

Baruch Criticizes Method Used For Atom Report

Committee Told Groves Received Too Little Credit

WASHINGTON, Feb. 3. (AP)—Bernard M. Baruch asserted today that scientists had "lambasted" the army into making public the Smyth report, since criticized for its disclosure of atomic bomb secrets.

Appearing before the Senate atomic committee considering President Truman's nominations for five members and a manager for the atomic control commission, the 76-year-old financier and statesman testified:

1. That the army had been too much criticized.
2. That Maj. Gen. Leslie R. Groves, who had charge of the Manhattan project, had never received just praise in development of the bomb.
3. That Maj. Gen. T. F. Farrell, who was active in the Los Alamos, N.M., atomic project would be an ideal man for commission manager, a post to which the president nominated 36-year-old Carroll L. Wilson of Boston.

(The war department identified Gen. Terrell as Gen. Groves' deputy during the Manhattan project. He is now chief engineer for New York state.)

4. That atomic energy developments will remain primarily a "military question" until workable international controls are provided.

5. That he knows Herbert Marks, named for commission council and tabbed as a possible communist sympathizer in testimony before another Senate committee, as "a very able fellow" but knows nothing of his back ground.

6. That David E. Lilienthal, nominated for commission chairman, is "thoroughly qualified."

Baruch, cupping his hand to his ear to catch the questions of the senators, told committee members he thinks the public has gone too far "in criticizing military men—whom we call brass hats—for their handling of this problem."

Delay Refused For 'Inch' Sale

WASHINGTON, Feb. 3. (AP)—The Senate Armed Services Committee today refused to recommend postponement of the sale of \$146,000,000 government-owned Big and Little Inch pipelines.

Chairman Gurney (R-SD), told reporters after a closed session that committee members declined to vote favorably on any of the resolutions requesting a delay in disposing of the facilities. The lines were built during the war for the emergency transportation of petroleum from Texas to the East Coast.

Gurney added, in response to questions, that apparently the War Assets Administration is free to dispose of the lines for use in transporting either oil or natural gas use.

The committee has been informed by War Assets Administrator Robert M. Littlejohn that bids for the purchase of the lines must be in by Feb. 8 and that they will be opened Feb. 10, Gurney said.

Father Sacrifices Life To Save Son

NEW YORK, Feb. 3. (AP)—Police said today that Edward Henning, 45, sacrificed his life to save that of his 14-year-old son after their frail kayak overturned in Little Neck Bay.

"Hang on to the boat, son, and keep kicking," were the last words that Edward Henning Jr. heard his father say after choppy waves had overturned the single cockpit kayak yesterday.

Police said that Henning, a 200-pound man wearing a heavy sheepskin coat, then let go of the kayak and drowned, knowing that the craft could not support both weights.

Young Henning followed instructions and was rescued by Patrolman Stanley Bukunt, 27, who waded 60 feet through waves that smashed over his head to reach the shivering boy.

New Texas Freeze Reported Coming

Texas can expect freezing temperatures during the next 48 hours but, unlike the January freeze, there is no indication of rain, sleet or snow.

The U. S. Weather Bureau today predicted that low temperatures tonight will be in the upper 20s but will drop even lower by Wednesday morning.

THEIR PAL DROWNED—Tommy Williamson, 7, and his dog watch from the banks of the Missouri river in Council Bluffs, Iowa, as firemen futilely dragged the cold waters for the body of LaVern Mendenhall, Jr., 8, who slipped off the ice and drowned while the two boys played. Tommy said he looked around just as his friend "was sliding into the water." (AP)

Big Spring Egg Market Broken By Federal Order

Humpy-Dumpy's great fall left the egg market in Big Spring shattered Monday.

Skidding following the government's announcement that the price to producers would be pegged at 33 cents per dozen, the market leveled off at 31 cents per dozen here Monday morning, leaving in its wake some sharp losses for buyers who were loaded with eggs bought from 52 to 54 cents per dozen.

The 31-cent quotation, in keeping with the government's pegged figure, was causing some misunderstanding. Many producers did not know or failed to notice that the price floor was for standard, clean, edible eggs with a 54 pound gross or 44 pound net weight. Upwards of half the eggs brought in by producers will not meet these requirements.

If the government support announcement was intended as a stabilizing factor, it had exactly the opposite effect, for in its wake the market slipped five and cents a day until the minimum was reached.

Poultry prices dropped off, too, but there is little local supply in this field. Fryers are bringing 35 cents to producers and in view of the egg price break, it is possible that the peak volume of late spring and summer may drive the figure to 30 cents or thereabouts. Consumers benefitted from the crash, with eggs retailing at around 39 cents, a drop of 25 to 30 cents. Baby chick prices may also ease off a cent or two in the wake of the development if it remains static. Producers were hurt because egg volume has just begun to hit full stride.

Weekend Mishaps In Texas Cause Total Of 16 Deaths

By The Associated Press

Twelve persons received fatal injuries in Texas highway accidents over the week-end and four others were killed in miscellaneous accidents to bring the total to 16 fatalities.

One person each died from drowning, accidental electrocution, an automobile-train crash, and a plane crash.

A. Cope, 55, of near Abernathy, was fatally injured yesterday when his automobile struck a calf on a highway near Monroe, Lubbock county. Cope's wife was injured.

At Camp Howze, near Gainesville, C. P. Pace, 47, of Route 1, Sanger, was killed instantly when his automobile overturned after striking a tree.

