Shopping for Contact Lenses

With several types of contact lenses now available, more people than ever are able to wear them successfully. Before buying, however, shop around to find an eyecare specialist who best fits your needs and your budget.

Only ophthalmologists and optometrists may prescribe contact lenses.

Ophthalmologists have medical degrees (M.D.) and specialize in eye diseases and eye surgery. They can also prescribe and sell eyewear.

Optometrists, or doctors of optometry (O.D.), are trained to detect eye diseases. They also prescribe and sell eyewear.

A third type of eye specialist, the optician, can fill eyewear prescriptions, but can not examine eyes or prescribe lenses.

Under the "Eyeglass Rule" set by the Federal Trade Commission, an eye doctor must provide you with a copy of your eyeglass prescription after an exam. This gives you the choice of where to have the prescription filled.

Eye doctors are not required to provide you with a copy of your contact lens prescription. So you may have to pay for another lens fitting exam if you wish to buy your lenses from a different specialist.

Before you decide on an eyecare specialist, you should ask him or her the following questions:

1. "What do you charge for lenses, fitting, adjustments, a lens care kit, and follow-up visits?"
2. "What is your refund policy?"
3. "How many types and brands of contacts do you sell?"
4. "How much do you charge for replacement lenses?"
5. "Will you give me a copy of my complete prescription for eyeglasses and contact lenses?"

Comparison shopping is extremely difficult without a copy of your complete prescription. If you plan on shopping elsewhere for initial or replacement lenses, ask about the doctor's policy in advance.

Investigate thoroughly to find the eye care specialist who offers the products, services, and policies that are best for you. This will require some time, but may save you money and eliminate difficulties.

For more information, contact the Federal Trade Commission, 6th and Pennsylvania, N.W., Washington, D.C., 20580, or call 202-523-3428.

Fountain Dedication

Standing near the brick water fountain dedicated in memory of D'Ann Pierson to the Farwell Elementary School are her parents, Bobbie and Steve Pierson, and her brother, Wayne. Dedication ceremonies for the drinking fountain were conducted Monday, Sept. 5, at the playground where students from all grades in the elementary school attended along with faculty and staff, and many friends and family members. The fountain was made possible through donations made to the D'Ann Pierson fund.

**Fountain Is Dedicated
At Farwell Elementary**

Farwell Elementary School playground was the site of a special service Monday, Sept. 5, when a drinking fountain was dedicated in memory of D'Ann Pierson, daughter of Mr. and Mrs. Steve Pierson, who died last year from injuries suffered in an accident.

The white brick fountain was given to the school by D'Ann's many friends and family members in her memory.

Ceremonies at the dedication service were opened with Rev.

R. Joel Ware, pastor of Oklahoma Lane United Methodist Church, giving the invocation.

Verona Traynor, D'Ann's third grade teacher last year, spoke about D'Ann, and following her talk, Gwen Corn also spoke about the little girl and her relationships with her many friends.

James Craig, elementary principal, accepted the fountain on behalf of the school, and Ricky Stewart gave the benediction.

**Hedging Seminar Set
In Muleshoe Sept. 20**

An agricultural Hedging Seminar will be held in Muleshoe on Tuesday night, Sept. 20, at 7:30 p.m. at the Bailey County Coliseum. The purpose of this educational meeting is to explain the basic information a producer would need to consider in making a hedge. Another area of discussion will be a sellers called contracts. The program will be presented by Dr. Gary Condra, Extension Economist from Lubbock.

The meeting should be very educational and beneficial to farmers in this area, says Spencer Tankersley, Bailey

County Extension agent. The meeting is being sponsored by the Muleshoe Area Financial Institution and the County Extension Field Crops Committee. The meeting is open and free to everyone who would like to attend.

Contact the Bailey County Extension Office if you need additional information about this event.

