Houston Livestock Show Said To Be Biggest Ever

More than 80 youth from Farwell and Lazbuddie FFA chapters and from Parmer County 4-H clubs will be participating in the 1983 Houston Livestock Show and Rodeo, February 19 - March 6. With more than 30,000 expected livestock entries, the Houston Livestock Show is once again the world's largest.

"Our 1983 Show is going to be another spectacular event," noted Show President E. Norwin Gerhart. "With the combination of the finest livestock found anywhere, thousands of hard-working 4-H and FFA exhibitors, an exciting championship rodeo in the Astrodome, and 17 of the biggest names in the entertainment world to perform here, the Houston Rodeo in 1983 just can't be beat!"

Stars for the 1983 Rodeo include Kool and the Gang, Mel Tillis, Merle Haggard, Hank Williams, Jr., Lacy J. Dalton, T.G. Sheppard, Rosanne Cash, Eddie Rabbit, Conway Twitty, Sylvia, Ricky Skaggs, Janie Fricke, Don Williams, Crystal Gayle, Larry Gatlin and the Gatlin Brothers Band, Charley Pride, and the Oak Ridge Boys.

"We know that the Houston Show is an annual family event for fans from all across the state," said Gerhart. "And, it's still as affordable as ever, with ticket prices remaining at \$4.00 and \$8.00, just as they were in 1982."

Attending the Houston Livestock Show is a traditional event for fans and exhibitors alike. Renowned as the most prestigious event in the livestock industry, the Show attracts the finest livestock in both the open and junior show divisions. And, with more than half a million dollars in prize money and premium auction prices above market value, the Show once again offers exceptional rewards for all the hard work involved in raising an animal to win a blue ribbon from Houston.

However, the 1983 Houston Livestock Show and Rodeo is truly an educational and entertainment spectacular with a two-week schedule of events to appeal to everyone. In addition

to the livestock show, there's the National Cutting Horse Association World's Championship Finals, a world's championship rodeo, a host of exciting contests that kick off Go Texas Days in fun-filled fashion, and the rodeo parade to lead things off.

On February 19, the first weekend of activities begins in grand style with the rodeo parade at 10 a.m. through downtown Houston. This parade, with more than 6,000 riders, colorful floats, bands and dignitaries, gets everyone ready to Go Texas.

The world's championship bar-b-que contest celebrates its tenth anniversary this year, highlighting two days of colorful and crowd-pleasing contests. These include men's and ladies' hay-hauling contests, three fiddlers contests, a whistler's contest, and two days of horseshoe pitching tournament action. There's even a spectacular fireworks display on Saturday night!

At the horse arena, the National Cutting Horse Association World's Championship Finals will take place, February 17-20. The finest cutting horses will compete for the title in open and non-professional divisions, hoping to

capture glory, as well as a part of the biggest added money cutting purse ever. Tickets to this event are separately priced at \$6.00 each and may be bought through the rodeo ticket office.

Monday, Feb. 21, marks the start of actual competition in the world's largest livestock show. The first week is devoted primarily to open show competition, drawing professional breeders and ranch owners from some 35 states to show the best in breeding beef,

dairy, swine, poultry, sheep, Angora goats and rabbits. There is some junior competition this week as well - breeding sheep and goats and the junior dairy show.

The Horse Arena is filled from February 17 through March 6 with more than 3,000 horses entered in nine shows, including the NCHA world's championship finals. To accommodate all the horse entries, competition here begins earlier than ever.

Hospital District Board Slates Election April 2

Five persons are to be elected to the Farwell Hospital District Board at an election set for Saturday, April 2. Ballots will be cast at the county court room of the Parmer County Courthouse from 7 a.m. to 7 p.m. on that date.

Board members whose terms are expiring include Claude "Pudge" Rose Jr., LaMoin Williams, Doyle Johnson, Jimmie Mace, and Mike Norris. Persons wishing to file for a place on the ballot should con-

tact Judy Dollar, Hospital District secretary, at the Farwell Clinic, 301 Third Street, Farwell, or call her at 481-3336.

