## Gridiron Guessing Game Sees 25th Anniversary

Next week will mark the 25th consecutive year that area pigskin prognosticators have probed the sports columns, checked with their favorite gridiron gurus, read crystal balls, or just plain closed their eyes and picked 12 teams they expected to win that particular week's football games.

It's the silver anniversary of the Tribune Football Contest sponsored by local and area merchants, and it gets underway Friday, Sept. 2, when the initial list of games will appear on the contest blank in the Tribune.

Two tickets to see the Dallas Cowboys play at Texas Stadium go to the top winner in the contest. And added to that prize will be free overnight lodging at the Regent Hotel, free transportation to and from Texas Stadium at Irving, and \$50 to help pay for the "extras."

Rules for the 1983 version of the popular Tribune feature will be the same as in the past: A person must be at least 12 years of age to enter. Entrants must choose the 12 teams he thinks will win the selected contests. Games will be divided among high school, college and professional ranks, and in case of a tie game, unless a tie is predicted by the entrant, that game will not be counted.

Each entrant must also remember to pick a tiebreaker score, a very important feature of the contest since many weekly winners are decided by the tiebreaker score, and several overall winners have also been determined by the tiebreakers.

The person naming the most games correctly each week will receive a check for \$7.50, and the person choosing the second highest number correctly will receive \$5.00.

Each week's scoring is tabulated and kept on record at the Tribune office. The standings are posted for inspection each Monday morning, and may be seen at anytime.

### Farwell Yearbooks Presented

The 1982-83 Farwell School yearbooks will be presented today (Friday) at 2:45 p.m. in the high school auditorium, announces Dorris White, yearbook sponsor.

The dedication of the publication will be made and then the yearbooks will be distributed. Several extra yearbooks have been received and these will be sold for \$15 on a first come, first served basis, says Mrs. White.

Persons who ordered the annuals during the past school term should plan to pick up their book at the presentation Friday afternoon.

### Texico Enrollment Shows 382 Students

Texico Schools report some 382 students enrolled for the 1983-84 school year, says Jim Pierce, superintendent.

The high school lists 140 students, 92 students have enrolled in the junior high, and 150 students are registered in the elementary grades.

The total figures show the Texico school system to be down some nine students in enrollment from last year, but the numbers agree with what school officials projected for this year, according to Pierce.

He also says the school is looking for any students who have not enrolled in school this year, especially any handicapped students who may need help in getting enrolled or getting to school. Anyone knowing of such students is asked to contact the school.

Last week the President of the United States and the President of Mexico got together for a neighborly chat. President Reagan must have thought that he was back talking to the Women's Caucus. All he seemed to get from the Mexican President was a lecture on how the United States ought to conduct its foreign policy in Central America.

We admire the two leaders for getting together because we feel that our country's biggest security threat in the future will be from Mexico. Some kind of dialogue ought to be maintained between these countries even if one side spouts arrant nonsense.

In this latest exchange of neighborly thought, President De la Madrid of Mexico opined that the U.S. ought not to use arms in Central America but to rather use our resources for social reforms.

Let's look at the track record in Mexico. Our vast infusions of capital have brought precious little in the way of social reform there. Today the citizens of Mexico are storming our borders at the very conservative estimate of hundreds a day. This indicates that all is not social and economic milk and honey in that country.

As for our largess, we find that as of the third quarter of 1982 these U.S. banks had loaned Mexico these sums: Citicorp \$1.9 billion, Bank of America \$2.5 billion, Manufacturers Hanover \$1.9 billion, Chase Manhattan \$1.6 billion, Chemical \$1.4 billion, J.P. Morgan \$1.1 billion, and we won't bother with the rather long list of those under a billion bucks.

Now during 1982 the peso almost slid into oblivion. In January of that year, 5,000 pesos equaled \$185 U.S. dollars; by December that 5,000 pesos weighed in at \$33. Our economic investment didn't buy much reform that year.

Other problems for Mexico? Well, consider population. For example, today Mexico City is currently the world's third largest city with 15.1 million people. By the year 2025, the projection is for it to rank first at 36.7 million people, packed like sardines. Mexico is probably 99 percent of a faith that eschews contraception and as a consequence, they are breeding themselves out of living space, growing space, and economic resources.

This mindless explosion in population coupled with their Socialistic and seemingly graft ridden governments makes them the number one candidate for social explosion of huge proportions.

A tip on the political bent of their leaders can be found in looking at Luis Echeverria who is now the head of the Socialist International. Echeverria was President of Mexico only two terms ago.

This dismal recital is about a country that is immediately adjacent to us, not half a world away.

Our Presidents need to keep the lines of communication open but also need to firmly keep in mind the best interests of this country in formulating our foreign policy.

Senator John Tower has decided that he has had enough of Washington. We can't blame him on that score. Our nation's Capitol is not a place of peace, quiet and tranquility.

However, Tower's action may jeopardize the Republican grip on the U.S. Senate, and if the liberal Democrats get a working majority in that chamber what little lid there is on big spending will fly off in a hurry.

Our own U.S. Representative Kent Hance of Lubbock immediately threw his hat in the ring, saying he had intended to run, and Tower's announcement just speeded up his time table. From a philosophical standpoint, Kent Hance would be very conservative and would, in our opinion, be preferable to the political likes of Bob Krueger.

Time will tell in Texas politics, but it ought to be quite interesting in the meantime. Tower leaves a big gap in Texas politics, and the very expensive scramble is on to replace him.

### Aw, Come On

Hogs can be onery critters, for sure and this one belonging to Texico 4-H'er Krystala Cross is no exception. Krystala just had the animal all washed when he decided to roll over in the cool water, undoing all the young lady's hard work. Krystala and

other Texico 4-H and FFA members will exhibit their swine and sheep in an Achievement Day show at Texico Schools Saturday, Aug. 27, starting at 9 a.m. MDT. The Achievement Day is held to help entrants prepare for the upcoming Curry County

Fair where they will be showing their animals. Trophies will be awarded to the Grand Champion and Reserve Grand Champions at Saturday's event, and participants will be given tips on grooming and showing their animals.

### 4-H, FFA Members - -

## Achievement Day Set Saturday At Texico

In preparation for the upcoming Curry County Fair, Texico FFA and 4-H Club members will participate in an Achievement Day Saturday, Aug. 27, at Texico School.

Site of the event will be between the old gym and the ag building on the Texico School grounds. Students will be showing swine and sheep with weighing of the animals taking place between 7 and 8:30 a.m. MDT.

Judging will begin at 9 a.m. with the swine show to be immediately followed by the sheep show.

This year's judge will be Lawrence Widner of Bovina, ag

instructor at Bovina High. Serving as superintendent will be Richard Hadley of Texico.

Trophies will be given to the Grand Champion and Reserve-Grand champion winners in each show, and ribbons will be awarded to the other winners.

Those youngsters belonging to the 4-H Boosters may also exhibit their animals at Achievement Day. Boosters need not own the animal they show, and ribbons will also be presented to these youngsters, according to a 4-H sponsor.

Those participating in the show will need to have their pens for the animals at the

school on Thursday or no later than Friday morning. Participants are asked not to oil their pigs due to the hot weather; however, both pigs and sheep should be clean.

Entrants are also asked to bring one dozen cookies or brownies to the activities. These will be sold rather than having an extensive concession stand this year. All proceeds from the sales will be used to pay the judge and to purchase ribbons.

Fair entry cards and fairbooks will be available at Achievement Day, and those participating are asked to give their completed fair entry cards to Eddie or Kay West no later than Thursday, Sept. 1, so that they can get the cards signed and turned in to the County Extension Office.

Everyone is invited to attend the Achievement Day show which is designed to give the students and their animals experience before the fair. All animals will be shown and each participant will be given tips on improving his animal before fair time.

### BTD Committee To Meet Monday

Border Town Days Committee will meet Monday, Aug. 29, at 8 p.m. at Luce's restaurant for its final wrap-up session, John Getz, chairman, announces.

Members are asked to please be present for this final meeting of the year. "All committee chairmen or their representatives are especially urged to attend to give their final reports," Getz said.

The BTD Committee is comprised of representatives of all social and civic organizations in the Twin Cities.

All interested persons are also invited to the meeting. The Committee would appreciate suggestions for adding to or improving next year's celebration.

### 459 Students Enroll At Farwell Schools

According to Farwell School Superintendent W.M. Roberts, a total of 459 students enrolled for the fall semester at Farwell Schools during opening day Monday, Aug. 22.

