Plans Shape Up For Celebration

With the annual Fourth of July Celebration less than a month away, plans are shaping up fast for the big celebration.

R.A. Bradley is chairman of the Businessman's Activities Committee of the Chamber of Commerce and general chairman is Bill Loyd, Co-chairman of the BAC.

Starting the event off in the right manner will be booster trips to surrounding towns. Harvey Bass is chairman of the booster committee and urges each business to have at least one representative on the trips. Tommy Blac and Earl Harris are joint chairmen of the annual Sidewalk sale which will be held on July 3. Everyone is asked to wear western or pioneer clothing during the day.

For two days preceding the celebration on the fourth, a Junior Rodeo will be sponsored by the Muleshoe Roping Association. This popular event draws many contestants and hundreds of observers each year. Parade Marshal this year is Jeff Smith and Morris Nowlin is chairman of the World's Champion Mule Shoe Pitching Contest. Nowlin said three divisions will be awarded this year; junior, senior and ladies'.

and the World Champion Winner will be featured in the afternoon parade.

Chairman of the annual barbecue will be Joe Pat Wagon, with the Lions Club Serving and the Ladies Auxiliary of the Chamber of Commerce preparing the food.

Delbert Berry is chairman of the model airplane show and the Muleshoe Jaycees will be in charge of the ride-in breakfast. Ken Petree will be chairman of the Pony Express Relay Race and Olan Burrows is in charge of the special Kwahadi Indian Dancers who will perform.

Fire works will be under direction of the Bailey County Volunteer Fire Department and an Art Show will be sponsored by the Ladies Auxiliary.

During the afternoon of the 4th, Frank Snyder is chairman of the Old Settlers Reunion and Joe Carroll is chairman of a display of antique cars. John Fried is in charge of Sheriff's Poses and a wagon pulled by six Percheron horses will be featured in the parade. Beauties in the parade will include Miss Muleshoe, Treena Bryant;

Drawing Scheduled Saturday, June 20

Last year, as an added attraction in Muleshoe, a Dad's Fishing Wagon was given by local merchants to a lucky father just before Father's Day in June.

The promotion proved to be highly successful as 86 merchants participated in the event. Hundreds of people jammed the streets and sidewalks for the drawing of the name of the winner. A rainy, Saturday afternoon served as no deterrent as the people waded water puddles and mud to stand around the Mule Memorial during the drawing.

Eugene Buhrman was the lucky winner last year.

This year, the Businessman's Activities Committee of the Chamber of Commerce will again host a Father's Day promotion. This year's lucky prize will be a Dad's Camper.

The fold-out camper on a self-contained trailer will be presented at 2:30 p.m. on Saturday, June 20 on the Courthouse Parking Lot.

The rules for sign-up are simple. (1) A person has to be 16 years old or older in order to be eligible to register; (2) the registrant must be in the name of a man who is 16 years of age or older; (3) all of the registration blanks will be gathered and put in one large container for the drawing to be held June 20, 2:30 p.m., Courthouse Parking Lot; (4) you must be present at the drawing to win; (5) no purchase necessary in order to register and (6) each participating business is responsible for their individual registration box.

Cross Roads Cafe To Celebrate 32nd Anniversary

In a flyer announcing their grand opening on June 10, 1938, the original Cross Roads Cafe announced "Formal opening of our new Cafe building with a strictly high class service to our customers." The new establishment was begun by Mrs. Beulah Motheral and Mrs. Mary E. Hart just east (on the corner) from the present Cross Roads Cafe.

Next week, on Wednesday, June 10, 1970, present owners of the Cross Roads Cafe, Harold and Lois Reynolds, will celebrate the 32nd anniversary of the restaurant.

Mr. and Mrs. Reynolds have owned the Cross Roads Cafe since January 15, 1968 and from approximately two months after they acquired the restaurant, they have carried out an extensive remodeling program.

