How Do You Stand?

The Ranger Daily Times has decided to give its readers an opportunity to express their wishes regarding a very important movement -the movement for the erection of a new courthouse in Eastland county.

The time is drawing near when every voter in the county will be called on to vote either for or against a \$300,000 bond issue for the purpose of building and furnishing a new courthouse.

In the first paragraph below write either the word (favor) or (oppose) in the blank space.

The extended blank space is for you to state briefly your reasons for favoring or opposing the movement for a new courthouse. Let the people of the county have your views on the proposition.

From time to time the results of this straw vote will be made public.