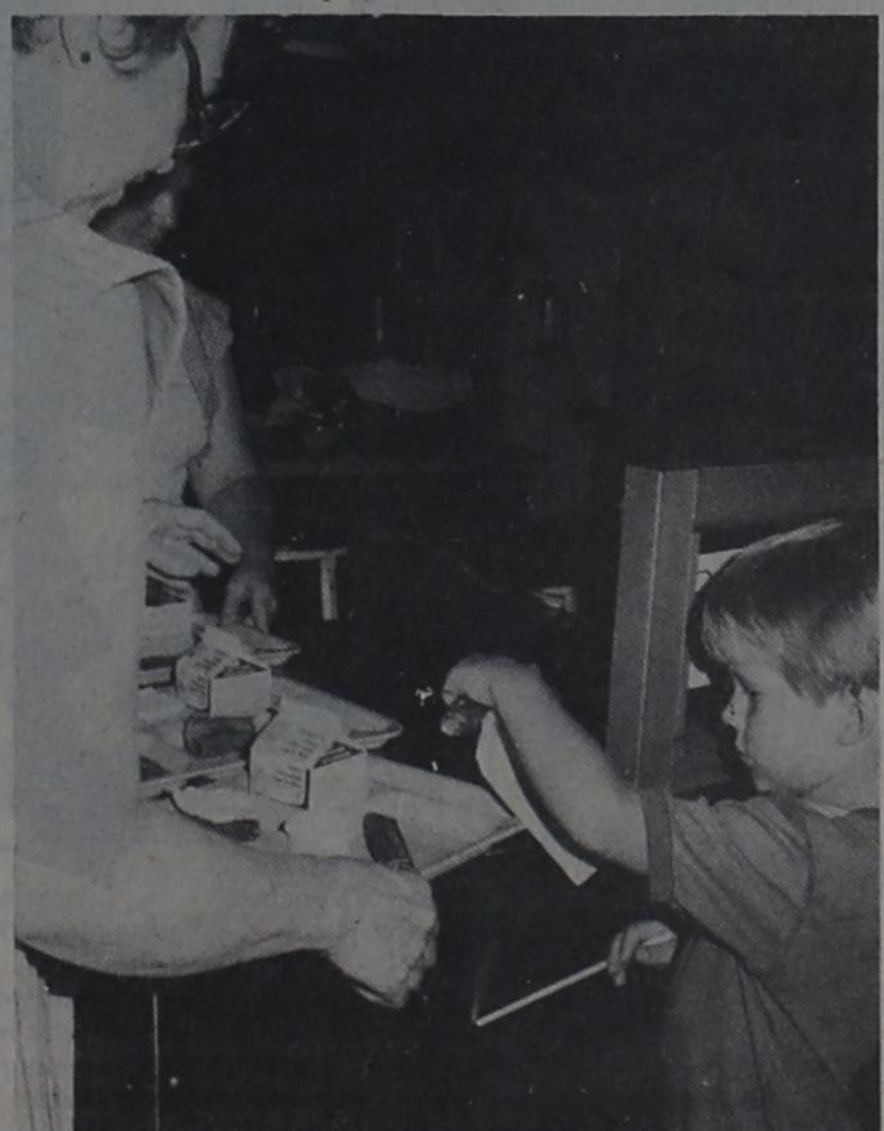

The 459 total is down only six from the 1982 opening day figure of 465, and a drop of 22 from the 1981 total of 481 students. Roberts says that it is entirely possible that the figure will increase during the coming weeks with a few late registrations.

A breakdown of the total

is, pre-kindergarten, three; kindergarten, 40; first grade, 42; second grade, 27; third grade, 36; fourth grade, 46; and fifth grade, 27; for a total in the elementary grades.

In the junior high, 40 students are in the sixth grade, 42 are in the seventh grade, and there are 26 eighth graders for a total of 108.

The 130 total high school enrollment includes 40 freshmen, 35 sophomores, 30 juniors, and 25 seniors.

### All In A Day's Work

Getting acquainted with the cafeteria routine is just a part of life for first graders during the first days of school, and here, Justin Mahaney, Farwell first grader, puts his silverware, straw, and napkin on his lunch tray as his teacher, Lynn Roberts, lends a helping hand. Linda Moss, head cafeteria

cook, can be seen in background preparing other trays. Justin, the son of Mr. and Mrs. Robin Mahaney, was one of 42 first graders who enrolled at Farwell on the opening day of school Monday. A total of 459 students registered for classes in the school system, according to W.M. Roberts, superintendent.

Merchant sponsors and their families may enter the contest; however, Tribune employees and their families are ineligible for the guessing game.

All entry blanks should be turned in to the Tribune office by 5 p.m. CDT Fridays, or if mailed, must bear a Friday postmark.

Winner of the contest last year was T.J. Kittrell of Farwell who also won the top prize in 1970 when the grand prize was two tickets to the Cotton Bowl. Kittrell edged out Roy King of Texico to win last year as both entered the final week of

the contest tied for the lead.

Consistency is the real name of the game and it pays for persons to enter the contest each and every week to add up the score. Even if a person never picks an 11 or 12 to win a weekly check, he might take the overall prize with a consistent eight or nine weekly tally.

Other persons who have been named winners in the 24 years of the annual guessing contest include Bunk Phillips, Maxine Williams, Ken Horn, Jerry Dee Owen, A.D. Kirk, Thelma Alexander, Dodie Atkinson, Doris Herington, Dee Owen;

Also, C.L. Mahaney, Mrs. Roy Everett, Greg Hargrove, T.J. Kittrell, Terry Craft, Becky Taylor, W.M. Roberts, Sam Gonzales (who also won twice), Gay Goettsch, Jerry Roddam, Rusty McFarland, Dale Sikes, and Earlene Porter.

So all you would-be coaches, quarterbacks and second guessers pick up an entry blank for the contest and get in on the fun and maybe the money starting next Friday.

A list of merchants sponsoring the 1983 contest will be published in the Tribune next week.

### Busy Week Reported By County Law Officials

Law officers in Farmer County had a busy week with many arrests being made and reports made of burglaries, thefts and an attempted break-in, according to Bill Morgan, county sheriff.

Tony Johnson of Farwell reported August 18 that his vehicle had been run into while he was parked at the Capitol Foods parking lot in Farwell.

Also on the 18th Joe Lust of Dimmitt reported that his farm house at Lazbuddie had been burglarized with a metal bedstead, box springs and mattress being taken.

A spokesman at Tide Products in Farwell reported on the 18th that someone had apparently attempted to kick in the front door of the building. Entry to the building was not gained; however, damage to the door was estimated to be about \$200.

On Sunday, Aug. 21, James Curtis of Farwell reported the theft of two batteries and a five-gallon oil can from his farm. Estimated cost of the items was \$75.

In other action this week, David Leal, 24, of Amarillo was sentenced to 10 days in jail on charges of contempt of court for nonsupport. He was ordered to pay \$1,600 in back child support.

Three arrests were made Saturday, Aug. 20, by Texas Highway Patrol officers, including:

Benito Arizmendez, 50, Bovina was arrested on charges of DWI. He was fined \$400 plus court costs and given three days to serve.

Victor Velasquez, 30, of Uvalde was arrested for public intoxication. He was fined \$35 by Justice of the Peace Albert Smith.

Arnulfo Cantu, Jr., 54, of McAllen, Tex., was also ar-

rested on charges of public intoxication and was fined \$35 by Justice of the Peace Smith.

Wayne Noble, 20, of Amarillo was arrested Monday, Aug. 22, by Texas Highway Patrol officers for driving with a suspended license. He was fined \$200 plus court costs and given three days to serve.

Freddie Walker, 32, of Friona was sentenced Thursday, Aug. 18, to serve 10 days in jail for contempt of court for nonsupport. His jail term is to be served on weekends.

### Parmer Grand Jury Indicts 9 Persons

Nine persons were indicted by the Parmer County Grand Jury at its session Tuesday, Aug. 23, in the county courthouse, including: Richard Mora, 24, Able Sanchez, 18, and Juan Sanchez, 23, all of Bovina, were indicted on charges of theft of livestock.

Duane Cole, 20, of Friona was indicted on charges of indecency with a child.

