K. Jackson.

Mr. and Mrs. T. L. Fagg entertained out of town relatives Thanksgiving Day.

The Martha Dorcas class bazaar will continue all day tomorrow. Thursday afternoon club members are looking forward to the annual Christmas party when a wonderful program on Christmas observances will be given. Mrs. Earl Conner will entertain the club on Dec. 6.

New Lamp Burns 94% Air

Beats Electric or Gas

A new oil lamp that gives an amazingly brilliant soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94 per cent air and 6 per cent common kerosene (coal oil).

The inventor, J. T. Johnson, 603 W. Lake st., Chicago, Ill., is offering to send a lamp on 10 days' FREE trial or even to give one FREE to the first user in each locality who will help him introduce it. Write him today for full particulars. Also ask him to explain how you can get the agency, and without experience or money make \$250 to \$500 per month.—Advertisement.

Get health—Keep health—Feel fine by eating Kellogg's Bran regularly!

Constipation and the toxic poisonings that come from it not only take the enthusiasm out of life, making you depressed and physically and mentally dull—but they head you into the most dreaded of human diseases. You can actually rid yourself of these dangers if you will EAT KELLOGG'S BRAN REGULARLY—at least two tablespoonfuls daily; in chronic cases with every meal!

Kellogg's Bran is nature's most wonderful food. It is scientifically prepared to relieve suffering humanity from constipation and it will do that as no other food can! Don't take a chance of "getting away" with constipation—IT WILL GET YOU! Don't ruin your health with pills and cathartics—they are as dangerous as constipation itself and give but temporary relief, at the very best!

What you should do for your family and for yourself is to serve Kellogg's Bran every day, in any one of several attractive ways, and fight constipation as you have never fought it before! AND YOU WILL WIN, because Kellogg's is ALL BRAN!

In the first place, Kellogg's Bran is delicious in its nutlike flavor, adding greatly to any cereal with which it is used. Eat bran as a cereal with hot milk, or mix it with hot cereal before serving. Another method is to cook Kellogg's Bran with cereal. In each case add two tablespoonfuls of bran for each person. A popular way is to sprinkle bran on hot or cold cereal. Bran makes wonderful bakery products. Recipes on every package.

Kellogg's Bran is served in leading hotels, restaurants and clubs. It is sold by all grocers.

EASTLAND GOES DOWN BEFORE CISCO LOBOS

Annual Thanksgiving Day Game Develops Score of 41 to 0.

EASTLAND, Nov. 30.—The Eastland Mavericks lost to the Cisco Lobos Thursday in the annual game between the two teams. The score was 41 to 0. The Lobos' goal was not in very great danger during the entire game, Eastland not getting within 20 yards of the goal. The victory gives Cisco three wins over the Mavericks, while the conflict in 1920 resulted in a tie.

Regardless of the rain and snow which fell Wednesday, the field was in a fair condition and a large crowd attended the game. Cisco was well represented, as was Eastland, and "pep squads" from each school filled the air with shouts, yells and melodies of their schools.

Eastland got the jump on Cisco at the opening of the game by holding Cisco for downs and returning with a first down. Mitchell and E. Cox played a good game for the Mavericks, each making long and consistent gains. Mitchell was especially good on end runs and his punting, while Cox was good on line drives. Wilson, of Cisco, played a good defensive game, making gains around his end almost impossible. Moore, at quarter, was in every play until a substitute was necessary in the second period.

GREYHOUNDS WIN SECOND SLASH EASILY, 29 TO 0

By HOWARD BARMAN
STRAWN, Nov. 30.—Strawn Greyhounds routed the Ranger Rampagers here Thanksgiving afternoon in a decisive 29 to 0 score. The game amply demonstrated the superiority of the Greyhounds' football machine over that of the visitors.

The game was not the tight struggle the first meeting between the two elevens was in late September at Ranger. The ease with which the Greyhounds won the first half took their supporters by surprise, according to statements made by them.