Reese Brown, 20, son of Mr. and Mrs. Ben Brown of Troup, received fatal injuries when struck by an automobile while walking on a highway near Kilgore yesterday. Brown was discharged from the Army Jan. 25.

Two persons were killed in highway accidents in the Wichita Falls area. Douglas W. Stout, of Nocona was fatally injured in a head-on collision near Ringgold, and E. N. Wood of near Vernon died after being struck by a passing automobile north of Vernon as he was working on his parked automobile.

A. B. Murphy, 43, died Sunday at Gainesville of injuries received Thursday when the car in which he was riding was struck by a westbound Missouri-Kansas Texas passenger train.

M. V. Dellaughter, 23, was killed instantly yesterday when the small plane he was piloting

Adm. Mitscher, War-Time Task Force Boss, Dies

Spectacular Navy Leader Played Havoc With Japs

NORFOLK, Va., Feb. 3. (AP)—Admiral Marc A. Mitscher, commander in chief of the Atlantic fleet, died at the Norfolk Naval Station hospital early today of coronary thrombosis.

The war-time boss of famed Task Force 58 which played havoc with the Japanese, died in his sleep at 1:20 a.m. He was admitted to the hospital after suffering a heart attack on his sixtieth birthday last Sunday.

Rear Admiral W. L. Ainsworth, commandant of the Fifth Naval District, announcing Mitscher's death shortly after 8 a.m., quoted a bulletin issued by the hospital as saying that "the special nurse on duty reported that the admiral had been sleeping quietly but shortly after 1 a.m. he ceased breathing."

Mitscher entered the hospital last week for what a fleet spokesman said would be a "complete and thorough checkup." On January 22 the fleet spokesman described the admiral's condition as "very good."

Mitscher, soft-spoken but a hard-hitting, determined fighting man, had a personal hand in many spectacular and important actions against the enemy in the Pacific and his admirers claimed that he put tempo of the war against Japan into high gear with his task force 58's first carrier blows at Truk and the Marianas in February of 1944.

In those attacks the Navy tested its newly-built carrier power for the first time against Japanese strongholds and exploded the myth of their invincibility.

Recall Asked In Portal Case

WASHINGTON, Feb. 3. (AP)—Rep. Walter (D-Pa.) declared today that the Supreme Court "ought to recall" the case in which portal-to-portal pay suits have been based and "lay down a clear cut yardstick" to follow in the issue.

The Pennsylvania, speaking to a house judiciary subcommittee as it began hearings on the portal pay problem, said that the supreme court would be "derelict in its duty to the people generally" if it does not recall the case.

Walter said that it is possible that the "decision in the Mt. Clemens case has been misinterpreted by the court below."

He added that the "district court judge is leaning over backward to place an interpretation on the case the supreme court did not intend to place on it."

Walter drew from Milton A. Smith, assistant general counsel of chamber of commerce of the United States an expression of complete agreement.

President Asks 'Limited' Extension Of War Power

New Version Of Lord's Prayer Given By Pastor

SANTA MONICA, Calif., Feb. 3. (AP)—Two years of concentrated study on original Greek sources, plus English, Latin, French and German translations, has led to a new version of the Lord's prayer.

The Rev. Edward C. Morgan, retired Methodist minister and former professor of Greek at Howard Payne College, Brownwood, Tex., said his translation is the result of years of questioning the phrase "Lead us not into temptation." He offered it Sunday at a meeting at All Soul's Unitarian Church. It reads:

"O Father of us all, who are in the Heavens! Thy name be hallowed! Thy Kingdom come! Thy will be done! As in Heaven so upon the earth. Our bread—the food of our eternal life, give us day by day. And forgive us our misdeeds, as we have forgiven those misdeeds which have been done against us. And never wouldst thou lead us into temptation; but rather deliver thou us from evil. Amen."

State Senate Okays Bills For Pay Raises

AUSTIN, Feb. 3. (AP)—The Senate today backed up on its "no-pay-raise" rule which it applied last week to state judiciary salaries of \$5,000 or more.

The rule was struck out today and pay raise bills for state employees of educational institutions, eleemosynary institutions and departments quickly won Senate approval and were sent to the House.

The pay raise bill for the judiciary had been passed in the Senate's final session of last week.

As passed by the Senate, the bills provide 15 per cent emergency pay increases for the remainder of the current fiscal year on the first \$3,600 of state salaries, a 5 per cent increase on salary portions from \$3,600 to \$5,000. No raise would be given on the portion of a salary exceeding \$5,000, but the 15 per cent and 5 per cent increases would apply up to that point.

The Senate also passed and sent to the House bills increasing travel expense allowance from \$4 to \$5 per day.

A \$146,000 emergency appropriation for the state adjutant general's department was also approved by the Senate.

In the House, captions were read on 247 House bills filed with the clerk since last Tuesday. More were still coming. Six House committees scheduled organizational meetings.

Import Quota Set On Rough Cotton

WASHINGTON, Feb. 3. (AP)—President Truman today signed a proclamation imposing a quota on imports of short harsh or rough cotton.

The quota of 70,000,000 pounds annually applies to harsh or rough cotton having a staple of less than 3-4 of one inch in length.

Stiff Debate Seen On Soviet Relations

WASHINGTON, Feb. 3. (AP)—Senator Pepper (D-Fla.), raised the prospect today of sharp congressional debate over American relations with Russia.

Pepper, whose foreign policy stand sometimes has conflicted with that taken by the administration with Republican support, told a reporter he plans to criticize specifically the proposal of John Foster Dulles for economic unification of Europe.

