Roughnecks Spoil Steer Homecoming

The Roughnecks of Sundown spoiled the Farwell High School homecoming festivities Friday night as they nudged the Steers 21-12. The hard-fought contest saw the Steers trail by a single point going into the final stanza, only to have the Roughnecks rally for two quick touchdowns in the final minute of play to clinch the win. Gary Erwin paced the Steers ground attack with 123 yards followed by Carl Goettsch who netted 109. Eddie Eberhart ripped the Steer defense for 159

yards to lead the Roughnecks. Robert Edwards, who handles the quarterbacking chores for Sundown, took the opening kickoff 18 yards to the Roughneck 42. He then guided his club to the Farwell 23 before the stolid Steer defense could check the drive. Junior QB Gene Sheets came in to direct the Steer offense, replacing starter Greg Hargrove who had suffered an ankle injury Wednesday during practice. They were unable to move, however, and were forced to punt. Danny Prince got off a

beautiful kick of some 69 yards which Mark Williams alertly downed on the Sundown one-yard line. Farwell again held and were left with good field position on their 45 following Fred Helms' punt. The Steers drove to the Sundown five, but a rigid Roughneck defense dropped them for three successive losses and forced them to give up the football. The Roughnecks again were denied the first down and forced to punt, giving Farwell custody on their own 39.

Sheets directed the offense to the Sundown 17 in nine plays on his own scrambling and the running of Carl Goettsch. Gary Erwin rambled the remaining distance for the TD with 8:50 remaining in the second quarter. The PAT attempt failed and the Steers held a 6-0 edge. The Roughnecks were quick to strike back as Eddie Eberhart raced 55 yards on the first play from scrimmage. Fred Helms added the extra and Sundown led 7-6.

Farwell was unable to move following the kick and were forced to give up possession. The Roughnecks began mounting a drive as they gained two first downs in moving to their 47. Mark Williams put a stop to that as he grabbed an Edwards pass to give the Steers possession on their 45. The Blue and White again drove deep into Roughneck territory only to have Helms intercept a pass on

White's chance to score again. Coach Jimmy Wynne praised the defensive play of the Wolverines. (Continued on Page 2)

Texico Loses To Fort Sumner

Playing their second home game of the season, the Texico Wolverines won the battle of the statistics but lost the battle of the all-important scoreboard. The Wolverine offense, gaining experience with each game, ground out a net of 130 yards against a more experienced Fort Sumner eleven. The Texico defense also played an important part in the game as the stalwart Wolverines limited the Foxes to only 126 yards of territory for their evening's work.

Again the first few minutes of the game were the difficult ones for the Wolves. Early in the first quarter, the alert Foxes recovered a Texico fumble on the hosts' 22-yard stripe and in five plays pushed over the first Fort Sumner touchdown. Moise Trujillo eased over for the TD from four yards out; and a pass from Vick to Lucero produced two points for the PAT.

Despite hard running by Albert Steward and Ken Farmer, the Wolverines were unable to sustain a drive in the first half and the midway point was reached with the score at 8-0, Fort Sumner. Texico opened the second half with Johnny Dane receiving Fort Sumner's kick on his 15 and returning it to the Wolves' 38-yard stripe. Again Farmer and Steward combined their talents and the Wolverines moved the ball 62 yards in ten plays to notch their touchdown for the evening. Farmer scored on a one-yard plunge. The try for two failed and the score was 8-6 in favor of the visitors.

