Special Correspondence.  
DALLAS, June 2.—With Texas railroads guaranteeing a rate of one and a half fares for the round trip from points in Texas to Dallas, all indications point to the largest gathering of organized Bible classworkers in Dallas, June 16-18, ever held in America. When this convention met last year at Wichita Falls the registration of delegates reached beyond thirteen hundred. This year, it is estimated, will be in excess of 2,000. William P. Phillips of Dallas, declares that more than 3,000 delegates will be registered during the three days of this convention, not only from Texas but Oklahoma, Arkansas and Louisiana.

This convention was the first of its kind ever organized in the south and has for its objective the inspiration of its delegates to build great classes of men and women in the Sunday schools of Baptist churches for the study of the Bible and winning them to a personal acceptance of Jesus Christ as their Savior and Lord. The officers of this convention this year are gratified to announce the strongest array of speakers and conference leaders ever secured for the program of this organization. Besides many of Texas Baptists' strongest speakers and leaders, they have secured some of America's foremost platform artists, including Dr. William Russell Owen, the gifted pastor and orator of the First Baptist church of Macon, Ga.; Dr. Lincoln McConnell, lecturer, humorist and pastor of the First Baptist church of Oklahoma City; Dr. David J. Evans, pastor of First Baptist church, Kansas City, Mo., who built and is teacher of the largest men's Bible class in the world, in that city, having had as many as 52,000 men in attendance on Sunday; Dr. W. F. Powell, pastor of the First Baptist church, Nashville, and teacher of a great class of 1200 men; Dr. H. R. Holcomb of First Baptist church, Mansfield, La., one of the foremost church builders of the south; Dr. I. J. Van Ness, the leader of Southern Baptist Sunday school work; Mr. Ben Johnson, prominent banker of Shreveport, La., and teacher of a men's Bible class; O. B. Webb, assistant to the president of the Texas and Pacific railroad, formerly of Dallas, and many others. Professor I. E. Reynolds of Fort Worth and Henry V. Irgill Reynolds of Denton and their associates will direct a musical program.

It's a curious fact that governmental reports show the world has too much coal. According to the law of supply and demand the price should be getting lower instead of higher.

If the suggestion of a New Jersey health authority is followed, automobiles will have smoke-stacks. He claims that the poisonous burned gas should be expelled above the car instead of below it.

**EVIDENCE MAY BE LACKING TO HOLD CONSPIRATORS**  
By United Press.

LOS ANGELES, June 2.—Three men arrested for an alleged attempt to kidnap Mary Pickford and others may escape punishment for lack of evidence. The police say the alleged conspirators have confessed to the plot in which they were to have abducted Mrs. Douglas Fairbanks and held her for \$200,000.

The district attorney doubts if the case can be pressed, because no actual crime was committed. He described the three held as "small fry" because the seriousness of the alleged plot dwindled in the realization that their plan never had a chance for success.

Meanwhile Miss Pickford is unfrustrated concern about the proposed plot to kidnap her has refused to permit the police to provide her with an escort.

A capacity crowd, taxing the seating arrangements of the Liberty theatre listened attentively last night to former Governor Charles W. Bryan of Nebraska deliver a forceful address on "The Government's Business."  
Governor Bryan's address was entirely non-partisan, but patriotic and constructive throughout, emphasizing the importance of the individual in government affairs and pointing out how the individual could give material aid.  
Preluding the address of Governor Bryan the audience was entertained by Clayton Staples and company, who gave an excellent act exhibition. The Staples company was on the afternoon program also.

**MAGNOLIAS IN FINE FORM FOR SUNDAY'S GAME**  
Breckenridge Fails to Give Koch Right Kind of Support; "Kid" Hale Unbeatable  
The Ranger-Magnolias broke a losing streak at Parks Camp Sunday afternoon when they handed the Breckenridge Dynamos a 5 to 2 licking and incidentally performed that stunt with Charley Koch doing the chucking for the Breckenridge outfit.  
It's not that Charley did not pitch a fine game, for he did that, but the Dynamos bobbed behind him like a car on four flat tires. The Ranger club made nine scattered hits off the long boy and the team behind him mixed in nine errors.  
But it would have taken a better brand of pitching than Koch put up at that to have beaten the Rangerites Sunday afternoon, for Kid Hale was in unbeatable form. The slim hurler had the pellet doing stunts that mystified the Dynamo sluggers throughout the contest. Thirteen of those hard swinging lads perished via the whiff route. "Needle" Sisk was set down three times on strikes. In fact, the best Protest Bill could do all afternoon was to lift a pop fly to Dean.  
Hale struck out the side in the first stanza and just to prove that it wasn't an accident accomplished the same feat in the eighth. Old Pop McArdle, who connected for three sizzling singles was the only Breck athlete who had any luck with Hale's offerings.  
The Ranger club put up a fine game behind Hale and had the necessary punch to put over runs after Koch's hobbling mates put men on the sacks. White, Ranger catcher, led in slugging with a double and a triple.  
Robinson led off with a single to left in the second and Jarrett doubled him home. Rainey singled and Blankenship was safe on Koch error. With the sacks loaded, Wilson tapped to Koch, who got Jarrett at the an and White was doubled at first. Hale whiffed.  
Jarrett opened in the third with a single and Rainey fanned. Jarrett took third on Johnson's overthrow of first and scored on McArdle's boot of Blankenship's skipper. Blankenship scored on White's double. McArdle tossed out Hale, White on third. Week singled, scoring White. Dean rolled to Williams.  
The Dynamos scored one in the third and two were out on Koch's two bagger and Robertson single.  
They scored one in the fifth on a walk and singles by McArdle and Johnson.  
The Ranger Magnolias made the final tally in the sixth on Tabor's error and Hale's two base knock.  
Next Sunday the rejuvenated Ranger outfit will tackle the Miners at Thurber.