The Rampagers had hardly an outside chance to win before the game started, but their ardent supporters hoped for a margin no greater than two touchdowns.

Carries Ball Over Four Times
General Whittaker, Strawn's star fullback, was the outstanding player again yesterday. Not because he gave himself the honor of carrying the ball over Ranger's goal line four times, but when there was a difficult play to make he called on himself and executed it quite to the satisfaction of the most exacting coach.

Twice in the first period, the doughty athlete, who has been besieged with offers from colleges and universities to matriculate at their particular school, dashed his way through a broken field, while the Strawn rooters howled. His last dash carried him through twice as many tacklers as his first one.

Drilled to "get Whittaker," the Rampagers must have forgotten their lessons when they trotted out on Hayes field yesterday. He had things "pretty much" his own way, enough anyway to make his pretty, young wife on the sidelines to smile.

Get Ball On One-Yard Line
The game started off unfavorably for the Rampagers for Whittaker's punt sent the ball rolling to the Rampager's goal line shadows. George Zarafonetis had the ball only momentarily before being downed. At this point the Rampagers fought as demons and held the Strawn backfield on downs, Ranger getting the ball on Strawn's one-yard line.

Less than five minutes later Whittaker tore off a left end run on the first play. Whittaker, playing quarterback, gets off like a flash. Sarrett at center snaps him the ball and the way he is off, flanked by T. Waugh, Jennings and Campbell, the Strawn tacklers.

Whittaker tried a place kick shortly afterwards but it went below the horizontal bars. It was Ranger's ball on the 20-yard line. On the second play, Whittaker skirted left end with the two teams playing on the side line, and eluding four or five Rampagers made his second marker. He kicked goal.

Captain Tom Yonkers came in for a share of attention by his consistent line bucking. His third straight line buck took him 15 yards to the Strawn five-yard line after throwing three tacklers loose. On the next play Ranger fumbled the ball and it rolled

to the 20-yard line. This was Ranger's best chance to avoid a shut-out. Whittaker tried another drop kick, but it failed too.

Stewart Intercepts Pass.
In the second period, Whittaker carried the ball over for the third marker, but his toe failed him, making the score 20 to 0. Stewart, playing right tackle, intercepted a Ranger forward pass neatly when the visitors had things going their own way.

Yonkers made a long boot at the opening of the third period and the ball went rolling over the goal line. It was put into scrimmage on Strawn's 20-yard line. Ranger had the ball in Strawn's territory longer in this period than in any other period. Whittaker's fumble on the Strawn's 25-yard line in which he lost 15 yards looked critical for the Greyhounds so Whittaker resorted to punting.

Whittaker and his cohorts rushed the ball down the field for the fourth touchdown. A place kick failed. The period ended with the ball in Ranger's possession on Strawn's 21-yard line.

Ranger's line was not passed in the last quarter but Whittaker's place kick added three more points.

Roy Wilson's tackling was the one bright spot in Ranger's defense. Once he brought down three players. His interference work was above the average. The line up:

Strawn (29)	Ranger (0)
Brookman	Collins
Andrews	Williams
Vaden	Gullahorn
Sarrett	Jordan
Waugh, T.	Thomas
Stewart	Althausen
True (capt.)	Wilson
Whittaker	Rummage
Campbell	Zarafonetis, G.
Higgins	Zarafonetis, J.
Jennings	Yonkers (capt.)
	full back

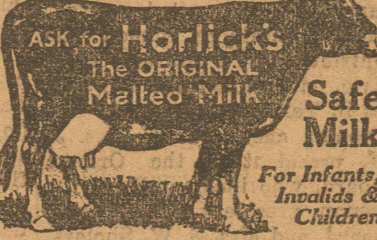

Officials: Houghton, referee; Wickens, umpire.
Score by periods:
Strawn 14 6 3—29
Ranger 0 0 0—0
Scoring touchdowns: Whittaker of Strawn, four; points after touchdown, two; place kicks, one (Whittaker).

