## Farwell School Board Votes Staff Reduction

At its Monday night meeting, Farwell School Board voted that the Farwell Independent School District operate during the 1983-84 school year with three fewer secondary teachers and one less elementary teacher.

The move to lower the faculty number was made primarily for budgetary reasons. With Texas' new governor proposing a 24 percent increase in teacher pay (and local school boards not knowing where the monies are coming from) along with the fact that removal of farm machinery and equipment from the tax rolls decreases the amount of tax revenue expected in rural school areas, school board officials felt the need to make some cutbacks.

In addition to budgetary reasons for the proposed cutback, student enrollment at Farwell High School has decreased to some 120 students at the present time although the number of faculty members has stayed primarily the same as when a larger number was enrolled.

Student numbers in some classes are very low, and the administration and staff may have to determine which classes can be combined, which courses must be retained, and which, if need be, will be eliminated from the curriculum.

The board also passed a motion that the school operate with four coaches for the coming school term. It was also voted that the \$2500 coaching increment for one less coach be divided equally between the four remaining coaches, and added to their salary at \$625 per coach.

Contracts of principals Don Malone, Jerry Owen, and James Craig, and athletic director Bruce Dollar were renewed for the 1983-84 school term at the same amount above state schedule salary, with the exception of Dollar's

salary which will have the \$625 added to it from the previous motion.

In other action at the extensive session Monday night, board members called for a school board election on Saturday, April 2. The board appointed a committee to select names for the ballot for the trustee election in which two trustees will be elected for full three-year terms. The terms of Richard Haseloff and Darrell Stephens are expiring.

Billie Blain was named as presiding judge for the election.

Chosen to serve on the nominating committee to select candidates were Doyle Johnson, Diane Atkinson, Steve Pierson, James Sides, Ronald Byrd, Pete Fulcher, and Ted Magness, with Johnson to serve as the committee chairman.

The dates of February 14, April 4, and May 26 were designated as school days to make up for days missed because of ice and snow.

Financial reports were approved and bills were voted to be paid. Daniel R. Couch is to be refunded \$23.96 on 1982 taxes due to an error in assessment.

Sandra White and Jay Anderson were granted approval to be excused the last period of the school day to work.

Principals Malone, Owen and Craig gave reports on their respective schools, and Superintendent W.M. Roberts reported that the average daily attendance for the first semester was 419.78.

School board members present for the meeting were Wilbert Kalbas, Joe Hughes, Maxine Williams, Darrell Stephens, Floyd Coates, Edward Corn, and Richard Haseloff.

Also attending were W.M. Roberts, Jerry Owen, James Craig, Don Malone, and Bruce Dollar.

## Lazbuddie School Board Calls For Trustee Election

At the regular meeting of the Lazbuddie School Board, members ordered a Trustee election to be held on April 2, 1983, for the purpose of electing two persons to the Lazbuddie School Board.

Appointed as election judge was Marvin Mimms. Peggy Hicks, Shirley Steinbock, and C.C. Matthews, Jr. were appointed as election clerks.

Dennis Owen was appointed as absentee election clerk, and Isabel Gonzales was selected as interpreter.

January 31 was the first day for candidates to file application for a place on the ballot. Persons interested in filing

may find the necessary forms at the superintendent's office. March 2 is the deadline for candidates to file application for a place on the ballot.

March 14 is the first day for absentee voting by personal appearance. March 29 is the last day for absentee voting. Anyone wishing to vote absentee may do so at the school superintendent's office between the date of March 14 and 29.

The terms of Glenn Lust and Ronald Elliott are expiring. Lust is currently president of the board of trustees and Elliott is a member. Each has served one three-year term.

## Texico Council Hears Road Repair Requests

Texico City Council convened Tuesday, Feb. 8, in city hall in regular session. Present at the meeting were councilmen Vane Doshier, Lewis Cooper and Truman Kittrell. City employees Marie Christian and Mickey Fenn were also present.

Visitors at the meeting were J. K. and Sherri Barfield, Marsha Reid, Evie Thornton, Lynn McDaniel, Mark Holson, and Max Carter.

Guests at the meeting discussed the road conditions outside their residences with council members and were informed that the roads in the area discussed are not part of

the Texico city limits. They were told that residents in that area will either have to petition for annexation to the city limits or talk to the county commissioners concerning road repairs. The residents will notify the city council of their decision after meeting with the county commission at a later date.

Max Carter spoke to the council regarding the structure he is moving onto his property, asking for a two-foot variance on the south side of his property. He also told the council of his plans to pebble-dash both structures on the property after construction is com-

pleted. The council agreed to the variance and gave Carter 180 days to complete the construction on the buildings.

Discussion was held on street repairs throughout the city. "The city will have to wait until the ground dries more before anything can be done other than major repairs," said Marie Christian, city clerk.

It was also decided that Joe Stanton will do the repair work on the city's Datsun pickup.

Next meeting for Texico City Council will be Tuesday, Feb. 22, at 6:30 p.m. MST in city hall.

My Pretty Valentine

Sharing a special Valentine are 1½-year-old James Williams and his mom, Lynda, of Texico who are ready to celebrate the festive date next Monday, February 14, or Saint Valentine's Day, is the anniversary

of the beheading of St. Valentine by the Romans, and also the day set aside to remember those you love with greeting cards, flowers, candy, or other tokens of affection. From the ridiculous to the

sublime, Valentine cards come in all types, sizes, colors and styles. James' special card is a coloring book of Valentines, and he and his mom are trying to show it to dad Jimmy who eluded the photographer's aim.

February 15 - -

## Farmers, Ranchers Reminded Of Agri. Census Deadline

Farm and ranch operators who conduct agricultural operations are being asked to return completed forms by February 15 for the 1982 Census of Agriculture. Forms were mailed to farmers and ranchers in January.

The census is the 22nd in a series that started in 1840. It is administered by the U.S. Commerce Department's Census Bureau and asks basic questions about the number of farms, commodity production, land use and income levels in agriculture.

Important information which is used to benefit farmers and ranchers is gathered in the census, said Dr. John Oren, director of the New Mexico State University Cooperative Extension Service.

"The nation obtains very helpful current information through the Department of Agriculture's annual and more frequent surveys on a variety of farm matters, but it's the Ag Census taken every few years that provides the base we need to develop a proper perspective," Oren said.

He said there are several reasons why producers should participate besides the fact that the law requires people to answer.

"A declining number of

farmers means that each one still in business is of growing importance to the national well-being," Oren said. "Each farm or ranch operator contributes to what we hope will be an accurate picture that will be helpful to everybody."

Many national and state programs that benefit agriculture, such as Extension services, research and soil conservation services are based on the census data, he said.

Private industry also uses these statistics to provide a more effective production and distribution system for the farm community, Oren said.

"We're all part of the food and fiber complex, and we

should be proud that American farmers and ranchers are the most efficient in the world and have achieved a continued rise in productivity despite new and recurring problems. The data from these agricultural censuses every few years contribute to this leadership role in agricultural productivity," Oren said.

The success of the 1982 Census of Agriculture will depend upon the degree of cooperation received from the farm and ranch community, Oren emphasized. The Census Bureau keeps all respondents' census information confidential and only publishes statistical totals, Oren said.

## Farwell Development Group Sets Meeting

Farwell Development Corporation will meet at Luce's restaurant at 8 p.m. on Monday, Feb. 21, announces Don Williams, Development Corporation director and president of the Farwell Chamber of Commerce.

Purpose of the meeting is to hear reports from all the committees to see what they have done in their respective areas,

says Williams.

Everyone is welcome to attend the meetings and membership in the corporation is always open. A one time fee of \$25 per member is charged for corporation membership.

Committee members and all other interested persons are urged to make plans to attend this important meeting on February 21.

Signs Of The Times

Fact of life: After snowfall come chuck holes. Area streets and roads have taken a battering from the storms of this winter with chuck holes popping up all over the place

after the long siege of freezing and thawing. This area near Farwell Schools was typical of many streets in town that have chuck holes almost big enough in which to lose a tire. Twin

Cities residents breathed a sigh of relief early in the week when sunshine and strong winds melted much of the remains of last week's heavy snowfall.

## Nominations Needed For Citizens

Farwell Chamber of Commerce is seeking nominations of persons for the honors of 1983 Man and Woman of the Year for Farwell.

Deadline for submitting nominations for the awards is March 4. A nomination form is printed in this issue of the Tribune, and the forms may be mailed to Don Williams, chamber president; Wilfred Quickel, secretary; the State Line Tribune at Box 255, or simply sent to the Farwell Chamber of Commerce, Box 117, Farwell.

Recipients of the Man and Woman of the Year awards will be named at the annual chamber banquet which is scheduled for Friday, March 18, at the Farwell School Cafeteria.

Tickets are on sale for \$8 each from any Chamber member. Guest speaker for the annual affair will be Pete Laney, state representative from this district. Also included will be a steak dinner, music by Ed and Juanita Hardage, and possibly other entertainment.

Remember: nominations for the citizens of the year may be made by filling out the form to be found in this week's Tribune.

Check For Carlos

Dot Christian, second from right, treasurer of Theta Rho chapter of ESA sorority, presents a \$1,000 check for the Carlos Nicolas Fund to Don Malone, high school principal at Farwell School. The sorority

sponsored a chili luncheon last week which netted \$700 for the fund, and added another \$300 to the amount for the \$1,000 total. At right is Maxine Williams, chairman of the chili

luncheon for ESA, and at left is W.M. Roberts, school superintendent. Carlos, a freshman at Farwell High, is undergoing extensive medical treatment for bone cancer.

URELY  
PERSONAL  
by John

Ronald Reagan is not exactly a scrooge when he produces a budget of well over \$800 billion. This is about \$2,000 for every person in the United States, a really tidy sum of money.

At this level, it represents an increase in the total outlay for most major arms of government. This fact a body would not glean from the dismal reports aired daily on the major TV networks news programs.

Another significant item on the President's side has been the drastic reduction in the rate of inflation. Last year, this insidious thief was reduced to an annual rate of less than 4 percent. This is a special boon to the poor, the retired, and all on limited budgets, and they should cherish this statistic above all others.

Another plus for the President and all residents of the country is the collapse of the OPEC cartel. This will bring down one of the most significant factors in the cost of living, namely the cost of energy. This happy circumstance we cannot lay entirely at Reagan's door. The opening of the doors to the winds of a free economy in the oil market by Congress finally deregulating the industry plus a concerted drive by everybody in the areas of energy conservation has helped seal the OPEC fate.

This looks like a propitious time, considering the impending budget deficit, to save unpleen billions of dollars by terminating that bureaucratic monstrosity, the Department of Energy. End that flight into financial fantasy and trust in the continuing beneficence of the free market.

The free market, unencumbered by the stifling hand of the bureaucrat, will, as it always has, produce more goods for more people than any other system devised by the mind of man-or woman.

Let us give you an example of what it means to be poor in the United States and what it means in another country.

We heard a talk by an official of the Salvation Army. At the end of the presentation he was asked about the ultimate fate of the used clothing they could not sell or even give away. He replied that this clothing was baled up and sent, from this area, to Mexico where it was snapped up. So here we have discards that can't even be given away to our poor being looked upon as a Godsend in another country.

If you thank God for living in the United States and sharing in this country's wealth, surely it must be considered that the free market and political system fits somewhere into His plan. Unfortunately, it does seem that many modern day clerics tend to equate God's Word with socialism. Their theology escapes us.

Is he another "idol" with feet of clay? U.S. Senator William Proxmire has made a great deal of publicity with his "Golden Fleece" award to some government boondoggles. We have agreed with him a lot and many times disagreed, but now we wonder.

In a news squib, we note that the good Senator quietly slipped a \$1.5 million rider on a bill to fund a research grant to the Institute for Research on Poverty. This worthy hive of research is located in Madison, Wisconsin, his home state. Hump!

A politician is one who promises to do something for everybody while he's figuring a way of doing everybody for something.

When the political pot boils, you can bet it's full of applesauce.

A political platform is what a politician needs when he doesn't have a leg to stand on.  
God Save The United States Congress Is In Session

## Funeral Services Held For J. Theo Actkinson

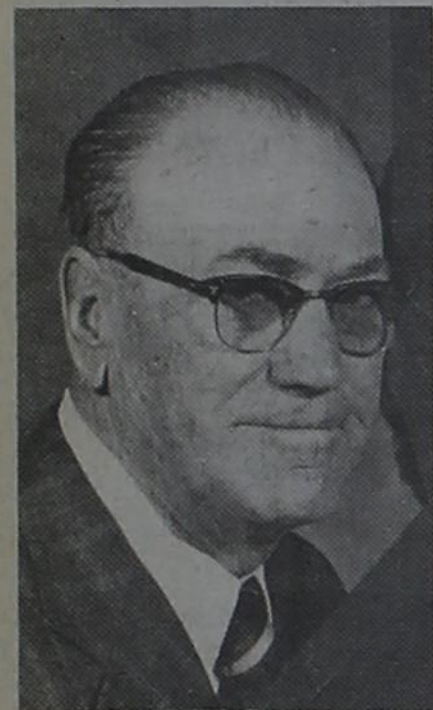

Funeral services were conducted Wednesday afternoon, Feb. 9, in Ellis Funeral Home Chapel of the Chimes in Muleshoe for John Theo Actkinson, 73, of Muleshoe. Mr. Actkinson died at 1:14 p.m. Monday, Feb. 7, in West Plains Clinic in Muleshoe.

