

MILLER DENIES IS BACKED BY KU KLUX KLAN

Tiffin Candidate for School Trustee Says He is Running as People's Candidate.

C. Miller of Tiffin, nominated about 10 days ago at a meeting in Tiffin as a candidate for school trustee of the Ranger Independent School district, of which Tiffin is a part, stated at the time that he was running on a non-political platform. This statement was challenged a few days later by G. D. Bennett, who claimed that Mr. Miller was a candidate of the Ku Klux Klan and nominated at a secret meeting of a few persons in Tiffin. To that challenge Mr. Miller replies that he is not a kluxer, has not been put up by them as a candidate and that he has the support of 80 per cent of the people of Tiffin. Mr. Miller writes:

Tiffin, March 14, 1924.
Editor Ranger Daily Times:
There appears in your issue of March 11, 1924, a letter from a Mr. C. E. or C. D. or C. S. Bennett, in which he purports to tell the facts and enlighten the people of Ranger about a meeting that was held last Wednesday night at the Tiffin school house, in which I was nominated to run for school trustee of the Ranger Independent School district, representing directly the people of Tiffin.
In Mr. Bennett's article he states that "it was not a representative meeting, but was a star chamber session of the Tiffin Ku Klux Klan," and that I "was simply the Klan nominee from Tiffin."
Mr. Bennett knows that there is not a word of truth in that statement. The people of this community know that a person putting out a letter containing these statements is not trying to tell the facts, but is purposely trying to mislead (not the posely trying to mislead (not the voters of the Ranger Independent School district).
He also states that he was informed that there were only 16 persons present. As that was the number of men that worked for me that day, he may have intended, in his anxiety to let the people know all the facts, that I brought my own men down there and nominated myself for trustee.
If this was his intention, he was just as near the truth that time as before, for only three men working for me were present and they had their tax receipts.
For fear that Mr. Bennett may take a relapse and suffer dementia again, I will kindly inform him that there were 39 representative citizens present and I am reliably informed only two kluxemen and no more. Also included in the number present there were seven members of the Parent-Teacher association, not including the secretary and treasurer of that association, making eight members of the P. T. A. present.
For the benefit of the general public and in defense of truth, I want to ask Mr. Bennett where he gets his information and state here and now that the assertion and insinuations he has made reflecting on the truth and veracity of the good people of Tiffin is unfounded and basely false.
Meet Well Advertised
It is a rather peculiar incident for Mr. Bennett to complain that "he or anyone else opposed to the Ku Klux Klan knew nothing of the mentioned meeting of citizens until after it was over," when in a stone's throw of his door 75 per cent of the people knew it and were talking of it for three days before the meeting, and further I hope he can read and is intelligent and fair-minded enough to admit that I have been duly nominated and endorsed by over 80 per cent

of the people of Tiffin, as is shown by the attached petition.

Mr. Bennett is asked in all sincerity to look over the list of names below of the voters of Tiffin district that have endorsed me by their signature and pause; to think and reconsider matters more seriously before rushing to print in the future with his private opinion. If he is conscientious and unprejudiced, he will retract the unfounded statements he has made in the columns of this paper. For your information as well as the voters of the Ranger Independent School district, I want to brand as false once and for all the statement that "I am simply the Klan nominee from Tiffin." Further, I want to tell you and the public that the first man who approached me and encouraged me to run for school trustee from Tiffin is a publicly avowed anti-kluxman. I was nominated with the positive understanding that I would run on a strictly independent-non-political and non-partisan ticket. I am not a kluxman, never was and never expect to be. I have never asked for and I could not expect their endorsement, neither could I expect the indorsement of the Ranger club.

I want to further enlighten Mr. Bennett by saying I am proud of the citizenship that is backing me in this campaign, and if he assumes there is anything secret or invisible about it, he can tell who they are and I defy him or anyone else to produce a list of better fathers and as pure mothers as ever lived in this country.

I do not believe in politics in our public schools and have the nerve to say so, and if I am elected, and I believe I will be, I will sidetrack anything political if it is in me to do so. I will give my best interest and endeavors to the children and schools and politics and politicians can go hang.

Mr. C. S. or C. D. Bennett is asked to get out among his neighbors and find out the facts and then tell it in print. He should know I own and operate a dirt outfit, so should not throw mud.

