SOUTHEAST IS GETTING TORRENTIAL RAINS

NEW MEMBERS CONTINUE TO COME IN FAST

Chamber of Commerce Drive to Complete Its Budget Moves Right On

The membership drive of the Ranger Chamber of Commerce continued today with unabated enthusiasm despite the recent sleet and snow that made traveling precarious. Signed cards of membership continued to flow into the secretary's office throughout the day and the campaign is well on its way towards the goal of a thousand members. Workers on the committees report that nowhere are they met with unfavorable replies when they solicit memberships. The present obstacle to overcome is to catch the prospect at home, as the drive is being carried to the residential district. Every citizen in Ranger is to be signed up as a member, if possible, and interested in commercial organization work in order that Ranger may keep what is rightfully her reputation as the leading town in this section of the state. A united front will be required to keep Ranger in the forefront.

Possessing one of the surest signs of leading prosperity, that of a big town skyline, Ranger is far in advance of neighboring cities, and not only in this respect but in public utilities and financial affairs. The gas, light and water utilities of Ranger are not excelled by any other town between Ft. Worth and El Paso, it is said. The gas supply is fully adequate for any kind of weather, as was demonstrated during the last few cold snaps when the supply was sufficient for all needs. With the installation of the modern filter plant at Lake Hagaman, water that the citizens may drink without fear of disease will be obtained. The plant soon will be operating efficiently as work of flushing out the pipes is nearly completed. The lowest bonded indebtedness of any town in this section of the state is credited with as low tax rate as any other town.

Neighboring cities are raising large sums to be expended by the chambers of commerce in upbuilding the town. Ranger is asking for only half the amount of other towns nearby in the work for the coming year and the Chamber of Commerce is raising that amount by giving the citizens an opportunity to enroll as members at a very reasonable figure.

Plans for the work to be carried on by the Chamber of Commerce during the ensuing year will be outlined tomorrow night at 8 o'clock at a board of directors meeting.

NOTED MAIL ROBBER ON WAY BACK TO PENITENTIARY

INDIANAPOLIS, Ind., Jan. 19.—Gerald Chaplain, million-dollar mail robber who has repeatedly shot his way to freedom and twice escaped from the penitentiary, will face the court again today to determine if he shall be sent back to the federal penitentiary at Atlanta, from which he escaped.

ATLANTA, Ga., Jan. 19.—Gerald C. Chaplain will be returned to the Atlanta federal penitentiary, from which he made his sensational escape nearly two years ago. Authorities of the prison today wired Indiana officials claiming the custody of the prisoner held there.

BRECKENRIDGE MAN PLANS TO PLANT PECAN GROVE

BRECKENRIDGE, Jan. 19.—T. C. Hefner of Breckenridge is planting twenty-five acres of river bottom land in paper-shell pecan trees. This will be one of the largest pecan orchards in this section and is considered a step forward toward making land values increase that will ultimately mean hundreds of thousands of dollars in new wealth to Stephens county.

COURT SAYS MRS. HART MAY RETURN TO SCREEN

LOS ANGELES, Jan. 19.—Winfred Westover Hart, estranged wife of William S. Hart, today won her fight to return to the screen. Judge Albert Stephens ruled that the paragraph in the Hart separation agreement which barred her from further picture work was invalid and ordered it severed from the document. The court also ruled that the decision did not invalidate the agreement under which a \$100,000 trust fund was created for Mrs. Hart and for her son, William S. Hart Jr.

KAUFMAN, Jan. 19.—The new building at the Terrell insane asylum, a junior hospital, is nearing completion and will be ready for occupancy within a month.

The building is being erected at a cost of \$26,000. An annex to the dairy is being planned.

Cotton Planters At Rising Star Win In Recent Contest

RISING STAR, Jan. 19.—J. E. Goss, farmer, living in the Union Hill community, south of town, won first prize of \$100 offered by the Rising Star Chamber of Commerce in a cotton growing contest, which has just closed. Goss produced 1,319 pounds of lint cotton on five acres without irrigation. H. H. Rushing was second with 1,270 pounds of lint, and was awarded \$75. Virgil Waldrip won the \$50 prize for third man, his record being 1,256 pounds of lint. Ten prizes were awarded in the contest, the winners other than the first three being in order named: S. W. Smith, P. D. Richardson, J. A. Waldrip, Monroe, Chambers, Homer Barnes, J. T. Harris and W. P. Roach.

The 50 acres represented by the prize winners produced 10,674 pounds of lint, an average of almost half a bale per acre. Total receipts of the cotton marketed from these 50 acres amounted to \$2,711.82, an average of \$54.23 per acre. Records kept by the farmers show the profits, exclusive of the prizes won, to have been \$1,960.60, an average of \$39.20 per acre.

The past year was a bad cotton year due to excessive rains in the planting season. Those who directed the contest are gratified over the results obtained, and the farmers learned much of value to them as a result of the contest.

REPUBLICANS FACE FURTHER PARTY REVOLT

Insurgent Bloc Objects to U. S. Sharing In Reparations Payments.

WASHINGTON, Jan. 19.—"Irreconcilables" today prepared to call the administration to account for authorizing adherence of the United States to the recent Paris reparations agreement.