Tony Morin, 19, of Friona was

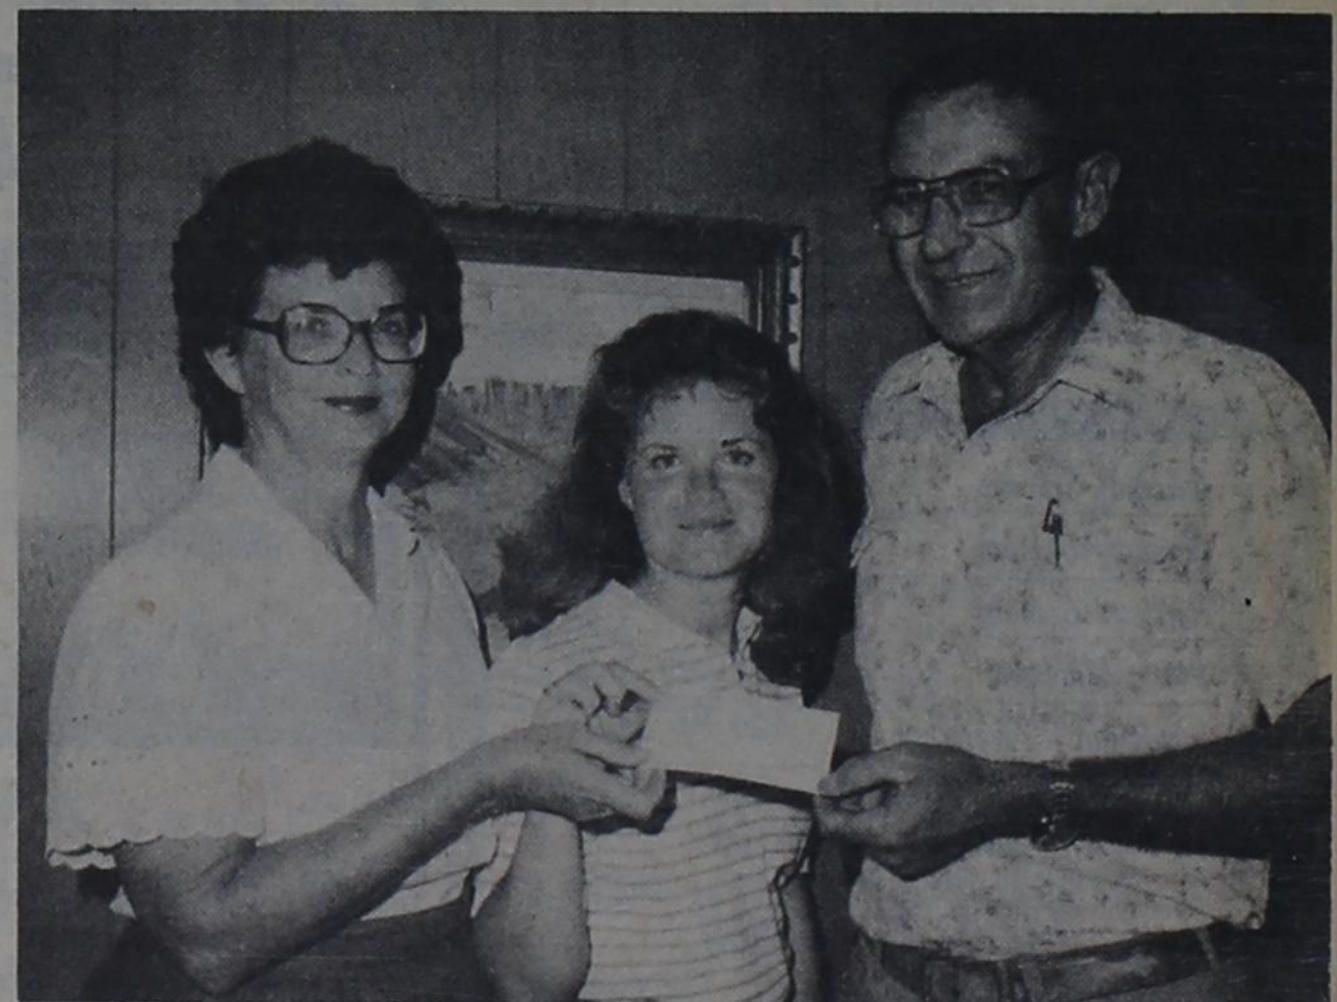

indicted on three counts of burglary.

Richard Dimas, 18, of Friona was indicted in two counts of burglary.

Jimmy Jarrett, 18, of Friona was indicted on one charge of burglary.

Anthony Garcia, 26, of Lubbock was indicted for burglary.

Charlotte Sanford, 21, of Littlefield was also indicted for burglary.

### Funds For Civic Center

Theta Rho chapter of ESA sorority this week presented a \$1500 check to the Farwell City Council to be applied to the renovation of the old bowling alley which is to be used as a community center for Farwell.

Making the presentation are LaMoin Williams, left, president of the sorority chapter, and Leslie Lunsford, ESA treasurer. Accepting the check on behalf of the city is Fred Chandler, city councilman. Representatives of

local civic and social organizations toured the building recently and are to meet with the City Council at its next meeting to help formulate ideas for the building's renovation project.

## Funeral Held Saturday For Mrs. Betty Doshier

Funeral services were held Saturday, Aug. 20, for Betty Jeanette Doshier of Texico who died Thursday, Aug. 18, at Lubbock Methodist Hospital.

Mrs. Doshier was born January 1, 1937, in Clovis, growing up in the Texico-Farwell communities. She married Vane Doshier, August 8, 1964 in Texico and worked as bookkeeper in their place of business, Twin City Machine Works in Farwell. She was a member of the First Baptist Church of Texico.

Officiating at the funeral services at First Baptist Church, Farwell were Rev. Jimmy McGuire and Rev. Condy Billingsley. Interment took place at the Texico Cemetery, under

the direction of Steed-Todd Funeral Home.

Survivors include her husband, Vane, of the home in Texico; her children, Tammy, of the home, and Joe and Starla Christopherson of Farwell; her parents, Mr. and Mrs. H.H. Billingsley of Texico; her grandmother, Mrs. E.F. Billingsley of Farwell; one sister, Glenda Thigpen of Texico; and three brothers, Butch Billingsley of Clovis, Jackie Billingsley of Texico, and Danny Billingsley of Clovis.

Pallbearers were Skippy Magness, Bryan Kube, Lewis Cooper, Martin Kube, Joel White, and Smokey Gast. Honorary bearers were the Texico fireboys.

## Sam Dragers Open New Feed Business In Farwell

Farwell's newest business is a feed store, Circle D Feed Supply, owned and operated by Mr. and Mrs. Sam Drager, located on Avenue A at the east edge of Farwell.

The Dragers have just opened the store which will handle a full

line of feed supplies including eight types of hog feed, five types of horse feed, a wide variety of cow and calf feed, as well as oats, maize, and alfalfa hay.

In addition to the livestock supplies, the store will also

carry food for dogs, cats, rabbits, and poultry.

"I wanted to give the people of these towns a choice of where they want to buy their feeds, livestock supplies, and garden supplies," says Drager.

He is putting in a section of the store to house garden supplies, such as pesticides, potting soils, hand tools, and bulbs. The store owners also have plans to sell garden seeds and plants in the spring of next year.

The store carries a good stock of show stock supplies, including halters, sticks, brushes, feeds, and other necessary supplies for those exhibiting their stock in competition.

"We have a lot of things in stock now and more on the way, so I think we will have something for just about everybody. At least I hope so. If I don't have something, I can usually get it with no problems. We want to have a complete livestock supply store without the vet supplies," explains Drager.

Store hours are 8 a.m. to 6 p.m. CDT Monday through Friday and 8 a.m. to 3 p.m. CDT on Saturday; however, according to Drager, "If the season is busy or there are people still coming in, I'll stay open later."

### New Business

Sam Drager, with cart, unloads a truck of feed at his new business located on Avenue A on the east edge of Farwell. Sam and his wife Carrie opened the business Monday of this week and store hours are 8 a.m. to 6 p.m. Monday through Friday and 8 a.m. to 3 p.m. Saturdays. The

Dragers plan to expand the business into a garden center and will also handle a line of show tack plus the many feeds available for all types of livestock and poultry. Name of the new business is Circle D Feed Supply.

### Booster Club Boosters

Farwell Booster Club had its initial meeting for the new school year Tuesday night and named officers for the new term. Troy Christian, center, was re-elected president; Lee Nell Eubank was re-elected

secretary; and Vernon Thigpen was elected vice-president. The Club will host an ice cream social for Farwell and Dimmitt football players following tonight's [Friday's] scrimmage

at Steer Stadium. The Club also heard financial reports and made plans for fund-raising projects which include selling caps bearing the Farwell Steer logo.

## Farwell Booster Club Elects Officers, Slate Ice Cream Social

At the Farwell Booster Club meeting Tuesday night officers were elected and plans were made to host an ice cream social for the Farwell and Dimmitt football players following tonight's scrimmage. The scrimmage begins at 6 p.m.

Troy Christian was re-elected for another term as president of the organization and Lee Nell Eubank was re-elected Booster Club secretary. Serving with them will be Vernon Thigpen, vice-president.

Following the scrimmage session with Dimmitt tonight (Friday) the players from both teams, along with the fans, will be treated to homemade ice cream. Members ask anyone who can to please bring a freezer of ice cream for the social.

The meeting began with an update on the Steers from Coach Bruce Dollar who spoke on the team's strategies and a brief summary of the opposing teams for this year. He said the Steers are picked to win in the district this year.

The cheerleaders will be selling game programs at each game and are currently selling ad space in the programs. Anyone wishing their name in the programs may contact any of

the cheerleaders. Cost of each space will be \$3.

The Booster Club membership drive is in full swing, and the fee will be \$10 per person or family for one year.

For fund-raising projects, Booster Club members will be selling caps with "Farwell Steers" printed on the front with the Steer logo. The cost of each cap is \$5 and they may be purchased from any Booster Club member.

A bus trip is scheduled to attend the Seagraves game Friday, Sept. 23. Cost of the trip will be \$11 per person. Places on the bus will be sold on a first come, first served basis and anyone wishing to take the bus to the game may contact any member of the Booster Club.

The Boosters will again sponsor the Coming Home Queens at this year's homecoming game.

Booster Club meetings will be each Tuesday night at 8 p.m. CDT at Luce's following a Friday night game.

## Texico Booster Club Sets Plans For Year

As the school year begins and another season of sports starts, so do activities of the Texico Athletic Booster Club. The boosters met for the initial session of the year Thursday, Aug. 18, to formulate plans for the upcoming year.

Topping the list of discussions were activities concerning the football and volleyball teams who are busy with their seasons at this time of year.

Setting up by-laws for the club and deciding on an official title for the booster club were delegated to committees which will meet sometime after the Curry County Fair week.

Another committee was as-

signed the duties of checking into the making and distribution of signs to be placed in the front yards at homes of the varsity athletes.

Committee members also began making plans for a watermelon feast to honor the varsity players and cheerleaders Wednesday, Aug. 24.

