Ranger Country Club Decides to Take Injection of Pep and Keep on Climbing

CAMPAIGN FOR MORE MEMBERS WILL BE MADE

Club Finances in Good Shape, Only Needing Some Collections.

To increase the club membership roll and to make the organization a "going proposition," the Ranger Country club decided last night to grant prospective members a reduced initiation fee between Nov. 26 and Dec. 10. A club dance also for members and their friends is anticipated about the middle of December. The reduced fee will be \$25.

The meeting, called to put the club on a sounder financial footing, resulted in a determination to pay all of the club's outstanding debts and collect as soon as possible the amounts owed the club for semi-yearly dues and the balance on initiation fees owed by some members.

Members Offer to Aid.
A number of members present volunteered to go out and collect, if possible, balances due the club, that bills past due against the organization might be paid at once.

J. M. Ralston, secretary of the club, said that there was between \$500 and \$600 owed the club. The club owes the groundskeeper for a month's salary, also for some sand and oil. This will come to over \$150, it was said, and the club is determined to pay it at once. J. M. Dodson, president, said.

The proposal of reducing the rate was brought up by Dodson. "Reduce the rate for a few weeks and see if it won't bring in new members," he suggested. "We are past the biggest expense in running the club and we can't afford to stop."

Dr. C. C. Craig gave it as his opinion that the club can be kept going if all the members pay up. "We can keep going easily, if all the members pay up," he asserted. "It is just a matter of paying the caretaker, and buying sand and oil. With even 58 members at \$25 each, we can make it go."

T. J. Holmes suggested dispensing with a caretaker for the winter months and employing a man only when work is really needed to be done until next spring.

Near Century Mark
Ralston said that it takes a minimum of \$1,700 to keep the club going, free from debt. With a paid up membership of 90, it was pointed out by one member, the club would always have money on hand to pay its bills promptly.

The new members taken in during the appeal beginning Nov. 26 will have their membership cards dated Jan. 1, 1924, following the suggestion to this effect by Dr. Craig.
The Western trap, ordered by the club through Sanders-Colegrove Hardware company, has not arrived, Dodson said. A number of members agreed that the traps will accentuate interest in the club. Dodson said the traps will cost \$90, and there will be an installation charge.

All of the members present last night were happy to find a means of weathering the crisis that faced the club. There has been approximately \$4,000 spent in building up the golf course and it was the sentiment of the members it would be ridiculous to throw this amount away because of the apathy of even half of the membership. "We must keep it up," said Pete Finney. "It's the only place to go after work for recreation."

These members were present: E. E. Dreby, J. M. Dodson, Charles Dyer, A. Davis, Leslie Hagaman, Dr. C. C. Craig, J. M. Ralston, T. J. Holmesley, Jim Galloway, O. L. Phillips, Edward Horrigan, J. H. Beasley, H. J. Mendenhall, Pete Finney and Howard Barman.

STRESEMANN ASKS REICHSTAG FOR VOTE OF CONFIDENCE
BERLIN, Nov. 23.—As the hour draws near for the expected fall of Chancellor Stresemann it is apparent his friends in the Reichstag may attempt a coup d'etat tonight. Stresemann has called for a vote of confidence.

PACKERS DEFY GOVERNMENT

Powerful Combine of Butcher Interests Refuses to Permit the United States to Audit Its Books.

By United Press
CHICAGO, Nov. 23.—The packing interests of the United States today defied the United States government to audit their books. Led by Swift & company and the Cudahy Packing company, the packers announced they would fight the order of Henry C. Wallace, secretary of agriculture, commanding them to present their books and records for a federal audit.

The packers were ordered to have their books ready for the federal auditors.
WASHINGTON, Nov. 23.—Mandamus proceedings to compel the packers to submit their books and other records for a government audit will be begun here by the government, it was indicated today following a conference between government officials.

PLANS FOR BIG XMAS, CRASH IN BROKER'S SMASH

Some Creditors of Scott Norris & Co. Intended to Buy New Cars on Profits.

From several points in Texas press dispatches tell stories of investigations being instigated by creditors of the Scott Norris & company, cotton brokers, of New York, whose financial difficulties have caught 25 or 30 Ranger men in their meshes, and a number of Eastland county cotton sellers.

Under a Stamford, Texas, date line today, a dispatch declared that an estimated \$100,000 was invested by men of Stamford and nearby towns in the market dealings of the company, against whom a petition of bankruptcy was filed early in the week.
One Ranger creditor said that his hopes and also others, of being in "velvet" for the holidays, as the result of their trading on profits on the cotton market last month during the sensational rise in the market, have gone "kerflooie," with the crash of the brokerage. He ventured to say that \$75,000 would have been "cleaned up" locally if the house hadn't closed up.

"Several were planning to buy a new automobile," he said, "but when you consider that all of the profits are tied up, it will be different. They told me they were only able to do it on their market success. The losses run from \$300 up."

Scott Norris & company is said to have started in April, 1920, and had no difficulties that Ranger persons knew of until this fall.
L. H. Person, attorney of Ranger, said he probably would go to Dallas and in the event he did, he would confer with A. E. Puckitt, lawyer of Dallas, who has been representing Dallas clients and who intends to make a trip to New York Monday or Tuesday in the interest of his clients. Puckitt over the telephone Wednesday advised Ranger creditors to file proof claims with the district federal court.

The "loss" of actual money is variously estimated from \$3,000 to \$5,000 in Ranger and the paper profits from \$15,000 to \$18,000. Although some of the creditors are optimistic that some of the money may be saved, others fear they will get little.

NEW SLOGANS CALLING BACK TO THE FARM ARE BEGINNING TO COME IN

It pays to advertise. Just one day after this newspaper published the story that the Chamber of Commerce would pay \$5 cash for the best slogan embodying the "back to the farm" idea in new guise, Secretary Briggs found his mail increasing.

Several slogan entries found their way to the chamber by the first available mail and the pile has been added to at every delivery since that. It is demonstrated that the people of Eastland county are interested in the proposed agricultural revival and that they also have their eyes on the cash award.

Come on in. The contest is open to all. Everybody with an idea is invited to "spring" it.

Dr. Paul W. Horn Elected President Of the Texas Tech

HOUSTON, Nov. 23.—Dr. Paul Whitfield Horn, one of the best known educators in Texas, late yesterday was named by the board of regents of the Texas Technological college, meeting in this city, to be president of the institution. The choice was unanimous. Dr. Horn was called before the board and notified of his selection, after which Amon G. Carter, president of the board, said, "we believe he will accept the post."