The Foxes retaliated with a 52-yard drive in 12 plays and soon put eight more points on the board, leaving a gap of 16-6 in their favor. The last quarter saw both teams playing between the 20-yard stripes until late in the period when Texico took possession of the ball on Fort Sumner's 30-yard marker. In eight plays, the Wolverines had moved down to the visitors' one-yard line as the speeding clock ended the game and also ended the Green and

Steers Begin District Play

The Farwell Steers begin district play tonight (Friday) when they host the Springlake-Earth team at Steer Stadium. Game time is 8 p.m. Statistics show the Springlake-Earth team having played five games this year with four wins and one loss, their only loss came at the hands of Dimmitt. Farwell Coach Toby Booth states that Springlake-Earth has "probably one of the finest fullbacks in the area in 195-pound Terry Bridge." They also have a fine quarterback in Hoyt Glascock, a 190-pound boy. Coach Booth also states that the Springlake team is approximately some 25 pounds heavier than the Steer squad. The Steers have also played five games this year, taking wins from Plains and Friona and losing to Dimmitt, Morton and Sundown. Coach Booth states that the squad is in fair shape for the game. Greg Hargrove, quarterback, will probably be back in action this week after being absent from the game last week due to injuries to an ankle. "Gene Sheets did an excellent job at quarterback last week," said Coach Booth.

Lazbuddie Longhorns Slate Homecoming

The Lazbuddie Longhorns will be hosting Amherst in the homecoming football game tonight (Oct. 17) at 8 p.m. Homecoming festivities will be kicked off with a barbecue meal in the school cafeteria at 5:30 p.m. Tickets to the meal are available at \$1.75 for adults and \$1.25 for children. At half-time of the football game, a homecoming queen and football hero will be crowned. Candidates for the queen honors are Elaine Jesko, Raygena Treider, Lee Ann Harlan and

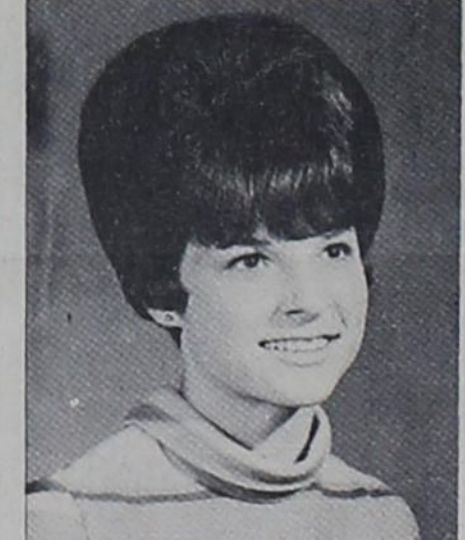

Delayne Steinbock. Hero contestants include Monte Barnes, Larry Hodges, Terry Scott and Darrell Matthews. The Longhorns lost their first game of the season to Bovina two weeks ago. This was also the Longhorns' first loss in regular season play in two years. Last year Lazbuddie defeated Amherst 45-19. In 1968, the Lazbuddie team amassed a total of 11 wins and one loss. Their loss came at the hands of Throckmorton in the regional game at Post. In

that game they were defeated 27-6. During the 1968 season they racked up an enviable record with a total of 473 points, giving up only 102 to their opponents. They averaged 39.2 points per game and held their opponents to an average of 8.5. Other records for that year include most points against an opponent in the Matador game, 74-6; most points in a season, 473; seven blocks on a TD punt return; 50 points in one half of a game with Alamo Catholic, and

a 65-yard punt by Monte Barnes. An 88-yard TD run was also made in the Alamo Catholic game. Highest individual rushing in a single game was turned by Frank Hinkson who had 196 yards. Monte Barnes turned in a total of 30 points in the Alamo game to take scoring honors for a single game. All area persons are invited to be at Lazbuddie tonight (Friday, Oct. 17) for the homecoming activities and to see an outstanding Class B football game.

The ingenuity of man is amazing. It is particularly amazing when he is separated from his favorite beverage. As witness the sham of the "private" club in Texas. The State Legislature in all its avaricious wisdom latched on to the idea of taxing drinks served in "private" clubs at the rate of 5¢ per slug. This devious idea to raise state revenue at the expense of the tippler is now meeting the same fate of many other devices to tax, restrict or curtail the thirst of the tired and dusty Texan.

The private clubs are now turning into "fraternities". Among the "fraternal" organizations presently being asked to confirm their status are the Benevolent Order of Impala of Texas, Club L'Amour Fraternal Association, The Fraternal Order of Moon Maidens, the Fraternal Order of Dart Players, and the Fraternal Order for the Preservation and Resurrection of Burlesque.

