Two Call Perfect Scores For Contest Prize Money

Two of the 233 entrants in last week's Merchant's Football Contest made the guessing game look simple by correctly picking all 12 winners in the contest's third week match-ups.

John Franse, who lives south of Clovis, correctly guessed all 12 winners and missed the tiebreaker by 23 points to win the first place money of \$7.50.

entering the contest for the first time this year, also had no problem in choosing 12 of 12 correctly, but was off 27 points on the tiebreaker score to take the week's second place check for \$5.

Getting all 12 games right might have been difficult, but apparently calling 11 of the 12 high school outcomes correctly was no big deal as 32 persons

chalked up a one-less-than-perfect mark for the week. One of those picking 11 games right was David Dannheim who shared first place in the overall contest with seven other persons last week but now holds sole ownership of the top notch with 31 points to his credit.

In second place with 30 points overall are Pat Owen, Sherilyn Thigpen, Dick Pylant, Ruth Scott, Johnny Torres, and Ronnie Warmuth.

Still in the running at third place with 29 points are James Harding, Roy King, Ann Liethen, Carlton Newell, Kevin Owen, Charlotte Pierce, W.M. Roberts, Dale Sikes, Kay West, and Brian White.

Holding scores of 28 and a share of fourth place are Vick Christian, Darren Coffman, Hobby Coffman, Ronnie Dunsforth, Doris Herington, William D. Howard, Kevin Kelley, Jody Ketcherside, Teresa King, Roger Robertson, and Cynthia Thigpen.

Cheerleaders Then And Now

Cheerleading is a family tradition, or so it seems, as several of the former Farwell High School cheerleaders now have daughters who are or have been cheerleaders. This year the Farwell Booster Club is inviting all former Steer cheerleaders to participate in the homecoming activities. All former cheerlead-

ers are invited to attend a reception and it is hoped they will do a special yell at the homecoming pep rally Friday, Sept. 30. Two of the local mother-daughter duos planning to attend are Dorris White and daughter, Dana, left, and Martha Curtis and daughter Toby.

Several mother and daughter cheerleader duos will probably

All In The Family

John Franse of Clovis, right, was the top money winner in last week's Merchant's Football Contest and receives a check for \$7.50 from his dad, Ralph Franse, one of the contest sponsors. The younger Franse was one of only two persons

calling all the 12 games correctly on the list last week. The other perfect guesser was Karen Snodgrass, a junior at Texico High School who was entering the contest for the first time in this season. She was four points farther off on the

tiebreaker than was Franse and picked up the second place money of \$5 for her efforts. Thirty-two entrants got 11 right in the guessing last week and almost all the entrants picked a very lopsided tiebreaker score for the Farwell-Sudan tilt.

Homecoming Reunion Will Fete Former Cheerleaders

A special feature of the 1983 Homecoming at Farwell High School will be a reunion of all former cheerleaders of the school, sponsored by the Farwell Booster Club. All former cheerleaders are asked to meet at the gym about an hour prior to the homecoming pep rally on Friday, Sept. 30. The rally and coronation are to begin at 3 p.m. and it is hoped the cheerleaders can all get together about 2 o'clock, says one of the sponsors. The cheerleaders are also being asked to wear their uniforms for the pep rally.

be on hand for the event, and if possible, the entire group may lead a cheer at the pep rally. Following the pep rally, the cheerleaders will all be honored at a special reception at the home of Doyle and Doris Ford at their home at 901 6th Street. Anyone who knows any former cheerleaders who live out of town is asked to please contact them and let them know about the special event coming up next Friday. Persons wishing additional information about the reception and cheerleader get-together may call Linda Geries, 481-9981 or 481-9477.

School Out Early Today

Farwell Schools will dismiss early today (Friday) and buses will run at 3 p.m. immediately following the pep rally.

Hollene Cemetery Workday Set

The Hollene Cemetery Association has scheduled a workday at the cemetery for Saturday, Sept. 24, starting at 9 a.m. MDT. Lunch will be served and new officers for the Association will be elected following lunch. All members are urged to be present.