Dr. Horn is now serving his second year as president of the Southwestern university at Georgetown, going to that institution in June, 1922, after serving one year as head of the American schools in the city of Mexico. Previously he was 18 years superintendent of the public schools in Houston and before that for seven years was superintendent of the public schools in Sherman.

Dr. Horn was born in Boonville, Mo., April 30, 1870, so is yet a young man. He graduated in 1888 from the Central college at Fayette, Mo., with an A. M. degree and later the degree of L. L. D. was conferred on him by Central college, Southwestern university and Baylor college. He has served as president of the Texas State Teachers' association and is at present a member of the state educational survey commission. He has written several books on educational subjects.

RANGER MAN PLANS TO PLANT PECAN TREES JUST AS EXPERIMENT

J. B. Ames of Ranger intends to plant six pecan trees on his farm, south of the city, this season. He is planting this number merely as an experiment and if it is successful, he will put in 200 pecan trees next year, he declared.
Ames said he had investigated the commercial aspects of a pecan grove and he is convinced that the yield from a large and successful grove in 10 years would make one a comfortable living if marketed yearly.

NEW FIRE HOSE BRINGS EQUIPMENT UP TO THE REQUIRED STANDARD

With the receipt of 1,000 feet of new fire hose yesterday by the Ranger fire department, the underwriters' requirements for the city of Ranger have been met.

The department now has 1,600 feet of hose in first class condition, 800 feet in second class condition and 600 feet below second class condition.
The underwriters' stipulations for Ranger call for 3,000 feet of hose in usable condition, Fire Chief Chapman said today.

CINCINNATI, Ohio, Nov. 23.—Robert Raichel, 65, committed suicide today by leaping into the furnace of a local factory. His body was burned into a crisp.

Popocatepetl, Long Quiet Volcano, Is Beginning To Belch

MEXICO CITY, Nov. 23.—Popocatepetl, Mexico's volcano, in a semi-active state since the days of the Spanish conquest, became active again today. A constant rain of ashes is falling, while the crater is belching dense columns of smoke.
Natives in towns and villages adjacent to Popocatepetl and its companion, Iztaccihuatl, have begun to vacate their homes and are fleeing from the vicinity.
The volcanoes are less than 100 miles from Mexico City.

HOHENZOLLERN DYNASTY LACKS FRENCH FRIENDS

Poincaré Rails Against Its Restoration and Chamber of Deputies Cheers.

By United Press
PARIS, Nov. 23.—"It is irreconcilable with the peace of Europe that the ill-fated dynasty of the Hohenzollern should be restored," Premier Poincaré shouted at the climax to a stirring speech in the chamber of deputies this afternoon.
The deputies arose and cheered lustily. When the din had died down, the premier exclaimed: "Our allies will know tonight that we are unanimous on that." Again bedlam broke loose.

"For our security we will consolidate our forces in the Ruhr," continued the premier. "We will not evacuate until reparations have been paid in full."

True Lovers Should Know How to Order True Lover Meals

By United Press
ST. LOUIS, Mo., Nov. 23.—Lovers before dinner—enemies after. This is what will happen if you don't learn to order food at hotels, boys and girls!
Gaston says so.

"Ah, the messes they choose! No wonder there are so many blighted romances! Creamy stuff like chicken a la king! Worse yet, they eat sandwiches by thousands!
"Who can associate love and sandwiches?" demands Gaston, whose last name is Thierry. He is chef at a leading hotel here.

A love menu should be light. Gaston suggests as an ideal for the after-theatre dinner a grapefruit supreme, lobster a la Americaine and some celery land olives. Nothing more.

Otto Welti, another prominent chef, gives first aid to the loveless like this:

"The repeat correctly ordered is love's greatest asset. If the man is a bit dull, black coffee will increase his attentiveness. There is the danger that coffee will make him restless. If this is the case he should dance. Some sort of bird generally makes a good love food. Light, flaky pastries often bring happy results." Over-eating takes the sparkle out of conversation, Otto declared.

RHINELAND SEPARATISTS SUSTAIN HEAVY LOSSES

DUESSELDORF, Nov. 23.—German newspapers here announce that 160 Rhineland separatists have been killed and more than 600 wounded in recent fighting. As a result, the separatist leaders have decided to disband their forces and to limit their activities to maintaining control in the cities already occupied.

PRESIDENT TO PUT TAX TEST ON CONGRESS

Will Make Plain Conditions Which May Relieve People Some Burden.

By United Press
WASHINGTON, Nov. 23.—President Coolidge is prepared to tell congress that only on certain conditions may the people expect the taxes to be lowered. These conditions will include strict adherence to the budget and elimination of the soldiers' bonus. Secretary of Treasury Mellon and Comptroller Dawes are now drafting figures for the president's financial message to congress to accompany the budget.

The president is expected to make plain in this message the following: that the country has shown a strong desire for tax reduction; that he believes such a tax reduction is entirely possible; that it is up to congress to make it possible by keeping the appropriation within the budget figures and avoiding all extraordinary expenses; that there can be no tax reduction if there be a soldiers' bonus.

JONES COUNTY PLANS HIGHWAY IMPROVEMENTS

ANSON, Texas, Nov. 23.—The Anson Luncheon club is perfecting plans to originate a movement for a \$1,500,000 good road bond election in Jones county. Recently representatives of the West Texas Chamber of Commerce, after having been in touch with the commercial organizations in Hamlin and Stamford, presented plans to this city for a county-wide bond election.

Under the proposed plan a brick or concrete road will be built from the Taylor county line to the Haskell county line, and also a paved highway will be constructed east and west across Jones county. The plan further contemplated connecting Haskell, Stamford, Anson and Abilene with a continuous brick or concrete road. Haskell county is expected to call an election the same date as Jones county. The Abilene Chamber of Commerce is co-operating in the move.

CISCO MAN SHIPS OUT COTTON WHICH HE BUYS IN RANGER

One hundred and eighty bales of cotton were shipped from Ranger today via the Texas and Pacific railroad to Houston, Texas. B. S. Huey of Cisco was reported to be the shipper.
Huey is said to have bought 191 bales of cotton for 34.75 cents a pound from J. M. White and Elvius Mills of this city.

MUNDAY LUNCHEON CLUB TO DISCUSS ROAD BONDS

By United Press
MUNDAY, Tex., Nov. 23.—The Munday Luncheon club will discuss at their next weekly luncheon plans for a good road bond election in eastern Knox county. The Munday people are anxious to connect up with the plans of Jones and Haskell counties for a paved highway from Abilene northward to Wichita Falls. Local sentiment favors only a permanent, high class road.