Contending that the signatures to the agreement affixed by Ambassadors Kellogg and Herrick and special American observer, Col. James A. Logan, appear to have precipitated this country into the European entanglement against which they have fought, the "irreconcilables" have initiated an inquiry.

Hiram Johnson of California introduced an innocent looking resolution last Saturday calling on Secretary of State Hughes for a copy of the Paris agreement. Back of this move is a deep suspicion that the United States is firmly engaged in the European affairs through the agreement, despite announcement by administration leaders that this country is not involved.

RED-HEADED WOMAN DEFIES NEGRO BANDIT SENDING HIM RUNNING

HOUSTON, Jan. 19.—While police were scouring the city for him, the "black phantom" negro youth staged four hold-ups over the weekend and eluded efforts to capture him.

After robbing three stores of approximately \$150 he encountered an obstacle in his fourth attempt in the person of a red-headed woman. Entering the store of Mrs. Orr Lombert and her husband, the negro called for elevation of hands.

"I wouldn't stick 'em up for anyone, let alone a negro," she declared as she stepped in front of her husband. Lombert grabbed a brick and threw it at the negro whereupon he turned and ran out of the store.

CONVICED MAIL ROBBERY GANG GO TO PENITENTIARY

ST. LOUIS, Jan. 19.—Eight members of the Cuckoo and Egan's Rat gang will leave tonight for Leavenworth to serve sentences of 15 years for complicity in a two million dollar mail robbery here.

Colbeck and three of his gang are already under conviction and it means nothing to them as they will serve the present term concurrently with the one already imposed for a robbery in Illinois.

TWO CONVICTED CATTLEMEN TAKEN TO PENITENTIARY

DALLAS, Jan. 19.—Milt Good and Tom Ross, West Texas cattlemen, convicted of killing a representative of the Texas Cattle Raisers' association in April, 1923, were taken to the penitentiary today. Both were sentenced to long terms.

LABOR BOARD GIVES RAILWAY WAGE INCREASE

Grants Applications Affecting 87,000 Employes and Denies Request of 75,000 Others

CHICAGO, Jan. 19.—The United States labor board granted wage increases of 1 and 2 cents an hour to some 87,000 employes of various railroads. Applications for wage increases for about 75,000 others were denied. The wages allowed call for an annual increase amounting to \$3,300,000.

The employes granted the increase are clerks, freight handlers, express and station employes, janitors, elevator operators, truckers, stevedores and storage helpers. One and one-half hours will be allowed for holidays and Sundays and sick pay will be allowed unless substitute workers are engaged.

The railroads affected are: Fort Worth and Denver City, Kansas, City Southern, St. Louis, Southwestern, Southern Pacific lines in Texas and Louisiana, Frisco lines, Texas & Pacific, Missouri Pacific and the Terminal of St. Louis.

DAVIDSON SAYS GOODBYE TO SENATE ASSOCIATES

AUSTIN, Jan. 19.—Lieutenant Governor T. W. Davidson made his retiring speech in the state senate today following a present of a chest of silver. In his talk Davidson advocated the abolishment of the double Texas primary system.

"I am not retiring from service of this great state," Davidson said in answer to rumors that he was going to retire.

GERMANY FAILS TO DISARM

Danger to Future Peace Seen in Activities Beyond the Rhine; Moment Not Yet, But May Be Soon, Says Expert.

By J. W. T. MASON.
(Written for the United Press.)
NEW YORK, Jan. 19.—The allies are now facing the fact that they have failed in their efforts to compel Germany to disarm. The Germans have evaded the provision of the Versailles treaty in this respect; but more significant than Germany's refusal to accept the peace treaty when she can dodge its terms, is the inability of the allies to compel Germany to disarm. Provision against a future world war, therefore, cannot be based on any theory which considers the Germans as forever at the mercy of the present world victors.

British objections to evacuating Cologne, the British Rhine headquarters, on Jan. 10, the date fixed by the Versailles treaty, are based on Germany's lack of co-operation in dismantling her armaments. German disarmament will never be brought about by the allied retention of Rhine vantage posts, nor by any other means. Since the ending of the war, the allies have been able to go anywhere in Germany at will, and take any measures within their capacity to disarm the nation. A large allied commission has had this work exclusively in charge.

The Allies Powerless.
But, among 60 million people, as alert intellectually as the Germans and as skillful in camouflage, there are many ways whereby concealments of munitions manufacture are possible. The allies have known this for a long time, and have been powerless to prevent it. A considerable number of machine guns and rifles and some artillery have been saved by the Germans from surrender to the allies, and are now buried in secret places, carefully encased to prevent rust. But, it is not these weapons that need cause any special disquietude.

The major factors in German war preparations are the secret of chemical experiments that are known to be going on, and the manufacture of machinery ostensibly for peaceful pursuits, but which can be quickly changed, overnight, into instruments for producing war materials. Germany, too, is continuing to train large numbers of her youth in military tactics, under various disguised associations for gymnastic and other exercises.

Under present conditions, the Germans would be unable to wage a major war. But, they have succeeded in keeping intact and in improving continuously, a skeleton organization for war. The nucleus cannot expand into a great machine for hostilities at this moment; but nobody knows outside Germany just when the moment will come when this will be possible. It might take Germany six to nine months to raise herself in martial array, if she were given an absolutely free hand.

