Babe Ruth Tournament Scheduled

Eight Games To Be Played During Week

The West Texas District Two Babe Ruth Tournament will be held in Muleshoe July 10-15 at the Babe Ruth Park on South Main Street.

Teams participating will be around **muleshoe** with the journal staff

Donna Woodard of Muleshoe was one of more than 130 Texas high school graduates named as recipients of scholarships, by the University of Texas interscholastic League.

Approximately \$180,000 in scholarships ranging from \$500 for one year to \$4,000 for four years has been distributed by the foundation for the 1972-73 academic year.

Many of the scholarships are to be used at the Texas college or university of the recipient's choice. Others are designated for use at specified institutions. All scholarships must be used in Texas however.

Miss Woodard received a \$750 Clark Foundation scholarship.

Miss Mariet Lamb of Los Angeles, Calif., is visiting her brother, Gilbert Lamb, and her niece, Mrs. Jack Rennels, in Muleshoe. Miss Lamb and Mr. and Mrs. Rennels vacationed last week in Santa Fe, Taos and Albuquerque, N.M.

Muleshoe, Olton, Littlefield, Dimmitt and Plainview. There will be eight games played at 6 and 8:30 p.m. each night except Thursday and Friday when games will be played at 8:30 p.m. only.

Tournament Director will be Harold White and District Director will be Gene Trotter of Olton.

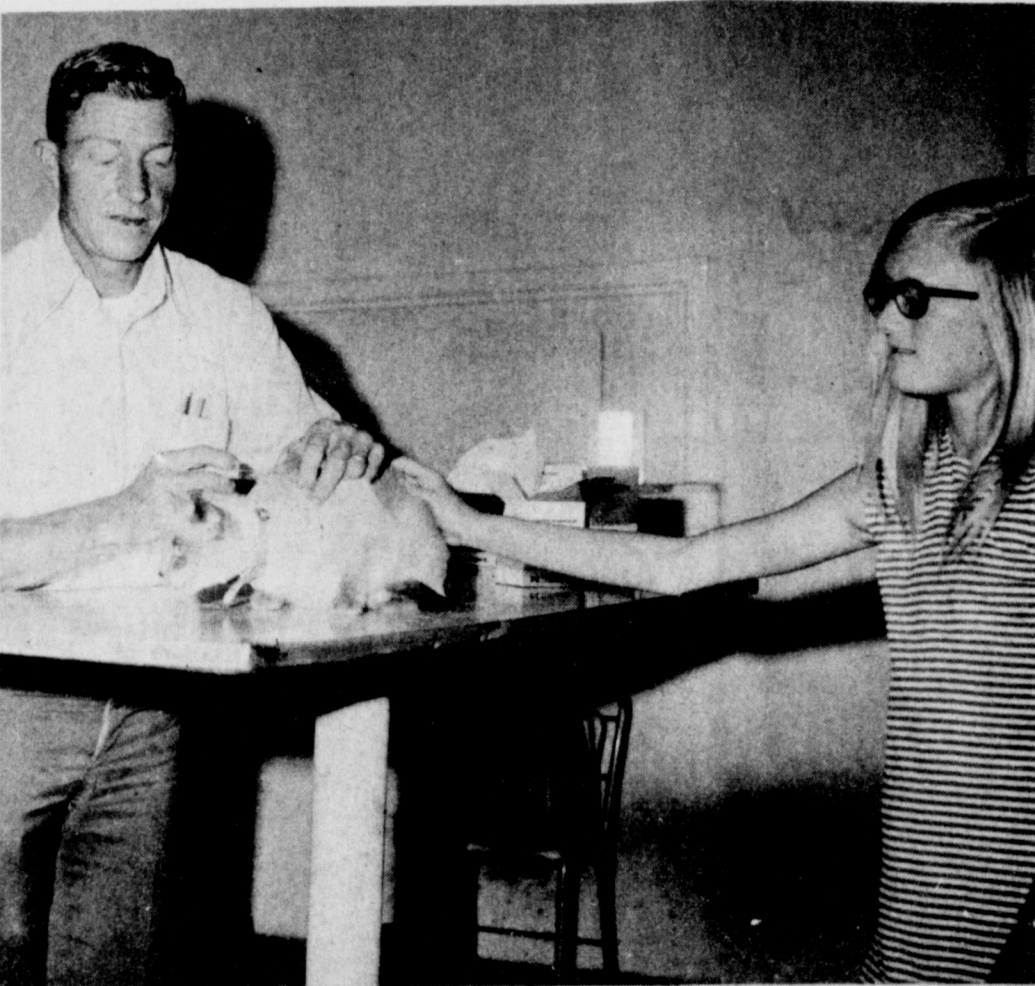

On Wednesday, Thursday and Friday, the 13 year old Babe Ruth players will have their tournament. Games will be played at 3:30 p.m. on Wednesday and at 6 p.m. on Thursday and Friday.

Teams participating will be Muleshoe, Dimmitt, Plainview, and Littlefield.

SBA To Make Economic Injury Disaster Loans

The Small Business Administration is prepared to make Economic Injury Disaster Loans to aid small business firms suffering substantial economic injury due to the effect of the prolonged drought and other natural disasters on farmers in most counties of Texas.

Fred S. Neumann, SBA Regional Director in Dallas, said that the drought and other natural disaster areas as officially designated by the U.S. Department of Agriculture include 243 counties in Texas. All counties in Texas have been designated with the following exceptions: Camp, Cass, Franklin, Cont. on Page 3, col. 3

RABIES CLINIC...Dr. Jerry Gleason is pictured as he vaccinated a pet cat Thursday at the Rabies Clinic held at the fire station in Muleshoe. Pets were inoculated and given city tags by the veterinarian. This was the second clinic this year to be held here and quite a few dogs and cats were brought in Thursday to be vaccinated by Gleason.

Film To Be Presented Here By First Baptist Church

"For Pete's Sake!", a film credited as "unique in its capacity to reach out to meet the problems of people," will be shown on Monday, July 10, at First Baptist Church, 220 West Avenue E.

The full-length comedy-drama, filmed in brilliant Eastmancolor by World Wide Pictures, will be shown once beginning at 8:30 p.m., and is open to the public at no admission charge.

Filmed entirely on location in Denver and the Colorado Rockies, "For Pete's Sake!" is the story of Pete Harper, a family man and service station owner, who is knocked flat by unexpected problems, but finds the strength to stand up again, to face life anew.

"For Pete's Sake!" has been seen nationwide by over three million persons in theatre premieres, and has been cited by one film critic as "the perfect mixture-it's drama at its boldest, comedy at its liveliest, and action at its liveliest. 'For Pete's Sake!' is a family film, not only because it is good family entertainment, but because through its storyline, families can see and feel exactly what is needed to develop deeper understanding and build stronger ties."

"For Pete's Sake!" stars Robert Sampson, who also starred in World Wide's "The Restless Ones." Pippa Scott, as Pete's wife, Marge, is well-known for her Broadway appearances and numerous television roles. John Mildord and Sam Groom are both familiar to television audiences.

