Get Into The Game Early --

## Football Contest Begins Next Week

If you are too old or too young, too tired or too weak, to get into the game of football any other way, and you like to punt, pass or kick in retrospect while sitting in "eye old armchair", the game for you is the annual guessing game, the Merchant's Football Contest. The eleventh annual contest will be carried in the pages of the Tribune beginning with the first

Steer game Sept. 12. The contest is sponsored by local business firms.

In order to get into the guessing game, one must be 12 years of age or over. Entries must be brought to the Tribune office no later than 5 p.m. each Friday afternoon during the course of the contest. If mailed, entries must bear a Friday postmark. There are no other rules, and everyone not only "can" but is urged to participate in the contest.

Each week for 12 weeks, beginning on Sept. 12, ten college, high school or professional football games will be published on the contest entry blank. The Farwell games will appear on the contest each week, but will be used only as a tiebreaker in case two or more persons call the same number of correct games. Contestants must pick a winner in each of the games and also must pick a score in the Steer game. Since the Steer game will count only as a tiebreaker, it will not matter if the game is called right or wrong; only the point spread will be used as a tiebreaker.

Winners of the first three places in the weekly contests will receive prizes of \$5.00, \$3.00 and \$1.00 each. The grand prize winner will receive two tickets to the Sun Bowl game in El Paso, plus \$25 expense money.

Business firms sponsoring the contest this year include Oklahoma Lane Farm Supply and Gin, Lariat Tin, Farwell Equipment, Security State Bank, Sherley-Anderson-Pitman Elevator of Farwell, Sherley-Anderson Elevator of Lariat, Worley Grain, Piggly Wiggly, Monsanto, Nickels Gin, Williams Fertilizer, State Line Grain, Farwell Motor, Kelly Green Seeds, Texaco Inc., Hughes Insurance, Farwell Grain Exchange, Capitol Foods, Clara's Spur Restaurant, West Texas Drilling, Farwell Hardware, Watts Oil and Tire, Farwell Fertilizer, Watts Machine and Pump Co., Bobble's, Loomix Inc., and Far-Tex Feed Yards.

### Steers Scrimmage Whitefaces Tonight

The Steers will scrimmage the Hereford Whitefaces at Steer Stadium tonight (Thursday) at 8 p.m. Coach Toby Booth is urging all sports fans to be on hand for the game.

Coach Booth stated that the "Steers are looking better all the time." They looked good when they scrimmaged Portales last week and have been showing up well in practice sessions this week, says Booth.

Coach Booth says he has little knowledge about the Whitefaces except that they are a heavier group than the Steers. This is the first time the Steers will perform on the local field . . . so be sure to be on hand for the scrimmage tonight! Following the scrimmage a "watermelon feed" will be held for Booster Club members, dads of the players, the players and coaches. This will give fans a chance to visit with the coaches and players and talk over prospects for the coming season.

6-17 Years Of Age --

### Warn Parents Students Must Attend School

Officials at Texico School have advised that several children who should be in school have not registered at this time. The officials warn that the law states that all children between the ages of 6 - 17 (inclusive) must attend school in New Mexico. Therefore, boys and girls in this age group who have not registered for school should do so immediately.

Parents of the children and also the children are punishable in the state of New Mexico, according to school officials, if they disregard this law. Any boy or girl who is habitually absent from school is liable

also receive a prison sentence if they fail to see that their children attend school.

Donald of the Texico school warns parents, "Make sure your child is registered for and attending school!"

### Ladies Championship Tourney Slated

All ladies who are members of Farwell Country Club and who are interested in playing in the "Championship Golf Tourney" for ladies are asked to call the country club or Mrs. Ometa Scott or Mrs. Doris Herington.

Prizes to winners in each of the divisions are silver bowls and silver trays. Small gifts will be presented to all entrants in the tourney.

The tourney is slated for Sept. 9 and Sept. 10, beginning at 9:30 each day. Play will be in two divisions; nine-hole and 18-hole play. Entry fee for the nine holes is \$2.00 and for the 18 holes, \$4.00. In nine-hole play, first and second place low-net prizes will be given. Nine-hole players will have a handicap of 36. A covered luncheon will be served on Sept. 10.

### Woman Killed In Sunday Accident

Mrs. O'Della Nolan, 55, of Lariat was discovered in her wrecked car south of Farwell early Sunday morning, approximately one hour after she apparently lost control of the vehicle and smashed into a culvert.

Mrs. Nolan was dead at time officers were notified of the accident. She had apparently lost control of the vehicle after falling asleep at the wheel. According to police officers the vehicle was discovered about six o'clock Sunday morning, at least one hour after the accident. The car had apparently hit a culvert and was off in a bar ditch. Light traffic was given for the delay in the accident being reported.

### Watermelon Feed Slated

The Farwell Booster Club is sponsoring a "watermelon feed" for all members of the Steer Football team, their dads and members of the Booster Club following the Steer-Hereford scrimmage tonight (Thursday) Sept. 4. James Ensr will provide watermelons for the feed.

### NOTICE

Announcement has been made that the Farwell Booster Club will meet at Clara's Cafe Tuesday evening at 8:30. All members of the organization are urged to be present at this meeting to assist in making plans for the football season.

### Slate Maize Days Fair

A County 4-H Fair will be held Saturday, September 13, during the Maize Days celebration in Friona. This is the first time such an activity has been held strictly for 4-H members. Every 4-H member in the county is eligible to have entries in the fair, announces Ronny McNutt, Parmer County agriculture agent.

There will be five divisions in which 4-H members can have entries. These divisions are agriculture, baked goods, canned fruits and vegetables, clothing, and hobbies and crafts.

In the agricultural division there will be classes for grains and seeds, grain sorghum heads, sheaf grains, sheaf forage, baled hay, vegetables, and fruits. Also there will be a poultry and rabbit show for interested 4-H'ers.

There will be classes for biscuits, muffins, bread, brownies, cookies, fruit pies, and cakes in the baked goods division.

Nine classes will be available for girls to have entries in the clothing division. In the can-

ned fruits and vegetables division there will be classes for fruits, vegetables, pickles, jelly, jam and preserves.

The crafts and hobbies division also offers 4-H'ers an opportunity to show their work. There will be classes for metal craft, leather craft, picture (oil and water color, pastel and charcoal, other - ink, crayon, pencil), toy, sculpture, decoupage, hobby collection and other crafts.

