RANGER VOTING PRECINCT SPLIT INTO 5 PARTS

Commissioners' Court Wishes to Facilitate Work of Election Judges and Clerks.

Ranger voting precinct No. 2 has been divided into five voting precincts by a recent order of the Eastland county commissioners. The order promulgating the four additional precincts declares that there are more than 2,000 voters in precinct No. 2 and which number makes it impossible for the election judges and clerks to expedite the tabulation work.

The order designates the Ranger voting precincts as No. 2, 25, 26, 27 and 28. The boundaries of these precincts follow.

Election Precinct No. 2

Beginning at a point on the Eastland county north boundary line, due north of the northwest corner of section No. 1, T. & N. O. Ky. Co survey; thence south passing said corner and continuing south to the southwest corner of said section No. 1, and continuing south through the S. J. Robinson survey to the northwest corner of the S. M. Hale survey and continuing south to the southwest corner of said Hale survey; thence in an easterly direction along the center of the Ranger and Pleasant Grove highway to where same enters Main street, Ranger; then along Main street to center of T. & P. Ry., thence in a north-easterly direction along center of the T. & P. Ry. to where same crosses the Eastland county north boundary line, in the S. Smith survey; thence west along the Eastland county north boundary line to point of beginning.

Election Precinct No. 25

From a point in Eastland county north boundary line, where T. & P. Ry. intersects same in the S. Smith survey, thence in a southwesterly direction along center of T. & P. Ry. to center of Hunt street; thence in a southeasterly direction along Hunt street to center of Thorpe street; thence in a northeasterly direction along Thorpe street to center of Strawn road; thence along Strawn road and Bankhead highway in an easterly direction to where same intersects with the west boundary line of the Robinson county school land survey; thence north along the west line of said Robinson county school land survey to where the same intersects Eastland county north boundary line; thence west along said boundary line to center of T. & P. railroad. Being point of beginning.

Election Precinct No. 26

Beginning at a point where the Wichita Falls, Ranger & Fort Worth railroad crosses Hunt street, Ranger; thence in a southeasterly direction of Hunt street to center of Thorpe street; thence in a northeasterly direction along Thorpe street to center of Strawn road; thence in an easterly direction along Strawn road and the Bankhead highway, to where same crosses the west boundary line of the Robinson county school land survey; thence south along the west line of the Robinson county school land survey to the northeast corner of the S. Dooley survey; thence continuing

'Truth Serum' Is Given to Prisoner In Jail at Dallas

DALLAS, Sept. 29.—Scopolin serum was administered to Pete Welk in the county jail last night in an effort to learn how he and Gaines came into possession of two pistols which they used Wednesday night in an effort to effect a jail delivery, at which time Gaines and Deputy Sheriff Willis Champion were killed. The serum, described as a "truth serum," was administered by Dr. Ernest Houst, its discoverer, in the presence of the sheriff and other officers.

Welk is said to have spoken freely under the influence of the drug. "We had good luck," said one of the officers, but that is all he would say.

RANGER'S OPPORTUNITY

Natural Gas Would Be Great Incentive for Manufacturers Who Could Be Attracted Here by This and Other Advantages, Says Visitor.

"Ranger could fill up her empty buildings and be a city of 15,000 or 20,000 in a couple of years if she went out and put her advantages before industrial men."

A northern business man was talking and he made this statement after he had walked around Ranger and saw empty store rooms, office and manufacturing plants. He added: "You have the gas, it is cheap and that is what the manufacturer up north and east is looking for."

He mentioned two factories located in Ohio, which are looking for new locations. He told the story of Sapulpa, Okla., which city, he said, looked 10 times worse than Ranger a few years ago. Sapulpa had her empty buildings, but the business men determined to fill them up. A bonus of \$10,000 brought

a factory to the town. It has grown and Sapulpa's prosperity after the oil boom dates back to the time the first factory was established. Others came and the city now has eight or 10 factories.

"If a Ranger commercial organization offered free gas to a manufacturer for a period of one, two or three years, you would see manufacturers coming to Ranger," he said. Buying a gas well or drilling one would have to be done by the commercial organization to offer this inducement. An adequate water supply for all purposes would be necessary and may easily be obtained.

"Think of 1,500 or 1,800 men on factory payrolls and a great number of them making \$8 and \$10 a day," he suggested. "How long would it take for this money to circulate in your city?"

COTTON CONTINUES TO SELL IN RANGER AT TOPMOST PRICES

J. W. Love, at 4:13 o'clock Friday afternoon stopped a load of seed cotton on the scales. At 4:30 o'clock he started for the cotton yard with his bale of cotton, which weighed 540 pounds. His seed cotton had weighed 1,540 pounds, so he had 950 pounds of cotton.

Mr. Love received a top price, \$27.90 for his cotton or a total of \$157.63. His cotton seed he sold at a rate of \$40 a ton, or \$19 for his 950 pounds, making a grand total of \$186.63 for the load.

The first three bales of cotton ginned Saturday morning sold at 28.25, the market having gone up slightly over Friday night. The market was strong at the closing hour Saturday. A total of 468 bales of cotton have been ginned in Ranger this year and the larger part sold here. A large amount of cotton in the Ranger territory has yet to be picked and ginned, it is stated.

BEAUMONT OFFICERS ON TRACK OF NEGRO SUSPECTED OF MURDER

BEAUMONT, Sept. 29.—Search for the slayers of Miss Bessie Carl of Houston and T. O. Rial of Beaumont, which occurred several weeks ago, was resumed today following a confession by a 14-year-old boy that he knew all about the crime. The boy was arrested for stealing a ride on a freight train and he named a negro man as the one who had committed the crime. Officers are withholding the name of this man until he has been arrested. While being questioned, the boy displayed an intimate knowledge of the murder, and further inquiry brought from him the name of the man he charges with the crime.

GREECE PAYS TO ITALY PENALTY FOR ASSASSINATION

ROME, Italy, Sept. 29.—The sum of 50,000,000 liras paid by Greece to Italy because of the Jania tragedy when five Italians were assassinated was received by the bank of Italy today from the bank of Switzerland, where it had been paid by Greece. This definitely settled the Greco-Italian trouble which started immediately after the assassination.

PRESIDENT OF TEXAS TECH WILL BE NAMED VERY SOON

AUSTIN, Sept. 29.—The president of the new Texas Technological college will be named at a meeting of the board of regents to be held in Dallas Oct. 20, according to an announcement today by C. W. Meadows, secretary of the board.

FRENCH TAKING STEPS TO STOP RUHR DISORDER

LONDON, Sept. 29.—Germany will give formal notice of surrender to France and Belgium early next week.

Contrary to expectations, French troops in the occupied Ruhr and Rhineland are likely to be increased Germany's internal situation will become critical immediately the order to resume work has been given, according to views expressed here and in Paris, and the occupational forces will be pushed to the border line between occupied and unoccupied Germany to be ready for any eventualities. If the German internal situation becomes critical, suggestion of interference may be in order from France.

This is understood to be a semi-official view of what will happen. An inter-allied conference will probably follow.

RHINELAND SEPARATISTS START RIOT IN DUESSELDORF

DUESSELDORF, Sept. 29.—Rioting lasting several hours in the suburbs of this city last night was started by an attack by men believed to be separatist sympathizers. The attacking party was driven off and several are reported to have been severely wounded.

There is much apprehension over what may happen tomorrow when the Rhineland separatists gather here for a celebration. A proclamation has been issued ordering all street traffic to cease tomorrow.