Other featured players include Johnny Jensen as Pete's son, Irene Tedrow as Grandma Harper, and Nicolas Surovy as Skip, the leader of a motorcycle gang. A welcome has been extended to all families of the community by First Baptist Church, who has made arrangements for this special showing of "For Pete's Sake!"

Social Security Will Raise Benefits 20 %

Social Security beneficiaries need not apply for the 20 per cent benefit increase signed into law by President Nixon on July 1. Social Security District Manager John G. Hutton reports that all Social Security beneficiaries who are on the benefit rolls in September will receive the increase automatically.

The increase is effective beginning the payments for the month of September. The average monthly benefit for a retired worker goes up from \$134 to \$162; for a retired couple from \$224 to about \$271. A widowed mother with two children will receive an average Social Security benefit of about \$386, up from \$322. For a disabled worker with a wife and one or more children, the new average monthly payment will be about \$354, increased from \$295. The special monthly payments that are made to certain individuals age 72 and over who are not insured for regular Social Security benefits will also be increased by 20 percent from \$48.30 to \$58.00 for an individual and from \$72.50 to \$87.00 for a couple. The new law also includes a provision for automatic annual increases in Social Security benefits as the cost of living rises in the future—a recommendation made by President Nixon in his 1969 message on Social Security.

Under the new law the contribution and benefit base, the maximum amount of annual earnings that are counted for benefit and contribution purposes will rise from the present \$9,000 a year to \$10,800 in 1973 and to \$12,000 in 1974. Thereafter, this amount would be adjusted automatically to keep pace with rising wages.

This means that as earnings Cont. on Page 3, col. 7

New Church Facilities To Be Dedicated

The dedication of the newly renovated facilities of the Muleshoe First Baptist Church will be held during the morning worship services Sunday, July 9, at 11 a.m. Rev. A.W. Blaine will be the speaker.

At 3 p.m. Sunday, the Allison Ray Precure Memorial Building at the Muleshoe Area Goodwill Center will be dedicated. Dr. Strauss Atkinson will be the speaker.

Local Kids Attend 4-H Electric Camp

Some 120 4-H boys and girls from 14 South Plains counties will be heading for Cloudcroft, N.M. on Monday, July 10, for a fun-filled week of recreation and leadership training in electricity at Scott Able 4-H Camp.

Those attending from Bailey County will be Pam Vinson, Joie Carpenter, Connie Floyd, Belinda Throckmorton, Terry Wheeler, Larry Vinson, John Gunter III, and Jimmy Wedel.

Also attending from Bailey County will be two District Council Delegates, Paul Harbin and Laverne Carpenter. Leaders attending will be Mrs. Jimmy Carpenter and County Agent Spencer Tanksley.

The camp is sponsored annually by Southwestern Public Service Company. Company representatives will give instruction on lighting, house plan wiring, space age cooling and an electrical craft activity. Instructional material

Vegetable Harvests Now Underway Here

Compared to other surrounding counties, Bailey County is still in an excellent agriculture position, according to the County Agriculture Agent, Spencer Tanksley.

All crops are looking good now with 100 per cent of the crops planted.

There was some hail damage reported during the last seige of weather around the West Camp area and in the south part of the county near Maple. There were more reports of complete hailouts near the Lamb County line near Sudan. On into Lamb County there was also severe hail damage reported.

Farmers here are waiting for the fields to dry up so they can start cultivating and hoeing. Irrigation wells will be starting up again now with crops needing more moisture.

The crop situation is looking real good in this area, Tanksley reports, and is now in the tending and silk stage. This stage does require lots of water so irrigation wells are pumping. Farmers are still hoping for a bumper corn crop this year.

Although the cool, damp weather set the cotton crops back just a little, some hot, dry days will bring the crops out of the slump and go ahead and mature rapidly.

The vegetable situation is picking up now. The potato shed in Muleshoe is open and digging is in progress here and in surrounding Farmer, Deaf Smith and Lamb Counties.

The earliest cucumber harvest reported in many years is now underway in this area.

On a whole, the vegetable crops are doing fine with the harvest of some of the crops now underway. Tomatoes, bell peppers are progressing well.

Another agricultural situation, livestock, is also doing well in this county with the cattle and hog markets coming a-long well. The ranges are looking good with quite a few cattle on ranges this year.

The screwworm is still a problem and will probably continue until the first freeze. All in all, the Bailey County agriculture outlook is in excellent shape at this time.

Cholera Cases Continue On South Plains

Hog Cholera, once thought eliminated from the High Plains of Texas, has again gained a foothold--this time in the South Plains counties of Dawson, Terry and Mitchell. These three counties are now under state and federal quarantine, and there is a possibility that a Cont. on Page 3, col. 1

Smith Reports On Jaycee Convention

The Muleshoe Jaycees met Monday for its regular noon meeting at the XIT Steak House with Max King, president, in charge of the meeting. Chaplain Bill Dale gave the invocation followed by the Pledge of Allegiance led by Larry Combs and the Jaycee Creed led by Jim Crawford. Secretary Jim Tucker read the minutes and Treasurer Gene McGuire gave his report.

A report on the ride-in, Clifford Black, Joel Young reported on the Blood Drive to be held in Muleshoe at the First Baptist Church on Wednesday, July 12. People who have blood donor cards were asked to turn them in to Paul Wilbanks at Western Drug.

Derrell Olivar gave a report on work being done on the Miss Muleshoe Pageant scheduled to be held in Muleshoe on August single and have never been married are eligible to enter. Mac Brown reported that the Ruidoso retreat dates had been set for August 11, 12 and 13.

Max King reported that the Donkey Baseball game had been scheduled for August 1 here in Muleshoe.

The chairman of the Regional Visitation, John Blackwell, reported that things were shaping up for the Visitation to be held here on July 22.

Jeff Smith gave a report on the Jaycee National Convention he attended in Atlanta. He reported that 20,000 United States Cont. on Page 3, col. 1

Boys From State School Visit Farm

Mr. and Mrs. Herbert Nash hosted around 20 boys from the Lubbock State School Friday, June 30, when they visited their farm. The boys arrived at 11 a.m. and were served lunch and the evening meal by Mrs. Nash. The boys ranged in age from eight to 20.

Jaycees To Sponsor Blood Drive Here

The Muleshoe Jaycees will sponsor a Community Blood Bank Drive Wednesday, July 12, from 10 a.m. until 4 p.m. at the First Baptist Church.