Deadline for filing for a position is Wednesday, March 2, at 12 p.m., says Mrs. Dollar. Absentee voting will be from Monday, March 14, through Tuesday, March 29. Absentee ballots must be cast at the office of Bonnie Warren, county clerk, during regular office hours during the above dates.

Deadline Approaches For Getting Names On Ballots

Deadline for applying for application for places on the ballots in the Farwell City, Farwell School Board, Farwell Hospital Board, and the Lazbuddie School Board elections is rapidly approaching as no applications will be accepted after Wednesday, March 2. The elections are set for Saturday, April 2.

Those persons having already had their names placed on the ballot for the Farwell School Board trustee election are Richard Haseloff, incumbent; Steve Pierson, Eunice Schilling, Diane Atkinson, and Mark Williams. These persons

were nominated by a committee and will be vying for two, three-year positions on the school board.

Jerry Monk, incumbent, is the only person to have his name put on the ballot for the Farwell city trustee election. There will be two councilmen positions open as well as the office of mayor.

Judy Dollar, Hospital Board secretary, reports that two persons have signed up for places on the ballot in the Farwell Hospital Board election. They are Doyle Johnson and Jimmie Mace, incumbents. In the Lazbuddie School

Board election, three have signed up for positions on the trustee ballot. Glenn Lust, incumbent; Harrol Redwine, and Kenneth Russell will be completing for the two, three-year terms open.

Absentee voting for all the elections will begin Monday, March 14, and will conclude March 29. Those wishing to vote by absentee ballot may do so at the superintendent's office at Lazbuddie, at city hall for the Farwell city election, and at the county clerk's office for the Farwell Hospital Board and Farwell School Board elections.

Lady Wolverines Advance To Regional Tournament

Texico Lady Wolverines, who finished in second place in District 6-A standings, advance to regional tournament play tonight (Friday) at Melrose.

The Green and White charges of Coach Roy King will face Grady, champion of District 7-A, in a game starting at 8 p.m. MST.

The first game of the evening will pit the Melrose Lady Buffaloes, District 6-A champions, against the Logan Longhorns, District 7-A runner-up. That game is set for 6:30 p.m. tonight.

Winners of the two Friday games will meet for the regional championship Satur-

day night at 8 p.m. The New Mexico Girls Class A State Tournament will be March 3, 4, and 5.

Texico defeated Floyd and Tatum in the district tournament last week at Melrose before falling to the district champion Lady Buifs Saturday night, giving the Wolverines the runner-up title in District 6-A.

*** The Wolverine boys, under the tutorage of first year head coach, Scott Parker, were to enter district tournament action Thursday night at Elida. The Wolverines tied for the top seeding in the district with

Elida, but lost on a coin toss to decide the first and second places; thus Elida, the top seed, hosts the district tournament semi-finals and finals.

First round action was played Tuesday night when Floyd defeated Tatum, and Melrose beat Dora. Floyd and Melrose were to play Wednesday night in second round action, and the Wolverines were to meet the winner of that game Thursday night at 7 p.m. The winner of Thursday night's game will go into the finals against Elida Saturday night at 7 o'clock.

Regional action for the winners will be March 4-5.

To District Tournament

Texico Wolverines are headed into action in the District 6-A tournament to determine teams going to the regional playoffs next week. Texico was to play Thursday night, facing the winner of Wednesday night's

game between Melrose and Floyd. Team members are, from left, front row: Assistant Coach Mike Littlejohn, manager Elias Orozco, and Head Coach Scott Parker; second row: Kevin West, Lynn Tubbs,

Billy Bibbs; third row: Joe Steward, Tobin Tate, Earl Bibbs; fourth row: Scott Elliott, Terry Tubbs, Bob Johnson, Regan Williams, Brad Steward, Danny Reid. [Texico School Photo]

Two Friona Men Jailed On Burglary Charges

Two men were arrested by Friona Police Department officers Monday, Feb. 21, for burglary of a motor vehicle. Humberto Romarez, 30, and Refugio Navarrete, 21, both of Friona, are being held in the Parmer County jail in lieu of \$7000 bond each, pending Grand Jury investigation.