DALLAS POLICE CHIEF IS RUN DOWN BY AUTO DRIVER WHO RUNS AWAY

DALLAS, Sept. 29.—Fort Worth and Dallas officers today continued the search for an automobile driver who last night ran down and seriously injured Louis Brown, Dallas chief of Police, while he was crossing a street. After striking Brown the driver continued on his way without stopping to give aid. Brown is in a local hospital with a fractured skull.

BODIES BEING RECOVERED FROM WYOMING TRAIN WRECK

CASPER, Wyo., Sept. 29.—Additional wrecking equipment arrived today at the scene on Coal creek where the Burlington passenger train No. 30 went through a bridge Thursday night. Early today three badly mangled bodies were recovered, making five taken from the wreck which is thought to have claimed about 30 victims. The bodies of D. E. Shultz of Denver and H. M. Schmidt of Glen Rose, Wyo., have been identified.

Mourners at Bier Taken by Death Stroke

Dead and Injured In Storm-Swept Portions of Nebraska and Iowa May Run Into Large Figures. More Than Thousand Houses Unroofed.

OMAHA, Sept. 29.—Eighteen persons are known to have been killed, three are missing and more than a score are injured as a result of a violent wind and rain storm which swept over Nebraska and Western Iowa last night. Twelve persons, eight of whom were gathered in one house to mourn the death of a relative, were killed in Louisville, Neb. Five persons, including a mother and her three small sons, were killed at Council Bluffs, Ia. Another person was found dead under his overturned automobile at Grand Island, Neb. Three persons are reported missing at Council Bluffs, where the business district has been flooded to depths varying from three to six feet by the overflow from Indian creek. The damage there approximates one-half million dollars. Upwards of 1,000 houses are reported to have been demolished by the wind, which assumed the proportions of a tornado.

PHYSICIAN KILLED WHEN CAR OVERTURNS IN RAINSTORM

OMAHA, Sept. 29.—Following a cloudburst at Louisville, Neb., Mill creek became a raging torrent in which 11 persons are reported to have been drowned.

While on his way to make a professional call during a blinding rainstorm, the automobile of Dr. A. A. Ward, a physician of Marquette, Neb., was overturned and the doctor killed. Several dwelling houses, barns and other buildings were destroyed by fire in Council Bluff in a fire that broke out soon after the tornado had begun to subside.

Prisoners Spirited From Mt. Pleasant To Save From Mob

MOUNT PLEASANT, Texas, Sept. 29.—The funeral of Otis Ballard, 19, found murdered in Cypress creek, 6 miles south of here, late yesterday, was held today. A reward of \$500 has been offered by citizens here for the finding of the body of the boy who had been missing since last Monday. The body when found was nude and was weighted down with iron. A strap was wrapped about his head, which was badly beaten. A negro and two white boys suspected of being implicated in the murder were removed from jail here to Mount Vernon for safe keeping and later removed to Greenville. Ballard was a material witness in a bank robbery case. Clem Gray, under indictment for the bank robbery to the county jail at New Boston, this being thought advisable by the officers after discovery of Ballard's body. Thirty minutes later a posse of angry men began a pursuit for him, but gave up the chase before New Boston was reached. State Ranger Leach has arrived to assist local officers in an investigation.

TIME LIMIT ON PARKING

Ordinance Suggested to Lessen Congestion of Cars at Ease Along Main Street, by Limiting Time They May Be Parked at One Place.

Motorists have slipped into the habit of keeping to the right on Main street between Commerce and Marston streets without much ado, and the police department is now congratulating itself that one of its jobs is simmering down to a much smaller one than it was two weeks ago.

The "no left-hand turn" ordinance has reduced the accident hazard and made driving safer along Main street, and nearly everybody is happy. The congested condition of the street at times is still a source of worry and sometimes vexation to merchants and shoppers.

A motorist can park on Main street from sunset to sundown if he chooses. Some do it.

"I'd be in favor of an ordinance that would limit parking to 30, 45 or 60 minutes at a time," one Main street merchant said Saturday. "I believe most of the merchants would like to see a shifting of autos on Main street. We sometimes have to send a boy a block and a half to carry bundles for a woman shopper. She can't park close to the store."

Another merchant said a parking ordinance has its good points, but he is afraid that it might offend some buyers. "If we can't park on Main street as long as we like, we'll go where we can," this merchant said might be the answer of some when told they can park but a certain time. He said a parking ordinance would be an accommodation to his customers, however.

Still a third merchant said he would have to weigh both sides of the question before he would become committed to either side of the question. He didn't believe a woman buyer could always be through her shopping within 30 minutes. "After 30 minutes, she might say her parking time was up, and she must move her car, and she would go away and maybe not come back," he said.

Another merchant said such an ordinance would meet with his approval, because, he said, everybody of Ranger and out of Ranger wants to park on Main street and numberless persons are disappointed. "If a man working on Main street parks his car in front of my place of business, it will stay there for a morning or an afternoon," he said. "It denies our customers the convenience of stepping out of his or her car right into the store."

Center of the street parking was suggested as an improvement over the present method of parking. "You would only get half as many cars on Main street as the present method of parking in the gutter," it was said, "but it would allow an open space in front of stores for one to drive up to the door and allow one shopping to get or call for his or her parcels when through buying. Papers and rubbish in general would not collect in the gutters if cars were not parked there."

GERMANY NEEDS STERN DICTATOR TO STOP REVOLT

BERLIN, Sept. 29.—National Dictator Gessler tonight answered the threat of an uprising from both the communists and monarchists by declaring himself ready to use all the power at his command to put down agitators of either the right or the left.

Action by the government in declaring a state of siege indicated the seriousness of the situation, Gessler said. "I hope it will suffice," he declared. "If my expectations for maintenance of order are not fulfilled, however, I will not hesitate to use all my powers against all agitators, regardless of the persons involved. No man will be allowed to use the national emergency to further his own ends."

Gessler's statement followed a day of activity on the part of communist leaders attempting to take advantage of the widespread unemployment to further plans for a red revolt. Thousands of additional workers will be idle Monday, when notices given early this month laying off men Oct. 1 will go into effect. Communists already are at work among the men, attempting to rally them to the red cause.

DANGER OF REVOLT IN BAVARIA HEADED OFF

MUNICH, Sept. 29.—Danger of a Bavarian revolt against the German reich appeared to have passed tonight. The fascist menace, in the opinion of observers, was more apparent than real, while even followers of Hitler, the fascist leader, were beginning to look on him as a man of words rather than action. Former Premier von Kahr, Bavarian state dictator, is in control of affairs and guiding the Bavarians carefully between the danger of the monarchists and over-submission to the reich. The reichback organization is still holding numerous secret meetings, in which they curse Stresemann and Von Kahr with equal ardor.

BALLOTS FOR ELECTON NOT YET PRINTED

Chairman of Board of Affairs Refuses to Order Them; Claims Insufficient Time.

OKLAHOMA CITY, Sept. 29.—Governor Walton's fight to prevent a special election in Oklahoma next Tuesday on an initiated bill proposing to allow the state legislature to convene without a call by the executive was apparently won tonight.

Following action by the state supreme court in refusing a writ of mandamus which would have compelled the election board to have included this measure on the ballot, it was announced by Sam Lafayette, chairman of the state board of affairs, that no ballots for the Tuesday election would be printed. "It is too late now to award contracts for printing the ballots and get them in time," he said.

W. C. McAlister, chairman of the election board, conferred with Attorney General Short as to the legality of printing the election ballots without authority of the board of affairs. "If the attorney general holds that action of this sort would be illegal, responsibility for the election Tuesday will be left with the board of affairs," McAlister said.

Governor Walton declared to newspaper men tonight that any attempt to proceed with the balloting next Tuesday would be regarded by him as illegal.

"If that election is held it will be invalid and will cost the state \$150,000," he said. "It will be illegal for one reason, because the initiated bill, which it is proposed to carry on the ballot, was not published for five days before the election, as provided by law."