FALLS FROM HEAD OF SUNDAY SCHOOL CLASS TO CELL

By United Press
HOUSTON, Nov. 23.—From a seat of pious dignity at the head of a Sunday school class to a cell in the county jail was the long step taken by H. Y. Potts, negro.

"Can't we put off this excitement 'till some other time?" Potts pleaded as deputies attended his class armed with a warrant for his arrest.
"The excitement's over," they told him. "We've just raided your house and found 14 gallons of liquor."

Chief Engineer Of Eighth Highway District Here Saturday

L. S. Earley, chief engineer of the Eighth district of the Texas highway department, was in Eastland for a short time Thursday night, to look over the proposed location for the district headquarters.

As told exclusively in this newspaper, Eastland was awarded this important new highway establishment over strong competition and owes much to the men who were able to so strongly present the claims of the county seat.

The chief engineer was expected to be here Friday, but a sudden change in his plans made it possible for Earley to pass through here Thursday night, stopping for a short time. He announced his intention of returning to Eastland on Saturday to make final arrangements.

The Chamber of Commerce is endeavoring to obtain office room for the highway department in the city hall, but owing to the absence of some officials, this matter has not yet been settled.

On Saturday, Earley will meet with the officials of the Chamber of Commerce and with some of the city commissioners when plans will be worked out.

There is no doubt that the people of Eastland fully appreciate the importance of the district highway headquarters and will do all in their power to meet the requirements of the chief engineer and assist him and his associates in every way.

FARMERS URGE SALE OF MUSCLE SHOALS TO FORD

By United Press
OMAHA, Neb., Nov. 23.—Delegates to the National Farmers' Educational and Cooperative Union, which closed its sessions here today, adopted resolutions urging the United States government immediately to accept Henry Ford's offer to purchase the Muscle Shoals plant; that measures be taken for the stabilization of wheat and cotton prices; that the Esch-Cummings law be repealed, and urging public ownership of the railroads as a cooperative enterprise.

MOVE ON FOOT TO PARDON NEGROES WHO RIOTED

By United Press
HOUSTON, Nov. 23.—A move is on foot in Houston to secure pardons for a score or more negroes now serving sentences in federal prisons for participation in the riot at Camp Logan here in 1917.

Judge Henry Dennenbaum, chairman of the committee that investigated the riot, in which negro soldiers broke loose from the camp and started for Houston to pillage and loot, says that he has received word that an effort was being made to have President Coolidge pardon the blacks.

Mayor Holcombe soon will receive a transcript of the trials which he will be asked to send to President Coolidge. The transcript was taken at San Antonio where a number of the blacks were convicted and hanged.

MITCHELL COUNTY WANTS CONCRETE PAVED HIGHWAY

COLORADO, Texas, Nov. 23.—Plans here for the carrying of the \$1,000,000 good roads bond issue for Mitchell county have been worked out by the chamber of commerce and the Lions club through W. S. Cooper, secretary. The plans provide for a concrete paved highway. Seven hundred thousand dollars of the cost of the system is to be voted and the remaining \$300,000 is state and federal aid. The local committee is composed of Messrs. J. H. Green, R. P. Price, A. B. Blanks, W. S. Cooper and H. P. Ragan. The Lorraine unit of the West Texas Chamber of Commerce, through C. M. Jackson, is co-operating in the plans.

FORMER CHIEF EXECUTIVE OF OKLAHOMA HELD

Ready to Give Bond to Answer Seven True Bills Returned Against Him.

By United Press
OKLAHOMA CITY, Nov. 23.—J. C. Walton, former governor of Oklahoma, was indicted by the Oklahoma grand jury here today on seven counts, six of which, filed in the district court, charge diversion of state funds and prevention of a meeting of the Oklahoma legislature, while the seventh count, filed in the county court, charges an attempt to intimidate officials.

Dr. Davenport, state health commissioner, and Edwards, the former chauffeur of Walton, were indicted jointly with the former chief executive on five counts.

Bonds for Walton were set at \$1,000 in each of the six counts in the district court and at \$750 on the other count. Bonds for the other two were set at \$500 each on each of the five counts against them. Walton said he was prepared to make bond.

Fight In Oklahoma On Anti-Klan Bill Continues Active

By United Press
OKLAHOMA CITY, Nov. 23.—The fight was resumed today in the senate against two sections of the joint house-senate anti-klan bill providing that list of officers of secret organizations be filed with county and state officials and that semi-annual complete membership lists be certified and made available for public inspection.

Heated argument centered around these two sections in the senate yesterday after Senator Cordell had presented a motion to strike them from the bill. Senator McPherson's motion to table Cordell's motion was voted down decisively. Time limits of the speakers was removed late in the session, but speakers are to be given only a single opportunity for argument. Copies of various amendments proposed for the joint bill were on the desks of house members today.

PRELIMINARY SURVEYS FOR RED BLUFF DAM SITE BEING MADE

By United Press
PECOS, Tex., Nov. 23.—Vernon L. Sullivan, engineer for the Pecos Valley Water Users association of Texas, and R. R. Ray, assistant, have set up camp in the northern part of Reeves county near the site of the proposed Red Bluff reservoir site. Here they will complete the preliminary survey for the project and make locations for core drill tests.

These tests will be made for the purpose of ascertaining whether or not there are likely to be any leaks in the reservoir site. The aid of the West Texas Chamber of Commerce has been secured in plans to get the cooperation of the U. S. reclamation service at Washington. The Red Bluff project is estimated to cost \$4,500,000 and will irrigate 380,000 acres of land.

MASKED MAN KILLS MAN IN FRONT OF HELPLESS WIFE

By United Press
MINNEAPOLIS, Minn., Nov. 23.—The police were hunting today for a masked man who killed Duane Chappel, 64, in the presence of his invalid wife last night.

Mrs. Chappel, unable to move, saw her husband clubbed to death, she told the sheriff. She could offer no motive for the killing.

BIBLE THOUGHT.

ABOUT THROWING STONES:—Master, this woman was taken in adultery. Moses commanded us that such should be stoned: but what sayest thou? . . . He said unto them, He that is without sin among you, let him first cast a stone at her.—John 8: 4, 5, 7.

JOE BURKETT FOR GOVERNOR.

Joe Burkett is a candidate for governor of Texas. That is, he has announced his candidacy for the Democratic nomination for governor. Joe Burkett is a citizen of Eastland and has given some of the best years of his life to Eastland county. Whatever political and factional differences there may be, Eastland county Democrats should be for the home town man. Knocking Joe Burkett, such as has been indulged in by certain Eastland county newspapers comes with poor grace.