Mr. Editor, please give this reply the same attention you gave Mr. Bennett's letter, which was a vicious and unprovoked attack without any semblance of truth or fact in it.
Yours for bigger schools and better schools,
C. MILLER.

Miller's Fledged Support
The undersigned voters and patrons of the Tiffin district of the Ranger Independent School district, hereby pledge our support and influence in behalf of C. Miller, who has been duly nominated by a representative assembly of the patrons of Tiffin school to serve as a candidate for school trustee on a strictly independent-non-political, non-partisan ticket.

MILLION DOLLAR SUIT IN THE DISTRICT COURT MEETS WITH MISTRIAL

The Ninety-first court jury, in the case of Ern T. Connelley et al. vs. Magnolia Petroleum company, was discharged Friday afternoon at 3 o'clock, having failed to reach an agreement. They had been deliberating on the case since early Thursday morning.

This is a case in which the defendants, Ern Connelley of Oklahoma City, Mrs. Jack Williamson of Eastland and Tom Connelley of Fort Worth, are suing the Magnolia Petroleum company for a sum amounting to almost \$1,000,000, alleged to be due them for casinghead gas, taken from their farm near Olden, on which the defendant had an oil and gas lease.

Suits of a similar nature and for amounts equalling several hundred thousands of dollars in each case have been filed against the Magnolia by R. S. Harris et al. Mrs. V. H. Harris et al. and W. A. Harris, et al. The cases are important in that they open up questions that have never before been before the courts.

MAKES FAT PEOPLE SLIM

New York Physician Perfects Harmless Method of Reducing Weight.

The loss of as much as a pound of excess fat a day with no harmful results is the record made by many patients of Dr. B. Newman, a licensed practicing physician of 286 Fifth Avenue, New York, who announces that he has perfected a treatment which has quickly rid fat people of excess weight. What is more remarkable is the Doctor's statement that he has successfully treated thousands of patients for reduction without change of diet or unnecessary exercise. It is also said that fat people who suffer from chronic rheumatism, gout, asthma and high blood pressure obtain great relief from the reduction of their superfluous flesh. Realizing that this sounds almost too good to be true, the Doctor has offered to send without charge to anyone who will write him, a free trial treatment to prove his claims, as well as "pay-when-reduced" plan. If you want to rid yourself of superfluous fat, write him today, addressing Dr. B. Newman, 286 Fifth Avenue, New York City, Dept. R.—Advertisement.