OLDEN BASKETBALL BOYS DEFEAT KOKIMO IN VERY FAST GAME

Special.
OLDEN, Nov. 30.—The Olden boys' basketball team defeated the strong Kokomo quintet yesterday afternoon by the close score of 20 to 19. It was the fastest game ever seen on a local court, and was the first defeat Kokomo, last year's champions in Eastland county, has met with in several years. The Kokomo players averaged 40 pounds heavier than Olden.

The Olden basketball boys have played seven games this year and have scored 170 to their opponents' 95.

The Olden basketball girls have won three games this year and have scored a total of 73 against their opponents' 19.

Crude Production In Corsicana Field Shows Big Decrease

CORSICANA, Nov. 30.—Crude oil production in the Corsicana field was placed around 210,000 barrels Tuesday, after a careful check—a decline of 145,000 barrels per day, from the peak of Nov. 12, when the output reached the immense figure of 355,000 barrels.

Production of the Humble Oil and Refining company continues to drop and is now down to 68,000 barrels. That of the Gulf is down to 12,000 barrels daily—a big drop. The purchases of the Magnolia Pipe Line company, which was taking 75,000 barrels of oil per day, is now down to about 12,000 barrels.

The salt water encroachment in the field is becoming more serious and the engineers representing several of the operators in the field held a meeting here to endeavor to work out a co-operative solution of the problem. One of the men attending the meeting was authority for the statement that the salt water output had now reached the figure of 50,000 barrels daily from the 500 wells in the field.

HAVE KIDNEYS EXAMINED BY YOUR DOCTOR

Take Salts to Wash Kidneys If Back Pains You or Bladder Bothers

Flush your kidneys by drinking a quart of water each day, also take salts occasionally, says a noted authority, who tells us that too much rich food forms acids which almost paralyze the kidneys in their efforts to expel it from the blood. They become sluggish and weaken; then you may suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To help neutralize these irritating acids, to help cleanse the kidneys and flush off the body's urinous waste, get four ounces of Jad Salts from any pharmacy here; take a tablespoonful for a few days, and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush and stimulate the acids in the system so they no longer irritate, thus often relieving bladder weakness.

Jad Salts is inexpensive; cannot injure and makes a delightful effervescent lithia-water drink. By all means have your physician examine your kidneys at least twice a year.—Advertisement.

FORT WORTH POLICE TOLD TO SHOOT IF NECESSARY

By United Press

FORT WORTH, Nov. 30.—Police Commissioner John Alderman Wednesday noon told every man in the department to take no chances with thieves and highwaymen after a series of robberies here.

"I don't want any murderers on my force," he said, "but I don't want any of our men killed, so take no chances when you know you have a bad man, and if he starts anything fill him with lead."

He issued these instructions when he was informed that underworld characters, run out of eastern cities, were heading south.

SURE IT DOES GOOD

Theford's Black-Draught Liver Medicine (Vegetable) Praised by the Head of a Louisiana Family.

Lake Charles, La.—"I don't know what we would have done had we not had Black-Draught. It sure is one of the best medicines made, and am sure the best liver medicine," said Mr. Henry Garrett, of this city.

"My whole family uses it," continued Mr. Garrett. "My wife says she believes she kept off the 'flu' by taking doses of Black-Draught regularly."

"I, myself, use Black-Draught for indigestion, and it is fine."

"We used pills and tablets and other laxatives, but they never seemed to do us good, but the Black-Draught sure has, and it has come to our house to stay. We give it to our daughter for headache and torpid liver."

"I am glad to recommend anything that has been the help to my family that Black-Draught has."

"My present health is good. Have two boxes of Black-Draught in the house now."

If your liver gets out of fix, take Black-Draught. It will help to drive the bile poisons and other unhealthful matters out of your system.

