WEST TEXAS C. C. WILL MEET HERE

Gholson Hotel Selected as the Headquarters; Four Special Trains.

The West Texas Chamber of Commerce will hold its convention here on Feb. 7 and 8, according to plans made by the convention committee of the chamber, which met here Tuesday afternoen to work out plans for the meeting will be the biggest convention to

be held in Texas this year.

More than 1,500 delegates and visitors, representing the substantial business element of the vast territory be tween Waco and the Red river, and between Fort Worth and El Paso, will send people to the gathering. A special train of Pullmans will be run from Wichita Falls and Fort Worth. Another special is expected to come up the Katy from Waco, serving the towns in that section. Another special will come in from El Paso, and plans are being made for still a fourth train from the Lubbock and Plainvie

The new Gholson hotel, which is pos tively promised for completion before the date set, will be headquarters for the convention, and business meetings will b held at the Majestic theater. Entertain ment plans will be made and speakers selected at a later meeting.

Those present at the meeting here were: Porter A. Whaley of Stamford, manager of the West Texas chamber; Dr. R. M. Harkey of DeLeon, Sam Fowkes of Cisco, William Woodall of Eastland, Judge Temple Peters, Mayor SAN FRANCISCO, Dec. 9.—A new M. H. Hagaman and M. H. Smith of outrage by members of the Howard

CLOTHING INDUSTRY IN NEW YORK STILL HALTED BY OPEN SHOP DEMAND

NEW YORK, Dec. 9.—While the union clothing workers picket the various factories involved, their employers stood their ground today and refuse to deal with representatives of the 65,000 workers, unless the principle of the open shop and reduced wages was adhered to. Manufacturers contend that conditions are such that it is necessary to comply with these conditions in order to compete with other markets.

Saturday they plan to frame a set of rules governing the newly inaugurated system.

NEW YORK, Dec. 9.—While the unplace and abused by gangs of men, ranging in size from five to twenty. Most of them, ranging in size from five to twenty. Most of them have only emerged from the place to be carried to hospitals. In adplace to be feld in Ranger Dec. 13.

NEW YORKERS RIOT OVER SEAT CHOICE AT BICYCLE RACES

International News Service NEW YORK, Dec. 9 .- A fight among the spectators over possession of certain seats precipitated a small riot today in the Madison Square Garden, where the six-day bicycle races are being held. One shot was fired and many knives were brandished. Several persons were injured, two of whom were taken to a EUROPEAN ALLIANCES MORE local hospital. Several of the belliger-ents and several of the spectators, who were trying to get out of the way, were knocked over the railing onto the track causing the bicycle races to halt for fif-

Girl Will Be Smuggled Into Fort Worth and Bonds Arranged, Said.

International News Service.

FORT WORTH, Texas, Dec. 9 .- It as learned early this morning that E. Smith, brother of Mrs. Clara Smith famon, who is wanted in connection th the killing of Jake L. Hamon, Oklaight accompanied by a prominent crimi nal lawyer, believed to be Walliam Mc Lean, Jr., of the law firm of McLean Scott and McLean, to confer with his

sister regarding her surrender.
In the conference here yesterday between her brother and the lawyers, Mrs. Smith was given the assurance that, in their opinion, she would be acquitted, if she agreed to surrender and return to face the murder charge.

Brought to Fort Worth. The conference will probably determine whether or not the law firm will be retained. In the event that Mrs. Clara Smith Hamon agrees to surrender, she will be brought back to Fort Worth be-

will be brought back to Fort Worth before being taken to Ardmore.

Every precaution will be taken to prevent any chance of officers arresting her
en route. It is the plan of the lawyers
to have immediate bond arranged for
Mrs. Hamon, before she is removed from
Fort Worth to Ardmore. In his conference here with the lawyers yesterday, Mr. Smith revealed the name of the town in which his sister is in hiding.

Mr. McLean could not be interviewed this morning, his partners maintaining that he had been called out of the city on business. Mrs. Hamon is believed to be niding in the vicinity of Jaurez, Mexico.

Special to The Times.

STAMFORD, Tex., Dec. 9 .- The city council at a special meeting today unanimously elected Homer D. Wade city manager. Mr. Wade will assume his

Police Captain Tom Weeks will give the proceedings the Grand Sultanic Salute. Nobody knows what the Grand Sultanic Salute is, anyway, and neither does Captain Weeks, but he has a vague idea that it will be something "gyand."

Dancing will begin about 8:30, immediately after the completion of Chief George T. Cooper's speech on "Woman's closely interlocked. The offices of the city hall with the city manager's office.