STRAY DOG PROTECTED BY FRIEND OF FRIENDLESS

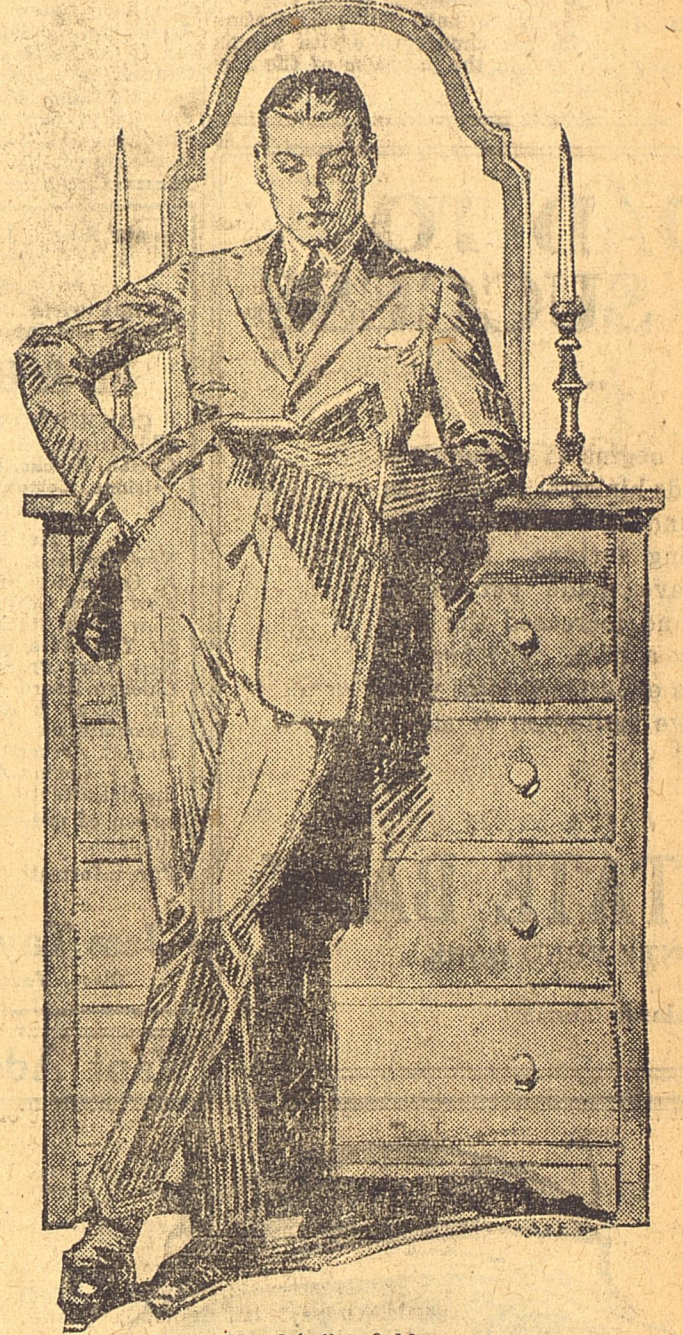

The love of a man for a dog is sure to be in evidence when the dog catcher is on the job.
Saturday evening a Ranger man came into the city hall and said he wanted a license for a stray dog, who was "friendly" and had no master. He didn't intend to claim the dog, but he wanted to protect the dog against the city ordinance that requires all dogs to be licensed.
The dog was a black and white mongrel, and even before the license was issued, he was seen tearing down Pine street away from the city hall. But his benefactor will get him a dog collar and if the license is stolen, Henry Woods, who is enforcing the license ordinance, will see that he doesn't go to the pound.

SPECIAL DODGE BROS MOTOR CARS IN FOUR TYPES

Four special types have recently been added to Dodge Brothers standard line of motor cars—

A Touring Car, a Roadster, a Type-A Sedan, and a 4-Passenger Coupe.

These types have been created for that substantial group of motorists who favor individuality in motor car appointment and design.

In fundamental construction they are identical with Dodge Brothers standard product. Their accentuated

smartness, however, is strikingly obvious in many elaborations of equipment and refinements of detail.

Special 6-ply, balloon-type tires, nickel-trimmed radiator shell, front and rear bumpers, motometer with lock, special blue leather upholstery (for touring car and roadster), special body striping, rear view mirror, automatic windshield wiper, scuff plates, cowl lights and steel disc wheels constitute the more important items of special equipment.

EASTLAND HIGH BOY CAPTURES HIGH JUMP AT FAT STOCK SHOW

Homer Mitchell, representing the Eastland High school, took first place in the high jump contest and also first place in the 50-yard high hurdles at the Fat Stock show athletic meet in Fort Worth yesterday, according to a message received here about noon Saturday from Coach V. Q. Greene of Eastland, who is in Fort Worth. Mitchell jumped five feet and nine inches.

Carroll and Milton Hunt of Eastland entered the Fort Worth meet as contestants, Carroll entering the 50-yard and 220-yard dash and Milton the one mile race. No reports as to the records they made had been received Saturday afternoon. The Fat Stock show meet, which is the largest if not the only indoor track meet held in the state, was held in the arena of the coliseum. There were 200 entrants representing colleges and high schools of the state.

Eastland is proud of the records being made by her high school boys who have entered athletic contests. According to Superintendent Peterson of the Eastland High school, Earl Conner Jr. and Maurice Stallter, both Eastland boys, now in the State university, are the only freshmen permitted to eat at the training table at the university.

J. A. M. CLUB DANCE AN EVENING OF DELIGHT

Intent upon an evening of joy that always comes with social dancing, the Ranger high school dancing set entered into the St. Patrick's day dancing party of the J. A. M. club Friday night with the exuberant spirits that characterizes youth and made it a success socially as well as for the purpose it was given. It was held at the Tee Pee clubhouse. Perhaps not this entire winter have there been so many prettily dressed girls and young women gathered together for a dance as Friday night. Perhaps too, there hasn't been a dance so popular with the boys and young men. The latter so outnumbered the girls that the little act of tagging was the only thing that carried the party pleasantly over this circumstance.