Included in the remodeling process has been paneling the walls, painting inside and outside the facility, adding window boxes for flowers, adding siding to the outside, outside ornamental shades, new equipment, large air-conditioners, and closing in the east and west doors and opening a north entrance.

As a special way to say 'thank you' to all their customers, Mr. and Mrs. Reynolds are offering hamburgers at the special price of 30 cents each during the day.

The Reynolds have lived in Muleshoe for several years. Mrs. Reynolds moved to Muleshoe from Electra in 1942 and Reynolds moved here from Brownwood in 1952. They have

Jon Cole Leaves For Boys State

A Muleshoe High School junior student, Jon Cole, son of Mrs. Mittie Cole of Muleshoe, left Saturday for the 1970 session of American Legion Boys State at Austin.

Jon was chosen from MHS to represent the students from the school during the session. He and his mother, Mrs. Mittie Cole, accompanied Mr. and Mrs. Jerrell Ottwell, Jerry Ottwell, Mr. and Mrs. Chester Yerby and 1970 American Legion Auxiliary Girls' Stater Lee Ann Yerby, to a dinner in Lubbock last Tuesday night. The dinner was held in honor of the regional boy and girl staters.

Ottwell is commander of Ben Richardson Post 403 of the American Legion in Muleshoe and Mrs. Ottwell is president of the Muleshoe American Legion Auxiliary.

Boys State began Saturday, June 6 on the Campus of the University of Texas, according to Henry H. Hill, Department Commander of the American Legion.

The program sponsored by the American Legion, Department of Texas, is an annual event in which the organization teaches boys the responsibilities or citizenship in actual "do it yourself" type program from which comes its motto, "Learn by Doing."

Following registration Saturday, the new citizens of Boys State assembled for orientation in their respective Boys state cities.

Seven hundred and eighty-five boys have been enrolled, making it necessary to expand the program by two Boys State Cities making a total of eighteen. Each Boys State City is named in honor of a Past Department Commander of the Legion who is now deceased, according to Hill.

"The American Legion is stressing its belief that youth should be offered a better perspective of the practical operation of government; that the individual is an integral part of, commensurately responsible for, the character and success of his government. Boys State is an activity of high educational value, born out of a need for youth training in practical citizenship," added the Department Commander.

YES Employers Urged To Contact Chamber Office

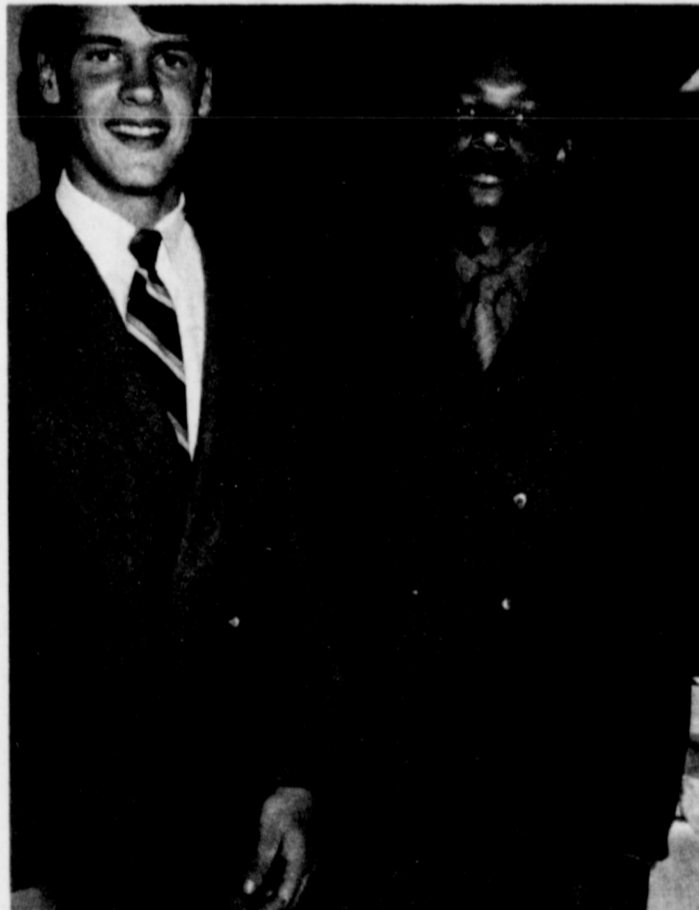

Chamber of Commerce Manager Jerry Hutton said prospective employers are urged to contact the Muleshoe Chamber of Commerce for names of youths interested in summer employment.

