JACKSON, Mich., June 14 .---A mob of 3,000 last night attempted to storm the Jackson county jail and get possession of George Straub, an ex-convict, who confessed to the murder of Miss Alice Mallett, was dispersed early today by tear bombs hurled into the crowd by depu-

ties. Miss Mallett, matron of the Crittenden home here, was found brutally slain and her body mutilated with an ax on June 9. Straub, regarded as mentally subnormal, was under suspicion from the first. A complete confession was made public early last night.

The streets were filled with hundreds of persons and talk of violence soon arose. The murmuring crowd started to grav-

itate toward the jail and the demand for vengeance became violent. Hundreds of women and children were in the crowd. Many women took the lead in demanding the confessed slayer's life.

As the crowd hammered at the jail doors, Sheriff George Larabee ordered his deputies to throw gas bombs from the second story windows and the mob was forced to give way. During the respite, Straub was taken from the rear entrance and whisked away in an automobile to Lansing.

When the crowd approached the jail a second time, the deputies announced that Straub was no longer in the jail. When the mob refused to believe he had been taken away, a committee was appointed and searched the jail.

KLIM is milk-pure, rich, rigidly inspected milk. All the water has been taken out of this milk, but not a single element of it has been changed in the slightest. When you put the water back into KLIM, you get pure, rich milk.

Use KLIM in any of the ways you use milk-for cooking, drinking, for cereal, coffee, cocoa, buttermilk, cream cheeseany way

Remember, as you do so, that the same grade of bouled milled costs more than KLIM.

Then, if you are not satisfied, we will return your money
