NEW ORLEANS, Oct. 24.-War on the South's greatest crop menace, the cotton boll weevil, was opened here today by financial and agricultural interests working together.

In cotton growing states, the pest, according to the New Orleans Cotton exchange, has cost the farmers more than one billion dollars within the last few years. The convention is being attended by delegates from all parts of the country, intent on waging a fight on the boll weevil.

Harry D. Wilson, Louisiana's com missioner of agriculture, is presiding over the sessions. Today was occupied with reports by committees and individuals on the weevil situation. Many have plans worked out to fight

Organization in Eastland to Serve Buffet Luncheon and Enjoy Smoker and Speeches Tonight; Ranger Members Invited; Lionel W. Bevan of Fort Worth to Speak.

The Retail Merchants' association of Eastland has planned a buffet luncheon and smoker for tonight in the Eastland Elks club rooms, and members of the Ranger Retail Merchants' association have been invited to attend. The event is to mark the success of the movement in Eastland and the recent addi-

tion of many new members.

Lionel W. Bevan of Fort Worth, a leading retail merchant of that city and president of the Retail Credit Men of Texas, was expected early this afternoon, having promised to attend and speak on the work of the organization. He is one of

the most active members of the Retail Merchants' association in Fort Worth and has been instrumental in its progress.

Some local speakers also will be heard, besides there will be a short program of entertainment. James Smith, the son of J. C. Smith of Ranger, is to give a reading.

Karl Jones, secretary of the Retail Merchants' association, has been working with the business people of Eastland to make this event a big success that it may mark the beginning of renewed business activity in the

## "Bootleg" Gasoline Is NEW Sold In Ranger Texas Officer Says Way

Charges that two gasoline stations in Ranger are telling buyers of gasoline at their station's that they are selling a standard gasoline, when in fact it is "bootleg" gasoline, were made in a statement by F. B. Elliot, sales manager for the Texas Oil

company, for the Ranger district. Elliot said he wished to make his statement public as he had read in the Daily Times general accusations of this nature against, some filling stations. He said he was doing it not only to protect the reputation of his company's gasoline, but also to warn the public that fraud is practiced openly here.

"Two filling stations are telling customers they are using Texaco gasoline," he said. "They are not and I have proof that kerosene mixed with casinghead is being sold at these stations." Elliott said the proof of his charges "came" to him and that

he didnt' gather it himself.

The public can protect itself against this fraud, he said, by looking for the sign of a standard gasoline company at the station. "Every man handling our gas has a sign, the red star, with

Democrats in Congress, However, Experienced and Stronger Than Ever.

WASHINGTON, Oct. 24.—The reguar Republican organization in the house of representatives will find itself somewhat handicapped at the coming session by reason of a scarcity of members experienced in floor combat and the more intimate

details of parliamentary procedure. Death and retirement, both voluntary and involuntary, has removed almost the entire group of men that in the recent session stood as a bulwark against a strong minority.

Democrats, however, will have all their old leaders back, and their strength augmented by the return to the house from Tennessee of Cordell Hall, chairman of the Democratic national committee.

Garner of Texas is at his best in a ough and tumble debate and the ever-alert Blanton of Texas is dependable. In the senate there is a fairly equal division of experienced leaders of both the dominant parties.

## Longhorns Warned They Must Not Be Over-Confident

By MOULTON COBB

AUSTIN, Tex., Oct. 24.—Forgetting about their decisive and clean-cut 16 to 0 victory over Vanderbilt university in Dallas last Saturday, Longhorn coaches "Doc" Stewart and Charles Seddon, are training their players as intensively as ever for the remaining games of the season.

"I hope the Vanderbilt victory will not ruin the rest of the season for us," Coach Stewart told his players after the Dallas game. "Over\_confidence causes the downfall of more football teams than anything else. We Plants Not Large must use that game only as a stepping stone and as an inspiration to work even harder in the future," stated the head Longhorn coach.

It is generally agreed that overconfidence to a large extent denied the Longhorns victories over Texas A. & M. in 1921 and 1922.