Parmer County Sheriff Bill Morgan also reports that Craig Lookingbill, 20, of Friona, was arrested by Bovina Police Department officers Saturday, Feb. 19, for criminal mischief.

He is out on \$500 bond pending County Court action.

William McTaggart, 41, of Las Vegas, Nev., was arrested by Jim Bishop, Texas Highway Patrol officer, Saturday, Feb. 19, on a charge of DWI. He is out on \$500 bond pending County Court action.

Also reported to the Parmer County Sheriff's office this week was the theft of four speakers and an equalizer taken from a pickup belonging to Mark Anderson of Farwell during Thursday night, Feb.

17. The theft was reported Friday and the estimated value of the merchandise is \$550.

On Saturday, Feb. 19, Lee Hutchins of Farwell reported a break in at his business sometime the preceding night. Taken from the place of business was a Soundesign AM-FM stereo system.

John Mitchell of Lazbuddie reported Monday, Feb. 21, that a loading chute had been taken from his property northwest of Lazbuddie. Estimated value of the loading chute is \$800.

Little League Slates Meet

It's time once again to get the summer Little League program organized for Texico and Farwell youngsters.

A meeting will be held Tuesday, March 1, 7:30 p.m. CST at Luce's restaurant in Texico. ALL parents and interested persons are urged to attend this meeting.

Last summer the program involved over 180 youngsters from age 6 to 12 who played locally and 12 boys aged 13-15 who played in Clovis in the Senior League. Boys and girls aged 6-8 are eligible for the T-Ball program; ages 8-10 can play on Peewee; and ages 10-12 can play Little League. You must not have had your 13th birthday before August 1, in order to play this summer. The Senior League is for boys aged 13-15, and more parent support is needed if this team is to play this summer.

If you are interested in being a coach, umpire, or otherwise helping with this program, please attend this meeting or call Vernon Thigpen, 481-9355.

Finger Lickin' Good

"Pudding, you can eat it and paint with it, too," say Brian Dickman, left, and Jeremy Stanton, members of Marcia Cole's kindergarten class at Farwell. The students had a

new experience Friday, Feb. 18, as they did their finger-painting with chocolate pudding. "They can use all five of their senses with the pudding. It can be heard, smelled,

touched, seen, and tasted," said Mrs. Cole about the project. After the pudding paintings were allowed to dry, the students took them home to their parents.

Last Saturday we were privileged to sit in on a short talk by U.S. Representative Charles Stenholm of Texas. He is currently the chairman of the Conservative Democratic Caucus also known as the "Boll Weevils." Stenholm says their conservative caucus is alive and well, thank you.

This welcome news bodes good for the country as they, along with the more conservative Republicans, will still be a moderating influence on the Tip O'Neill liberals.

Among other issues Stenholm spoke of Social Security and how he believed the recent bi-partisan so-called solution to the SS financial problems was akin to slapping a band aid on cancer. Stenholm presented a very logical and practical solution to the problem. He advocates setting the minimum age for retirement back one month for each year during the next 36 years.

A person now age 55 would have to be age 65 plus ten months to begin drawing benefits. A worker age 35 would have to be age 65 plus 30 months or 67½ to get benefits. However, that individual would have 30 years to plan and prepare for the extra two and a half years of retirement. All together this adjustment in retirement age seems not only logical but necessary. Since the inception of SS the average age of all Americans has risen dramatically, and age assumptions prior to 1937 are hopelessly out of touch with today's reality.

The collection of a payroll tax to finance Social Security was begun in 1937. The initial rate for employee and employer was one percent on the first \$3,000 of earnings. Since then, and get this, Congress has revised the funding more than 20 times.

Never content to let well enough alone, and even before the first check was issued, the original SS act was expanded to make a worker's dependents and survivors eligible for monthly benefits. Thus it was known as the Old Age and Survivors Insurance (OASI) program.

A Disability Insurance (DI) program was added in 1956 and later amended to provide benefits for disabled workers and their dependents. Also in 1956, an early retirement age of 62 was authorized for women at reduced benefits. The early retirement benefits were made available to men in 1961. A comprehensive Health Insurance (HI) program or Medicare was added in 1965, and the race was on.