Hamlin Memorial United Methodist Church in Farwell officiated at final rites. Burial was in Bailey County Memorial Park near Muleshoe with Ellis Funeral Home in charge of arrangements with Odd Fellow graveside services being performed.

Mr. Actkinson was born October 18, 1909 and moved to Muleshoe from Knox County, Tex. He had lived in Muleshoe for 39 years. He was a farmer, and was married to Dodie Lee Stanford in Clovis on December 15, 1943.

He was a member of the Oklahoma Lane United Methodist Church, the Muleshoe Odd Fellows, and Muleshoe Rebekah Lodge.

Survivors include his wife Dodie of the home; two sons, Johnny of Farwell and Bobby of Decatur, Tex.; two sisters, Mrs. Serena Johnson of Oak Ridge, Ore., and Mrs. Lelah Madison of Lamesa, Tex.; two brothers, Oliver of Arlington and Raymond of Colorado City; and five grandchildren.

THEO ACTKINSON

## Texico School Board Sets 1983-84 Calendar

Texico School Board met in regular session Tuesday, Feb. 8, in the high school lounge with board members, Arlye Crooks, Herman Gerles, Greg Martin, Roy Thornton, and Johnnie Rucker in attendance. Also present at the meeting were James Pierce and Marcia Leavell.

Members of the board decided that make-up days missed this year due to bad weather would be April 4, and May 25, 26, and 27.

Names for the new building currently under construction at Texico School were considered and it was decided to name the new building The Texico Educational Complex.

Board members laid out the 1983-84 school calendar. School will begin on August 16. Holidays school will be dismissed for will be: Labor Day,

September 5; Thanksgiving, November 24-25; Christmas, December 22 through January 2; spring break, March 5-9; Easter, April 20-23; and school will end on May 17.

Daily school sessions next year will begin at 8:30 a.m. MST and dismiss at 3 p.m. "This will help us to get in more academics during the day. If a student has to leave due to sports, two-thirds of the classes will be over before lunch. It will also get the students home a little earlier in bad weather," said James Pierce, school superintendent.

The date of next month's board meeting has been changed from March 8 to March 15, to accommodate spring break and allow board members to leave town for a vacation if they wish. The board will meet at 7 p.m. MST in the high school lounge.

## Graveside Rites Scheduled For Mrs. Butch Ford

Graveside rites have been set for Saturday afternoon, Feb. 12, at 4 o'clock Texas time at Lawn Haven Memorial Gardens in Clovis for Mrs. Butch (Clydia) Ford, 36, of San Marcos who died early Wednesday morning in a San Antonio hospital.

In addition to her husband and two children, she is survived by her mother, Volna Newell, and a brother, Kyle Newell, both of Clovis; and her parents-in-law, Mr. and Mrs. Ray Ford of Farwell.

## Rural Quagmire

Rural roads in the Twin Cities area which were practically impassable last week because of the heavy snowfall were practically impassable this

week because the snow had melted and turned the dirt roads into slippery, sticky, gummy messes. Although the streets in town were mostly

free of the snow and were easy to travel, such was not the case for country residents who had to slip and slide to their destinations.

## Sheriff's Report

Parmer County Sheriff Bill Morgan reports a slow week for his department, with no arrests and only two thefts reported.

On February 1, Lovelace Oil Company in Farwell reported some gasoline stolen from their tanks. "It was estimated as about 10 gallons, but no definite amount has been reported," Morgan said.

On Friday, Feb. 4, Marilyn Saylor, who lives south of Lariat, reported that their house had been entered sometime in the last two months, and she reported the theft of a pony keg of beer, two spigots for the keg, some wrapped beef, and a movie camera.

## FIRE CALLS

Farwell Volunteer Fire Department reported two ambulance calls this past week.

On Thursday, Feb. 3, the ambulance was called to a residence on Avenue C to transport a patient to the Clovis hospital.

Also on Thursday, the ambulance was called to the Parmer County jail to transport an individual suffering from hyperventilation to the Friona hospital.

Texico Volunteer Fire Department reported no ambulance or fire calls the past week.

## Around The Twin Cities

Parmer County Commissioners Court will convene Monday morning, Feb. 14, in the county courtroom.

Farwell City Council will meet Monday, Feb. 14, at 5:15 p.m. in city hall.

Texico Chamber of Commerce will meet Monday, Feb. 14, at 6:30 p.m. MST in the Citizens Bank bldg.

## Petit Jurors Called For February 14, 16

A total of 129 persons have been called as Petit Jurors to report to the Parmer County Courthouse on February 14 and 16.

The case on the docket for Monday reads "The State of Texas versus Jim B. Christensen."

Sixty-four persons have been called for the February 14 session in the District Courtroom and are to appear at 9:30 a.m. They have each been mailed a summons from Bill Morgan, Jr., county sheriff.

Summons to report on Monday, Feb. 14, are the following:

Wesley Barnes, Jr., Henry D. Spicer, Teddy King, Kenneth Foster, Jack Eugene Rains, Barbara Lust, Carolyn Johnson, Sue Naegle, Dovie Sears, Helen McMurtrey; And, Wyle M. Bullock, Mildred Hester, Marilyn Hamilton, Wanda Phipps, Alberta Gomez, Janie Milner, Ruby Cummings, Royce Wayne Barnes, David George, Billy Loanman, Viola Sterling, Paula Tarter;

Also, William H. Cupit, Thelma Jackson, Lee Roy Nuttall, Tommie McGehee, Ida Carasco, Ramiro Ramos, Charles Corbell, J. Dee Willard, Woodrow Lovelace, Don Williams, Hanna Malouf, Joe Bob Mann, C.L. Mahaney, Mrs. Marlon Inman, Karen Denise Read, Mary Bentley, Dian Anthony, Mamie Welch;

And, Don Randal Terry, Bonnie Clayton, Carolyn Beauchamp, Billy Gibson, Delbert Denton Putman, Espiridion L. Lueras, Mary Jean Patrick, Gary Elam, Abigail Garza, Dorothy Donaldson, Laura

Houston, Marilyn Edwards; Also, Elmer McKay, Joe Donald Tongate, Billy Ray Boling, Georgie Foster, Robert Don Collier, Wesley Ray Barnes, Frances Clark, Yvonne Guest, Raymond Euler, Robert E. Wilson, Robert Darrell White, and Joan Mills.

The following 65 persons are to report to the District Courtroom in the county courtroom on Wednesday, February 16, at 1:30 p.m.:

Robert William Jones, Durward Bell, Mrs. B.J. Goldsmith, Helen Bailey, Clarence Monroe, Troy Bird Hutson, Gary Lee Singer, Thomas Sidney Scaff, Tracie McCleskey, Mrs. Norvell Strawn, Sharon White;

And, Louis Murrietta, Gary David Murphy, Clessy Storoud, Letha Cunningham, Gladys Bradshaw, Terry Alan Lusk, Peggy Hargrove, Sylvia Soliz, David Lee Sides, Jody Earl Watts, Doris Hough, Darla Ivy;

Also, Joyce Harding, Estelene Billington, Kathryn Goodard, Martha Kolzer, Marlon Inman, Lola Parson, Lena Thompson, Dale Christie, Beverly Elam, Terri Welch, Tammy Darlene Richards, Ray Dean Fleming;

And, Krystal Kay Hunn, Mike Hand, Ouida Long, John S. Thompson, Myrtle Ewing, Minnie Kelso, Dolores Colley, Christopher Wayne Bristow, Stephen Foster, Gregg K.

## Texico 4-H To Sponsor Bike-A-Thon For St. Jude's

The Southwest Regional office of St. Jude Children's Research Hospital announced this week that Texico 4-H leaders have agreed to the chairmanship of the St. Jude Children's Research Hospital Bike-A-Thon in Texico, Saturday, April 9, 1983.

SJCRH, founded by entertainer Danny Thomas, is the world's leading institute for the study of childhood cancer and severe maladies striking the young. It is the first research center dedicated exclusively to the conquest of catastrophic diseases of children, such as cancer and other life-destroying diseases.

When SJCRH accepted its first patient in 1962, the survival rate of children with acute Lymphocytic Leukemia and Hodgkins disease was less than five percent. Today the disease free survival figure for these diseases are now 50

percent and 80 percent, respectively. Treatment procedures developed at SJCRH have been adopted worldwide, giving hope to suffering children and worried families everywhere.

Thanks to research at SJCRH, children now have a much better chance to be cured and live a normal life. Thomas clearly stated the purpose of SJCRH: To wipe catastrophic diseases of children from the face of the earth.

The Bike-A-Thon in Texico is scheduled for April 9, 1983 with a rain date of April 16, 1983.

Details of the Bike-A-Thon will be announced later by LaDonna Cross and Carolyn Reed, 4-H leaders.

## Exchange Student Speaks At Rotary Club Luncheon

Jorgen Ellertsson was the featured speaker at the Texico-Farwell Rotary Club luncheon meeting Wednesday, Feb. 2, at Luce's restaurant. He is a Rotary Exchange Student from Sweden and is a senior at Portales High School. He showed slides of his country and its geography, and compared the social, economic, and political aspects in Sweden to those of the United States.

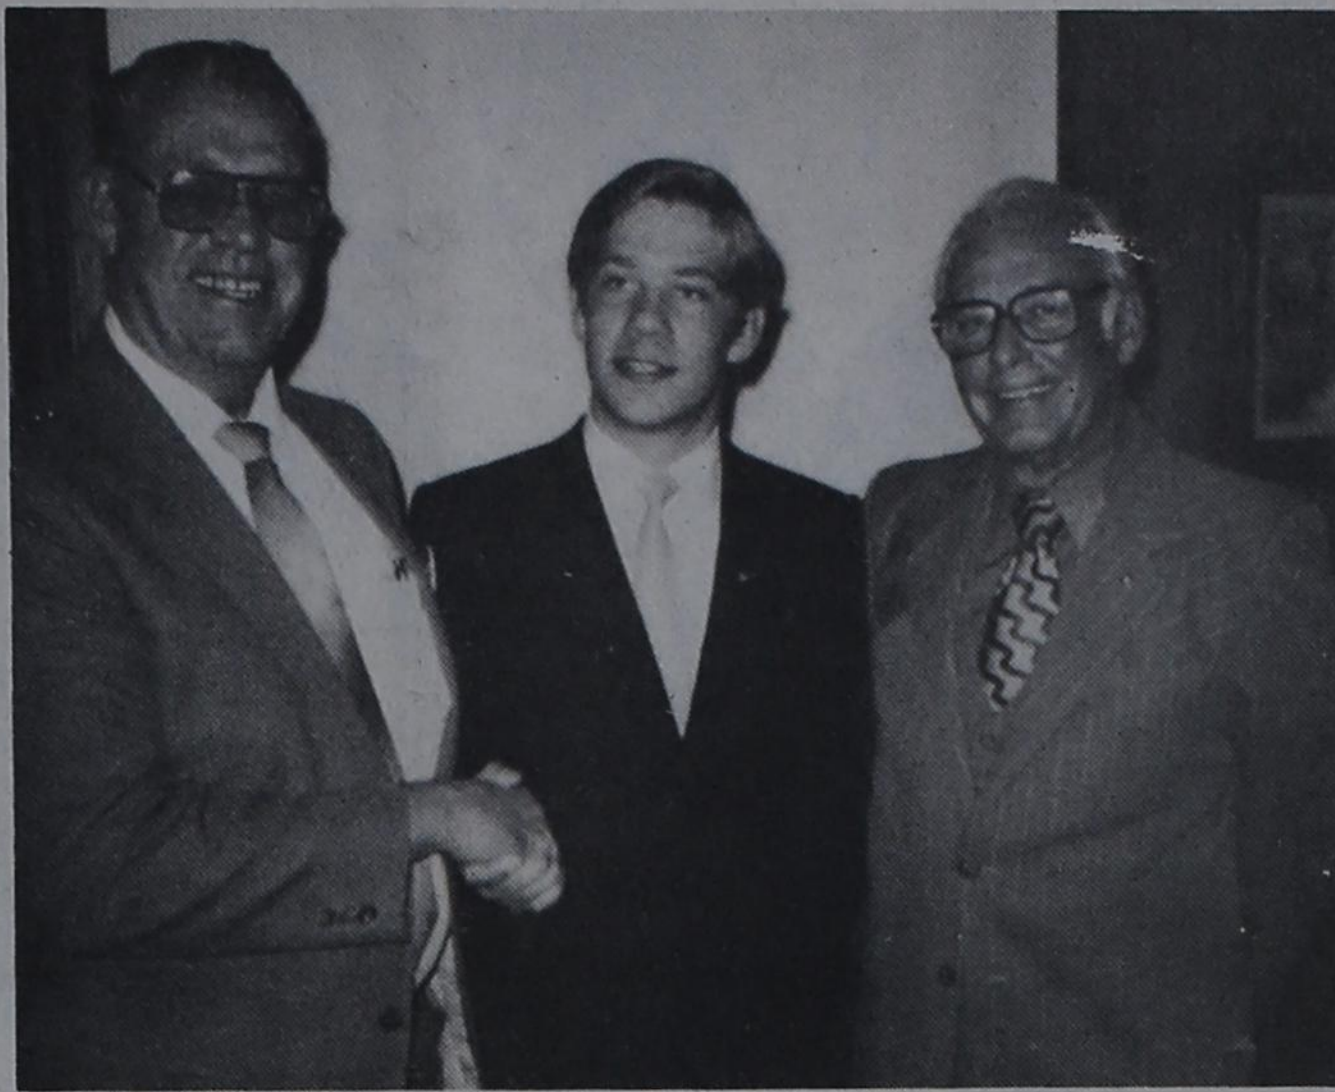

Ellertsson is in the United States for one year under the auspices of the Rotary Foundation, which is a program of Rotary International whereby students from any country in the free world may go to any country of their choosing for one year of study.