Twin Cities Feel Touch Of Winter

Autumn wasn't even due until Thursday, but Twin Cities residents who have been complaining about the heat the past few weeks got a taste of more than autumn weather Tuesday as a cold front blew through the area dropping the temperatures more than 40 degrees. Monday's high was in the 90's across the area, but of Man Winter sent a foretaste of things to come in the wee hours Tuesday, plunging the thermometers to the 40's. Residents dug out sweaters and jackets, and agreed with the old adage that if you don't like West Texas-Eastern New

Mexico weather to just wait a minute and it will change. The high north winds accompanying the cold air mass blew over some corn in the area and also left flower beds and gardens with wilted plants. Folks in Friona reported a low of 24 degrees and frozen water pipes early Wednesday to record the lowest area temperatures, and frost was all over the cars and sidewalks at an early hour in Texico-Farwell. No moisture accompanied the front and predictions of temperatures back into the 70's are forecast for the remainder of the week.

ently expected Farwell to run over Sudan by a lopsided margin.

The Texico Computer, the Texico math class, and the computer programmer, Ronnie Warmuth, each picked 10 right last week, and in that "contest of the coaches" over at Texico High, Roy King and Dave Lynn each picked 10 correctly while their cohort Mike Littlejohn named only nine winners. Farwellites Earn Points At Clovis NMHSA Rodeo

Five Farwell residents competed and placed in the New Mexico Horse Show Association rodeo conducted in conjunction with the Curry County Fair earlier this month.

Cindy Billingsley of Farwell and four of her students, Suzahn Inman, Reace Bennett, and Klay and Kara Camp, all participated in the rodeo to accumulate points towards the state finals to be held next month.

Cindy, Suzahn, and Reace belong to the New Mexico Horse Show Association which is a branch of the American Quarter Horse Show Association. Members of the NMHSA receive points each time they place in an event, and these points are accumulated during the year to qualify for the state finals. Kara and Klay Camp belong to the High Plains Junior Rodeo Association.

Cindy, Suzahn, and Reace have all qualified for the state finals to be in Roswell, October 14-16.

The local contestants placed in the competition at Clovis as follows:

Cindy Billingsley: 1st, western pleasure, 3rd, barrel racing, 5th, pole bending.

Suzahn Inman: 1st, barrel racing, 17 and under; 1st, pole bending, 17 and under; 1st, goat

tying, 17 and under; 3rd, flag race, 17 and under; 4th, western pleasure, 17 and under; 6th, stakes, 17 and under; high point gymkhana, 17 and under.

Reace Bennett: 1st, stake race, 17 and under; 1st, goat tying, 8 and under; 3rd, barrels, 17 and under; 3rd, pole bending, 17 and under; 3rd, flag race, 8 and under; 1st high point gymkhana, 8 and under.

Klay Camp: 3rd, pole bending, 8 and under; 2nd, barrel racing, 8 and under; 4th, halter gelding, 18 and under.

Kara Camp: 1st, barrels, 9-13; 3rd, stakes, 9-13; 4th, flag race, 9-13; 3rd, showmanship at halter; 1st, pole bending, 11 and under; 3rd, barrel racing, 11 and under.

In an earlier two-day competition in Portales, Cindy and Suzahn placed as follows:

Cindy: 1st, barrels and poles, both days; 3rd and 6th, western pleasure.

Suzahn: 1st, western pleasure, both days; 2nd and 3rd, barrels; 3rd and 6th, poles.

At this point, Cindy is holding first place in barrels and poles and second in western pleasure riding in the state competition.

Suzahn is second in barrels and poles, sixth in stakes, and seventh in western pleasure riding in the state competition.

Rodeo Winners

Bringing home a dozen trophies and numerous ribbons from the New Mexico Horse Show Association rodeo held in conjunction with the Curry County Fair, Cindy Billingsley, right, and her "students" gained points to-

ward the state finals to be held later this year. From left are Suzahn Inman, Klay Camp, Kara Camp, Reace Bennett, and Cindy Billingsley, who started the other four riders in

the horse shows and rodeo competition. Cindy, Suzahn, and Reace have all qualified for competition at the New Mexico state finals to be in Roswell in October.

Commissioners Accept Bid For Car

At the September 12 meeting of Parmer County Commissioners Court a bid was accepted from Reeve Chevrolet-Olds of Friona for a new car for the county sheriff's department.