It gathered steam when in 1975 the first Cost of Living Adjustment, (COLA) took effect. COLA's, which are based on price increases measured by the Consumer Price Index (CPI), increase benefits annually.

In 1982, 116 million workers paid into the system and approximately 36 million individuals received benefits. A very unhealthy ratio of workers to recipients. Currently the payroll tax is 6.7 percent of wages up to \$35,700 and 9.35 percent on the self-employed. This schedule goes up in 1985, 1986, and 1990 to reach 7.65 on employees and employers with the self-employed hit at a rate of 10.75 percent.

This is the schedule that the brilliant commission recommended be accelerated. If that doesn't kill the job market then Tip O'Neill's 'make work' legislation will.

As you can see Congress has run up a consistent record of complete fiscal irresponsibility in handling Social Security. Now is the final time for a reasonable solution and Stenholm seems to have the right one.

Houston Show . . .

(Continued from Page 1)

During the second week, junior show exhibitors take over the vast exhibition facility. Traditionally accounting for more than 65 percent of all show entries, the Astrohall is filled to capacity with the results of hard work by youngsters who have their hopes set high at Houston. While junior show competition includes breeding stock, commercial steers and dairy animals, the real spotlight is on the market divisions, where a grand champion can mean an education or a future in agriculture.

The Houston Show holds the world's record for prices paid for all grand and reserve grand champions in each of its five market divisions. With the 1982 Grand Champion Steer bringing \$127,000, it's easy to see why Houston is the place to be.

Community support, volunteer action and civic involvement assure that junior exhibitors will receive prices above market for their animals which make the premium auctions. These same individuals and businesses also donate \$600 calf scramble certificates for the winners of scramble heifers in the Astrodome's exciting contest.

Across the street at the rodeo in the Astrodome, action is fast and furious as the top professional cowboys and barrels racers pit their skill against the clock and the roughest, toughest rodeo stock anywhere.

"Do you really have that much confidence in them?"

"Sure do. Can't beat them for the way they yield and stand up in the weather. And that XL-73 produces top-quality grain every time."

"Sounds good to me. But do you have any kind of performance data?"

"Right here. And take a look at T1230 while you're at it. It's another consistent hybrid you'll want to try."

Troop 439 Boy Scout News

by Jim Gump, Scoutmaster

Mulligan Stew: Held February 19. It wasn't the best day of the year, and, of course, it wasn't the worst either. The wind, rain, and cold didn't seem to dampen the spirits of the boys or their activities at Oasis State Park at the 23rd Annual Mulligan Stew.

All the boys had a great time. The Amarillo Gun Fighters were quite a highlight to everyone, young and old, especially the Boy Scouts and the Cub Scouts. Also, I'm very pleased to say that some of our boys of Troop 439 will be pictured in Boys Life Magazine in one of the upcoming issues. Jim Cowan, District Scouting Executive, said he is very pleased with our program and troop. Our boys sure are the cream of the crop as all the Boy Scouts are. Our troop has been highly complimented by the district officers and the council officers.

The Mulligan Stew, which was served about 4 p.m. MST, made the day. My sincere appreciation to the parents who helped provide transportation for our Boy Scouts. They were Lupe and Mary Garza and Phyllis Coburn. Pictures were taken and are being developed at the present.

We have three boys who have completed all the necessary requirements and have

earned Tenderfoot badges. They are Paul Longley, Jimmy Gump, and Frank Gump.

The decision has been made to keep the cost down for the boys, the parents, and Troop 439 treasury, that the uniform at present consist of a short sleeve Scout shirt, neckerchief, visor Scout cap, and webbed Scout belt, of which the troop treasury will pay \$10 per boy to help the boys and parents with the cost.

Our Scout Troop 439 is looking for any and all odd jobs the boys can do to earn money for scouting projects, and camping and hiking equipment. If anyone has any odd jobs, I, as well as all the boys, will appreciate the work. Please phone Jim Gump at

481-3622, or come by 210 8th Street.