Any high school senior, male or female, may apply, and applicants are screened by the Rotary District Committee and are chosen by scholastic standards. They live with Rotary families, and have the opportunity of studying the language and customs of their host country. This program is designed to foster peace and goodwill among all nations of the free world, explain the Rotarians.

Ellertsson is an A student, and his interests include sports, and studying piano and voice. He plans to enter college and study veterinary medicine after his one-year military service which is required of all

males in Sweden. He explained the differences in the educational systems, saying that in Sweden each student must learn at least two foreign languages, while this is not required in the United States. Education on the college level is also different in that a student in Swedish college will carry as many as 17 subjects a semester, whereas 12 subjects are considered a full schedule in this country.

The young exchange student said that in Sweden, he believes, that students gain a wider overall view of education, but he thinks this country teaches more depth in individual subjects.

### Rotary Exchange Student

Featured speaker at the Texico-Farwell Rotary Club luncheon meeting February 2 was Jorgen Ellertsson, center, a Rotary Exchange Student from

Sweden and a senior at Portales High School. He showed slides of his country and compared the differences in the educational systems. At left is

Bill Christian, vice-president of the local Rotary Club, and at right is L.W. McGuffin, Portales Rotarian.

## Tuesday Is Final Day To Order Texico Yearbooks

Texico yearbook staff reminds all students and parents that Tuesday, Feb. 15, will be the last day to order a 1983 school yearbook.

"We have to send the order in on the 15th, and because of the cost of the books, we can't order any extras. So if anyone wants one they must have it ordered by that day," says Ronnie Warmuth, yearbook sponsor.

The yearbooks will cost \$11 each; plastic covers will be 50 cents extra; and to have the book personalized with the student's name will cost \$2.

Warmuth reports that there are still a few 1982 yearbooks available for \$10 each.

The elementary grades will be taking their memory mates pictures on Tuesday, Feb. 15. Cost for these will be \$6, and this will be the only date these will be taken.

February 15 is also the last chance to have retakes made. "We urge all students who need retakes to have them done. There will be no charge for the picture to put in the yearbook, if students don't want to buy the packet," said Warmuth.

### Cheese Giveaway Set Next Week

Next dates for the distribution of free cheese in Parmer County are February 16, 17, and 18, says Pearl Cervantez of the Bovina Neighborhood Center who is in charge of the local distribution.

On Wednesday, Feb. 16, cheese will be given at the food stamp office in Friona. On the 17th, it will be distributed at

the Bovina Neighborhood Center in Bovina, and on February 18, cheese will be given away at the Parmer County Courthouse in Farwell.

Distribution will begin at about 8:30 each morning, Mrs. Cervantez said. Forms for application for the free cheese will be available at each distribution point.

## Friona Youth Show Top Animals In County Event

Friona 4-H and FFA members dominated the Parmer County Junior Livestock Show in Friona over the past weekend.

Corrie Lundy of Friona won the Grand Champion steer honors with a Maine-Anjou cross which also took the jumbo class steer division.

Roddy Berend of Friona showed the Grand Champion heifer with a 648-pound Limousin, which also took the lightweight division in the heifer show. He also showed the Reserve Champion steer with an Angus-Chianina.

Jeff Lundy of Friona exhibited the Reserve Champion heifer, a Chianina that also won the heavyweight division in the heifer show.

Grand Champion barrow, a 242-pound Hampshire, was exhibited by Beth Johnson of Friona.

A crossbred barrow entered by Glenn Shirley of Friona won the Reserve Champion barrow in the show.

Other exhibitors of breed champions were Chad Rhodes, Berkshire; Thomas Merritt,

Chester White; Jennifer Cass, Spots and Poland; and Shannon Cochran, Yorkshires. All these exhibitors are from Friona 4-H except Merritt who is a member of Friona FFA.

Danna Ralston of Farwell 4-H exhibited the other breed champion, a Duroc. Danna showed the Grand Champion barrow at last year's show.

Exhibitors of Reserve Champion barrows were Dustee Gee, Friona 4-H, Berkshire; Greg McClaran, Bovina FFA, Chester White; Melanie Gallman, Friona 4-H, Duroc; Terry Petchinsky, Friona FFA, Spots and Poland; David Boozer, Bovina FFA, Hampshire; Brent Riethmayer, Friona 4-H, Yorkshire; and Suzahn Inman, Farwell 4-H, Crossbreed.

Terry Moore of Bovina showed the Grand Champion lamb, a medium heavyweight Hampshire.

Shayne Woodard, Friona FFA, had the Reserve Champion lamb in the show.

Exhibitors of the other breed champions in the lamb show were Chad Rhodes, Friona 4-H, fine wool; Casey Riddle,

Bovina FFA, Suffolk; Mark Clayton, Bovina FFA, Fine Wool Crosses; Danny Powell, Lazbuddie FFA, Southdowns and Crosses.

Exhibitors of the reserve breed champion lambs were Devera Rhodes, Friona 4-H, fine wool; Tracy Moore, Bovina FFA, Hampshire; Misti Boozer, Bovina, Suffolk; Kim Gregory, Lazbuddie FFA, Southdowns and Crosses; Kasie Weatherly, Friona 4-H, fine wool and crosses; and Chad Rhodes, Friona 4-H, other breeds and crosses.

Winners in the other classes in the steer division were Dana Haseloff, Farwell, lightweight; Roddy Berend, Friona, mediumweight; Wendy Tatum, Friona, mediumweight; Brian Edelman, Friona, light heavyweight.

Several members of the Farwell FFA also participated in the Parmer County show.

Gary Haseloff took first place in the heavyweight division with a cross and took two sixth place ribbons in the steer show.

Rusty Stover took third and fifth place in the lightweight division with a Yorkshire.

Carl Hutchins brought home a fourth place ribbon for his lightweight steer.

Also participating in the show were Kindell Coates, and Tyson Carpenter.

### Letter To The Editor

State Line Tribune  
Farwell, Texas

John and Joann,  
Our family really appreciates the hometown paper. It sure helps us keep up with the friends and loved ones back home.

Here's hoping everybody out that way has a prosperous 1983.

The Leon Webb Family

### State Rep. Here Wed.

State Comptroller Bob Bullock announces that Raymond Bogus from his Lubbock field office will be at Parmer County Courthouse on February 16 from 2 to 3:30 p.m.

A comptroller's representative is available to assist local residents at the courthouse the third Wednesday of each month.

Anyone with problems or questions concerning state taxes is urged to contact Bogus at the courthouse in person or call the Lubbock field office at (806) 795-0691.

A toll-free number 1-800-252-5555 is also available to Texas taxpayers.

### Legislator supports farmers in fuel production

COLLEGE STATION — Texas Rep. Dan Kubiak (D-Rockdale) says it's time Americans turn to farmers for additional sources of fuel.

"We lost 3,000 farmers in Texas last year and estimate that 6,000 will be lost next year due to inflation, high interest rates and an expanding urban population," Kubiak said at Texas A&M University.

"Farmers are falling flat on their face. The prices they are now getting for farm products have fallen 14 percent lower than they were a year ago today. At the rate things are going, farmers will become extinct."

Kubiak said government subsidies should be increased to provide alternative markets for farm products and to create an incentive for alcohol production. Increasing the amount of fuel produced by American farms will help bring farmers out of a slump, he said, and it will make us less dependent on foreign countries for fuel.

"Alcohol will gain more interest as the price of gasoline increases," Kubiak said, "and it will have to be accepted by major oil companies before it can be marketed here."

### Beware Of Glaucoma

Don't let glaucoma rob you blind. That's the warning from the National Society to Prevent Blindness.

The Society advises everyone over 35 to have a thorough eye exam at least every two years. That's the best defense against glaucoma.

Damage caused by glaucoma can be successfully treated if found in its early stages.

One in every eight blind persons in the U.S.—62,000—is a victim of glaucoma, the major cause of blindness in this country. Nearly 300,000 new cases occur each year, and about 95,000 lose some degree of sight, another 5,400 become totally blind.

For information about glaucoma, write to your state Society to Prevent Blindness or the National Society to Prevent Blindness, 79 Madison Ave., New York, N.Y. 10016.

# Salad Right For Sentimental Day

Hearts and flowers belong on the refreshment table at any sentimental occasion. Two of the nicest choices for the salad at a reception are still the classic Chicken or Crab Salad — delicately seasoned and blended with real mayonnaise. For such great occasions as weddings, anniversaries, showers, birthdays and St. Valentine's Day itself, serve either of these salads in individual tomato aspic hearts.

Or, if the party occasion is more casual, here are two variations on the chicken salad theme to be served simply in lettuce cups. One salad includes crisp apples, the other, carrot strips and crunchy almonds.

For enough Crab Salad to top aspic hearts, clean and flake 1/2 pound cooked crab meat or 2 (5 1/2 to 7 1/2-ounce) cans crab meat. Mix with 1 cup finely chopped celery, 2 tablespoons minced parsley and 1/2 cup real mayonnaise. Chill until serving time.

For Chicken Salad, toss together 2 cups diced cooked chicken, 3/4 cup diced celery and 1/2 cup cooked peas. Then mix 1 tablespoon lemon juice, 1/2 teaspoon grated onion, 1/2 teaspoon salt and dash of pepper into 1/2 cup real mayonnaise. Toss the dressing lightly through the chicken mixture. Chill well. Just before serving, toss 1/2 cup walnuts through salad.

### RECEPTION SALAD

- 3 envelopes unflavored gelatin
- 1 c. cold water
- 4 c. tomato juice
- 1 t. salt
- 4 peppercorns
- 1 bay leaf
- 2 stalks celery, chopped
- 1/4 c. lemon juice
- 1 t. onion juice
- 1 recipe Crab or Chicken Salad
- Iceberg lettuce or salad greens

Sprinkle gelatin on cold water to soften. Mix tomato juice, salt, peppercorn, bay leaf and celery in saucepan. Bring to boil and simmer 10 minutes. Strain. Add softened gelatin to hot liquid and stir until completely dissolved. Mix in lemon juice and onion juice. Pour into 12 (1/2 cup) heart shaped molds. Chill until firm. Unmold onto serving plate. Spoon Crab or Chicken Salad on top of each. Garnish with salad greens. Makes 12 servings.

Note: If heart shaped molds are not available, pour mixture into 2 (9-inch) square pans. Gill, then cut with heart shaped cutter.

### CHICKEN AND CARROT SALAD

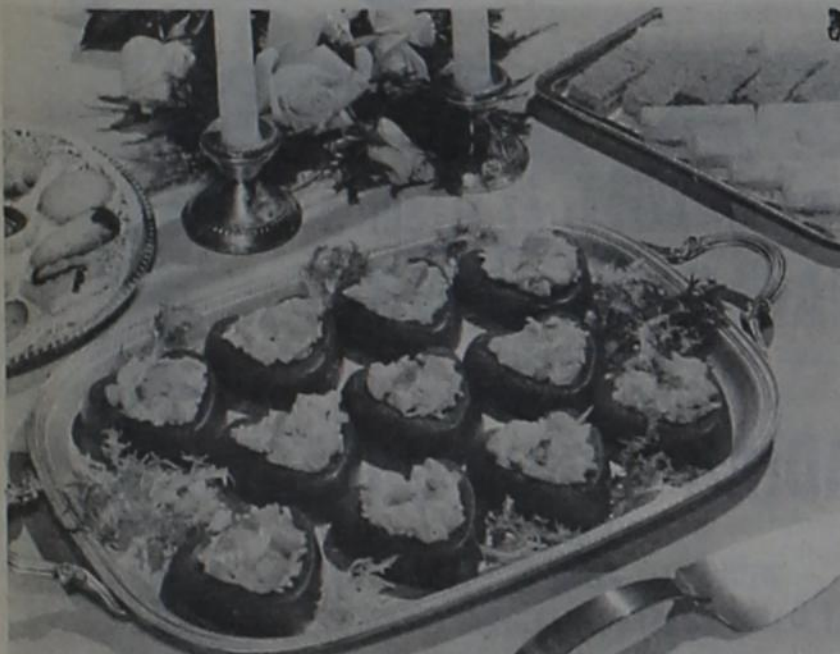

- 1 T. lemon juice
- 1/2 c. real mayonnaise
- 2 c. diced cooked chicken
- 1 c. shredded carrot
- 3/4 c. sliced celery
- 1/2 c. slivered almonds (optional)
- 2 T. chopped onion
- Salt to taste
- Iceberg lettuce

Stir lemon juice into mayonnaise. Toss with chicken, carrot, celery, almonds, onion, and salt. Serve on lettuce. Makes 4 servings.

### APPLE & CHICKEN SALAD

- 1 1/2 c. chopped cooked chicken
- 1/4 c. chopped celery
- 1/4 t. salt
- 1/2 c. chopped unpared apple
- 1/2 c. real mayonnaise
- 2 t. lemon juice
- 1/4 c. nuts
- Iceberg lettuce leaves

Mix together chicken, celery, salt and apple. Mix mayonnaise and lemon juice; lightly toss with chicken mixture. Mix in nuts. Serve in lettuce cups. Makes 4 (1/2 cup) servings.