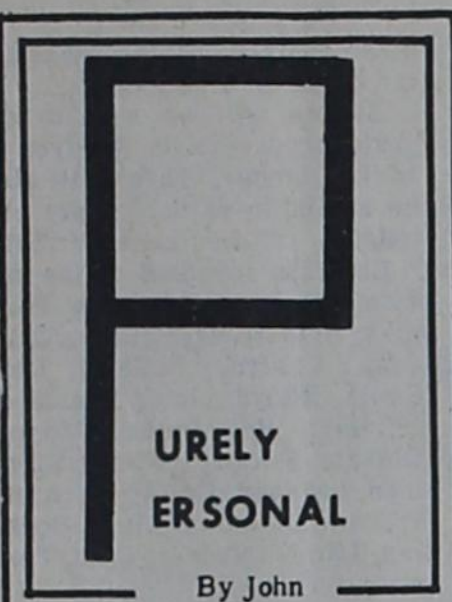

Ribbons will be awarded to the top three entries in each class. The 4-H Club with the most exhibits will be awarded a trophy.

The McCalsand Lumber Co. building in Friona is the location for the fair.

Coach Jimmy Wynne states that the Lazbuddie team is a well-trained and experienced team, with many returning lettermen from its 1968 championship B team. However, he states that it will be good experience for the beginning Wolverines to meet such a team their first time out.

The Texico squad is composed of 25 players. No starting lineup has been chosen.

All sports fans are invited to travel to Lazbuddie and Clovis for the scrimmage games.

PERSONAL

By John

The Farwell Chamber of Commerce is in the process of assembling material for another brochure to publicize the advantages of this area of the productive High Plains. One of the standard pictures in High Plains literature is the irrigation well throwing out a full pipe of water to wet the thirsty soil.

This type of picture used to be readily obtainable as thousands of wells were pumping into the open ditch. However, as water conservation practices become more widespread, this scene is becoming rare almost to the point of extinction. The underground pipe system and the sprinkler have almost eliminated the pipe of water and the open ditch from the farm scene.

Therefore, if anyone has a good picture of a well throwing out a stream of water, please bring it to the Tribune office. Also, we would like to have a picture of a field of cotton that is ready to harvest. If you have a harvest picture of any crop that looks like Chamber of Commerce material, we would appreciate seeing it for possible inclusion in the new brag book.

An eyesore of developing proportions is the lake that forms in the first block of First Street. It doesn't take much of a rain to cause that area to overflow and cover the entire street for some distance. This must cause some deterioration of the pavement as that spot has patches put on top of patches.

It is a definite hindrance to the tax paying businesses that are directly concerned as it reduces traffic to them. It causes undue wear and tear of the cars that are forced to ford through that spot. In short, the citizens are due relief from this periodic mess.

Now we guess the businesses could ignore it, the traffic could go out of its way and miss that section, and the city could throw another patch over the latest chunk hole. But the poor taxpayers who live in that area feel that the City Fathers should be more interested in what all the taxpayers have to put up with from time to time.

We understand that the present clog up is due to the section that goes under Santa Fe's tracks not being kept open. Knowing both the City Dads and the Santa Fe officials to be reasonable, understanding, and men ready to cooperate on mutual problems, we are at a loss to account for this recurring lake problem. So far the only hope for First Street residences is a long dry spell and that's not very comforting.

Sometimes our electronic media carry weather hysteria too far. The other evening we noted that a certain Amarillo station cut into the regular program so often that a viewer could not follow the action of the program. The "bad" weather being reported did not materialize but people for miles around were shook up and made unduly apprehensive of a common autumn rain storm.

We now see where the drums of publicity are beating over a tropical storm in the lower part of the Gulf of Mexico. Granted, this could be another disaster, but why fret now? We cannot as yet change or modify these monsters of nature, but we can give plenty of warning to areas in its immediate path and substantially reduce human casualties. Consequently, we feel, this "weeks before" reporting, sensationalizing, and downright guessing over probabilities is sensational bunkum and detracts from the excellent job of scientific weather predictions accomplished by the U. S. Weather Bureau. Hysteria and news magnification -- thy name is TV.

### Broom Sale Sept. 12-13

Texico-Farwell Lions Club members will hold its annual "broom sale" Friday and Saturday, Sept. 12 and 13. A truck loaded with household items including brooms, mops, brushes, dust mits, ironing board covers, and various other household items will be stopped at the Holiday Store parking lot during the two days. In addition, Lions will canvass the Twin Cities selling the items. Housewives are asked to have their lists ready when a Lion comes "knocking at their door."

Funds raised from the sale of the articles will be used in the "sight conservation program" and for other Lions Club projects.

READY FOR THE CONTEST --- Mr. and Mrs. Ray Ford, two of the regular contestants in the Annual Merchants' Football Contest are getting prepared for the event by checking up on the scheduled games and studying all available information on the teams. Although Ray and Jenoyce have never won the "grand prize" they always hope that "this will be the year." The couple urge all their friends to join them in the "fun" this year.

### Rains Continue

Rains in the area since Sunday evening have been in varying amounts with some areas reporting as much as two and one-fourth inches while other areas report no more than light showers. However, the rains have been pretty general in the area with most farmers reporting at least one inch of moisture.

While the rains have been most helpful, farmers are beginning to look forward to sunshine and dry weather in order from time to time.

that wheat may be planted and row crops, including cotton and sorghum, allowed to mature. The rains have come at an opportune time to get the ground in fine shape for fall planting of wheat.

Total rain during the past two weeks in Farwell has been approximately five inches with some areas reporting smaller amounts. Other outlying areas report heavier rains.

### Farwell Enrollment To 667

Farwell Schools have added eight students since enrollment figures were released last week bringing the total number of students to 667 in the three divisions of the school.

The elementary school with 286 students has the highest enrollment followed by high school with 206 students. Junior high school has a total of 175 students enrolled.

Figures released by Jack Williams, elementary principal, show 63 first grade students; second grade - 61; third grade - 54; fourth grade - 48; fifth grade - 51; and special

education - 9. In junior high school, James Craig, principal, released these figures for the sixth, seventh and eighth grades: sixth grade - 59; seventh grade - 58; eighth grade - 58.

No figures were available for high school classes.

### We Apologize

The names of Dean Stovall and Mark Williams, wingback, were omitted from the list of returning lettermen on the Steer football squad in a recent issue of the paper when names of returning lettermen appeared in a story.

Please accept our apologies for this error.

In addition to Stovall and Williams, other returning lettermen are Dan Prince, Jimmy Meeks, Greg Meeks, Carl Goettsch, Greg Hargrove, Doug Harriman, Robert Haseloff, Eddie Winegart, Randy Chandler, Mike Flowers and Gene Sheets.

### Lucas Back At Burger Barn

The Burger-Barn Drive Inn in Texico is once again under management of Mrs. Ometa Luce. Mrs. Luce invites all her friends and former customers to stop by for the same line of fine fountain drinks, snowcones and a complete line of sandwiches.

### Vernon Scott Is Club Champ

Dan Gurley and Jim Berry were winners of the "putting contest" at the Family Night held at Farwell Country Club last Saturday. Consolation winners were Pete Jesko and Ted Magness.

