## Steers Edge Kangaroos

The Farwell Steers edged the hard-hitting Kress Kangaroos Friday night in a 19-18 thriller. The Steers scored twice in the first stanza, only to see the explosive Kress club narrow the lead to 13-12 in the third quarter and take an 18-13 edge in the final period. Gary Erwin provided the winning margin as he scampered 53 yards for a touchdown with 7:02 remaining. Erwin also led the statistics by rushing for 97 yards, followed by Danny Prince with 73 and Barry Williams with 43. Greg Hargrove connected on 8 of 12 passes for 111 yards, four of these completions going to Dean Stovall for 73 yards. The Kangaroos were paced by junior Johnny Jackson with 171 yards and his brother Roosevelt, a senior halfback, who netted 106 yards. The Steers now sport a 2-0 district mark, dropping

Kress to 0-2 in conference play. Dean Stovall returned the opening kickoff 25 yards to the Farwell 37 and play began from that point. Greg Hargrove then engineered a drive that went 63 yards in 17 plays, solely on the powerful running of Danny Prince and Barry Williams. Prince plunged into the end zone from three yards out and Bob Wiman added the extra, giving the Steers a 7-0 lead with 6:11 remaining in the first period of play.

Gary Morgan returned Wiman's kick out to the 33 and Kress went to the offense. A stolid Steer defensive unit had ideas of their own and left Layne Thomas faced with a third and 13 situation. Thomas went to the air and found Dean Stovall waiting, giving Farwell the ball on their own 43. They quickly moved to the Kress 13 on an eight-yard gain by Prince and a 36-yard pass, Hargrove to Stovall. On fourth and five, Hargrove found Stovall in the end zone for the TD. The kick went wide and Farwell led 13-0 with 2:14 remaining.

The Steers' rugged defense again denied the Roos the needed yardage and fielded the ensuing punt on their own 29. Farwell again went on the move, pushing to the Kress three in 14 plays. Roosevelt Jackson denied the Steers another tally as he picked off a pass in the end zone, giving Kress possession on their four. They moved out to their 25 where Rosie continued to be a thorn in the Steers' side as he nearly went all the way, sprinting 57 yards to the Farwell 18. On the next play, QB Layne Thomas found daylight and scampered into the end zone. The kick went wide and the Steers lead was narrowed to 13-6.

Stovall returned the kick 41 yards to the Kress 42. The Steers moved to the Kress one-yard line, but were again denied the touchdown as Mike Terrell fell on a Steer fumble on the two. Time ran out in the first half with Farwell holding a seven-point lead.

The second half action began as neither defensive unit would allow a deep penetration and punts were exchanged, giving Kress possession on their own 49 with about six minutes left in the third period. The Kangaroos began to mount a drive behind the powerful Jackson duo as they moved to the Farwell 20 in eight tries. Thomas then found the airways open and drilled Mike Carlisle for six.

The run failed and the Steers maintained a one point edge, 13-12.

The Steers were again unable to move following the kick and were forced to punt, giving Kress custody on the 'Roo 31. Going into the final period, the Kangaroos again went on the move, gaining to the Steer eight-yard line in 11 plays. Gene Sheets ended the threat there as he recovered a fumble on the seven.

Still unable to penetrate an attack, the Steers again gave up the football. On the first play from scrimmage, Johnny Jackson raced 56 yards to paydirt. The pass attempt failed and Kress led 18-13.

Stovall again fielded the kick and returned it to the Farwell 39. Gary Erwin carried for eight yards and then broke the long gain, racing 53 yards to put the Steers back out in front 19-18. The PAT attempt failed. The Steers defensive corps protected their lead for the remaining seven minutes, thwarting two Kangaroo drives to run out the clock.

The Steers will look for their third district win tonight (Friday) as they take on the surprising Vega Longhorns in Steer Stadium. Vega handed Kress their first district loss and came within one point of upsetting the defending district 3-A champions, as Sudan Hornets last week. Vega will prove to be an able adversary for the Steers as they certainly aren't out of contention for the title themselves.

"We have the greatest respect for the Kress football squad," commented Coach Toby Booth this week, adding, "we were indeed fortunate to come back and defeat them in the fourth quarter of play; however, it takes a fine club like the Steers to come from behind and win in the last quarter."

He cited Frank Galvan and Gene Sheets for their fine performances at the rover and safety positions. "The offensive line looked good and the defense also performed well," he said.

**JUNIOR HIGH CHEERLEADERS** -- These six girls, representing the sixth, seventh and eighth grades at Farwell Junior High School, lead the cheering section each week as the Junior High football teams meet their opponents. Cheerleaders, back row left to right, are Bonnie Richardson, Pamela Erwin and Lisa Kittrell; front row left to right are Leslie Norton, Debbie Meeks and Joyce White.

### Texico School --

## Slate Football Homecoming

The Texico High School will observe football homecoming at its final game tonight (Friday) October 31. Game time is 7:30 p.m.

Highlighting homecoming activities will be the coronation of a homecoming queen and a football king. Candidates were selected for the homecoming honors at a special election last Tuesday.

Candidates for queen honors include Susan Murrell and Jan Chumley, seniors; and Vickie Richardson, sophomore. Boys nominated for king honors include Ken Farmer, Ricky Ketcherside and Johnny Dane. The king and queen will be crowned in half-time ceremonies of the Roy-Texico football game. LaWanda Yell, vice-president of the Pep Club, will

crown the king and he will in turn crown the queen. A bouquet of carnations will be presented to the queen by the football co-captains. Co-captains of the team include Ken Farmer, Albert Steward, George Ortiz and Kenneth Askew.

The Texico band will also participate in the homecoming festivities.

### Chili Supper Set

#### At Farwell School

The Farwell senior class is sponsoring its annual chili supper tonight (Friday) October 31, prior to the Vega-Farwell football game. The meal will be served from 5:30-7 p.m. at the high school cafeteria.

Adult tickets are \$1.00 each. Children 12 years of age and under may eat for 75¢. The menu will consist of beans, chili, crackers, pie and tea or coffee.

Tickets may be obtained from any member of the senior class or at the door.

### NOTICE

Announcement has been made by officials at Farwell School that the football game scheduled for this week, October 31, and all games after this date will begin at 7:30 p.m. instead of 8 p.m. This change in game time is necessitated by the change from Daylight Saving Time to Standard Time.

In addition, officials announce that the gates at the football field will open at 6 p.m. instead of 6:30 in order that persons may park their cars inside. This is a 30 minute time change.

**TRICK OR TREAT** -- Tonight is the night when goblins and witches will be abroad in Texico-Farwell and the surrounding area collecting treats or dishing out tricks. This small fairy in the person of Tonya Meeks, four-year-old daughter of Mr. and Mrs. Grover Meeks, advises all area residents to be prepared with plenty of treats for Halloween callers.

### Southwestern Public Service --

## Amarillo Man Named Consultant

Southwestern Public Service Company is expanding its area development department in an effort to offer additional services to communities and industry-seeking organizations in its service area.