All types of summer jobs are solicited including; farm workers, irrigation pipe movers, yard work, baby sitting jobs, home jobs, such as minor repairs and housecleaning, grocery store jobs, service station jobs and shorthand and typing.

The Chamber manager said some 50 youths have signed up at their office and more are coming in all the time. He added that with both boys and girls available, he feels that prospective employers will be contacting his office shortly. During its first year of operation in 1969, some 42 youths were placed in summer work and if the employers become available, additional youths can be put to work during the summer months this year.

future goals within sight by developing civic leadership and pride in American citizenship; by arousing a keen interest in the detailed study of our government; by stressing the importance of maintaining our form of government and by bringing a full understanding of our American traditions and beliefs in the United States of America to more than 27,000 youths throughout the nation who participate.

JON COLE-BOYS STATE DELEGATE--Jon Cole, foreground, is pictured with Boys State Governor Edwin Collins, who is a student at Del Valle High School in Austin. Collins was guest speaker at an American Legion Auxiliary banquet last week which honored 250 area representatives and their families. Cole left Saturday for the Boys State session which will be held during the week in Austin.

My Debt To My City

My City owes me nothing. If accounts were balanced at this date, I would be the debtor. Haven't I, all these years, lived within the limits of the City and shared all its benefits? Haven't I had the benefit of its schools and churches? Haven't I had the use of its libraries, parks, and public places? Haven't I had the protection of its fire, police, and health departments? Haven't its people, during all this time, been gathering for me, from the four corners of the earth, food for my table, clothing for my body, and material for my home?

"Hasn't this City furnished the patronage by which I have succeeded in my business? Hasn't it furnished the best friends of my life, whose ideals have been my inspiration, whose kind words have been my cheer, and whose helpfulness has carried me over the greatest difficulties?"

"What will I give in return? Not simply the taxes which cover so small a part of what I have received I want to give more; I want, of my own free will, to give enough that I can rightfully say, 'This is my City,' so that I can take pride in 'my City' so that I can take pride in its prosperity, in the honors which come to its citizens, and all that makes it greater and better."

"I can do this only by becoming a part of the City -- by giving to it generously of myself. In this way only can I, even in small part, pay the great debt I owe to my City."

Lazbuddie News

Mrs. Richard Engelking
Mrs. Don R. Davidson of Hereford and Mrs. DeBoe Carpenter recently made a trip to Houston to attend a memorial service in honor of Don Davidson, who was the director of Kings Manor at Hereford before his sudden death last summer.

The meeting for all Nursing Home executives was held in the beautiful Astrohall and was a very impressive ceremony with Dr. Hawthorne of Galveston quoting the entire 13th Chapter of Corinthians by memory and comparing it with Don's wonderful works with the aged and as pastor for many years. He was pastor at Lazbuddie United Methodist Church about five years ago.

On the return trip they visited Moody House, a beautiful nine story retirement home in Galveston and spent two days with Mrs. Don's daughter at Dallas.

Mr. and Mrs. Terry Bass of Denver, Colo. have been visiting the Roy Farleys and his parents, Mr. and Mrs. Henry Bass of Muleshoe. Charlene Farley is Terry's sister.

Alfred Scott has been confined to the Clovis Memorial Hospital this week.

Mr. and Mrs. Valton Morris are grandparents for the first time since the recent arrival of Brian Keith, new son of the Eddie Morris'. Maternal grandparents are Mr. and Mrs. Junior Mills of Muleshoe.

New harassment of Czech church reported.