### For Special Day

Chicken or Crab Salad served in tomato aspic hearts is still the just right mainsay of the reception buffet table.

### Bake A Silhouette Cake

Looking for an easy-to-prepare holiday cake? Silhouette Cake with Chocolate Drizzle is your candidate. Prepare Chocolate Drizzle by melting 2 squares Baker's unsweetened or semi-sweet chocolate with 2 teaspoons butter or margarine in a saucepan over low heat. Cool slightly.

the cake in a cool place until chocolate is firm.

Two tablespoons of grated Parmesan cheese added to a quarter cup of melted butter, makes a terrific sauce for fish or vegetables.

Your land is a productive commodity. And when you add to its value you add to its productivity.

A few of the many farm and ranch improvements that can be made with a Land Bank loan include:

- ✓ Sprinkler Systems,
- ✓ New Barn Construction, and
- ✓ Drying/Storage Facilities

### Making Valentines

Farwell FHA members, from left, Sandra Stanton, Polly Turner, and Sharla Stewart, created their own personalized Valentine heart posters Monday of this week as part of the

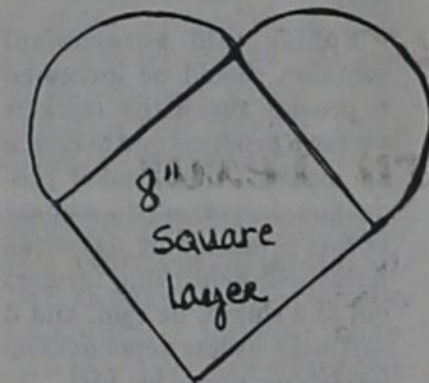

activities scheduled for participation in National FHA Week. These students, as well as other members of FHA, created the heart posters to be hung on their school lockers. In

addition to creating a special look for the lockers in the school hallway, the Valentines called attention to the national celebration being observed this week.

**Around The House with Laura Jacobs**  
Parmer County Extension Agent  
for Home Economics

Valentine's Day, a day especially for people in love. Originally a time to honor Saint Valentine, February 14 has developed into a time for lovers to send tokens of affection to one another.

Maybe you would like to make a Valentine cake for someone special in your life, but don't have a heart-shaped pan. No problem. All you need is a regular square and a round cake pan. Here's how: from a commercial cake mix, or your favorite recipe, make one eight-inch round cake layer and one eight-inch square layer. Cut the round layer in two equal parts. Place the cut

edge of each round layer portion on adjacent edges of the square cake and you will have a heart shaped cake. (see illustration)

Make chocolate hearts for garnish on cake or just to eat.

This method is really easy. Melt six ounces semisweet chocolate in top of double boiler over hot water, stirring occasionally. Line baking sheet with plastic wrap. Pour chocolate onto plastic and spread with spatula to thickness of about 1/8 inch. Let cool completely. Cut chocolate into heart shapes using cookie cutters.

Happy Valentine's Day!

### Valentine Tarts For The Queen

Hearts and flowers are the rule for Valentine's Day and everyone has a favorite Queen of Hearts. These Valentine Tarts call for Jell-O pudding and pie filling, enriched with egg in the cooking, which goes into the tart shell first. Then your choice of fruit, glazed with melted jelly and garnished with prepared Dream Whip whipped topping, completes the Valentine dessert scene. A lovely way to honor your Queen of Hearts.

#### VALENTINE TARTS

- 1 package (4-serving size) vanilla flavor pudding and pie filling
- 2 tablespoons sugar
- 2 teaspoons lemon juice
- 1 egg, slightly beaten
- 2 cups milk
- 1 tablespoon butter or margarine
- 12 baked 3-inch tart shells, cooled
- Whole or sliced fresh strawberries
- 1 jar (10 oz.) red raspberry or currant jelly

Combine pudding mix and sugar in saucepan; blend in lemon juice and egg. Gradually stir in milk. Cook and stir over medium heat until mixture comes to a full boil. Remove from heat and add butter. Cool about 5 minutes, stirring twice. Spoon into tart shells; chill 1 hour. Arrange fruit on pudding in shells. Heat jelly until smooth. Cool and spoon over fruit. Chill. Garnish with prepared whipped topping and nuts, if desired. Makes 2-3/4 cups filling or 12 tarts.

## FOOD FOCUS

### Dear Food Focus:

Why is it recommended that meat be stored wrapped loosely in waxed paper in the refrigerator? Doesn't this make the meat dry out?

### Concerned

### Dear Concerned:

This is an old recommendation that is usually not used now that most meat is pre-packaged in a plastic wrap. The reason for the recommendation was that the meat does dry out slightly, reducing the danger of bacterial growth on the surface.

Nowadays, it is recommended that prepackaged meat be left in its original wrapper until it is used. If it is not to be used in two or three days, it should be stored in the freezer rather than the refrigerator.

The plastic wrap will protect the meat in the freezer for up to two weeks. For longer freezer storage, it should be re-wrapped or overwrapped with a moisture-vapor proof material such as foil or freezer paper. You can also slip the wrapped package inside a plastic bag.

### Dear Food Focus:

Popcorn has gotten to be very popular at our house since we got an automatic popper for Christmas. But I'm concerned that popcorn may be nothing more than empty calories.

### Munching

### Dear Munching:

Popcorn is not high in nutrients. It provides a little protein (Less than one gram per cup), small amounts of B vitamins and a trace of iron. However, it is a good snack food because it is low in calories — a cup of popped corn has only 23 calories if you don't add butter. If you add butter to it, you can double the calories very easily.

Another plus for popcorn as a snack food is that it contains no sugar and therefore is less likely to contribute to tooth decay than sweet snacks.

## Valentine Scones

Bake Valentine Scones for a party, brunch or serve them as a not-so-sweet dessert or snack.

Our light as-a-feather version is made quickly from a basic scone recipe. Then they are created special for the occasion with a heart shaped cookie cutter and a dollop of your favorite jam. For this special occasion, we've selected red raspberry or strawberry.

Whenever you offer scones, bake them from enriched flour. It contains the B-vitamins — niacin, thiamin and riboflavin — plus the mineral, iron.

### Valentine Scones

- 10 to 12 3-inch hearts
- 2 cups enriched flour\*
- 1/3 cup shortening
- 1/4 cup sugar
- 1/3 to 1/2 cup milk
- 1 tablespoon baking powder
- 1 egg
- 1/4 cup strawberry OR raspberry jam

Stir together flour, sugar, baking powder and salt. Cut in shortening until mixture resembles coarse crumbs. Beat egg and 1/3 cup milk. Add liquid all at once to flour mixture, stirring until flour is moistened. Stir in additional milk, if necessary, to make a soft dough. Turn onto lightly floured surface and knead gently for 30 seconds. Roll out to 1/4-inch. Cut with heart-shaped cutter or sharp knife. Cut circle or small heart shape in center of half the hearts. Place uncut hearts on ungreased baking sheet. Moisten edges lightly with water and top with remaining hearts; press edges to seal. Bake in preheated 425°F. oven for 12 to 15 minutes or until golden brown. Fill center with about 1 teaspoon jam. Serve immediately.

\*Spoon flour into dry measuring cup; level. Or follow directions on bag. NOTE: If self-rising flour is used, omit baking powder and salt.

## Okla. Lane Center To Sponsor Chicken Fry

A fried chicken supper and games night has been planned by directors of the Oklahoma Lane Community Center for Saturday, Feb. 19, at the center. The evening's activities will get underway at 5 p.m. Bobby D. Foster will head up the chef's list for the evening with others on hand to assist. Each family attending is asked to bring enough chicken for their family members, cut up the way their family likes it. Everyone is also being asked to bring a vegetable or salad and a dessert to complete the evening meal. Coffee, tea, and bread will be furnished, says Rev. Joel Ware, chairman of

the Community Center directors. "We would also like for everyone who can to please bring their dominos, cards, and other games. There will be a time of fellowship and games following the meal," said Rev. Ware. Directors of the Oklahoma Lane Community Center besides Ware are Mildred Cooper, Bobby D. Foster, Ruth Anne Bennett, and Cyrus Dale. Anyone wishing more information concerning the supper and games night may contact Rev. Ware or Ruth Anne Bennett.

## Gardening Institute Seeks New Members

The Progressive Gardening Institute is a non-profit corporation formed to help bring about a re-structuring and advancement of the food system throughout the country. Through the Institute, grants are being made for research into progressive crop science to develop a greater variety of fruits and vegetables adaptable to different parts of the country. In an effort to attract new members to help with its goals, the Institute is making available, for a limited time only,

two dwarf apple trees: (1) a yellow delicious apple and (2) a red delicious apple for only \$7.50 (tax deductible) with all shipping paid. These fruit trees are of the highest quality, and will have complete planting instructions, according to G.L. Stephens, Institute president. The trees will be shipped at three to five feet tall on arrival, and normally sell for \$7.49 each, plus shipping and handling. There is no further obligation on the part of the purchaser, says Stephens.

## Mrs. Williams Hostess For Friendship Class

Friendship Sunday School class of First Baptist Church of Farwell met Monday, Feb. 7, in the home of Beulah Williams. Pearl Gerie opened the meeting with prayer. Rubie Craft announced that the shower for the former Sherri McCully had been postponed from last week and will be this Saturday. After the minutes were read and approved, Edith Crawford read "Prayer for Peace" by Helen Steiner Rice. She also read, "My Prayer For Last Journey," by Betty Allen. Mrs. Lillian Benderman read a poem by her aunt, Maymie

Silver, entitled "My Prayer For Peace," which was written in 1943. "It also applies for peace in 1983," said Mrs. Benderman. Beulah McWilliams dismissed the meeting with prayer. Those attending the meeting were then served dump cake, candies, snacks, coffee, and cold drinks by the hostess, Mrs. Williams. Attending the meeting were Maymie Greenwood, Gladys Hardage, Bonnie Williams, Marie Cox, Elsie Hardage, Pearl Gerie, Estelle Billington, Beulah McWilliams, Lillian Benderman, Sally Chandler, Edith Crawford, and the hostess.

## Roslyn Bennett Is Four Years Old

Roslyn Bennett, daughter of Ricky and Ruth Anne Bennett of Farwell, celebrated her fourth birthday with a special party at Taco Villa in Clovis on Monday, Jan. 31. A clown at the establishment was the hostess for games, contests, and the meal enjoyed by Roslyn and her guests. They were served burritos, orange drink, chocolate cake, and ice cream. Attending were the honoree, her parents, her brother and sister, Reace and Ramsey Bennett, her grandparents, Mr. and Mrs. R.E. Blankenship, Christian Foster, Roger Billingsley, Mr. and Mrs. A.P. Sutton, all of Farwell; and

Becky and Kaylene Stevens of Clovis.

ROSLYN BENNETT

"We praise heartily only those who admire us." La Roucheoucauld

MR. AND MRS. KEITH MARTIN

## McDaniel-Martin Vows Exchanged

Mr. and Mrs. Preston Martin of Farwell and Mrs. Wilma Lockhart of Midland announce the recent marriage of their children, Keith Martin and Deborah McDaniel. The couple exchanged wedding vows in a private family ceremony on Sunday, Jan. 30, at the home of Paul Hall in Midland. Hall is minister of the Fairmont Park Church of Christ in Midland and officiated as the couple repeated their wedding vows. Steve and Ronda Rosenberg, close friends of the couple, were the only attendants. Following the ceremony, Mrs. Lockhart hosted a reception for the couple at her home. Wedding cake and punch were served.

Following their wedding, the couple is now at home in San Angelo. Attending the ceremony were the bride's mother, Mrs. Wilma Lockhart of Midland, Gina Eubank of Midland, the bridegroom's parents and his grandmother, Mr. and Mrs. Preston Martin and Mrs. W.E. Martin of Farwell; his brothers and families, Mr. and Mrs. Greg Martin, Byron and Warren of Texico, Mr. and Mrs. Tim Martin, Todd, J.J. and Shawn of Lampasas, and Mr. and Mrs. Kirt Martin and Lucy of Lubbock; and Mr. and Mrs. Monte Huffman of Midland. Huffman is associate minister of the Fairmont Park Church of Christ.

## Marriage Licenses

Two marriage licenses have been issued by Parmer County Clerk's office since the last report. Receiving the licenses were Salud Tirado Galvan and Evangelina Castaneda; and Kim Rundell and Kathy Williams.

## Kenneth Shaws Have Daughter

Kenneth and Maxine Shaw of Texico announce the birth of their third child, a daughter, who has been named Amber Nicole. Amber was born at 4:30 Monday afternoon, Feb. 7, in Roosevelt General Hospital in Portales. She weighed eight pounds, 12 1/2 ounces, and was 22 1/2 inches long.

The Shaws have two other children, Kenneth Michael, 9, and Natasha, 6. "They're both so excited, they didn't want to go to school today," said their grandmother, Mrs. James Shaw of Portales. Paternal grandparents of Amber are Mr. and Mrs. James Shaw of Portales, and Mr. and Mrs. Alfonso Lujan of Rhea, Tex., are the maternal grandparents. Both mother and daughter will return home sometime Thursday or Friday.