The electric company has named Elvin Schofield of Amarillo to the post of industrial development consultant. In his new assignment, Schofield will develop industrial prospects for the service area on the basis of research data showing what types of industries can best utilize the resources, natural and human, of the region. In addition, he will work with the various communities served by Southwestern to help them keep up-to-date the statistical data which is of interest to prospective industries.

Schofield joined Southwestern Public Service Company in Amarillo as a sales representative in 1963. For the past few years he has been responsible for the sales of electric commercial cooking equipment in the com-

pany's Panhandle Division. He is presently serving as secretary-treasurer of the Panhandle Chapter of the Texas Restaurant Association.

A 1959 graduate of West Texas University with a bachelor of business administration degree, Schofield received the Wall Street Journal Student Achievement Award that year as the outstanding WTSU business student. He is a May, 1970, candidate for a Master of Business Administration degree at WTSU.

Schofield is a captain in the U. S. Army Reserve and served for more than 5 years as the commanding officer of the 974th Repair Parts Company, USAR, in Amarillo. He is also a director of the San Jacinto Lions Club in Amarillo.

Southwestern Public Service Company's area development department includes, in addition to Schofield, R. K. Owen, area development manager; and Sam A. Thomas, Jr., agricultural development manager. All members of the department are available to work with the communities and industrial development organizations in the company's four state service area.

### Farmers Union To Meet November 3

Texico Local Farmers Union will meet Monday, Nov. 3, in the Citizens Bank Building in Texico at 8 p.m. (CST).

Capt. A. J. Smith of the State Police Department will give a talk on narcotics. The public is invited.

### Deadline Approaches On Calendars

Mrs. Jack Williams of the Farwell Band Boosters organization announced early this week that persons who might have been missed by workers compiling data for the band calendar and who might wish to have a calendar should contact her before November 7.

All data for the calendars will go to the printer at that time; therefore if any area resident has been missed he should contact Mrs. Williams or some other member of the Band Boosters organization immediately.

The calendars sell for \$1.00 each. Birthdays and anniversary dates appearing on the calendars are an additional 25¢. However, no family will be charged more than \$2.00 for the birthday dates of family members and the calendar regardless of the number in a family.

### Final Rummage Sale Slated

Mrs. JoAnn Liethen, president of Theta Rho Chapter of the ESA Sorority, announces that the chapter will have its final rummage sale of the season this Saturday, Nov. 1. The sale will be conducted in the same location, next door to Rose Drug Store, from 3:30-5:30 p.m. All items will be sold for 10¢ each.

## Wolverines Play Final Game Of Season

Final game of the 1969 season for the Texico Wolverines will be played at Wolverine Stadium this week when the Wolves host the Roy squad in the homecoming game. Gametime is 7:30 (CDT) Friday.

In commenting on the forthcoming game, Coach Jimmy Wynne says, "Roy plays a varied type of offense, using a spread formation on occasion and also resorting to tricky plays." He added that the Roy squad is about the same size as the Wolverine team. Roy has only won one game this season, taking a win from Melrose, 14-8. The Roy squad is in a rebuilding process this year after losing most of its state championship team to graduation in 1968.

Coach Wynne stated that the Texico squad will be looking for its first win of the season. "They looked great against Tatum last week," he said, adding, "late in the third quarter of play the score stood at 8-0. It was at that time that Ken Farmer, key back for the Wolves, received an injured ankle which took him out of the game and created a shift of players to unfamiliar positions." Even from the unfamiliar positions the Wolves were able to hold the Tatum squad to 12 additional points for the remainder of the game.

Coach Wynne urges all football fans to be on hand to cheer the Wolverines on to victory Friday, October 31, 7:30 p.m.

## Eight Teams In Dist. 3-A

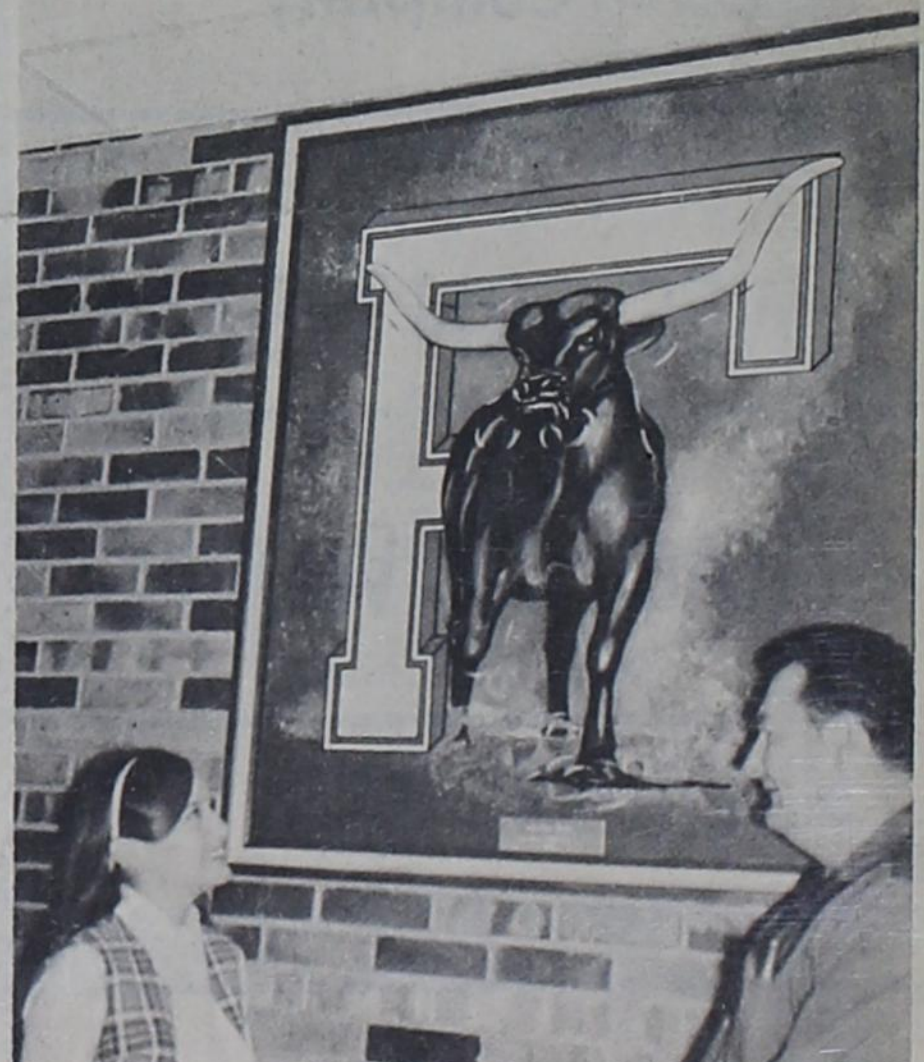

Eight teams now make up District 3-A of the University Interscholastic League, according to information released this week by Supt. W. M. Roberts of the Farwell School, who also serves as chairman of District 3-A University Interscholastic League. Teams added to the district at a recent meeting include Hart and Happy.

Happy comes to the district after two years of competing as a Class A team. Hart is moving to Class A from Class B. Athletically, Hart has always been a winner and Happy is a strong team and is building. With eight teams in the district, fewer non-district

games will be scheduled during the season.