It appears to us that if a group of like-minded citizens can qualify for "Club" status they had ought to be able to qualify for "fraternal" status. After all, what greater love hath man than one drunk for another?

Among the many articles of American life, the good old newspaper ranks as one which has faithfully served mankind in a large and varied number of ways. The ingenuity of man in figuring ways to use his newspaper, after the family has read it, is truly amazing.

Those of us past the blush of youth can remember when the paper doubled as a good fly swatter; it could be properly folded and become a summer fan; it lined shelves, trunks and storage boxes. It was used to wrap a cake of ice for transportation to the farm; it was used to fill outsize boots and overshoes in the winter. Also in the winter, it could be stuffed inside a shirt for further insulation and warmth.

The morning fire was aided by a strategically placed newspaper and lit under a heap of cobs or coal or sometimes chips. We realize that the onrush of our society has outmoded many of the homey uses of the newspaper but ingenious mankind keeps coming up with additional uses.

Now newsprint is being tested as a fiber substitute in cattle rations. This appears to have merit for the future. Also, a scientific report says that shredded newspapers mixed with leaves and mulched into the lawn and flowerbeds will improve the soil characteristics of these hardpan baldies. Hooray for newspapers; we would rather be caught in the hills with a newspaper than a TV commercial.

While visiting at our favorite coffee spa the other day, someone at the table mentioned that many of the Texico citizens were refusing to pay the 25¢ per month fireboys fund assessment. We spent ten enjoyable years as a member of the Texico Volunteer Fire Department and feel a little qualified to speak in defense of this assessment.

The most important voluntary organization in any community is the volunteer fire department. Without a trained and functioning fire department, a small community the size of Texico or Farwell would be paying almost double the present fire insurance rate. Only \$4.00 per year into the fireboys' fund buys this reduced insurance rate. Also, there are some things beyond the value of money; the security which a fire department provides to the person, his home and his belongings.

This security is in many cases above compensation by fire insurance. To let any misunderstanding jeopardize this community safety feature is the height of folly.

Who do people think belong to a volunteer fire department? It's the neighbors of the community itself who are the members! Is it thought that department members are waxing fat on the 25¢ monthly fee? Any fireman can tell you quickly that the cost of clothing ruined alone is more than any personal gain he might derive from department membership. The time a volunteer takes from his work in fighting somebody else's fire is also a big item to consider. Who can set a value on a person's getting up at all hours of the night, winter or summer, to answer someone else's call for help?

It has been our observation (Continued on Page 2)

Coronation Highlights Homecoming

Highlighting homecoming activities at Farwell High School was the coronation of a Homecoming Queen and Pep Club beau at half-time of the Farwell-Sundown football game, Friday night.

Melody Roberts, senior, daughter of Mr. and Mrs. Bill Roberts, was crowned queen. Pep Club beau was Dean Stovall, son of Mr. and Mrs. Harold Stovall, and also a senior. Miss Roberts was crowned by Steer co-captain Greg Meeks. She was presented a bouquet of roses and gifts by the other co-captains, Doug Harriman and Robert Haseloff. Stovall was crowned by Cheryl Boling, representing the

Pep Club. Ruth Anne Blankenship, secretary of the Pep Club, presented Stovall with a gift on behalf of the club.

Following the coronation, Miss Roberts and her attendants were escorted to a float, especially built for the occasion, to watch the remainder of the football game. Prior to the game the queen candidates were driven around the football field in gold colored Bulks and Oldsmobiles loaned to the school for the occasion by Mr. and Mrs. Jim Wiman and Mr. and Mrs. Guy Austin.

Attendants to the queen included LaShawn Sheets, freshman; Kristy Taylor, sophomore; Jean Kirk, junior; and

Nancy Patschke, senior. Attendants to the Pep Club beau included Ty Phillips, freshman; Mickey Lunsford, sophomore; Gene Sheets, junior; and Bob Wiman, senior.