Police Baffled In Murder Mystery By Divers Statements

CHICAGO, Nov. 30.—Baffled by one of the most intriguing mysteries in the history of Chicago, authorities today said they would send four persons before the grand jury and ask indictment for those found guilty of slaying Edward Lehman, a watchman, Nov. 5. The two couples are almost hopelessly tangled in a maze of confessions and denials, and the grand jury will be asked to try to untangle the stories.

Walter Beckelman and Ethel Beck were arrested soon after the killing. The girl told the police she had shot Lehman during an attempted robbery, the police claim, to save her companion. Beckelman denied any knowledge of the crime. Later A. Mahlman and his wife, Katherine, were arrested and the woman is said to have told the police she was with Mahlman when he shot the watchman. Ethel Beck then repudiated her confession, claiming that she would have confessed to anything rather than submit to have been beaten by the police.

Lehman was killed when he surprised a man and a woman in an alley attempting to enter a warehouse. He asked them what they were doing and was answered by shots, one of which inflicted a wound from which he died within a few hours.

KIPLING WRITES BOY SCOUT STORY FOR YOUNG ADMIRERS

Rudyard Kipling, for the first time in his literary career, has written a boys' story for a boys' magazine. This offering, entitled "His Gift," appears as the feature article in the December number of Boy's Life, the magazine published by the National Scout organization for boys everywhere.

"His Gift" unfolds the tragedy and triumphs of a derided Boy Scout "who could neither hammer a nail, carry an order, tie a knot, light a fire, notice any natural objects except food, nor use any edged tools except a table knife," but who, nevertheless, possessed a great gift. For he was a natural-born cook, "heavy in the run, oily in the skin, broad in the bean, short in the arm, but light on the foot," which, says Kipling, "is the way cooks should be issued."

MISSING GIRL MAY BE ON HIKING TRIP, POLICE NOW BELIEVE

SEATTLE, Wash., Nov. 30.—A squad of police in Everett, Wash., today was investigating clues that may lead to finding Miss Nell Austin, Seattle school teacher, formerly of Oklahoma, whose mysterious disappearance last Sunday night while on her way to church, has aroused the authorities.

The chief clew discovered has led the police to believe the girl may have begun a hiking trip and failed to tell her friends of it. The police learned late yesterday that Miss Austin's hiking suit was missing from the room where she and her two sisters have been living.

SECOND TRIAL OF J. W. BURNS BEGUN

EASTLAND, Nov. 30.—Both sides announced ready for trial in the J. W. Burns case in the Ninety-first district court Friday morning. Burns, whose home is near Gorman, is charged with killing Spurgeon (Bud) Hamilton at the latter's home near Gorman last January. A former trial in the court here resulted in a hung jury.

Burns, who is a married man, with a wife and several children, claims self defense. A special venire of 150 men has been summoned from which to select a jury.

The trouble between Burns and Hamilton is said to have arisen over \$3 rent Burns claimed Hamilton owed a woman at Weatherford for the house he was living in. Burns claims to have been looking after the property for the owner.

If not the former kaiser's intention, it is at least the Dutch detention that keeps Wilhelm II in Doorn. Philadelphia Record.

To the Sheriff or Any Constable of Eastland County, Greeting: You are hereby commanded to summon Roxie V. Irons by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your county and 91st Judicial District, to appear at the next regular term of the 91st District Court of Eastland County, to be held at the court house thereof, in Eastland, on the first Monday in December, A. D. 1923, the same being the 3rd day of December, A. D. 1923, then and there to answer a petition filed in said Court on the 6th day of November, A. D. 1923, in a suit, numbered on the docket of said Court as No. 10,525, wherein Wilbert Irons is plaintiff and Roxie V. Irons is defendant, and the plaintiff sets forth and avers that he and defendant were married in Oakland, Maryland, but that they have not lived together as husband and wife since about April 1, 1921, when plaintiff

was compelled to permanently abandon her. Plaintiff alleges that the defendant has an ungovernable temper and that she was continuously nagging and cursing him without cause or provocation on the part of plaintiff. Among other things she accused him of living in adultery with other women; that he would have to be gone to his work and when he returned home she would not prepare his meals.