As usual, the 1970 Steer schedule sees the squad meeting Friona in the season opener. They will also play Dimmitt and Morton in non-conference tilts. All non-conference games will be played in September. Conference play will open on October 2 when the Steers will host Hart.

Other conference games will include Happy, there, Oct. 9; Bovina, here, Oct. 16; Springlake-Earth, there, Oct. 23; Kress, here, Oct. 30; Sudan, there, Nov. 6; and Vega, there, Nov. 13.

**THE FARWELL STEER** -- This large picture of the Farwell Steer was presented to Farwell High School by Herb Potts, representing Worley Mills, at the school pep rally last Friday. Cindy Phillips, head cheerleader, and Potts admire the picture after it has been hung in the high school between the trophy cases.

The competition waxed fierce as the Merchants Football Contest ended the seventh week of competition. Dean Stovall, the current leader, is clipping along at an even 80% average. Bill Prince, second place holder, is guessing at a 78.5% clip. These percentages are about 10% over the average of the past few years. With five more weeks to go, the contest is still wide open for any one of a dozen guessers apt to claim the first prize.

In the family department, the game stacks up this way:

Theo is leading Dodie Actkinson, 48-45. Mrs. Bob Anderson is leading her family with 50 correct games. Francis Birchfield leads Curtis, 45-37. Bill Boling leads his son by a comfortable 11 guesses. Billy leads the Brigham contingent with 49. Dickie has a two-point bulge on Fred Chandler. Everette Christian leads Fern by one, and Mrs. H. R. Crook leads Mutt by five guesses. Charles Dannheim has 53 to lead David, Linda, Lorine and Willie. Elva Ruth Davis is leading son Carl Glenn, 51-49. Marilyn Edwards leads daughter Terri. Mrs. Roy Everett and son Butch are knotted up at 51-51. Betty Flowers leads W. H. and Mike.

This year we must report that Ray Ford leads Jenoyce, 45-41. Ralph Franse leads his son, 53-51. Don Gerles leads Linda. There are four Gobers vying with Betty Ann, in Lubbock, leading with 53 right. Randy Gregory has missed several weeks; so Buck is in the lead mainly by default. Truitt Hardage is a one-point leader over Yvonne.

There are five Hargroves contesting, with mother Peggy tied with son Greg at 53. Doug is leading father Clarence Harman by two points.

Henry (who else?) Haseloff leads his group with 52 correct guesses. Buster Herington leads his family, but daughter Carolyn is coming on strong. Shorty Hughes is tied with daughter-in-law Gwen at 49 and son Joe is in arrears with 47. It is too bad we didn't make these standings public last week. We might have been able to announce Albert Johnson as finally leading his wife. But, a poor week by Albert forces us to announce the usual; his wife is leading.

There is a whole bunch of Joneses, but Melborn is taking a comfortable lead with 54 correct. In the Kaltwasser family, it is a tie between Walter and Vicky. Jean Kirk leads Dargin by five and Virginia by three. Jack Kirkland leads his group with a husky 53. Leroy Kitten has a substantial lead over wife Judy. Leon is beating Julia Langford, in the contest, 49-41, but Julia missed a week.

C. L. Mahaney leads Gloria but trails Robin. Glenn Marsh is edging Sarah Marsh by three guesses. Jerry Mathis with no one for competition is cruising along with a big 54 right. Tom Paul and Dale are keeping peace in the family by staying at a draw. Mack McFarland leads his family but only one over Mom and Dad. Billy Meeks scores 50 right to be head prognosticator, but only by one over Jerry. Bill Moss is a leader with 51 right.

Carleton and Ruth Newell from Muleshoe are tied at 50 all. Ann Norton is tied with Ray to lead the Norton families by three good guesses. Pat Owen is the one to go to for football guesses. From Friona, Glenn Phillips leads his wife by two. From Farwell, Ty Phillips takes the nod. Champ Porter leads Earlene by three, no less. Dorothy Quicquel must be pulling punches to let Dutch go into a tie. Mrs. Willie is trimming Willie Roberts by 50-48. And Jim Rogers from Texico is leading his wife by seven. Pete Rundell is claiming the trophy there with a score of 49 right. Coach Vernon Scott is barely keeping ahead of Ometa, 52-51.

Gene leads the other Sheets by three. Loyd Smith leads Murlene 46-45. Barbara and Mike Spears from Bovina are tied at 50 apiece. Mike Travis is the best in his family by one point. Jim is the only Walker to be over the half century mark with 51 good guesses. And, will wonders never cease, Jack Wardlaw is one big point ahead of Elaine, 52-51. Of the consistent Williams family, it's Mark up on the lot with 54. Jim Wiman, a last year's winner, comes in with 51.

## Texico Falls To Tatum

Playing their next to the last game of the season last Friday night, Texico's Wolverines fell victim to their initial season nemesis, the costly miscue. They lost to the Tatum Coyotes 20-0 in the contest played at Tatum.

The first quarter of play was overshadowed by Tatum as the Coyotes dominated play. They ran 18 offensive plays to the Wolverines' 10 plays from scrimmage. In their initial possession of the ball, the Green and White were unable to collect a first down and attempted a fourth down punt. Doug Harrison, punting from his own 14-yard stripe, had the punt blocked and Tatum recovered the ball on the Wolves' 15-yard line. In three running plays the Coyotes pushed over their first touchdown via a three-yard scamper. Again sticking to the ground, Tatum scored a two-point PAT with 2:56 left in the first stanza.

The Wolverines played a near even second quarter and the efforts of Johnny Dane, Ken

### Yearlings Take Second District Win

The Farwell Yearling football squad took its second district win last week when they played host to Kress B squad Thursday night. Final score in the game was Farwell 26, Kress 0.

Farwell's TD's came on plays by Brett Hargrove, Ronald Steele, Johnny Franse and Jack Kirkland. Extra points following the first TD came on a play from Brett Hargrove to Ronald Steele.

The squad is idle this week but is scheduled to play Bovina B team November 6.

Farmer and Monty Lambert gained considerable Tatum real estate and five first downs for Texico. As the first half ended, the Wolverines were in possession of the ball.