Venezuelan Revolt Rumors Circulated

CARACAS, Venezuela, Feb. 3. (AP)—Unconfirmed reports that the Venezuelan Army had been alerted circulated here today following publication of rumors that "enemies of the government" were preparing to invade the country from bases on nearby Caribbean islands.

Leftist newspapers declared that an "invasion" had been organized by former president Lopez Contreras, exiled since the 1945 revolution.

Negotiations Stop

PITTSBURGH, Feb. 3. (AP)—The Jones & Laughlin Steel Corp. announced today it broke off contract negotiations with the CIO union steelworkers because of a strike idling 2,500 employees at the company's Aliquippa, Pa., plant.

Authority Said Necessary For More Rations

Big Field Is Left For White House Discretion In Act

WASHINGTON, Feb. 3. (AP)—President Truman today asked congress for "limited" extension of the Second War Powers Act, including his authority to ration sugar and allocate scarce foods and a handful of materials.

Though he named only a few items, he left a big field for White House discretion by seeking the power to restrict other materials in case of "a national emergency that we do not now foresee"—such as a coal strike.

Pleading for "immediate and favorable" action on Capitol Hill, Mr. Truman asked a one-year extension beyond March 31 for three sections of the act. The major one, Title III, carries the sweeping power of priority and allocation and of export and import control.

Under it, Mr. Truman asked continued authority over these items: Foods—Grain, rice, sugar and related products; export and import control only over fats and oils; import controls only over meat, dairy and meat products, pens and beans, canned fish and protein foods.

Imported materials—Rubber, tin, antimony, cinchona bark and alkaloids, manila and agave fibre.

US products—Automobiles and tractors (quota limits on export); freight cars; the drug streptomycin.

Mr. Truman did not ask extension of inventory control, the government's wartime weapon against hoarding and a reconversion weapon against the "withholding" of goods from market.

The two other "titles" of the act which should be retained, said Mr. Truman's message, are those which (1) allow the Maritime Commission to run shipping lines and (2) permit the operation of ships with less crew and equipment than in ordinary times of peace.

"It is unsettling, both for business and for the general public to be obliged to wait until the last possible moment for decision by the congress on emergency legislation," Mr. Truman said.

"I urge the congress to give immediate and favorable consideration to the limited extension of the second war powers act I have requested."

He reported that "we can now foresee the day when no further use of these powers will be necessary," but said the "effective completion" of reconversion demands the continued use of the powers set forth.

All foods now controlled by the Agriculture Department would remain under restrictions but inedible molasses, used largely for industrial alcohol, would be freed. Only a few of the materials subject to orders of the civilian production administration would be freed, and many of these controls are dead letters already.

No Ruling Is Made By Court On Lewis

WASHINGTON, Feb. 3. (AP)—The supreme court today concluded another session of handing down opinions without ruling on the government's contempt case against John L. Lewis.

It was the court's first opinion day since January 20. The next will be Monday, February 10.

Tiny Albania Twists Tail Of British Lion

LAKE SUCCESS, N. Y., Feb. 3. (AP)—The United Nations Security Council is witnessing the sight of tiny Albania twisting the tail of the British lion, and there appears to be little the mighty empire can do about it.

It has been three weeks since Great Britain lodged a formal complaint with the council against Albania. At that time the London government charged Albania with responsibility for sowing mines in the Corfu Channel, where two British warships were damaged last October with 44 casualties.

Great Britain tossed the case into the hopper with lengthy documents and photographs. Albania and the major powers previously were notified that charges were being filed, admiralty experts were rushed here to testify.

But the case is still untouched because Albania has ignored council requests to send a representative to defend itself. The official Albanian explanation has been that communications are difficult between here and Europe.

Obviously nettled by the delays, the British have made several attempts within the bounds of diplomacy to get the council started. But every move to open debate without the presence of an envoy from the Soviet-sponsored Albanian government encounters strenuous objections from Russia.

Last Tuesday the council finally agreed to ask the tirana government for the arrival date of its envoy. No reply was received.

'Growing Pains' Slow Congress

WASHINGTON, Feb. 3. (AP)—Finally organized after a full month in which only one bill was sent to President Truman, the 80th Congress geared itself today to the No. 1 business of law making.

"Growing pains" resulting from the congressional reorganization act of last year contributed largely to the slower-than-usual start of the legislative machinery. Among other things, that act completely realigned the committee structure of both chambers.

But with the realignment now complete two major measures may come up for consideration in the Senate and the House during the latter part of this week:

1. Republican leaders are hopeful that the House will get to a vote on legislation limiting the tenure of any president to two terms.

2. Senate pilots are planning a quick showdown on the House-passed bill retaining war-time excise tax rates indefinitely on liquor, furs, cosmetics and other so-called luxuries as well as such things as travel tickets and telephone service.

Few Cadet Officers To Be Reappointed

COLLEGE STATION, Feb. 3. (AP)—Gibb Gilchrist, president of Texas A.&M. college, announced today that only about half of the 178 cadet corps officers who resigned early Wednesday morning would be reappointed.

He made the announcement in a statement which said that 57 officers had been reappointed. Their names will be head at mess formation tonight.

Sand Storm Said Bad For Planting

This afternoon's sandstorm was just what local agricultural experts didn't want to see. The soil at present is soft and fluffy and is in need of a good rain to fit it for spring planting, which will take place in a matter of weeks. The condition was caused by the recent snows which did wonders to the earth but made it more susceptible to the wind.

