CHINESE PEACE MAN.

A Chinese peace plan, besides making suggestions for internal troubles, demands three things from the world powers as necessary to dispel international ill-feeling. First, that they halt loans to rival factions; second, that they halt selling arms to militarists; third, that they bring the unfinished portions of the Washington conference's action into effect immediately.

Judging from this paper it would appear that China may be sending civilizing missionaries to this country during the next generation. \*

And do you know that this vast sum could be saved and the dead letter office abolished if each piece of mail carried a return address, and if each parcel were wrapped in stout paper and tied with strong cord?

Ranger Club always plays a fast game and is hard to defeat.

There is perhaps hotting distressing to people who are bother with them, and surely nothing as displeasing to others who see them, as pimples, blotches, bumps, rash, scrofula, eczema, "breaking out" and similar skin disfigurer; support that Plack and White Moral: Every man knows his own address if not that of his correspond-