Camping gear, canteens, sleeping bags, back packs, compasses, tents, axes, saws, shovels, cooking utensils (metal), cooking stoves, lanterns, knives, forks, spoons, can openers, bugle, ground cloths, air mattresses-any and all types of camping gear is badly needed. Anyone wishing to donate any of the above items or any others, please contact Jim Gump, Scoutmaster, at 210 8th Street, Farwell, or phone 481-3622 after 5:30 p.m.

We also need a New Mexico state flag, and odds and ends pieces of cloth for a scouting project. Any donations of the above items will be greatly appreciated.

Lesson Series Set At Church Of Christ

Carlsbad.

Ralph Gates, minister of Farwell Church of Christ, cordially invites everyone to this series of lessons.

The lessons will be at 10 a.m. and 7:30 p.m. weekdays and will be titled "Love Is Not Easy." Sunday services will be at 10 a.m. and 6 p.m.

Texico Schools Teachers Of The Month

IMA GENE SWINNEY

KENDALE BURCH

The Texico Student Council is honoring Mrs. Ima Gene Swinney and Mrs. Kendale Burch as teachers of the month.

Mrs. Swinney, who is in her tenth year of teaching, all of them at Texico, has a master's degree in special education from ENMU. In addition to special education, Mrs. Swinney is teaching a junior high social studies class. She enjoys reading, traveling, and cake decorating. She has one daughter, Linda Poole of Amarillo.

The home economics instructor and FHA/HERO sponsor at Texico for 12 years, Mrs. Kendale Burch also serves as the senior class advisor. She holds a BS degree from New Mexico Southern University. In addition to her high school home economics classes, Mrs. Burch is teaching a junior high exploratory home economics class and a junior high New Mexico history class. She has one daughter, Codie, a seventh grader. Mrs. Burch enjoys participating in her church choir program, cake decorating, sewing, painting, and club work in the Beta Sigma Phi Sorority.

Commissioners Court Has Routine Session

Routine business matters were attended to at the February 14 meeting of Farmer County Commissioners Court.

Court orders were received from the 28th District Court hat a guardian ad litem and an attorney ad litem had to be appointed for some Farmer County children in two separate hearings to terminate parental rights on those children. The court approved payment of these items in the amount of \$75 for each hearing.

Other items also approved for payment included the annual dues assessment to the Ninth Administrative Judicial District in the amount of \$350; a bill for work done in moving an underground tile line on proposed FM Road 3333 in the amount of \$5,853.94; boarding care bills for county foster children in the amount of \$1,307.50 (this money will be reimbursed to the county); and a subscription to updates of "Information Guide to County Government" in the amount of \$45. A motion was also passed that a discharged deputy be paid until the end of the month.

A bill was received from the Panhandle Alcoholic Recovery Center for 1983 dues in the amount of \$1,103.80; however, since all of Farmer County's Mental Health and Alcoholic commitments go through the

Central Plains MH/MR Center of Plainview, this item was tabled without further consideration.

Consideration has been asked of the court by Bailey County in helping pay the expenses over the state set amount for the Juvenile Probation officer. County Judge Porter Roberts is to get more information on this item.

Marjorie Watkins, district clerk, reported that her office was in need of additional storage space. After discussion of alternatives, it was decided that storage space would be added by opening a door into an adjacent vault which had been paneled over, making the vault into a storage area. Approximate cost of the project will be \$831.

It was also voted that the county purchase a new type-writer for the county judge's office and that the machine from that office now being repaired be used by the district court reporter.

After a discussion of bills that would come due on the clearing of the right-of-way for proposed FM Road 3333, a motion was approved that the unpaid bills would be brought to Judge Roberts for consideration by the court.

A request was made by Friona State Bank that \$65,000 of securities that are maturing be released and not replaced. Since the county funds in the bank would still be adequately covered to comply with the law, a motion was approved that these securities be released.

Anselmo Martinez, Aurelio Estrada, Codie Burch, Kandy Keeler, Rachel Jaramillo, Mrs. Kendale Burch, Mrs. Juanita Hadley and Jessica, and Gina Piazza.