Forgery Suspect Surrenders Here

W. E. Patterson, indicated by the grand jury Saturday on a charge of forgery, surrendered to the sheriff's office over the weekend. He was released later on \$1,000 bond.

Bridal Tea At Hotel Honors Mrs. Cochran

Mrs. Hugh Cochran, who before her recent marriage was Miss Tommie Staton, was complimented with a wedding shower in room one at the Settles hotel Sunday afternoon.

Hostesses for the affair were Mrs. Martha C. Hardin, Ouida Green and Dot Wasson. Red and white was the color scheme used in decorations of the refreshment table and in corsages of white carnations tied with red and white ribbons which were worn by members of the house party.

Receiving at the door were Mrs. Martha Cochran, the honoree, Mrs. Carl Jackson of Merkel, aunt of the bride and Miss Green. The bride was attired in a white jersey afternoon frock, fashioned with a drape effect. Her shoulder corsage was of orchids. Mrs. Cochran wore a black crepe street-length dress, and Mrs. Jackson was attired in a gray ensemble with metallic trim. Miss Green wore a frock of floral print made with a pleated yoke.

Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel mucus, soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

Shears Bring Out The Worst In Man

There is something about pruning shears which brings out the worst in man. He is either apt to become his laziest when confronted by the pruning chore, or else he is apt to become an enthusiastic demon.

Patsy Lee Wiley Observes 3rd Birthday With Party

Mrs. G. L. Wiley, assisted by Mrs. Buel Fox, entertained with a party in her home Saturday afternoon honoring her daughter, Patsy Lee, who celebrated her third birthday anniversary. Games were played and pictures were taken of the group. A Valentine theme was used in decorations of the refreshment table which was centered with a birthday cake and candles. Mints and airplanes were given as plate favors, and those attending were Mrs. James Crossland and James Chumley, Mrs. Bill Bane and Mary, Mrs. Jimmy Moon and Sherry, Mrs. Vick Young and Danny, Londa and Gloria Coker, and Dickie Auld.

Soldier Convicted In Tokyo Shooting

KOKURA, Japan, Feb. 3 (AP)—Pvt. Eugene Hord, Baltimore, Md., was sentenced to 10 years imprisonment at hard labor and dishonorable discharge by a court martial which convicted him today of assaulting and wounding two persons with his pistol in a night club quarrel. The two wounded, Pvt. Tom Barnes of Glenflora, Texas, and a Japanese hostess, both testified at the trial.

Antarctic Films To Be Shown Here Wednesday

Cream of a 30,000-foot crop of unusual films on the Antarctic will be projected at the city auditorium Wednesday evening with commentary by "Tex" Helm, the man who did the photographing.

Helm was a camera man on the 1930 and 1940 South Pole expeditions by Admiral Richard E. Byrd, and his films are timed for release now in connection with another expedition to the Antarctic region. Helm edited the six miles of films into 2,000 feet of exciting pictures, including shots of the historic old Bear, Admiral Byrd's ship; the pack ice which surrounds the Antarctic; discovery of land and establishment of Byrd's east base; the ceremony of raising the Stars and Stripes over the newly explored area; and Helm in action filming a 5-below zero in a 50-mph wind.

The cameraman explains the pictures as they are projected, telling about many things which were on the restricted list before and during the war. Sponsorship of the show (at 3 p. m. and 8 p. m. in the auditorium) is by the local Veterans of Foreign Wars post.

MRS DANIELS VISITS
Mrs. E. B. Daniels, Jr., and son, Eddie, of Pecos, were visitors in the home of Mr. and Mrs. C. O. Andrews Sunday.

Parents Of Daughter
Mr. and Mrs. Edward L. Lovell have announced the birth of a daughter, born Saturday at the Big Spring hospital.

The child weighed six pounds, 15 ounces at birth and has been named Cheryl Ann.

Chinese Peace Futility Admitted

The confusion and strife in China mounts, and only one thing is certain, it is quite apt to increase. The immediate impetus is the United States policy in withdrawing from the mediation committee and pointing for removal of troops. This, of course, removed the last vestige of outside restraint from the Nationalist and the Communist antagonists.

The roots of the problem lie in China itself. The immense population is uneducated, under-nourished, ill-clothed and subject to the ravages of nature. They are, thus, incapable of working out their own destinies, possibly within our time. They have their entrenched reactionaries and their fringe elements of Communists. The vast majority of the people are not concerned about government; they are concerned only with toll and food. It makes no difference to them whence comes the daily bread, if it comes.

A Campaign That Produced Results

No one knows what is in store other than the regular municipal and school elections this year, but Howard county, thanks to a bountiful last day turnout, will be qualified to speak in representative terms on any issues which may call for balloting.

ed for the part it played in the campaign. Starting early in the month the Jaycees adopted poll tax payment as a project and vigorously pressed it through various forms of advertising, following up at the last by running the telephone directory.

The Nation Today—James Marlow—

Congress Digs Into Plane Business

Government and airlines' officials and army aviation experts have testified at them. Their testimony, as pointed out above, has been less than startling. And when the hearings are all over, what will be the result? No one can tell at this stage.

Affairs Of The World—D eWitt MacKenzie

Royal Journey To Help Empire

England's Royal family—King George and Queen Elizabeth, with Princess Elizabeth and Margaret Rose—is aboard the strongly convoyed Battleship Vanguard, heading in truly regal style toward the Union of South Africa for what is described as a holiday, but which one can see with half an eye is a journey of vast importance to the welfare of the British Commonwealth of Nations.