The governor said he possessed the power to call off the election because he had issued the call himself for a statewide vote, originally called to determine the issue of a soldiers' bonus and other issues. It is possible martial law will be lifted Tuesday, but the governor declared there would be no lifting of the military courts, which would continue to investigate mob law and continued derelictions of the civil authorities, as he expressed it.

LEAGUE OF NATIONS ACCOMPLISHES ITS CHIEF ACHIEVEMENT

GENEVA, Sept. 29.—The legislative assembly of the League of Nations today approved the draft of a legislative pact, which is considered its greatest achievement of the year. It is to serve as a basis for a reduction of armament and is to be addressed to all governments, whether members of the league or not. All will be asked to sign the treaty next year.

GLASS BOTTLE PLANT IN RANGER APPEARS NOW ALMOST ASSURED

"Everything is up to the Chamber of Commerce," B. F. Bennett, secretary of the chamber, said Saturday night, "to get the first big factory here."

H. H. Howard, the Louisiana glass manufacturer, has made clear to the chamber's industrial committee, Bennett indicated, how his end of the agreement can be fulfilled to the satisfaction of the chamber. "We started out today to do it and we went further than half way," he said. "The committee said it would be done." He referred to the purchase of a certain amount of the company's bonds.

Howard, while waiting for the committee to conclude its work, is seeing for himself Ranger and North Central Texas. He says he gets much good out of personal observations while out alone. He was in Breckenridge yesterday afternoon to interview the representatives of a group of buildings he is considering and returned last night. He is also giving other properties consideration. He is impressed by the appearance of Ranger's Main street. "I wish to say that Ranger has the best appearing main street of any Texas city of its size I have seen," he said. He plans to leave here Tuesday.

MEXICO AND VENEZUELA ANGRY WITH EACH OTHER

MEXICO CITY, Sept. 29.—Mexico has broken off diplomatic relations with Venezuela, according to reports published in El Mundo, Mexico City newspaper tonight. The break followed a series of incidents in which Mexican nationals were mistreated in Venezuela, the newspaper story said. An official statement is awaited from the foreign office.

OKLAHOMA CITY, Sept. 29.—Governor Walton's fight to prevent a special election in Oklahoma next Tuesday on an initiated bill proposing to allow the state legislature to convene without a call by the executive was apparently won tonight.

Following action by the state supreme court in refusing a writ of mandamus which would have compelled the election board to have included this measure on the ballot, it was announced by Sam Lafayette, chairman of the state board of affairs, that no ballots for the Tuesday election would be printed.

SUPREME COURT RULES AGAINST THE GOVERNOR

OKLAHOMA CITY, Sept. 29.—The state supreme court at noon today denied the application of Governor Walton for a rehearing of his appeal from the decision of the court that would have prevented a vote next Tuesday on five measures upon which the governor had issued a proclamation submitting them to a vote of the people, including the bill initiated by Campbell Russell to vitalize the constitution, allowing a majority membership of the house to call a special session without proclamation from the governor.

It is pointed out, however, that the action of the court does not order the latter question submitted, but merely eliminates all legal barriers, making it still possible for an injunction to be brought barring the question, the way being left open when the court earlier denied the writ of mandamus to compel placing of the question on the ballot.

In making this decision the court instructed that the initiative amendment be struck from the ballot. The governor based his application for a rehearing on the ground that the election would be illegal while the state was under martial law.

Eight military guard officers were relieved from duty at the capitol today and 40 guardsmen were discharged. The report is current that the governor contemplates a wholesale uplifting of martial law at midnight, but plans to keep some troops on duty until Tuesday, when arguments will be heard in the district court on the question of whether the legislature has the right to assemble without call by the governor.

COMMISSION SUGGESTED TO HALT NEGRO MIGRATION

WASHINGTON, Sept. 29.—Creation of a commission of representative southern negroes to advise negroes of southern states against migrating to the north, is being urged by H. L. Remmel, Republican national committeeman from Arkansas. Remmel told President Coolidge that President Harding had intended to take up the question of negro migration which last year took thousands of negroes from the south into the north. The president is said to be favorable to a commission composed of five influential negroes who could advise others of their race.

JONES GETS SIX MONTHS FOR WHIPPING DAUGHTER
Special to The Times
 EASTLAND, Sept. 29.—W. J. Jones, local drayman and teaming contractor, who was indicted some time ago for aggravated assault because of a severe whipping he had administered upon his 13-year-old daughter last spring, was given a sentence of six months in the county jail and a \$50 fine by a jury in the county court-at-law.

The trial occupied the entire day. The state placed witnesses on the stand who testified to the bruised condition of the young girl's body. The girl also testified and said she did not believe her father intended to whip her as severely as he did. The defense did not use any witnesses.

County Attorney W. J. Barnes and W. D. R. Owen, local attorney, represented the state, and J. R. Stubblefield and C. C. Robey, represented the defendant.

JURY FAILS TO AGREE.
 MACON, Ga., Sept. 29.—After being out nearly 70 hours without reaching an agreement, the jury which has been considering the case of Dr. C. A. Yarbrough, charged with rioting, today was discharged in the city court. Members of the jury said the final ballot stood nine to three for conviction.

REPUBLICAN COMMITTEE MAY ASK GOV. M'CRAY TO RESIGN
 INDIANAPOLIS, Sept. 29.—Indiana state Republican committee will meet tomorrow to discuss the advisability of asking the resignation of Gov. Warren T. McCray. Personal financial difficulties with grand jury investigation threatening in several sections of the state, have led the governor's friends to suggest that he step out of office for the best interests of his party in the coming election.

More than a dozen civil suits on claims totalling \$65,000 have been started against McCray in his home town, Kendall, Ind. The governor announced himself in financial difficulties in August, declaring that notes he issued were over the signature of his farm managers and heads of other business enterprises.

SIX WITNESSES AT TULSA ARE REPORTED MISSING
 TULSA, Okla., Sept. 29.—Captain Wallace, personal aid to Adjutant General Markham, announced at military headquarters today that six persons who had appeared before the military court here are now missing. They are said to be Leonard and Floyd Cook, brothers, and their wives, whose homes were attacked and burned by a mob, and Eugene Goolsby and Mrs. Myrtle Stain, whipped for alleged misconduct and forced to marry.

"We are on their trail and will have them in court next Tuesday when the first case is called for trial," said Captain Wallace, who asserted they had been intimidated and driven from the county in an effort to break down the state's case in a number of trials.

SEVEN WOMEN ARRESTED ON VAGRANCY CHARGE
 Seven women were booked on charges of vagrancy at the police station about midnight Friday. They were arrested in different Ranger hotels. Night Sergeant Ted Hamilton and Officers Jim Ingram and Jim Daniels made the arrests. The usual fine was paid after pleas of guilty were entered.

More than 100 kinds of furs used are for commercial purposes.

GEORGE OWENS WILL MAKE BELT OUT OF SNAKE SKIN
 George Owens of the Milford Funeral home killed a rattlesnake on the Jim Davenport ranch last Sunday, which he plans to make into a belt for one of his former school classmates. The skin measures four feet and nine inches in length.

RANGER HI SCHOOL STANDING UNAFFECTED

Ranger high school football team in losing the Strawn game will not be chalked up with a loss in section three of the Texas university interscholastic league. Strawn is not a member of section three and accordingly the principals of the two high schools entered into an agreement not to send the score to Austin, headquarters of the league.

HARRY HARTZ WINS SAN JOAQUIN AUTO RACE

FRESNO, Cal., Sept. 29.—Harry Hartz, driving a Durant Special, won the 150-mile San Joaquin valley auto race here this afternoon. Eddie Hearne was second and Jerry Wunderlich was third.