The Longhorns will encounter Coach Gardner's scrapping Southwestern Pirates on Clark Field in Austin Saturday. The locals are not anticithis season. This game will be the first time in three weeks that the Longhorns have appeared in Austin.

## Secret Practice Session at City Park This Evening

Eastland students and faculty are planning to make the Eastland-Ranger High school game Friday at Connellee park, Eastland, the outstanding game of the season in this county, according to a story in the Oil Belt News yesterday.

"From comparisons," says the writer of the article, "which are never reliable, it looks like Eastland might have a little margin.

Coach Sandlin of the Ranger Hi team said he realizes that Eastland will give Ranger as hard a battle Friday as Breckenridge did last Friday. "My boys will fight for every inch of ground," he said today. "We are going over to win but we know it will be a difficult job."

Coach Marshall will post guards at the city athletic park this evening to keep everyone out of the park except the players and coaches. Scouts from Cisco and Eastland are reported in the city and it was decided to hold a secret practice session this evening.

All of the boys are feeling fine. Carl Althausen had his nose rudely jarred last evening, but he will come through all right, Sandlin said this morning.

## ROBS CALOMEL OF NAUSEA AND DANGER

Medical Virtues Retained and Improved-Dangerous and Sickening Qualities Removed. Perfected New Tablet Called "Calotab."

The latest triumph of modern science is a "de-nauseated" calomel tablet known by the drug trade as "Calotabs." Calomel, the most generally useful of all medicines thus enters upon a wider field of popularity-purified and refined from those objectionable qualities which have heretofore limited its use.

In biliousness, constipation, headaches and indigestion, and in a great variety of liver, stomach and kidney troubles calomel was the most successful remedy, but its use was often neglected on account of its sickening qualities. Now it is the easiest and most pleasant of medicines to take. One Calotab at bedtime with a swallow of water,-that's all. No taste, no griping, no nausea, no salts. A good night's sleep and the next morning and are feeling fine, with a clean liver, a purified system and a big appetite. Eat what you please.

No danger. Calotabs are sold only in original, sealed packages, price thirty-five cents for the large, family package; ten cents for the small, trial size. Your druggist is authorized to refund the price as a guarantee that you will be thoroughly delighted with Calotabs.—Advertisement.

## There's More Than Style to "SURE-FIT"

There's a comfort such as no other cap can give. No other has the strap-and-buckle that makes "Sure-Fit" loose or tight as you prefer.

Which is why "Sure-Fit" is called "the world's most comfortable cap." It is worth looking at. See it in the new Fall styles.

when I explained how necessary it was to SAY IT ALL—"Kellogg's Corn Flakes"-to actually get Kellogg's Corn Flakes!

To-day Kellogg's Corn Flakes are in more Texas homes than ever before—a delight, a treat for everyone in the family!

Kellogg's Corn Flakes lead all ready-to-eat cereals in national sales because they are so extradelicious in flavor, so extra-crisp, so extra-substantial! They're wonderful—particularly right now—and you'll say it!

# Playing House

T'S like playing house to a mother whose children A are robust and healthy. She escapes the greatest worries of parenthood. Her thriving youngsters are

Nourishing, energizing food is largely the secret of a child's ruddy health. And every mother should know the elements in food which create energy and build strength. The food element, Dextrose, for example, is one of Nature's most important gifts. It supplies the "fuel" of the body and puts vitality into the blood and tissue cells.

A large percentage of Dextrose is contained in delicious Karo. It is this that makes Karo such a wonderful food for growing children. Serve them all the Karo they want. Both Blue Label and Red Label Karo are equally valuable in genuine nutritive elements.

VOU could not live long without Dextrose. The starch and sugar in all food you eat - bread, vegetables, potatoes-must be changed into Dextrose before your system can use it as an energy food.

FREE-A booklet about Dextrose every mother should read. Explains why children thrive on Dextrose. Sent free with beautifully illustrated 64 page Cook Book. Write Kingsbury Brokerage Co., 309 N. Preston St., Dallas, Tex.