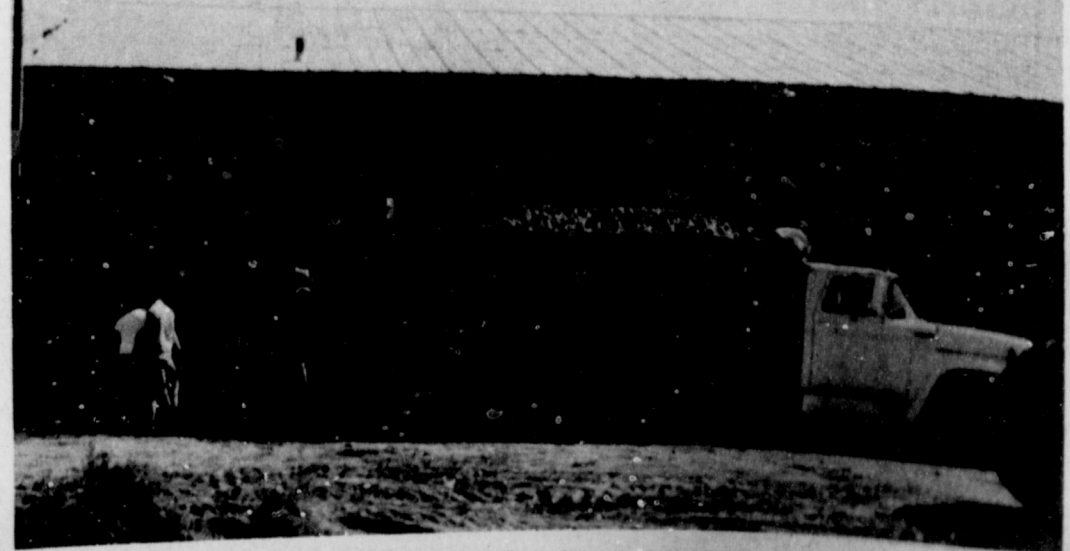

In general, adults who are in good health can give blood. Blood Services screen all donors, and the following general requirements will apply: You must be between the ages of 18 and 65, but if between 18 and 21, will need a parental or guardian written consent; you must weigh over 110 pounds; but not be excessively overweight; can't be excessively overweight; can't give more often than eight weeks or more than five times a year; if engaged in a hazardous occupation, you can not return to it for 12 hours following your donation. Flight crews can not return to duty

for 72 hours following donation. Donors should eat within 12 hours prior to giving, but should avoid fatty foods or dairy products for four hours prior to giving. Donors who have been in Viet Nam in the past two years can not give. The blood donation will be a bit under one pint and your body contains about 12 pints and is constantly producing new blood. Actually, the body has a complete turnover of red blood cells every 120 days and it replaces the volume of a donated pint very rapidly, within 24 hours, and the red blood cells within a few weeks.

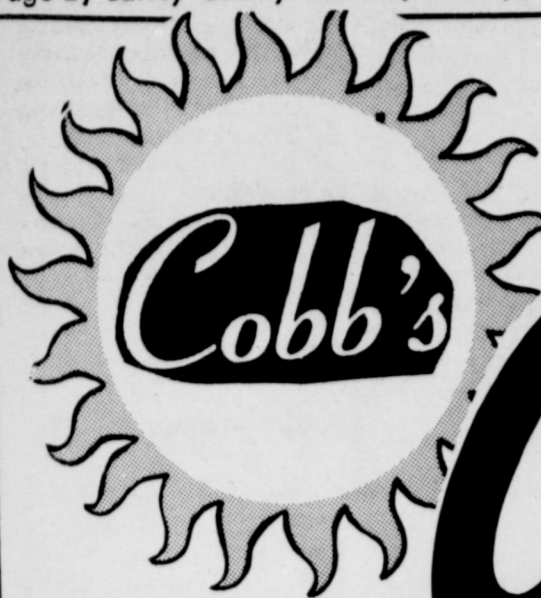

For more information, call Paul Wilbanks, 272-3571; Joel Young, 272-3279; or any Jaycee if you are willing to donate blood.

NEW LOCATION SITE BEING CLEARED...The new location for Muleshoe Motor Company on West American Blvd. is now in the stag of being cleared. The old Ruth's Drive-In is shown as it is being hauled away. After initial clearing of the area, construction will begin on the new buildings. Old buildings at the crossroads location are also in the process of being torn down making ready for the new bank site in that location.

POTATO HARVEST UNDERWAY HERE...With the potato shed in Muleshoe open now, the potato harvest is in full swing with loads of potatoes being shipped out each day. Digging is in progress in Bailey County and in Farmer and Deaf Smith Counties at the present time. Other vegetables are also ready for harvest now, including cucumbers. This is one of the earliest cucumber harvests on record in this area. Tomato and bell pepper harvests are not far off now.

were given work-training and employment under Operation Mainstream. These people contribute in this way to the betterment and beautification of the communities or areas they serve.

Public Service Careers (PSC) was authorized 1,700 training slots last federal fiscal year. This program prepares unemployed, low-income adults for career jobs in public service, sub-professional personnel with either federal, state or local public agencies, or private nonprofit organization.

The Work Incentive Program (WIN) was authorized 800 training slots. These went to recipients of Aid to Families with Dependent Children, who are voluntarily referred to TEC by the Department of Public Welfare. TEC also refers applicants to the Job Corps and the Concentrated Employment Program, but these trainees are not included in the 57,400 yearly total, for sound statistical reasons.

Training in 1971 extended to the inmates of correctional institutions in Texas. At Huntsville, 280 trainees received instruction, and at the Bexar County (San Antonio) jail 60 trainees received training in the hope that released inmates will have a job skill.

The specialist reminds producers that susceptible hogs get cholera by direct contact with infected hogs or with contaminated premises, vehicles, stockyards, and sale barns. Other means of transmission are contaminated boots, clothing and raw garbage. One of the chief reservoirs of the virus is the infected hog. This animal is, in effect, a virus "factory."

Hollis relates that state and federal animal health officials feel that the outbreak on the South Plains may have originated from what is known as the "pregnant sow syndrome." This is where the sow is a carrier of the virus, shows no symptoms of the disease, but transmits it to her pigs upon birth or to other swine. The sow can become a carrier by having been exposed to other contaminated animals or premises. Sick hogs should be inspected by a veterinarian or a state or federal animal health official emphasizes the specialist. Producers cannot collect indemnities on animals that die from hog cholera unless the animals have previously been inspected.

were given work-training and employment under Operation Mainstream. These people contribute in this way to the betterment and beautification of the communities or areas they serve.

Public Service Careers (PSC) was authorized 1,700 training slots last federal fiscal year. This program prepares unemployed, low-income adults for career jobs in public service, sub-professional personnel with either federal, state or local public agencies, or private nonprofit organization.

The Work Incentive Program (WIN) was authorized 800 training slots. These went to recipients of Aid to Families with Dependent Children, who are voluntarily referred to TEC by the Department of Public Welfare. TEC also refers applicants to the Job Corps and the Concentrated Employment Program, but these trainees are not included in the 57,400 yearly total, for sound statistical reasons.

Training in 1971 extended to the inmates of correctional institutions in Texas. At Huntsville, 280 trainees received instruction, and at the Bexar County (San Antonio) jail 60 trainees received training in the hope that released inmates will have a job skill.

Economic Stabilization

Questions and Answers

This column of questions and answers on the President's Economic Stabilization Program is provided by the local office of the U.S. Internal Revenue Service and is published as a public service. The column answers questions most frequently asked about wages and prices.

Q. Is it true that the Pay Board's exception for catch-up increases is scheduled to expire?

A. The catch-up exception will expire June 30, 1972. However, for those appropriate employee units where average straight-time pay rates, including benefits such as vacation and overtime, is \$3.00 per hour or less, the catch-up exception will expire on November 13, 1972.