The winning time was one hour, 26 minutes and 50 second, or three seconds slower than that of Bennett Hill when he won the race last year.

GRAND JURY FLAYS OFFICERS OF JEFFERSON COUNTY

BEAUMONT, Sept. 29.—Bitter criticism of the officials in connection with recent floggings was expressed by the Jefferson county grand jury in its report to Judge E. A. McDowell today. Commenting on the investigation into the flogging of Clay and Carl Dunn, at Port Arthur recently the jurors said they had been sorely handicapped by failure of peace officers to render the fullest possible assistance.

"In many instances every possible obstacle was thrown in our way," says the report. "While the evidence before us was not sufficient to fasten responsibility for the floggings on the Ku Klux Klan as an organization—that is, had been officially sanctioned and planned by that organization—yet in each instance those identified as participants were, without exception, members of the Klan."

Himself "Bites" on Two Gags and Passes Them on for Others to Try Their Luck; Al Harlow Comments on Conditions in California.

By P. G. T.

With the style show out of the air right away except the new glass plant, which is business and no good here, and a few murders, arrests and convictions, which are too tragic for happiness, we are short on junk with which to bore the dear public. After several intense interviews, however, we have managed to collect two of those "I'll bite" gags and one toast.

Happened to be taking on a dinner well flavored with garlic with Dally, the man who runs one of our best photograph factories, last night. The garlic went to his head and he worked these following "I'll bite" gags. We bit both.

Says Dally: "A short Mexican and a tall Mexican were walking down the street. The tall Mexican was the son of the short Mexican, but the short Mexican was not the father of the tall Mexican."

Try to figure that out. The answer is at the bottom of this column, but don't read it until you get to it.

The other "I'll bite" is this.

What is the difference in the pronunciation of Mac and Mac in the prefix of a proper name?

Our answer was that Mac was pronounced Mic and Mac pronounced as spelled.

Then Dally asked us how he would pronounce the name "MacHinery."

We said as spelled with the Mac instead of the Me.

Thereupon this clever conundrum, ist stated that the name was pronounced Machinery. After thinking the thing over for a long while we believe he is correct.

The toast is one of those things that make you feel as though all is well that ends well, and you believe that everything is beautiful whether it is or no.

Here it is:

"You come into this world all naked and bare, You go through this world with trouble and care. You go out of this world, God only knows where. But if you're a thoroughbred here, You're a thoroughbred there."

Isn't it nice.

Ans. The short Mexican was his mother.

Al Harlow just returned from a short sojourn in Sunny California. He says the greatest objection to that state is the eight-hour stuff. Everything is done in eight-hour shifts.

Instead of working 10 or 12 hours in department stores or behind soda fountains you work eight. Drillers and tool dressers work eight hours instead of 12.

The eight-hour system is so prevalent that dances usually run about eight hours and two or three theatres give eight-hour shows.

Also Al says that his greatest objection was to some of the hotels. They only rent you a room for eight hours and the fact that he couldn't get in his customary 10 and 12 hours sleep is the main reason he quit the country.

We half suspected you'd look at the bottom of this column for the Mexican "I'll bite" gag, so put it in the middle of the column. Look under the sad, sobby, serious, unbuttered toast for it.

RECORD OF WEEK'S WORK IN COUNTY COURT-AT-LAW

EASTLAND, Sept. 29—Judge Joe H. Jones, of the county court-at-law has just completed a very busy week in his assiduous efforts to clear his docket of the many cases recently filed. The judge has tried a total of 12 misdemeanor cases before juries, one civil case and 1 probate case, since last Monday morning. This is considered an excellent record in the trial of cases. Judge Jones is considered a very capable jurist and dispatches business with all possible speed.

The cases he has tried this week follow:

W. J. Jones, convicted, given \$50 fine and six months in jail for aggravated assault on his 13-year-old daughter.

Andrew Maxwell, charged with disturbing religious worship; acquitted.

T. G. Gray was fined \$25 and costs for failing to dip cattle.

J. L. Sims, charged with wife desertion, dismissed for want of prosecution.

George Meyers, merchant of Olden, charged with violating the Sunday law, tried in the county court and appeal was overruled by Judge Jones.

Newt Mahaney, of Cisco, fined \$15 and costs for operating motor vehicle without license.

P. P. Palmer, of Ranger, charged with drunkenness (two cases), acquitted.

Lee Williamson, case of theft, dismissed.

Otis Carwyle, fined \$100 and costs for rudely displaying pistol on a public highway.

R. L. Stewart, charged with reckless driving, dismissed for want of prosecution.

NEW HAYNES MODELS INCLUDE TWO OPEN AND THREE ENCLOSED CARS

The new improved Haynes models have increased the reputation of the Haynes Automobile company as a builder of luxurious, perfectly equipped and supremely powered motor cars, says a bulletin received by the Ranger Motor company, Main and Commerce streets, local Haynes and Willys-Knight dealer.

"The notable creations of the Haynes company are constructed on a low-slung, powerfully knit 132-inch wheelbase chassis and are driven by the sturdy, dependable Haynes 77 six-cylinder motor," says the factory announcement. "These new Haynes 77 sport models include the powerful-appearing seven-passenger sport brougham and the four-passenger sport tourster.

"Five models are offered in the Haynes 77 standard series including two open cars and three enclosed coaches."

AMERICANS DRINKING MORE COFFEE THIS YEAR THAN LAST

Americans, always heavy users of coffee, are drinking more than they did last year, according to figures secured by the foreign commerce department of the chamber of commerce of the United States. In a pamphlet issued by them covering the volume of the principal exports and imports between the United States and chief markets for the six-month period, January to June, 1923, importations of coffee for the first six months of this year were 699,088,000 pounds as against 639,941,000 pounds for the same period in 1922. This shows an increase of 59,147,000 pounds, or 9.2 per cent.

ELZO BEEN RESIGNS FROM PROSECUTOR'S OFFICE

EASTLAND, Sept. 29—Elzo Been yesterday tendered his resignation as assistant county attorney, a position he has held since W. J. Barnes assumed the office of county attorney last January. No successor has been named.

Mr. Been was formerly deputy district clerk, and was considered an excellent lawyer when he assumed the position of assistant county attorney. It has been said that he considered resigning his position several weeks ago. Mr. Been has made no statement about his plans for the future. He said that he would later have a statement to make public.

LOYD GEORGE STARTS ON VOYAGE TO AMERICA

LONDON, Sept. 29—Hundreds of persons, admirers of Lloyd George, were at the Waterloo station today to bid him bon voyage. Accompanied by his wife and daughter, the former British premier left for Southampton, where they will sail today on the steamship Maritana for New York.

PORTLAND, Ore., Sept. 29.—"Three wedding rings, a powder puff, lip stick, eyebrow pencil and \$1 in small change," read the entry on the police department record of the prisoner's possessions. And the prisoner—not Sadue the shoplifter, but James, a delicate little boulevard bedouin, held on a larceny charge.

Four Years Ago In Ranger

Taken from the files of the Ranger Daily Times, Sept. 29, 1919:

Texas Pacific Coal & Oil company hit another good well on the Butler tract Sunday, No. 7, which is making 400 barrels, with sand from 3,432 to 3,455 feet.

The new passenger and freight station of the Texas & Pacific railroad at Alden has been completed.

Taken from the files of the Ranger Daily Times, Sept. 30, 1919:

Magnolia Petroleum company's T. W. Connelley, No. 7, is a completion, the fifth producing well on the tract, a mile north of Olden, and is making 1,200 barrels.