## Thermostats

The thermostat on your heating and cooling system determines your home energy needs, say New Mexico State University specialists. If one thermostat is used for temperature control, it should be centrally located on an interior wall in the main living room. Don't put thermostats near heating ducts, under strong light, or next to a heat source. Keep them away from drafts and outside doors.

## 125 French Teenagers To Arkansas and Northern Texas

Host families are being sought for 125 students from France who will arrive in Little Rock and Dallas on July 5-6 for a four-week visit. The program is sponsored by Nacel Cultural Exchanges, a non-profit organization which has the official approval of the French government and is widely supported by French teachers in the United States and by English teachers in France.

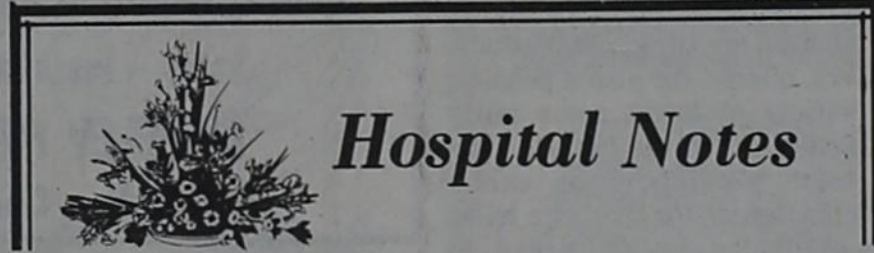

Participation in the program involves sharing your home with a French teenager from July 5 to August 3. The responsibility of host families is to warmly accept the French student as a member of the family and share everyday activities. The program provides comprehensive medical, accident and liability insurance, and the individual participants bring their own spending money for incidentals. Teenagers of Texas and Arkansas host families will have the opportunity to live in a family home in France the following summer if they wish. There will be 15 openings for June 30-July 28, 1983, for \$1,070 round-trip from Dallas or Little Rock.

As the value of international understanding is becoming more and more evident, the

Nacel Cultural Exchanges Program offers opportunities for building better international understanding. It provides the opportunity for French students to experience the American lifestyle, develop greater skill in speaking English, and establish lasting American friendships. It provides the American families an extraordinary opportunity to broaden their horizons and learn first-hand about the French way of life. Students are individually matched to families according

to interests, activities, and special requests (such as living on a ranch!) Families are needed to host boys ages 13 to 19 and a few girls ages 15 to 18. These French students are selected from English classes and have studied English for three to seven years.

If you are interested in participating in the program, write to the Nacel Cultural Exchanges coordinator for Arkansas and northern Texas: Mrs. Sue KIMBRO, 2105 Wood Street, Texarkana, TX 75501. Phone (214) 794-8273.

## Hospital Notes

Juanita Foreman of Texico has been dismissed from West Plains Medical Clinic in Muleshoe where she was treated for pneumonia. She is at home now and is said to be doing well.

Weldon Dane of Texico is at home and is reported to be

recovering well after undergoing medical treatment at a Lubbock hospital last week.

Fred Gerie of Farwell continues to convalesce from a broken hip in Room 305 at Clovis High Plains Hospital. He is reported to be "doing just fine."

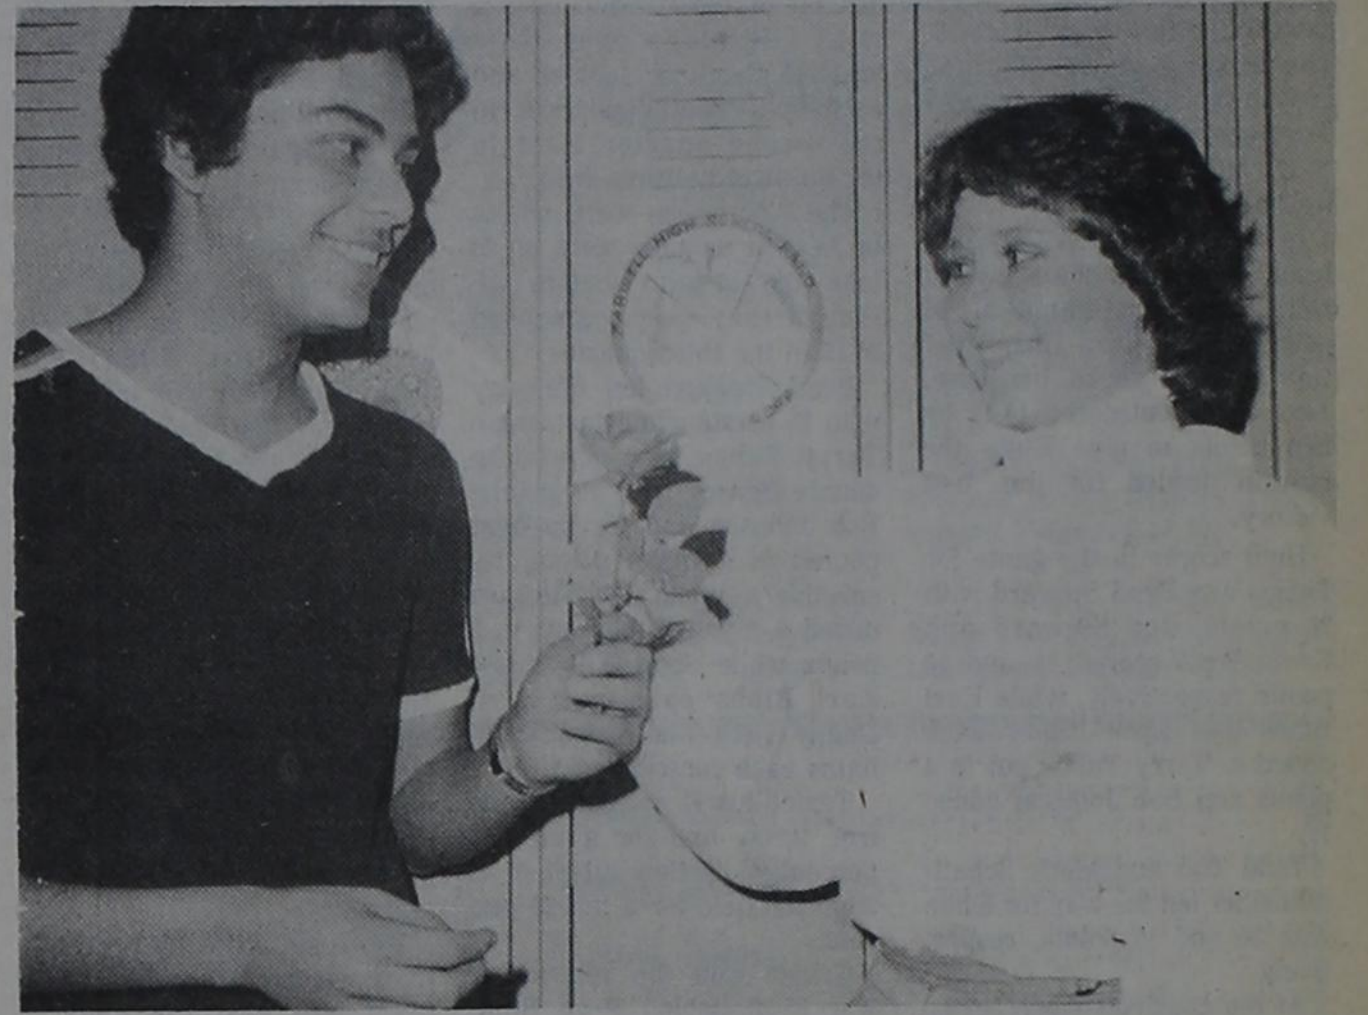

SELL IT WITH A TRIBUNE CLASSIFIED AD

## Farwell Chapter Observes National FHA Week

Farwell FHA Chapter is observing National FHA Week with a full lineup of activities planned for this week. Activities began on Monday with the FHA members participating in "locker poster day," by making personalized lace Valentine hearts to put on their lockers at school. The students met in the school cafeteria to design and create their own Valentine decorations with lace, ric-rac, yarn, and coloring pencils. Tuesday, FHA members each wore a red rose, the FHA flower, during the school day. On Wednesday, members

participated in red and white day, when they wore the FHA colors red and white to celebrate Valentine's Day as well as FHA Week. Thursday was to be dress up day as each member was to dress in her "best" for the entire day. On Thursday night there was to be a party for FHA members and their dates in the Home Economics building at the school. The party was to feature music and a Valentine-making contest. The party was to be sponsored by the FHA organization and was to have parent supervision. Friday (today) will be

teacher appreciation day as the FHA members present their favorite teachers with the Valentines made at the party Thursday night, along with a special "thanks." The entire week's activities were planned in conjunction with the National FHA organization's goals and achievements in mind and allowed the students to create and demonstrate the skills they have learned by being a part of the organization. FHA members from the Farwell organization are also preparing for the area convention to be held March 4.

## A Rose For You

Domingo Rubio, Farwell FHA vice-president, presents Tonya Meeks with a red rose for Valentine's Day. The roses worn one day this week by FHA members was part of the activities planned for National FHA Week by the Farwell

organization. Members participated in a locker poster day by placing Valentine hearts on their lockers; a red and white day, when all members dressed in red and white; and a dress up day followed by a party in the home economics

department at the school. Today [Friday] FHA members will be observing teacher appreciation day at school by presenting Valentines to their favorite teachers. The Valentines were made at the Thursday party.

## The Creative Woman

BY SHERYL BORDEN

Topics to be presented on "The Creative Woman" show on February 15 and 19 include the final part of the low sodium series, and information on sewing bedspreads. The show airs at 12:30 p.m. MST on Tuesdays and at 2 p.m. on Saturdays on KENW-TV.

Hazel Wallace, consumer affairs officer for the Food and Drug Administration in Dallas, will conclude the three part series entitled "Sodium... Think About It."

Jewell Limacher, Extension home economist in Roswell, will explain how easy it is to sew bedspreads. They are not only fun to make, but can be a great money saver! With a few basic rules, the home sewer will be able to create a wide variety of styles to satisfy the

needs of every member of the family.

On February 17, the show will feature after school snacks and a discussion concerning insects in the home. On Thursdays, the show airs at 12:30 p.m.

June Norman, home economist with the Associated Milk Producers, Inc. in Albuquerque, will share recipes for

after school snacks that are sure to please all youngsters.

Mike English, Extension entomologist with NMSU's Cooperative Extension Service in Las Cruces, will talk about common insects in the home and how the homeowner can best treat these pests.

"The Creative Woman" is produced and hosted by Sheryl Borden.

# Elida Defeats Wolverines, Texico Tied For District

After their loss to Elida Friday night, the Texico Wolverines are in a tie with Elida for the top spot in the district with each team having lost one district game.

Robert Meier, Texico journalism student, wrote the following account of the Elida and Tatum games with the Wolverines:

The Texico Wolverine boys were defeated this past Friday night by a tough Elida team by a 70-68 count.

Both teams quickly scored in the first quarter and Texico was able to outscore their hosts in the first quarter, 23-18. The scoring pace remained high in the second quarter and the Wolverines were outscored 20-17, but Texico held a 40-38 lead at halftime.

In the third quarter the Elida team outscored their guests 18-16 to tie the game at 56 points apiece. In a finish that was sure to go to the wire, Texico was outscored 14-12 by two points to give Elida the margin needed for the 70-68 victory.

High scorer in the game for Texico was Brad Steward with 26 points, Joe Steward and Kevin West scored 11 and 10 points respectively, while Earl Bibbs and Lynn Tubbs each added 8. Terry Tubbs put in 4 points and Bob Johnson added 1.

Todd Tub and Mark Schattschneider led the way for Elida with 30 and 15 points, respectively.

At the charity stripe, Texico hit 10 out of 23 for 44 percent

while hitting 29 of 48 from the floor for a solid 60 percent. Elida hit 18 of 25 at the line for a superb 72 percent.

Texico won the rebounding war 30-15 behind Brad Steward's 20 rebounds. Joe Steward and Terry Tubbs each pulled down 5 rebounds off the glass.

The Texico Wolverines upped their record to 14-2 by taking a 65-55 win over the Tatum Coyotes.

Both teams came out in the first quarter to post high scoring in what was a crucial district match. Texico took a 15-10 advantage over their hosts in the first quarter and outscored their opponents in the second quarter 16-14 to take a 31-24 halftime lead.

The Wolverines were not to be headed as they went on to take the 10-point victory although they were outscored 16-15 in the third quarter.

Brad Steward led the way with 15 points while teammate Terry Tubbs also scored in double figures with 12 points. Bob Johnson and Kevin West poured in 9 and 8 points, respectively, while Joe Steward added 6. Lynn Tubbs put in 5 points while Scott Elliott and Earl Bibbs each put in 4. Danny Reid and Regan Williams each contributed 1.

Texico hit 11 of 20 from the free throw line for a nice 55 percent while they hit 27 of 43 from the field for a hot 63 percent.

Texico won the rebounding war 35-28 behind Brad Steward's 8 rebounds. Terry Tubbs

pulled in 6 while Bob Johnson brought in 5 off the glass.