The Court received two bids each from Friona Ford Sales, Inc., and Reeve Chevrolet-Olds. Friona Ford Sales bids were, for standard model, \$9,793.83 and police package model, \$9,930.16; and Reeve Chevrolet-Olds bids were, for standard model, \$9,555.54 and police package model, \$10,216.83, these being trade prices. The commissioners voted to purchase the 1984 Chevrolet Caprice for \$9,555.54. This was a trade price.

In other business County Sheriff Bill Morgan met with the Court to discuss a proposition that had been proffered by Bill Theiman, Friona Chief of Police.

According to the Court, "Chief Theiman asked that phone lines be run from Friona to Farwell and that the Farwell dispatchers receive all calls from Friona placed to the Fri-

ona Police Department during the late night hours. Chief Theiman also wanted county deputies available to patrol Friona when police department personnel were off duty. No provisions were made for handling of calls for the fire department, the ambulance service, or the doctor's pagers during these hours."

The report continued, "There was no mention of monetary aid from Friona to the County for these added services. Sheriff Morgan suggested that with the personnel, equipment, and the budget that Friona Police Department has, they should be able to furnish 24-hour coverage for the City of Friona with both police patrol and dispatchers with no problem. Sheriff Morgan suggested that no official action be taken at this time."

After a discussion with County Clerk Bonnie Warren, the Court voted to increase the pay for election officials to \$4 per hour.

It was also voted that when it comes time to divide right-of-way money between the pre-

cision that consideration be given that if one precinct has used right-of-way monies for widening a road or paving a road, that precinct will get no more of the division right-of-way money until each of the other precincts has received an equal amount as expended in that one precinct.

Boarding care bills for county foster children were paid as were dues to the PRPC and dues to the Panhandle County Judges and Commissioners Association.

A delegation of 10 members of the Bovina Senior Citizens met with the Court to express thanks for the financial aid for utility bills they had received from the Revenue Sharing Funds last year and asked that they be remembered when the next revenue sharing money comes in and the next county budget is considered.

At the suggestion of Benna Felts, county treasurer, a motion was approved that a Gen-

Farwell Fifth Graders Observe Watermelon Day

Students in the Farwell fifth grade class taught by Karolene Inman are again studying plants in their science classes and in conjunction with this study, they observed Watermelon Day on Friday, Sept. 2.

Farwell mayor, Walter Kaltwasser, last year designated the Friday before Labor Day as official Watermelon Day, and in preparation for the celebration, students participated in many fact-finding studies concerning the watermelon. They also enjoyed dissecting and eating apples and watermelons as part of their class studies.

As part of the class project, the students learned that plants reproduce by seeds and vegetative reproduction, and that many seed plants produce fruits.

In preparation for Water-

melon Day, the students gathered facts about watermelons from the encyclopedia, dictionary, and their textbooks. During math class they worked in groups to weigh and measure the watermelons, and determine their circumference, learning that watermelons are similar in shape to an ellipsoid.

As part of their studies, the class answered such questions as, the definition of the word "watermelon," what is the best climate for watermelons to grow, where in the United States and the world do watermelons grow, what are some other members of the watermelon family, what is the average weight of a watermelon, what are the varieties of watermelon, and what is a watermelon.

Students were also asked to describe the growing season of

a watermelon, to describe the plant and blossom, and to explain where the watermelon originated.

After eating the ripened watermelons, they enjoyed a seed spitting contest, which was won by Kirk Fly, with Heath Dollar, Amy Chadwick, Kaci Stephens, and Isela Mendoza as runners up.

The students enjoyed planting a bulletin board garden and watching as their seeds sprouted and grew. They also brought cuttings from plants to watch them root, and especially liked seeing a new celery plant grow from the tiny roots on a celery stalk, according to Mrs. Inman.

"We would like to express special thanks to the students' parents for sending watermelons for the class to enjoy, including Stephens, Nicolas, Sanchez, Woodson, Meeks, Dollar, Mendoza, Fly, and Martin," said Mrs. Inman.