The strategy of the German general staff, in the event of hostilities, therefore, would be to concentrate

on keeping an enemy at bay, with Germany fighting on the defensive until the intensive work of making the war machine effective behind the lines had succeeded. Germany, however, cannot at the moment find means for waging any such defensive campaign even for a week.

Problem Can Be Solved.
Nevertheless, a new discovery in gas methods of warfare, coupled with the quick manufacture of a number of aircraft competent to engulf an army with gas dropped from above, might solve the problem. Certainly the problem is not insoluble, and there can be no possible doubt but that eventually Germany will solve it.

That does not mean, however, that a war is inevitable with Germany successfully defying her foes. Germany was beaten once and can be beaten again. But, the cost of a new conflict will be out of all proportion to the possible gain. Therefore, to stop it in time will be to do an inestimable service to the world.

Nomination of Stone For Supreme Court Confirmed

WASHINGTON, Jan. 19.—The senate judiciary committee today approved and the senate confirmed the nomination of Attorney General Stone as an associate justice of the United States supreme court. The nomination had been held up for an investigation of Stone's record.

Senator Thomas J. Walsh, democrat of Montana, who had led the investigation, was present, but did not oppose Stone's confirmation.

Snow In Ranger Delights Children Who Slide and Romp

The sleet that was falling at midnight Saturday turned to snow and when Saturday morning dawned the ground was covered with snow that was several inches deep on the level and 12 inches and more in drifts. Snowballing was enjoyed Sunday in Ranger. The children had a wonderful time. The day was cold enough to keep the snow firm and was good enough for sledding for which a number of boys improvised sleds.

The sun came out bright and clear this morning and by noon the snow was fast disappearing.

WOMAN EXAMINED AS TO HER PART IN OFFENSE CHARGED

LOS ANGELES, Jan. 19.—Cross-examination of Miss Irene Galton, motion picture actress, as co-defendant with Raymond Owens, son of the wealthy Toledo family, on charges of violating the Mann act, was to start today.

Appellate Court Is Asked To Open Way For Ranger Force

AUSTIN, Jan. 17.—The state court of civil appeals will be asked to suspend the ruling of the fifty-seventh district court at San Antonio halting operations of state rangers, according to Attorney General Dan Moody.

The hearing on the restraining order was set down for Saturday.

"Ma" Ferguson Is Unconcerned As Her Inauguration Nears

AUSTIN, Jan. 19.—With the time set for her inauguration as Texas' first woman governor, "Ma" Ferguson went about her business unconcernedly here today. At high noon tomorrow "Ma" will take upon her shoulders the burden of running the state for the next two years.

NEW TEXTILE LOOM AT A. & M. COLLEGE IS OF LATE APPROVED PLAN

COLLEGE STATION, Jan. 19.—Operation of a new modern style loom recently donated to the textile engineering department of the A. & M. college of Texas by the Stafford company, manufacturers of weaving machinery at Readville, Mass., has been started, giving the department a surplus machine on which to weave a kind of outing cloth used in shoe linings and for many other purposes.

W. L. CRAWFORD FOR DALLAS ON TRIAL TODAY FOR MURDER

DALLAS, Jan. 17.—William Lester Crawford, son of the late Col. W. L. Crawford, was placed on trial today for the alleged slaying of Paul M. O'Day, Dallas attorney.

Empowering of the jury began from a venire of 400 men. O'Day was shot to death in November, 1924, in the American Exchange National bank here.

FAMOUS COWBOY STATUE IS PRESENTED TO TEXAS TODAY

AUSTIN, Jan. 19.—Charles Cason, president Chemical National Bank of New York, reached here Sunday to participate in the ceremonies today incidental to the unveiling of the cowboy statue in the capital grounds recently donated to the state by Madam Constance Whitney Warren of Paris, France, who made the statue. It was through the efforts of Cason that Governor Neff was enabled to procure this statue for Texas. Cason officially presented the statue to the state at the unveiling ceremonies.

SENATE WILL ACT ON NEFF'S APPOINTMENTS

More Confirmations Expected; Legislature Canvasses Vote For Governor.

AUSTIN, Jan. 19.—The thirty-ninth legislature turned today from consideration of legislation to wind up plans for the inauguration of Governor-elect Miriam A. Ferguson and completion of organization work. Further action by the senate on recess appointments by Governor Neff is expected today.

Both senate and house met again afterwards in separate session, the house to hear additional committee appointments by Speaker Satterwhite and the senate to determine the fate of outstanding recess appointments. A bill covering the recommendations of the Texas Highway association for new highways was presented in both houses today.

Two measures were presented, one for motor buses to be classed as common carriers and the other calling for a constitutional amendment so the state may be entitled to federal aid.

The common carrier bill provides that the buses be regulated by the state department or the railroad commission. The bill also provides for liability insurance to be carried at the time of formal application to operate.

Appellate Court Is Asked To Open Way For Ranger Force

AUSTIN, Jan. 17.—The state court of civil appeals will be asked to suspend the ruling of the fifty-seventh district court at San Antonio halting operations of state rangers, according to Attorney General Dan Moody.