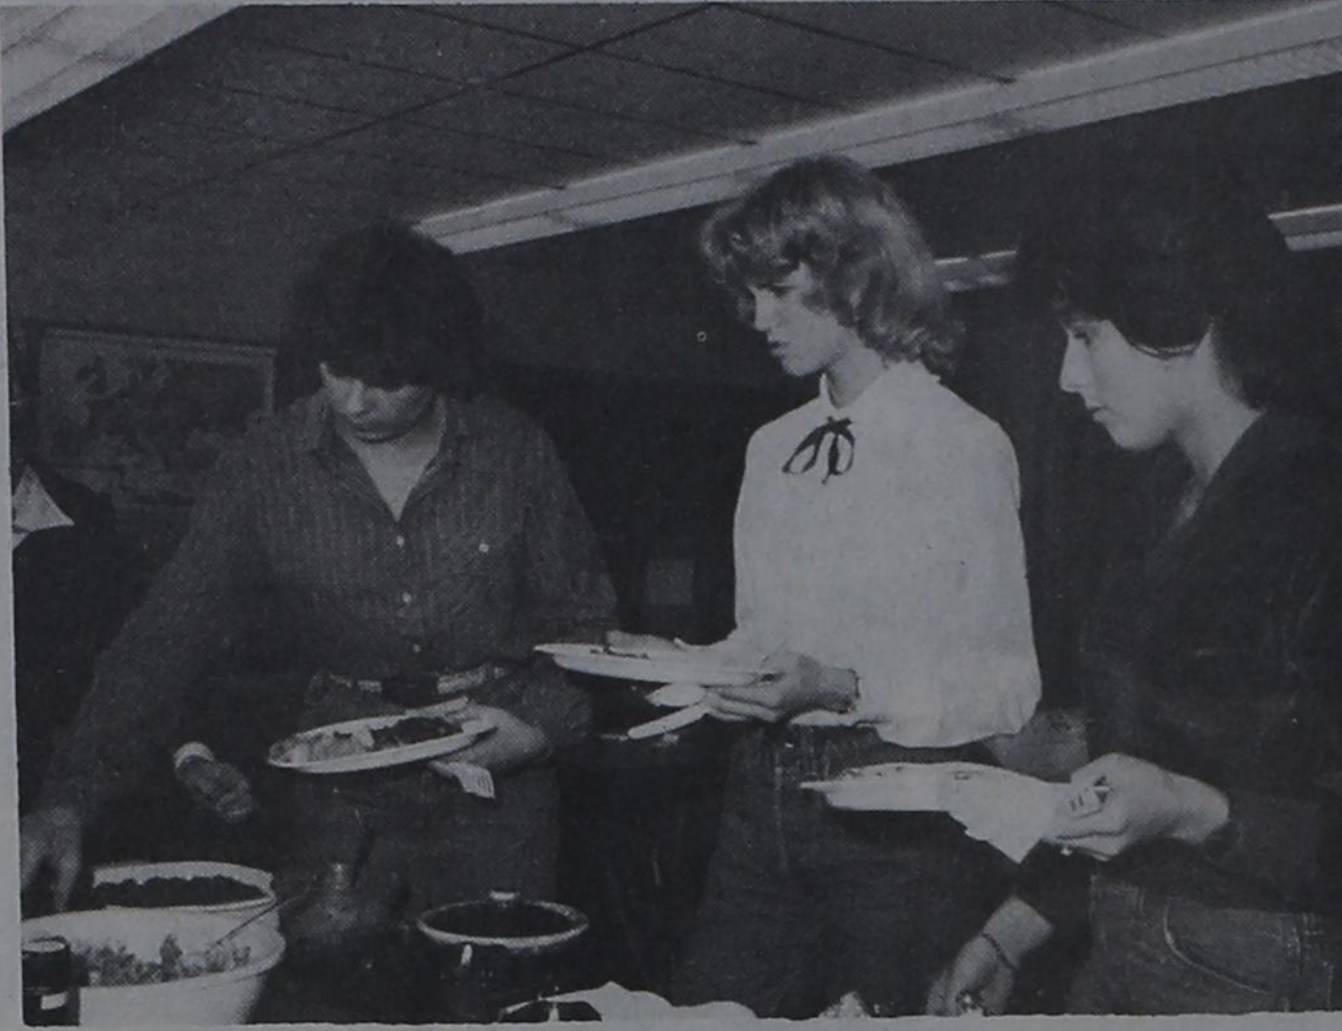

The win places Texico in a tie for the district lead with the Elida Tigers. Texico has beaten Elida once in district play and also in the EPAC championship game. Texico lost this past week to Elida 70-68 in Elida. Melrose remains in second place, with their district losses coming at the hands of Texico, 52-48, in six overtimes two weeks ago, and at the hands of Elida Saturday night.

The Wolverines round out the season this weekend by taking on Dora Friday night and Melrose on Saturday night. The Friday game has been deemed Parents Night. Both games will begin after the varsity girls games in Wolverine Gymnasium.

Coach Scott Parker commented on the games, "We played pretty well in spots on Friday against Elida. We didn't shoot very well from the free throw line, and that hurt us later in the game. I really think the loss will help us and I would rather lose now than later in the season."

"Friday was the kind of game we want to play and get the loss out of our systems. The games from now on are going to be more important. We're tied for district at this point. The game Saturday, Feb. 12, against Melrose will be the key game for us this season."

The team with the best district record after Saturday night will host the district tournament.

## Taste Of Culture

"A taste of culture" is what the students enrolled in Mrs. Juanita Hadley's Spanish class at Texico High received Wednesday, Feb. 2, when they

were treated to a Mexican luncheon during class time. Enjoying the special dishes are, from left, Kathleen Beavers, Toby Odle, and Connie

Dimas. Students enjoyed trying the familiar and unfamiliar foods from the country they are studying in the class.

## Enjoy Mexican Lunch

Enjoying a Mexican food lunch are, from left, Regan Williams, Billy Bibbs, and Ronnie Galvan. These students are among those enrolled in the Spanish

class with Mrs. Juanita Hadley as their instructor at Texico High School. The meal was planned as a "touch of culture" for the students as

part of their education in Mexican living and language. Mothers of the students prepared the meal which was served last Wednesday.

## Texico Spanish Class Enjoys Special Meal

In an effort to absorb more from the class than just the conjugation of verbs or the difference between formal and familiar "you," members of the Texico High School Spanish class shared in a cultural extravaganza last Wednesday when they enjoyed a real Mexican meal.

The dishes, prepared almost exclusively by students' mothers, offered the young people a variety of foods, some fairly familiar to the palate and some proving to be exotic experiences for the taste buds.

Included in the array of dishes were tamales, flour tortillas, guacamole, a green salad, hot chili con carne, mild chili con carne, fried stuffed bell peppers, fried pork pieces in sauce called carne encalita, and a dessert known as bunuelos. This is a cross be-

tween a flour tortilla and a sopapilla which have been rolled in sugar and cinnamon. Iced tea accompanied the meal.

The table decorations featured the Valentine theme with a red floral candle ring, red candles in votive cups, and white and red tablecloth.

A hangnail is not so called because it hangs. It just hurts. "Ang" in Old English meant "pain."

## Texico's This, That And The Other

by Journalism I Students

Junior high students had their spelling bee eliminations February 4.

Students in kindergarten through third grade all saw the movie, "Peter Pan," in Clovis February 3.

Yearbook staff members are selling six-ounce milk chocolate rabbits as a fund-raising project. Final day to order the confections will be March 7, and delivery will be about March 21. Each candy rabbit sells for \$2.50. The yearbook staff also sponsored the appearance of Denney Day, a story teller, comedian, and lecturer, in a paid assembly Monday morning.

Students in kindergarten through third grade all saw the movie, "Peter Pan," in Clovis February 3.

Texico Varsity Band has created an 11-person percussion ensemble that will perform at the Southeastern New Mexico Educational Association Solo and Ensemble District contest February 12 in Portales.

The new group will also perform at the Greater Southwest Music Festival on May 5 and possibly will be on the program at the school's spring band concert.

Band members will also enter the University of New Mexico jazz ensemble contest in Albuquerque March 26.

At the SENMMEA competition and the Greater Southwest Music Festival, Texico will have 46 solos entered, in addition to five duets and the ensemble.

The school photographer will be at Texico Elementary on February 15 for elementary memory mates (group pictures). He will also make photos of individuals who missed having their school pictures made earlier this school year.

Final day to order yearbooks is February 15. Yearbooks are \$11 each with a \$2 charge for personalized copies and 50 cents for a plastic cover. Orders may be placed with yearbook sponsor Ronnie Warmuth or with the high school secretary, Kay Warmuth.

FHA/HERO Week was February 7-12, and Texico FHA members participated in activities celebrating the event during the week.

Monday, all members put up bulletin boards with the theme of "How FHA/HERO Relates to Each Class." Tuesday morning, the members prepared breakfast for all teachers in appreciation for their support and cooperation. Each teacher was presented a red or white carnation.

Warmuth says that there are a few 1981-82 copies of the yearbook available at a cost of \$10 each.

Sheryl Day, dental assistant at Farwell Clinic, will be guest speaker for Medical Careers Club Friday, Feb. 11, at 8:45 a.m. in the science room.

Wednesday members had a pot luck sack luncheon with the members exchanging lunches. Thursday was tee shirt day with all the members wearing new FHA tee shirts.

Friday (today) is dress up day. Anita Dimas, FHA/HERO president, expressed thanks to all the members for their enthusiasm and participation in the week's events.

First graders in Rita Duns-worth's class will present a puppet play, "Three Billy Goats," to the kindergarten students on February 14 in conjunction with their Valentine Day party.

Each fourth and fifth grade class now has a computer in their classroom.

Students in Wanda Turn-

# Lady Wolverines Beat Elida, Fall To Tatum

Texico Lady Wolverines split games with their opponents over the weekend, defeating Elida under the Elida nets 42-33 on February 4, and falling to the Tatum team in a thriller 39-38 at Tatum Saturday night.

Texico Coach Roy King said, "Our backs are to the wall now. We have to win both games this week to make a tie for the district, and hope that Melrose beats Tatum to complete a three-way tie."

The games Coach King feels his team has to win are two home encounters, one against the Dora squad in a Parents Night outing Friday, and one

against the Melrose Lady Buffs Saturday night. Fortunately for his team, Coach King's charges will have the home court advantage in making their run for the three-way tie in the district.

In the Elida game last Friday night, Texico took a half-time lead of 11-9, and started the final quarter of the game ahead 33-27, finally taking the win 42-33.

Tammy Powell led the Lady Wolverine scoring with 15. Ruth Scott had 14; Helen Jo Boarman, 6; Kathy Harrison, 4; Karen Snodgrass, 2; and Dana Morris, 1.

At Tatum Saturday night the

Lady Wolverines managed a 22-19 halftime advantage after a very low-scoring first period in which they trailed 6-5. They only scored two points in the third quarter while Tatum was racking up 13, and although they outscored their hosts 14-7 in the final stanza, they lacked one point having enough to overcome the deficit and they lost the game 39-38.

Ruth Scott led her team's scoring effort with 18; Cheryl Scott had 3; Tammy Powell, 6; Valda Cavallero, 7; and Karen Snodgrass, 4.

All fans are encouraged to be on hand for the ball games Friday and Saturday night in Texico gym.

## Texico JV Basketball

Texico JV boys played Elida last week and won 53-35.

Bobby Steward was top scorer with 17; Danny Powell and Billy Bibbs each made 10; Scott Elliott and Lonnie Smith each added 6; and Mark Meeks added 4.

"Bobby Steward made 17 points and had 7 rebounds and played about half of the game. Mark Meeks and Billy Bibbs each had 9 rebounds, and Scott Elliott got 10 rebounds during the game. We started off sluggish and had some good shots, but they just wouldn't go in in the first three quarters of the game," said Coach Mike Littlejohn.

The JV boys traveled to

Tatum Saturday, Feb. 5, bringing home another victory, 59-55.

Texico started off a little slowly, but came ahead and won the game by a four-point margin.

Ronnie Duns-worth led the scoring with 18 points; Billy Bibbs made 12; Scott Elliott, 10; Danny Powell, 9; Mark Meeks, 7; Regan Williams, 2; and Tobin Tate, 1.

"We made our free throws when we had to at the end. Ronnie Duns-worth had a great game with 7 out of 9 shots from the floor, 4 out of 4 free throws, 11 rebounds, and 18 points with 5 assists during the game. Mark Meeks had 11 rebounds,

Scott Elliott had 10, and Billy Bibbs had 6 rebounds," said Coach Littlejohn.

The JV girls also played Tatum on Saturday, and won their contest 38-23.

Texico took the lead in the first half with a score of 12-10 and continued to keep the lead as they finished the game 38-23.

Helen Jo Boarman was top scorer with 16 points; Elayne Horner had 7; Chary Jesko, 5; Lucia Jesko, 4; and Dana Morris, Coy Jo Burk, and Katie Tubbs, 2 each.

"The girls played real well in the game," said Coach Roy King.

## Public Notice

In order to implement prior orders of the Public Utility Commission of Texas in Docket No. 3957, notice is hereby given of Southwestern Bell's proposal to implement a new schedule of intrastate long distance rates, effective April 1, 1983, unless otherwise determined by the Commission.

It is expected that the proposed rate schedule will not increase the company's net intrastate revenues, but rather, the increased rates will offset increased settlements paid to certain other telephone companies.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and is available for inspection in each of the company's public business offices in Texas.

### Notice to Customers of Other Telephone Companies

Changes in intrastate long distance rates would also affect customers of other telephone companies because such companies provide intrastate long distance service in accordance with rates specified in Southwestern Bell's tariffs.