According to the NHS sponsor Juanita Hadley, other similar trips are planned for coming months.

Patterson-Hansen Vows Exchanged In Clovis

In a candlelight ceremony at the First Church of the Nazarene in Clovis on December 31, Lisa Joann Patterson and Raymond Bruce Hansen exchanged marriage vows. The bride is the daughter of Mrs. Roselynn Patterson of Clovis and Bernard Patterson of Sunnyvale, Calif. The bridegroom is the son of Mr. and Mrs. Larry Hansen of Monroe, La.

Rev. Ray Hawkins performed the double-ring ceremony at an altar centered in front of a 45-branch tree-shaped candelabra holding white tapers and interspersed with light blue carnations. Flanking the setting were two nine-branched candelabra. Pews were marked with lighted votive cups.

Following the ceremony, Karolene Inman of Farwell, longtime friend of the bride, played wedding selections at the organ. After the mothers were seated, Mike Mitchell, pianist, played "Theme From Ice Castles," while the candles were being lit by Chad and Charles Pharis.

After the bridegroom and groomsmen entered the sanctuary, a tape was played, the bride thanked everyone for attending, and then she sang, "You Took My Heart By Surprise."

Mike Mitchell then accompanied Doug and Krista Eigen-

huis as they sang "You And I." The bride's brother escorted her to the altar, and she was given in marriage by her mother and brother.

She wore a formal gown of organza with high neckline, v-shaped yoke that came to the waistline in front and back. It was edged in chantilly lace with re-embroidered lace motifs and seed pearls decorating the yoke and long fitted sleeves. The A-line skirt featured a lace-edged flounce circling the bottom and cascading to a chapel length train.

Her bridal hat featured a small brim overlaid with French Acelove lace decorated with seed pearls and holding her veil of illusion. Her bouquet was a cascade arrangement of light blue and white mini-carnations, royal blue and light blue tiger lilies, white wild field flowers, white mini-roses, white stephanotis, and English ivy, all made of silk. It had lace backing with royal blue and lace streamers. Becky Moore of Lubbock, friend of the bride, designed the bouquet.

In carrying out bridal tradition, for something old she carried a silk handkerchief given to her by her great-grandmother, and she also wore her grandmother's gold wedding band. Her dress and

hat were new; she borrowed her shoes from a good friend, Karen Blosser, and she wore her mother's garter.

The bridegroom was attired in white tuxedo with tails. He wore a white shirt with white satin bow tie and a boutonniere of white rosebud and white stephanotis.

Deanna Rice of Bethany, Okla., former roommate of the bride, served as maid of honor. Bridesmaids were Cathy Buchannan, also of Bethany, and also a former roommate of the bride; Cindy Patterson of Clovis, sister-in-law of the bride; and Kynda Cogdill, life-long friend of the bride.

The bride's attendants wore long dresses of royal blue qiana with white lace yoke and white lace on the edge of the sleeves. They carried nosegays of white carnations, white roses, and light blue carnations encircled with white lace with ribbon streamers of royal blue and white. Their arrangements were also made of silk and were designed by the bride.

Kevin Humphries of Monroe, La., served as best man, and Leland and Mike Hansen, brothers of the bridegroom, and David Patterson, brother of the bride, were groomsmen. They wore silver grey tuxedos with boutonnières of white carnations.

Cheri Pharis was the flower girl. She wore a long dress of royal blue fashioned like those of the bridal attendants. She carried a white eyelet basket filled with royal blue, light blue, and white flowers. The basket was designed by the bride.

Ringbearer was Chet Pharis. He wore a silver grey tuxedo and a white mini-carnation boutonniere.

Lori Pebbles attended the guest book, and Kelly May, cousin of the bride, handed out the scrolls.

While the couple knelt at the kneeling bench, Krista Eigenhuis sang, "We Want To Thank You, Jesus." After the couple had taken communion together and had lighted the unity candle, Phil Pharis played on the clarinet, "We've Only Just Begun."