Meeting dates were set for the upcoming months, including, Thursday, Sept. 22; Monday, Oct. 10; Tuesday, Nov. 15; Monday, Jan. 9; Monday, Feb. 13; Monday, March 12; Monday, April 9; and Tuesday, May 1.

All meetings will be at 7 p.m. MDT in the high school library.

## Activities Aplenty On Tap For '83 Curry County Fair

Curry County Fair activities will be the talk of the area for six full days this year as the annual show comes around, September 5-10, in Clovis.

This year's fair will have some new features as well as the old standards such as the stock shows, arts and crafts competition and tractor pull.

One brand new feature will be the talent contest sponsored by the Curry County Fair with the Xi Alpha Chapter of Beta Sigma Phi sorority serving as chairman for the event.

The talent contest will allow local people the opportunity to show their talents and have a chance to win trophies. Trophies will be given to the first, second, and third place winners in each of the five categories, say contest sponsors.

Categories include booster, five years of age and under; junior, six to 12 years of age; senior, 13 to 18; adult, 19 to 60; and senior citizens, 61 years of age and over.

Phil Scott will be master of ceremonies for the talent show and tentatively scheduled to serve as judges are Lendra Hailey, Jeffie Hamar, Norvell Howell, Marsha Brandon, and Scott Rebtov.

Entry forms for the competition may be obtained at the Curry County Extension office located in the courthouse on Main Street in Clovis.

A favorite of the kids, young and old, is the carnival and midway games. Both of these activities will be open each day of the week for the enjoyment of everyone.

All times shown for competitions are Mountain Daylight Time.

Kicking off the fair's first day, Monday, Sept. 5, will be the Appaloosa Open Performance and Youth Activities show at 1 p.m.; the wool lead class at 6 p.m.; and the Appaloosa Halter Show at 7 p.m.

Tuesday's events will include the All-breed Western Horse Show, 8 a.m.; Junior Market Swine Show, 5 p.m.; Shearing and Weaving Demonstration, 5 p.m.; and the Talent Show at 7 p.m.

Events on Wednesday include: All exhibits open for viewing 10 a.m. to 10 p.m. each day; breeding sheep show, 10:30 a.m.; Open Beef Show, 2 p.m.; Junior Breeding Cattle Show; Junior Dairy Show; Junior Market Steer Show, 4:30 p.m.; Rabbit Showmanship Contest, 4:30 p.m.; Little Buckaroo Ro-

deo, 6 p.m.; and the Youth Pet Show, 7 p.m.

Included in Thursday's events are Dairy Goat Show, 8 a.m.; Curry County Youth Horse Show 9 a.m.; Junior Market Lamb Show, 4:30 p.m.; Watermelon Contest, 5 p.m.; Watermelon Eating Contest, 5:30 p.m.; Garden Tractor Pull, 7 p.m.; and Art Demonstration, 7 p.m.

All school children will be admitted to the fair free from 2 p.m. to 6 p.m. on Friday only.

Scheduled events for Friday include, Curry County Youth Performance Horse Show, 9 a.m.; Horseshoe Pitching Qualifying, 1 p.m.; "Wheelee the Clown," 3 p.m.; Curry County Milking Contest, 5:30 p.m.; Tractor Pull, 7 p.m.; Square Dancing, 7-9:30 p.m.; Dog Show, 8 p.m.; High Plains Muzzle Loader 8 p.m.; and Team Roping, 5 p.m.

The final day of the fair will be Saturday, and events scheduled include AQHA Performance Cattle Classes, 8 a.m.; Junior Livestock Sale, 9 a.m.; AQHA Youth Halter Show, 11 a.m.; the Old Timers Celebration, 10 a.m.; the Old Timers Dinner, noon; Mini Tractor Pull, noon; Tractor Pull, 1 p.m.; AQHA Performance Horse Show, 1 p.m.; Old Fiddlers Contest, 4 p.m.; AQHA Halter Show, 6 p.m.; Rainbow Poppin' Puppets, 7 p.m.; and the Tractor Pull, 7 p.m.

All area residents are urged to pack up the kids and head for the fair sometime during the week to see all the livestock exhibits, displays of home canned garden produce, arts and crafts displays, and many other exhibits, take in the carnival and midway fun, and enjoy a good time at the 1983 Curry County Fair.

## Texico Council Tables Street Closing Request

At the regular Council meeting Tuesday night, Aug. 23, Texico City Councilmen tabled a request from the Texico School to close Griffin Street at the south side of Eunice Street during school hours.

Closing the street would mean that all vehicles parked in front of the Texico Junior High building before school hours would remain in that parking lot until the barriers are removed after school has been dismissed for the day. This will also stop any parking in the spaces just south of the high school building during school hours, moving all parking to the side of the street to the north of the high school.

In other business the Council agreed to obtain updated appraisals of the city buildings on

the recommendation of the city insurance agent.

Mickey Fenn, city marshal, will attend a police seminar in Carlsbad in September.

Vouchers from the two cancelled meetings, July 26 and August 9, were ratified by the Council members.

Both the bill and the judge's report were approved and the next meeting of the Texico City Council was set for Tuesday, Sept. 13, at 6:30 p.m. MDT in city hall.

Those present at the meeting were Mayor John R. Hadley, councilmen Vane Doshier and Truman Kittrell, and city employees Mickey Fenn, Glenda Thigpen, Marie Christian, and Billy Hammit.

# Kevin West Is U. S.

## Nat'l Award Winner

Kevin West, a senior at Texico High School this year, has been named a 1983 United States National Award winner for his participation and achievement in Student Council and basketball at Texico High.

Kevin was nominated for the Student Council award by Ken Shaw, high school principal and Student Council advisor, and was nominated for the basketball honor by his coach, Scott Parker. Kevin's biography will appear in the 1983 edition of the United States Achievement Academy Official Yearbook.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors, or other school sponsors and upon the standards of selection as set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit,

dependability, and recommendation from a teacher or director.

Kevin, the son of Mr. and Mrs. Eddie West, is serving as president of the Student Council at Texico High for the 1983-84 school year.

### PLAY STIMULATES BABIES

Most of us think that playing with our babies is something we do just to entertain them or to express our love. But research shows that quality interaction with a significant, caring adult also contributes to a baby's mental development.

Many studies demonstrate that infants who receive stimulation during the first year of life are more likely to do well in kindergarten and early elementary school experiences. Parents who read books to their children, sing and talk to their children, answer their questions, and play with them in a stimulating way are more likely to have children with higher levels of mental development.