Eating The Evidence

The end of a perfect school project, say members of the Farwell fifth grade class and elementary principal, James Craig, who enjoyed eating the watermelons the students had

been studying about in their science class. The students used the melons as projects for their math and science classes, learning about their origin, re-

production and growth as well as weighing and measuring the tasty fruit. The watermelon feast came on Watermelon Day, the Friday before Labor Day.

How Much Does It Weigh?

The weight of a watermelon was just one of the things figured out by Farwell fifth graders taught by Karolene Inman as students used the melons in their math projects as well as in science. The project came to an end the Friday before Labor Day, when they held a watermelon feast on

the school grounds. Mayor Walter Kaltwasser designated that day as Watermelon Day last year as requested by the fifth grade class of 1982. Weighing one of the melons are, from left, Amy Murray, Janie Jamison, Monty Delgado, and Tina Ortiz.

Council, Architect Discuss Plans For Center

Farwell City Commissioners met in a special session Monday, Sept. 19, with architect Sam Pool, a former Farwell resident, to discuss plans for the old bowling alley building which is to be made into a community center.

Among the ideas discussed was the use of partitions to make smaller rooms separate from the main part of the building.

These movable walls would help with the cost of heating, cooling, and lighting, according to the commissioners.

Pool listened to the many ideas and suggestions discussed and provided alternatives from an architectural standpoint. He has volunteered his services to collaborate with the commission and draw up a usable floor

plan for the building using as many of the approved suggestions as possible.

Changes in the heating and cooling systems were suggested and discussed as well as the addition of a new door large enough to use as an entrance for vehicles and livestock.

The main consensus of the group was to plan the building like they want it to be when completely finished, then work toward that goal in an orderly manner, one step at a time.

The group hopes to make the building usable for a number of functions, including banquets, receptions, meetings, stock shows, and dances.

Following the Monday meeting, the group toured the building along with Pool, to obtain more information to be used in

the floor plans that are to be drawn up.

Those attending the meeting included Pool, Joe Jones, chairman of the community building

committee; councilmen Jerry Monk and Fred Chandler; LaMoin Williams, Charles Aycock, Lillie Christian, and Jamie Bowery.

Farwell 4-H Club Names New Officers

Farwell 4-H Club met Tuesday, Sept. 20, to elect new officers and discuss fund-raising projects.

Club president, Kevin Owen, called the meeting to order and began the election of officers to serve the 1983-84 term.

Elected to office were Suzann Inman, president; Blake Kelley, vice-president; Danna Ralston, secretary-treasurer; Geretta Hutchins, reporter; Kevin Owen, council delegate; and Carl Hutchins, alternate council delegate.

Fifteen members were present and two new members were added to the group, Lance Castleberry and Miguel Lorea.

Fund-raising projects were discussed and the 4-H members have set out canisters sponsoring Cystic Fibrosis around the Twin Cities.

Enrollment for the new year was done at the meeting. If any others would like to join, they should go to the county exten-

sion office located in the courthouse.

The 4-H organization is open to youth age 9-19.

Refreshments were served and provided by Anita Ralston and Eva Dean Stephens.

The waxed paper lining of a cereal box will make a good sandwich wrap.

Baptist Women Meet For Royal Service

The Baptist Women of the First Baptist Church of Texico met at the church Wednesday afternoon, Sept. 7, for their regular Royal Service program and Bible Study.

The meeting opened with Lois Hudnall playing on the piano, "Just When I Need Him Most." Allie Burris read the scripture, John 5:19-24, and read the names of missionaries having birthdays on that day, and Velma Kelley led in prayer.

The chairwoman, Mora Schlueter, presided over the Royal Service program. The topic was Medical Missions: Doing the Gospel in the Middle East.

The three areas of the Middle East where Southern Baptists have had medical missions

work are Jordan, Gaza, and Yemen. Mary Dell Brown, Gracie Dane, Bobbie Gilliam, and Mrs. Schlueter discussed those topics.

Chairman Velma Kelley then taught the Bible Study on "Life-Changers in the Bible, Onesimus: From Slave to Brother. Sub topics were The Onesimus story, Slavery in the Ancient World, and Meaning of Brother."

The other women present took part in the scripture reading of Philemon, Colossians, 1st Corinthians, and Galatians.

The second feature of the

evening was the program by Lisa Risdon of a spice shop in Clovis who talked about the many uses of herbs, teas, spices, and dried flowers.