## Aviso Público

Southwestern Bell, con el objeto de cumplir con el decreto previo del Public Utility Commission (Comisión de Servicios Públicos) del Estado de Texas, Acta No. 3957, por la presente hace saber su intención de establecer un nuevo arancel de tarifas para servicio intraestatal de larga distancia, con vigencia a partir del 1o de abril de 1983, a menos que la Comisión haga otra determinación.

Se espera que el nuevo arancel de tarifas que Southwestern Bell se propone establecer no aumentará sus ingresos netos intrastatales, sino que servirá para compensar el aumento de los ajustes que se les paga a algunas otras compañías de teléfono.

Una copia completa del nuevo arancel de tarifas se ha archivado en las oficinas del Public Utility Commission (Comisión de Servicios Públicos) en Austin, Texas, y esta disponible para inspección pública en todas nuestras oficinas en el Estado de Texas.

### Aviso a los Clientes de Otras Compañías de Teléfono

Cambios en las tarifas para servicio intraestatal de larga distancia también afectarían a clientes de otras compañías de teléfono porque dichas compañías proveen servicio intraestatal de larga distancia en conformidad a tarifas especificadas por Southwestern Bell.

### Junior High All-Region

Farwell Junior High Band had a good representation on the All-Region Band which was held in Lubbock January 27-29. Clinician for the North Zone Junior High Class C Band was

Joe Mack Hill from Abilene. Farwell Junior High Band members making the All-Region Band are, from left, first row, Kenny Adams, Melinda McMillan, and Joann Castner;

second row, Suzanne Hardage, Dana White, Michele Stover, and Damon George; third row, Erik Burton, Daniel Hutchins, and Carey Stancell.

## Farwell Jr. Varsity Results

Farwell JV boys hosted Olton Saturday, Feb. 5, in a game that went into overtime with the JV Steers coming out on top, 59-57.

Farwell fell behind in the first three quarters, but made a strong effort in the last quarter, tying the game 53-53. In the overtime period, Farwell pulled ahead to take the game by 2 points, 59-57.

Jesse Anzaldua was top scorer with 18 points; Eric Williams had 13; Steven Jaime and David Rubio each made 8; Steve Stancell and Blake Kelley each made 4; and Wesley May and Allan Wolfe each made 2.

"The boys played a good game. They played well under pressure, they played hard and had good hustle, too," said Coach Vester Joiner.

The JV girls also played against Olton Saturday, but were defeated 61-16.

They fell behind early in the first quarter and were never able to catch up.

Sonia Chisom made 10 points and Sheila Smith made 6.

Farwell JV girls played Kress Monday, Feb. 7, and lost 33-25.

Sonia Chisom led the scoring with 14 points. Alma Nicolas made 5; Denise Ford, 2; and Sherilyn Thigpen and DeAnn Curtis each made 1.

"The girls played better

tonight. The cold third quarter got us behind and in the fourth quarter we really fell short," said Coach Mike Martin.

Farwell JV boys played Bovina Tuesday, Feb. 8, with Bovina winning 59-44.

Farwell fell behind in the first half of the game as the half ended with a score of 32-20.

Steve Stancell led the scoring with 9 points; Todd Davis and Jesse Anzaldua each made 7; Brian White, 6; Eric Williams, 5; Steven Jaime and Allan Wolfe each made 4; and Michael Sanchez added 2.

The JV girls lost 53-26 to Bovina Tuesday night at Bovina.

Farwell did a good job in the first half as they moved ahead, but then fell behind by 2 points as the half ended with a score of 16-14. In the second half, Bovina overpowered the JV Steerettes to win the game 53-26.

Sandra Stanton led the scoring with 10 points; Sonia Chisom had 9; Sherilyn Thigpen, 3; Kim Routon and Alma Nicolas, 2 each; and Geretta Hutchins, 1.

"The girls had a real good first half, but our inability to break the press in the second half was our downfall. We gave Bovina too many layups off their press," said Coach Martin.

## Finish Season - -

# Steerettes Take Three, Face Springlake Tonight

With a win tonight (Friday) over the Springlake-Earth Wolverine girls, the Farwell Steerettes will wind up in third place in District 5AA with a 5-4 record.

The Blue and White took wins over three district foes in as many outings, defeating Olton, Kress, and Bovina in succession, and are looking for a victory tonight to up their season record to 15-9. The Lady Longhorns from Hart are the top team in the district going into tonight's action.

The Steerettes hosted Olton Saturday, Feb. 5, taking the victory with a final score of 55-50.

Farwell had fallen behind in the first half of the game, with a halftime score of 25-26, but came back in the final quarter to take the win, 55-50.

Lezlie Castleberry led the scoring with 23 points; Kelly Davis followed with 12; Suzahn Inman, 11; Jennifer Williams, 4; Elaine Vaughan and Sandra Coates each made 2; and Cynthia Ancira added 1.

"The girls played a super ball game. We shot the ball well from the floor and we made 21 out of 28 free throws. The girls played together and out-hustled Olton. They wanted to win more than Olton," said Coach Vester Joiner.

Next the Farwell girls played Kress Monday, Feb. 7, overpowering their opponents on the Kress court, 57-27.

The Steerettes took the lead in the first half with a halftime score of 28-12 and continued to rack up the points as the game progressed, winning the match 57-27.

Suzahn Inman and Lezlie Castleberry led the scoring with 16 points each; Cynthia Ancira made 12; Jennifer Williams, 6; Kelly Davis, 4; and Sandra Coates, 3.

"We played good and shot the ball well from the floor. We also shot the free throws well in the game," said Coach Joiner.

The Steerettes played Bovina

Tuesday, Feb. 8, taking the victory 69-55 on Bovina's home court.

Farwell moved ahead on the scoreboard in the first half as they entered the halftime with a score of 39-23. In the second half, they continued to pull ahead as the game ended with a score of 69-55.

Lezlie Castleberry was top scorer with 21 points; Cynthia Ancira followed with 17; Suzahn Inman, 14; Kelly Davis

and Jennifer Williams, 6 each; Elaine Vaughan, 4; and Sandra Coates, 1.

"We played very good, the best all year. We shot the ball from the floor well. The girls did a super job. We're 5 and 4 in district, and if we beat Springlake-Earth Friday, we will finish third in district. Our season record is 14-9. Hart girls are first in district," said Coach Joiner.

## Upcoming Sport Events

Farwell Steers and Steerettes and JV boys and girls will host Springlake-Earth tonight, Feb. 11, for games beginning at 4 p.m.

Texico Wolverine varsity boys and girls and JV boys will host Dora tonight, Friday, with the first game starting at 5 p.m. MST.

Lazbuddie Longhorn varsity boys and girls and JV boys will travel to Amherst for games

beginning at 5 p.m.

Texico will host Melrose on Saturday, Feb. 12. Varsity boys and girls and the JV boys will play, with games to begin at 5 p.m. MST.

Texico varsity girls will compete in the District Tournament February 17-19.

Texico 8th and 9th boys teams will play in the Clovis tournament February 17-19.

# Steers Take On Springlake In Final District Outing

Farwell Steers will host the Springlake-Earth Wolverines tonight (Friday) in the final District 5-AA encounter for the Blue and White this season.

The Steers will be looking for their first win in four games, having lost a heartbreaker by one point to the Olton Mustangs Saturday at Farwell, and losing games to Kress and Bovina on the road Monday and Tuesday nights.

In the Olton game Farwell fell behind 23-20 at the half. During the second half they came within one point of tying their guests, but finished the game one-point down at 53-52.

Coach Mike Martin said, "The boys played well enough to win. They deserved to win. I picked up a needless technical foul with about 4 minutes remaining in the game. I feel that my behavior cost our team the game. My actions were inexcusable. Jay Anderson had a great game. Alan Eubank played extremely well for his first game back from an injury, and Kevin Owen rebounded well."

Anderson led the scoring with 33 points; Eubank had 10; Johnny Daniel, 7; and Manuel Cantu, 2.

Monday the Steers traveled to Kress for a makeup game that saw Farwell on the short end of a 51-42 score.

Farwell led at the end of the first quarter, but trailed 29-19 at the half.

Anderson again led the Steers in scoring with 20 points; Roger Robertson had 7; Daniel, 6; Paul Fulcher, 4; Eubank, 2; and Todd Christian, Cantu, and Owen, 1 each.

"Kress out-rebounded us pretty bad. We didn't play the type of defense we are capable of playing. Their physical strength on the boards really hurt us," said Coach Martin of the game.

Tuesday night the Steers played league-leading Bovina under the Bovina nets and lost 63-52.

Farwell trailed at the half 33-19 and although they came on strong and back to within one point of the Mustangs at one point, they were not able to take control of the game.

Anderson again topped the scoring attack with 24. Cantu had 7; Robertson, 6; Daniel, 5;

Eubank and Owen, 4 each; and Fulcher, 2.

"We played a good game. We came back twice from being down by 14 points to get within 1 point with about two minutes to go. We got into severe foul trouble early and it never got better. Bovina shot 34 free shots to our 10, and that was the difference. We actually outshot them from the floor. The Steers never gave up and just kept coming back at them. Jay Anderson had another very good game.

"Our last game is this Friday against Springlake-Earth here at Farwell and we hope everyone will attend," said Coach Martin.

## AMERICAN LEADERS

Carl Hubbell, pitching for the National League in the '34 All-Star Game, gave up base hits to the first two batters facing him. Then the New York Giants' lefthander fanned Babe Ruth and Lou Gehrig of the New York Yankees and Jimmie Foxx of the Philadelphia Athletics. Hubbell opened the second inning by striking out Al Simmons of the Chicago White Sox and Joe Cronin of the Washington Senators. It was, according to a poll of members of the Baseball Hall of Fame, the "greatest moment" in All-Star history.

The Hall of Famers named Hubbell and another former Giant, Willie Mays, the greatest players in All-Star Game history. Also receiving greatest All-Star votes were Ruth, Ted Williams of the Boston Red Sox, Stan Musial of the St. Louis Cardinals, Charley Gehringer of the Detroit

Tigers, and the Yankees' Joe DiMaggio and Yogi Berra.

Next the Farwell girls played Kress Monday, Feb. 7, overpowering their opponents on the Kress court, 57-27.

The Steerettes took the lead in the first half with a halftime score of 28-12 and continued to rack up the points as the game progressed, winning the match 57-27.

Suzahn Inman and Lezlie Castleberry led the scoring with 16 points each; Cynthia Ancira made 12; Jennifer Williams, 6; Kelly Davis, 4; and Sandra Coates, 3.

"We played good and shot the ball well from the floor. We also shot the free throws well in the game," said Coach Joiner.

The Steerettes played Bovina

### Pep Rally Set At Farwell Gym

Farwell school has scheduled a final game pep rally today (Friday) at 1:55 p.m. in the gymnasium.

Seniors on the varsity boys and girls basketball teams will be honored during the pep rally in special recognition of their last high school basketball games, according to Kay Stanton, Student Council sponsor.

All parents and fans are urged to attend the rally and cheer the Steers and Steerettes on to victory in their last games of the season tonight when they host Springlake-Earth.

# Farwell Jr. High Results

Farwell junior high boys teams traveled to Springlake-Earth Monday, Feb. 7, bringing home one victory and one loss.

The 8th grade boys took an easy win over their hosts with a final score of 40-14.

Jody Ketcherside was top scorer with 12 points; David Woods and Danny Rubio each made 7; Steve Lara, 6; and Carey Stancell, Roy Perales, Erik Burton, and Homer Anzaldua, 2 each.

Coach Lupe Valdarez commented on the game: "As for the season, it was fun, especially at the end when we went undefeated in our final six games. Our district is pretty tough. We have Hart, Olton, and Bovina, and each team could have easily beaten any 2A or 3A team.

"We lost four district games and ended with an 11-6 overall record. Jody was the 8th grade MVP, but at the same time, I would have to include Danny Rubio. Both kids contributed to our fine season. We must also include the following kids for their contributions: Roy Perales, Carey Stancell, Erik Burton, David Woods, Steve Lara, Devin Vaughan, etc. . . . and the list can go on and on. The team, if it stays together, will have some success in the near future. Farwell's boys basketball program is on the rise.

"I see great things for the boys' program on down the line, as long as the fine coaching staff stays with them.

"The game against Spring-

lake-Earth was slow at the start. They had me scared at first. But once we get rolling we can be awesome. Jody Ketcherside did a good job on defense and offense. Danny Rubio, David Woods, Devin Vaughan, and Steve Lara were the main reasons for us being able to pull away from a very stubborn Springlake - Earth team. I am real glad to have had the opportunity of being around the junior high boys from Farwell, Texas."

The 7th grade boys also played at Springlake-Earth, but got off to a slow start and lost the game 22-13.

Joe Jaime led the scoring with 9 points, and Damon George and Ralph Galvan each made 2.

"The season was long and exciting for the kids. Our overall record was 5 wins and 6 losses against tough teams from our district. Joe Jaime was great all year long. I would have to say that he was our MVP for the year. Damon George, Boney Nicolas, and David Moseley did fairly well in our successful season. Ralph Galvan and Steve Gerles both played their part and both were able to help us during the season.

"It was a great honor to have coached this bunch. As for the game, turnovers killed our chances against Springlake-Earth. The game was close, even though the final score says different. Great year, kids," said Coach Lupe Valdarez.

# Legal Notices

**NOTICE OF SALE**  
STATE OF TEXAS  
COUNTY OF PARMER

By virtue of a writ of execution issued out of the 181st Judicial District Court of Randall County, Texas, on a judgment rendered in said court on February 1, 1978, in favor of BUNNETT/SMALLWOOD & CO., d/b/a CORBIN TRAILER SALES, and against MONTY K. WITNESS MY HAND this 27th day of January, 1983.