Ten cents for a cup of mocha. That is the price chalked on a number of restaurant and cafe mirrors in Ranger. Ranger is probably the largest town in Texas that has kept to five cents for a regular cup for several months.

Mr. and Mrs. L. W. Reid of Ranger have returned from a trip through Illinois and a visit to New Orleans.

OWNER OF 'FLOWING GOLD' SCREEN RIGHTS VISITS RANGER TODAY

Richard Walton Tully, a banker of Los Angeles, Calif., who recently bought the screen rights for Rex Beach's "Flowing Gold," is expected in Ranger today, according to advices received. It is uncertain just how long he will remain.

Mr. Tully is said to be planning to build in California a replica of Ranger during the oil boom period and wishes to get a personal acquaintance with the Ranger of today for comparison with the Ranger of three and four years ago.

FORT WORTH WINS AGAIN, PUTTING HER AHEAD OF PELICANS

NEW ORLEANS, Sept. 29.—More than 10,000 persons saw Fort Worth this afternoon take the third game of the Dixie series from New Orleans by a score of 3 to 1.

"Lil" Stoner pitched steadily for the Texas-league champions and the Pelicans were unable to bunt their hits except in one inning, the eighth, when they scored their only run.

The Panthers won the game in the first inning, when they scored two runs on three hits. They added a second run in the next inning and were unable to cross the plate thereafter.

Fort Worth has now won two games and New Orleans has won one. The two teams play again tomorrow afternoon.

SARAZEN CONTINUES KING OF AMERICAN GOLF PROFESSIONALS

PELHAM COUNTRY CLUB, New York, Sept. 29.—Two successive "birdies" on the 37th and 38th holes enabled Gene Sarazen to retain his title as king of the American professional golfers this afternoon.

Sarazen beat Walter Hagen one up in an extra hole match that contained more thrills than any previous professional golf tournament held here.

Bleachers Collapse At Football Game, But None Killed

EASTON, Pa., Sept. 29.—Ten persons were seriously injured, scores suffered minor injuries and many were bruised and shocked when a section of the bleachers on the March field, Lafayette college, collapsed during the Lafayette-Muhlenberg game this afternoon.

Shortly after the game started Lafayette scored twice and the football fans rose to cheer. As the cheers died away, the stand began to sag in the middle and then crumbled with a loud crash, hurling more than 200 persons to earth.

WHITTAKER FOR STRAWN WINS GAME IN FIRST FOOTBALL TILT, 14 TO 6

General Whittaker, 156-pound quarterback of Strawn, scored enough himself yesterday afternoon at the city athletic field to defeat the maroon and white high school team of Ranger.

Whittaker was easily the star of the game. He gained ground consistently and his foot was sure. He had speed and was elusive. He dodged and wiggled his way through half a dozen players at times.

The ball was in Strawn's territory the greater part of the first half. In the second half, Whittaker's and Higgins' plunging put Ranger on the defensive in her territory.

It was a closely fought game and the result was in doubt until the last few minutes of play. After Whittaker made rushes of 10 and 15 yards for the final touchdown six minutes before the game ended, it became evident to the maroon and white rooters that their idols had their backs to the wall.

The day was quite too warm for ideal football weather. Time out had to be called frequently for the boys. Bad spills sent several players of both sides to the sidelines.

Coaches Sandlin and Marshall of Ranger said after the game, their boys didn't play the football expected of them. Howell Gullaborn didn't get into the game because of a cut above the left eye and his absence was felt. John Collins, Ted Rummage, Captain Tom Yonkers and Ford Shell were the only regulars of last year in the Ranger lineup.

Ranger won on the flip of the coin and chose to defend the west goal. The Ranger High school boys and girls soon had a chance to cheer their team after the kick-off for a Strawn player fumbled and Jim Zarafonitis was on the ball in a jiffy. He raced across the line almost without interference. Jim and George Zarafonitis worked hard and deserved to see Ranger win.

Ranger kicked off to Strawn. Whittaker tore through for eight yards following a penalty for offside. She suffered another 10-yard penalty for offside. A hot scrimmage ensued on the 75-yard line. Tom Yonkers went through for a 15-yard run. Ford Shell was laid out on the north sidelines and was helped off the field. A Strawn player's forward pass missed the intended hands and went into Jim Zarafonitis' waiting hands who turned and ran several yards before being downed.

Tom's Punting Counts. Yonkers made a nice kick from the 80-yard line and Captain True ran 20 yards before being downed. Campbell tore off a 10-yard dash. Strawn was again offside. George Zarafonitis gained 10 yards. Tom again punted from the 60-yard line. The ball was carried back about 20 yards. Tom punted 30 the next time and it was carried back 15 yards by True. Whittaker gained 10 yards through right end but on a mass play was thrown for a loss. The first

SEVEN SPEED CLASSICS FEATURE INTERNATIONAL AIR RACES

By HERBERT LITTLE (United Press Staff Correspondent) ST. LOUIS, Sept. 30.—The fastest, the highest, the biggest and the smallest flying machines will assemble at St. Louis flying field here Oct. 1, for the international air races, seven speed classics that are expected to establish new records in aviation.

Several European entries, including Brack-Papa, Italian ace; Larry Carter, winner of the British air Derby, and perhaps Sadi-Lecointe, French speedster, make the Pulitzer 200-kilometer race that climaxes the show, Oct. 3, international for the first time.

The army, which won the Pulitzer trophy at Detroit last year, will send its fastest, and the navy has constructed four new "mystery planes," two Wright racers and two Curtis racers, especially built for this event. The seamen are determined to show better than last year, when Lieut. Russel Maughan won, setting a new world's record of 236.5 miles an hour, with another army airman placing second.

Last year at Mineola one of the navy's new Wright planes, piloted by Lieut. L. H. Sanderson, hit the 238-mile-an-hour mark over a measured course. Lieutenant Sanderson will pilot the same plane in the Pulitzer race. Lieutenant S. W. Callaway will fly the other Wright racer and Lieut. A. J. Williams and Ensign H. J. Brow will pilot the two Curtis planes for the navy in the same event.

New Wright Racers. Lieut. Brack-Papa will fly in his Fiat racer, said to be capable of developing 800 horsepower. The new Wright navy racers are said to develop 700 horsepower, but the most powerful racing motor heretofore built in the United States has been of 600 horsepower, Lieut. Maughan's ship in which he set the record last year, developed only 450 horsepower.

Lieutenant Maughan will compete this year. The army entries are Lieut. A. Pearson, in a Verville-Sperdy racer, and Lieuts. J. D. Corkville and W. Miller in Curtiss racers. The navy contingent of 36 enlisted men and nine pilots arrived and set up camp here Sept. 20. Nearly one-half of the detail is composed of marines. Several of the navy pilots now are flying from San Diego, Cal.; Pensacola, Fla., and the Island of Hayti.

Navy and army representatives both have inspected the flying field and 50-kilometer triangular course, and approved it. Air board officials promoting the race here are making arrangements

THURBER EVENS UP SERIES WITH ALL STARS

THURBER, Sept. 29.—Thurber evened up the series with the All-Stars led by Jim Galloway here today, winning, 8 to 6 after the visitors got a six run lead in the second inning. Scott gave two passes after Connolly got a hit and with three on, Combs tripled scoring three men, after Scott gave away to Hudspeth.

Heavy slugging featured the game. Adkins, King, White, Dalmasso of Thurber and Jim Galloway of the visitors all got two baggers. Leedy, Adkins and Wayne, the latter of the All-Stars made home runs.

The deciding game will be played today. All-Stars 060 000 000 6 Thurber 031 000 112 8 Scott, Hudspeth and White, Connolly and Jonnard. Umpires, Naugle and Roberts.