The hearing on the restraining order was set down for Saturday.

Rt. Rev. E. C. Seaman Bishop Northwest Episcopal Diocese

AMARILLO, Jan. 19.—With all of the original dignity and solemnity of the Church of England and the ecclesiastical pomp and splendor suitable for such a momentous occasion, St. Andrew's Episcopal church was the scene of one of the greatest events in the history of the Panhandle Sunday, when the Rev. Eugene Cecil Seaman was clothed with the robe of bishop of Northwest Texas Episcopal diocese.

A reception to the visiting clergy and delegates will be tendered at the home of Mr. and Mrs. H. W. Galbraith Monday evening in honor of Right Rev. Bishop E. C. Seaman. The Rt. Rev. Eugene Cecil Seaman is the first native born Texan ever to have donned the robe of bishop of a Texas diocese or missionary district of the Protestant Episcopal church, in whose hand is placed the power of jurisdiction over the parishes of his district.

BULLDOGS GET SWEATERS FOR SEASON'S WORK

Ranger High Football Players Rewarded for Work and Sportsmanship.

Twenty-seven Ranger High school football players were presented with sweaters this afternoon at 3 o'clock before a large audience of high school students and parents in the high school auditorium. The sweaters are a reward for the season's work on the gridiron and as a tribute for hard work and good sportsmanship by the athletes.

The players were required to stay in training and forego some pleasures that were the lot of their fellow students in the activities of the social events of the year. Faithful work was rewarded whenever a football game was played as the town turned out to cheer on "their boys" to victory. They were great in defeat, putting up one of the best games ever witnessed locally when they lost to Cisco for district championship. The dark maroon and white coats sweaters with a white "R" emblazoned on the left side were presented by Principal L. E. Forrest of the High school, and were given to first team members. Seventeen men on the first string received sweaters with stripes on the left arm, denoting the years played.

The scrubs, whose praises are often sung and are yet unrewarded for their season of grueling labor, were awarded a slip-over sweater of maroon and white, with a bulldog's head emblazoned on the front of it. Sweaters for the yell leaders, Thurman Gholston, Iuka Mae Lonsdale and J. E. Rucker followed to arrive and will later be presented to the three as a token of appreciation for their services.

Fellows who were awarded the coveted "R" on the first squad with the number of stripes for years played are: Collins, 4 stripes; Walker, 3 stripes; Wilson, captain, 3 stripes and star; Phillips, 1 stripe; Mills, 2 stripes; Jordan, 3 stripes; Harvey, 1 stripe; Dupree, 3 stripes; Yorker, 4 stripes; Williams, 2 stripes; Shell, 3 stripes; Gullhorn, 2 stripes; Shipp, 1 stripe; Perry, 1 stripe; Bohanan, 1 stripe; Payne, 2 stripes; V. Short, 1 stripe.

Players of the scrubs who were awarded the Bulldog are: Cooper, Williamson, Grubbs, Whitehall, Gholston, Hansford, Black, E. Glenn, A. Glenn, Cole.

Ranger High School Athletes Will Meet At Banquet Tonight

An informal "stag" football feed will be held tonight at 8 o'clock at the DeGroff hotel for the football squad that represented Ranger High school in the last season. A number of business men who faithfully supported the team will also be present.

The "feed" is an annual affair and will not be a formal banquet, according to Principal L. E. Forrest, who will preside. Everything will be strictly informal and during the course of the program, which will consist of speeches by representative business men of Ranger, plans for the year 1925 will be talked over.

MRS. VERA M'ADAMS, WIFE OF MRS. WACO'S CITY MANAGER, DIES

WACO, Jan. 19.—Mrs. Vera Blanche McAdams, wife of the city manager of Waco, died today after a protracted illness. Funeral services and burial will be at Bryan, tomorrow.

BROWNWOOD DISTRICT PLANS NEW FRUIT CANNING FACTORY

BROWNWOOD, Jan. 19.—The people of May community, 20 miles north of Brownwood, have organized with a capital stock of \$2,000 and will build a fruit canning factory for commercial purposes.

FLOOD WATERS DOING DAMAGE IN THE SOUTH

Sections of Five States Swept By Swollen Rivers Following Heavy Rains.

ATLANTA, Ga., Jan. 19.—Nine persons have lost their lives and big property damage has resulted from flood waters sweeping sections of five southern states today. Swollen rivers following 10 days of almost incessant rainfall in Georgia, Alabama, South Carolina, Louisiana and Mississippi have caused two train wrecks and made hundreds homeless. Two trainmen were killed when a Southern railway train plunged through a trestle near Theima, Ala., that had been weakened by flood waters. Four negroes are believed to have been drowned near Hammond, La., when their automobile overturned on a flooded highway and was swept away.

About 100 persons are homeless in West Point, Ga., where the river is running rampant. Flooding lowlands and homes. Train service has been demoralized throughout Southern Georgia and portions of Alabama, the result of washouts and flooded right of way. Highways in Mississippi and Louisiana are covered with water, bridges have been swept away and towns are isolated.