Q. I understand that my landlord must determine the base rent for my apartment before increasing rent. How can I figure out the base rent on my

own? A. The base rent for a unit subject to a month-to-month (or less) lease before the freeze is the last rent paid for that unit before that freeze. For example, if you pay your rent on the first of each month, your base rent is your August, 1971 rent.

Q. If you were on a lease for more than month-to-month on Aug. 14, 1971, your base rent is determined by one of the following ways:

If you signed the lease between May 16 and Aug. 14, 1971 your base rent is the monthly rent called for in that lease;

If you signed the lease on or before May 15, 1971 your base rent is the rent stated in the lease plus the average percentage increase charged by the landlord for other units having leases signed between July 16,

1971 and August 14, 1971. If no leases were signed during this period, the landlord must use the leases signed during the preceding 30-day period, and if necessary leases signed in the 30-days prior to that.

If no leases were signed in the 90 days before the freeze, your base rent is the rent for your unit on May 25, 1970, plus 5 percent, or the rent immediately before August 14, 1971 whichever is higher.

Q. My landlord charges a fee for automobile parking spaces. Is this considered rent under stabilization regulations?

A. It is considered rent if the parking space is used in connection with your residence. If not so used, however, it is not considered rent. In the latter instance, this kind of activity would be considered a service and your landlord would be subject to the price controls on service industries, unless exempt from controls because of the small business exemption.

Q. Do service organizations have to post their base prices? A. No. Service organizations do not have to post base prices or base price information. The re-

quirement to post base prices applies to retailers. Though many types of service organizations, such as dry cleaners or TV-repair shops are located in street-level stores, they are not retailers as that term is used in the price regulations. To be considered a retailer, a business must purchase a product and, without substantially changing its form, resell it to the ultimate consumer.

Service organizations, if they

are not exempt from controls because of the small business exemption, must maintain base price records for inspection by the Internal Revenue Service. For more information on the price controls on service organizations, see IRS Publication S-3017. It's available free by dropping a postcard to your IRS district office.

MRS. WARREN A. GIVENS, the former Susan Marie Wood

Miss Woods, Givens Wed In Candlelight Service

Miss Susan Marie Wood and Warren A. Givens were united in marriage in a ceremony performed at the First United Methodist Church on July 8 at 7:30 p.m. Rev. Glen Harlin read the double ring vows. Parents of the bride are Mr. and Mrs. Jack L. Wood of Muleshoe, and the groom's parents are Warren G. Givens of Muleshoe and Ina Givens of Shreveport, La.

The couple stood before an altar centered with two spiral candelabra holding hand dipped lavender tapers, flanked by candelabra holding matching tapers. The focal point of the setting was the lavender memory candle surrounded by blue flowers and English ivy.

Musical selections were provided by Linda Middlebrooks, organist, and Kathy Schuster, flutist. Ann Douglass, soloist, sang "Color My World" and "The Wedding Song." Donna Woodard read a poem from an Apache ceremony.

Mrs. Mickey Hogan of Ft. Worth served as matron of honor. Bridesmaids were Mrs. O.G. Rippey of Amarillo, sister of the groom, Mrs. Donnie Wheat of Muleshoe, and Brenda Zukoski of Lorenzo.

The attendants were attired in Empire style gowns of modern lavender, blue and white plaid seersucker, featuring halter tops and bows at the back of the Empire waists. Large ruffles finished the hemlines of the skirts. They each wore a Juliet cap with large side-tying bow and carried a cascade of rainbow colored flowers.

Candlelighters were Vanda Spurgeon of Muleshoe and Phillip Barron of Canyon, brother of the bride. Flower girl was Donna Howard and ring bearer was Donald Howard. Miss Spurgeon and Miss Howard wore floor length dresses of lavender and white plaid seersucker, scattered with blue embroidered flowers. The dresses were styled with high necklines, short sleeves, and ruffles overlapping the shoulders.

Best man was Gary Harris of Muleshoe. Groomsman were O.G. Rippey of Amarillo, brother-in-law of the groom, Joe LaRue of Dimmitt and Danny McNeil of Vernon.

Greg Wood of Eagle Pass, brother of the bride, Philip Barron, Kevin Tucker of Muleshoe and Randy Burrows of Muleshoe were ushers.

The bride, escorted and given in marriage by her father, wore a formal gown of white imported voile with a fitted smocked bodice, and a full gathered skirt trimmed in rows of smocking and lace and scattered with Swiss schiffli motifs. The gown featured sheer gathered sleeves ending in smocked cuffs buttoned with pearl buttons. Her veil, attached to a Juliet cap, was edged in alencon lace and scattered with the schiffli motifs. It ended in a cathedral length train.

A reception followed the ceremony in the fellowship hall of the Church. The cross shaped tables were covered with a white net cloth over white. The centerpiece was a candelabra holding lavender tapers, entwined with rainbow colored flowers and English ivy which trailed down the center of each of the four tables. The three tiered wedding cake was decorated with lavender and blue icing flowers and wedding bells. The second tier was topped with doves and a large cupid surrounded by a pearl heart. The top tier, supported by doves, was topped with columns surrounded by flowers of blue and lavender. Miniature groomsmen and bridesmaids were stood on a stairway descending down each side of the cake. The chocolate groom's cake was decorated with silver "good luck" horseshoes and white peace doves. Cake, punch and coffee were served from crystal and silver appointments by Marilyn Pool, Mrs. Bill Bruns and Mrs. L.S. Aylesworth.

Guests were registered by Shelley Bray.

For travel to Ft. Worth, Dallas and Arlington, the bride chose a pink and orchid plaid hot pants with matching orchid blouse.

The couple will be at home in San Antonio after August 1.

The bride, a 1971 graduate of Muleshoe High School, attended Texas Tech University and is a graduate of the Keyponch School of Lubbock.

Givens, a 1968 graduate of Muleshoe High School, received a junior drafting degree from South Plains Junior College.

Out of town guests included Mrs. J.P. Isaacs, Mrs. Orlene Williams and Mr. and Mrs. Aaron Isaacs and family.

A rehearsal dinner was hosted by the groom's father Friday evening at the XIT Steak House.

The bridesmaid luncheon was held at Leal's Restaurant on Saturday, July 8.

4-H Records Due July 24

Attention, 4-H'ers! Mrs. Robin Taylor, county home demonstration agent, announces that record books are due in the agent's office on Monday, July 24. Mrs. Taylor stated that invitations to the achievement banquet will be issued only to 4-H members turning in a record book and that the county achievement awards will be selected from those turning in record books.

Muleshoe Eastern Star Holds Stated Meeting

Mr. and Mrs. Owen Jones, Worthy Matron and Worthy Patron, presided at the Stated Meeting of Muleshoe Chapter No. 792, Order of the Eastern Star, Tuesday evening, July 4, in Masonic Hall.

Mrs. Raymond Treider Jr. was installed as the Star Point of Ruth.

Birthdays recognized were Mrs. Charles Mayhugh and Wayne Williams. The Worthy Matron presented Birthday cards and the group sang "Happy Birthday."