In the club championship golf play over the weekend, Vernon Scott was declared "club champion." First place net winner was Glendon Sudderth. Jim Berry was second place winner in the net division and Oakley Stephenson was third place net winner in a play-off with Paul Jones and Jack Kirkland.

### Wolves Slate Scrimmage Games

First scrimmage for the Texico Wolverine football team is slated for today (Thursday) at 3:30 p.m. when they meet Lazbuddie on the Lazbuddie field. On the following Tuesday, the Wolverines will scrimmage Clovis B team at Clovis, also at 3:30 p.m.

Coach Jimmy Wynne states that the Lazbuddie team is a well-trained and experienced team, with many returning lettermen from its 1968 championship B team. However, he states that it will be good experience for the beginning Wolverines to meet such a team their first time out.

The Texico squad is composed of 25 players. No starting lineup has been chosen.

All sports fans are invited to travel to Lazbuddie and Clovis for the scrimmage games.

EIGHTH GRADE TEAM --- Back row, left to right: Coach Jerry Dee Owen, Rudy Rodriquez, Kle Watkins, Bill Johnson, Phil Baker, Rodney Herington, Andy Bowery, Clyde Dollar, Jace Ensr; middle row, l to r: Kevin Hargrove, Jesse Cantu, Kevin Hardage, Freddie Dale, Davey Hargett, Greg Taylor; Frona row, l to r: Lee Deeds, Winfred Long, Conda Jones, Carl Kirkland, Ricky Williams, Larry Wardlaw. The eighth grade team will play its first game of the year Saturday morning, Sept. 13, when it collides with Lazbuddie eighth grade at Steer Stadium. Game time is 9 a.m. All football fans and school patrons are encouraged to attend.

EXTENSIVE DAMAGE, but no serious injuries resulted Wednesday morning when this Ford Falcon, driven by Mrs. Ronnie Grey and headed west on Ave A, jumped the curb at Truitt's Barber Shop. The vehicle knocked down the barber pole and hit

the back of a parked car belonging to A. Lawrence McDaniel. Both of the cars were extensively damaged. However no estimate of the damage was available at press time. Accident was investigated by Mike Greet, state patrolman.

**Letters To The Editor**

Dear Sir:  
It has come to my attention in the past week that several of our senior students in the Farwell, Bovina and Lazbuddie area have been or may have been approached by recruiters from private technical schools. These recruiters had not contacted me or the other school officials that they were in the area.

These visits to our students and their parents were made before I was able to present material covering the same type of training from other institutions in our state that are supported by state taxes and are duly accredited by the Texas Education Agency.

Before any student decides on a training school, college, technical school, or private school, he should investigate every facet of the institution thoroughly, either by personal examination or by contacting the high school counselor.

My graduate training from a senior college and certification from the Texas Education Agency qualifies me to counsel with students and parents in matters pertaining to educational and vocational placement.

Therefore before any money is given to these recruiters and any papers signed, please contact me at any one of the following offices:

- Bovina High School, 238-2141, Monday and Tuesday;
- Farwell High School, 481-9101, Wednesday and Thursday;
- Lazbuddie High School, 965-2152, Fridays.

**Christian At Case Meeting**

Wendol Christian, manager of Oklahoma Lane Farm Supply, Parmer County Case dealership, returned recently from a four-day meeting in Wisconsin of more than 1700 Case dealers in North America.

The convention featured displays and demonstrations of tractors and equipment. New lines were revealed as was a new symbol of the corporation. The exhibits included 22 all-new products -- four models of the new Agri-King 70 tractors and 18 other new Case Products.

Demonstrations of planting and harvesting of more than 800 acres of wheat, oats and corn were made during the meeting to show the utility of the new implements being introduced by Case.

**Six Students Attend South Plains College**

Hal Haynie, Ellen Herlington, Gary Davis and Vickie Lunsford are among the students from Farwell enrolling as freshmen at South Plains College, Levelland, for the fall semester. Michael Doshier and Vicky Kaltwasser are Farwell graduates who are returning to South Plains College for a second year.

Gary Davis has been selected as sports editor of the Plainsman Press. His job is to cover all of the home games of the sports teams and all other sports activities on the campus.

Vicky Kaltwasser has been elected to serve as secretary of Gillespie Hall for the year. Her job will be to meet with the executive board each month and discuss the various dorm activities, take minutes of the meetings, and also to keep the bulletin board up to date.

Mr. and Mrs. Frankie G. Coffman and sons from Denver spent the Labor Day weekend visiting in the home of his parents, Mr. and Mrs. E. R. Coffman, and daughters, April, Gaye, and Alice. They returned home Monday.

**Green Thumb Tips**

A summer cottage near the seashore or a lake is likely to be surrounded by sandy soil, unsuitable for many flowers.

Yet such annuals as love-in-a-mist, nemesis, mignonette and California poppy will grow well in sandy soil. Why not plant seeds early for summer flowers?

The term "monogerm" is a new one when applied to beets. For many years when you planted a beet "seed" you really sowed a group of seeds. That's why a cluster of seedlings always came up close together. You had to thin these and discard thinnings so room would be adequate for plants left.

Not so with the beet varieties which are listed as "monogerm."

Single seeds produce a single seedling. This saves the work of thinning and regret at discarding seedlings.

If you have ever wondered why your neighbor's annual flowers bloomed earlier and looked better than yours, here's a check list of possibilities:

You didn't sow seeds early enough.

You sowed seeds too thickly and then failed to thin enough.