CARBON FARMERS PLAN TO POOL ORDERS FOR STANDARD FERTILIZERS

Following examples set by the farmers of other sections of Eastland county, the farmers of the Carbon territory will meet at Carbon Saturday afternoon, January 24, at 3 o'clock, for the purpose of organizing to pool orders for commercial fertilizer. County Agent R. H. Bush and J. H. Collins will be present at the meeting to assist in the organization of the pool.

The territory surrounding Carbon is one of the richest farming sections of Eastland county and progressive farmers are among the most progressive. Several years ago they began adopting the more scientific methods of farming and through their efforts it has been proven that nowhere in this section and in very few other places, can more and better crops of cotton, feed stuffs, peanuts, watermelons, garden truck, tomatoes, potatoes, etc., be grown.

Besides their interest in agriculture the farmers of the Carbon territory have gone in strongly for poultry and livestock raising. All of this was shown very forcibly at the splendid community fair held at Carbon a short time ago.

TEXAS AND CALIFORNIA HENS TIED FOR FIRST PLACE IN EGG LAYING

COLLEGE STATION, Jan. 19.—Texas birds are leading for honors in the eighth annual Texas National Egg Laying Contest at the A. & M. college and promise to set new records for the year.

A pen of S. C. White Leghorns owned by J. J. McDonald of Temple, is tied with a pen of California White Leghorns for leading place having laid 207 eggs in the past two months. One bird in this pen of five is tied with another White Leghorn from a California bird ranch for individual leadership, having laid 52 eggs in the two months.

Second and third place in the pen performance is held by V. J. Boriskie of Bryan, his White Leghorns laying 205 eggs in the two months, and his pen of Barred Plymouth Rocks 202.

A pen of White Leghorns from the flock of F. W. Kazmier of Bryan is close with 202 eggs. Second and third places in the individual class are held by Washington and Missouri birds.

There are 80 entries in the contest, the largest in history.

In spite of the unprecedented cold weather, a number of old pen and individual records were broken. Six White Leghorn hens passed the old December Leghorn record of 25 eggs and a pen of Dominique set a new record of 25 eggs for that breed. A pen of Barred Rocks owned by Mr. Boriskie set a new record for December production by laying 119 eggs or an average of 23.8 eggs per hen. Two other pens exceeded the old December record of 108 and two others equaled it.

BROWNWOOD DISTRICT PLANS NEW FRUIT CANNING FACTORY

BROWNWOOD, Jan. 19.—The people of May community, 20 miles north of Brownwood, have organized with a capital stock of \$2,000 and will build a fruit canning factory for commercial purposes.

BIBLE THOUGHT
Is it not to deal thy bread to the hungry, and that thou bring the poor that are cast out to thy house? when thou seest the naked, that thou hide not thyself from thine own flesh?—Isaiah 58:7.