The "R" association dance preceded the J. A. M. club's party on Thursday night. The dance of the former, also a high school organization, was extremely popular with the city's younger set. Naturally, it appeared difficult to equal or excel a dance by the experienced "R" boys, but the girls brought in confetti and streamers and their charm and earned for themselves the right to have their party set down as extremely popular. Certainly, the announcement of a second party will be greeted with still more enthusiasm than the first.

The dancers couldn't restrain a modest show of hilarity when the confetti throwing was on and the unfolding streamers shot across the floor in midair. Even after it was all exhausted the mirth it provoked continued until Gus Coleman's Gholson hotel orchestra played "Home, Sweet Home," at 2 a. m. Paul Lacey, trombonist, caused in a large way, for the dancers to call for as many as six and seven encores. The club gave colored balloons to the ladies and shamrocks to the gentlemen. Green and white streamers floated lazily over the dancers' heads. Colored lights were employed to give the dancing room color.

CHARMING NEW SUITS FOR SPRING

Trig New Tailleurs that Sponsor the "Mannish" Style Trend

Regardless of how simple you plan your Spring Wardrobe, you will wish to include one of these smartly stylish tailored suits. Fashioned of imported cloths, twills or checked velours they are always appropriate for shopping, business wear, the informal luncheon and sports wear.

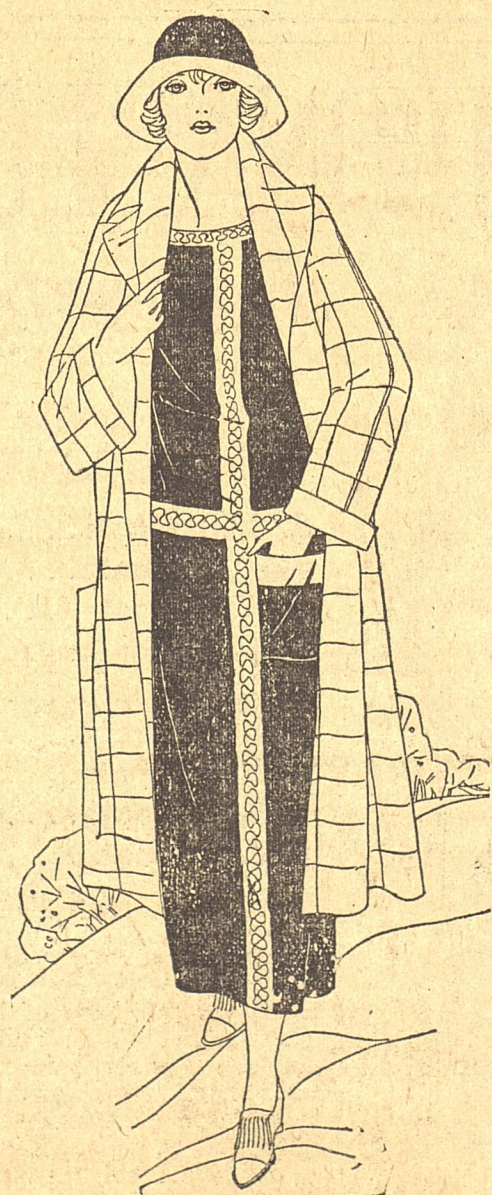

The coats are single or double breasted and feature novelty pockets and clever buttons. A unique variation of the straightline effect is evident in the "Mandarin" flare of many of the coats and sleeves. The three-piece suit is destined to popularity. It is less tailored in lines; the coat is shorter and is often embroidered in Chinese motifs and other Oriental characterizations. The coolie blouse, of silk with bright buttons, has a small, upstanding collar. Tan with navy blue, mocha with brown or the entire costume of moss green, are favored colors. Displaying a most unusual outlay of these charming coats and suits, conservatively priced from—

\$35.00 to \$125.00

Frocks that Establish the Mode for Spring and Summer

A delightful selection of our New Spring Frocks that feature the popular straightline silhouette and introduce the Chinese Mandarin mode. Attractive variations of the tubular line are found in the graceful drapes, novelty aprons or piquant flares. There are lovely frocks for every occasion.

For the informal afternoon, Fashion leaders favor figuante satin, faille crepe, sport de laine, Roshanara and crepe de chine. Utility and sport frocks are interestingly developed in charmeen, twills and imported flannels. Black, cocoa, tan, moss green, brown, Chinese blue, lacquer red and scores of others are predominating color tones. Prices are impressively moderate. Early selection is advisable.