CHARLIE KOCH HOLDS ALL-STARS TO A TIE

STEPHENVILLE, Sept. 29.—Jim Galloway's All-Stars won from the Thurber Miners at the Erath county fair grounds here Friday in the twelfth inning by a score of 6 to 5. The first game they Thursday was a nine-inning tie, 5 to 5.

Charlie Koch pitched for the Miners until the twelfth when he was relieved by Lonnie King when the former sustained a broken finger. The winning run was made on King. Knight made two home runs, and Hudspeth and Craig one apiece.

The races at Eastland to be held Oct. 7 to 11, inclusive, promise to be an event of importance to lovers of good harness and saddle horses.

MR. AND MRS. TAYLOR ENTERTAIN PASTIME CLUB.

Members of the Pastime club were delightfully entertained Thursday evening by Mr. and Mrs. Earl Taylor. High score prize for ladies, a cold meat fork, was awarded Mrs. Harkrider. Low score for ladies went to Mrs. Rector, who was presented with a glass pickle dish. High score prize for gentlemen, a brass humidifier, went to Roy Jameson, and low score, handkerchiefs, to Harry Pearson. Fruit salad with whipped cream, hot rolls and iced tea were served. Those present were: Messrs. and Mrs. C. A. Conley, Roy Jameson, E. E. Crawford, Lytton R. Taylor, John Shannon Jr., Dr. and Mrs. A. N. Harkrider, Mrs. S. P. Boone, Mrs. L. L. Rector and Mr. Harry Pearson.

PRESBYTERIAN LADIES HAVE CONTEST PARTY.

Members of the winning side in the contest being carried on by the women of the Presbyterian auxiliary were happily entertained Friday afternoon at the Presbyterian club rooms by those of the losing side. Delicious refreshments of chicken salad, hot rolls, potato chips, olives, ice cream and cake, were served. The afternoon was spent in sewing for the coming bazaar. The regular auxiliary meeting will be held Monday afternoon at 3 o'clock in the club rooms. The contest workers have now been re-organized for the next three months with Mrs. Cash and Mrs. Holmsley as captains.

FIRST BAPTIST SUNBEAMS HAVE ICE CREAM SUPPER.

The Sunbeams of the First Baptist church had a successful ice cream supper Friday night on the vacant lot at the corner of Main and Marston. Lights were stretched across the lot and tables attractively arranged for the event. The children were assisted by Mrs. Pelphrey, Mrs. F. A. Brown and other ladies of the church.

MRS. BROWN HOSTESS TO TWENTIETH CENTURY CLUB.

Mrs. Frank Brown entertained delightfully on Friday for the Twentieth Century club. High score prize, a pretty piece of lingerie, went to Mrs. Wiss. Low score prize, a ribbon dress set, went to Mrs. Burden. Those present were: Misses E. J. Wiss, Frank Reames, J. F. Champion, W. H. Burden, J. T. Gullahorn, E. E. Crawford, J. B. Haden, Saunders Gregg, W. E. Lowe, and E. D. McMillen. Mrs. J. F. Champion will be the next hostess.

WOODMAN CIRCLE TO MEET EACH WEEK.

Members of the Woodman circle are notified that beginning with next Monday there will be weekly meetings of the circle each Monday night at 8 o'clock at Odd Fellows hall. All members are urged to be present.

MRS. R. L. JONES GIVEN FAREWELL ENTERTAINMENT.

Mrs. A. W. Whitehouse, assisted by Mrs. Charles Sigler and Mrs. Wassman, entertained a few neighbors and friends Thursday evening in honor of Mrs. R. L. Jones who is leaving for her future home in Corsicana.

THURSDAY BRIDGE CLUB MEETS IN EASTLAND.

The usual meeting of the Thursday Bridge club was held last week in Eastland with Mrs. Garrett Bohning, hostess. High score prize, a wall vase, was awarded Mrs. Funderburk of Eastland. Low score prize, a bridge slate, went to Mrs. Saunders Gregg. Among those present were: Misses J. T. Gullahorn, E. E. Crawford, C. O. Terrell, A. N. Harkrider, John Thurman, Garner, R. W. Thomas, Houser, W. L. McFinley and Saunders Gregg of Ranger. Mrs. Scott Key, H. P. Brelsford Jr., Funderburk, and W. T. Garrett of Eastland. Mrs. A. L. Bergere will be the next hostess.

CHEERFUL WORKERS WILL MEET AGAIN WEDNESDAY.

The cheerful workers of the Christian church had a delightful meeting on Wednesday afternoon with Mrs. Clay, a good attendance being present. On next Wednesday the meeting will be held with Mrs. H. E. Clewell. On Thursday the W. C. B. M. will meet at 2:30 o'clock with Mrs. B. F. Bennett. A full attendance is desired.

MRS. MADDOCKS RETURNED FRIDAY FROM FORT WORTH.

After several days spent in Fort Worth and Denton Mrs. C. E. Maddocks, president of the First district Congress of Mothers, returned to her home in Ranger. In Fort Worth she conferred with Mrs. James H. Allison, president of the Fort Worth council of mothers, and Mrs. C. E. Birdsong, chairman of life memberships, as to ways and means for this district in carrying on the work of the Mothers congress and Parent-Teachers' associations. In Denton Mrs. Maddocks met with the Parent-Teachers' association of the high school of which Mrs. F. W. Schweser is president. In both cities she

found great enthusiasm and plans going forward in splendid fashion. The state meeting of this organization will be held in Tyler, Nov. 19 to 23. A banner is to be awarded to the organization having the largest number of paid memberships for the year ending Oct. 31. The state organization is now publishing a bulletin of great interest and much information which should be in the hands of every member of the Parent-Teachers' club, as an aid to their own work in behalf of the children of each community.

TIFFIN SCHOOL PREPARES FOR TACKY PARTY.

An enjoyable time is promised all attending the tacky party to be given at Tiffin school Monday night at 7 o'clock. The following program has been arranged:

Song, "September," by Lillian Bennett, Mary MacFarland, Annie Bird MacFarland, Ruby Jarvis, William Jarvis, Frances Mills, Glenn Jarvis, Mildred Miller, Laura Lowe and Virginia Lee Norris.

Song by Annabel Phillips and Lillian Mills.

"Insufficient," played by Lillian Mills and Orvall Lucas.

Song by Zada Walton.

"Mary Had a Little Lamb," by Donafew Lucas.

Song by Mabel Eticks and Annabel Phillips.

Play by Orvall Lucas, Mike Hogan and Jack Lucas.

MRS. GATES ENTERTAINS FOR SON AND DAUGHTER.

Mrs. John Gates gave a four-table bridge party last Monday evening in honor of her son and daughter, Mr. and Mrs. Gluth of Columbus, Ohio.

Delicious refreshments of home-baked beans, cabbage salad, ham sandwiches, pickles and coffee were served. The guests were: Messrs. and Mrs. O'Donnell, Cluny, Dunkle, Pickle, Hill, Wright and Gluth, Mrs. Doty and Mrs. Gordon.

Mr. Hill and Mrs. O'Donnell literally took home "the bacon," for head prizes were packages of bacon, and Mr. O'Donnell and Mrs. Cluny won the consolation prizes, a can of pineapple and a package of confectioner's sugar, such prizes being considered most acceptable just now.

REPRESENTATIVE "ORPHANS HOME WORK" VISITS RANGER.

Mrs. Willie Keith of Dallas, a representative of the "Orphans Home Work of Texas," is in Ranger for a few days in the interest of her organization which finds homes for homeless and often orphaned babies and children, both boys and girls. She is a guest at the Paramount hotel and expects to be here until Tuesday.