Joe Burkett always has been for Eastland county, first last and all the time. He has served the people faithfully and well on the district bench and in the state senate. He has spent his money building homes and improving Eastland real estate. Beyond a doubt Joe Burkett is Eastland's best known citizen; he is as familiar in Austin, Dallas and Fort Worth as he is in Eastland. He has friends everywhere.

Eastland is entitled to recognition. If Joe Burkett has a chance to become governor, all Eastland ought to rejoice and get behind him. This is not a political argument. It is merely a plea for justice and fair play. It is a plea for community spirit and home town pride.

If a citizen of Eastland is big enough to be considered for governor of the great state of Texas, it ill behooves his friends and neighbors to stand in his way. Every voter in Eastland county ought to be for Joe Burkett for governor because Joe Burkett is a citizen of Eastland and an upright and honorable citizen, at that.

CHANGE OF LIFE

Florida Lady Was in a Miserable Condition, But Says She Found Cardui Helpful, and Got Well.

Altha, Fla.—In explaining how she found Cardui so helpful during change of life, Mrs. Ella M. Bailey, of Route 2, this place, said: "I became so weakened it was an effort for me to get around. I knew what was the matter, but I felt like I couldn't give up. "I just dragged, and I certainly was nervous. I was so restless I could not sit down long—yet so weak I couldn't get about. It is a most miserable and such a helpless feeling. "I would get depressed and out of heart.

"I began to feel, after awhile, there was no use to try to get well. This is all wrong, for it makes a person worse. "I had heard of Cardui, and thought it might strengthen me. A neighbor had used it with good results. "I took one bottle (of Cardui), then I saw I wasn't so nervous, so kept it up. "Gradually the nervousness left me. I began to eat and sleep better. Was soon well, and all right. Cardui did wonders for me, and I certainly do recommend it." Thousands of other women have written, to tell of the beneficial results obtained by taking Cardui, and to recommend it to others. Sold everywhere. Try it. NC-146

FOUR BEFUZZLED MEN FOUND ON CADDO HIGHWAY

Four men, befuddled, it is alleged, by the use of a beverage stronger than permitted to be manufactured by the Volstead act, were picked up on the Caddo highway Thursday night by Deputy Constable U. N. Whitehall of Ranger. The men were put in the city jail following their arrest and later released to the county authorities.

A plain drunk was loaded into the police car by Officers Jim Ingram and Jim Daniels, while he was attempting to keep on the sidewalk on the west side of North Rusk street.

Local officers say that the holiday supply of liquor seems plentiful this year.

ORIGINALITY ALWAYS PAYS. COURT DISMISSES CASES

By United Press. WICHITA FALLS, Nov. 23.—Originality always pays. MRS. CRUTCHER ENTERTAINS FOR MRS. COCHRAN

Mrs. Dick Crutcher was hostess Thursday at 1 o'clock luncheon, honoring Mrs. S. P. Cochran of Dallas, guest of Mrs. H. S. Schmick at the Harwood hotel.

The charmingly arranged table had covers for seven. A bowl of roses centered the mirror plateau on the

embroidered madeira. The luncheon was served in three courses of cream of tomato soup, chicken salad on shredded lettuce, with potato flakes, olives, wafers and mints, and last course of sliced peaches with whipped cream topping, fruit cake and coffee.

Personnel: Meses. Sam P. Cochran, H. S. Schmick, Miss Agnes Harwood, Mr. and Mrs. Tom Crutcher and Mr. and Mrs. Dick Crutcher. The hostess was assisted in her duties by Mrs. Tom Crutcher.

ST. FRANCIS ALTAR SOCIETY INVITES TO BAZAAR.

Some people thought the stork might be examining the premises when they opened their bulky envelopes, Saturday, and pulled therefrom a clever little white cotton sock, that would fit a very small foot. But the intention of the senders covered a larger size than that enclosed, as the following rhyme attests:

This little sock we send to you; (It's not for you to wear), Please multiply your size by five And place inside with care, In silver or in only cents Five times the number that you wear:

(We hope it is immense) So, if you wear a number ten You owe us fifty, C., Which, dropped into this little sock

Will fill our hearts with glee. So don't forget the place and date,

Physical Health means Beauty!

ROBS CALOMEL OF NAUSEA AND DANGER

Medical Virtues Retained and Improved—Dangerous and Sickening Qualities Removed. Perfected New Tablet Called "Calotab."

The latest triumph of modern science is a "de-nauseated" calomel tablet known by the drug trade as "Calotabs." Calomel, the most generally useful of all medicines thus enters upon a wider field of popularity—purified and refined from those objectionable qualities which have heretofore limited its use.

In biliousness, constipation, headaches and indigestion, and in a great variety of liver, stomach and kidney troubles calomel was the most successful remedy, but its use was often neglected on account of its sickening qualities. Now it is the easiest and most pleasant of medicines to take. One Calotab at bedtime with a swallow of water—that's all. No taste, no griping, no nausea, no salts. A good night's sleep and the next morning and are feeling fine, with a clean liver, a purified system and a big appetite. Eat what you please. No danger.

Calotabs are sold only in original, sealed packages, price thirty-five cents for the large, family package; ten cents for the small, trial size. Your druggist is authorized to refund the price as a guarantee that you will be thoroughly delighted with Calotabs.—Advertisement.

We'll answer when you knock And welcome you with open arms, But don't forget your sock.

You are supposed to bring the sock to the bazaar to be held under auspices of the St. Francis Altar society on Saturday, Dec. 8, in the Chamber of Commerce.

The funds are to be used for the new church. If you can't bring your sock, send it.

OPERA COMPANY HERE WILL SING TONIGHT!

The rapid sale of season tickets for the series of entertainments being brought here by the 1920 and New Era clubs, kept the ladies of the ticket committee exceedingly busy all day Wednesday and Thursday.

The sale of single tickets at the Texas Drug store Friday morning

was keeping pace with sales of previous days, so that announcement was made early in the morning that standing room at the Liberty theatre on Friday night would be available for fifty cents.

Members of the opera company arrived this morning. The box office at the Liberty theatre will open at 7 o'clock and the performance has been announced for 8 o'clock.

Little Symphony Orchestra Delights Lovers of Music

By Mrs. W. K. J., press reporter Music Club

The Music club of Eastland has nothing to regret in the marvelous offerings of Thursday matinee and night performances of the Little Symphony Orchestra of Kansas City, Mo., given at the Connellee. The opportunity was presented Eastland music lovers and others who should be proud to have such an attraction brought to a city of this size, to hear an unusual program full of varied contrasts, and rich in colorful interpretation of masterly numbers. The audience made up in aesthetic appreciation what was lacking in size. The music was entrancing, and kept the house spell-bound.