WHAT EVIL LURKS IN THE HEARTS OF MEN?--When the Texas Tech Red Raider golf tournament took place last week, at the Muleshoe Country Club, participants were shocked to discover along the fairways vandals had placed orange barrels with white lettering. Muleshoe "super sleuth", Darrell Oliver, has announced he will turn a list of the delinquents names over to the police as soon as his investigation is completed. Outstanding ecologist, fearless Max King, reports that signs of this nature could affect wildlife, young mothers and small children and cause a change in the way of things. Sources reveal that in the near future it is anticipated that Tim Campbell will announce that he is posting a large reward for apprehension of the culprits.

Jane Blackburn, Elementary I-III; Louise Engelking and Linda Elliott, Elementary IV-VI Kitty Gallman and Sandy Gregory, Music; Johnce Seaton and Le Ann Farley.

Visiting with Mr. and Mrs. Kelly Mimms and Carl over the week-end were Mr. and Mrs. Marshall Pior and Neil of Sweetwater. The Piors are the parents of Mrs. Mimms.

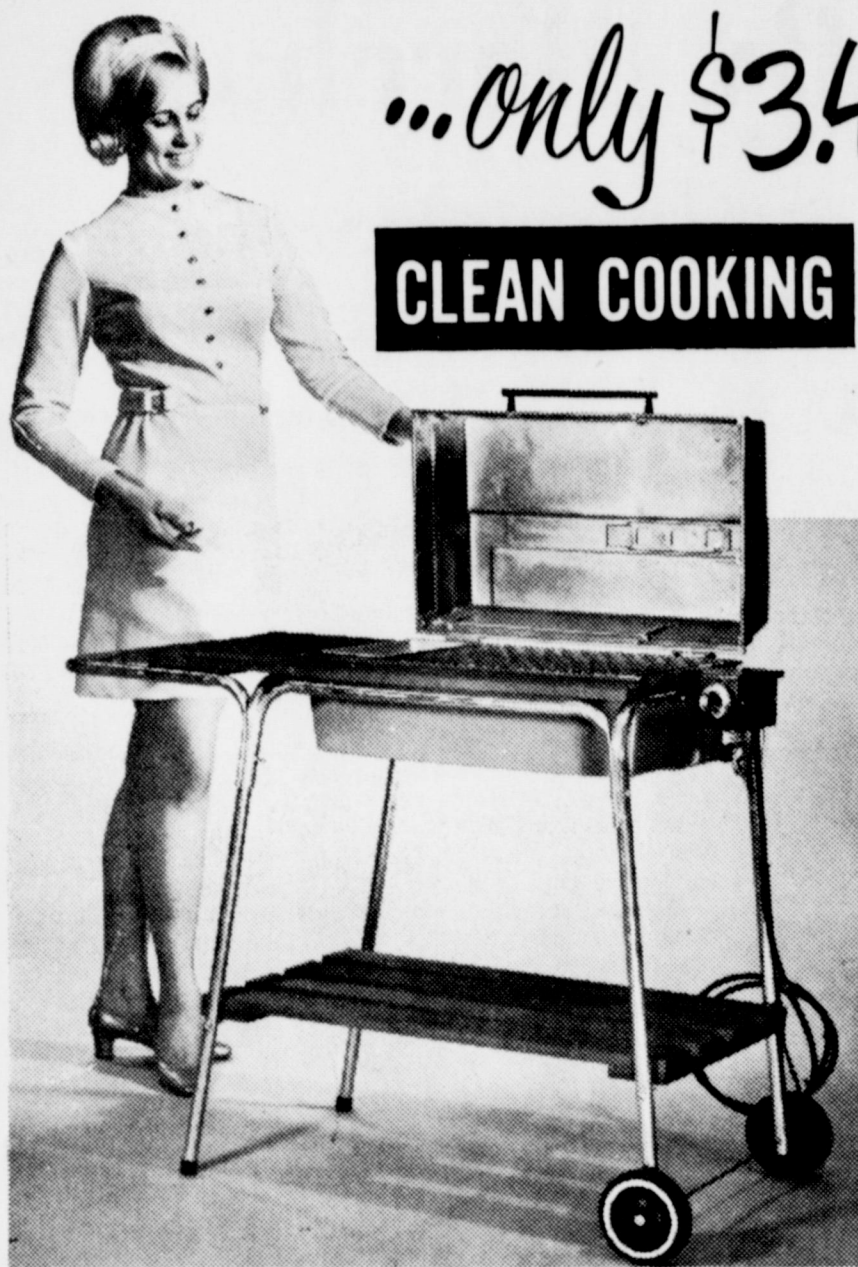

Sincere sympathy is extended to the Snodgrass family in the passing of their father Brad Snodgrass, 88, who made his home with his son, Vernon, Jerry Engelking accompanied Paul Wilbanks to Marshall, Ark. where they will make the annual Wilbanks family float trip down the Buffalo River in the beautiful scenic Ozarks.

Recent visitors in the Pete Mimms home were Mrs. Mimms mother, Mrs. R. D. Bratton of Fort Worth and Jill Mimms of Lubbock.

Several end of school parties were held recently. Here are those we know about. The eighth graders converged at the Preston Cargile home after graduation exercises Thursday night, for a coke party and the enjoyment of several 'boy and girl' games. They also went on an outing to Palo Duro State Park at Canyon the following Saturday.

Seventh graders trekked to Friona for a swimming Party and 15 sixth graders enjoyed skating and the park in Clovis.

Freshmen found the Roy Miller home an attractive place for a swimming session and then Saturday Mrs. Dud Winders and Mrs. Raymond McGehee took them to Lubbock for a day of bowling, eating and fun at Mackensie Park.