Research done in the 1960's first showed that infants and

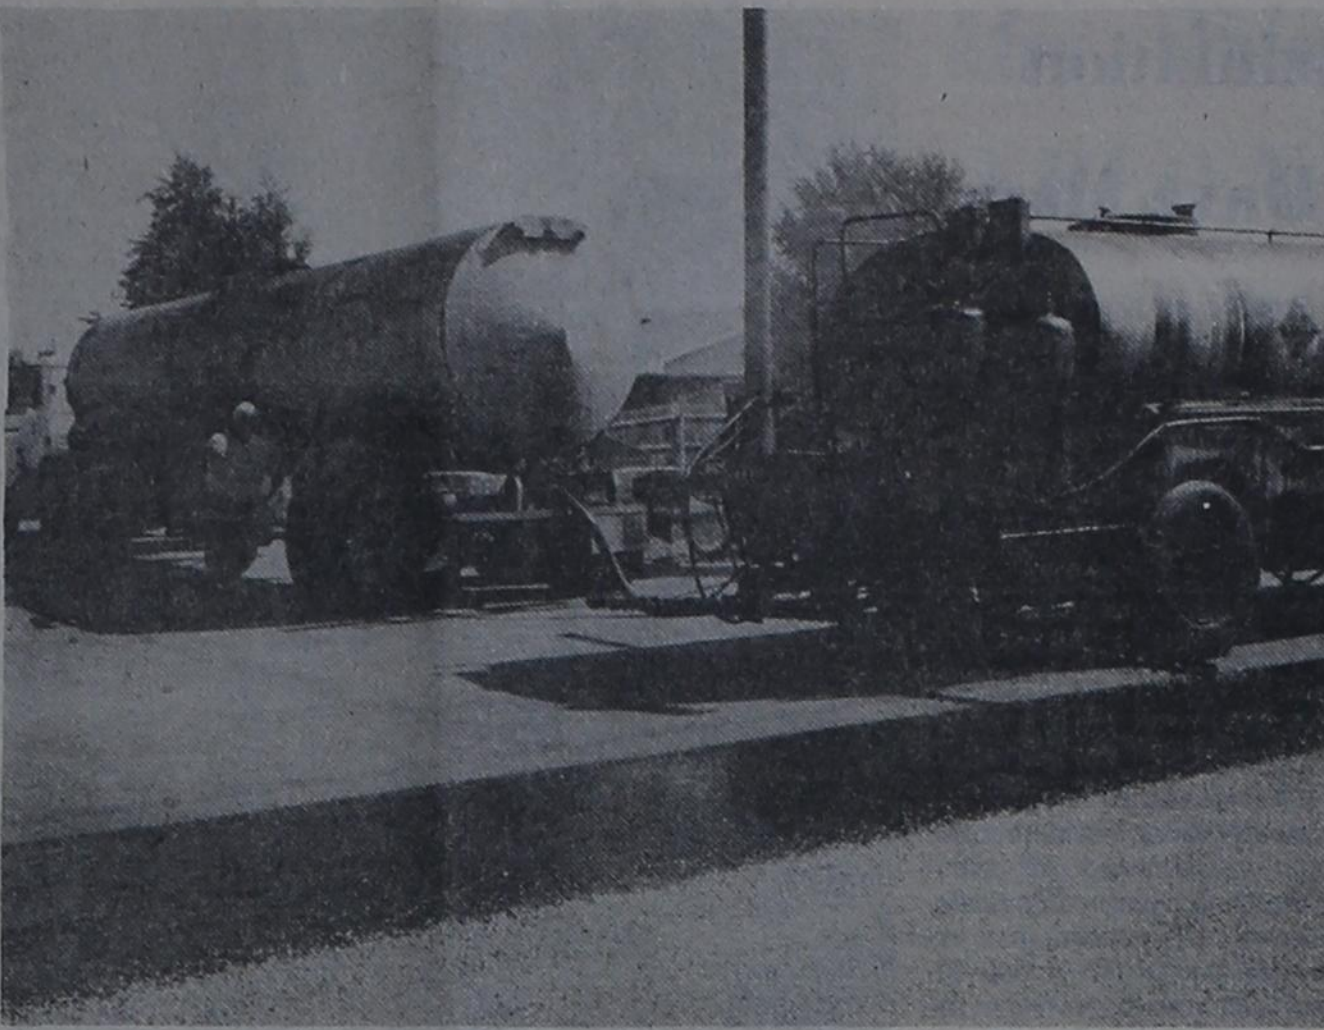

young children from impoverished homes could increase their mental capacities when they were played with and stimulated in programs such as Head Start.

In spite of all the research, a significant number of babies do not receive enough quality interaction with their parents. For example, babies born to very young mothers are "at risk" for quality mental development.

Today, one girl in 11 is a mother before she is 18 years old. Babies born to very young mothers are much less likely to have IQ's of 100 or above at the end of infancy. Many adolescent mothers come from low-income families and this contributes to the problem of quality mental development of their infants. Parents who are poor exper-

ience stress that robs them of the time, energy, and motivation to respond to their children. Research shows that families under economic stress do not talk to their children or play with them as much as other families.

Since all children benefit from quality interaction with adults, we need to educate all parents to play with their children.

### Seal Coating Streets

Last week, the City of Farwell had its annual quota of oil and rock overlaying done on some of the city streets. Here, a large

tanker gives a transfusion to the hot tar spreader. A portion of the tar can be seen between the spread gravel. The city over-

lays some of the city streets each year, so that over a period of five years, all of the city streets will receive repairs.

# MHR Benefit Golf Clinic/Exhibition

## Spotlights PGA Champion Dave Marr

On Saturday, Sept. 17, Dave Marr, 1965 PGA Champion, will be in Clovis to share his quick wit and thorough knowledge of the game of golf with participants in the First Annual Benefit Golf Clinic and Exhibition, sponsored by Mental Health Resources Inc. The event will be held at Colonial Park Country Club.

The one-hour clinic, which begins at 10 a.m. MDT, will feature Marr demonstrating the basic grips, stands, and swings while addressing some of the finer techniques of golf. Bleacher seating will be provided for the gallery. Beginning at 11:30 a.m., following the clinic, an 18-hole exhibition round will be played by Marr and the exhibition's Gold Sponsors, with the public invited to follow the play.

General admission tickets for the event are \$5 in advance, or \$7 on the day of the exhibition. Ticket outlets are located in Clovis at Clovis Municipal Golf Course, Colonial Park Country Club, Wade's Sporting Goods, Sport About, Southwest Sales, or the Mental Health Resources office in the Memorial Service Center, 1200 block of Thornton.

Dave Marr is best known today for his coverage of ABC Sports' televised golfing events. A native Houstonian, his background as a touring golf professional has given substantial credibility to his career as a golf commentator.

Marr turned pro when he was 19, but the highlight of his playing career came in 1965 when he won the PGA Championship at Laurel Valley Country Club, Ligonier, Pa., played on the Ryder Cup team, and was named PGA Player of the Year. During his playing career he earned \$366,571 in prize monies.

### Wolverine Mentors

Texico Wolverines will kick off their football season with a scrimmage against Dexter tonight, [Friday] at 6 p.m. MDT at Dexter. The Texico team has been practicing for the past

several weeks under the direction of head coach, Dave Lynn, center, and assistants Scott Parker, left, and Roy King. First game for the Wolverines

will be at Carrizozo at 7:30 p.m. MDT Friday, Sept. 2. Everyone is urged to attend the games and cheer the Wolverines to victory.

The United States is not the largest country in the western hemisphere. It's Canada, with a total area of 3,851,809 square miles.

### Host Dimmitt Tonight - -

## Steer Coach Pleased With Team's Scrimmage

### Steer Strategists

In charge of strategy for the 1983 Steer gridiron wars are these four coaches who have been busy the past few weeks getting their charges in shape for the season which begins Friday night, Sept. 2, with Farwell hosting the Plains Cowboys. Head Coach Bruce Dollar, kneeling right, will lead the Steers in their quest for a second consecutive District

5-2A title. Assisting Dollar will be Rex Cumpston, kneeling left, and standing, Mike Martin, left, and Larry Gregory. The Steers host the Dimmitt Bobcats in a scrimmage session tonight [Friday] at 6 p.m., and Dollar says this will be a good test for the Blue and White as Dimmitt is picked second in its strong league.

"We were really pleased with the way everyone played," said Farwell Steer Coach Bruce Dollar following his team's scrimmage with Lorenzo last Friday night.

"We played well and came away with no injuries," the head Farwell mentor commented. Farwell scored six times, three times via the airways and three times on the ground. "We threw and caught the ball extremely well I thought," Dollar said.

"The defense looked really improved, and Lorenzo did not score," the coach said, "but this Friday we will be tested a lot more when we scrimmage the Dimmitt Bobcats who are picked to finish second in their district this season."

Dollar's charges, which include 15 returning starters, are picked to take the District 5-2A crown again this year after posting a perfect 5-0 district mark last year to gain the conference crown.

Although they are picked to take the title, Dollar says that all the teams in the district are pretty evenly matched this year and he expects good games from all the teams especially since each one will be aiming to upset the top seed. He thinks that Springlake-Earth will be the surprise team or squad to watch. "They could surprise a bunch of folks," he said.

The Steers return their defensive line intact with four starters returning on the defensive line. Five sophomores will be

playing on the varsity this year, two of whom played as freshmen last year. One sophomore, Kevin Owen, has been moved from running back to offensive lineman and is about the only personnel change-up, the coach said.

Alan Eubank returns as one of the more experienced quarterbacks in the area. Joining him in the backfield will be Santiago Lucio, Paul Fulcher, and Robby Armstrong.

Helping make the Steers' passing game click will be veteran receivers Todd Christian, senior tight end, flanker Manuel Cantu, and Roger Robertson, 170 pound junior.

Tonight (Friday) at 6 p.m. the Steers will host a scrimmage session with Dimmitt, and all fans are urged to come out and see the Steers in action.

The Steer roster includes Allan Wolfe, E-DE, 5-11, 155,

Sr.; Alan Eubank, QB-DB, 6-1, 190, Sr.; Blake Kelley, QB-DB, 5-8, 145, So.; Paul Fulcher, RB-DE, 5-11, 160, Sr.; Santiago Lucio, RB-NG, 5-6, 150, Sr.;

Also, Bobby Ford, RB-LB, 5-6, 145, So.; Eric Williams, E-S, 5-11, 135, So.; Roger Robertson, E-DB, 5-10, 170, Jr.; Robby Armstrong, RB-DT, 5-10, 170, Sr.; Kevin Owen, G-LB, 5-11, 170, So.; Johnny Daniel, C-LB, 5-6, 180, Sr.;

And, Berny Mesman, G-NG, 5-8, 150, Sr.; Steve Cole, T-DT, 6-3, 265, Sr.; Todd Davis, G-DE, 5-10, 150, Jr.; Brian White, G-LB, 5-8, 140, Jr.; Jesse Anzaldúa, T-DT, 5-10, 205, So.; Todd Lingnau, T-DT, 6-0, 195, Jr.; Allen Kalbas, T-DT, 5-11, 160, Jr.; Ricky Sikes, T-DT, 5-10, 155, Jr.;

Also, Felix Lucio, E-DB, 5-7, 125, Jr.; Manuel Cantu, E-S, 5-10, 150, Sr.; and Todd Christian, E-DE, 5-11, 160, Sr.

### Student Council Adopts Slogan

At its meeting Thursday, Aug. 18, Farwell Student Council tentatively adopted a slogan for the council using the popular "Care Bear" as its theme and mascot. "The Council That Cares" will be the theme of the organization during the coming school year, and the "Care Bear"

mascot will be used on shirts worn by the members.

Long-range plans for the 1983-84 school year were discussed and individual committees were appointed.

Kay Stanton, Student Council sponsor, was hostess for the meeting.

# 1943 Farwell Graduates Enjoy 40-Year Reunion

Fourteen of the 16 living graduates of the 1943 senior class of Farwell High School got together for a time of reminiscing during the weekend of July 29-30. The 40-year reunion coincided with activities of the Border Town Days celebration where class members were able to visit other members of the community as well as schoolmates and teachers of years past.