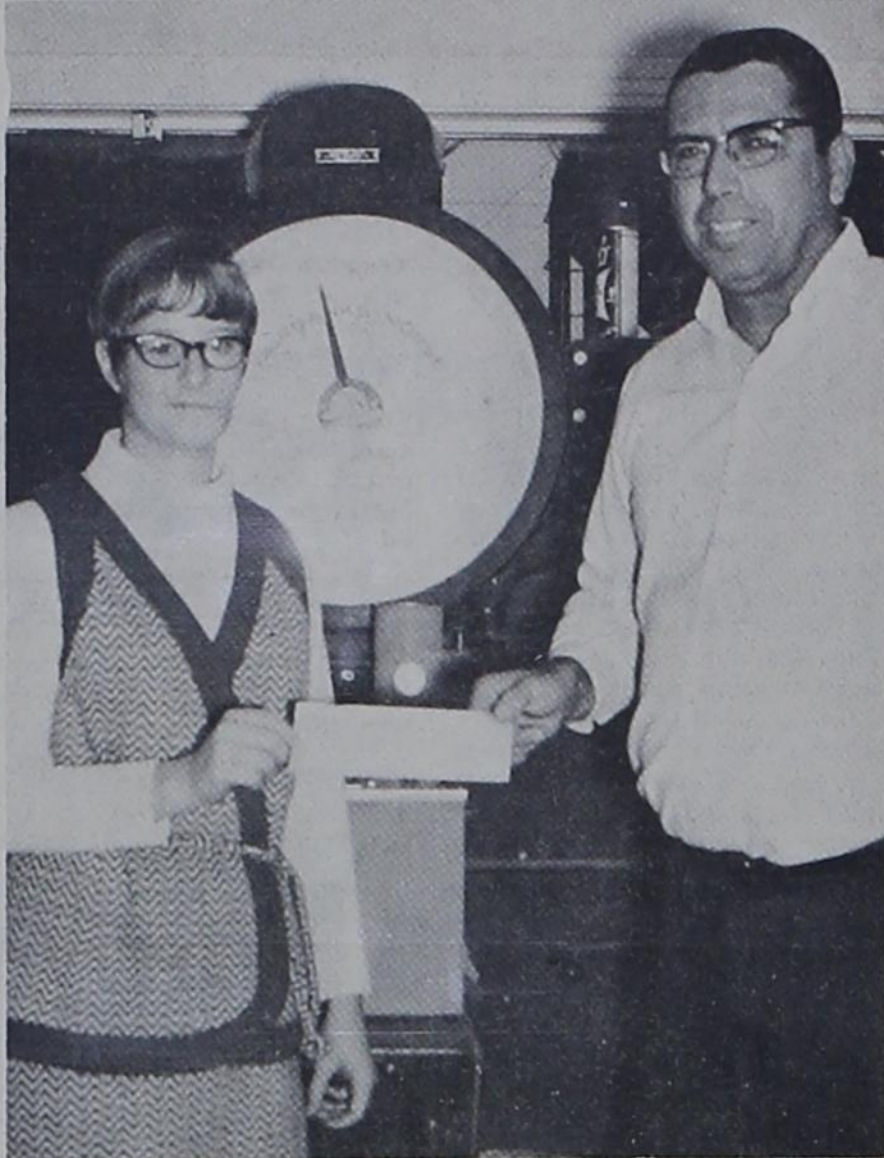

Texico received the second half kickoff on their own 15 and Albert Steward ran it back to the Wolves' 33. With Lambert and Farmer lugging the leather, the Green and White ran 16 plays before an incomplete pass on the Tatum 25 turned the ball over. The Texico defense pushed the Coyotes back to their own 11 where they punted out of danger. Steward received and ran the ball back for four yards and the Wolves set up shop on their own 46-yard marker.

On the first down, a pass interception gave the ball back to Tatum and in seven plays they notched the second Coyote TD. The conversion attempt failed and the score was 14-0.

Again in the fourth quarter the Green and White allowed Tatum to score another touchdown, but foiled the PAT. The game ended a bit too soon as the Wolverines had the ball on Tatum's four-yard line as the clock ticked off the final seconds of the game.

Texico amassed 127 yards rushing and 47 yards via the air while getting 13 first downs for the evening.

In commenting on the contest, Coach Jimmy Wynne praised George Ortiz for his outstanding defensive play last week. Coach Wynne also said that the defense will have a workout against Roy. "We know that they run an extremely varied offense and we must be prepared for anything in the offense book. We are pleased with the improvement in team play each week and expect this final game to be our best effort of the year," commented Wynne.

**WEEKLY WINNER --- Carolyn Herington called all of the games correctly in the merchants' football contest to win top weekly prize. One other person also called all of the games right but Miss Herington was closer to the tiebreaker score, Billy Dollar at State Line Grain, one of the sponsors of the contest, presents Miss Herington with a check for \$5.00 for her weekly prize.**

### Coach Commends Team

The Texico Junior High School football team played a much heavier and more experienced Junior High team from Tatum Saturday afternoon at Wolverine Stadium. Final score in the game was Tatum, 28-Texico, 9.

The team has only played two games this year, losing the first game to Melrose earlier in the season.

Coach Jimmy Wynne commented following the game that "the Texico squad, composed of seventh, eighth, and ninth

grade students, looked good. They played a fine game and received much experience," he said. He cited Domingo Rojas as outstanding defensive back and Allan Halle as outstanding defensive back for the Texico squad.

This was the final game for the Texico squad and Coach Wynne commented that they have gained much valuable experience this season which will better fit them for the game in future years.

### Carolyn Herington Calls 10 Right --

# Stovall Still Leads

Dean Stovall still clings to the lead in the merchant's football contest. He is leading the more than 300 entrants in the event with 56 games called right during the seven weeks the contest has been in progress. Bill Prince is trailing by only one game in the contest. Three persons, Mark Williams, Jerry

Mathis and Melborn Jones, are in third place with 54 games called right. Charles Dannhelm, Ralph Franze, Greg Hargrove, Peggy Hargrove, Jack Kirkland and Champ Porter each have called 53 games correctly for a fourth place standing. In the weekly contest this

week Carolyn Herington called all of the games right to win first place. Harold Jones also called all of the games correctly; however Miss Herington was closer to the tiebreaker score than was Jones. She missed the score by six points while Jones missed the score 12 points.

lake-Earth-Bovina game. In the college games the game missed by most contestants was the Texas Tech-SMU game.

### Slate Classes

Dick Brooks, instructor of the guitar classes which are meeting at Farwell Fertilizer each Wednesday for the next six weeks, states that it is not too late to enroll in the classes.

Persons desiring to take the course, who have not previously registered, are invited to come to the first session, Wednesday, Nov. 5, at 5 p.m.

The course is open to all ages from nine years of age to 90. Brooks states that anyone who desires can learn chords and how to read notes. All music is furnished and guitars are provided for those in the class.

Persons desiring to learn more about the course are invited to call Mrs. Darrell Norton, 825-2558 or Mrs. Harry Sheets, 481-3655.

### Eighth Grade Wins Another Game

The Farwell eighth grade football squad took its second district win of this season from Kress last Thursday. Final score in the game was Farwell, 35-Kress, 6. The previous week the local eighth grade squad had taken a win from Spring-lake-Earth to get their district play rolling.

Rodney Herington scored three of the Farwell touchdowns and Kevin Hardage scored the other two. Andy Bowers was responsible for one conversion and Kevin Hargrove crossed the line for the other

extra points for the Farwell squad. The seventh grade lost its game to Kress, 8-0.

The eighth grade continues its district play tonight (Thursday) October 30, when they meet the Vega team at 6:30 at Vega.

Weather permitting, the sixth and seventh grades will host sixth and seventh grade teams from Amherst Saturday morning at 10 a.m.

There are about 160,000,000 acres of land in Texas farms and ranches.

# European Trip Told By Students And Teachers

## Editor's Note

The following article was written by Mr. and Mrs. Amos Tatum, sponsors of a trip to Europe for a group of students last summer, and some of the students who accompanied them. Patty Tatum and Nedda Foster, college students, had already gone to their respective schools and were unable to contribute anything to the story, but other local persons on the tour tell something of their impressions of Europe and the trip.