Invitations were received from Mr. and Mrs. Frederick Herrin to a tea honoring Mrs. Lois Bell, Fraternal Correspondent, July 23 in Austin, and to a "Garden of Love" banquet honoring Mrs. Thelma Joyce Alsop, Grand Conduress, August 12 in Houston.

The Charter was draped and a short Memorial held for Mrs. Inez Kennedy, a member of Muleshoe Chapter since June 20, 1947. Mrs. Kennedy was musician for the Chapter for several years and was honored with a Life Membership on March 4, 1969.

At the close of the meeting, refreshments were served from a table decorated with Patriotic motif, with small, silk flags as favors. Hostesses were Mrs. Virgil Nowell, Mrs. Willie Strong and Mrs. John Farley.

Fondue is the newest food craze. It's fun and nourishing. Cheese fondue means easy, casual entertaining. Serve unusual "dippers" such as raw fruits—apples, pears and pineapple—and favorite raw vegetables—carrots, green peppers and cauliflower flowerettes.

MISS CATHY MARDIS

Gift Coffee Honors Miss Cathy Mardis

Miss Cathy Mardis, the bride-elect of Tommy Taylor, was honored with a gift coffee Friday morning, July 7, in the home of Mrs. Ben Gramling. Receiving guests were Mrs. Gramling, the honoree; her mother, Mrs. Fred Mardis; and her prospective mother-in-law, Mrs. A.G. Taylor.

Hobby Club Displays Items

The Muleshoe Hobby Club met Thursday, July 6, in the community room of the Muleshoe State Bank with Levina Pitts and Mabel Caldwell as hostesses.

The hostess gift was drawn by Euna Maye Oswald. Eleven members participated in the display in the community room of the Muleshoe State Bank on July 4. One hundred seventy nine guests signed the register during the day.

Members attending and bringing displays to the Thursday meeting were Mabel Caldwell, antique celluloid dresser set, folding antique drinking cup, and a bead spider; Levina Pitts, a peacock made from meat trays and egg cartons; and Alie Barbour, a bottle rack.

Other members attending were Hallie Briscoe, Ethel Julian, Eva Dell Gillis, Euna Maye Oswald, Verna Dement, Juanita Snow, Ola Pesch, Myrtle Well and Dellie DeLoach. One visitor, Sena Stevens, brought a rock and sand display.

The next meeting of the Hobby Club will be July 20 with Myrtle Chambliss as hostess.

Guests were registered by Mrs. Johnny St. Clair. Out of town guests included Mrs. Leland Calvert and Ashley and Mrs. A.A. Porter, all of Big Spring, and Mrs. Joe Sowder of Goodland.

The serving table was covered with a white net felt applied net cloth over white. Hot and pale pink streamers, draped over and extending from the chandelier above the table, were anchored to the cloth with hot and pale pink ribbon and white net bows, each centered with a pink baby mum. The ribbon canopy covered a variegated pink candle on a gold pedestal base which was surrounded by a flower ring of hot pink asters, pale pink carnations, china berry heather and baby's breath. A fruit plate centered with a fresh pineapple completed the table decor. Assorted fruit breads, coffee and hot spiced tea were served from china and silver appointments. Mrs. Tony Young and Karen Mayhugh presided at the serving table.

Gifts were shown by Diane Crawford.

The hostess gift was a set of Country Harvest porcelainized steel cookware.

Hostesses for the occasion were Mrs. Roy N. Wrinkle, Mrs. Bill Loyd, Mrs. Tom Jinks, Mrs. Jimmy Crawford, Mrs. Joe Pat Wagon, Mrs. Charles Mayhugh, Mrs. Buster Ewins, Mrs. Neal Dillman, Mrs. Harold Allison, Mrs. Chester Yerby, Mrs. Donald Prather and Mrs. Ben Gramling.

Couple United In Home Ceremony

MR. AND MRS. GARY MICHAEL LITTLE

Miss Betty Harbin became the bride of Gary Michael Little in the home of her parents on Friday, July 7. The couple stated marriage vows, which they had written, in the presence of their immediate families. Paul Poyner officiated at the ceremony.

Parents of the couple are Mr. and Mrs. Joe Harbin and Mr. and Mrs. Ed Little, all of Muleshoe.

The bride was dressed in a full length gown of ivory Doeskin crepe, which featured a natural waistline, rolled collar and softly gathered skirt. The wrist length tailored sleeves and the front panel of the skirt were adorned with a hearts and flowers motif which the bride embroidered in colors of apricot, amber, deep brown and pale pink. Her hair was arranged with a bow of apricot and amber which featured narrow streamers decked with sweetheart roses.

The bridal bouquet was a crescent-shaped cluster of "Peace" roses and apricot figi mums centered on a white Bible, which was a gift to the bride from the Frank Duckworth family of Lockney.

Something old and blue was a handkerchief given to the bride by her grandmother, Mrs. Ida Harbin. From her mother the bride borrowed a silver ring which was made by her father. Something new was the pearl earrings given to her by Miss Kay Davis of Houston.

Mrs. Bill Harbin of Crosbyton was matron of honor at the ceremony. Her full length gown of apricot crepe was styled with a waist length bib of deep brown accented by amber colored lace which was hand made by Mrs. Madge Clements. Her nosegay was a cluster of apricot figi mums.

Greg Little served his brother as best man. Mrs. Harbin chose a street length pleated dress of

pink crepe for her daughter's wedding. The skirt was accented by matching pink lace, as was the ring collar. She wore black patent accessories.

Mrs. Little was attired in a two piece suit of beige bonded lace. The mothers of the bride and groom were presented with corsages of white "Jack Frost" sweet-heart roses.

The couple greeted friends and relatives at a reception in the fellowship area of the First Baptist Church following the ceremony. The reception table was covered with a crocheted table cloth which was made by the bride's grandmother, Mrs. W.B. Pointer. It was laid over an under-cloth of apricot crepe. A centerpiece of Talisman roses and apricot mums arranged in a silver and crystal epergne graced the table from which cake and punch were served to the guests. Mrs. Royce Sisk and Mrs. Robbie Timberlake of Levelland and Mrs. Tom at the serving table.

Lee Ann Yerby and Martha Jane Chapman registered guests at a table laid with a runner matching the table cloth and centered with the bride's bouquet. Mrs. Eddie Wilson of Sudan provided musical selections on the piano. Sharla and Sherri Henry, dressed in gowns similar to the matron of honor's, handed rice bags to the guests. Members of the house party included Mrs. Eugene Black; Mrs. C.L. Taylor; Mrs. Dan Throckmorton, Vowery, Danna, and Belinda; Becky and Bonnie Sain; and Cassie and Pam Harbin of Canyon.

For a wedding trip to the Santa Fe Opera and Colorado, the bride chose a pant suit of sea green knit complemented by white accessories.

Mr. and Mrs. Gary Little, both Muleshoe High School graduates, will soon return to Lubbock to continue their studies at Texas Tech University. The couple will reside in Gordon Hall where Little is employed as dorm counselor.

WEDDING PLANS REVEALED...Mr. and Mrs. J.C. Patton of Denver City announce the engagement of their daughter, Debra Ruth Lorraine, to Bargie Roy Perrin, son of Mr. and Mrs. B.M. Perrin of Denver City. The couple plans a July 22 wedding at 7 p.m. in the Denver City Assembly of God Church with Rev. Ted Albritton officiating. The bride-elect is the granddaughter of Hazle Robinson and Fred Johnson, both of Muleshoe.