Tuesday, Sept. 13 - -

**Annual Field Day Slated
At Lubbock And Halfway**

The latest research on cotton and grape varieties, drought tolerant crops, and weed control will be featured stops for the 74th annual field day of the Texas Agricultural Experiment Station for Lubbock and Halfway. The event begins at 1:00 p.m., Tuesday, Sept. 13, at the research site, just north of Lubbock International Airport.

Parmer County producers will find the program particularly applicable, said Seth Ralston, County Extension Agent.

Research efforts at the Lubbock and Halfway Station focus especially upon needs of producers in Parmer County and throughout the High Plains of Texas, Ralston said.

The annual field day alternates between the TAES locations at Lubbock and Halfway. Field tours will be conducted throughout the afternoon, with tractor-drawn trailers shuttling visitors to key research plots.

The field day is a cooperative presentation of TAES, the Agricultural Extension Service, the High Plains Research Foundation, United States Department of Agriculture-Agricultural Research Service, and the National Weather Service.

The stops will highlight new techniques and products for weed control; development of new varieties to improve cotton

fiber quality, the latest research on grapes, an increasingly important High Plains crop, and development of drought tolerant cotton to better utilize declining water supplies and reduce irrigation requirements, Ralston said.

Other features of the field day will be a display of computers and agricultural programs for computers, a tour of the Texas Agricultural Extension Service Soil Testing Lab, and an open house at the Texas Forest Service greenhouse and facility at the Station.

**SCHOOL LUNCH
MENUS**

TEXICO	FARWELL
MONDAY - Tuna salad, tomato, lettuce leaf, beans, 1/4 apple, milk.	MONDAY - Chicken nuggets with gravy, mashed potatoes, tossed salad, hot biscuits with jelly, milk.

Lazbuddie Longhorns Win Over Smyer Bulldogs 23-12

The Lazbuddie Longhorns began their season with a rousing victory as they took the Smyer Bobcats in a 23-12 win Friday night.

Smyer's offense got one man through the line as they scored on a 52-yard run in the first quarter.

Also in the first period of the game, Lazbuddie's Larry Nail intercepted a pass to carry the ball for 40 yards, but the first quarter ended with Smyer ahead 6-0.

In the second quarter, the Longhorns rallied as Paul Gonzales caught a 58-yard pass from Ben Williams to give the Longhorns their first score. Ralph Gonzales kicked the extra point, putting the Longhorns ahead.

Later in the second quarter, Noe Gonzales made a 33-yard run for a touchdown and Ralph Gonzales ran for the extra point. The first half ended with Lazbuddie in the lead, 15-6.

As the second half began, Smyer's Bobby Bouston, tailback, made their second touchdown on a six-yard run. The PAT failed leaving the score at the end of that quarter 15-12, with Lazbuddie still in the lead.

In the final period of the game, Noe Gonzales crossed the goal line on a 26-yard run giving the Longhorns their final touchdown. Ralph Gonzales ran for the PAT ending the game 23-12.

"We really had a good time out there," says Coach Rufus Williams of Lazbuddie. "We played well for the first game of the season. I'm really proud of the boys."

Coach Williams commended defensive players Ray Moran, Lee Scott, Shannon Weaver, Paul Stanley, Larry Nail, and Guy Brockman. "They did just great, an outstanding job," said the coach.

Williams also listed some of the offensive statistics: Ralph Gonzales made 111 yards on 21 carries; Noe Gonzales made 130 yards on 12 carries; and Larry Nail made 32 yards on eight carries.

"I can't really name a single outstanding player on the offensive line. They all played well. The whole line blocked extremely well, I couldn't ask for better," said Coach Williams.

The Longhorns will host the Whiteface Antelopes tonight (Friday) at 8 p.m.

"Whiteface is going to be tougher than Smyer. We'll

probably have some trouble moving the ball as well. They have a great defensive line. They play really good and they're quick, but they lost to a good team last week 19-0, so we stand a good chance of winning. It will be a good close game," said Coach Williams.

Potato Pickers

Members of the Texico junior class picked up potatoes as a fund raising project last week. This was one of many projects planned by the class to earn money for the junior-senior banquet scheduled for next spring.