Mr. Wade was for seven years secretary of the local chamber of commerce, resigning to become a representative at of the proceedings the Grand Sultanic Salute. Nobody knows what the Grand Sultanic Salute is, anyway, and neither does Captain Weeks, but he has a vague idea that it will as the time passes and the time passes and the local of the more modern and intricate rhymatic motions of the waltzes, the fox trot, the turkey trot and possibly a few real sprints.

The money raised for the dance will be partially spent for uniforms and the country of the local chamber of commerce, resigning to become a representative at of the proceedings the Grand Sultanic Salute. Nobody knows what the firm due to day sufficient provisions against the time dealers and the time passes and the blood of the time passes. The blood of the troppers' warms up the local count

Convict Escapes Through Warden's **Home Unsuspected**

NEW YORK, Dec. 9.—Sauntering Lawes has had to recruit new men, with non-chalantly down four flights of stairs in the warden's house, smiling at servants the result that nearly 50 per cent of them are "green." n the way, past the warden's office, behind the half-open door of which Warden Lawes, sat at his desk, Fred Rothermel, serving ten years for robbery, made his

escape from Sing Sing today.

Once outside the house Rothermel, strolling in a leisurely manner, made his way across the warden's lawn, and disappeared in the direction of the railroad

Ten minutes later the prison siren moaned forth the news that a prisoner had got away. Guards hurried from every direction. For thirty minutes the hub-dub continued while the man hunt in taxicabs, automobiles, and on foot was being organized, but no trace of the man was found.

Rothermel was virtually presented with his freedom by Keeper Windsman

Report of Admiral Taylor Maryland. The Colorado is to be deliv Shows Many Ships Now Under Construction.

WASHINGTON, Dec. 9 .- Nearly 200 warships, including one superdreadnaught and 96 destroyers, were completed for the American navy during the riscal year others, including eleven superdread- United States navy." naughts and six great battle cruisers, were building at that time.

pair, to Secretary Daniels, made publi today at the Navy Department. entinuing work on the ships building, Admiral Taylor estimated that \$119,000, 000 would be required during the fiscal year beginning next June 30. This con pares with \$59,000,000 last year and i the largest total ever proposed by the American navy in peace time for continu ing construction. It is explained by the fact that work on many of the craft authorized in the 1916 building program was halted during the war.

Build Dirigibles.

that the Navy Department is engaged in ajreraft, including great rigid and semirigid air ships and seaplanes similar to tic flight last year. Besides the dirigi-ble which is building in England for the United States, the navy is building a dirigible at home.

clude four of the NC type for service with the battle fleet, making a total of eight of this class. In the four new craft now building are embodied the les ons learned from the trans-Atlantic

The navy also is building a small number of interchangeable land airplanes and types of torpedo carrying seaplanes, one

says Admiral Taylor, "the bureaus indertook the development of a design for a seaplane larger than any in existence," a 60,000-pound flying boat. The design embodies several new features, including metal wings, a unique

THE UNIVERSAL CAR

"The Ford Touring Cai"

Here is the greatest motor car in all the world. Great because there is more of it in use than of any other car ir the world. Great because that in our demand for a million and a quarter Ford cars this year fully 50 per cent of that demand is for the 'Couring Car. Surely every Ford touring car is a car of great service. You see it wherever you go, day or night, shine or rain, summer or win er-the ever-faithful Ford Touring Car is delivering service and satis/faction, pleasure and economy, in a larger measure than falls to the lot of any other one piece of mechanism in the world.

— We can now deliver Ford cars to you with reasonable promptness. Leave your orders without delay, if you would be wise. The prudent man carries his umbrella when it is dry, because any fool can carry one when it rains!

----Never forget that right hand to every Ford Touring Car is that ever-dependable and universal "Ford After-Service." Here we are. with the genuine made Ford parts, Ford mechanics, and Ford equipment, to give service to Ford cars instantly, so that your car is never out of commission.

University of Illinois Doesn't Even Waste Period of the Summer Holidays.

URBANA, Ill., Dec. 9.-The newest set of agricultural teachers—those who have come to the farm boys at their work in the open country—are making a great in railway gauges in use in the souther

in all the states of the union." Professor this country, 1.68 meters. Nolan said. "These teachers are employed for 12 months in the year. They are paid partly from local funds and time, where the wide gauge ends and a partly from federal funds granted by meter gauge crosses the Andes to the the vocational act

Supervised Work.

'Under the provisions of this law, all udents enrolling in vocational agriculure, with teachers thus employed, mus carry on for six months of the year, as a required part of their course, a farm project under the supervision of the

"A teacher of agriculture literally lives with his boys during the summer months, directing their work, study and business in connection with their fara projects. The boys in these classes are isually organized into vacational club ales, fairs, universities, agricultural exhibits, and good farms. All of this reacts to the moral and social, as well as the vocational and agricultural ed-

ication of the boys. "For the fiscal year ending June 36 1920, nearly 2,000 schools had establish