Wherefore, by reason of such conduct, the plaintiff prays the court that he be given judgment dissolving the marriage relations between plaintiff and defendant, and for all costs of suit.

Herein fail not, and have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same. Given under my hand and the seal of said Court, at office in the city and county of Eastland, Texas, this the 8th day of November, A. D. 1923.

CITATION BY PUBLICATION. THE STATE OF TEXAS.

To the Sheriff or Any Constable of Eastland County, Greeting: You are hereby commanded to summon Monroe Truhitte by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your county, and 91st Judicial District, to appear at the next regular term of the 91st District Court of Eastland, on the first Monday in December, A. D. 1923, the same being the 3rd day of December, A. D. 1923, then and there to answer a petition filed in said Court on the 6th day of November, A. D. 1923, in a suit filed on the docket of said Court as No. 10,523, wherein Martha Truhitte is plaintiff and Monroe Truhitte is defendant, and said petition alleging that the plaintiff and defendant were lawfully married in Cossville, Missouri, May 22, 1904, and continued to live together as husband and wife until October 10th, 1922.

The plaintiff avers that defendant was guilty of excesses, cruel treatment and outrages toward her of such a nature as to render their living together insupportable. The defendant has on divers occasions addressed to plaintiff the most opprobrious epithets and threats of personal violence, and repeatedly threatened to take her life.

Wherefore, plaintiff prays the Court for judgment dissolving such marriage relations, for costs of suit, and for general and special relief, in law and equity, that she may be justly entitled to. Herein fail not, and have before said Court, at its next regular term, this writ with your return thereon, showing how you have executed the same. Given under my hand and the seal of said Court, at office in Eastland, this the 9th day of November, A. D. 1923.

ROBS CALOMEL OF NAUSEA AND DANGER

Medical Virtues Retained and Improved—Dangerous and Sickening Qualities Removed. Perfected New Tablet Called "Calotab."

The latest triumph of modern science is a "de-nauseated" calomel tablet known by the drug trade as "Calotabs." Calomel, the most generally useful of all medicines thus enters upon a wider field of popularity—purified and refined from those objectionable qualities which have heretofore limited its use.

In biliousness, constipation, headaches and indigestion, and in a great variety of liver, stomach and kidney troubles calomel was the most successful remedy, but its use was often neglected on account of its sickening qualities. Now it is the easiest and most pleasant of medicines to take. One Calotab at bedtime with a swallow of water—that's all. No taste, no griping, no nausea, no salts. A good night's sleep and the next morning and are feeling fine, with a clean liver, a purified system and a big appetite. Eat what you please. No danger.

Calotabs are sold only in original, sealed packages, price thirty-five cents for the large, family package; ten cents for the small, trial size. Your druggist is authorized to refund the price as a guarantee that you will be thoroughly delighted with Calotabs.—Advertisement.

A Perfect Skin No blackheads, no blemishes ever By Edna Wallace Hopper Mine is a perfect skin—a skin which young girls envy—at the age of 62. After 40 years as a stage star, I look like a girl of 19. I owe all this to a rich, ambitious mother. She searched the world for methods to multiply my beauty and to keep her youth. Those helps made me a famous beauty and they keep me a beauty still. Now I have arranged so every girl and woman may have those identical helps. Thus I hope to bring to millions the benefits I got. My Facial Youth One is a liquid cleanser which I call my Facial Youth. It contains no animal, no vegetable fat. So it cannot grow hair on the face. It cannot assimilate in any way with the skin. It simply cleans the skin to the depths, penetrates every pore. When I wipe it off, all the dirt and grime, all that clogs the skin comes with it. Clean the skin in the best other way you know. My Facial Youth will still remove much extra grime and refuse. I cover my body with Facial Youth before bathing. Thus I remove much clogging matter which water fails to get.