FHA Sells Ice Cream At Celebration

On Tuesday, July 4, next year's FHA Rose and Rose Blossom members sold homemade ice cream to the crowd at the football field for the celebration from 7 to 10 p.m.

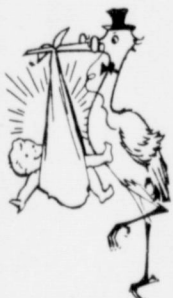

Christy Ford, publicity chairman for the group, reported that "despite the weather, the ice cream was an overwhelming success and the girls thoroughly enjoyed selling it." This was one of the first projects for next year's group.

Many of the girls have been participating in the summer homemaking program and have been learning crafts and the different aspects of sewing.

The FHA members want to express their appreciation to White's Cashway Grocery for the use of their pickup at the sale.

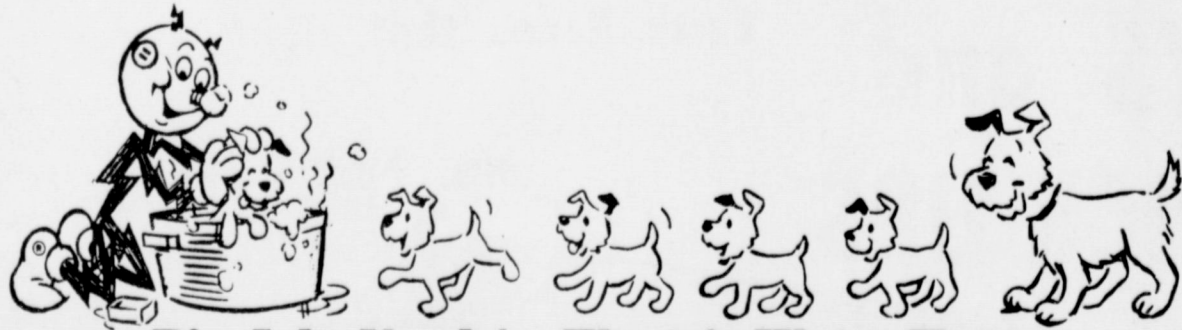

"Because of the success of this project, all of the FHA girls are looking forward to the up-coming school year so that they can get more involved in FHA," stated Miss Ford.

Planning Sale Purchases

COLLEGE STATION—How often have you bought something "on sale" and later wished you hadn't? Planning and knowledge are two shopping helpers that can keep you one step ahead of the bargain salesman, Mrs. Doris Myers, Texas Agricultural Extension Service home man-

agement specialist, suggested. "Knowledge is your most important tool in getting a bargain," Mrs. Myers noted. "The better informed you are about prices, quality, advertising techniques, store reputation, brands, grades and just plain arithmetic, the more you'll get for your money."

Adult 4-H Leaders Hold Assn. Meeting

The Bailey County 4-H Adult Leaders Association held a meeting Thursday night, with Bill Harmon, president, in charge of the meeting. Record books for 4-H members were discussed. The judging committee for the record books was appointed and will be Mrs. Gordon Murrain, Mrs. Jay Harbin and Bill Harmon. A concentrated enrollment period for 4-H was also discussed. It will be from Sept. 1 to Dec. 1, 1972. "Anyone wishing to join 4-H and acquire a project is encour-

aged to do so during this enrollment period," reported Mrs. Robin Taylor, home demonstration agent. Attending the meeting were Mr. and Mrs. Reuel Kirby from Three Way, Mr. and Mrs. Austin Floyd, Mr. and Mrs. Bobby Henderson and Mr. and Mrs. Bill Harmon from Progress; Mr. and Mrs. Marshall Head, Mr. and Mrs. Jack Bates, Pat Vinson and Mrs. Jay Harbin from Y L; County Agent and Mrs. Spencer Tanksley and Mrs. Robin Taylor, home demonstration agent.

Planning helps you to think ahead and spot attractive sales that fit into your budget, she said. "Ask if the sales item meets a real need and will not upset your family spending plan."

According to the Texas A&M University specialist, planning also means carefully examining the item on sale as well as the market. Check the quality of the product and compare its cost with the price in other stores. Also practice pre-sale shopping to investigate regular price, quality and condition of items before they go on sale.

"Seasonal sales are worth watching," Mrs. Myers said. "Many shoppers save large amounts each year by timing their purchases according to the specials, which are usually scheduled just before new merchandise arrives."

She said that timing of sales varies, but July is usually the month to watch for spring and summer clothing bargains and sporting goods offers. August often brings furniture and white goods sales, followed by back-to-school bargains.

From the Journal 20 Years Ago

The City Open golf tournament got underway last Sunday as Noel Woodley won the medalist championship. Woodley shot a fine game with an even par over the 18 hole course.

Some of the others who competed in the medalist play were Lowell I. St. Clair, Jim Green, Rex Carroll, Russell Haberer, John Gammon, Houston Hart and Woodie Lambert.

The Calcutta Pool was held Monday night at the home of Dr. B.Z. Beatty with more than 80 persons attending. A wonderful picnic supper was served after which there was an open discussion concerning rules governing this tournament. According to some who attended, it was stated that there was more interest in the local auctions than they had ever seen at any of the bigger tournaments.

The golf club certainly owes a vote of thanks to Doc and Betty Jo for being such wonderful hosts.

From the Journal 10 Years Ago

After the Calcutta Pool auctions, drawings were made for matches to be played.

In the championship flight; Noel Woodley and Rex Carroll; Russell Haberer and Jimmy Green, Irvin St. Clair and Gil Wollard, John Gammon and Woodie Lambert.

In the first flight; Elmo Evans and Morris Douglass, Joe Alsop and Sam Fox, Bill St. Clair and L.T. Green, A.S. Stovall and Fred Johnson, Houston Hart and Bill Barbour, L.S. Barron and Don Bryant, Bob Gregory and Dudley Malone, Hoyt Morgan drew a bye on his first match.

In the second flight; Wilbur LeVeque and Troy Wilkerson, Doc Howell and Howard Elliott, Clyde Holt and Sam Dameron, Sike Watkins and Russell Bryant, Herb Griffiths, and Buck Wood, Bob Harvey and Charles Lenau, Ray Keeling and Myron Pool Jr., and Red Johnson and Vance Wagon.

team players have been announced by the Board of Directors after a meeting Monday morning during which the ballots were canvassed.

Players named are Johnny Embry, Bobby Julian, John Gruesendorf, Bobby Allison, Bobby Lewis, Bobby Gleason, Donnie Thomas, Gary Strahan, Darrell Embry, Stan Johnson, Ricky Boswell, Alvin Walker and Brad Bell.

Alternates were Troy Steinbock and John Ward.

Co-managers are Wayne White and Norman Thomas. The first game will be played at Littlefield where the Muleshoe Stars will meet Amherst.

Capital NEWS

By BILL BOYKIN

AUSTIN, Tex.-- Wide variance in election costs over the state have been pointed up by Secretary of State Bob Bullock in a recent report.