The bride presented her mother with a kiss and a long stemmed white rose as she entered the sanctuary. As she left, she presented her new mother-in-law with a kiss and a long stemmed white rose.

Following the ceremony a reception was held in the fellowship hall. Donna Pharis was the reception coordinator, assisted by Terry Osborne, Judy Lebsack, and Pauline Campbell. Carole Grey and Lori Pebbles served the cake and punch while Debbie Resch attended the bridegroom's table.

After a wedding trip to Texas, the couple is at home in Manhattan, Kans., where the bridegroom will continue his studies at Kansas State University.

Courtesies extended the couple included a miscellaneous shower given by Karen Blosser in the home of Judy Lebsack; a miscellaneous shower given at the First Church of the Nazarene with Kynda Cogdill, Doris Cogdill, Faye Hutchison, Jo Anne Paul, Margaret Adams, and Marge Thornton as hostesses; and a lingerie shower given for the bride in Bethany, Okla., with Cathy Buchannan and Deanna Rice as hostesses.

- *Description of the heart and diseases
- *Risk factors

- *Exercise

ads, and desserts. After everyone had eaten his fill, games were brought out, and those present enjoyed playing dominoes, cards and other games.

"We were really pleased with the crowd turnout and all aspects of the evening," said a planner of the supper and time of fellowship.

FARM FACTS

You can depend on a fresh, close-at-hand supply of food and fiber the year round in Texas. Each year, an increasing portion of the two and one half tons of food consumed by you and your family is being produced within this state where each farmer can now grow enough to feed himself and 52 others. That's a big increase over 30 years ago when the average farmer produced enough food and fiber to supply ten people.

THE PURPOSE OF THE LAW

"Therefore by the deeds of the law there shall no flesh be justified in His sight..." (Romans 3:20).

It is strange that so many sincere people can so misunderstand God's written Word as to suppose that He gave the law "to help us to be good" or "as a rule of life."

The law was not given to help us to be good, but rather to show us that we are sinners and need a Savior. Romans 3:22,23, says that "there is no difference; for all have sinned and come short of the glory of God." How foolish, then, to look to the law for help. It is not the function of the law to help the criminal, but to condemn him. Thus the Bible teaches that the law was given:

"That every mouth might be stopped, and all the world might be brought in guilty before God" (Romans 3:19).

"For by the law is the knowledge of sin" (Romans 3:20).

"The law entered that the offense

might abound" (Romans 5:20).

"That sin by the commandment might become exceeding sinful" (Romans 7:13).

"It was added because of transgression" (Galatians 3:19).

This leads us to the conclusion: "Therefore by the deeds of the law there shall no flesh be justified in His sight" (Romans 3:20).

This makes sense, for doing a few good things cannot right the wrongs we have done. Good is what we should do, hence should not expect additional credit for it.

But, thank God, "Christ died for our sins" (I Corinthians 15:3) and "by Him all who believe are justified" (Acts 13:39).

"Therefore we conclude that a man is justified by faith without the deeds of the law" (Romans 3:28).

Therefore being justified by faith, we have peace with God through our Lord Jesus Christ" (Romans 5:1).

Lady Wolverines Lose In District

by Robert Meier
Texico Journalism Student

Texico Lady Wolverines participated in the District 6-A tournament, defeating Floyd and Tatum before falling to the Melrose Buffaloes in the championship game.

In the first game, Texico beat the Floyd Broncos by a 42-24 count. The Wolverines outscored their opponents 12-3 in the first quarter and took an 18-9 lead into the locker room at the half. The Lady Wolverines came out and outscored their guests in the third quarter 14-8 and went on to take a 42-24 win for their first round.

Texico was led in scoring by Tammy Powell with 14. Ruth Scott, Cheryl Scott, and Valda Cavallero each scored 6, while Chary Jesko and Karen Snodgrass added 4 points each. Helen Jo Boorman scored 2. Kathleen Briney and Patty Hunt led the Broncos with 8 points apiece.

As a unit, the Wolverines hit 17 of 38 from the floor for 44.4 percent while hitting 8 of 16 from the charity stripe for 50 percent.