The Pep Club, sponsoring organization for the activities, extends thanks to Mr. and Mrs. Chase Chisman for the trailer for the float; to Mr. and Mrs. A. V. Warren and Mr. and Mrs. Elbert Landrum for the lawn furniture used on the float; and to the Wimans and Austins for the use of their automobiles.

Homecoming activities were kicked off with a huge bonfire and pep rally following the Yearling-Morton football game Thursday night.

PEP CLUB BEAU -- Dean Stovall, star end on the Steer football squad, receives a gift and a congratulatory kiss from Cheryl Boling, Pep Club president, after being crowned "Pep Club Beau" as Homecoming Queen Melody Roberts looks on. Stovall is a son of Mr. and Mrs. Harold Stovall and a senior at Farwell High School.

Sorghum Harvest 60 Per Cent Over

Combines in the Farmer County and Farwell area have been reaping one of the most valuable grain sorghum crops in recent years during the past two weeks. At the present time, farmers, elevator operators and personnel at the Farmer County ASCS office estimate that 60 per cent of the crop has been harvested.

In the Farwell area alone some 47,000 acres of grain sorghum has been raised this year. This is several thousand acres less than was raised in the area last year, according to Prentice Mills of the ASCS office. He states that one reason for the shortage of acres planted

to sorghum is the fact that some 6,000 acres was planted to corn for use as ensilage. In addition, some acreage went into the lay-out program.

While the acreage of sorghum locally is down this year the current selling price of sorghum is up. Last year at this time, grain sorghum was selling for \$1.75 per hundredweight. Current price of the grain is \$2.10 per cwt. One of the major reasons advanced for the higher price of the grain is the influx of cattle feeding operations in the immediate area, plus the short crops to the south of Farmer County. Mills says that from Cochran County south little grain sorghum was raised this year.

Some damage to the sorghum crop resulted from the hot, dry weather of August coupled with the cool, damp weather of September which followed. Most of the grain sorghum was not damaged by the severe cold weather which struck the area over the past weekend. However, Uvon Ford, whose crops were damaged severely by hail in July, estimates that the crops on his farm which were planted to grain sorghum after that time have lost 1,000 pounds per acre from the estimated yield from the freeze.

The cotton crops suffered heavily from the early freeze, however. Soybean crops in the area were not damaged by the cold weather, according to local farmers.

If the weather holds for another week most of the sorghum crops will be in the elevators, believe area farmers.

Sales Continue

Rummage sales sponsored by the local ESA Sorority will continue through the middle of November, according to information released by ESA president Mrs. JoAnn Liethen. Sales are conducted each Saturday from 3-5 p.m. in the building next door to Rose Drug. Mrs. Liethen invites any person having articles to donate for the sales to call any member of the sorority. The articles will be picked up immediately.

NOTICE

Randy Walker, spokesman for Boy Scout Troop 179, states that the car wash which had been scheduled for last Saturday was cancelled due to the bad weather. However, he says the car wash will be held in the near future. An announcement will be carried in the Tribune prior to the car wash.

verines in limiting Fort Sumner to only 126 yards total offense and to only eight first downs for the evening. Coach Wynne cited Ricky Pace and Ken Farmer for their efforts in containing the Foxes' running and passing game.

In commenting on the Tatum game to be played October 24 at Tatum, the coach said that this would be a very tough outfit as the team averaged 165 pounds per man and features a hard running fullback. In addition to size, Tatum will field an experienced team composed mostly of senior boys. "We have two weeks to polish our attack and to work on our defensive weaknesses. We expect to be ready physically and mentally for this game," added Coach Wynne.