It means that empire has become anachronisms. They are breaking up, and if their constituent units still cling together, it will be in the form of commonwealths comprising sovereign states which desire that arrangement. The British Empire already has traveled far along that road.

PROGRESS?

Hal Boyle's Notebook

Big Chief Is Puzzled

WASHINGTON, (AP)—Today—at long last—I learned the secret of this overlooked civilization.

There are no peace pipes being smoked along the Potomac. I found the reason after venturing single-handed into the dark labyrinth of the Great Stone Tepee where the two opposing main tribes—the "Republicans" and the "Democrats"—fled in twilight. This battleground is designated the "Capitol."

Unobserved, I sat and watched the rival tribal chieftains of this strange race exchange war talk. Their words were tom-toms of trouble. Yet these tribes behave most peculiarly. Whenever one great chief rose to speak, the other chiefs of both tribes rose and raced for the corridor.

Most puzzling is the fact that the members of the two tribes fight among each other almost as much as they do against each other, certainly the mark of an aboriginal society. When the time comes to "vote"—a device invented by the natives some generations ago to avoid staining the battlefield with blood—some "Democrats" switch over to the "Republicans" and some "Republicans" leap to the side of the "Democrats."

Name Of E'Texas Circuit Changed

DALLAS, Feb. 3. (AP)—It will be the big state baseball league in Austin, Gainesville, Greenville, Sherman, Paris, Texarkana, Wichita Falls and Waco when the baseball season opens this spring. Officials of the East Texas Baseball League met here yesterday, changed the circuit's name, awarded the Austin and Gainesville franchises and announced a 154-game 153-day schedule opening April 15.

Managers for Austin and Gainesville remain to be designated. The Austin franchise was awarded to Ed Knebel, bottling company official, and the Gainesville to C. O. Farr, G. E. Frizzell and Harvey Shanks, with Farr serving as president.

Club representatives attending the meeting announced the following managerial assignments: Waco, J. D. Berkeley; Paris, Lloyd Rigby; Texarkana, George Washington; Greenville, Harry Davis Jr.; Wichita Falls, Bobby Goff and Sherman, Guy Sturdy. Wichita Falls, Waco, Austin and Gainesville are new members of the loop. Henderson, Jacksonville, Lufkin and Tyler withdrew to enter the new Lone Star loop.

TEXAS LEAGUE MEETS—Texas league club owners are shown as they met in Dallas. Seated, left to right: W. E. Huff, league vice president; Milton Price, league secretary; Alvin Gardner, league president; William Ruggles, league statistician, all of Dallas; Jim Humphries, vice president, Oklahoma City club. 3AA Loop Race May Be Settled By Week's End

Johnny Malaise's Big Spring Steers sail into the home stretch of their 3AA basketball league chase this week, still leading the pack of virtue of seven consecutive wins.

They square off with a very dangerous Lamesa club here Tuesday night, then invade Odessa Friday night for a return contest with the Broncs. The locals trounced the Hoses by 20 points last time out but the Odessans have improved their stock considerably.

After this week, the Longhorns have only three games to play on their regular circuit schedule. They mix it up with San Angelo and Abilene before journeying to Lamesa to close out the campaign. One more victory will insure them a place among the top four teams, good enough to get them into the district tournament.

In all, the Bovines have won 13 of 16 games, including Saturday night's decisive victory over the Kermit Lions.

Lean Eddie Houser has assumed the lead among individual scorers on the team. He tallied 37 points in three games last week to run his total to 178 points, eight more than Capt. Horace Rankin, who has been favoring a game log.

Demare Turner has also gone over the 100-point total for the season. The six tallies he registered against Kermit topped his aggregate to 101 points.

The scorers:

Player	fg	ft	ftm	tp
Eddie Houser	89	18	77	170
Horace Rankin	77	16	35	101
Demare Turner	37	27	35	43
Bobo Harty	15	13	22	20
Harold Berry	13	13	22	20
Ira Kohl	7	7	9	9
Mary Wright	4	4	4	4
Jack Barron	4	4	4	4
B. H. Lewis	3	3	3	3
Jim Bill Little	3	3	3	3
Bill Cyfert	3	3	3	3

Demaret Repeats In Tucson Open

TUCSON, Ariz., Feb. 3. (AP)—Crooner Jim Demaret was en route to San Antonio today with the Tucson Open golf crowd on his head, \$2,000 in prize money in his pocket and the hearts of this city's golf fans in the palm of his hand.

The flashily dressed pro from Ojai, Calif., yesterday won the \$10,000 Tucson Open for the second straight year with a smooth five-under par 65 and a 72-hole total of 264, four strokes lower than the record for the par 35-35-70 El Rio Country Club course he established last year.

He won the hearts of the citizens when he sang the popular song "Surrender" during the presentation of prizes. Surrender was just what Demaret had refused to do as he teed off on the final 18 holes with a one stroke over PGA Champion Ben Hogan of Hershey, Pa., who captured second place with a 267. Hogan carded a 67 around the 6,400-yard layout yesterday after he three-putted the 18th green from within 10 feet.

One stroke back of Hogan was Jim Ferrier, transplanted Australian who calls Chicago home. Hogan drew \$1,400, Ferrier \$1,000. Grouped behind Ferrier at 270 were Herman Keiser, Akron, O., who established a new competitive course record for the club here with second round 62; Jim Turnesa, White Plains, N. Y., and Jack Mardin of El Paso, Tex.