Mrs. Keith is one of the state organizers and is traveling through West Texas in company with Mrs. Anna L. Warren, who is well known here, having visited Ranger for several years, and who is just now in Strawn. Both Mrs. Keith and Mrs. Warren are seeking financial aid for the Orphans Home work and also are placing children in homes and looking after those heretofore placed.

The Orphans Home of Texas organization has its headquarters in Dallas and is officered by some of that city's leading people, but its work is state-wide. Children of all ages needing homes are taken under their protection, their health and antecedents carefully looked into and then homes found for them.

MRS. MCCOBB ENTERTAINS FOR LITTLE DAUGHTER.

In honor of the first birthday of her daughter, Patricia Jane, Mrs. Gaylord T. McCobb entertained Saturday afternoon with a charming little party. The house was gayly decorated with pink and blue streamers and gifts were presented to each child present. Refreshments of pink and white cake and ice cream were served. Those present were, Mrs. A. J. Burch and daughter, Joyce, Mrs. I. W. Upton and son James Irvin, Mrs. B. C. Bloodworth and daughter Katherine Jean, Mrs. W. C. Rhodes and daughter Evelyn, Mrs. Billy Walker and son Billy, Mrs. Rolla Gordon and daughter Jean, Mrs. H. T. Carpenter and Mrs. Sadie Hendricks.

MRS. R. L. JONES GIVEN FAREWELL PARTY.

Mrs. R. L. Jones was honored with a farewell party Wednesday afternoon at the residence of Mrs. Nelson Wagner in the Tee-Pee camp. Mrs. Wagner was assisted in entertaining by Misses McNeill and Barker. Colors of rose and white were used in decoration as well as blooming pot plants. A book of original verses written to "Evelyn Jones" were presented the honor guest. Games of various kinds were played and at the appointed time Mrs. Jones was presented with a beautiful kimono which was covered with handkerchiefs, the gifts of friends. Mrs. A. L. Leake made the presentation speech and Mrs. Jones responded gracefully. Cake and hot chocolate were served and candy favors dressed as dolls. Those present were Mrs. T. K. Taylor, H. V. Cole, W. H. Wiggins, B. V. Bollinger, A. L. Leake, B. B. Haw-

Mrs. O. F. McGee of Shidler, Okla., is a guest of Mrs. Arthur Ernst of Cypress street.

TEXAS SECRETARY OF STATE PROPOSED FOR AN ELECTIVE OFFICE

TEAGUE, Texas, Sept. 29.—Change of the office of secretary of state from appointive by the governor of Texas to elective by the people is advocated by State Senator W. E. Doyle, of Teague, as a means of eliminating any possibility of control by the chief executive of boards that include the governor and the secretary of state in their makeup. Senator Doyle declared that the recent text-book controversy in which the state board of education has played a part has convinced him of the necessity of adoption of a constitutional amendment making the secretary of state's position elective. The board of education includes the state comptroller, secretary of state, and the governor.

"As long as the secretary of state is appointive, there is a tendency for him to be dominated by the chief executive's ideas," Doyle said. "If the office were made elective, there would be no possibility of such a tendency."

Change in the personnel of the board of education is also suggested.

Books For Children Recommended By Council of Mothers

The Texas Council of Mothers and Parent-Teacher associations has issued the following list of books recommended by that organization for children of various ages. A book week will be held over the United States in the week of Nov. 11 to 17, in order to create an interest in better books for children.

The following list was compiled by Lucia F. Powell, librarian of the Wichita Falls Public Library and state director of children's reading for the Texas Council of Mothers and Parent-Teacher association, with the assistance of Emma Lee, children's librarian, Houston Public Library and Ruth Theobald, children's librarian, Dallas public library:

Five Picture Books—Brooks, Leslie, "Golden Goose and the Bears"; Brooks, Leslie, "Three Little Pigs and Tom Thumb"; Boutet De Monvel, "Joan of Arc"; Cox, Palmer, "Brownies; Their Book"; Smith, E. B., "Chicken World"; Wright, B. F., "Real Mother Goose."

Five Books for the Second and Third Grades—Adelborg, Ottilia, "Clean Peter and the Children of Grubbylea"; Lefevre, Felicite, "Cock, Mouse and the Little Red Hen"; Perkins, L. F., "Dutch Twins"; Stevenson, R. L., "Child's Garden of Verse"; Virma, A., "Curly Haired Hen";

Ten Books for Fourth and Fifth Grades—Arabian Nights, edited by Wiggin; Defoe, Daniel, "Robinson Crusoe"; Dodgson, C. L., "Alice's Adventures in Wonderland"; Fabre, J. H., "Insect Adventures"; Haskell, N. E., "Katrinka"; Lorenzini, "Adventures of Pinocchio"; Lotting, Hugh, "Story of Dr. Dolittle"; Malory, Sir Thomas, "Boy's King Arthur"; Pyle, Howard, "Merry Adventures of Robin Hood"; Spyrri, Joan, "Heidi"; Wyss, J. D., "Swiss Family Robinson."

MOTHERS OF SOLDIERS MEETING IN KANSAS CITY

KANSAS CITY, Sept. 29.—Many mothers who were nominated by governors as having made the greatest sacrifice in their states during the World war, were in attendance today at the opening of the fourth convention of the American War Mothers, which will continue through Oct. 5.

The Kansas City chapter of the organization, host to the gold star mothers, as one feature of the meeting had requested the governors of the 48 states to select the mother in his state who made the greatest sacrifice in the late war.

"The task was of considerable delicacy and our request was met with reluctance on the part of many governors," said Mrs. H. H. McCluer, chairman of the convention committee.

Before the Mast"; Dodge, M. M., "Hans Brinker"; Mathews, "Book of Birds for Young People"; Morgan, "Boy's Book of Science and Construction"; Moses; "Treasury of Plays for Children"; Scott, Sir Walter, "Ivanhoe"; Stevenson, R. L., "Treasure Island"; Van Loan, H., "Story of Mankind."

The phonograph was invented in 1877. Christmas Island has 2,00 inhabitants.

LIGHTNING SETS FIRE TO TANK OF GASOLINE

ROCKWALL, Okla., Sept. 29.—Lightning set fire today to a 6,000-barrel gasoline storage tank at the Producers refinery. Gas was pumped from the bottom of the tank in an effort to extinguish the flames. The fire was in the center of a field of tanks filled with crude oil and gasoline, but late today it was thought the danger of the fire extending had passed.

Elephants are short-sighted.

SCHOOL HOLDS SIX DAYS EACH WEEK AT CIRCUS

The school bell rings every morning except Monday on the Elks circus lot. The school house is the side show tent, and the pupils are the children of Bob Morton's circus, which is the feature of this week's exhibitions under Elk management, starting Tuesday. There are nine of 'em and they are divided in five grades. The teachers are the feminine performers with the circus, and the principal is Mother Beckman, who, with her two sons, Tom and Ed, have traveled the civilized world several times over while with the Beckman-Sheppard troupe of flyers, which is the big feature of the circus here.

And there is a truant officer. He is Bob Morton, owner of the circus, and he rules with a firm but kindly hand. School lasts the year around with this "temple of learning." There is no summer vacation, no going home for the holidays; weekly reports are made as to the youngsters' progress in their studies, and 85 per cent is the usual standing of these children of the circus.

Elsie and Vivian, aged 7 and 9, respectively, the tots who dance on the slack wire every night, are over the top in arithmetic. Jack Younger, who is the juvenile member of the Younger combination of posture artists and novelty acrobats, is "keen" on geography and spelling; Mona Loa, five years of age, and now rehearsing for her first appearance, can recite the Declaration of Independence backwards, and her "American language" is the pride of her Hawaiian parents. Joe and Paul Brachard, who do flip-flops and difficult feats, dressed in girl's wardrobe, are "beats" on geometry, algebra and Spanish.