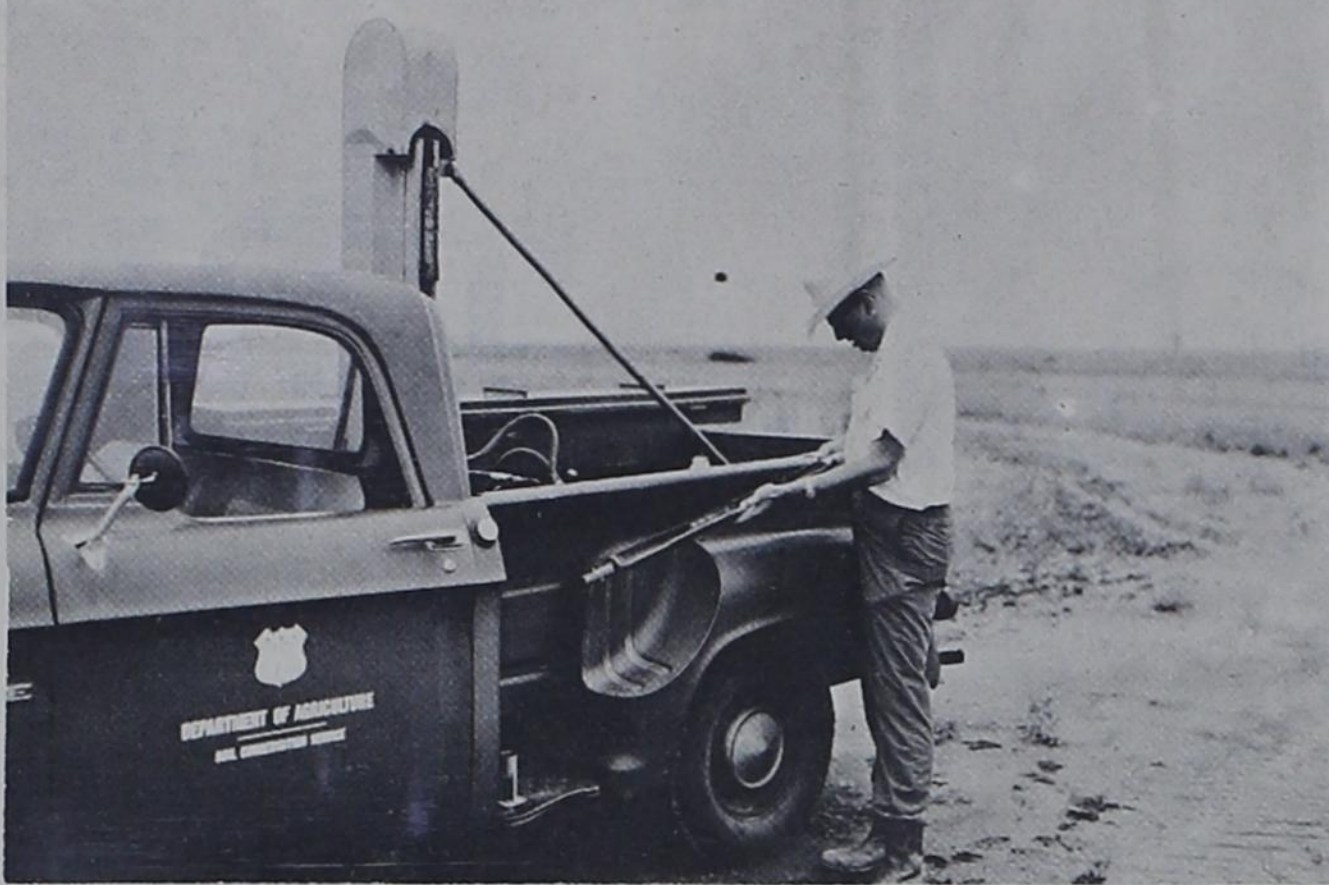

You didn't thin seedlings soon enough.

Or, you didn't allow the plants left after thinning sufficient room for full growth.

One reason gardeners may complain of trouble with bean seeds rotting instead of sprouting is cold soil.

Bean seeds are sensitive to soil temperature -- wait until it warms before planting them.

There's a new ageratum on the market this year -- earlier to bloom than others. Its name is Blue Surf, it's a hybrid and it grows 6 inches high. Why not try it for a border?

SOIL SURVEY --- Herb Bruns, SCS soil scientist, examines soil sample from Parmer County. The Standard Soil Survey being conducted by the Soil Conservation Service is about 73 per cent complete in the county. Information from the survey is used in conservation planning on farms and ranches and is valuable to cities, planning commissions, highway departments, county commissioners, and others. It is available for public use at the Friona SCS Office.

In Parmer County --

**Conservation Service Taking Soil Survey**

Soil maps are a basic tool for selecting a system of soil management. The maps show the kinds of soil in a field, a farm, or in a city or town. Currently, about one-half of the land in the Texas Panhandle has been surveyed. In Parmer County Soil and Water Conservation District which is in Parmer County, about 73 per cent has been completed to date and it will be completed as manpower becomes available. The ultimate goal of the U. S. Department of Agriculture is to have a soil survey or map of every acre of land in the Nation.

In the Nationwide system now in use the soils are classified and named, just as plants and animals are. For example, plants are identified and named by such features as the structure and the shape of the leaf. Likewise, soils are identified and named by their main characteristics which are its texture (proportions of clay, silt, sand), color, depth, kinds and sequences of layers or horizons, and any other feature that is important to its use and management. These soil traits or features can be determined in the field by the soil scientist making the map. The names of the soils are taken from towns or localities near the place where the soil was first defined. Examples of soil names from this area are the Olton series, Amarillo series, Pullman series, Portales series and Randall series.

After the features or characteristics of a soil have been studied and determined, predictions can then be made about how it will respond to various kinds of management or use. Some of the questions that a soil survey and its interpretations can answer are: Is this land suited to cultivation? What kind of crops can be grown? How much erosion has occurred on it? What practices will be needed to maintain or increase the soil's fertility? Is the soil suited to irrigation and what kind of system will I need? What kind of native grasses will it grow? Does the soil swell and shrink, creating a hazard to structural foundations? Does it flood often, and many others.

The principal users of soil surveys are those involved in producing agricultural products -- farmers, ranchers, dairymen,

etc. Special interpretations have been made by Soil Conservation Service technicians to assist agriculturalists in the use of the surveys. This is the land capability classification system. Soils are placed in eight classes, all of which do not normally exist on any single farm or ranch. Class I through IV are suited to cultivated crops. Classes V through VII are suited only to grazing and wildlife. Class VIII land is suited only to wildlife.

Through the soil survey, this

**Grain Referendum Meetings Set**

A series of seven meetings is being held this week on the High Plains to explain a grain sorghum referendum which will come to a vote in early October in 29 counties.

Grain sorghum producers are urged to attend the meeting in their locality to familiarize themselves with the upcoming referendum, says County Agricultural Agent Ronny McNutt.

The meeting to be held in Parmer County is scheduled for Thursday, Sept. 4. Bovina Schools Auditorium will be the meeting place. The meeting will start at 8 p.m.

Keynote speaker at each of the seven meetings will be Dr. Bill Black, extension economist in marketing and policy, headquartered at Texas A&M University.

Purpose of the referendum is to develop, carry out and participate in programs of research, disease and insect control, education and promotion designed to encourage production, marketing and use of grain sorghum. The referendum calls for an assessment of five cents per ton to be collected at the point of first sale.

A two-thirds majority vote is required or a vote of approval by farmers producing at least 50 per cent of all the grain in the 29-county area, explains McNutt.

In addition to voting on the five cents assessment, producers will also select a 12-man governing board. This board will be comprised of area grain producers who will have been nominated prior to the election.

Any producer may have his

**FUN FOR FALL**

The painted rattle, the funny face are among the many objects that can be made from gourds when they mature in autumn. But seeds must be planted now for gourds in fall.