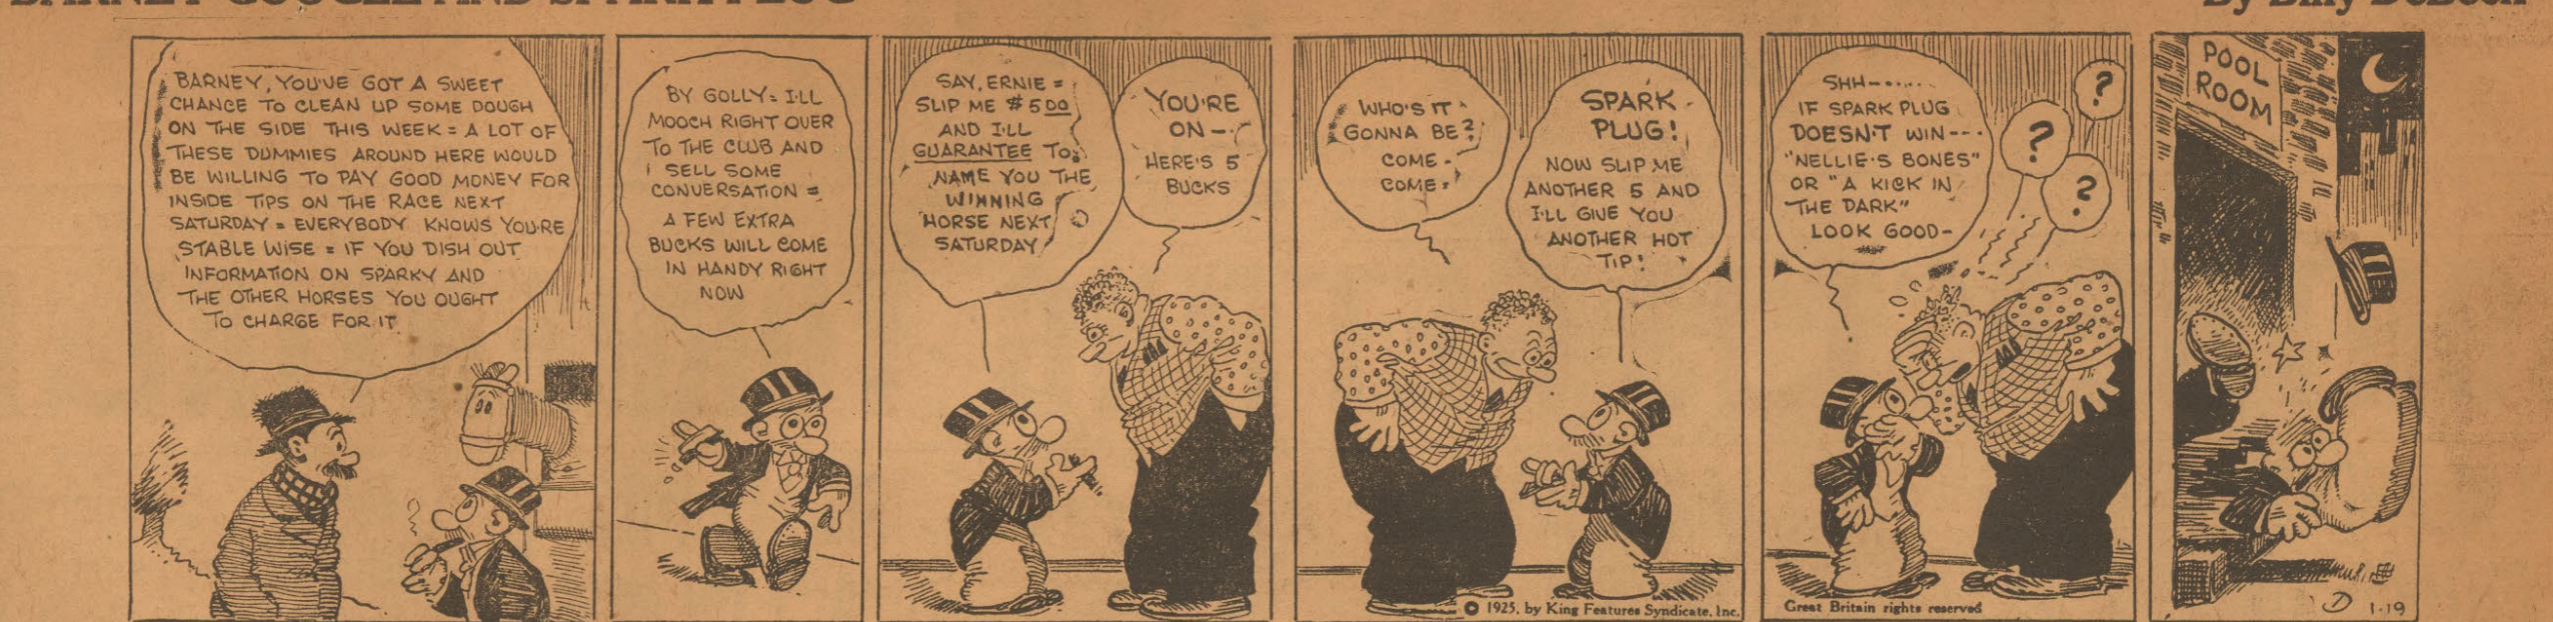

NEGLECT IN THE HOME
Every year we draft some 3,000,000 boys and girls into our vast public school army. And we do this in a very haphazard manner. The parents of more than half this army eagerly await the day when the child can be unloaded, as it were, on the public school teacher.
Approximately one-fourth of all our school beginners fail of promotion at the end of the first year. Only about one out of ten has enjoyed the preparatory advantages of a kindergarten or the smallest degree of home instruction. More unsolved problems of mental and educational hygiene are heaped up at the threshold of our public school system than elsewhere and as a result of this neglect about one-third of the total deaths of the country occur below the age of 6 years.

Including several postmasters, 25,715 women are employed in the postal service outside the District of Columbia.

Nearly 20,000 Mexican children are enrolled in the public schools of Los Angeles.

In the light of recent discoveries the people of India and Mesopotamia were living in well built cities with a high standard of craftsmanship more than 5,000 years ago.

TUESDAY EVENTS.
Columbia Study club meets at 10:30 o'clock with Mrs. Howard Gholson.
Child Welfare club meets at 2:30 o'clock at Gholson hotel.
Young School Parent-Teacher association meets at 3:45 o'clock at schoolhouse.

AD LIBITUM CLUB TO MEET WITH MRS. WALKER.
The Ad Libitum club meeting will be held on Wednesday at 2:30 o'clock with Mrs. Hall Walker.

MRS. THOMPSON WILL ENTERTAIN WEDNESDAY.
The Wednesday Bridge club will hold its regular meeting on Wednesday at 2:30 o'clock at the home of Mrs. J. L. Thompson, Mesquite street.

HIGH SCHOOL CONCERT WILL BE ON SATURDAY.
The fine concert arranged by the Parent-Teacher association of the High School for last Saturday night will be given next Saturday night. The program is full of splendid selections which will be enjoyed by all who attend. Proceeds of the tickets will be used to purchase much needed books for the library of the High School. The assistance of each patron of the school in this matter will be greatly appreciated by the students of the school as their work is much hampered by scarcity of need-

ed reference books. In order to keep the affiliation which the Ranger High school now has with southern colleges it is absolutely necessary that the library should be improved.

EASTERN STAR MEETING HAS BEEN CALLED OFF.
Because of illness in many families of members the regular meeting of the Eastern Star has been called off for tonight.