By Mr. and Mrs. Amos Tatum  
The planning stages of our trip began in the spring after we received advertising from the American Leadership Study Group. This was an accredited educational tour under the leadership of Dr. Scott Markel of Clark University. We were chaperones for a group of 36 students which included Ruth Anne Blankenship, Gwen Rundell, Sharon Williams, Nedda Foster, Trumi Christian, and Patty Tatum, all from Farwell.

In five weeks we toured eight countries. We heard lectures by three members of the House of Commons, a Belgian journalist, Italian Minister of Education, and various professors and representatives of American Embassies. Perhaps the most enjoyable of all was the two-hour question and answer period with Sargent Shriver in Paris.

All was not work, for we attended the ballet "Sleeping Beauty" in London, and saw the Shakespearean play, "A Winter's Tale" at Stratford on Avon. In Austria and Switzerland we saw the native singers and dancers perform, and in Rome we saw the performance of the opera "Aida."

We visited many beautiful cathedrals and museums in all of the countries, and were very impressed with the many beautiful objects of art that are so famous in Europe.

Ascending the Alps, riding the gondolas in Venice, swimming in the Adriatic, sauntering down the crooked streets of Capri, dancing in a discotheque in Rome, and walking the famous streets of Pompeii all were experiences we will never forget. There was also some free time for shopping which we all enjoyed. The street open markets and sidewalk cafes were fascinating.

A view of the Parliament building in London, England.

For reassurance about the youth of America, it would be well or some of the "doubters" to take a trip such as this. For all practical purposes the kids are much more resourceful than the adults. The various monetary systems were quickly mastered and they were soon able to barter with anyone despite language barriers or strange coins.

The subways were a definite challenge to them, and we adults were very careful to have one of them along when we used the "tube." One also had to be impressed with their ability to cope with the heat, lack of sleep, and strange foods.

Perhaps even more important to us than the many interesting things we did and saw was the association with other students of the United States. We found that kids in Ohio, Washington, and South Carolina laugh at the same crazy jokes, sing the same songs, and all enjoyed coming back home to America.

By Sharon Williams  
London was the first stop on our European vacation. Our plane landed at the Stansted Airport which was about a two-hour drive from London. We rode buses to London and it seemed very strange to us to be driving on the "wrong" side of the street. The cars were real small and some of them had only three wheels. The countryside was really pretty and green and every once in a while there would be a big field of beautiful flowers.

While in London we had one full day of sightseeing, during which we visited such places as the Tower of London, Hyde Park, Big Ben, Westminster Abbey, Buckingham Palace where we saw the changing of the guards, London Bridge and Piccadilly Circus where all the hippies hang out.

We had lectures a couple of the mornings by members of Parliament. Most of our afternoons were free and one afternoon some of us visited Madame Tussaud's Wax Museum which is really quite fantastic. It contained wax figures of many famous people, including Bob Hope, Sophia Loren, and the Beatles. One night we went to the Cheshire Cheese Pub where we had some cheese and biscuits and cider. We all liked the

cheese and biscuits, but the cider left something to be desired. We also went to see the ballet, "Sleeping Beauty," and it was really great! The dancers were great, the music marvelous, and the scenery breathtaking.

We spent one whole day on a side excursion to Stratford-on-Avon. On the way we stopped in Oxford and looked at some of the colleges. In Stratford we saw Anne Hathaway's Cottage, Shakespeare's home and school, and the Holy Trinity Church where Anne and William and their oldest daughter are buried. We took a leisurely stroll along the banks of the beautiful Avon River and one of the girls dropped her camera in the water. A nice man got it out for her.

That night we went to the Royal Shakespearean Theater and saw the English production, "A Winter's Tale," a Shakespearean tragedy. It was a very deep play and most of us had trouble understanding it. If we had been able to understand it better I think we would have enjoyed it more than we did.

Our stay in London was terminated by a bus ride to Dover where we caught a ferry that took us across the English Channel to Belgium.

There were so many beautiful places, it is hard to pick out one. I guess I enjoyed our day in Lucerne, Switzerland, most of all. I have always loved the mountains and the Alps were so beautiful; I don't think anyone could describe the beauty. We went up to the top of Mount Pilatus (in the Alps). It was so high up that you had to wait for holes in the clouds to get pictures. We were told you can see seven countries on a clear day, but we weren't able to. We went up and came down Mount Pilatus by various kinds of lifts.

For dinner we went to the Stackereller. They served cheese Foudue and other Swiss foods. All of the time we were eating we were being entertained by Swiss yodlers and folk singing. We all really enjoyed

it. Next, we went to Bucherer's, a famous watch shop. I just loved to watch all of the cuckoo clocks in action. There would be walls of them and they would all be ticking away! I wish I could have stayed in Switzerland longer, but our one day there sure left me with a grand impression of it. If I ever go back to Europe I'll go back to Lucerne.

By Ruth Anne Blankenship  
This trip was, and continues to be, the most unbelievable and exciting experience I have yet had. We saw some of the most fascinating sights imaginable, from Piccadilly Circus to St. Peter's Cathedral to the Eiffel Tower. Words can't express my emotions on the sight of the well-known European landmarks, nor the exhilarating feeling I had when participating in the activities with the great group of students with whom we were a part.

The European people as a whole were friendly toward us, and in most instances would go "out of their way" to accommodate us. (They all relate the United States to the Kennedy family, and the mention of Texas brings to their mind President Kennedy's assassination, or cowboys). To set aside one locality as favorite is a vast injustice to all the others, but I must say that Innsbruck, Austria, and Lucerne, Switzerland, were the most outstanding localities, due to the extreme contrast in scenery from the Texas Panhandle.

As for the one most thrilling time, it was the tour of Paris by night. The vastness and brilliance of the fountains and lighting, the Seine River, Notre Dame Cathedral, the Arc de Triumphe, and the best of all, the water-works display at the Eiffel Tower are beyond description. It was all really beautiful, but I am sorry to say it lost its charm in the daylight hours. Due to some of the experiences we had in those five weeks, I now have the insight into a new world which is in so many ways enchanted. The sights and sounds showed us so much of the world's past history and what we as the

Rome was a very interesting place to visit. I felt just like one of the old Romans standing in the same places many famous Romans stood. The day we went to the Roman Coliseum, you could almost see the Christians being killed right there. We went to the Sistine Chapel and saw the ceiling Michaelangelo painted lying on his back. I had wanted to see that ever since I read about it in history. The night we went to the opera was supposed to be hot; so I wore something cool so I

wouldn't burn up. Well, the weather changed a bit, and I almost froze to death. I didn't take a coat so I just had to take the cool breezes. It wouldn't have been so bad except the opera lasted over four hours. It was getting kind of boring by the time it was finished.