Included in her presentation was a demonstration on making spice sachets for the kitchen. Later she presented each attending member with a sachet.

As part of their refreshments for the evening, the group enjoyed birthday cake and ice cream in honor of Kendale Burch, who celebrated her birthday that day.

Texico Outscores Cardinals Keeping Perfect Record

by Johnny Torres

The Texico Wolverines came away with their third victory of the season by defeating the Eunice Cardinals 18-6 at Wolverine Stadium last Friday night.

Eunice, who received the ball, was unable to penetrate the tough Texico defense on their first possession.

The Wolverine offense encountered the same problem as defense played a key role in the first quarter.

Texico mounted a late drive but time expired in the first quarter with neither team able to score.

Texico quarterback, Brad Steward, passed the ball to Kevin West for the first touchdown of the game with 11:56 left in the second quarter. The extra point was blocked by Eunice and the Wolverines had to settle for six.

The Cardinals were unable to penetrate the tough Wolverine defense again in the second quarter and at halftime, Texico led 6-0.

Texico opened the second half by receiving the football.

The Wolverines established a drive with Brad Steward as the workhorse on this march. The drive was capped off by a 15-yard run by Steward for six points.

The PAT run failed and with 8:44 left in the third quarter, Texico led 12-0.

The Eunice Cardinals found daylight in the Texico defense as running back Armando Reyes exploded into the end zone on a 25-yard touchdown run with 4:32 left in the third quarter.

The PAT pass failed and at the end of the third period Texico led 12-6.

In the fourth quarter Texico's Terry Tubbs blocked a Cardinal punt and the Wolverines had the ball at the 17-yard line.

Texico was able to capitalize as Billy Bibbs took the ball into the end zone from three yards out, but the PAT, kicked by

Stanley Cross, was no good. The Cardinals were unable to mount a drive and Texico came away with the 18-6 victory.

The Wolverines were penalized 11 times for a loss of 105 yards, and Eunice had the exact same number of penalties and yards penalized.

Texico had eight first downs while their opponents only had five. The Wolverines gained 217 yards while the Cardinals gained only 142.

Leading the rushing attack for Texico was Brad Steward who carried the ball 18 times for 118 yards and one touchdown. Billy Bibbs carried the ball 14 times for 60 yards and one touchdown.

Brad Steward made the only interception in the game. Leading the receivers was Kevin West who caught four passes for 41 yards and one touchdown. Terry Tubbs caught one pass for three yards.

Steward attempted 11 passes, completing only five for 44 yards.

Defensively the Wolverines were led in tackles by Jeff Holland, Terry Tubbs, and Billy Bibbs, who each contributed 10.

"We played really well, we were ready to play and had good effort throughout the game," said Wolverine Coach Dave Lynn about last week's game against Eunice.

"It was probably our best hitting game of the year. We played a real good defense and the offensive line did a good job. Kevin West caught well in crucial situations, and Brad Steward had probably the best game he's had at Texico. He ran well and played good defense," said Coach Lynn.

He also said that Eunice has improved from where they were earlier in the season.

Coach Lynn named Terry Tubbs and Jeff Holland as the outstanding players in the game. "Tubbs did well in a big play that shut down the Eunice

drive, as well as one quarterback sack and blocking one kick," said Lynn.

"Holland played a really good game," according to Coach Lynn. "He was in there hammering all night. He showed some leadership on the field and was the most consistent lineman there."

"We play Jal tonight (Friday). It will be their homecoming and they will be looking to beat us. They are young in certain positions, but they're aggressive. They play an attack defense similar to Eunice's and have one back, Guy Gadge, who is one of the fastest 100 meter men around. They also have a 6'3", 195 pound quarterback that throws really well," said Coach Lynn.

Wolverine quarterback (#15) Brad Steward, is brought down with the ball in the third quarter of Texico's game against Eunice last Friday night in Wolverine Stadium. Brad's eight-yard pickup on this carry preceded his 15-yard-touchdown run on the next play. The Wol-

TERRY TUBBS

JEFF HOLLAND

Terry Tubbs was chosen as the defensive Wolverine of the Week by the Texico coaching staff. According to the coaches, in the game against Eunice, Terry made a big play that shut down a Eunice drive, had one quarterback sack, blocked one kick, and made ten tackles.