Students worked Wednesday and Thursday afternoons as well as all day Friday, Sept. 3, on the farm belonging to Steve Meeks. Standing, from left, are Karen Snodgrass, Lonnie Smith, Rusty McCormack, and

Jeff Campbell; kneeling are Cheryl Scott and Elayne Horner. The class is still looking for more projects for the fund, according to sponsor Juanita Hadley.

Now Against Law To Camp In Rest Stops And Parks

AUSTIN - Signs informing travelers and tourists that it is now against the law to camp in state-maintained roadside parks and rest areas soon will be appearing at these locations.

House Bill 675, spawned as a result of flagrant abuse of rest areas and parks over the past few years, has made it illegal to erect tents or other structures without a permit, or to remain in roadside parks, rest areas, comfort stations or picnic areas for more than 24 hours.

went into effect August 29. Signs are expected to be in place by the last of September.

Mark Goode, engineer-director for the department, said the use of roadside parks "is intended to provide a welcome respite from the rigors of driving." He said the facilities are "not designed for long term use by motorists, but primarily are designed as a safety measure and as a convenience to the traveling public."

Fines ranging up to \$200 can be assessed violators. Permits will be granted only in the instance of rest area "travelers' breaks" sponsored by approved civic or community service organizations.

State Department of Highways and Public Transportation maintenance forces have begun erecting signs apprising the public of the new law which

The new signs will enable law enforcement personnel to warn travelers that the new law prohibits camping and that penalties will be enforced. Prior to 1983, Texas law made no provision for prohibition of unauthorized use of these roadside facilities. Several instances of abuse have been cited as precedents for getting the legislation in force.

Unhelmeted riders more likely to die

COLLEGE STATION — Deaths and injuries resulting from motorcycle accidents have increased drastically in Texas since repeal of the rider helmet law, concludes a statewide study by Texas A&M University traffic safety engineers.

One of every four motorcycle accident fatalities can be prevented simply by requiring

drivers and passengers to wear helmets, according to the report, jointly released by Texas A&M and the Texas Office of Traffic Safety in Austin.

In addition, it states an unhelmeted rider is 2.5 times more likely to die and 2.67 times more likely to sustain a head injury that is incapacitating or fatal.

SCHOOL DISTRICT: Farwell ISD

NOTICE OF CALCULATION OF EFFECTIVE TAX RATE AND PUBLICATION OF ESTIMATED UNENCUMBERED FUND BALANCES

I, Ronald E. Procter, Assessor-Collector for Farwell ISD, in accordance with the provisions of Sec. 26.04, Property Tax Code, have calculated the tax rate which may not be exceeded by more than three percent by the governing body of the (school district) without holding a public hearing as required by the code. That rate is as follows: \$ 1.26845 per \$100 of value.

The estimated unencumbered fund balance for Maintenance & Operation fund: \$ 60,000.00. The estimated unencumbered fund balance for Interest & Sinking fund: \$ 27,900.00.