Glovers Plunge In Final Week Of Training

The local Golden Gloves boxing team plunges into its final week's work at the Salvation Army citadel gymnasium around 7:30 o'clock this evening.

All hands are expected to be on deck with the exception of Billy Bob Whittington and Jimmy Eppler, who are still in the running for high school titles in the Abilene show. They scrap there tonight.

George Clutchee, the Big Spring Athletic association's trainer, says his charges will probably swing mittens tonight and Tuesday and then taper off with light calisthenics on Wednesday. All are due to be in near top shape by the time the battlers step through the ropes in the Thursday preliminaries.

Clutchee has invited all youngsters who desire to learn the art of fisticuffs out for the drills, regardless of whether or not they decide to enter the show. He advises he will have ample time to train them for future action.

All in all, the trainer is highly pleased with the showing of his gang in the Abilene tournament. He expects Roy McMillan, Jimmy Pedan and Carroll Cannon along with Whittington and Eppler to show to advantage in the big three-night show, which will be terminated on Saturday.

In July, 1776, the same month and year of the signing of the Declaration of Independence, Father Escalante, a noted Spanish missionary, was the second white man to visit the territory of Utah.

Seven Minor Changes Made In Grid Rules By NCAA Body

KERRVILLE, Feb. 3. (AP)—Seven changes will be carried in the football rules book next fall but their application will bring little notice from the fans.

The rules committee of the National Athletic Council wound up its first meeting in Texas yesterday with few important revisions.

Liberalization of the substitution rule whereby each team may send in a player while the ball is dead although time still is in. Banned the so-called running shift by ruling that the shift play which simulates a regular play will be penalized as a false start.

Other rule changes were: The ball will be moved in from the sidelines after out-of-bounds plays to one-third the width of the field. The rule has been 15 yards but now it will be 53.4 feet—almost 18 yards.

On a try for point after touchdown if the kick is blocked the ball will become dead and can not be run over or passed. On disqualification fouls, the

player will be removed from the game but instead of a penalty of half the distance to the goal line it will now be 15 yards.

The committee rewrote the rules governing illegal use of the hands and arms for clarification and to tighten up on their enforcement for prevention of injuries. It also decided that on fouls that occur after the ball has been kicked across the line of scrimmage but not yet touched by a player, penalties except for unnecessary roughness and illegal use of the hands will be inflicted at the point of the foul. For unnecessary roughness and illegal use of the hands the penalties will be from where the ball was put in play.

A committee headed by H. O. (Fritz) Crisler of Michigan will confer with manufacturers of equipment to seek changes that will mean use of softer materials on headgear and pads. This is in the interest of injury prevention.

LOOKING 'EM OVER

Unless some civic minded angel comes forward with an offer to finance construction of a park, Big Spring fans are due to watch this season's professional baseball wars from a distance.

That much became apparent this week when it was learned that the service organization which had been 'invited' to assume the reins in the financial drive turned thumbs down on the offer after due consideration. So the whole project becomes a hot potato nobody wants.

It isn't that the gold isn't there, for it is. The objective—\$15,000—would be a lot easier to raise today than three or four grand was a half dozen years ago. However, our tribesmen, by confession, are a busy folk who haven't the time to dedicate toward the drive.

The campaign has been rocking along since Christmas. It has spluttered into life, then quit, like a balky engine. Lou Baker has been the central figure in what little effort has been put into the venture, but Lou can't do it all. It is going to take 50 men to get us over the hump. Apparently they are not to be had. It will also require the unlimited assistance of all the village's service clubs. Obviously, no effort has been made to rally to the project within those organizations.

So, it looks as if we will sit this one out.

Joe Langston and Claud McAden, who bargained to run the business end of the local Longhorn league entry, are away ahead of us. They stand ready to open the campaign and with a good ball club, if they get a place to play. It can now be announced that they've made a deal with Our Town's Pat Stasey, whereby Patrick will have a financial interest in the set-up and run the club affair, if the thing jells. A more popular choice for the managerial pots couldn't be made, for Stasey got his start in pro ball here and had advanced to AAA circles when the war came along. Then he went into the service.

The hard-hitting outfielder is perhaps the most popular player ever to wear local spangles. If he stepped in as the No. One man here this year, he would go as an active player and hold down a regular position in the outfield.

Lloyd "Pat" Patterson, who won 23 ball games for Lamesa in 1946, is also ready to sign on as a part time operative for Big Spring. He maintains his arm, which gave him some trouble in '41, hasn't given him a bit of trouble in several years.

Langston et al have been busy lining up other players and assuring themselves that Washington is prepared to carry out its proposed working agreement, which it is Joe Cambria, with whom Langston signed the pact in California several months ago, notified Langston recently

that he had eight or ten players ready to ship here. Joe is on a scouting tour in Cuba now.

Uniforms have also been ordered. Our home togger will be white trimmed in red, with white caps set off by very red bills (rather like the St. Louis Cardinals). The road monkey suits would have a grey background with the scarlet trim.

Langston has ordered 20 dozen bats, which will be enough to open the season.

It seems it's our move now. Either we deliver the goods or we domino.

Coahoma Bulldogs To Sterling City

STERLING CITY, Feb. 3. — Coach J. Z. Thompson brings his Coahoma Bulldogs to the Sterling City gym tonight to do battle with George Tillerson's Eagles in a District 21B basketball game.