Perhaps in another year or two Eastland will awaken to the unselfish efforts of the music club to provide a civic attraction a large city would be proud to secure, and give unsolicited that patronage that she now yields only under persuasion, for such pure and charming entertainment.

Up to late Thursday night the financial loss to both manager Stalcup and the Music club, on the concert, was heavy.

The program follows:
N. D. Rubertis, conductor; Louis Alberghini, flutist, soloist.

I—French military march, Saint-Saens; II—Siegfried Idyll, Wagner; III—(a) Serenade, DeRubertis; (b) Greek dance, Mouquet. Messrs. Alberghini and Ganz—IV. Children's corner, Debussy; (a) The snow is dancing; (b) The little shepherd; (c) Golliwog's cake walk—V. Scenes poetique, Godard; (a) In the woods; (b) On the mountain; (c) In the village. VI. Caprice espagnole, Rimsky-Korsakow.

Interpolated numbers were: "At dawn," Mendelssohn's "Spring song," "Parade of the tin soldiers," and "Believe me if all those endearing young charms."

H. P. Brelsford opened the entertainment with a plea for Eastland's community chest.

FLOGGED MAN SAYS MEMBER OF GRAND JURY WAS IN FLOGGING PARTY

DALLAS, Nov. 23.—The possibility of the federal government taking a hand into the investigation of the flogging of Joe Westbrook loomed today following the refusal of the county district attorney to file charges against the man whom Westbrook identified as a member of the mob that whipped him. The man identified is a member of the grand jury.

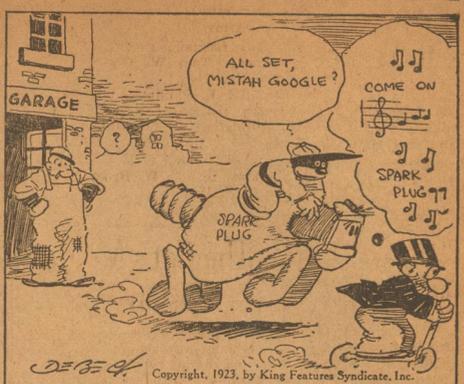

Westbrook in company with Detective Captain Will Moffett appeared today at the office of the county attorney and alleged that the member of the grand jury was one of the men who took him to the Trinity river bottoms and whipped him severely. The juror denied the charge.

Louis Curley, police and fire commissioner, in a statement to newspaper men, stated that unless action was taken by the prosecutor's office, he would take the case to the highest court in the land.

Westbrook asked permission to appear before the grand jury to testify on the flogging and his request was granted.

A new design of electric air heater that is quite ornamental, is now to be found in electric shops. The copper reflector is shaped like a large flower and the base is executed in a leaf design. The heater is also of most substantial construction.

CARL BARNES POST MAKES ITS TEMPORARY OFFICERS PERMANENT

Nearly 50 ex-service men attended the smoker, business session and radio entertainment of the Carl Barnes Post of the American Legion at the Gholson hotel, Ranger, last night. A light lunch, served by the post, wound up the smoker.

Following the announcement made on Nov. 14 that the matter of electing permanent officers would be brought up on Nov. 21, the post proceeded last night to elect all of the temporary officers as permanent. The temporary officers were chosen at the first organization meeting, Oct. 30.

The permanent officers are: Dr. W. C. Palmer, commander; J. B. Hoister, vice commander, adjutant; J. D. Sullivan, finance officer; George Fry, sergeant-at-arms; Paul Lacy, historian; J. W. Overall, historian.

The post now has a paid up membership of 42 members and applications from 15 others for membership. Post Adjutant Shaw announced.

The post adopted the slogan of "Every member get a member."

Ove Overson, Ranger attorney and former county attorney, delivered an address on the American Legion. Mayor R. H. Hodges was to give a talk, but a business session of the city commission prevented his presence.

Two members of the Bothwell-Kane post of Fort Worth, E. T. Walters and K. B. Winsted, gave short talks.

The radio program was made possible by the courtesy of John Remonte, electrical dealer, and member of the post.

The men sang old army songs with vivacity that characterized the spirit of the days of 1918 in France. It was pronounced the liveliest meeting of the post in the first month of its existence.

The post will meet again next Wednesday night at the Gholson hotel.

TWO BOYS HELD BY POLICE IN CONNECTION WITH PETTY THEFTS

The appearance of two boys at the city of Ranger pound Thursday morning to claim their donkey aroused suspicions of Wade Swift, who has charge of the pound, and, instead of releasing the donkey, brought them to the city jail.

The boys were given a grilling by the police and they made a statement, according to Assistant Chief L. E. Davenport, that they had been stealing here and there. A cornet, which disappeared from the Central word school building, was stolen by them, the boys admitted to the police.

A half dozen fountain pens, a compass, dozens of boxes of matches and other articles said by the police to have been taken by the pair, were recovered.

No complaint has been filed against them. The boys' parents were to be in late this afternoon to talk to the police. Each is about 12 years of age.

ELECTRIC CHAIR WILL BE READY EARLY NEXT YEAR

AUSTIN, Nov. 23.—The electric chair will be in readiness on Jan. 18, the date set for the execution of three negroes, convicted of murder. Respite had been given to the three men in order to give time for the installation of the chair. The only thing that remains yet to be completed is the installation of a transformer to give an increased voltage.

The city of Kyoto, Japan, has ordered from an American manufacturer, turbine driven electric generators costing \$250,000. These will replace equipment destroyed in the recent disaster.

New Lamp Burns 94% Air Beats Electric or Gas

A new oil lamp that gives an amazingly brilliant soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94 per cent air and 6 per cent common kerosene (coal oil).

The inventor, J. T. Johnson, 609 W. Lake st., Chicago, Ill., is offering to send a lamp on 10 days' FREE trial or even to give one FREE to the first user in each locality who will help him introduce it. Write him today for full particulars. Also ask him to explain how you can get the agency, and without experience or money make \$250 to \$500 per month.—Advertisement.

Salvation Army Is Doing Splendid Work In Eastland

The Eastland Community Chest drive which will start next week, will include the Salvation Army budget. This organization carries on a wonderful system of relief work in this vicinity. Tom W. Crutcher is president of the advisory board of the Salvation Army, having to do with the disbursement of its charity.