Fun for fall -- with gourds of many sizes and shapes, begins in spring, when the seeds are planted. Since gourds are easy to grow, perhaps their culture could be left to the youngsters in your family.

Choose a warm, sunny spot to plant gourd seeds, one where there is or can be a support upon which the vines can climb. The better the soil in that spot, the more vigorous the vines and the greater the crop of gourds.

Should the soil be poor, it can be improved by adding organic matter of some sort (granulated peat moss, compost, manure, spent mushroom soil or what have you?) before seeds are sown.

These should be soaked overnight before planting, then set far enough apart to allow the individual vines to develop fully. It takes about 15 days for seeds to sprout. Meanwhile keep the soil moist.

After seeds have sprouted, the idea is to keep vines growing rapidly. Deep watering once

a week, fertilizer once a month, will help. Vines, once they're trained to the support, will climb by themselves.

The forms of gourds are many and fascinating. You can plant seeds of a mixture of fancy, small-fruited kinds or those of separate sorts like miniature bottle, nest egg, hedgehog, spoon, teasel or warted gourds.

Or you can grow the big fellows -- hercules club, powder horn, dipper, turk's turban, serpent. Don't these names intrigue you? The objects you can make from gourds will too -- but in order to make them in fall you'll have to sow gourd seeds now.

### Golden Circle Class Elects Officers

Golden Circle Sunday School Class of Texico First Baptist Church met in the home of Mrs. Marie Wall Tuesday night for election of officers for the coming year.

Heading the class as president is Mrs. John Hadley. Serving with Mrs. Hadley will be Mrs. Frances Boling, vice-president; Mrs. Minnie Hagler, secretary; Mrs. Iona Chappell and Mrs. Minnie Hagler, group

captains; Mrs. Ophelia Billing-ton, corresponding secretary and reporter; and devotional chairman, Mrs. Marie Wall.

Committees appointed included Mmes. Mildred Hill, Bernice Thigpen, and Iona Chappell, food committee; Mmes. Marcine Tipton, Vera McDonald and Margaret White, social committee; Mmes. Nora Day, Minnie Hagler and Evelyn Hadley, activity committee; and

Mrs. Clara Belle Smith, associate group captain.

Mrs. Nora Day led the opening prayer, and a devotional "All Things are Possible," was given by Mrs. Frances Boling, who used as basis for her discussion Mark 9, Matthew 19-26; and Luke 18-27.

The next meeting will be a salad supper at the church fellowship hall. Cake and coffee was served by the hostesses to Mmes. Nora Day, Ophelia Billing-ton, Minnie Hagler, Bernice Thigpen, Iona Chappell, Frances Boling, Vera McDonald and Marie Wall.

### Girl Scout Neighborhood Plans Years Work

The home of Mrs. Annette Black was scene for a meeting of the Girl Scout Neighborhood last Tuesday. Plans were made for the coming year and leaders for the various troops were named.

Brownie leader will be Mrs. Martha Curtis. Assisting Mrs. Curtis will be Mrs. Alice Vin-ton. Mrs. Norma Black will replace Mrs. Reta Dollar as Junior Troop leader. Mrs. Patsy Nance is Cadette Troop leader.

Members are looking into the possibility of acquiring a Girl Scout Little House in Farwell. Any person who has a vacant house which could be used for this purpose should call Mrs. Black or Mrs. T. J. Glenn. Any person who would be interested in assisting with "fixing-up" such a house, should one be acquired, is asked to contact either of the ladies previously mentioned.

The local Girl Scout program has 55 girls registered.

### Church Emphasizes Education

With the opening of school and the renewed emphasis on education, St. John Lutheran Church in Lariat is re-evaluating and seeking ways to improve its program of Christian education, states the pastor Herbert F. Peiman.

Special mid-week education classes for grades five through eight will be each Wednesday afternoon from 4:30-6:30 for the next 30 weeks, with Mrs. Mary Helen Gohlke teaching the subject, "When God Chose Man." Before her marriage, Mrs. Gohlke had several years teaching experience.

The seventh and eighth grades will study a two-year course, "This is the Christian Faith," taught by the pastor. After completing this course, pupils are considered ready for confirmation, and may become communicant members of the Lutheran Church.

The Board for Parish Education and the Sunday School teachers are using the month of September to get ready for

### School Lunch Schedule AT TEXICO

### Archeological Study Slated At Methodist Church

All persons in the area, and especially members of the Methodist Church are invited to attend a series of lessons on "Archeology and the Bible," at Hamlin Memorial United Church.

The study will be taught by Rev. Phil Baker at the evening services for the next six weeks. Services begin at 7 p.m.

Special studies and activities will be provided for children of all ages during the study.

### Hospital Notes

Mrs. Ida Landrum has been hospitalized in Friona at Parmer County Community Hospital since suffering a paralytic stroke last Thursday morning. She was showing a slight improvement at press time.

Oswell (Buddy) Jones, who was hospitalized in Clovis Memorial Hospital for several weeks following a heart attack, has returned to his home. However, he is still confined to bed and is not allowed visitors. His condition is described as "fair."

The old things are passed away.—(II Cor. 5:17)

### Clubs Have Achievement Day

Pleasant Hill Pals 4-H Club and Pleasant Hill Extension Club met in joint session at the community center recently for the annual achievement day for club members.

Billy Wilson, president of the 4-H club, presided over the meeting and several 4-H club members gave demonstrations. Demonstrations were "The Two Basic Stitches of Knitting," Rose Ellen Pattison; "How to Freeze Eggs," Diane Kelly; "How to Groom a Sheep," Dwayne Kelly; "Proper Equipment for a Sewing Box," Arline Servatius. Following the demonstrations, Billy Wilson showed slides of his recent trip to Washington, D. C.

Mrs. Leon Marks was assisted in judging exhibits by Karen and Ann Locknane. Re-

sults were as follows: Baking I - Charlene Whitener, red ribbon; Baking II - Sammie Pippin, blue; Baking III - Diane Kelley, blue, and Sherry Clark, red; Home Living II - Arlene Servatius, blouse, blue, biscuits, blue, pillow, red, and Elaine Kelley, blouse, blue, biscuits, blue, pillow, blue; Home Living III, Linda Wilson, dress, blue, pillow, red, muffins, white; Frozen Foods I, Sammie Pippin, blue; Frozen Foods II, Sherry Clark, blue; Frozen Foods III, Diane Kelley, blue.

Velma Kelley, Helen Kelley, Delores Eichenberger, Ruby McCormick and children, Ogatha Langford, and Mr. and Mrs. J. D. Kelley, Billy Dickson, County Agent, Carolyn Langford, Mrs. Donald Clark and Mrs. Howard Whitener, 4-H club leaders.