(Name) Ronald E. Procter, Chief Appraiser

(Date) September 6, 1983

CALCULATIONS USED TO DETERMINE EFFECTIVE TAX RATE

I. DATA	
1. 1982 Total tax levy from the 1982 tax roll	\$ 704,141.97
2. 1982 Tax rate (\$ 1.06 M&O and \$.15 I&S)	\$ 1.21 /\$100
3. 1982 Debt service (I&S) levy	\$ 87,313.60
4. 1982 Maintenance and operation (M&O) levy	\$ 616,828.37
5. 1982 M&O taxes on property in territory that has ceased to be a part of the unit in 1983	\$ -0-
6. 1982 M&O taxes on property becoming exempt in 1983	\$ 15,352.77
7. 1982 M&O taxes on taxable value lost because property is appraised at less than market value in 1983	\$ 105.99
8. 1983 Total taxable value of all property	\$ 58,983,460
9. 1983 Taxable value of new improvements added since Jan. 1, 1982	\$ 61,190
10. 1983 Taxable value of property annexed since Jan. 1, 1982	\$ -0-
11. 1983 Tax levy needed to satisfy debt service (I&S)	\$ 87,272.
*12. Rate to raise 1982 tax levy due to appraisal roll errors (rate that should have been less rate that was levied) (\$ 1.25507 /\$100 - \$ 1.21 /\$100)	\$.04507 /\$100
*13. Rate to recoup taxes lost in 1982 due to appraisal roll errors (lost dollars divided by the difference of 1983 taxable values minus 1983 over-65 homesteads taxable value) (\$ 26,586.53 ÷ (\$ 58,983,460 - \$ 1,600,500))	\$.04507 /\$100
14. 1983 Taxable value of over-65 homesteads with frozen taxes	\$ 1,600,500
15. Frozen M&O levy of over-65 homesteads with frozen taxes	\$ 11,494.24
16. Frozen I&S levy of over-65 homesteads with frozen taxes	\$ 1,627.03
II. CALCULATION	
MAINTENANCE AND OPERATION (M&O) TAX RATE	
1. (A) 1982 Total tax levy (Data 1)	\$ 704,141.97
(B) Subtract 1982 Debt service levy (Data 3)	\$ 87,313.60
(C) Subtract 1982 Taxes on property no longer in unit (Data 5)	\$ -0-
(D) Subtract 1982 Taxes on exemptions (Data 6)	\$ 15,352.77
(E) Subtract 1982 Taxes on productivity valuation (Data 7)	\$ 105.99
(F) Subtract frozen M&O levy of over-65 homesteads (Data 15)	\$ 11,494.24
(G) Adjusted 1982 M&O levy	\$ 589,875.37
2. (A) 1983 Total taxable value of all property (Data 8)	\$ 58,983,460
(B) Subtract 1983 Value of new improvements (Data 9)	\$ 61,190
(C) Subtract 1983 Value of annexed property (Data 10)	\$ -0-
(D) Subtract 1983 Value of over-65 homesteads (Data 14)	\$ 1,600,500
(E) Adjusted 1983 Taxable value for M&O	\$ 57,321,770
3. (A) Divide the adjusted 1982 M&O levy (1-G above) by the adjusted 1983 taxable value for M&O (2-E above) (\$ 589,875.37 ÷ \$ 57,321,770)	\$.010290599
(B) Multiply by \$100 valuation	× \$ 100
(C) Calculated maintenance and operation (M&O) rate for 1983	\$ 1.02906 /\$100
INTEREST AND SINKING (I&S) TAX RATE	
4. (A) 1983 I&S levy needed to satisfy debt (Data 11)	\$ 87,272.00
(B) Subtract frozen I&S levy of over-65 homesteads (Data 16)	\$ 1,627.03
(C) Adjusted 1983 I&S levy	\$ 85,644.97
(D) 1983 Total taxable value of all property (Data 8)	\$ 58,983,460
(E) Subtract 1983 Value of over-65 homesteads (Data 14)	\$ 1,600,500
(F) Adjusted 1983 Taxable value for I&S	\$ 57,382,960
(G) Divide the adjusted 1983 I&S levy (4-C above) by the adjusted 1983 taxable value for I&S (4-F above) (\$ 85,644.97 ÷ \$ 57,382,960)	\$.001492516
(H) Multiply by \$100 valuation	× \$ 100

\$7.50 - 1st Place

\$5.00 - 2nd Place

1. There are 12 football games listed.
2. Pick the team you think will win in each game and circle the WINNER'S NAME.
3. PICK THE SCORE of the GAME OF THE WEEK and place your guess in the appropriate blank on the entry. Bring or mail the entry blank to The Tribune office by 5 p.m. Friday of this issue.
4. Tabulations of individual entrants will be kept all season and at the end of the season Grand and Second Prize winners will be named.
5. Only one entry blank may be submitted per individual.
6. Tabulations will be available for public inspection.
7. Contestants must be 12 years old or over.
8. Game of the Week used as the tiebreaker only.