Exposition of Spring Newness at The Julianna Shop

THE STYLE CENTER OF EASTLAND COUNTY
Gholson Hotel Building, Ranger

Spring in all her glory is just around the corner. It is time the woman who chooses her wardrobe wisely and carefully, starts her selections. She will find the newest and prettiest things at this shop.

The O'Rossen Tailleur

The dramatic return of the tailored suit! The most talked about and internationally heralded event in the fashion world for many years. But—not in the least detail of its slim, trig, Parisienne simplicity—the tailored suit of years past. For due to the inspiration of the Paris Tailor, O'Rossen, the new tailored suit is youthful and boyish.

SPRING FROCKS

A delightful selection of our new spring frocks that feature the popular straightline silhouette. Clever variations of line are found in graceful drapes or flares. For the informal afternoon, satin, faille crepe, Roshanara and crepe de chine are favored. Utility and sport frocks are interestingly developed in charmeen, twills and imported flannels. Black, cocoa, tan, moss green, brown, Chinese blue and lacquer red are the predominating colors.

SPRING MILLINERY

A most charming display of the newest arrivals in Spring Millinery. Fashioned of Bangkok, Milan, Silk and Straw combinations and Visca straws, these delightful, snug-fitting cloche shapes feature the small roll brim. The predominating colors are tan, brown, Chinese blue and wood shades. Black and white are also much in vogue.

NOVELTY JEWELRY

The assortments are so complete—the jewelry so quaint and delightful that you may choose a set of beads, pendants or hoops for the ears, and bracelets for every costume at very little expenditure. There are stone-set earrings and beads of topaz, amethyst, onyx and white, or white and black rondels. These make very pleasing complements for the straight-line frock of silk or the new tailleur.

GANG ALLEGED NEGRO THIEVES UNDER ARREST

Caught in Ranger After Selling Fine Suits of Clothing Suspiciously Cheap.

An amazing story of the selling of men's ready-made clothing of a nationally advertised house, priced to retail from \$35 to \$75 for a price of \$5 to \$10 was uncovered in Ranger Saturday afternoon with the arrest of six negroes. The clothing, stolen from Baron's store of Breckenridge on the night of March 6, was only partly recovered here. The loss amounted to more than \$1,000. Suits of clothes advertised as the "correct styles for spring," two and three-button models and with the latest cut, were peddled around in Ranger for as low as \$5, although the house that tailors these clothes has a national reputation for quality. The "salesmen" found ready buyers easily.

The arrests were made late Saturday afternoon by Deputy Sheriff Hennessee and Officers Ingram and Daniels, following a tip from a negro woman in Eastland. These officers made a raid on the old Kansas City rooming house on Marston street and found six suits of clothing. The negroes arrested gave their names as Prince Bradley, Ross Johnson, Ed Gaines, Marion Miles, Miles Logan and Murphy Giles. With their arrest came the implication of men who bought the suits "dirt cheap." Officers rounded up the buyers in a short time. With the bringing in of one man, he would tell of a friend of his who got just as good a bargain. Then the officers would start on a still hunt for the buyer of a stylish spring suit at a price cheaper than a silk shirt.

One man brought in works in a grocery store. He said he paid \$9 for his suit and \$3.50 for alteration. "Didn't you suspect something wrong?" he was asked. "Well, it looked like a bargain," was his only reply. Still another negro was brought in with a stylish ready-to-wear suit, which he bought for the paltry sum of \$5. The Breckenridge store was robbed of about 36 suits. Marshall Peoples, negro, was arrested last Monday, charged with breaking in, and according to Officer J. W. Kelly of Breckenridge, who was in Ranger Saturday, he confessed when the results of the finger prints were shown to him. Peoples was the second man to be arrested. His finger prints were taken off a piece of glass that remained in a door after he had broken in through a rear entrance.

Police Chief Smalley of Breckenridge had Peoples arrested as a suspect last Monday. He was immediately finger printed by an expert connected with the city department.

Deputy Sheriff Hennessee, who worked on the case after receiving word of the thefts, said he believed some of the stolen suits are in Eastland. Deputy Sheriff Tom Bendy of Stephens county quizzed the suspects brought in Saturday and took notes on the evidence he gathered.