The two-day reunion kicked off with a get-together Friday night, Aug. 29, in Clovis at the home of Mr. and Mrs. Vernon Holt. Mrs. Holt is the former Gwyn Hancock. This was the first time that some of the class members had seen each other since their graduation back in '43.

A class member reports, "It was fun trying to recognize everybody, but after we talked awhile, we found that most of us really hadn't changed that much!"

Graduates in attendance were Gwyn Hancock Holt and Dorothy Cassidy Pruitt, both of Clovis, Jewell Cassidy Cummings of Friona, Reba Stewart Johnson of Portales, Billie Sharpe Phillips of Lubbock, Dorothea Deaton Baldrige of Broken Arrow, Okla., Twila Strickland Starkey of Big Spring;

Also, Smokey Gast of Farwell, Arlon Lovelace of Santa Fe, Joe Lindsey of Thornton, Tex., Mr. and Mrs. Robert Moore, Ovalo, Tex., and Maxine Justice Denny Wittenburg of Shreveport, La.

Other visitors were Mr. and Mrs. Lewis Vaughan (Emma Ruth Miller, former classmate of Alamogordo, Lynn Ramm Cleveland and Lucille Ramm Loudermilk of Clovis, and the Deaton brothers and sisters, Carl and Freddie Deaton of Clovis, Earl and Pat Deaton of Thousand Oaks, Calif., Elsie Hickman of Prescott, Ariz., and

Betty Johnson of San Jose, Calif.

On Saturday, class members attended the BTD parade and the other celebration activities at Farwell City Park. Two more class members joined the group on Saturday, Henry White of Amarillo, and Virginia Hines Drager of Texico, making the 14 of 16 living graduates present.

Saturday night the group then met for dinner at the Holiday Inn where they were joined by an ex-teacher, Linnette Cain McElroy and her husband Jimmy of Vallejo, Calif.

All the graduates were recognized and small trophies were presented to some. A spokesman said, "A REALLY good time was had by everyone and we hope to get together again soon."

Receiving trophies in the various categories were, Robert Moore, changed the most; Gwyn Holt, changed the least; Virginia Drager, crying towel for being married the longest; and Billie Phillips, fertile turtle award for having most children and grandchildren; and Maxine Wittenburg, traveling farthest to attend.

Attending the Saturday banquet were Mr. and Mrs. Jimmy McElroy, Billie Phillips, Twila Starkey, Dorothea Baldrige, Clara Looper, Smokey Gast, Mr. and Mrs. Johnny Pruitt, Mr. and Mrs. Robert Moore, Mr. and Mrs. Denny Wittenburg, Mr. and Mrs. Arlon Lovelace, Mr. and Mrs. Doyle Cummings, Mr. and Mrs. Vernon Holt, Reba Johnson, Mr. and Mrs. Andres Drager, Mr. and Mrs. Lewie Vaughan, and Mr. and Mrs. Joe Lindsey.

## At NRLC Convention

Geraldine Wilson of Texico served as co-chairman of the National Rural Letter Carriers Association, Auxiliary and Junior national conventions held August 7-12, in Albuquerque. As part of her duties, she served as mistress of ceremonies for the Annual Memorial and gave the

welcoming speech, stating the meaning of the ancient Zia Indian Sun Symbol on the New Mexico State flag. She also conducted the official opening ceremonies of the 57th Annual Convention of the NRLC Auxiliary and introduced Governor Toney Anaya.

# Mrs. Wilson Co-Chairs 1983 NRLC National Convention

Geraldine (Mrs. Loren) Wilson of Texico served as co-chairman of the National Rural Letter Carriers' Association, Auxiliary and Junior national conventions held August 7-12, in Albuquerque. There were 2,500 persons present representing every state in the continental United States.

All meetings and functions were held in the Convention Center with the Regent Hotel listed as the headquarters hotel. This was the first national convention hosted by the New Mexico organization, the smallest membership state to ever host a national convention. New Mexico is the fifth largest state in the nation, but has only 83 rural routes. Important positions were also served by Quien Cannon of Clovis, Finance Chairman; Dorothy Orendorff, of Portales, Information Chairman; and Loren Wilson of Texico, Memorial Chairman.

The annual (adult) banquet featured Art Linkletter as the speaker and The Reinsmen, who presented musical entertainment. Addresses and seminars were conducted all week by officials from the United States Postal Service, Postal Inspection Service, Office of Personnel Management, Office

of Workers Compensation, Health and Automobile Insurance, United States Senators, Representatives, etc.

Mrs. Wilson was elected co-chairman for the event two years ago by the New Mexico Auxiliary.

"Highlights of the national convention for me was planning and being mistress of ceremonies for the annual memorial on Tuesday morning, Aug. 9; a welcome stating the meaning of the ancient Zia Indian Sun Symbol on our state flag; introducing the National Auxiliary President at the Joint Opening Session; conducting the official opening ceremonies of the 57th Annual Convention of the NRLC Auxiliary until I presented a special hand-carved gavel; and introducing Governor Toney Anaya," said Mrs. Wilson.

Mrs. Les Redden of Edgewood was the Chairman of the Juniors' Convention. She is the former Linda Wilson of Texico and is the first former Junior member to serve in this position. She was responsible for all plans and functions for the 400 Juniors (ages 6-12) from across the nation.

The Juniors had tours to the Rio Grande Zoo, National Atomic Museum, Uncle Cliff's Amusement Park, and an all-day tour to Santo Domingo Pueblo. In Santa Fe, they toured the Turquoise Trail with Lt. Governor Mike Runnels welcoming them in the rotunda of the State Capitol.

The Junior banquet featured a Mexican buffet with Bobby Unser, Jr., as guest speaker, and Biran Dunn, a DJ at Dunn's Dancing Machine for an excellent evening of dancing.

Mrs. Paul Skaggs of Texico made the red and gold "Ojo de Dios" centered with the Zia

Indian Sun Symbol as the featured decorations in the Auxiliary and Junior conventions.

Mrs. Wilson had the honor of writing the feature New Mexico articles, published in "The National Rural Letter Carrier" magazine. The articles were "History of New Mexico . . . Land of Enchantment," May 21, 1983; "North Central New Mexico . . . Truly the Land of Enchantment," June 18 issue; "Southern New Mexico . . . Land of Enchantment," July 2 issue; and the co-chairman's welcome, "Tips for Travelers to New Mexico . . . The Land of Enchantment," July 23 issue.

Mrs. Wilson also made 12 28" x 44" posters of cities, history and sights to see in New Mexico to be displayed at the national convention for each group attending the convention, adorning each with New Mexico art and an original poem written for the occasion.

Linda Wilson Redden's article, "Get Carried Away in New Mexico," was published to welcome the Juniors in the June 11 issue of the national magazine.

Geraldine is quick to say, "I am extremely proud and thankful that the 1983 NRLC national convention was the best and 'smoothest' convention of the 23 national conventions I have attended. It will serve as my climax of 27 years working for this organization and serving as national, Western States Conference (10 state), and state officer throughout those years. The very few member-workers can always be proud of this 1983 convention."

Other eastside members present were Mr. and Mrs. Melvin Burns of Texico, Mrs. Quien Cannon of Clovis, and Finis Cannon of Elida.

## Okla. Lane Methodists Set Churchwide Picnic

Oklahoma Lane United Methodist Church is sponsoring a churchwide family picnic Sunday, Aug. 28, at Ned Houk Memorial Park north of Clovis.

A full day of activities has been scheduled starting at 10 a.m. and continuing until 7 p.m. All are welcome to attend the festivities says R. Joel Ware, church pastor, who says that participants should plan to arrive at the park between 10 and 11 a.m.

At 11 a.m. the morning worship service will be conducted. At 12 o'clock lunch will be

served (with the best food in the Panhandle, according to Ware). Games and other activities planned for the afternoon hours include softball, volleyball, horseshoes, dominoes, "42," and visiting.

At 5 p.m. a vesper service will be held with folk songs and hymns sung by individuals and the group.

Supper will be served at 6 p.m. to end the day's program.

Rev. Ware says, "Everyone bring potluck dinner, lawn chairs, and whatever else goes with picnics."

Seated at the head table were Mrs. Linnette McElroy (former teacher) and the 1943 class officers, Twila Starkey, president; Dorothea Baldrige, secretary; and Billie Phillips, treasurer.

Flowers for the head table were sent by a former teacher, Mrs. Vidah Sartain of Lovington, N.M., who was unable to attend.

The evening was spent visiting, reminiscing, and taking pictures.

The two classmates unable to attend the festivities were Betty Joe Gilson Giroux of Miami Beach, Fla., and Archie Hamm of Cottonwood, Ariz.

"We had such a good time and will treasure enough memories to last us a lifetime," summed up a classmate.

## J. S. Williams Family Enjoys Annual Reunion

The annual reunion of the J.S. Williams family took place over the weekend with many of the relatives arriving for the festivities earlier in the week.

On Friday the group got together at the home of one of the sisters, Nannie Simpson, in Clovis.

Saturday was the "big day" when everyone met at the Texico Community Center for a covered dish meal and day of visiting and reminiscing.

The Golden Notes quartet from Muleshoe Church of Christ sang several songs for the group after the lunch hour.