DELPHIANS TO BEGIN SHAKESPEARE STUDY
The Delphians will meet Thursday afternoon at 2:30 o'clock at the Gholson hotel and will commence the study of Shakespeare. Assignments are as follows: "The Source of the Play," Mrs. F. L. Carroll; "The Five Stages of its Dramatic Plot," Mrs. Keeran; "How Act 1 fulfills the requirements of an introduction," Mrs. Grady Wilson; "The Sub-plot, and its connection with the main action," Mrs. A. G. Jury; "The Third Act," Mrs. R. R. Stafford; "Act V as a Communication of the Dramatic Conflict," Mrs. J. P. Driehofner.

EASTLAND COUNTY CLUBS ELECTION NEXT WEEK
The meeting of the Eastland County Federation of clubs, which had been announced for Saturday, was deferred on account of the stormy weather until next Saturday, January 24, when the same program will be held at the Christian church in Cisco with Mrs. R. H. Hodges of Ranger as leader.

MRS. TERRELL TO HAVE THURSDAY BRIDGE CLUB.
The regular meeting of the Thursday Bridge club will be held this week with Mrs. C. O. Terrell at 2:30 o'clock on Thursday.

FINE PROGRAM FOR YOUNG SCHOOL P.-T. A.
A splendid program has been arranged for the Young School Parent-Teacher association meeting which will be held at the schoolhouse Tuesday afternoon at 3:45 o'clock.

Mrs. L. McNeill, vice president, will preside in the absence of Mrs. N. A. Jennet, president. Mrs. H. S. Hinton will be the program leader and a talk on the dramatic instincts of children will be given by Mrs. A. W. Hall.

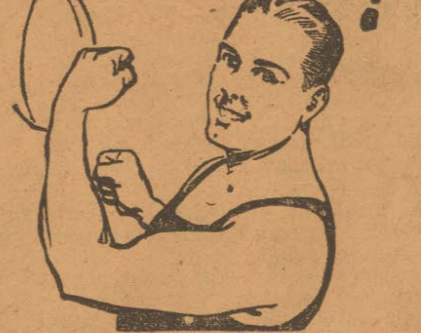

There will be a musical program by pupils of Miss Gillian Buchanan. Hostesses will be Mes. Mitchell and Thornton.

PERSONALS.
Mrs. N. A. Jennet, district president of the Texas Congress of Mothers for the first district, left this morning for Austin to attend the board meeting of the state organization which is being held there this week.

THREE KILLED, FOUR HURT IN AUTO-INTERURBAN CRASH
DAYTON, Ohio, Jan. 19.—Three persons were killed and four injured when an automobile crashed into an Indiana & Eastern traction car at Osbron, near here, today.

BABY FALLS ON ICE AND DIES FROM ITS INJURY
The 16-month old baby of Mr. and Mrs. Lee Brown of South Oak street fell on the ice yesterday and suffered an injury from which it died. Funeral services were to be conducted at 4 o'clock this afternoon in the Central Baptist church by the pastor, Rev. A. L. Leake.

Power in the Blood!

You will be compelled to admit that the results of S. S. S. are really amazing!

MAN'S GLORY is his strength—yet how few there are who are really as strong as they should be. The blood thins, gets weaker, blood cells wear out—general weakness and a gradual break-down of the system results.

We know there is one thing that puts power in the blood, and that is more red-blood-cells! S.S.S. builds them by the million! We know that as blood cells increase in number, blood impurities vanish! But have you ever actually taken advantage of this wonderful fact? Thousands just like you have never thought of it. So-called skin eruptions—pimples, boils, blackheads, eczema all pack up and go when the tide of blood cells begins to roll in. Blood cells are the fighting giants of Nature. S.S.S. is one of the greatest blood cell builders, blood cleansers and body builders known to mortals. Here is your opportunity! S.S.S. contains only vegetable medicinal ingredients. Because S.S.S. does build red-blood-cells, it routs rheumatism, builds firm flesh, fills out hollow cheeks, beautifies the complexion, builds you up when you are run-down.

Start taking S.S.S. today and get back that power in your blood!

S. S. S. is sold at all good drug stores in two sizes. The larger size is more economical.

'CASH CONVERTER'

SALE

HERE ARE SOME REAL VALUES

Remember, There Are Only 10 Days That These Offers Are Good. We have a large stock, but we know that at such prices it will diminish rapidly, so naturally it is to your advantage to be here early so that you may get first pick of everything.

10 Days of Wonder Values

CASH TERMS DURING SALE
Because of such radically low prices, and expense incurred in the conducting of this sale, we must ask this favor of our friends, "that every sale be on a strictly cash basis."
GOODS GLADLY EXCHANGED
In accordance with our usual integrity and fair dealings, we will gladly exchange any article that is not thoroughly satisfactory. We want our customers to be pleased.

ARROW COLLARS

HOWARD PAYNE AND JOHN TARLETON DIVIDE HONORS

STEPHENVILLE, Jan. 19.—The yellow jackets beat out the plowboys in a cage game by a score of 20-14 last Thursday. In this game Weaver and Nix tied for honors, each scoring five points for the plowboys, while Baker scored the other four. Butcher was high point man for the jackets that night with seven scores, closely followed by Nunnally with six. In a return game in the Tarleton gymnasium Friday night, the plowboys showed a complete reversal of form, beating out the yellow jackets by a score of 24-13. Nix was high point man for the plowboys with twelve points to his credit. Nunnally starred again, scoring six points again for the visitors.