Mrs. May M. Thomas, delegate from the Eastland Rebekah lodge to the Rebekah assembly or grand lodge, I. O. O. Mrs. Thomas, at the request of the president of the county federation, T. F. W. C., prepared a statement of the rules and regulations for securing and maintaining a county park, which was sent to the county federation yesterday. The statement involved much research work, which Mrs. Thomas stated she wove the federation with pleasure.

ANNOUNCEMENT CANDIDACY FOR SCHOOL TRUSTEE

To My Friends, Ladies and Gentlemen Voters of the Independent School District of Ranger:

At the solicitation of several of my friends, I am announcing myself for school trustee on an independent ticket.

I have been a citizen of Ranger nearly six years, during which time I have been in the market and grocery business, which I try to conduct on a clean, honest basis.

When I say announcing "myself," I mean that I have not been nominated by any political party, lodge or association. I have not taken any active part in politics to the extent of any political issue. I am active in both Young and Women's Union, which makes me vitally interested in the welfare of the community.

It is here when politics and personalities are things as our schools are. No community or school can prosper without co-operation and friendliness existing between its executives.

I also realize that each individual is born for service not only to himself but to humanity and the public, and he should give it unselfishly, and I promise you if elected I will do my very best to fill it with credit to Ranger and myself.

I believe in running our schools independent of city or any political party; also promise to use my influence and power to help improve them by careful consideration of any measure that may arise during my term of office.

Now friends and fellow citizens, I solicit your votes as a free-will offering. Vote as your conscience dictates. If not for me, then cast them for the other fellow.

Very respectfully,
E. C. SHIPP.

FOX AND WOLF HUNTERS READY FOR BIG CHASE

Texas State Meet at Leeray Early in April, Promises to Be Notable Event.

Robert K. Walker, originator of the Walker hounds, will be master of hounds and George Satterwhite of Louisville, Ky., will be head field judge at the fox and wolf hunt of the state association at Leeray the first week of April.

These and other announcements were made Saturday afternoon at a meeting of the Oil Belt Hunters' association in Cisco, which was attended by men from Breckenridge, Eastland, Ranger, Carbon, Marshall and Cisco. The Oil Belt will be hosts to the Texas Fox and Wolf Hunters' association.

B. R. Crim, secretary of the state association, told the men present that the April hunt would be the first real wolf hunt in West Texas. He described the difficulties of making fox hunters withdraw their objections to

including wolf hunters in the association. He said more than a 1,000 cards of information on the hunt have been mailed to dog hunters in America.

This will be the only principal fox and wolf hunt in the spring as they are usually held in the fall and winter. The dogs will have their numbers painted on one side of their body. Dogs will be scored and scratched if found loafing or running rabbits. An automobile committee was appointed to arrange transportation to Leeray. An information bureau will be established at the Daniel hotel and the Cisco Chamber of Commerce office.

BUSINESS TO BE HAD IN RANGER IF ONE GOES AFTER IT, SAYS BAKER

"There is business in Ranger if you go after it right," said Eugene Baker, advertising writer for the Boston store in commenting upon his firm's volume of made-to-measure clothing business for two days, which amounted to more than \$1,000.

The Edward Rose & Co. of Chicago had a representative in the city for three days and on the first two days his orders passed the \$1,000 mark.

Baker said the readiness in which men ordered their clothing for spring was a fair indicator to him of a healthy spring trade.

ALL READY FOR CHURCH CENSUS TAKING MONDAY

Large Body of Workers to Make Religious Count During the Forenoon.

Relative to the simultaneous revival campaign to be held in Ranger and the church census preceding it, the Rev. A. W. Hall, speaking for all the pastors of the city, said:

"There have been many get-together propositions in Ranger, but perhaps none so large a scale or of such far reaching consequence as the simultaneous revival campaign to be held, with all the churches in Ranger participating, April 13-27. There is one point about which all Ranger is agreed: we need and want a better Ranger. The Christian people believe that this can be brought about only through a genuine old-fashioned revival of religion. So the call is being made for the people of Ranger to set aside two weeks out of the year in which the matter of getting right with both God and each other will be made paramount.

"In this work each church will put on exactly the type of service that it sees fit. The thing that we are agreed about is that we will put on a service at the designated time. Preparatory to doing this work a religious census of Ranger is to be taken with each church in the city participating. Cards have been printed, the city districted, and the time for taking the census between the hours of 9 and 12, Monday, March 17.

