#### THE TIMES IS RIGHT.

Newspapers throughout the country continue to speak of Calvin Coolidge as the thirtieth president of the United States. The Times explained last week how this mistake in the count came to be made, but it seems odd that so few newspapers have discovered it. The Christian Science Monitor, probably one of the best edited newspapers in the country, agrees with the Ranger Times that Mr. Coolidge is the twenty-ninth president of the United States, and that Grover Cleveland, no matter how great a man he might have been, was not entitled to be counted as two men.

The Monitor says: "That Mr. Coolidge is not the thirtieth president of the United States, but the twenty-ninth, must certainly be apparent to anyone who chooses have preceded him in that office. Who originated the idea of reckoning Mr. Cleveland twice just because his administrations did not happen to follow one upon the other, matters not at all. The fact which should be remembered is that, as the twentyninth individual to occupy the presidential chair in the United States, Mr. Coolidge is filling out the thirtyfourth period of four years since 1789."

# MRS. MALLORY MAY LOSE HER TENNIS CROWN

By HENRY L. FARRELL, United Press Sports Editor.

NEW YORK, Aug. 13 .- While Mrs. Mallory has been a rather disappointing standard-bearer American tennis in international competition, she has held out for years impregnably against the American girls who disputed her right to the national championship.

Previous to the coronation of Bill Tilden as the tennis king of practically the whole world, the American men's title, over a stretch of six years, was passed around among a small group of stars, including Mc-Laughlin, Williams, Johnston and

# THURBER TAKES 11 INNING GAME, 5 TO 4 BEFORE 1,100 FRENZIED FANS; SCOGGINS KNOCKS A HOMER; SERIES IS NOW EVEN

By HOWARD BARMAN

After dropping seven consecutive games, Thurber took a closely fought 11-inning game from the Snappers yesterday afternoon at the City ball park, 5 to 4. Thurber owes its victory to the slugging of Pete Currin and Bill White, the former getting a homer. The game brought out another big crowd, the biggest that ever saw a semi-pro game in Ranger, and one that compared favorably with the biggest West Texas league crowds After the American champion had the last two years Ranger had league baseball. The grandstand proved her superiority over the best and bleachers were full and a fringe of humanity stretched of the native born Americans near from the grandstand almost to the club house along the third base line.