take this year," continued Commander Hill. "Boys State is one of the outstanding youth training programs of the Americanism Commission of the American Legion," Commander Hill stated. "Not only do the youths learn more about the functions of government but also they see the importance of the role played by each good citizen in discharging his basic citizenship responsibilities in voting. They soon discover how the quality of government is related directly to active interest of each citizen."

On Friday, June 12, the citizens of Boys State will visit the State Capitol and actually sit in chairs of the office to which they were elected and run the state government for the day.

Things have really been popping around our office this past week. We had a very successful Tourist Ambassador Appreciation Banquet, and we appreciated everyone who worked on it.

We appreciate the work that Tommy Black, Johnny St. Clair, Earl Harris, R.A. Bradley, Olan Burrows, Roger Albertson and Bob Donaldson; and Louise Williams, Mildred Howell, Renee

Barrett, Lena Casey, Pat Hutton, Marie Bass and Marie Bradley of the Ladies Auxiliary, did on Dad's Camping Trailer. We already have close to ninety business participating, and we are shooting for one hundred.

We also kicked our Tourist of the Week program off this week, and would like to thank the Corral Restaurant for giving a free meal to the tourist of the week; Mac's Shamrock for giving a tank of gas; and Ranch House Motel for giving a free night's lodging.

Parents of the couple are Mrs. Edward Gaston of Sudan and the late Mr. Gaston and Mrs. Raymond H. Green of Muleshoe and the late Mr. Green.

The couple stood before a white velvet kneeling bench, with a background of a 26 candelabra holding white candles with apple green spider mums and greenery. In front of this stood two nine branch spiral candelabras flanked by three bouquets of apple green spider mums. Two single candelabras were placed on each side of the kneeling bench, these candles were used to light the memory candle. The pews were marked with tall single candelabras with bows and greenery at the base of each.

Miss Judy West, organist, furnished traditional wedding selections and accompanied Miss Sharron Wilson, soloist, as she sang three selections.