### 100 Attend Family Night

Approximately 100 persons were in attendance at the monthly family night at Farwell Country Club last Saturday night. Activities included an aquatic show, buffet meal, putting contest, caper room and teenage activities, and bingo. Activities are varied for all age groups.

The country club is designed as a low-cost family affair and presents a varied program for all family members. During the coming month, a practical course (street speaking) in Spanish will be offered along with courses in personality development and first aid courses.

These are only three of the approximately 45 courses planned in the coming months.

Other activities at the club include free group golf instruction and after football game mixers for the high school group.

Any person who is interested in joining the club should contact President Troy Christian or another member of the club. Cost for the club membership is \$20 per month for the first two years and then \$15 per month thereafter.

### Visits Daughter

Mrs. Virginia Sheets is visiting in Henderson, Ky., in the home of her daughter and family, Mrs. Pauline Scott. She will return home by way of Pauls Valley, Okla., to visit with two sisters and several other relatives.

### Joint Party Marks Children's Birthdays

A joint birthday party was held at Farwell City Park last week for Paul Langford, son of Mr. and Mrs. Delvin Langford, and Lucretia Turner, daughter of Mr. and Mrs. Charles Turner. The children were celebrating their seventh birthday.

Outdoor games were played after which the honorees opened their gifts. Birthday cakes were

decorated with the words "Happy Birthday Paul - Happy Birthday Lucretia." Individual cakes were served with punch to Mark Owens, Lisa Darby, Kim Marsh, Ruth Anne Whitesides, Annette Langford, Debbie Prather, Roger Johnson, Craig Kaltwasser, Mac Langford, Mark Gurley, James Ray Castleberry, Terry and Tommie Mesman, Lucretia and Polly Turner, Paul and Lisa Langford, and Mmes. Charles Turner, Leon Langford, Delvin Langford, Elmer Langford, Ray Castleberry, and Miss Diane Bush.

## IT IS YOUR MONEY You have a right to know these facts

You spend a lot of money for auto insurance. You have read wild statements about insurance costs and companies. If you would like some plain talk, here it is.

They say . . . Auto insurance companies are guaranteed a profit.

FACT: Before insurance companies can make a profit they have to first pay to have wrecked cars repaired or replaced, pay hospital and doctor bills for folks injured in auto accidents, pay for stolen or stripped cars, pay for cars damaged by hail, fire, wind or flood waters, pay wages or commissions to 95,400 Texans who give service to policy holders in every county in the state, pay taxes and operate their companies. If there is anything left after all these payments have been made, it is profit.

They say . . . Labor costs are a small part of auto insurance costs.

FACT: Labor costs make up the major part of auto repair bills and in some parts of Texas labor costs for auto repairs have increased in recent time by an amazing 40 percent.

They say . . . Auto insurance companies make too much money.

FACT: Look at this listing of the earnings by major industries in the United States as published by the First National City Bank of New York and as republished in the study developed by the Arthur D. Little Co., an independent research organization then judge for yourself:

They say . . . Texas auto insurance rates need to go up 11.4 percent.

FACT: The evidence is very clear. Accidents are up. Medical costs are up. Repair costs are up. Auto thefts and vandalism are both up. All this forces rates upward. Facts and figures prove that a 17 percent increase is needed now.

Profit in Relation to Net Worth

Common Carrier Trucking	22.9%
Air Transport	27.5
Miscellaneous Transportation	16.5
Electric Power	11.4
Iron & Steel Mfg.	9.5
Telephone & Telegraph	10.0
Auto & Truck Mfg.	22.8
Automotive Parts Mfg.	13.4
Fire & Casualty Insurance	2.8

They say . . . There is nothing you can do to lower your auto insurance costs.

FACT: You can't lower labor and medical costs. You can't lower automobile and parts costs. You can help reduce the number of traffic accidents and crimes against automobiles. The accident that doesn't happen does not boost the cost of auto insurance. The car that isn't stripped or stolen does not increase the cost of your auto insurance.

Let Governor Smith, your Mayor and your County Officials know that you want a stop put to Texas' growing traffic accident and crime tolls . . . that you want the law enforced. Good law enforcement can reduce accidents and crimes against cars.

Lower accidents and crime rates can mean lower auto insurance rates for you. Isn't this worth a little effort on your part?

# FIGHT BACK!

Fight the price/cost squeeze on your wheat with NITROMITE. Shamrock's fine brand of anhydrous ammonia.

A preplant application of NITROMITE speeds early growth, producing lush, high-quality forage (and plenty of it!)—an important factor if you plan to graze cattle this winter.

And the cash crop? NITROMITE delivers the most usable nitrogen per dollar to help increase yields without increasing cost appreciably. So come harvest, even if prices are low, you make out. If they're good, you'll be the big winner.

Put down NITROMITE now. It'll give you a fighting chance in the marketplace.

# SCHOOL

At this time of the year, all over our nation, boys and girls are leaving home to attend the school of their choice. Many, for the first time in their lives, will be away from home and their home church. They should be encouraged to, immediately, seek a church nearby where they may continue to worship the Lord, and have the companionship of friends with similar outlooks on life and God.

**ATTEND CHURCH**

IN YOUR NEW COMMUNITY

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

## Miss Hemke Bride Of James Calaway

Miss Linda Lou Hemke and James Lee Calaway exchanged nuptial vows August 23 in Bovina United Methodist Church.

Parents of the couple are Mr. and Mrs. James Hemke of Ashland, Nebr., and Mr. and Mrs. Robert Calaway of Bovina.

Rev. J. B. Fowler, pastor of the church, read the double ring ceremony. The couple exchanged vows before an altar draped with blue satin bows and white coid with white satin bells.

Given in marriage by her father, the bride wore a floor length gown of white peau de soie and pearlized Chantilly lace.

She carried a cascade arrangement of white orchids and symbolidiums mounted on a lace-covered Bible. She carried out tradition with her great-grandmother's Cameo ring for something old.

Miss Sharon Hemke of Ashland, Nebr., sister of the bride, attended as maid of honor. Bridesmaids were Gail Elliott, cousin of the bride, Lubbock; Linda McLelland, Vernon; and Vicki Jacobs of Bovina.

Attendants wore identical formal dresses of blue peau de soie fashioned with empire waists and stand up collars.

Flower girl was Kaylee Raikes, cousin of the bride, of Ashland, Nebr.

Ashland, Nebr. She wore a dress similar to bridesmaids.

Bobby Calaway of Spearman served his brother as best man. Groomsman were Randy Jones, cousin of the groom of Bovina, Bobby Chadwick of Amarillo and Billy Lynn Marshall of Bovina.

Candlelighters were James Chadwick of Farwell and Leslie Harrelson of Clovis, N.M. Ringbearer was Charles Hemke II, cousin of the bride, of Clovis.