Teddy Younger, aged 4, is the sole member of the kindergarten class, but he can already write legibly under the picture of a feline specimen, "this is a cat." Gene Todd, aged 2, assembles her lettered blocks in alphabetical proportion each morning, and Billy Sheppard, same age, is running Gene a close race in the block building line.

On the long railroad runs, which are always made on the first day of the week, there is Sunday school in the morning. An entire coach is used, and Frank Morgner, who does the wonderful balancing, minus a limb is in charge. Hank Sylow, Sylow, clown boss on week days, and Rube Walters, his assistant, have their classes, and for an hour each week, they are really serious. Mrs. Frank Sheppard and Miss Martha Vannerson, with Joe Perry and "Mousie" Robinson, are the "choir," and, to the accompaniment of the clicks of the car wheels underneath, the Aloha sextette furnishes the instrumental music.

Every one of the 62 members of the circus, from the lowly canvasmen to the "big boss" himself, are always present on these occasions. Bob Morton makes a weekly address, dwelling on various subjects that run the entire gamut of human endeavor, ranging from the Golden Rule to the Ten Commandments.

Alex. Todd, the manager of the show, distributes the merits and demerits that have accrued during the week. The merits are coupons in Morton circus juvenile savings bank. The demerits are the subtraction of the same.

GOAD MOTOR COMPANY SEEKS BUYERS AMONG EASTLAND COTTON MEN

Goad Motor company has received five carloads of Buick models. Despite the backward condition of the oil industry, W. L. McGinley, Ranger manager of the Goad company, says automobile sales at present are more than ordinarily can be expected under the circumstances. The company employed one additional salesman last week.

"We are going out into the cotton country for buyers," McGinley said. "We have this entire county and we are canvassing possible buyers around Rising Star and Gorman, also Cisco."

The company reports the sale of a Cadillac 63 to W. M. Myers of the Prairie crossing.

The introduction of the four-wheel brake on the Buick as a factor of safety is responsible for a reduction of 15 per cent in insurance rates on the Buick, it is said. The old line companies are reducing the premium, because the hazard of accident is reduced.

The four-wheel brake because of the safety factor involved should appeal to the average motorist, McGinley said, because it reduces besides the cost of operation.

RANGER ORPINGTONS CAPTURE PREMIUMS AT FAIR IN ABILENE

W. P. Bryant of 428 South Rusk street, exhibited poultry at the West Texas Fair at Abilene last week, which he has raised himself and carried off first, second and third in pullets, first on his pen and second on cockerels. All of the birds are Buff Orpingtons.

"I'm going to represent Ranger at the poultry shows as much as I can," Bryant said. "I intend to go to the next show at San Antonio."

MAJOR DALRYMPLE TO ADDRESS CONSTITUTIONAL CLUB IN EASTLAND

EASTLAND, Sept. 29.—Major A. V. Dalrymple of Fort Worth is announced to address the County Constitutional club in the city hall in Eastland at 8 o'clock Monday night, Oct. 1. He is to speak on the Klan issue.

Major Dalrymple is a Texan who served in the Spanish-American and World wars. He was in the intelligence department of the United States army in Europe in the formation of the democratic mid-European union and has held other useful positions with the United States government. He is now a leading lawyer in Fort Worth.

Earl Conner, chairman of the executive committee of the County Constitutional club, has invited everyone in the county, member of the club or not, to hear Major Dalrymple.

Abernathy Jr., D. J. Plost, C. W. Childress Jr., W. H. Sain and wife, W. B. Swinney, M. Foster, F. P. Lyons, Fort Worth; Mr. and Mrs. E. S. Hunt, Brownwood; J. George Truelson, Houston; Sam Miles, Abilene; W. H. Wallace, Tulsa, Okla.; R. L. Griffith, Breckenridge; Robert S. Harris, Mineral Wells.

RINGOLD HOME FROM OKLA., SAYS SOLDIERS DID NOT TROUBLE HIM

"You see little of the military in Oklahoma City," said E. A. Ringold yesterday, who has been on a trip in the interests of the tax collection department of the city. "The only time you see them out is when they are going after witnesses or business in connection with the military court's inquiry." Ringold spent a day and night in Oklahoma City and while there renewed acquaintances

with many of his friends of the days when he lived in Oklahoma City. "I met one of my friends, Mr. Etheridge, and he is reporting the proceedings of the military court," he said. "Etheridge told me that many of those brought before the commission are afraid to testify for

fear of harm, but after assurance of protection, will talk. He said that many of the things told the court are unbelievable. Whites and negroes have been tortured unbelievably by masked bands."

Governor Walton is getting financial and moral support from the

north and east, Ringold said he was told. A clerk at the executive mansion said that telegrams come in at the rate of one a minute some days. Ringold said he visited Muskogee, Fort Worth, Weatherford and Dallas. He will be in Ranger for a short time.

More Care—More Life

Remember the old shoes you left out on the back porch—how they got stiff, misshapen and useless.

It's like that with a battery. If you neglect it you'll find that you've left the way open for a whole flock of troubles that shorten battery life.

Your battery doesn't need much attention, but it needs a little—and that regularly. The safe way is to let us care for it according to Willard Standards of Service.

Never mind the make. We look after all of 'em!

Double Braking Efficiency Buick Four-Wheel Brakes

Buick four-wheel brakes, because they double the braking surface brought into action, increase the braking efficiency of the car practically 100 per cent.

The action is simple, positive and rapid. A slight pressure on the service pedal (the method of operation is unchanged) and all four wheels are retarded—the car is quickly, smoothly and safely brought to a stop. With these proved Buick four-wheel brakes a stop is made in a much shorter distance with a minimum of skidding danger.

Obtaining braking friction at four contacts with the road increases the braking power and lessens the wear on each brake lining and each tire.

The 1924 Buick models, with four-wheel brakes, a more powerful engine, beautiful new bodies and numerous other advanced features fully exemplify the Buick policy of incorporating every improvement that will give greater safety, comfort and satisfaction to the owner.

Appellate Court to Hear Argument On Who May Sell Gas

Two motions, one filed by the Southern Ice and Utilities company, and the other by the city of Ranger, relating to the right of the former to buy gas and have it piped within the city limits for its own use, will be heard next Friday, Oct. 13, in the court of civil appeals at Fort Worth.

The injunction filed by the ice company to restrain the city from interfering with the laying of gas pipes to its plant on the north side of the city, Judge C. L. Davenport of the Ninety-first district court upheld the contention of the company. Milton T. Lyman, attorney for the city, then appealed the case to the court of civil appeals.

The Southern company in its motion asked that the appeal be dismissed and the city has requested that the case be given preference and priority over other cases on the docket. If the ice company's motion is overruled, the case will then be set for hearing.

The city, in denying the Southern company permission to build a pipe line for gas purposes to its plant when Gus Coleman, manager of the company appeared before the commission early in the summer, contended that the terms of the franchise between the city and the Ranger Gas company prohibited any individual or firm from selling gas within the city limits, other than the holder of the franchise.

MASONS GIVE AID.

W. N. Raffield, who died Thursday and whose body was taken to his old home in Sumter, S. C., for interment, was not a member of the Masonic lodge. A telegram was received from Sumter stating that the Masons of that city would pay all expenses incurred in sending the body home, but this is said to have been on behalf of his nephew, a member of the Masonic lodge there.

HOUSTON.—A 16-acre tract of land at Point Houston, upon which once stood the home of General Houston, has been deeded to the Houston Y. M. C. A. by R. S. Sterling, Houston resident. The tract is situated on Galveston bay, between Goose Creek and Cedar bayou. It will be used as a camp grounds for the Y boys.