One night our group went to a discotheque. I've never seen so many Italians in my life. With all the A.L.S.G. groups and the Italian boys the place was really crowded. We made a side excursion to Capri. Everybody was supposed to be up at 4:30. Well, Sharon and I didn't hear Mr. Tatum

knock and didn't get up until ten minutes of five. The bus was supposed to leave at five . . . you should have seen us running around grabbing things to get ready. We put our make-up on in the bus. We both looked pretty funny. Sharon had her hair rolled up. I had loads of fun.

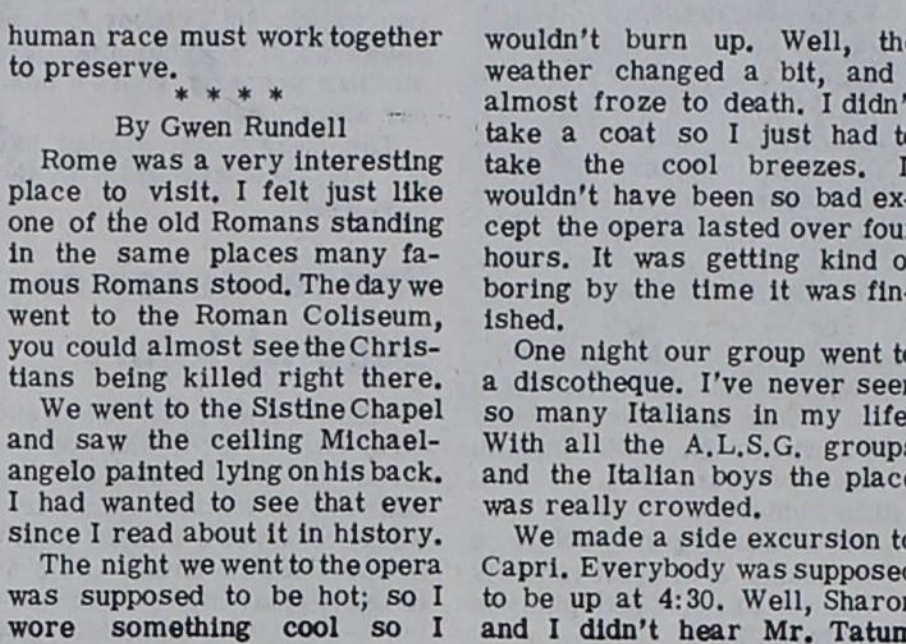

On November 11, Veteran's Day, a patriotic assembly will be held at Farwell School. At that time, all persons from this area who are serving in the armed forces will be honored along with those who have lost their lives in the service of their country.

Meredeth Anderson, who is in charge of the memorial to the servicemen and servicewomen, is asking that any area resident who has a relative in the armed forces or who has a relative who lost their life in

the service of their country, call her at her home and leave the name of the relative. Her phone number is 481-3483. Farwell Junior High School is in charge of the program. Charles Oakley of Clovis will be on hand to display his American Flags. Oakley and his wife are known as "Mr. and Mrs. Betsy Ross," due to the large number and variety of American Flags they have collected through the years.

# 4-H Gold Star Girl, Boy Named

Deborah Harding and Kevin Kaltwasser were named Gold Star Girl and Boy at the annual Parmer County 4-H Achievement Banquet Saturday, October 25.

Deborah, a member of the Farwell club, is the daughter of Mr. and Mrs. Hurschel Harding. She has been active in 4-H Club work for five years. During this time, she has carried projects in clothing, foods and nutrition, sheep, home improvement, gardening and child care. She has entered district eliminations, district dress revue and district food show as a junior contestant. Deborah has been elected to serve her club as president during the coming club year.

Kevin, the son of Mr. and Mrs. Walter Kaltwasser of Farwell, has been in 4-H Club work for six years. Kevin's projects have included electricity, field crops, entomology, parliamentary procedure, junior leadership, money management, beef cattle, recreation, rabbits and horse. In other activities Kevin has served as a county council delegate, has competed in county, state, and district elimination contests, won electric and entomology award medals, and has worked as a junior leader with boys in an electric group.

Mrs. Crickett B. Taylor, retired home demonstration agent, was presented a gift from the county 4-H Council and the 4-H Clubs in the county.

Darwin Green, Farwell, served as master of ceremonies of the banquet held at the Bovina School cafeteria. Dale Hart, Friona, said the invocation. The Pledge of Allegiance was led by Reta Davis, Lazbuddie, and the 4-H pledge and motto by Audrey Magness, Bovina. Kevin Kaltwasser, Oklahoma Lane, introduced the guests.

Gary Stone, Friona, introduced the speaker, John Pitts of Earth, John is the State 4-H Council chairman. The banquet is sponsored each year by the Bailey County Electric Cooperative and the Deaf Smith County Electric Cooperative.

## It Rained!

At press time the rains which have been falling almost without cease for the past week were still in progress. Late reports indicate that the rain will continue for several more days or at least until end of the week.

John "Indian" Crim, weather prognosticator in this area, said early this week, "It will have to come a hard freeze before the rains cease."

Latest reports indicate that from six to seven inches of rain has fallen in the Farwell-Texico and Oklahoma Lane area since the clouds opened up a week ago.

One farmer has been heard to comment, "I haven't harvested any grain yet and if this continues I may not have any to harvest." This seems to be the general opinion of most farmers who had not completed their harvest when the rains began.

Reports indicate that this has been the wettest October since 1926.

# Morgans Visit With Great-Grandchild

On a recent vacation to Arizona and California, Rev. and Mrs. C. C. Morgan of Clovis, and formerly of Texico-Farwell, visited with their first great-grandchild, Tracy Jeanette Heffington, in Mesa, Ariz.

The child, who will be one year of age December 1 is the daughter of Mr. and Mrs. David Heffington and the granddaughter of Mr. and Mrs. Amos Shockley of Mesa, formerly of Texico-Farwell and Bovina. Paternal grandparents of the child are Mr. and Mrs. William Heffington of Tempe, Ariz. She is their first grandchild.

Not only did the Morgans have a chance to visit with their great-grandchild, but they also attended the wedding of a granddaughter, Nancy Catherine Snider, in Van Nuys, Calif. They also visited many places of historic interest before returning to their home in Clovis.

Accompanying Rev. and Mrs. Morgan on the trip was a son, Charles Morgan.

FOUR GENERATIONS -- Left to right: Great-grandmother, Mrs. C. C. Morgan; mother, Mrs. David Heffington; grandmother, Mrs. Amos Shockley; and seated in Mrs. Heffington's lap is Jeanette Heffington.

## Announce Marriage

Mr. and Mrs. F. S. Thigpen of Texico announce the marriage of their daughter, Mrs. Verlene Doolittle, to Doyal LaRue of Clovis.

The couple exchanged wedding vows in the home of Mr. and Mrs. Bill Hollen in Santa Fe on October 10. The Rev. Bernard Daugherty officiated at the service. A reception was held following the ceremony.

Mr. and Mrs. LaRue are making their home at 706 Anderson Street in Texico.

## Monday To Bridge Day At Country Club

Monday, Nov. 3, is bridge day at Farwell Country Club. All ladies in the community who are interested in playing bridge are invited to attend. The bridge session will begin at 1:30.

Hostesses for the sessions are Meses, Charles Aycock, Don Owens and Walter Hughes.

