F. G. Yonker Empties Shipment Intended for Chestnut & Smith Lake.

Ten thousand fish in a single shipment from the state hatcheries went into their new home in Leon lake last week, when F. G. Yonker, superintendent of Chestnut & Smith corporation, emptied containers full of black bass into the lake. They were received direct from the state hatcheries. Several more shipments are expected in the near future, according to reports.

The fish were received by Chest.

The fish were received by Chestnut & Smith corporation for its own lake, known as Frost lake, which is close by the company plant on the Bankhead highway, three miles west of Ranger, but the water in Frost lake was so low when the fish came that Mr. Yonker decided it would be best to place them in Leon lake. best to place them in Leon lake.

Fishing is positively prohibited in Frost lake, and there are fishing restrictions on Leon lake. "Opportunity should be given for the recent shipment of fish and others that are yet to come to attain a respectable size," said Mr. Yonker.

murder of W. L. Milstead and assault upon her.

The sister and mother of Noel were taken into custody during the night and will be held for questioning, district attorney Cox said, following the discovery of a gun believed used in the Milstead slaying. Officers also found some bloodstained clothing and a copule of skull caps. The gun and other material was found secreted in the home of Noel's wife, who said his mother gave them to her.

Evidence is Strong.

While it is not just clear whether the county judge, who is said to have the backing of the commissioners' court in his order, is basing it on the statute which forbids stealing or some other enactment recorded in the penal code, he is acting entirely within his right, according to the traffic officers, who say the the state's traffic law provides distinctly that no vehicle that damages the highway may travel along it.

### FOR REAL HEAVY DUTY

Service—super service—is instantly apparent in the big new Kokomo Heavy Duty Cord.

W. B. Smith

You can see the rugged, lateral "bumpers" on the sidewall that prevent curb chafing and rut cutting.

You can see the Kokomo multi-member tread that makes for easy steering and counters skidding forces. You can't see the sound inner structure— but it is there, and in this tire is exhibit-ed more than in any other, the three decades of craftsmanship of the Kokomo

For tires that will stand up on good roads and bad, through the steady grind of hun-dreds of miles a day, under the punish-ment of speed and heat and cold—insist upon Kokomo Heavy Duty Cords!

### Eastland Mavericks Defeat Loboes of Cisco, 3-2 Score Plans Under way

The Cisco Loboes received an unexpected set back in their hopes for the state high school baseball cnampionship Monday afternoon when the Eastland Mavericks handed them the short end of a 3-2 count. It was the first defeat of the year for the Loboes, who had arranged a series with Waxahachie for the state title, beginning Thursday. It will first be necessary for Cisco to defeat Eastland, this afternoon, however. Eastland.

### Pct. Thurber Wins Ten-Inning Game From Eastland

THURBER, May 19 .- The Thurber baseball club defeated the Eastland club here Sunday afternoon in one of the fastest and hardest fought games played in Thurber this sea son. Eastland secured the small end of a 3 to 2 score that was a battle for 10 long innings. King pitched an excellent game for Thurber and struck out 11 Eastland batters, and the support that was given him in fielding and batting was very good, being marred by only two errors. Fairbairn pitched six innings for Eastland. He was going good for about five innings but finally weakened when Thurber scored in the sixth and was relieved by Robbins at the beginning of the seventh. Robbins pitched good ball until the fatal last of the tenth, when Shotgun Knight, with two men out, hit the old pill for two bases an dscored Bechtol from second, who had sin-gled and had stolen second. Thus ended a battle that was well played by both teams.