The following statement recently was issued showing the relief activities of the Salvation Army in Eastland:

Relief furnished by local corps for twelve months, ending July 21, Lieutenant Thorn, local corps officer:

Number of persons given meals, 676; number of persons given garments and shoes, 330; number of persons given lodgings, 270; number of persons given medical aid and transportation, 50; number of persons furnished employment, 31; number of families given relief, 305; number of persons given Christmas dinners, 279; number of persons given Christmas toys, 250; total number of persons given relief, 2,053.

Estimated financial budget for Eastland corps for year ending Sept. 30, 1924:

These funds are collected and expended with the advice of the advisory board, the board forming the connecting link between the general public and the Salvation Army insofar as financing of the Salvation Army is concerned. The representative men who are members of the board are assurance that sound judgment is used in the administration of the funds derived from the appeal.

"The gratifying results of the local Salvation Army corps' efforts to serve humanity are due, in no small way, to the efficient co-operation of

the public spirited members of the advisory board here," said Lieut. Col. George Wood, Commander Southwestern Division, the Salvation Army.

The Eastland advisory board includes: Tom W. Crutcher, president; Charles Peterson, vice president; R. K. Phillips, secretary; Scott Kretz, treasurer; Grady Pipkin, H. P. Brelsford, P. F. Maben, Robert J. Gordon; T. L. Fagg, Mrs. Scott Key, Maurice Rubin, J. M. Knox, R. L. Perkins, George W. Briggs, Jep Little, J. F. Duncan.

It's sort of a mountain-out-of-a-mole-hill business, this fuss that Premier Poincare of France is kicking up about the German crown price. He was a nonentity when the Hohenzollerns ruled Germany and he has not shown any improvement. It really is of no concern to America where the fellow lives.

Dulcy, world famous queen of the bromides, has lots of competition. Some day she's going to lose her brown to the Lady at the Boarding House. The Lady remarked today, I'm always thankful for warm days in November, aren't you? It seems just like April today.

When she comes to table after we get there, she never fails to say "Better late than never," too!

GEORGE PATTULO CLAIMS TEXAS AS HIS HOME

DALLAS, Tex., Nov. 23.—Egypt will furnish the material for the next stories of George Pattulo, well known short story writer whose tales appear regularly in the Saturday Evening Post.

Pattulo, who claims Dallas as his home, stopped here recently on his way to Africa where he will visit King Tut-Ank-Amens tomb and other spots of historical interest.

Pattulo is known the country over as the fascinating writer of many stories of the Lone Star state. Forced to a Texas ranch near Clarendon in 1908 by ill health, Pattulo has claim-

ed this state as his home. His first story was written from his ranch home and was accepted immediately by the Saturday Evening Post.

LUTE BEECH, AFTER CONVICTION, HURRIED OFF TO PENITENTIARY

Lute Beach was on his way to state's prison, Thursday afternoon, to serve four years on charges of violating the liquor laws, after one of the quickest trials ever held in Eastland county.

With the presentation of evidence in machine-gun style, the prosecution got three convictions against Beach Thursday morning, before Judge Davenport in the Ninety-first district court.

In each case Beach was sentenced to one year in prison.

He was at liberty on bond at the time, with another year hanging over him from a previous liquor charge.

PIMPLES CAUSE IT

Whenever you go out to places of amusement, you can't help but pity the many folks you see trying to have a good time, but are so shrinking and backward about coming near others where they can see their pimply, blotchy and eczemic skin that you can see they are only torturing their minds instead of throwing all cares to the four winds and enjoying themselves.

You almost feel like going up to them and telling them that they ought to begin using the wonderful Black and White Ointment, which so many thousands of happy people are depending on to keep their skin clean, smooth and good to look at.

Black and White Ointment is selling at the phenomenal rate of nearly two million packages a year, and the fact that it is so economically priced is largely responsible for this record. The 50c size contains three times as much as the 25c size. All dealers have it.—Advertisement.

ed the final year's sentence, Beach faced four years in prison. He was immediately certified to the penitentiary and a representative of the sheriff's office departed on the first train, with Beach in charge.

RED PEPPER FOR COLDS IN CHEST

Ease your tight, aching chest. Stop the pain. Break up the congestion. Feel a bad cold loosen up in just a short time.

"Red Pepper Rub" is the cold remedy that brings quickest relief. It cannot hurt you and it certainly seems to end the tightness and drive the congestion and soreness right out. Nothing has such concentrated, penetrating heat as red peppers, and when heat penetrates right down into colds, congestion, aching muscles and sore, stiff joints relief comes at once.

The moment you apply Red Pepper Rub you feel the tingling heat. In three minutes the congested spot is warmed through and through. When you are suffering from a cold, rheumatism, backache, stiff neck or sore muscles, just get a jar of Rowles Red Pepper Rub, made from red peppers, at any drug store. You will have the quickest relief known.—Advertisement.

CITATION BY PUBLICATION. THE STATE OF TEXAS.

To the Sheriff or Any Constable of Eastland County, Greeting: You are hereby commanded to summon Roxie V. Irons by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your county and 91st Judicial

District, to appear at the next regular term of the 91st District Court of Eastland County, to be holden at the court house thereof, in Eastland, on the first Monday in December, A. D. 1923, the same being the 3rd day of December, A. D. 1923, then and there to answer a petition filed in said Court on the 6th day of November, A. D. 1923, in a suit, numbered on the docket of said Court as No. 10,525, wherein Wilbert Irons is plaintiff and Roxie V. Irons is defendant, and the plaintiff sets forth and avers that he and defendant were married in Oakland, Maryland, but that they have not lived together as husband and wife since about April 1, 1921, when plaintiff was compelled to permanently abandon her.

Plaintiff alleges that the defendant has an ungovernable temper and that she was continuously nagging and cursing him without cause or provocation on the part of plaintiff. Among other things she accused him of living in adultery with other women; that he would have to be gone to his work and when he returned home she would not prepare his meals.

Wherefore, by reason of such conduct, the plaintiff prays the court that he be given judgment dissolving the marriage relations between plaintiff and defendant, and for all costs of suit.

Herein fail not, and have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in the city and county of Eastland, Texas, this 8th day of November, A. D. 1923.

(seal) ROY NUNNALLY, Clerk, District Courts, Eastland County.