## Spend Weekend In Colorado

Mr. and Mrs. Truman Kittrell and Mr. and Mrs. Murray White spent the weekend visiting in Colorado Springs with Kathy White. They also went to Minden, Neb., for a visit to Pioneer Village.

Sabrina and Stephen Kittrell spent the weekend visiting in the home of their grandparents, Mr. and Mrs. T. P. Kittrell. They also visited in the home of their maternal grandparents, Mr. and Mrs. A. E. Hapke.

## Locals

## Veteran Discussed Vietnam At Sorority Meeting

Major Thomas D. Portanova, Executive Officer for the 27th Tactical Fighter Wing at Cannon Air Force Base, was guest speaker at the Monday night meeting of Theta Rho Chapter of the ESA Sorority. The Major, a veteran of the Vietnam war, discussed the Air Force Mission in Vietnam.

The Monday night meeting was held at Farwell Country Club. A buffet meal was served to members, their husbands and guests and their husbands. A Halloween motif was used in room decorations and carried out on tables at which guests were seated.

During the short business session plans were made for a model meeting in the home of Mrs. Bobby Crume on November 3. This is a change from the original meeting date of November 10. Plans were also made for Becky Hemphill, the chapter's adopted daughter from Girlstown USA at Whiteface, to be a guest in the home of Mr. and Mrs. Weldon Rundell during the Halloween weekend. The young lady will arrive in Farwell Friday afternoon and return to Whiteface Sunday.

Announcement was made that the chapter will hold its final rummage sale of the season this Saturday, Nov. 1. The sale will begin at 3:30 instead of 3 p.m. All items will sell for 10¢ each.

Members attending the social with their husbands were Meses, Mark Liethen, Bobby Crume, Joe Helton, Duane Herington, Mitz Walling, Pike Jordan, Bert Williams, Don Williams, Jack Kirkland, Don Gerles, Troy Christian, and Fred Chandler.

Also in attendance were Mrs. Rosa Roberts, Major Thomas D. Portanova, and guests and their husbands, Meses, Glenn Marsh, Jim Berry, Bob Vinton and Doyle Ford.

## Damara Dee McDonald Arrives Oct. 22

Mr. and Mrs. Billy Wayne McDonald of Clovis announce the birth of a second daughter. The infant was born at Clovis Memorial Hospital Wednesday, Oct. 22. She weighs 7 lbs. 5 oz. and has been named Tamara Dee.

Other child in the family is two and one-half year old, Sharla Denise.

Grandparents of the new arrival are Mr. and Mrs. Johnny McDonald Farwell and Mr. and Mrs. Rex Carpenter of Clovis.

## Attend Convention

Mr. and Mrs. John Getz spent the weekend in Roswell attending the annual New Mexico Press Association meeting. They returned to Farwell late Sunday afternoon.

Vernon Scott, Farwell coach who was hospitalized several days last week for medical treatment has returned home. He is in satisfactory condition and was able to resume his duties at Farwell School on Monday.

PRACTICING FOR THE BIG DAY -- Stanley Cross, two-year-old son of Mr. and Mrs. Don Cross of Texico, gets in a little practice for the big day of "tricks and treats," by donning his Halloween suit and knocking on a few doors early this week. Stanley, all dressed up like a clown, is the grandson of Mrs. Dixie Stewart of Texico.

## Troop Attends Day Camp

Troop 121 of Farwell Girl Scouts attended a day camp at Camp Rio Blanco last weekend. Approximately 800 girls were in attendance from over the state of Texas.

Many kinds of crafts and games kept the girls busy throughout the day. A visit was also made to Big Sandy, a dried-up river.

Making the trip from Farwell included Natalie Dollar, Jan Bradshaw, Leigh Ann Kirkland, Carol Vinton, Beth Black, Kathy Booth, Mary Baker, Cary Marsh, Judy Hardage, Carolyn Meeks, and Meses, T. J. Glenn, Phil Baker and Charles Aycock.

Any girl who is interested in becoming a member of the junior girl scout troop is invited to contact Mrs. Charles Aycock, leader.

OLD SCOUT WITH NEW SCOUTS -- Texico-Farwell Boy Scout Troop 200 allowed three of its new Tenderfoot Scouts to become acquainted with a different type scout of many years ago, while visiting Panhandle Plains Museum at Canyon. With the life-size replica of a Panhandle rancher who died in 1953 were (l. to r.) "Chip" Craft, Terry Williams, and Lynn Kittrell.

## Troop 200 Has Fun Weekend

Scoutmaster Gene Bitner and members of Texico-Farwell Boy Scout Troop 200 had what was termed "strictly a fun weekend" in Canyon and Amarillo, October 25-26. It was a "break" in a series of regular camping trips, which had taken the boys to locations stretching from Sacramento, N.M., to Lawton, Okla.

First treat for the Troop was a viewing of "Journey to the Far Side of the Sun" at a Canyon theater. The group was admitted free, courtesy of Charlie Donnell, theater manager and long-time friend of the Scoutmaster.

Half of the troop spent the night Saturday with Mr. and Mrs. Ray Beem of Amarillo. The remaining half stayed with Mr. and Mrs. Jack Walker. Separated by about eight blocks, the two groups kept in communication by walkie-talkie. Boys provided their own beds, rolls, while the Beems and Walkers treated them to breakfast Sunday morning.

After attending church services in Amarillo, Troop 200 spent the afternoon in Palo Duro Canyon and visiting the museum at West Texas State University.

Next camp-out for Troop 200 will be a winter "camp-in" during the latter part of November, at Corona, N.M. Cabin facilities there are furnished the Texico-Farwell boys by Corona Scouts and the local city government.

## Liethens Have Guests From Wisconsin

Guests in the home of Mr. and Mrs. Mark Liethen and Nicky last week were Mrs. Paul O'Brian of Neeah, Wis., an aunt of Liethen, and a close family friend, Mrs. Bill Lyon of Menasha, Wis.

The guests were honorees for a buffet on Thursday evening. Some 60 persons attended the social. On Saturday the Liethens took their guests to Lubbock to attend a production at the Hayloft Theater and also for a meal at the Donnie Anderson Red Raider Inn. The group also attended the Texas Tech Pep Rally.

The guests returned to Wisconsin early this week.

## A Girl For The Otis Bryan Jr.

Captain and Mrs. Otis F. Bryan, Jr., of Arlington, Va., announce the arrival of their third child, a daughter, on Saturday, Oct. 25. The little girl has been named Dedra Annette. She weighs 8 lb. 13 oz. and is 21 1/2 inches tall.

Other children in the family are Sean Allen, four years of age, and Paul Adrian, two years of age.

Maternal grandparents of the little girl are Mr. and Mrs. C. G. Davis of Farwell. Paternal grandparents are Mr. and Mrs. Otis F. Bryan, Sr. of New York. Great grandparents include Mr. and Mrs. E. J. Randall of Farwell and Mrs. Mary Davis of Portales.