**NOTICE BY PUBLICATION**  
State of Texas  
TO: Jerry Lee Crenshaw, Respondent,  
GREETINGS:  
YOU ARE HEREBY COMMANDED to appear and answer before the Honorable District Court, Parmer County, Texas, at the courthouse of said county in Farwell, Texas, at or before 10 o'clock a.m. of the Monday next after the expiration of 20 days from the date of service of this citation, then and there to answer the petition of Victoria Marie Crenshaw Jones, Petitioner, filed in said Court on the 19th day of January, 1983, against Jerry Lee Crenshaw, Respondent, and said suit being number 5246 on the docket of said Court, and entitled "In the Interest of Cynthia Ann Crenshaw, a Child," the nature of which suit is a request to terminate the parent-child relationship. Said child was born the 28th day of November, 1971, San Bernardino, California.

The Court has authority in this suit to enter any judgment or decree in the child's interest which will be binding upon you, including, but not necessarily limited to, the termination of the parent-child relationship, the determination of paternity, and the appointment of a conservator with authority to consent to the child's adoption.

Issued and given under my hand and seal of said Court at Farwell, Texas, this 20th day of January, 1983.

Marjorie Watkins  
Clerk of the District Court of Parmer County, Texas.

Published in the State Line Tribune, January 28, Feb. 4 and 11, 1983.

MONTY K. CORBIN in and to the above-described property will be offered for sale and sold at public auction, for cash.

WITNESS MY HAND this 27th day of January, 1983.

/s/ M.C. Morgan, Jr.  
Sheriff, Parmer County, Texas  
Published in State Line Tribune Feb. 4, 11, 18, 1983.

**NOTICE TO BIDDERS**

In compliance with Article 2544, Vernon's Annotated Statutes, notice is hereby given that Parmer County Commissioners at their regular meeting on February 28, 1983, will select a depository bank for Parmer County funds and Parmer County school funds for the next two-year period, and invite all banking institutions in Parmer County to submit bids to the County Judge, at the courthouse, Farwell, Texas, not later than 11:00 A.M. February 28, 1983, to act as said depository for the above stated period.

Given under my hand this 1st day of February 1983.

Porter Roberts  
County Judge  
Parmer County, Texas

Published in the State Line Tribune Feb. 4, 11, 18, and 25, 1983.

## TWO MINUTES WITH THE BIBLE

BY CORNELIUS R. STAM, PRES. BEREAH BIBLE SOCIETY CHICAGO, ILLINOIS 60643

"BUY THE TRUTH AND SELL IT NOT" (Proverbs 23:23)

Every true Christian should understand that the truth costs. If you don't think so, make it your own, value it, defend it, stand for it, and see if it doesn't cost. Before you are through it may cost you far more than you had thought—hours of ease and pleasure, friends and money. Yes, the truth costs. Salvation is gloriously free but the truth costs—that is, if you want it for yourself. Many who know the truth won't buy it. They could not pay what it costs to say: "This is what I believe. This is my conviction." The truth isn't worth that much to them.

But God's Word urges us: "Buy the truth!" Not "Buy it if you can get it at a bargain; if the price is not too great." No, "Buy the truth!" Buy it at any price. It's far more valuable than anything you can give in exchange for it.

And when you have bought it—"Sell it not." How many, alas, have bought the truth only to sell out again. For awhile they valued and defended some God-given light from His Word, but presently they sold it again for something that seemed more valuable. Perhaps it was peace with others, or position, or popularity, or some other temporal gain. They still gave mental assent that it was the truth, but it formed no part of them. It was no longer a conviction. Such should read again the Spirit's counsel: "BUY THE TRUTH, AND SELL IT NOT." He does not say: "Don't sell it unless you can get a very good price for it." He says: "Sell it not." Sell it not at any price. Buy it, no matter how much it costs, and when it is yours do not sell it for any price or under any consideration.

It is because the truth is so little valued in this indifferent age that many of God's people have become so spiritually powerless. They hold opinions instead of convictions, because the infallible, unchangeable Word of God is given little place in their lives. But God uses those who "buy the truth and sell it not."

# Vegetable Conference

## To Update Growers

Progress in transportation and labor relations in the Texas vegetable industry, increasing market demand for High Plains red potatoes, use of computers, and new production practices for onions and potatoes will highlight the 1983 West Texas Vegetable Conference in Hereford Tuesday, Feb. 15.

The educational conference begins at 8:30 a.m. at the Hereford Community Center, 100 Avenue C at Park Avenue, and runs until 4:00 p.m. The \$5 registration covers the cost of a barbecue lunch and conference materials.

Co-sponsors with the High Plains Vegetable Growers and Shippers Council are the Texas Agricultural Extension Service, the Deaf Smith County Vegetable Crops Committee, the Texas Agricultural Experiment Station and Texas Tech University.

"The program deals with major concerns of High and Rolling Plains vegetable growers, from the newest potato and onion varieties, to short run partial budgeting techniques and the application of computers to accounting and problem solving for the vegetable grower and shipper," said Dr. Roland Roberts, Extension vegetable specialist.

"Transportation and Labor, Challenges for the Texas Vegetable Industry" is the title of the keynote address. It will be given by Bill Weeks, executive vice-president of the Texas Citrus and Vegetable Growers Assn. in Harlingen.

Dr. John Downes and Carl Alspaugh, vegetable scientists with Texas Tech University, will report on research involving weed control in onions and the nitrogen and irrigation of potatoes. Vegetable researchers Dr. William Lipe and Doug Smallwood of the Texas Agricultural Experiment station, will discuss their research with drip irrigation of wide bed onions and new high performance potato varieties.

Onion growers will see the latest in mechanical harvest-

ing equipment on display and can visit with the seed, chemical and machinery dealers serving the growing onion industry.

High yield and quality of the newest onion hybrids grown on the High Plains will be shown by Roberts. Dr. Gary Condra, Extension management economist, will demonstrate the technique of partial budgeting in short run vegetable production planning.

Joe Rabb, a leading onion harvester engineer and President of AG-ONE of Emmett, Idaho, will report on the newest advances in mechanical harvester design and performance.

Marvin Sartin of Ag Computer Services in Amarillo will demonstrate the adaptability of some of the newest computer techniques equipment adapted to the requirements of the vegetable industry.

Texas Department of Agriculture marketing specialist Mark Schnabel will report on the work that his department has done to increase consumer demand for High Plains potatoes and onions.

### A&M's AFROTC unit receives award

COLLEGE STATION — The Air Force ROTC detachment at Texas A&M University has been presented one of the Air Force's Outstanding Unit Awards.

The Texas A&M unit was selected from among 150 units for exceptionally meritorious service. Only nine other programs in the country were recognized.

The unit was commended for its use of "innovative" techniques in recruiting, coupled with "sound academic instruction" which have allowed the unit to become "the largest producer of commissioned officers for the Air Force Reserve Officers' Training Corps in the nation."

Icy Wonderland

Old Man Winter was still making his presence felt in the Twin Cities as late as Sunday morning when all the trees and shrubbery in the area wore a heavy coat of ice. As the sun hit the limbs and branches, it seemed like the trees were

wearing thousands of diamonds and other glittering baubles. Protected areas still had traces of last week's snow at midweek; however, most of the white stuff had by that time been turned into a watery, muddy form.

The two points in the 50 American states which are farthest apart are Log Point, Elliot Key, Florida and Kure Island, Hawaii. There's 5,852 miles between them.

# PIK Deserves Careful Consideration

Whether or not a farmer decides to participate in the new payment-in-kind (PIK) program this year depends entirely on his individual situation, says an economist with the Texas Agricultural Extension Service, Texas A&M University System.

"Each farmer has got to assess his own operation and his current financial situation, and he's got to 'put the pencil' to all the different parts of the program as they apply to his business," says Dr. Ron Knutson. "There is no substitute for working through the program and making all the calculations you possibly can at this point."

The Extension Service has prepared a special worksheet that can help farmers with their calculations. The worksheet is available through county Extension agents.

County ASCS officials will be administering the program and should have the latest information available as it comes from the U.S. Department of Agriculture.

Changes are still likely regarding various details about the program, since the USDA

has until Feb. 25 to issue final regulations. The signing deadline for farmers is March 11.

"Farmers need to know their variable costs, which are crucial in determining participation in PIK," emphasizes the economist. "If a farmer is just covering variable costs in his crop production, participation will likely pay."

Of course, farmers need to be sure to consider deficiency payments when they're making their calculations, emphasizes Knutson. Such payments are based on the difference between target prices spelled out in the farm program and actual average market prices. These payments could be substantial this year, particularly for wheat and cotton. However, deficiency payments can be made only on planted acres, so this makes participation in the PIK program less attractive.

"If a producer has a tight profit margin, he's a good candidate for participation in the program," believes Knutson, "while participation might be questionable for a farmer with a wider profit margin."

The program should also be

advantageous to farmers with high operating costs and to those with marginal cropland. Farmers with low yielding land might consider putting more of it in the program, suggests the economist.

"Although it's extremely difficult to generalize about the program, we generally feel that corn and grain sorghum farmers will find it advantageous to participate except in those areas where they have sunk considerable expenses for herbicides and fertilizer into the land in preparation for planting (mainly southern and coastal areas)," Knutson says.

"Cotton farmers will need to look closely at their operating costs in making a decision while wheat farmers may find it difficult to participate at any level. Rice growers will need to consider participating at the 80 percent or higher level."

Basically, the PIK program is designed to take cropland out of production and to pay participating farmer with sur-

plus commodities, many of which are in government storage. Payments would be in like commodities — a cotton farmer who participated would be paid in cotton and a corn farmer would receive corn, for example. The farmer can dispose of the commodity in any way he sees fit other than putting it back in government storage.

"In other words, the program is aimed at reducing farm product surpluses and eventually raising prices," says Knutson. "Just what effect it will have on prices depends on a lot of things, such as the degree of farmer participation and possible major foreign sales."

PIK commodities will first become available in the fall, at which time market prices could soften, particularly if farmer participation in the program is low.

# STATE LINE TRIBUNE

**Changing Face Of West Texas**

An aerial view of the Charles Brillhart Ranch near Spearman [top] shows 3-row windbreaks which are recommended by the Texas Forest Service in the Panhandle. Wider spacing allows for growth and easy maintenance [bottom]. Several varieties of windbreak tree seedlings are still available for the 1982-83 planting season, which ends in late March.

**Windbreak Tree Seedlings Still Available For West Texans**

Some species have been sold out, but it is not too late for West Texans to purchase several varieties of windbreak tree seedlings from the Texas Forest Service. The Service's West Texas Nursery in Lubbock still has three varieties of conifers and five types of hardwood seedlings available for the 1982-83 planting season, which ends in late March. According to Bob Fewin, silviculturist at Lubbock, the conifer species still available are Austrian pine, ponderosa pine and redcedar. These 6- to 12-inch pine and cedar seedlings are grown in individual cells, 30 cells to the Styrofoam container. A minimum order is 30, or in multiples of 30, for \$30 per 30 trees plus sales tax. The containers are 12 inches wide by 14 inches long, by 8 inches deep, and several containers can be easily transported in the back seat of a car or pick-up cab. The hardwood seedling species still available include:

green ash, honeylocust (thornless), native plum, Russian olive and mulberry. The hardwoods are sold in minimum lots of 100 for \$25 (plus sales tax and shipping costs). The West Texas Nursery grows windbreak seedlings for a 60-county High Plains and Panhandle area, north of Big Spring and west of Wichita Falls. Fewin said the hardwoods may be shipped, but the containers in which the conifer seedlings are grown are not designed for shipping and these should be picked up at one of four distribution points, each of which will be open from 8 a.m. to 5 p.m. on day of distribution. Planters in a 12-county area surrounding Knox County may pick up their orders at the Texas Agricultural Experiment Station (TAES) Vegetable Research Center at Munday, Texas on March 1. Residents of a 16-county South Plains area around Big Spring can pick up their seedlings at the USDA Experiment Station on Interstate 20 at Big Spring on March 3. On March 8, planters in a 20-county Panhandle area around Amarillo can pick up their seedlings at the Soil Conservation Service office at 1416 West 8th Street in Amarillo, and on March 10, resident applicants from the 24 counties surrounding Lubbock can receive their conifer seedlings at the TAES Experiment Station on FM Road 1294 in Lubbock. The hardwood species are bare root seedlings, Fewin said, and can be shipped by normal freight methods. West Texans interested in planting trees for homestead, feedlot, field or wildlife windbreaks, should write for seedling applications: West Texas Nursery, Texas Forest Service, Rt. 3, Box 216, Lubbock, TX 79401, or call 806/746-5801. Windbreak planters may not use these seedlings for landscaping or ornamental purposes. Fewin said the seedlings would be sold on a first-come basis until the end of the current planting season, or until the supply is exhausted.

**Airman Promoted**

Larry D. Jones, son of Tyree and Norma J. Jones of Springfield, Mass., has been promoted in the U.S. Air Force to the rank of technical sergeant. Jones is an aircraft armament technician at Charleston Air Force Base, S.C., with the 87th Fighter Interceptor Squadron. His wife, Karen, is the daughter of Lewis Foster of Texico and Zelma L. Foster of Farwell.