Ushers were Jay Potts of Friona, James Chadwick of Farwell and Leslie Harrelson of Clovis.

Miss Zelda Donaldson provided traditional wedding selections and accompanied Mrs. Roger Ezell, who sang, "Whither Thou Goest," "More," "The Wedding Prayer," and "Always."

For her daughter's wedding, Mrs. Hemke chose a princess style dress of light blue crepe with a matching lace coat. She complemented her ensemble with a corsage of white orchids and white accessories.

The groom's mother chose a pink sheath with matching jacket trimmed with seed pearls. She wore pink accessories and a white orchid corsage.

The couple was honored with a reception immediately following the ceremony in Fellowship Hall of the church.

The bride's and groom's tables featured identical floor length satin cloths. The bride's table featured a three-tiered white wedding cake graced with crystal candelholders and blue tapers.

Hosting the reception were Mrs. A. M. Wilson, Mrs. Paul Jones, Mrs. Thomas Beauchamp, Mrs. Roule Barron, Mrs. Ralph Roming, Mrs. Euell Hart, Mrs. Sherry Hukill, Mrs. Lorado Servatis, Mrs. Phyllis Bates and Mrs. Bobby Calaway.

Serving at the reception were Mrs. Beverly Turney of Littlefield; Barbara Clawson of Bula, Brenda Gfeller of Vernon, Suzanne Wilson, and Randy Jones of Bovina and Jay Potts of Friona.

JEFFERY THARP

## Jeff Tharp To Seven Years Old

Jeffery Tharp, son of Mr. and Mrs. Lonnie Tharp, was honoree for a party marking his seventh birthday after school on Tuesday, Aug. 26.

A "marble motif" was used in the cake and decorations. The marble-cake was decorated with marbles, and party favors were marbles. The cake was served with punch to the honoree, Jeffery, and Greg and Mark Howard, Mike Snodgrass, Steve Doolittle, Steve Kittrell, Clint Tharp, his sisters, Debbie and Cherylee Tharp, and his parents, Mr. and Mrs. Lonnie Tharp.

## Gerald Glen Conner Born August 27

Mr. and Mrs. Vernon Conner of Lubbock, formerly of Oklahoma Lane, announce the birth of a second son, Gerald Glen, on August 27 in Highland Hospital in Lubbock. The infant weighs 6 lb. 12 oz. and is 21 inches long.

The other child in the family is three and one-half year old Gregory Vernon.

Grandparents of the new arrival are Mr. and Mrs. R. D. Dale of Oklahoma Lane and Mr. and Mrs. Leon Conner of Spearman. Mrs. R. D. Dale is in Lubbock visiting with the Conner family and making the acquaintance of her new grandson.

Mrs. Conner is the former Brenda Dale.

## Woman's Club Makes District Convention Plans

Texico Woman's Club met in a called session at Clara's Restaurant recently to make plans for the District III Woman's Club convention which will convene in Clovis on October 1. The Texico club and the Elida club are co-hostesses for the meeting. Mrs. Barbara Trimble, president of the organization, appointed committees to work on various plans for the district meeting.

Aileen Pearce, Margaret White, Janie Day, Jeanette Ramey, Gail Engram, Audrey Kittrell, Tommie Snodgrass, Lois Huddall and Barbara Trimble.

Mrs. Mamie Magness of Edinburg, Tex., is visiting in the home of Mr. and Mrs. Joe Magness and with other local relatives. She arrived Friday.

## Ray Fords Visit In Ft. Worth, Dallas

Mr. and Mrs. Ray Ford visited during the Labor Day weekend in Ft. Worth with Mr. and Mrs. Don Ford and in Dallas with Mr. and Mrs. Butch Ford. The entire group went to Egan, Tex., to attend the 50th wedding anniversary celebration of Mr. and Mrs. Charlie Green. Mrs. Green is an aunt of Mrs. Ray Ford.

The local couple returned home Monday.

## Sylynda Gurley To Five

The home of Mr. and Mrs. Dan Gurley was scene for a birthday party honoring their daughter, Sylynda, last Sunday. Sylynda reached her fifth birthday on Aug. 25.

Outdoor games were played by the children attending the party, directed by Mrs. Gurley, after which gifts were opened by the honoree.

Birthday cake, ice cream and punch was served at the close of the afternoon. The cake was baked in the shape of a large flower, with the petals a soft yellow and leaves and stems of the flower pastel green. Yellow candles centered the cake and the number "five" and the honoree's name "Sylynda" graced one of the petals. Guests were presented with favors of color books tied with a ribbon to which flowers and their names were attached.

Children attending the party included Donna and Gwen Neely, Steven Smith, Sharmy Christian, Staci, Scott, and Kristi Campbell, Andy Cobb, Lisa Langford, Polly and Lucretia Turner, and the honoree's brothers and sister, Mark, Matthew and Sharia Gurley. Mrs. Tim Campbell and Mrs. Edie Smith also attended the social.

## Attend Texas Production

In Palo Duro Park at Canyon recently to see the production "Texas", were Mr. and Mrs. Finis Jennings; their son and family, Rev. and Mrs. Al E. Jennings, Linda, Johnny and Rex of Vega; their daughter and family, Mr. and Mrs. Billy Watts, Cindy and Kayle of Farwell; Mrs. Jennings' sister and family, Mr. and Mrs. John Hughes, and Mr. and Mrs. David Hughes and Erik, all of Lubbock. Also attending was Mrs. David Hughes' mother, Mrs. Elsa Jonsson from Malmo, Sweden. The production, reports Mrs. Finis Jennings, was thoroughly enjoyed by all the group. Especially outstanding were the introduction and finale numbers on the show. Even though the guest from Sweden understood little of the English dialogue or song, she "got the message" of the pioneer Texas Plains spirit so ably portrayed, said Mrs. Jennings.

Mr. and Mrs. Finis Jennings along with the Hughes party, spent Friday night in Amarillo following the show. The Billy Watts family returned to Vega with her brother's family, the Al E. Jennings, Saturday morning, those staying in Amarillo drove to Canyon to see the Panhandle Plains Historical Museum on W.T.S.U. campus. In the afternoon following the tour, the Jennings - Hughes party went to join the rest of the family in Vega.

A fish fry was planned at the Al E. Jennings home. While this was being prepared, members of the group who had not

been to Boys Ranch, which is a short drive north of Vega, went there for a quick tour to show the place to the lady from Sweden.

Spending Saturday night in Vega, the entire group attended church services at Vega Methodist Church on Sunday morning, filling more than two pews.

Following church services and a chicken dinner at the motel dining room, pictures were taken so that Mrs. Jonsson would have some to take home with her to Sweden. Then the Hughes families had to leave for Lubbock, the Watts family left for their home in Farwell, and the Finis Jenningses returned to their home in Lubbock Monday afternoon.