A family spokesman says, "The afternoon was spent getting caught up on what everyone had been doing the past year, meeting some new family members, and getting acquainted with new babies, etc. Then it was time to go home to prepare for Sunday."

The sisters and brothers attended morning worship services at Farwell Church of Christ, and attended the evening services at the West 21st Street Church of Christ in Clovis. They were all at the home of another sister, Faye and Bill Jones, in Clovis at noon on Sunday.

Those attending the reunion included America and Bud Crook, Nannie Simpson, Faye and Bill Jones, Bill and JoAnn Williams, Mark and Vickie Williams and children, Jeff and Kim Williams, Thelma and Bud Plaster, Dr. and Mrs. Jerry Crook, and Dr. Keigm Crook, all of Clovis.

Also, Jack and Gwen Williams of Ruidoso, Dean and

LaDena Zinn of Santa Fe, Laura and Erica Williams of Denton, Ham and Nell Williams of Refugio, Betty Johnson of Lubbock, Charles and Marlys Boyd of Austin, Jeanean, Bobby and Kim Gable, Ray Ann and Cary Doshier, R.A. and Mary Bradley, Jacque Baker, and Duane, Loretta and Lacy Loyd, all of Muleshoe; Cora Lunsford and Martha Boyd, both of Farwell, and Mae Stone of Texico.

Two brothers, Joe Williams of Rosenberg, Tex., and J.B. Williams of Montgomery, Ala., were unable to attend, but were missed by all those attending.

## Hospital Notes

Nina Glasscock of Farwell has been dismissed from the hospital in Muleshoe where she had been undergoing treatment for pneumonia. She is staying in the home of a friend in Muleshoe.

Nadine Langston of Farwell returned home from the Presbyterian Hospital in Albuquerque Monday. She is reported to be doing well.

Carl Patton of Farwell was released from the Hereford hospital Saturday and is at home.

## Brian Ecksteins Visit Relatives

Mr. and Mrs. Brian Eckstein and Holly and Cindy of Beaumont were recent visitors in the home of her parents and brothers, Mr. and Mrs. Floyd Embry and Eldon, and Mr. and Mrs. Weldon Embry, Rachel and Brandon.

A paper bag can be taped to your sewing machine to collect small scraps. They're great for stuffing toys and occasional pillows.

## Young Homemakers Host Family Cookout At Park

Farwell Young Homemakers hosted a family cookout at Farwell City Park on Tuesday, Aug. 16, with members and families attending.

Hamburgers and hot dogs were grilled while the children enjoyed playing on the playground equipment.

Attending were Ricky and Alice Armstrong and Linda; Ricky and Ruth Anne Bennett, Reace, Roslyn and Ramsey; Ed

and Gwen Corn, Clay, Christi, Charla and Clint; Richard and Sheree Montgomery, Melody and Sarah; Tina Sides, Jacque, Jim Bob and Ginger; Martha White, Young Homemaker advisor; and one guest, Mrs. Billy Scarbrough of Lubbock.

Young Homemaker members will go to Plainview this Saturday to attend the Area I Convention.

Paul, The Tentmakers, and Lessons Learned from Priscilla and Aquila. The scriptures were taken from Acts, Romans, 1st Corinthians, and 2nd Timothy, with the other ladies taking part in the scripture reading.

Mrs. Kelley then dismissed in prayer.

Those present were Lois Hudnall, Mora Schlueter, Nora Day, Helen Bowers, Velma Kelley, and Gracie Dane.

## Baptist Women Meet For Programs

The Baptist Women of the First Baptist Church of Texico met Wednesday, Aug. 3, at the church for their Royal Service and Bible Study program.

The meeting opened with Lois Hudnall reading the names of the missionaries having birthdays on that day. Nora Day then led in prayer.

Chairman Mora Schlueter presided over the Royal Service program, the topics being, "Who, Me, Lord?" "When Will I

Find the Time?" "What Will I Do?" "How Do I Get Started?" and "Why Should I Do It?" Mrs. Schlueter, Gracie Dane, and Nora Day gave those parts.

Mrs. Schlueter then gave the closing remarks and led in prayer.

Chairman Velma Kelley later taught a Bible Study on "Life Changes in the Bible: Priscilla and Aquila."

The sub-topics were Spiritual Guide to Apollos, Helpers to

Paul, The Tentmakers, and Lessons Learned from Priscilla and Aquila. The scriptures were taken from Acts, Romans, 1st Corinthians, and 2nd Timothy, with the other ladies taking part in the scripture reading.

Mrs. Kelley then dismissed in prayer.

Those present were Lois Hudnall, Mora Schlueter, Nora Day, Helen Bowers, Velma Kelley, and Gracie Dane.

# Crop Insurance Offers Wheat Producer

## A Tool For Risk Management

The vagaries and variability of weather and the vulnerability of their crops are a constant concern and have made risk management an increasingly important part of the thinking of area wheat producers.

Crop insurance is one means the wheat producer can use to transfer some of his production risk, agricultural economists with the Texas Agricultural Extension Service say. One of the insurance plans available to

the farmer is the Federal or Multiple-Peril wheat insurance, the economists noted.

But they cautioned that the sales closing date for this insurance in Texas is Aug. 31.

"The decision to purchase wheat crop insurance is a very individualized decision for each producer," said Dr. James Ahrenholz, Extension management economist at Texas A&M University, College Station. He said three primary considera-

tions are involved in this decision.

First, what is the likelihood that the farm will have a wheat crop loss? The past history of wheat production and impact of weather on this production are important to know, Ahrenholz said.

"Drought and hail are probably the two largest concerns" in this regard, Ahrenholz said. "However, what has happened in the past is not necessarily a predictor of what could happen in the coming year."

The second major consideration, the economist said, is the ability of the farming operation to withstand a wheat crop loss. "This depends upon the financial situation of the producer," he said. "The financial position of the business is reflected in the net worth statement of the producer."

A heavy debt load compared to the net worth of the producer lowers the ability of the farming operation to absorb a production loss, he cautioned. Similarly, he said, large cash flow requirements of the business to meet cash expenses, debt obligations, and family living also reduce the ability of the business to absorb production risks.

Third, the premium cost of the insurance is an important

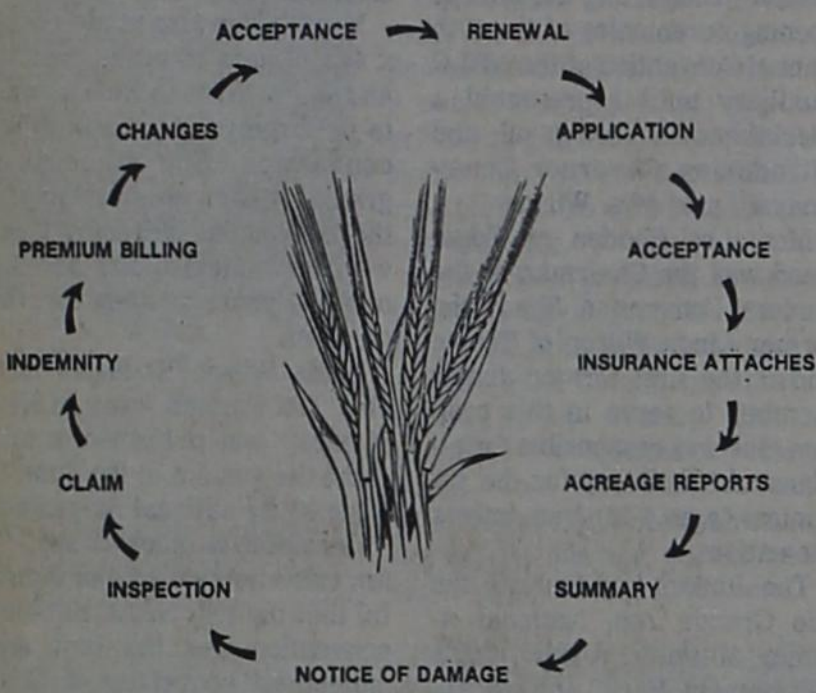

consideration, Ahrenholz said. "Premiums for the wheat producer represent a certain, relatively small cost being substituted for the uncertainty of a possible large loss in wheat production."

Premium and coverage for the Federal or Multiple Peril insurance is unique to each farm unit and should be obtained from your insurance agent, the economist advised.

He said the premiums quoted will represent coverage levels for wheat at 50, 60, or 75 percent of the area yield established for the farm unit and price elections of \$2.50, \$3.50, or \$4 a bushel.

The "insurance cycle," illustrated by the accompanying drawing, is detailed in an information sheet just furnished by county Extension agricultural agents throughout Texas. It was prepared by the Texas Agricultural Extension Service at the request of the Wheat Industry Resource Committee, a producer advisory organization which counsels the Federal Extension Service in preparing educational programs for producers. It was prepared with the assistance from the Federal Crop Insurance Corporation and the Agricultural Stabilization and Conservation Service.

## New Attraction Set At Tri State Fair

Something new has been added to the 1983 edition of the Tri State Fair - the "Great Rock and Roll Time Machine." The premiere showcase attraction, a new approach to rock entertainment, will play in the Sports Arena hourly during the entire run of this year's fair.

Two years in production at a cost of \$750,000, the "Time Machine" is a new artform combining slides, film, animation, and special effects with a stereo soundtrack of 215 songs encompassing the greatest musical moments of the past 25 years.