"The questions asked are straightforward and appropriate, and the purpose of the churches in securing this information is to enable them to better serve the needs of our citizenship. So we are asking for the most hearty co-operation of all the people of Ranger. Give the workers courteous treatment and help them to get the most accurate information possible.

"The following quota of workers is being asked as a minimum from the churches:

"First Baptist church, 15 workers with two designated captains.

"First Methodist church, 15 work-

ers with two designated captains. "Central Baptist church, 15 workers with two designated captains. "Christian tabernacle, eight workers with 1 designated captain. "Presbyterian church, eight workers with one designated captain. "Catholic church, eight workers with one designated captain. "Episcopal church, six workers with one designated captain. "Church of Christ, three workers. "Nazarenes, three workers.

"The pastors of the negro churches of the city will furnish workers to take the census of their own people and will join in the revival campaign.

"Each church is expected to select its quota of workers, if it has not already done so, Sunday morning, and designate from the number selected the number of captains called for. These captains are asked to meet at the Presbyterian church at 3 o'clock Sunday afternoon for a short consultation meeting. The captains with the workers from each church are to meet at the Christian tabernacle at 9 o'clock Monday morning to take the census.

"Let no one fail us in this very important work."

MCADOO BEGINS HIS PRESIDENTIAL CAMPAIGN IN HIS NATIVE STATE

ATLANTA, Ga., March 15.—William G. McAdoo sought the support of his home folks in his campaign for the presidential nomination today. After speaking at Marietta, his birthplace, and Atlanta, attacking the republican administration and asking his boyhood companions and acquaintances to return the democrats to power, he went to Macon, where he spoke this afternoon, and then to Savannah, where he completes his Georgia tour.

BOB GLASSCOCK RUN DOWN BY AUTO ON AUSTIN STREET

Bob Glasscock, well known ranchman, was struck down by an automobile, said to have been driven by a married woman of Ranger on North Austin street about 6 o'clock Saturday evening, and suffered a cut on the forehead, a broken thumb and bruises. He was removed to the Clinical hospital, where he will be confined for several days.

The auto was said by an eye-witness, employed in an Austin street store, to have been going fast.

CHICAGO MAYOR LOOMS UP FOR PRESIDENCY

By United Press.

CHICAGO, March 15.—Mayor W. E. Dever of Chicago, who gained nation-wide attention by his aggressive campaign against bootleggers and the illicit sale of liquor today loomed as a "dark horse" candidate as the Democratic candidate for the presidency. George E. Brennan, Democratic chieftain of Illinois, and member of the Murphy-Taggart-Brennan group of the party, placed Dever's name in the list of candidates as a "man of the people."

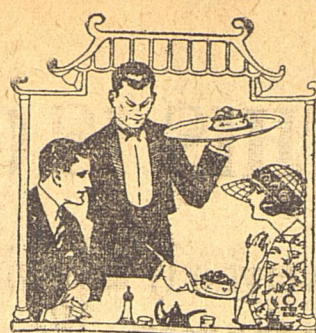

"A situation exists in Washington that is impressing all who have the interests of the Democratic party at heart, the stern necessity for the selection of a candidate for president who is above all suspicion and reproach," he said. "Such a man is Dever."

Brennan told a group of 500 workers here that although he would

lead the Illinois delegates to the Democratic convention in New York with an "open mind" and entirely uninstructed, he indicated he favored the Dever candidacy.

W. H. Taylor of the States Oil corporation, who has visited many points in the East on business the last two weeks, stopped over for two days to see his daughter, Miss Betty Taylor, student at Bryn Mawr, Philadelphia, en route home. Mr. Taylor arrives next week.

IT'S THE CUT OF YOUR CLOTHES THAT COUNTS

Selection

As you walk through a men's store usually you see some things you like and a great many that you don't care for. That's natural when you consider the great diversity of tastes such a store must please

It's a problem, selecting the right thing from the thousands of articles that are offered. In this respect we have been singularly successful, and we believe it is because we have made our selections with a particular kind of customer in mind.

We have chosen Society Brand Clothes because we are perfectly certain that nothing else will satisfy our customers nearly as well. In cut, in fabric and in tailoring there is nothing to equal them.