Jeff Holland was chosen as the offensive Wolverine of the Week by the Texico coaches for "playing really well" in last week's game. "He was in there hammering all night," said Coach Dave Lynn. He also showed leadership on the field and was the most consistent lineman in the game. Jeff made eight tackles and one quarterback sack.

Lady Wolverines Win 4th In Hobbs Tourney

Texico's varsity volleyball team participated in the Hobbs tourney Saturday, Sept. 17, coming home with 4th place.

The Lady Wolverines lost to Carlsbad in the first set of matches, 11-15, 9-15.

In their second match, they lost to Hobbs 10-15, 11-15.

"We played better against Hobbs, a few more serves and we would have been all right," said Coach Mike Littlejohn.

In their game Tuesday against Tatum, the varsity lost the first game 16-14, won the second game 15-6, and lost the third 10-15.

"Our serving beat us, we only had 76 percent of the serves and that just wasn't good enough. We played the best passing, setting, and hitting game this year, but we'll need more work on serving," said Coach Littlejohn.

He named Kathy Harris and Loretta Gonzales as outstanding in the setting department, Cheryl Scott outstanding in hitting, and Helen Boarman outstanding in serving with 15 out of 17.

Coach Littlejohn also said the whole team did well in the game, naming Loretta Gonzales, Valda Cavellero, Dana Morris, Helen Boarman, and Kathy Harris as outstanding.

with Karen Snodgrass coming off the bench to serve 5 for 5 and playing really well.

The add-on heat pump is an efficient air conditioner that cools your home when it's hot. But that's not all.

In cold weather, the add-on heat pump works with your present furnace to help heat your home.

Replacing your air conditioner could actually save you money.

If your air conditioner breaks down, you have several choices. Repair. Replace. Buy a whole new system. All major investments.

Southwestern Public Service Company would like you to know about another option, a more efficient alternative: the electric add-on heat pump. The add-on heat pump is a very special air conditioner. It cools in the summer and helps heat in the winter for less than you'd spend on a new heating and cooling system.

It works with whatever kind of furnace you have, to improve the

performance of your furnace by keeping it off completely during a good portion of the winter. It will satisfy your home's heating requirements more economically while temperatures are above 30°. That's about 80% of our area's normal heating season.

As one of the most efficient ways to heat and cool, the add-on heat pump can really make a difference. Helping you use electricity efficiently is another way we're working to justify your trust.

Call us to see what your savings could be.

Steers Outlast Pesky Hornets For Season's Third Victory

by Mark Cole
The Farwell Steers traveled to Sudan Friday night and were forced to rally from seven points down to come out on top 12-7 to give the Blue and White a perfect three games in the win column after the third week of play.

Sudan's Hornets came out in quarter number one and drove 66 yards on their first possession ending with a six-yard sweep for the touchdown.

Several possessions later the Steers came alive and drove steadily downfield for 75 yards. Runs by Alan Eubank of 15 yards and a Roger Robertson burst for 22 yards brought the ball to the 21. At that point the Steers were forced to go for it on 4th down, but as usual the Blue and White came through when quarterback Alan Eubank ran for the first down. Three plays later Eubank scored from three yards out. The Steers were then within firing range of the Hornets, behind by only a single point with the score 7-6. The first half finished with the same score.

At the end of the halftime period the Steers came out charged up and ready to play. Early in the third quarter, Paul Fulcher came up with a loose ball from the Hornets and gave the Steers possession on the 47-yard line. From that point the Steers needed only four plays to notch their second score of the evening. This time

it was Robertson who carried the pigskin on a spectacular sweep for 30 yards and the TD. The Steers then led 12-7.

The remainder of the game was devoted to good defensive play on both sides. With 1:21 remaining in the game the Hornets attempted to make up the six-point deficit, but were halted when Robertson knocked down a Hornet pass. On the next play, an interception by Kevin Owen for his first steal of the season gave the Steers possession and the game, 12-7, and they traveled home with a perfect 3-0 record.

Steer Coach Bruce Dollar commented on the game between the Steers and Sudan last week. "We played really poorly. They (the Steers) were trying to play this week's game (against Seagraves) last week."