The Wolverines pulled 24 rebounds off the glass behind Ruth Scott's 6. Cheryl Scott had 5. Tammy Powell led her team in steals with 8, while Kathy Harrison and Valda Cavallero each had 2 assists.

In the semi-final game of the tournament played in Melrose Thursday night, the Wolverines defeated the Tatum Coyotes 57-48.

Texico hit on quick buckets and took advantage of Tatum mistakes to take a 14-4 first quarter lead. The scoring pace evened quickly in the second quarter, but Texico once again outscored Tatum to take a 30-18 lead at the half.

Texico outscored the Lady Coyotes 14-10 in the third period to hold a solid 44-28 lead, and in the fourth quarter, the Wolverines built up the largest lead of the game, 50-30, with 7 minutes remaining. From that point, Tatum rallied to outscore Texico 18-7 in the final moments, but it was too

little, too late, as the Wolverines took the win.

Texico was led in scoring by Ruth Scott who had 21. Cheryl Scott followed with 14 and Tammy Powell hit for 9. Helen Jo Boorman scored 6; Kathy Harrison, 3; and Valda Cavallero and Karen Snodgrass, 2 each.

Texico hit 29 of 33 from the field for a solid 60.6 percent. At the charity stripe, Texico hit 10 of 10 in the first half for a perfect 100 percent. They cooled down, hitting 7 of 13 from the line in the second half for a game total of 17 of 23 for 73.9 percent.

Ruth Scott took rebounding honors with 15 while Cheryl Scott pulled 14 off the glass as Texico pulled down a total of 37. Kathy Harrison and Ruth Scott each had 3 steals, and Harrison had 5 assists to lead her team in that category.

At the championship game in Melrose Saturday night, the Lady Wolverines found out it was as cold to them inside the gymnasium as the weather was outside as they fell to the Melrose Buffs 37-30.

In the first quarter Texico was held scoreless because every shot they put up was off the rim, in and out, too far, or too long, but none would fall in as Melrose did all the first quarter scoring to take an 8-0 lead.

Melrose built up a 16-0 lead before Texico could get on the board. Texico finally lit up their side of the scoreboard when freshman Helen Jo Boorman hit on an outside jumper from 20 feet away with only 2:56 remaining in the first half.

Texico went on to get 3 more points to trail at the half 18-5.

The Lady Wolverines looked a little more settled in the third quarter as they pulled to within 4 points of Melrose. They outscored the Lady Buffs 12-6, but Melrose held off the Wolverine surge to cling to a 24-17 lead heading into the quarter that would decide the district championship.

The teams fought on even terms in the final period as each squad scored 13 points,

and Melrose took the trophy with the 37-30 tally.

A major factor contributing to the loss along with the poor shooting was the foul situation for the Wolverines. Texico fouled 20 times, giving Melrose 15 free throw attempts for a total of 9 points. The Wolverines were only fouled 12 times, giving them 6 attempts for 4 points.

Lady Wolverine Tammy Powell fouled out of the game with 7:53 to go in the third period, having scored no points in the contest, and Cheryl Scott fouled out with 37 seconds left in the game.

As for the Texico shooting, they hit only 2 of 20 attempts from the field in the first half for 10 percent, but came back in the second half to hit 11 of 37 for a slightly improved 29.8 percent. They hit 4 of 6 free throws for a 66.7 percent.

Texico was led in scoring by Ruth Scott with 12. Cheryl Scott and Helen Jo Boorman each scored 6; and Karen Snodgrass, Valda Cavallero, and Kathy Harrison each scored 2.

Melrose was led in scoring by Rose Rodich who scored 12. Robin Bradley scored 9.

Texico pulled 31 rebounds off the glass behind Ruth Scott's 8 and Cheryl Scott's 7.

The Lady Wolverines are scheduled to meet Grady at 8 p.m. Friday night at Melrose for their first game of regional play.

The other game scheduled for Friday will pit the Melrose Buffaloes against the Logan Longhorns at 6:30 p.m., and the two winners will meet in the regional championship game at 8 p.m. Saturday. All the regional games are to be played at Melrose.