Bullock said primary expenses ranged from 36 cents per voter (Democrats) in Travis County to \$4.83 (for Republicans) in El Paso County.

Some county chairmen managed a "thrifter, better-organized election," while others spent the maximum amount authorized, said the chief election officer.

"These figures have reaffirmed our belief that single polling places for both parties, with primaries financed through the county clerk's office, would be a positive step toward reducing our primary election costs," said Bullock.

Bullock noted this breakdown for major counties: Travis County, 36 cents per Democratic Voter; GOP Cost-\$2.50;

Harris County 61 cents per Democratic voter; GOP cost-\$2.44; Tarrant County 61 cents, per Democratic Voter; GOP Cost \$1.83; Dallas County- 57 cents per Democratic voter, GOP cost-\$1.94; Bexar County, 59 cents per Democratic voter, GOP cost-\$2.65; El Paso County, 50 cents per Democratic voter, GOP cost-\$4.83; Nueces County, 52 cents per Democratic voter; GOP cost-\$4.48.

Higher unit cost for Republicans is not surprising, due to the small size of the GOP primary, Bullock said.

In some counties, the Secretary of State complained, 400 voting machines were allowed where "half as many" probably would have done the job.

COURTS SPEAK--A U.S. Supreme Court decision holding the death penalty unconstitutional left uncertain the fate of 41 Texas prisoners on death row.

A federal court at Brownsville held five Texas laws used in labor disputes are unconstitutional and scored the role of Texas Rangers in a 1966-67 Starr County farm workers' strike.

The State Supreme Court next fall will hear arguments concerning the extent of a health insurance policyholder's rights in suits based on alleged misrepresentation in policy sales.

The High Court ruled Sun Oil Company has rights to use 100,000 gallons of water daily for injection of oil-bearing sands beneath a Hockley County tract to increase production.

Part of the value of medical and legal practices of divorced husbands can be held as community property for his-

tribution to wives, the Supreme Court held.

The Court of Criminal Appeals ordered new trials for two men who had earlier received death sentences which had been overturned by the U.S. Supreme Court, and upheld Gov. Preston Smith's commutation of sentences for two others under similar circumstances. The Court affirmed a fifth death penalty.

The Third Court of Civil Appeals affirmed a trial court finding that a Travis County couple did not have sufficient mental capacity to understand the effects of deeding their homestead to a niece.

NEW TRADE MISSION PLANED--An August trade mission by 12 Texas industrialists to the South American Cities of Sao Paulo and Rio de Janeiro is planned by the International Trade Division of Texas Industrial Commission for August 20-31.

The trip will emphasize these products as best possibilities in South America: petrochemicals, chemicals, power equipment, construction and mining equipment, steel graphics, industry equipment, machine tools, office machines, textile machinery, transportation and communication and agriculture and food processing. Filibuster mark set--Sen. Mike McKool of Dallas cracked the world's filibuster record during the special legislative session, arguing 42 hours and 33 minutes for more funds to improve mental health-retardation services.

McKool's feat, which immobilized both houses of the legislature for nearly two days.

DISMISSALS: Mrs. Bernardo Valdez, Mrs. Rito Verastique, Martin Herrera, Buck Wood, Mrs. Fred Cantrell, Mrs. Minnie Tandy, Augustine Munoz, Mrs. Sally Rodriguez, W.F. Lancaster, Sharla Hawkins, Mrs. Carrie Boydston, J.D. Kelly, Lee R. Sims, and Harold Walker.

may have thrown the session timetable out of kilter.

Indications are there is little hope of winding up work on the \$4.1 billion appropriations bill before Friday. Additional federal funds totalling nearly \$128 million apparently will be assured for welfare.

Senators scheduled a mid-week clash over adoption of new rules which include a controversial provision to authorize consideration of appointments by the governor in open session. Senators traditionally have done this work behind closed doors, and showed reluctance last week to depart from the old practice.

HIGHWAY FUND IN JEOPARDY--The entire Texas highway program is in jeopardy, Texas High Commission member Charles Simons told Texas Press Association at its summer meeting in Corpus Christi.

Simons warned the highway program is threatened by proposed environmental controls, raids on the federal highway trust fund, government reorganization, federal revenue sharing and bureaucratic red tape.

He said the federal government should finish the interstate system as pledged, then release to the states responsibility for collection of the

special highway user taxes invoked in 1956 to establish the highway trust fund.

Simons expressed concern over schemes to divert trust fund revenues to build rail mass transit systems in the East and Midwest. He charged a proposal for governmental reorganization is a move to "dominate the highway program and to divert highway user tax revenues to wild-eyed welfare and other socialistic schemes."

BILLBOARD FORMS AVAILABLE--Application blanks to erect billboards within 660 feet of highways are now available through Highway Department and city offices.

Sign permits are required

under the new State Highway Beautification or billboard control act which went into effect last week.

Plans for enforcing sections of the billboard law dealing with illegal, abandoned and non-conforming signs, junkyards and auto graveyards will be announced later.

APPOINTMENTS--- Governor Smith appointed William A. Turner of Crockett, Dr. Warner A. Dunn of Nacogdoches and Charles Earl Nisbet of Lufkin to the Neches River Conservation District Board.

Dr. Louis H. Laosa, former Havana psychiatrist, has been named superintendent of Austin State Hospital.

SHORT SNORTS

The May unemployment rate for Texas rose slightly but remained below the May 1971 level.

More than 420 cities received \$40 million from the local option sales tax during the first quarter of 1972.

William G. Tijerina of San Antonio was honored here as the 20,000th handicapped person to gain employment within the last year as a result of state rehabilitation services.

Atty. Gen. Crawford C. Martin received the Wyman Award as the nation's foremost attorney general for 1971-72.

Martin recently held in an opinion that an appropriation for statewide park planning is sup-

ported by pre-existing law.

A \$441,638 federal grant will help Texas Department of Public Safety expand its criminal intelligence functions.

Texas' business recovery continues slowly, but the threat of the inflation remains, according to the University of Texas Bureau of Business Research.

Building permits in the state reached a new record high last month.

A new state bank charter is applied for in Huffman, Harris County.

Texas received the first federal formula grant for treatment, education and rehabilitation programs to deal with alcohol abuse and alcoholism.

Hazel House, pastor of the Bula & Enoch Methodist Churches left today (Sunday) for four weeks of study at Perkins School of Theology at SMU in Dallas.

The Sandhills Philosopher

Editor's note: The Sandhill Philosopher on his Johnson grass farm seems a little puzzled this week. It's not the first time.

Dear editor: As I understand it, because meat prices have soared so high they've now reached the level they were 20 years ago, Washington has lifted import quotas on foreign meat in an effort to get prices down to a level where a housewife can still buy all the beef she wants and have money left over to buy the other necessary grocery items like hand lotion, nylon hose, cigarettes, baby powder, hair spray, cushions for the family speed boat, lawn chairs, etc. I guess this is a step in the right direction provided Washington will keep walking. For example, the price of

cars has soared in the last few years, and this naturally calls for a lifting of tariffs on all foreign made cars.