Elmer Hargrove Weekly Winner --

Stovall Leads Football Contest

Last week five new entries were listed in the merchant's football contest. The week also saw a change in the overall lead in the contest, with Dean Stovall now ahead with 40 games

DELIGHTED -- Elmer Hargrove was most pleased when notified that he was first place winner of the weekly first place prize in the football contest. "I've been entering these contests for years," he said, "and this is the first time I ever won anything!" Calvin Meissner from the Lariat Gln presented Hargrove with the prize winning check at his home where Hargrove is recuperating from a recent heart attack. Hargrove called all of the games correctly and missed the tiebreaker score by ten points.

called correctly in the five weeks the contest has been in progress. Dean has been consistent in calling a high percentage of the games correctly each week; however, he has not been in the winner's column (weekly prizes). Also notable is the fact that more than 50 per cent of the persons listed in the top three places in the contest have not won the weekly prize money.

In second place in the event are Peggy Hargrove, Jerry Mathis, Melborn Jones, Bill Prince and Mark Williams, with 39 games called correctly. Tied for third place in the contest are Charles Dannheim, Elva Ruth Davis, Buck Gregory, Anita Henson, Jerry Meeks, Carlton Newell, Champ Porter and Vernon Scott. Each of the third place contestants has called 38 games right.

Winner of the first place weekly prize was Elmer Hargrove, who called a perfect score on the games and missed the tiebreaker score 10 points. In second place for the week was Pat Patrick who called all of the games right and missed the score on the Sundown-Farwell game 15 points. Harold Travis called nine games right and missed the tiebreaker score 15 points to beat several other persons who also called nine games right.

Others calling nine games right were Theo Actkinson, Houston Bartlett, Jim Berry, Ken Cole, Jencyce Ford, Jerald R. Gober, Buck Gregory, Buster Herington, Robin Mahaney, Bobbie McFarland, Jerry Meeks, Ruth Newell, Carlton Newell, A. L. Nuttall, Georgia Lee Rundell, and Dean Stovall.

Grand prize in the contest, which will continue for seven weeks is two tickets to the Cotton Bowl football game and \$50 expense money. Second prize is two tickets to the Sun Bowl game and \$25.

Local Man's Father Buried At Vernon

Funeral services were conducted Tuesday, October 14, in Vernon for F. H. Coburn, 93, father of J. T. Coburn of Farwell.

Mr. Coburn, who had been ill for a long while, died at his home in Vernon Saturday. He was a retired farmer.

Mrs. Coburn preceded her husband in death in 1963. Survivors in addition to the local man are two other sons, G. F. Coburn of Jacksonville, Fla., and Cleve Coburn of Medicine Mound; three daughters, Mrs. R. J. Ring Sr. of Wichita Falls, Mrs. Roy Morris of Vernon, and Mrs. Seth Reynolds of Orange; also 10 grandchildren and 16 great-grandchildren.

Texico Students Have Holiday

Students in the Texico School will have a two-day holiday next Thursday and Friday, while teachers are attending the annual meeting of the New Mexico Education Association in Albuquerque.

Students will be dismissed on Wednesday afternoon, Oct. 22, and will return to classes at the regular time on Monday, Oct. 27. However, on Friday night, Oct. 24, the Texico Wolverines will be playing a football game at Tatum.

GAINS A FEW MORE -- Gary Erwin, Steer back, rams for a few of Farwell's hard fought yardage as Barry Williams, No. 33, completes his blocking assignment. Farwell lost to Sundown, 21-12, in the game played at Steer Stadium last Friday night.

the Sundown 17. Dean Stovall repaid the favor in kind as he intercepted another Edwards pass with seven seconds remaining. Time expired, however, and Sundown nursed a 7-6 halftime edge.

Neither club could capitalize during the third quarter as the ball moved up and down the field. With about two minutes remaining, Danny Prince picked off an Edwards missile to give Farwell possession at midfield. The Steers drove to the 27, only to again be denied as Edwards pounced on a fumble to give Sundown control. Both teams were again stymied as they exchanged punts twice going into the final period. With about five minutes remaining to be played, the Steers began to mount a drive which went from their own 49 to the Sundown nine in six tries. Farwell again suffered a bad break as Eberhart pounced on a Steer bobble on the two with 2:47 remaining. Then on the very next play, he raced 74 yards before being bumped out of bounds by Dean Stovall to save the score. The Roughnecks were not to be denied as four plays later, James Hays punched over from eight yards out. Helms added the point and Sundown led 14-6.