"The Fair Board is delighted to be able to bring an entertainment experience such as the

Great Rock and Roll Time Machine to the Golden Spread," says Lynn Griffin, manager of the Fair. Since the show's debut at Six Flags in 1980, more than five million people have seen it; the show is now touring in 12 countries around the world.

During the run in Amarillo, the Tri State Fair is establishing a nominal \$1.00 admission charge. Bob Wilson, producer of the Great Rock and Roll Time Machine, says he's continually amazed at the audience involvement with the \$200,000 computer projection system and the 675 square feet of screen. "The interaction with people cheering and reliving emotional memories is much more than we ever had expected," he said.

## Meteorologist says weather gets bum rap

The weather has been given a bum rap for causing many health problems and it's unfair, says a Texas A&M University meteorologist.

Having the weather to blame for bad health or discomfort allows people to absolve themselves of part of the responsibility, while providing a convenient scapegoat when things occur that are not easily explained, he said.

Fact is, said Driscoll, there is simply no medical evidence to

support such claims, even though many people believe certain illnesses such as cardiovascular and respiratory ailments are strongly tied to normal changes in the weather.

While admitting there are well-established links between health and extremely hot or cold conditions "outside the comfort zone," Driscoll said no hard evidence exists to back up the belief that routine changes in the weather bring on such illnesses.

## TWO MINUTES WITH THE BIBLE

BY CORNELIUS R. STAM, PRES.  
BEEBAH BIBLE SOCIETY  
CHICAGO, ILLINOIS 60635

"THE SINS THAT ARE PAST"

In Chapter 3 of St. Paul's letter to the Romans he declares that God has set forth Christ as a satisfaction for man's sin and that redemption is obtained by faith in "His blood" or His payment for sin at Calvary, entirely apart from works, religious or otherwise (Rom. 3:21-26).

But in this same passage he states that the "remission" concerns the "sins that are past" (Ver. 25). What does he mean by this? Some have taught from this verse that when a sinner turns to God for salvation all his sins are forgiven up to that time and now that he is saved he is henceforth responsible for himself. But this would mean that God saves men by His grace only to turn them over again to their own weak and sinful natures. If this were the case, the converted sinner would be lost again the same day, for what Christian believer is wholly free from sin?

Paul rather looks back here at past ages and declares that we now know and proclaim that men like

Abel, Noah and Abraham, and also like Moses, David and Daniel (who lived under the Law) were actually saved by the redemption wrought by Christ, although Christ's death was still future to their day. In other words, Christ died, not only for the sins which we have committed, but also for the "sins which are past." The believers of past ages simply believed what God told them then, and God counted them righteous (Gen. 15:8) on the basis of Christ's coming payment for sin.

We have the same truth set forth in Hebrews 9:15, "where we are told that Christ's death availed also "for the redemption of the transgressions that were under the first covenant," i.e., the Law.

How blessed we are to live at a time when God's plan of salvation has been fully revealed, and that we can now look to the Lord Jesus Christ and exclaim with Paul: "He loved me, and gave Himself for me!" (Gal. 2:20).

## June, July See Sixteen

### Accidents In Parmer Co.

A total of 16 accidents were investigated by Texas Highway Patrol Troopers in Parmer County during the months of June and July. Six accidents occurred in the county in June with 10 being investigated in July.

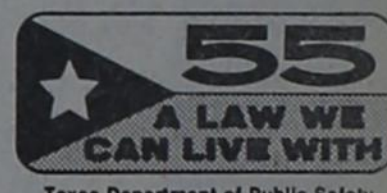

Craig Hunt, DPS Trooper, in Parmer County, reports that for the month of June the Texas Highway Patrol Troopers investigated a total of six accidents in this county. There were two injury accidents with a total of three persons injured and four property damage accidents.

## DID YOU KNOW?

... that not all of baseball's greats have played up to their capabilities in All-Star Games?

Hard as it is to believe, Hall of Famer Mickey Mantle of the New York Yankees holds the record for striking out the most, 17 times in 16 games.

And that usual terror at the plate, Yankee Yogi Berra, another Hall of Famer, hit only .195 in all of his 15 All-Star appearances.

Every year's All-Star Game has its "heroes" and "goats."

The all-time hero was New York Giants lefthander Carl Hubbell, who struck out five American League sluggers in a row in the '34 All-Star Game. Players like Willie Mays of the New York and San Francisco Giants and New York Mets, Ted Williams of the Boston Red Sox, and Stan Musial of the St. Louis Cardinals always excelled.

Although the great Joe DiMaggio had his good and bad years with the All-Stars, another Yankee great, pitcher Red Ruffing, performed less than brilliantly in All-Star competition. Ruffing, with 273 career wins, gave up seven runs in seven innings in his three All-Star appearances. Who will get the chance to be this year's "heroes" and "goats" when the game is played July 17 in Seattle? That's up to the fans who participate in a nationwide All-Star election underwritten by the Gillette Company's Safety Razor Division. Ballots are free at any major or minor league ballpark, or at stores featuring a Gillette All-Star display.

## To Lead Longhorns

Rufus "Bo" Williams, center, has taken over duties as head football coach of the Lazbuddie Longhorns who will see their first game action Friday night, Sept. 2, when they travel to Smyer. Also new on the Lazbuddie coaching staff is Steve Harris, left. Craig Terry, right, returns for his second year with the Longhorns. Williams moved to Lazbuddie from Bowie, Tex., where he coached for several years, and Harris comes from a two-year coaching term at Henrietta, Tex. The Longhorns will be competing in District 2-A North Zone and are hoping for a competitive season.

## Boys Ranch Rodeo Set Labor Day Weekend

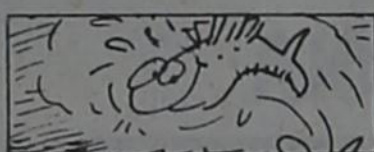

Approximately 10,000 people are expected at Cal Farley's Boys Ranch over the Labor Day weekend for the 39th annual Boys Ranch Rodeo.

Performances are scheduled for 2:30 each afternoon, Sunday and Monday, Sept. 4 and 5, with area riding clubs participating in the Grand Entry. Nearly 250 of the Ranch's boys will be riding calves, steers, bulls and bareback broncs—all competing for belt buckles and for the honor of becoming the Junior and Senior All-Around Cowboys.

It is a rodeo for all of the boys, and those who do not compete as contestants will be selling barbecue beef plates, soft drinks, or working at the many

jobs necessary for a successful rodeo.

Among the spectators will be many of the Ranch graduates who are expected to return for a reunion. The rodeo is also a traditional homecoming for the approximately 4,000 boys who have called the Ranch home since 1939. Some will travel long distances to attend the rodeo and for a meeting of the Boys Ranch Alumni Association.

The deepest fresh-water lake in the world, Lake Baikal in southern Siberia, reaches 5,712 feet.

**1983-84 ACT Test Dates Scheduled**

As the new school year begins, more than one million high school juniors and seniors across the nation are preparing to participate in the ACT Assessment Program.

The ACT Assessment, which consists of four academic tests that measure educational development and a detailed questionnaire that collects information relevant to educational and career planning, is recommended or required by more than 2,700 postsecondary institutions and scholarship programs.

School guidance counselors recommend that students participate in the ACT Assessment Program during the junior year or early in the senior year, so their results will be available in time for use in planning for postsecondary education and careers.

Students can obtain registration packets that contain all the information necessary to register and prepare for the Assessment from their high school guidance offices. The basic registration fee for the Assessment is \$9.50. For 1983-84, ACT has established this test date schedule:

The first date shown is the date of the test, and the second date is the registration deadline for that test date. Oct. 29, 1983 - Sept. 30, 1983; Dec. 10, 1983 - Nov. 11, 1983; Feb. 11, 1984 - Jan. 13, 1984; March 31, 1984 - March 2, 1984; and June 9, 1984 - May 11, 1984.

It takes about three hours to complete the four ACT examinations in English, math, social studies, and natural sciences. A sample copy of a full-length test is available in every high school. Students who would like to have copies of additional tests may obtain them at cost from ACT.

**DPS Urges Drivers Use Care Over Labor Day**

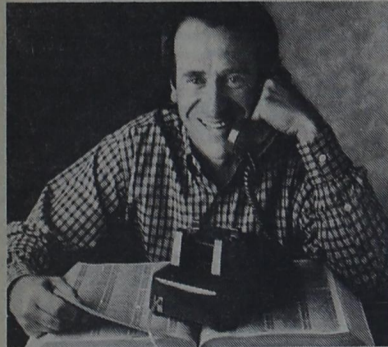

Major V.J. Cawthon, Commander of the Texas Department of Public Safety in Region 5 said, "We will use all available personnel to reduce the death toll during the Labor Day holiday," adding, "In 1982 50 persons were killed in traffic accidents on Texas streets and highways during the Labor Day Holiday."

intoxicated. Cawthon said, "These two combinations plus the lack of seat belt usage could cause a high death count this Labor Day weekend."

He said, "Our troopers will be aggressive in combating the speeding and DWI problem because these violations continue to be the leading factors in fatal accidents."

He added, "The Texas Department of Public Safety urges all Texas Drivers to slow down to the legal speed limit, avoid the use of alcohol if they plan to drive, and to use their seat belt for safety."