UNIVERSITY OFFERS COLLECTION OF PLAYS FOR USE IN SCHOOLS

AUSTIN, Nov. 30.—The extension loan library of the University of Texas is now prepared to render a new service to the schools in the state. A collection of plays is being made to be loaned to teachers who are looking for suitable plays to be produced in their schools. Any teacher who will write to the library telling what type of play is preferred, the number of characters, the age of the children to participate, and the time and occasion for production will receive several plays for a week's examination. Then full information will be furnished as to where to order the plays, the price, and whether or not there is a royalty. There are now in the library 20 plays suitable for Christmas entertainments, and lists appropriate for other holidays will be prepared later.

BERLIN. — Slow eaters are penalized in Germany. A diner starting to eat at 3 o'clock and finishing at 4 will find the prices have increased during the meal, following the new official mark quotation. The usual question asked with each order nowadays is: "Will I pay the morning rate or the afternoon rate?"

What Happened After the Thanksgiving Day Dinner and the Following Day, with a Moral.

By P. G. T.

Yesterday afternoon was the afternoon after Thanksgiving dinner for the McGimper family. There are six in the McGimper family. Maw McGimper, Paw McGimper and Tillie, Willie, Millie and Billie McGimper. When they stand in line Paw is the tallest, Maw is second and they step right down, six inches at a time to Billie McGimper who is the smallest. Conversely they range in circumference from Billie, who is the widest, to Paw, who is the narrowest.

As mentioned in the above seance, it was the afternoon after Thanksgiving dinner. To be sure that there would be enough Maw McGimper had fixed two nine-pound turkeys that Paw McGimper had purchased. Also all the fixin's that went with these turkeys, including a pound of steak for each member of the family and mountains of mashed potatoes and so forth.

After dinner all the McGimpers endeavored to digest their dinner in the least painful manner. Paw McGimper reclined on the lounge. He was thin and his distended tummy had torn off most of the buttons of his vest. He lay in silent agony, not unlike a snake who had just swallowed a jack rabbit, ears and all.

Maw McGimper was in a state of nervous collapse from the work of preparing the meal for her brood of gourmands and had gone to her room to gather some rest. She couldn't eat and Paw McGimper will probably have to hire a nerve specialist to work her over today.

Tillie McGimper had a date with one of the Hallroom boys but proved herself so dead and uninteresting, suffering as she was from malnutrition, that he brought her

home at 6 o'clock and went out to locate some feline feminine who was too poor to discover anything out of the ordinary for Thanksgiving dinner.

Willie was going to the football game with Marie Marino in Marie's car, but he couldn't collect the courage to walk a half a block to her house. He knew that if he started walking through the mud that he was so heavy about the waistline that he'd lose his balance and fall, and if he ever fell down he could never get up.

Millie McGimper grew a bit seasick and shocked her family by saying "darn you, mama," when her mother tried to treat her generously to an orangeade diluted generously with castor oil.

Billie McGimper fell down the front steps and was too heavy to get to his feet under his own power. He screamed for help for two hours before Paw McGimper could summon enough vitality to get up off the lounge to pick Billie up and bring him into the house.

Today all the McGimpers were in wretched spirits and very irritable. Paw McGimper almost lost his job for talking back to his boss.

Tillie McGimper cried all day because Mr. Hallroomer had neglected her.

All the rest of the children got into trouble in school for sassing the teacher who told her contemporaries that they were "mean little brats."

Maw McGimper got into a quarrel with the neighbors and they will never speak to her again.

Those who drink alcoholic liquors in the United States commit a crime.

Those who drive a motor car over 35 miles an hour are subject to a fine.

Those who yell and raise the dickens because they are in good health and feel peppy are arrested for disorderly conduct.

Those who eat themselves into a stupor similar to that of the McGimpers are honorably celebrating the landing of the Pilgrims. Ain't nature grand?