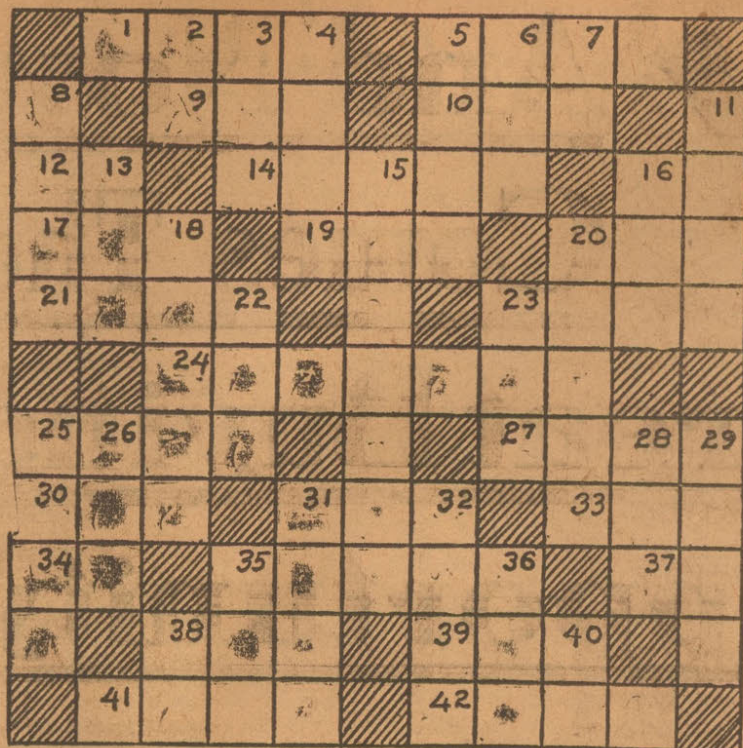

The plowboys have only one other non-schedule game to play before opening their regular season next Friday night at Decatur with the Baptist boys. The other non-conference game is to be played tonight in the big gymnasium of Tarleton college with the municipal junior college of Wichita Falls.

Eight of last year's letter men are back for the season, and with a wealth of new material and non-letter men of last year, the plowboys' prospects for a winning cage season is brighter than ever before.

Assignment oil and gas lease, Jno. L. McMeans to H. H. Adams et al., W 1-2 of E 1-2 of section 483, S. P. Ry. Co., survey, containing 160 acres, Eastland county.

OLDEN

OLDEN, Jan. 19.—Mrs. S. J. Munn and family are moving to Comanche this week. Ben Loftis of Comanche was an Olden visitor last week. Willie Bee Norton had his collar bone broken while playing ball. R. E. Pickett returned home Wednesday from Corsicana. M. V. Simmons of Gorman was visiting in the B. F. Cayce home last week. Mr. and Mrs. J. P. Weatherall and little daughter, Geraldine of Oil City are visiting the Weatheralls here. Mr. Gibson's room, the sixth and seventh grades, won the picture, "Betsy Ross," given away by Mrs. C. A. Wilson, president of the Parent-Teacher association. Miss Fannie Bell Russell has been ill the past week. Little Yvonne Horner has been ill the last few days. H. D. Mitchell made a trip to Cisco Saturday. Emmett Rice came home Wednesday night from West Texas, where he got blood poisoning in his hand. He is reported improved.

S. J. Gibson spent the week-end visiting in Abilene. Miss Lela Mae Smith spent the week-end with homefolks in Eastland. Mrs. Nola Smith, who spent the past week visiting in the home of her brother, Robert Atkins, left for her home at Fort Worth Sunday.

CECIL THOMAS FALLS ON ICE AND BREAKS ARM Cecil, the 7-year-old son of Mr. and Mrs. E. J. Thomas of 606 South Halbryan street, Eastland, suffered a fractured left arm Saturday when he fell on the ice. The arm was placed in a splint and he is reported to be doing nicely.

WOMEN'S COUNTY FEDERATION TO MEET NEXT SATURDAY The annual meeting of the County Federation of Women's clubs, which was to have been held at Cisco last Saturday was postponed until this coming Saturday. The meeting will be held at the Christian church at 2 o'clock.

AUTO TRAIN SERVICE FOR PANHANDLE SOON

CLAUDE, Jan. 19.—Auto service is to be established in the town of Panhandle, north of Claude. J. F. Treat, manager of the Panhandle inn, announces that arrangements had been made with J. R. Campbell of Amarillo to establish a taxicab company at this place with offices in the inn. Campbell stated that cars would be provided to meet all local trains the Rock Island trains at Conway, south of Panhandle, and to make daily tours of the Panhandle oil fields.

Packed in heavy foil instead of costly tins hence 10¢

Just contrast its coolness and rich mildness with anything you ever smoked

An almost forgotten old tobacco secret. "Wellman's Method," dating from about 1870 and now ours exclusively, is responsible for the delightful taste of Granger Rough Cut—its mildness and its appetizing fragrance. And notice also the coarser "Rough Cut"—slower-burning, and therefore cooler. Here truly is a pipe tobacco that IS pipe tobacco!

Granger Rough Cut