The Bulldogs will be satisfied with nothing short of a victory, since they still have a chance at the district title. On the other hand, the Sterling City boys will be out to drop the Coahomans from the league race.

Buildings Gutted

BONHAM, Feb. 3. (AP)—Three business buildings in Bonham were gutted by fire of undetermined origin early yesterday with a loss of \$6,000 estimated by owner Bob Cline.

Injury To Regular Hurts SMU's Chances In Race

Ponies Face TU In Crucial Go Saturday Nite

Southern Methodist's Mustangs have sustained the first major injury of the Southwest Conference basketball season and as a result the long expected two-way title race between Texas and Arkansas looms more than a possibility.

Southern Methodist, with only a loss to Texas in four conference starts, is the only team holding more than a mathematical chance at the title, other than undefeated Arkansas and Texas, and next Saturday's Dallas struggle between the Mustangs and Longhorns has been tabbed as the first of five crucial February tilts that should determine the 1947 champion.

Texas became an even stronger favorite today, however, with the announcement that Roy Pugh, SMU center, received a badly sprained ankle Saturday as the Dallas team defeated Texas Christian, 55-36.

Dr. Robert E. Morgan, team physician, said last night that Pugh would not be able to compete against Texas and that "it might be a long time before he'll play any more basketball."

As second highest scorer for the Mustangs in both full-season and conference totals, Pugh's absence definitely would be felt, particularly in view of the fact that Coach Whitey Bacus has been hindered all season by lack of top ranking substitutes.

Texas, however, must overcome two other opponents before moving into Dallas Saturday. The Steers tangle with Texas A&M tonight at Austin and meet Texas Christian Friday at Fort Worth.

Meanwhile, Arkansas entertains Baylor on Friday and Saturday at Fayetteville. Baylor bounced back last week to defeat Texas A&M, 44-39, and Texas Christian, 58-46, to move into fourth place in conference standings.

Rice meets SMU in Dallas Friday and TCU in Fort Worth Saturday. Two non-conference games will find TCU playing Oklahoma tonight at Norman and A&M tangle with Houston YMCA at College Station Saturday.

Texas and Arkansas trounced two non-conference opponents last week, the Longhorns winning from Southwestern University, 63-39, and the Razorbacks defeating Arkansas State Teachers, 59-39.

Should Texas and Arkansas win all their games this week, interest would then center on a two-night stand of the Porkers in Dallas with SMU, Feb. 14-15, and their invasion of Austin two weeks later to meet Texas.

MARTIN UNBEATEN Burns Gets Second Chance At Tulsan

Bobby Burns, the Butte badman, tries to fell one of the giants in local wrestling society at the West Texas Auction barn tonight when he challenges the unbeaten string of Tulsa's Wayne Martin.

The round-man from Montana has been none too successful here as a gladiator. In four appearances, he's been able to bat .500. His victims were George Curtis and Johnny Carlin while he was vanquished by Pollo Condova and Martin.

Promoter Patrick O'Dowdy decided to match the two again when Burns protested that the Tulsan had slipped up on him while he was exchanging pleasantries with the crowd. That, in itself, is something. Burns gives the spectators a slow burn, to say the least.

Martin, incidentally, will be out after his first bourbon victory in three weeks. He was awarded a decision over Gorilla Pogi two Mondays ago when Pogi insisted on trying to put the lights out for Referee Olon Boynton. Last week, the scorer and Dory Detton went to a rousing draw.

The performance of newcomer Jack Pappenheim of New York City in the 8 o'clock opener will be closely watched. Pappenheim, who comes to grips with Johnny Carlin, comes with great promise. He reportedly is a crowd pleaser

and, if he shows anything, the spectators are sure to be rooting for him, since Carlin thrives on villainy.

The Boston veteran started slowly here but improved his stock with a couple of victories before Pogi put the evil eye on him last week. Now, he starts anew.

Sectional Champions To Be Decided Soon

FORT WORTH, Feb. 3. (AP)—District winners to compete in the eleventh annual Texas Golden Gloves state tournament here Feb. 12-17 will be completed this week.

Tyler, Beaumont and Harlingen will start their matches and Dallas and Abilene will hold finals tonight. Tournaments will start at Houston Tuesday, at Brownwood Wednesday and at Big Spring and Waco Thursday.

'Liberal' Faction Of Texas Young Democrats Votes To Keep Fighting

WACO, Feb. 3. (AP)—The faction of Young Democrats of Texas known as "Liberals" has voted to continue its fight for recognition by the National Committee of the Young Democratic Clubs of America.

The Liberals voted to return the money to the persons in whose names it was paid if the offer to send it to the National Foundation was rejected.

Regarding the recognition fight, Smith told delegates at the meeting that the constitution of the national organization provides that charters can be issued to state clubs only by the national executive committee.

AUSTIN, Feb. 3. (AP)—The Secretary of the Livestock Sanitary Commission, employed on a full-time basis, may not be paid her salary if she is at the same time employed by a private firm.

Employment of the secretary by a private firm is incompatible with her state employment declared the opinion, written by Cecil Speer, assistant attorney general.

The opinion was requested by Roy Loventhal of Lufkin, chairman of the Livestock Sanitary Commission of Texas.

Such a practice is contrary to public policy and inimical to the public interest, the opinion continued.