Following an onside kick, the Steers moved to the Sundown 35 but Jessie Perez intercepted a pass and went 75 yards to paydirt with 18 seconds remaining in the game.

Stovall extracted a little revenge as he took the kick 85 yards for a TD. The try for points failed and the game end-

ed with the Roughnecks on top, 21-12.

Following the Sundown-Farwell game Coach Toby Booth commented, "Our blocking was as good as any time this year, our defense looked good, but the tackling was weak. We felt like the team played good enough to win; however, they made some mistakes."

Booth also commended quarterback Gene Sheets for his performance in the game, stating, "Gene did a fine job as quarterback last week and we expect that he will see much action in the district game this week."

DEFENSE AT WORK -- Doug Harriman, number 83, puts the stop to the Roughneck ball carrier as Mark Williams enters the play. The Steer defense weakened enough to allow the team from Sundown to cop the nod in last week's game.

District Play Begins --

Seventh Grade Defeats Bovina

The seventh, eighth and B football squads begin district play today (Thursday) Oct. 16, by playing Springlake-Earth at Springlake-Earth. Portraying Area Homemakers

by Chris Moss

Mrs. Pansy (Wolf) Ross, daughter of the late Mr. and Mrs. J. H. Wolf, was born near the small town of Broken Bow, Idaho, some 75 years ago. She lived in the area of Broken Bow until she was 15 years of age, attending the local schools. At that time she moved with her parents to Nampa, Idaho, where she lived until she was married to Amos Ross (a Texas Cowboy) in 1918.

The Ross family lived in various states including California, Nevada, Texas, Colorado and Oklahoma, during their married life, finally settling in Farwell about 15 years ago. Since the death of Amos Ross, Mrs. Ross makes her home with a daughter and son-in-law, Mr. and Mrs. James W. Patrick.

Mrs. Ross is mother of three other children in addition to the local daughter. They include Amos Ross, Jr., Mrs. Gail Pierson and Mrs. Patricia Renneis. Mrs. Ross also has ten grandchildren.

Although Mrs. Ross has never worked outside her home, she has always been a busy person. She spends much time crocheting, knitting, tatting and in making various other handwork. In the past year Mrs. Ross has crocheted three afghans. She has set the goal of making afghans for all her grandchildren. In the past few years she has also knitted several sweaters for family members.

She is an active member of the Farwell First Baptist Church, where she serves as president of Ruth Sunday School Class. She also spends much time visiting shut-ins and making small, useful gifts for friends and family members. Favorite hobby for this youthful lady is playing forty-two with a group of widowed friends.

Although Mrs. Ross is a busy woman, she is always alert for new recipes to tempt the pal-

ates of her family. She has found that two of the family favorites are rum cake for dessert and a pepper souffle casserole as a main dish. She was kind enough to share the recipes with our readers this week.

PEPPER SOUFFLE

Into a baking dish pour 1 small package Fritos. Mix 1 can creamed chicken soup, 1 medium minced onion, 1 can (4 oz.) mild chopped Ortega peppers, 1 can Carnation milk. Pour over Fritos and top with 1 cup grated Velveta cheese. Place in oven and bake 20 minutes at 350 degrees. Serve with tossed salad and dessert.

RUM CAKE

1 cup shortening
2 cups sugar
4 eggs
1 teaspoon vanilla
1 teaspoon lemon extract
1 teaspoon rum extract
3 cups flour

1/2 teaspoon soda
2 teaspoons baking powder
1 teaspoon salt
1/4 cup buttermilk

Combine first six ingredients, mixing 1 1/2 minutes in electric mixer; sift flour, baking powder, soda, salt and add alternately with buttermilk to first mixture. Pour into greased tube pan and bake at 375 degrees for 50-55 minutes. While cake is baking, make the following topping: Bring to rolling boil 1 1/2 cups sugar and 3/4 cups water; remove from heat and add 1 teaspoon rum extract. After removing cake from oven, stab top with long tined fork and pour topping over top of cake. Allow to cool, remove from pan and serve when desired.