Escorted to the altar by her grandfather, Guy Nickels of Muleshoe, the bride wore a Victorian gown of white sateau and hand-run alean lace. The fitted bodice of lace featured a sheer yoked neckline and lace wedding band collarlet. Long bishop sleeves of the sheer sateau were gathered to wide cuffs of satin with button and loop closure. The controlled bell skirt was outlined in a wide border of satin appliqued

on with the lace border and deep folds at the back formed a full chapel train. A bandeau of white silk blossoms and leaves held her veiling which drifted beyond the length of her train. The bridal bouquet was a stephanotis, lilly of the valley and english ivy centered with a cattleya orchid.

As the bride walked down the aisle on the arm of her grandfather she presented her mother with a single white rose. Upon leaving the altar on the arm of the groom she gave the grooms mother a single white rose.

Her something old was a handkerchief belonging to her grandmother. Something new was her dress and something blue was a garter. She borrowed a ring from her mother and wore the traditional penny minted in the year of her birth in her shoe.

Miss Barbara Jane Brown of Crosbyton, Miss Susan Gaston, sister of the bride, Miss Sheila Howard of San Antonio, and Miss Andrea Thomason were bridesmaids. Mrs. Johnny Atkinson of Lubbock was bridesmatron. They wore identically gowned in Nile green chiffon featuring the Victorian motif. High cuffed necklines of green and yellow venise lace with velvet ribbon insertion was repeated at the high rise wasteline and cuffs with ruffles falling over the hands and flowing dirndle shirts. Their headpieces were three rows of cascading flowers made of the Nile green chiffon. Each carried a bouquet of white pom poms centered with an apple green spider mum with yellow and green streamers.

Parades of Houston, seating guest were Joe Pat Riley, cousin of the bride, Charles King, Smitty Aylesworth and Charles Jones.

After the wedding a reception was held at the church fellowship hall in a garden motif. Mrs. Gene McGuire, of Dallas, cousin of the bride, Mrs. Jerry Bruns, cousin of the bride and Dean McKinley of Fort Worth assisting in hospitalities.

The bride's table was covered with a white cloth. An extended four-tiered wedding cake, decorated with love birds between the layers and topped with wedding bells was served. The bridal bouquet was placed on the table to further enhance the table.

The grooms table held a bunte cake and a coffee was served from a copper urn.

For a wedding trip to their new home in Houston the new Mrs. Green chose a apricot dress. Her accessories were brown and she lifted the orchid from her bridal bouquet.

The bride attended Christian College in Missouri and Texas Tech as a music major. Her husband received from Texas at El Paso and is presently attending the University of Houston where he will receive his degree in law in August.

A rehearsal dinner was held in Clovis at the Holiday Inn, hosted by the groom's mother, Mrs. Raymond Green.

Tri-C's, FBC Players Present Tour Program

Sunday evening, at 7:00 p.m., the Tri-C's of First Baptist Church will present the Tour Program, "Songs of Praise and Testimony". The group, along with the FBC Players, the Church's dramatics group, will leave Tuesday evening for a 12-day tour of the Midwestern United States.

The concert Sunday evening will be patterned after similar concerts to be given in some twelve churches on tour. It features all levels of church music, from motets to folk. The Tri-C's received a Superior rating in their music festival at Earth earlier this year. Interspersed with the music will be testimonies by the youth of their experiences with Jesus Christ.

Following the concert, the FBC Players will present the tour drama, "The Cell" by Kirn. Depicting a band of early Christians awaiting execution by the Romans, the play enables one to see himself in various

characters; as well as, feel the pressure of death as it hangs over his head, just for bearing the name Christian.

The public, youth and adult alike, are cordially invited to attend this special night at First Baptist Church. A special effort is being made to fill the Sanctuary for these performances. As is customary in the evening services, no offering will be taken. Those wishing to aid in the tour ministry, however, can make donations to the Chair Fund of First Baptist Church, or purchase a recording by the Youth Choral Division for four dollars. Proceeds from this recording aids in tour expenses.

Tuesday evening, at 6:30 p.m., the group will leave on the First Baptist Church bus. All friends and well-wishers are invited to see them off at this time. A special service of Prayer and Dedication will be held at 6:00 p.m., prior to their departure.