CITATION BY PUBLICATION. THE STATE OF TEXAS.
 To the Sheriff or Any Constable of

Eastland County, Greeting:

You are hereby commanded to summon Monroe Truhitte by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, and 91st Judicial District, to appear at the next regular term of the 91st District Court of Eastland, on the first Monday in December, A. D. 1923, the same being the 3rd day of December, A. D. 1923, then and there to answer a petition filed in said Court on the 6th day of November, A. D. 1923, in a suit filed on the docket of said Court as No. 10,523, wherein Martha Truhitte is plaintiff and Monroe Truhitte is defendant, and said petition alleging that the plaintiff and defendant were lawfully married in Cossville, Missouri, May 22, 1904, and continued to live together as husband and wife until October 10th, 1922.

The plaintiff avers that defendant was guilty of excesses, cruel treatment and outrages toward her of such a nature as to render their living together insupportable. The defendant has on divers occasions addressed to plaintiff the most opprobrious epithets and threats of personal violence, and repeatedly threatened to take her life.

Wherefore, plaintiff prays the Court for judgment dissolving such marriage relations, for costs of suit, and for general and special relief, in law and equity, that she may be justly entitled to.

Herein fail not, and have before said Court, at its next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Eastland, this 9th day of November, A. D. 1923.

BEST WORKOUTS OF SEASON FOR THE RAMPAGERS

The Rampagers are going through the best workouts of the season this week. No less an authority on these matters than R. N. Sandlin, head coach of the Rampagers, made this statement Thursday.

Everyone is reporting for practice, unless given an excuse, Sandlin said, and this spirit has put new life into the team. The players are taking the attitude, it is said, that the best in them must come out for the Strawn game Thanksgiving day in justice to the athletic authorities of the two schools in arranging the game and as a mark of redemption for the Big Spring game Saturday.

Strawn, because of the small size of her school and the clean sportsmanship shown by the team, gained lots of fame while she was forcing her way to the Wichita Falls contest. To play this fine football team Thanksgiving day is a compliment, indeed, for the Ranger team.

There will be a pep rally next Tuesday morning at 8:45 o'clock in the school auditorium. Some of the players will need "pepping" up in their studies in order to play Turkey day. The second six weeks of school will terminate Nov. 29 and to be eligible for the game, they must show a certain percentage in their studies. Four or five of the regulars are reported to be near the border line. Application to studies the next seven days will bring them through, it is said.

SUNFLOWER SEEDS VALUABLE CROP IN 3 WESTERN STATES

By Associated Press.

WASHINGTON, Nov. 23.—Sunflower seeds, 14,000,000 pounds of them, worth almost three-quarters of a million dollars. That is this year's crop of the three important produc-tion states, Missouri, Illinois and California, according to the depart-ment of agriculture.

The yield this year is about 4,000-600 pounds more than last year. From four to six million pounds are imported annually, principally from Holland, Argentina and Russia.

"The poor man's peanuts" are what sunflower seeds are called in some sections. In New York City many Russians buy and roast them to eat. They are used principally though, in poultry feed mixtures and for parrot feed.

Kansas, the "Sunflower State," produces practically no sunflower seeds for commercial use but in the three principal producing states they are considered a profitable crop as about 600 pounds per acre can be produced and sold for around \$4 per 100 pounds.

PARK LOCATING BOARD TO VISIT DAVIS MOUNTAINS

BALMORHEA, Texas, Nov. 23.—Preparations have been completed for the reception of Governor Neff and members of the state park com-mittee recently created by the legis-lature. J. A. Heyman states that the locating committee will make the inspection of the Davis mountain park site by the way of Balmorhea, entering the Davis mountains from this town.

Among the members of the locat-ing board who have said they would visit Balmorhea are: D. E. Colp, San Antonio; W. C. Martin, Dallas; Mrs. Phebe K. Warner, Claude; Robert Key, Marshall, and Mrs. Jas. F. Wal-ter of Victoria. Under the law this committee has been especially au-thorized to consider the Davis mountains in Jeff Davis county as a possible premier location for one of the new state parks.

Two Golfers Turn In Score of 32 In A Midnight Match

MINERAL WELLS, Nov. 23.—Night golf, which made its debut during a tournament here recently, gives promise of becoming as popular as the day game.

Development of a luminous ball by local enthusiasts has made mid-night foursomes possible. Lights placed at strategic points make the course nearly as easy to negotiate as in the daytime.

Demonstrating the practicability of the night game, four holes were played in forty-five minutes and both players turned in scores of 32.

For those whose grandmother can't die every week or hate to brave a torrid sun, the game is expected to prove a boon.

HIGHWAY COMMISSION TO MAINTAIN GANGS TO PRESERVE ROADS

AUSTIN, Texas, Nov. 23.—The maintenance system of the state highway department will be known as the gang and patrol system, ac-cording to a recent bulletin sent out by the Texas highway association. Under this system, there will be a certain number of gangs that will operate the heavier equipment and these gangs will not be assigned to any certain section but will take care of the state highways as to ditches, shoulders and bridges, in any sec-tion to which they may be dis-patched.

The state has been divided into 16 divisions, with a division engineer in charge of both maintenance and construction in each. These divisions will have between 900 and 1,050 miles of highway to construct and maintain.

The present state highway system as finally adopted and approved contains about 16,000 miles of high-ways, of which probably not more than 5,000 miles are improved; with about 2,000 miles under construc-tion. This leaves about 9,000 miles of unimproved state highways to maintain.

The Texas state highway associa-tion has spent since the time it was organized about \$40,000 in a public-ity campaign in behalf of a con-nected, unified system of highways to be built and maintained in the state.

The association is now making a drive for new members. The mem-bership committee appointed to handle the drive is composed of L. W. Kemp, chairman, San Antonio; E. Eikel, New Braunfels; J. K. Dick-erson, Hallettsville; Charles E. Tom, Gonzales; Henry S. Gooch, Amarillo; G. R. Abney, Lufkin; B. P. Panas, Houston; Fred M. Percival, Rock-port; J. H. Briggs, San Antonio, and E. J. Herman, Dallas.

UNIVERSITY FRESHMEN WEAR GREENHORN PINS

AUSTIN, Nov. 23.—What are known as greenhorn pins are worn by members of the freshmen co-ed class at the University of Texas so that professors may be able to distinguish freshmen girls in their classes and offer all possible aid to first year students.

The organization of freshmen girls known as the Greenhorns originated under supervision of Miss Edna McDaniel, freshmen dean of women, and a cabinet of 16 members is in charge of affairs staged by the Greenhorns. An unusual spirit of co-operation has already developed among freshmen co-eds during the fall, according to Miss McDaniel.

The Chicago municipal authorities now require that electric wiring of all new apartments and one and two-family dwellings include convenience outlets in the dining room, kitchen and cellar.