The cake makes a delicious dessert any time, but is especially good during cool fall and winter weather or for the holiday season.

School Carnival Slated Tonight

Highlighting the affair will be the coronation of a Carnival King and Queen who will be elected by money vote. Votes are one cent each.

Johnny Dane; sophomores Debbie Tharp and Rickey Ketchersides; freshmen Jo Pearce and Gerald Whitener; eighth graders Linda Autrey and Randy Harrison; and seventh graders Beverly Duncan and Albert Galvan.

Two Injured --

10 Accidents In September

The Texas Highway Patrol investigated 10 accidents on rural highways in Parmer County during the month of September, according to Sergeant W. E. Wells, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed, two persons injured, and an estimated property damage of \$7,335.

The rural accident summary for this county during the first nine months of 1969 shows a total of 100 accidents resulting in three persons killed, 66 persons injured, and an estimated property damage of \$77,047.

The month of October will bring about a drastic change in driving habits. With the return to Central Standard Time on October 26, many motorists

will find themselves going to and from work in darkness. The increased hours of darkness will hide dangers otherwise visible during the daylight hours, the sergeant said.

The sergeant listed some factors why driving is more hazardous at night than during the day. (1) Reduced visibility prevents drivers from seeing hazards. (2) It has been longer since most drivers have slept and the resulting fatigue increases perception reaction time. (3) It is easier for drivers to become confused and panic. (4) More drinking drivers will be on the road.

These factors in varying degrees coupled with high speed cause accidents that would not occur in daytime.

For flavorful, nutritious appetizers try bacon fruit roll-ups. Wrap partially fried bacon around bite size pieces of fruit. Try cantaloupe, pineapple or banana. Brush the bananas with lemon juice so they won't turn brown. At serving time broil the appetizers about four inches from the heat for just about two minutes or until the bacon is crisp. Spear each roll-up with a pick and serve hot.

Teenage Mixer At Country Club

A "mixer" for all high school football players and their dates, and all teenage members of Farwell Country Club and their dates is slated at the Country Club Friday night following the Springlake - Earth - Farwell football game. All coaches and their wives are also invited to attend the social.

Refreshments of hot dogs, iced tea, hot chocolate and cookies will be served. There will be games of various kinds and also music, with plenty of fun for all, say planners of the event.

Hosts and hostesses for the social are Messrs. and Mmes. Gil Patschke, Claude Rose, Jr., and Gene Deeds.

Last week following the Farwell-Sundown football game, some 69 young people were in attendance at the mixer at the club. Hosting that social were Messrs. and Mmes. Webb Gopher, Troy Christian and Donald Christian.

A NEW BIBLE ...

for ME!

She really is delighted because her church is presenting her with a new Bible. She understands and appreciates this gift, because in earning it she has committed many verses to memory, and thus learned to value God's word. The churches desire that all would study and learn to love God. Plan to attend church and share in this knowledge and joy.

EVERYONE IN THE CHURCH HAS A CHURCH IN HEAVEN

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even the Church for the sake of the welfare of himself and his family beyond that, however every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny. The truth alone will set him free to live as a child of God.

Will It Happen Again Next Spring?

Buy "Wet Field" Insurance ...

PLOWDOWN NITROMITE THIS FALL

If the big rains come again next Spring, you're safe - with nitrogen already in the ground to give young plants a strong start. And you get the job done when the product, labor, and equipment are readily available. No last-minute rush.

Even if you graze stalks this fall, there'll still be lots of crop residue left in the field. NITROMITE plowdown will aid decomposition of this residue, releasing valuable nutrients for new plants in the Spring.

The clincher is at harvest: if ever there was a good time, this will be the year to give your crop a great big shot in the yield with NITROMITE, Shamrock's fine brand of anhydrous ammonia - 82% nitrogen for bigger, high-protein yields.

Fight back. Fight for your share of the big next year. PLOWDOWN NITROMITE THIS