Housewife Unable To Eat Meal After Careful Preparation

One lady recently stated that she used to throw her own dinner to the dog most of the time. It made her sick just to look at anything to eat. She was swollen with gas, full of blood, had headaches, felt worn out and was badly constipated. Finally she got INNER-AID and "saves she now eats everything in sight and digests it perfectly. Bowels are regular and normal. She is enjoying life once more and feels like "some other woman" since taking this New Compound. INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores. (adv.)

Negro Jailed After Deputy Sheriff Shot

DURANT, Okla., Feb. 3. (AP)—A negro from Sherman, Texas, was being held in an undisclosed Oklahoma jail today in connection with the shooting Saturday night of James C. Farrington, 29, Bryan county deputy sheriff. Farrington is in critical condition at a hospital here. The negro was arrested at his Sherman home Sunday. Farrington was shot in the stomach as he and Constable B. G. Knight of Durant arrested a negro for possession of whisky during a routine check of a tavern south of here.

THE TIMID SOUL

Quartet Of Yeggs Taken By Police After Gun Battle

CHICAGO, Feb. 3. (AP)—Police had two bodies and two prisoners today of a quartet of safecrackers taken Saturday night after an hour-long siege which saved 300 depositors, of a currency exchange an estimated \$1,000,000. The bodies were identified by Police Capt. Matthew Murphy as Richard A. Dolan, 32, Chicago, and George D. Bliss, 39, Rockford, Ill., both ex-convicts. The prisoners, who surrendered about a half hour after 70 policemen surrounded the exchange were identified as John Walsh, alias Danny McGeoghegan, 31, and John O'Brien, alias Arthur Bulla, 35, Chicago, also ex-convicts. An inquest was to be held today in an effort to ascertain whether Dolan shot Bliss then himself rather than surrender to police. Dr. Jerry Kearns, coroner's physician, said his examination showed powder burns around the wound in Dolan's head, but none on the head wound of Bliss. One detective who estimated the intended loot at about \$1,000,000 said it may have included operating funds of racing book operators, along with late Saturday cash receipts of many southside merchants. The safecrackers were surprised at their work by the policemen who were tipped off by a janitor in the building. When the officers laid siege to the exchange in the glare of eight squad car spotlights, the intruders had rounded up six residents of the building in an apartment above the exchange under guard of Dolan.

BREAKS LEG ON WAY TO WEDDING

CHICAGO, Feb. 3. (AP)—Edward W. Predl, 28, fell downstairs at his home and suffered a broken leg while en route to his church wedding, but he arrived in a wheelchair only two hours late. The bride, Miss Betty Conway, 21, and 150 relatives and friends waited at the church Saturday without knowledge of Predl's misfortune. After the wedding the bandaged bridegroom returned to Evangelical hospital in an ambulance. The bride went alone to the wedding dinner and reception.

NEIGHBORHOOD CRIES FOR HELP

EL PASO, Feb. 3. (AP)—Police answering a call on White Oaks Street found the neighborhood literally crying for help. Investigation showed that boys playing on a vacant lot had stumbled across more than a dozen tear gas canisters, presumably old army equipment. The boys broke several, and the wind did the rest.

Legionnaires To Play Union Quint Tonight

A good Union team will be host to Pete Farquhar's American Legion team of Big Spring in an exhibition basketball game at the Dawson county school gym tonight.

Frame Of Exploded Barge Is In Canal

GALVESTON, Feb. 3. (AP)—The twisted frame of barge NBC 757, one of three barges involved in a collision and explosion in the intracoastal canal Saturday night, remained in the canal today but navigation was not blocked.

Court Dismisses Defense Motion To Help Tojo

TOKYO, Feb. 3. (AP)—Defense motions for the dismissal of war crimes charges against former Premier Hideki Tojo and 25 other Japanese leaders were denied as "not well founded" today by the international tribunal, which then recessed for three weeks to allow the defense time to prepare its testimony.

Padre Situation Is Worked Out

DALLAS, Feb. 3. (AP)—The San Antonio Missions of the Texas league will remain on the road at least eight days at the opening of the season in April to permit completion of a new ball park.

County Library Gets Donations

Additions through donations have been made to the Howard County Free Library, Katherine McDaniel, librarian, announced Monday.

Fire-Fighters Due To Stop Well Blaze

LOGANSPORT, La., Feb. 3. (AP)—A crew of oil field fire-fighters from Houston was expected here today to attempt to extinguish a blaze which has been roaring unabated at the Skelly Oil Company's No. 1 Thelma Nash well since Saturday morning.

Go it French? Go it American?

YOU CAN WIN A FREE Tula HOUSECOAT OR NEGIGEE

The Spring 1947 Tula collection was inspired by the world's great fashion centers. Part of this collection was inspired by the leading French couturiers . . . other styles were created by Tula's designing staffs in Hollywood and New York.

Do you think you can tell which are French and which are American?

Seventeen styles have been photographed in full color and in third dimension realism. You can see them right now in our Negligee Department.

CONTEST RULES

- As you see the miniature fashion show, just check your answers on entry card supplied by us.
- Fill in sentence "I like Tula because . . ." in 25 words or less.
- In the event of more than one contestant answering correctly, best accompanying sentence will determine winner. Decision of the judges will be final. Employees of this store, and the manufacturer and affiliates are not eligible for this contest. Answers become property of Tula. Winner will be awarded any Tula gown retailing up to \$29.50.

CORRECT ANSWERS WILL BE POSTED FEBRUARY 17TH

Salesclerks will provide entry cards, with no postage required. Answers must be mailed before February 15th, so come in early.