The price of labor has gone up, so I suppose Washington is planning on lifting all immigration restrictions to let in more foreign labor to help bring that price down.

There are all sorts of television sets, radios, motorcycles, even farm tractors, being manufactured in foreign countries, and letting them too flow in tariff-free will certainly help bring down the cost of living.

Everybody knows the price of gasoline and oil has soared, far past what it was 20 years ago, or even three years ago, so naturally we'll start importing all of that we can get. After all, the way to fight infl-

ation is to fight it all over. Gasoline is certainly as essential as hamburger meat.

Come to think of it, the price of Congressmen and Senators has gone up over 400 per cent in the past 20 years, and 20 years ago you could get 4 Governors for what one costs today, so...no, I'm afraid that'd be going a little too far. No use going overboard.

And after all, only 8 per cent of the voting population raises cattle, while 100 per cent of it buys meat. On the other hand, only one-half of one per cent or maybe less makes automobiles. Some things are just too hard to figure out right here at the beginning of hot July.

Yours faithfully, J.A.

Funeral For Jesse Yates Held Thursday

Jesse Lloyd Yates, 69, died at 3:15 a.m. Thursday in West Plains Memorial Hospital. He had been visiting his sister, Mrs. M.C. Mason, for three days when he was struck with a sudden illness the day before his death.
Yates had resided in Ft. Worth since 1951, moving there from Harmon County, Okla. Born June 7, 1903 in Harmon County, Okla., he was a retired carpenter and a member of the South Side Church of Christ in Ft. Worth.
The body was transferred to

Rites Held For Mrs. Williams

Mrs. Essie May Williams, 36, was killed in a one car auto accident three miles south of Morton on Tuesday, July 4, at 12:55 p.m.
Mrs. Williams' home was in Hobbs, N.M., where she had lived for seven years, moving there from Sudan.
Services for Mrs. Williams will be at 12 p.m. Sunday (today) in St. Matthews Baptist Church with Rev. Miles of Odessa and Rev. Mack Frazier officiating.
Burial will be in Muleshoe Cemetery under the direction of Singleton-Ellis Funeral Home of Muleshoe.
Mrs. Williams is survived by two sons, James Williams of Bremerton, Wash., Robert Williams of Odessa, and her mother, Mrs. Clara Coleman of Odessa.

Cotton Crops Squaring Now

Since cotton blooms set in the first four weeks of blooming produce 90 percent of the total lint yield, it makes sense to try to set as many blooms as possible, Jim Valliant, research director of the High Plains Research Foundation, said today.
Valliant said farmers with cotton planted after May 10 can look for squares to be set within the next two weeks. "Research data for the past four years indicates that maximum cotton yields were obtained when cotton was irrigated at the pre-square stage rather than waiting 'til first bloom," he said. He explained that an irrigation at bud initiation or when first buds are sighted is moisture sustaining and helps prevent stress throughout the squaring stage.
This irrigation should be light and applied every other row to help cotton plants set a "full load" of squares without developing unnecessary vegetative growth. "Our results show that an irrigation during bud initiation period produced maximum cotton yield potential," he said.

Long range forecasts maintain the first three weeks of July will be hot and dry. A pre-square irrigation will carry the cotton through the hot, dry period until time for the next irrigation at late first bloom.
A third and last irrigation, still every other row, is recommended to be completed between August 10-15, Valliant said. "This should provide the maximum cotton yields with maximum benefit from irrigation water," he said.

A lot of worry can be wasted on other people.

CONGRESSMAN

Bob Price

U.S. House of Representatives
18th Congressional District

The revenue-sharing bill, which passed the House of Representatives last Thursday, was - for Texas, at least a classic example of the wrong road to a right goal. I voted against it.

The whole basis of the idea of revenue-sharing is to return government from Washington to the state and local governments in the form of block grants of money. In that way, we could cut down on wasteful federal bureaucracy and get government back closer to the people who know better than Washington bureaucrats what their problems are and how to solve them. I am, of course, in favor of this course of action and have long fought to do exactly what revenue-sharing was proposed by the President to do - give government back to the people.

But by the time the House Ways and Means Committee, made up mainly of members of the majority party, got through with the President's proposed revenue-sharing plan, it severely penalized Texas and the nine other states in the union that have no state income tax and rely on other means of raising state revenue.

Fifty percent of the share going to state governments is based on revenue derived from state income taxes, Texas and the nine other states would receive a minimum allowance of 1% of federal income liabilities. Specifically, only \$16.5 million of the \$900 million slated to go to state governments on the basis of individual taxable income would go to Texas.

What would result is that Texas would be pressured by the federal government to adopt a state income tax in order to get our fair share of the revenue-sharing plan.

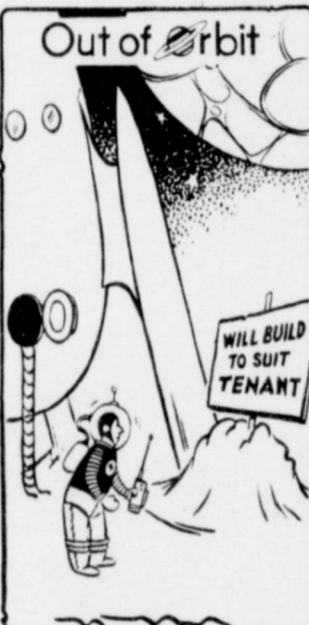

Under the bill that passed the House, Texas ranks 50th out of the 51 governments (the 50 states and the District of Columbia) in the amount of money per capita to be received by those governments under this plan. While New York would receive \$17.23 per capita and the national average would be \$8.73, Texas would receive only \$4.02 per person. For all funds to be allocated under the plan, Texas ranks 35th out of the same 51 on a per capita basis.

This kind of punitive discrimination against Texas is the factor that finally determined my vote on the bill. Unless Texas adopts a state income tax, the discrimination under this bill becomes increasingly more acute, since increases are based on a percentage basis. By December 31, 1976, New York's share per capita would be approximately \$30.15, while Texas' share per capita would be only approximately \$7.03.

Some of these inequities could have been remedied by amendments to the bill when it reached the floor of the House, but the bill was reported by the Rules Committee under a rule that did not allow any amendments even to be considered. All we could do on the floor was to vote for or against the bill as written by the Ways and Means Committee.

the Davis-Bacon Act, and the cost of administering a federal act that is no longer applicable to today's society. He said, "Continuing the practices contained in this obsolete legislation has caused a tremendous backlog in federal-related construction projects, excessive costs, postponements and in some cases actual cancellation of building projects." Congressman Price cited numerous examples of problems being created by this legislation which adversely affect both construction workers and the construction industry, and called for its early repeal.

In testimony prepared for the Senate Subcommittee on Housing and Urban Affairs, Congressman Bob Price urged the repeal of the outdated Davis-Bacon Act passed during the depression years. Price emphasized that the original purpose of the Act was to deal with itinerant firms and workers who were depressing wage rates on government-related construction projects by underbidding local contractors and local workers. He noted that the provisions of this bill are outmoded, irrelevant to today's economy, and very difficult to administer. He further explained the cumbersome nature of the procedures required by