ARMY AND NAVY CLASH SATURDAY AT POLO GROUNDS

NEW YORK, Nov. 23.—The annual Army-Navy football game, the twenty-sixth meeting, at the Polo grounds Saturday afternoon, will be watched with keen interest by football follow-ers from all parts of the country. Prominent government officials, high ranking officers of both Uncle Sam's services, and relatives and friends of the cadets and middies will make up the capacity crowd.

The cadets have suffered two de-feats, losing to Notre Dame, 13 to 0, and to the great Yale eleven, 31 to 10. The navy eleven has been beaten once, losing to Penn State, 21 to 3, and also tied Princeton, 3 to 3.

On their season's records to date army shows to an advantage in the offensive phase of the game, while navy holds a slight edge in defensive plays.

The cadets have rolled up a total of more than 200 points in games played thus far, with the 73 to 0 count against Lebanon Valley as the largest single contribution to this point total, whereas a half hundred points have been scored against them. The middies total is 155 points for, and 48 points against. The 61 to 0 victory over St. Xavier was the largest single contribution to the point total.

A review of army games discloses that the cadet attack has produced one or more touchdowns against all foes except Notre Dame. The mid-

dies did not score touchdowns against either Penn State or Princeton. The cadet defense however has yielded seven touchdowns and one field goal, whereas the middies defense has yielded six touchdowns and two field goals.

ABILENE, STEPHENVILLE COACHES ARE READY

STEPHENVILLE, Nov. 23.—The football teams of the Abilene and Stephenville high school will meet on Hayes field here this afternoon in a game which will decide the champion-ship of Section 3 in the Interscholastic league. Both coaches declare their men are ready for the game, but neither radiates a great deal of con-fidence.

The game is somewhat in the na-ture of an anti-climax to the Abilene players. Last week they won a game from Cisco which, it was thought, decided the section title. On the same day Stephenville upset expectations and defeated Comanche by a big score. The victory put Stephenville in a po-sition that made it imperative to schedule Friday's game.

ALL TICKETS FOR LONGHORN-AGGIE GAME ARE SOLD

COLLEGE STATION, Nov. 23.—The last ticket for a seat in the stands on Kyle field for the Thanksgiving football game was sold Thursday and applications for seats received later in the day were returned by James Sullivan, business manager of ath-letics.

He also had advices from L. Theo Belmont, business manager of ath-letics of the University of Texas, that there were no seats left in the uni-versity section.

CANARY BIRD SHOW WITH VARIED MUSICAL TRIMMINGS PLANNED

KANSAS CITY, Mo., Nov. 23.—The little known vocal accomplish-ments of the canary will be made manifest to the skeptical Dec. 27, when the International Canary show opens for a week at the Hotel Baltimore.

The show will continue five days and is expected to bring the largest display of trained Roller canaries ever exhibited, according to Alonzo B. Clark, vice president in charge of the convention bureau of the cham-ber of commerce.

Canary breeders pronounce the Roller canary the most versatile of all feathered musicians, according to Mrs. J. C. Altman, Kansas City, president of the local club.

Among the 13 distinct tours and rolls practiced by "educated Roller canaries," Mrs. Altman said, are

those designated as "bubbling water," "Glucke," "Koller," "bass," "water roll," and "hollow." The en-tire assortment will be demonstrated at the show, she added.

The International Roller Canary Breeders' association is scarcely two years old, but it has on its rolls more than 2,000 canary owners in 40 clubs in the United States alone. Entries for the show here will in-clude prominent breeders of Eng-land, Canada, Germany and the United States. It promises to be one of the most interesting educa-tional exhibits of the winter, Mr. Clark says.

DRAFT OF PROPOSED LIQUOR TREATY ARRIVES

WASHINGTON, Nov. 23.—The British draft of the proposed liquor treaty between the United States and Great Britain will be presented to the state department some time today, it is understood here. The draft proposed by the British government and instructions covering its presentation to Washington are said to have been received at the British embassy here.

During 1922 the electric railways of the United States paid \$92,000,000 in taxes. This was \$6,000,000 more than the net income of these roads.

Movie Beauties Use these powders—you will revel in them

By Edna Wallace Hopper

I have for years paid \$5 per box for my powders—to get the finest in ex-istence. So do most movie beauties. They must have the best.

I started to offer other women my aids to beauty and to youth. But I never thought of powders. I did not dream that such powders as I use could be supplied at modest prices.

But the makers have helped me out. They now supply me these powders under my name at a price which all can pay. I told them that women would use millions of boxes. So those who use my beauty helps may now get my powders, too.

None so exquisite These powders are supreme produc-tions, made for those who demand the best without regard to price. They are as fine as vapor, as harmless as dew, and fragrant with my favorite per-fume. Most of you have never seen such exquisite powders.

There are two kinds, light and heavy. I use a heavy cold cream powder, with a base like my Youth Cream. It clings and stays. But some like a powder light and fluffy, with-

out the cold cream base. So I had both kinds prepared.

Edna Wallace Hopper's Youth Cream Powder—the heavy, clinging powder—sells for \$1. Edna Wallace Hopper's Face Powder—the light and fluffy powder—sells for 50 cents. Both come in three shades—white, flesh and brunette.

Supplied by all druggists and toilet counters. They also supply my Youth Cream, based on fruits. My Facial Youth—my famous liquid cleanser. My Hair Youth, which brought my luxuriant hair. And my White Youth Clay—the utmost in a facial clay. Those are the creations which made me a beauty, and which keep me a beauty at my grand old age. My Beauty Book comes with each.

If you want a matchless powder, go ask for a box of mine. If you want more beauty or perennial youth, the very ways which brought them to me are at your command. Edna Wallace Hopper. Business address, Waukesha, Wis.

Note—Miss Hopper is now playing the Pantages Vaudeville circuit of the Western States.

Don't Let It Slip Through Your Hands

Of course money doesn't grow on trees, but if it did, you wouldn't stand smiling as it fell through your fingers.

You'd have your hat off catching it—or a wheelbarrow. The point is, that when we work hard for our money, we should think hard before spending it.

It Is Good Values Not Good Luck That Fills This Store To Capacity

You should have seen our store at closing time last night. Looked as if a cyclone had been through it, in spite of what the "apostles of bloof," "calamity howlers" and "crepe hangers" predicted about business. We have had the biggest business this store ever saw.

We are exceedingly thankful for the big results that we are obtaining and we are going to make somebody else just as joyful.

It proves conclusively that people are anxious and willing to buy good merchandise when swollen profits have been eliminated.

If you have not attended this sale, it will be to your advantage to do so at once, because we are making drives in prices that are worthy the attention of all.