## On The Farm In Parmer County

By RONNY MCNUTT

### FALL FERTILIZER APPLICATION

Fall fertilization for spring crops offers several advantages as contrasted to fertilizer application in the spring. Dr. C. D. Welch, extension soil chemist, lists these advantages: weather immediately prior to planting season which may prevent getting into fields when fertilizer must be applied. Applying fertilizer in the fall leaves soil undisturbed and thus conserves moisture for planting. Utilizes labor and equipment during periods when not needed for other farming operations.

Also, takes advantage of "off-season" prices and aids in avoiding temporary shortages of some fertilizers. But Welch points out that it is difficult to generalize about fall fertilization and individuals must weigh advantages against such factors as lost nutrients from early application; soil characteristics and cropping systems and environmental factors such as temperature and rainfall.

Application of nitrogen in the fall should be considered only if ammonium forms are used, if soil temperature remains below 50-55 degrees F. during the period before planting and if properly applied to clay or fine textured soils. Welch says maximum efficiency can be expected when it is applied just prior to the period of use by the crop. Nitrogen in the nitrate form may be leached or lost through denitrification in water-saturated, alkaline, clay soils.

Grain sorghum fertilizer demonstrations conducted in 1966 and '67 in Parmer County on Amarillo Fine Sandy Loam soil showed that yields increased significantly with later applications of nitrogen. Time for applications on these demonstrations varied from before shredding of stalks to side-dressing. These demonstrations pointed out that nitrogen can be lost through leaching on permeable soils and that conversion of ammonia to the mobile nitrate form proceeds at a rapid rate. Higher application rates permitted earlier application of nitrogen.

Since phosphorus remains in the soil near the spot of placement, time of application has less effect upon its efficiency than for nitrogen. The need for high amounts of available phosphorus in the immediate seed or root zone will be of most importance in determining time of application.

Potassium can be applied in the fall if such is an advantage except on sandy soils, advises Welch. Where high amounts of potassium are needed on grass and legume crops, two or more applications are advised.

### Time to Pray...

Life can be so full and active... There are the school hours, time for study, and for a growing child there must be recreation. Also a time for eating is necessary, and a time to be with the family. One of the most needed times is to be with God in prayer. There are times that we should give thanks to God for our food, and times to seek his guidance and watch-care, and there are times to pray with others. This we can do by attending church.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Something new has been added to the HANG TAGS on some clothing; guarantee that a garment will wear for a specified length of time.

If the garment doesn't live up to its guarantee, the manufacturer says that he will return the purchase price or replace the garment. You as a consumer need to read garment labels, save the labels or hang tags and the date sales slips. This proves how long you have had the guaranteed garments. But, be sure the sales slip is dated when a guaranteed garment is purchased. Store clerks may not mention that garments carry a guarantee because so few clothing have one as yet.

## Department Of Public Safety --

# Vehicle Inspection Changes Listed

On Sept. 1, 1969 the Texas Motor Vehicle Inspection Program began a year-around inspection schedule, announced Captain Alan Johnson, Service Commander of the Texas Department of Public Safety for this area.

- Briefly, Captain Johnson listed the changes:
1. Inspections go on monthly, year-around schedule
  2. Sticker location changed to left side of windshield
  3. Number of the inspection month placed on sticker
  4. Inspection of exhaust system
  5. Inspection of emission system
  6. Inspection fee \$2.00

Instead of the usual April 15 deadline, inspections will come due one year after the current month of inspection. This will tend to take all the registered vehicles in Texas and prorate them equally among the 12 calendar months to be inspected. This will establish an annual

versary month for each vehicle to be inspected and prevent the log-jam of over six million registered vehicles to be inspected at one time.

The new inspection sticker will be placed inside of the lower left-hand side of the windshield instead of the usual right side of the windshield. The number of the current month of inspection will appear on the sticker. For example, those issued in September will have number 9 on them, October the number 10, and so on. The color of the sticker will change each calendar year.

Two items have been added to the inspection list -- the exhaust system and the exhaust emission system. A car now must have a muffler and it must be free from leaks. All cars manufactured in 1968 or later coming from the factory equipped with the exhaust emission system (commonly known

as the smog device), still must have the device in working order.

The exhaust emission system will be checked to see that it has not been removed or disconnected. This will also apply to foreign cars. However, most of them now in this country are equipped with the smog device before they are sold.

Vehicle owners are now urged to begin having their vehicles inspected. The new inspection fee is \$2.

### THE STANDARDIZED TESTING PROGRAM

The months of October and November are designated as "testing times" for the Farwell and Bovina Schools. It is during a seven-week period extending from the second week in October until the third week in November that these schools are involved in a comprehensive standardized testing program in grades two through 11.

The program consists of three kinds of standardized tests (standardized meaning a test prepared by a test manufacturer and distributed on a national basis consistent year after year), the achievement test, the mental ability test and the aptitude test. A brief explanation of each type at this point may help to clarify the basic purpose of these tests.

1. Achievement - A test of basic academic knowledge, this instrument is administered to find out how much knowledge the student has acquired in the past year or years of school. The academic areas covered are the basic core subjects of the schools curricula, including reading, vocabulary, language, arts, science, social studies, and math.

2. Mental Ability - This test measures the student's ability to think. Areas covered are verbal reasoning, number facility, and spatial reasoning (the ability to see a two-dimensional object and in the mind's eye transform this object into a three dimensional one).

3. Aptitude - A test of other factors not necessarily academic. It includes mechanical eye's candy and are placing the candy on sale for \$1.00. The candy is a 7 oz. pecan log roll.

reasoning, and space relations. (These factors are helpful in exploring vocations.)

Therefore, by taking composite picture of a student's testing record and adding this to his personality structure and his interests, the counselor, administrator and teacher can see patterns develop over a succession of years in which strength and weakness will appear (primarily associated with academic success) and consequently can help the student emphasize his academic attributes and strengthen his weaknesses.

When approached on a professional basis, the testing program can be a valuable tool in helping the student be more of an academic success in school. This academic knowledge gives him a fundamental background necessary to progress to additional training which in turn will provide the student with a saleable skill.

## Cast Selected For Texico Senior Play

"The Curious Savage," written by John Patrick has been chosen for the Texico senior class play. Cast of characters for the comedy production has been selected and practice sessions are now underway, directed by Miss Lanelle Spurgeon. The play will go on stage November 14 at 8 p.m. at the high school auditorium in Texico. Price of admission is 75¢ for adults and 50¢ for students.

Included in the cast of characters is Patsy Niece as Florence; Larry Duncan, Hannibal; Patsy Burgett, Fairy May; Danny Billingsley, Jeffrey; Ronnie Autrey, Mr. Paddy. This list of characters are all guests at the Cloisters.

Family members include Titus, Bobby Lockmiller; Samuel, Bo Brown; Lily Belle, Joann Chappell; and Ethel, Elaine Er-

win. The staff at the Cloisters includes Lou Ann Hadley as Miss Wilhelmina and Dr. Emmitt, played by Keith Morris. The author of the play emphasizes that the Cloisters is in no way a "lunatic asylum" but is a home for the good guests. His purpose is to contrast them with Mrs. Savage's children and the "insane outside world."

Senior class members say, "For an evening of fun and good entertainment, be on hand at the Texico School auditorium on November 14, 8 p.m. when the 'Curious Savage' goes on stage."