## Magnesses Visit In Del Rio

Mrs. Loyce Magness of Cortez, Colo., is visiting in Bovina with the Wayne Magness family and in Farwell with the W. T. Magness family and with other relatives and friends.

Over the weekend Mrs. W. T. Magness joined Mrs. Loyce Magness and Mr. and Mrs. Wayne Magness and children for a trip to Del Rio and San Antonio. In San Antonio the Magnesses were guests in the home of Mr. and Mrs. Frank Staggs and in Del Rio they visited with Mrs. Jane Osgood. They also took a sightseeing trip to A cuna, Mexico, and the Amistad Dam.

## FHA Holds Formal Initiation

The Farwell Chapter of the Future Homemakers of America met Monday night at the homemaking cottage for formal initiation of new members. Sheila Garner presided over the meeting and minutes of the last meeting were read by Ruth Anne Blankenship.

Advice was given to the new members and a candlelighting ceremony was observed with eight girls participating. Parliamentarian Jana St. Clair discussed rules of the organization and future plans of the

group were discussed. A Coke party was planned for the fun initiation and chapter mothers were elected. Serving as chapter mothers this year will be Mmes. Delbert Garner, Gil Patschke and Donald Christian.

After completion of the business meeting, a style show was presented by Bobbie's of Farwell with Misses Jana Bass, Meredith Anderson, Alice Coffman, Leandra Chadwick, Nancy Patschke, and Jana St. Clair as models. The meeting concluded with songs and refresh-

## Family Has Reunion

The annual reunion for the Embry family was held at Hillcrest Park in Clovis last Sunday. The day was spent in pitching horseshoes, playing croquet, and visiting.

ments. Several visiting mothers, 48 girls and Mrs. Guy Austin, sponsor, were present for the meeting.

## Scouts Pass Swimming Tests

Farwell Girl Scouts had a swimming party at the country club recently with Mrs. Phil Baker serving as lifeguard for the party.

All members of the Junior and Cadette Troops passed their requirements for the "Water Fun and Swimming" badges. After the swimming party, the troops went to Farwell City Park for a wiener roast.

## Visit In Bell Home

Visitors in the home of Mrs. True Bell during the past week have been a sister and brother-in-law, Mr. and Mrs. Ike Emerson from Sabinal, Tex. Weekend visitors in the Bell home were Mrs. Jay Gary of Uvalde and Mrs. Joyce Coffee of Sabinal. Mmes. Gary and Coffee visited in the Bell home on their return from Ruidoso, where they had spent the week.

## Sixth Grade Has Party

Approximately 50 members of the Farwell sixth grade attended a swimming party at Farwell Country Club last week. Following an evening of swimming, refreshments of chips, dips, cookies and soft drinks were served. Lifeguard for the social was Mrs. Phil Baker.

Sponsors for the party included Messrs. and Mmes. Gene Hardage, Ted Magness, Gerald Norton, Billy Watts, Donald

Christian, Gilbert Kaltwasser, Leon Langford, and Mrs. Joyce Haseloff.

## Visits In Lubbock

# Portraying Area Homemakers

by Chris Moss

Mrs. M. A. (Peggy) Snider, Jr. is a lifelong resident of Farmer County, having been born and reared at Friona. She is a daughter of H. D. Mayfield and the late Mrs. Mayfield. Peggy attended school at Friona and following graduation attended West Texas State University. After ending her college career, she worked at the Farmers' Elevator in Friona for several months prior to her marriage.

She was married to M. A. Snider, Jr. in January 1951 and the couple immediately moved to the West Camp area, south of Farwell, where they made their home until nine years ago. They presently live at 500 Third Street in Farwell.

The Sniders are parents of three children: John, 17, and a senior at Farwell High School; Kim, 15, and a sophomore in the same school; and David, 11, and a sixth grade student at Farwell Junior High School.

The family is active in Hamlin Memorial United Methodist Church, where Peggy serves as president of the Chancel Choir and sings in the choir. She has also taught a class of fifth and sixth grade boys and girls in the Sunday School Department for the past 11 years. In addition she has worked for two years with the senior high Methodist Youth Fellowship.

Art, crafts of various kinds, sewing and cooking are special hobbies for this energetic woman who never lets life become dull, for even one moment. She has been painting since 1961 and since that time she has studied with several artists including Mrs. Lee Garrett, Chris Gikas and Dick Goetz. She is a member of the corporation of Paint 'N Place in Clovis, whose members formed the corporation six years ago. During this time, Peggy has showed many pictures, and has also sold several of her paintings. Peggy stated, "My first love is painting miniatures." Through the years she has painted many miniatures and given them as wedding and special occasion gifts to several friends as well as selling some.

Peggy also enjoys gold leafing and making decorative purses. In addition, she has made draperies and bedspreads and does a bit of knitting. She said, "I have been sewing since I was a little girl . . . making many of my doll clothes on my mother's sewing machine." Peggy makes most of her own clothes and those for her daughter, Kim. Through the years she has made costumes for her children and also for friends. Peggy also spends much time during the summer preparing

food and putting it in the freezer for the family's winter use. She especially likes to make unusual desserts and is always willing to try a new recipe.

In summing up her thoughts, "There are simply not enough hours in the day or days in the week for me to do all the things I would like to do!"

Peggy is sharing with our readers a favorite cinnamon coffee cake recipe and a chicken casserole recipe handed down by her mother.

### CINNAMON COFFEE CAKE

1 box Pillsbury hot roll mix  
Mix as directed and let rise 30 minutes;

1 stick plus 2 tablespoons oleo-margarine

1 cup sugar

2-3 tablespoons cinnamon

1 cup chopped pecans

Melt butter in saucepan and let cool to lukewarm. Roll yeast

dough on floured board in a rectangular shape. Spread with sugar, pour butter over sugar and mix sugar and butter, sprinkle cinnamon over sugar and butter mixture; last, spread pecans over cinnamon. Beginning with the long edge of rectangle, form into roll. Place in a circle on pan (preferably foil pan). Cut from outside nearly through. Turn each slice half way over and let rise an additional 30 minutes. Bake in 350 degree oven 25 minutes. Remove from oven and glaze while still hot using a mixture of powdered sugar and rich milk. Serve hot.

### CHICKEN CASSEROLE

1 chicken (cut up)

1 stick margarine

1/2 green pepper (chopped)

1/2 small onion (chopped)

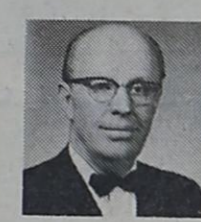

1 cup rice

ARTIST AND HOMEMAKER is Peggy Snider who spends many happy hours at her easel. However, she also spends many hours at her sewing machine and in the kitchen cooking favorite dishes for members of her family.