Alan Eubank made 93 yards in 22 carries, Paul Fulcher made 100 yards in 23 carries, Roger Robertson made 91 yards in 12 carries, Blake Kelley made 21 yards in one carry, and

Bobby Ford made one yard in three carries.

"There was no intensity in that game. I'm just glad they got it out of their system in that game instead of later in the season," said Coach Dollar.

"The next game will be against Seagraves. They will be tough and ready to play. So far this season, Seagraves is undefeated with only 14 points scored on them to date. They are extremely large, five of their players are over 6'1", 200 pounds. They are always good and have won more games in the last 10 years than any team in the state, averaging 10 games won per season," the Steer mentor said.

"We are comparable with them or any other team in the state when we play the way we should," said Dollar.

Boosters Discuss Bus Trip, Homecoming

Plans for taking a bus load of fans to the game at Seagraves, and sponsorship of two new homecoming events were among the main topics of discussion at the Farwell Booster Club meeting Tuesday, Sept. 20.

Those planning to take the chartered bus to Seagraves tonight (Friday) need to be at the school by 5 p.m.

Departure from the school will be at 5:15 p.m. and a stop will be made in Denver City for supper on the return trip following the game.

The pep rally for the Steers-Seagraves game will be at 2:40 p.m. this afternoon and buses will run at 3 p.m.

Booster club members will be sponsoring a gathering of the former cheerleaders of Farwell High School, who will meet at the school one hour before the homecoming pep rally Friday, Sept. 30.

This will be the first year that the former cheerleaders have been invited to take an active part in the homecoming pep rally, and it is hoped they will do a special yell at the rally.

As another new item, the

Booster Club will be inviting the coming-home kings to attend the festivities.

For several years, the Booster Club has sponsored the coming-home queens to attend the game and take part in the activities, but this will be the first year the kings have also been invited.

Coming-home kings for the years of 1954, '64, '74, have been contacted and it is hoped they will escort their queens at the ceremonies.

Jerry Roten gave a report on a bus tour to Dallas to attend the Dallas Cowboys vs Kansas City game on the weekend of November 19. The maximum cost of the trip will be \$100 per person. This includes motel, transportation, and tickets to the game.

The more persons who go on the trip, the less the cost per person, Roten says, and anyone wishing more information may contact him.

Before adjourning the meeting, members heard a report from Steer Coach Bruce Dollar on the upcoming game and watched the game films of last week's game against Sudan.

"CONTINUE THOU"

"Evil men and seducers shall wax worse and worse... but continue thou" (II Tim. 3:13, 14).

These were among the last words of the great Apostle Paul, written in view of his approaching martyrdom, to Timothy, his beloved son in the faith.

Circumstances, outwardly, were anything but encouraging. It seemed that the last days of the dispensation of grace were indeed at hand. The apostle had borne many "persecutions" and "afflictions" and now "suffered trouble, as an evil doer, even unto bonds." There were those who, like Jannes and Jambres, had "resisted the truth" (Ver. 8). "Alexander the coppersmith" had done him "much evil" and had "greatly withstood his words" (4:14, 15). "Evil men and seducers" had risen on every hand and were to "wax worse and worse; deceiving and being deceived" (3:13).

There was even defection among his own brethren in the faith, so that now, from his Roman prison, he had to report: "All they which are

in Asia have turned away from me... Demas hath forsaken me... only Luke is with me" (1:15; 4:10, 11).

And what, now, is his parting advice to young Timothy? Does he say: "Perhaps I have been too intense. My methods have made many enemies. I advise you to be more diplomatic and tolerant than I have been"? Hardly, for the records show Paul to have been of all men most tactful and considerate. His sufferings were not the result of a contentious spirit, but of his faithfulness in proclaiming that message which so embarrasses and engages "our adversary, the devil," that message which is God's gracious response to man's need and His answer to Satan's slander—the gospel of the grace of God.

Thus it is that the Apostle urges Timothy: "Continue thou... be not ashamed... be strong." He well knew that in this sin-cursed world the only hope for the individual is to be found in God's offer of salvation through faith in the redemption wrought by Christ at Calvary.
