It isn't often that we report on information received from our politicians. This week, however, we will excerpt from a Special Report on Mexico by our U.S. Congressman Kent Hance. Says Hance:

"Texas has always shared a unique heritage with its neighbor to the south, the country of Mexico. That relationship continues today, though it has become somewhat strained over the years. It can be said that few countries have a more direct impact in the everyday lives of Texans than the nation of Mexico.

"To some degree, what goes on in Mexico often determines what goes on in Texas. The strengths and weaknesses of the Mexico economy can help or hurt the Texas economy. The border we share with our southern neighbor makes it impossible for us to separate ourselves from Mexico's troubles.

"To understand the true relationship between Texas and Mexico, it is important to remember that Texas was once a part of Mexico. The continually shifting and unstable political base in Mexico significantly affected the development of Texas first as a Mexican colony, later through its period as an independent nation, and today as part of the United States.

"Though it is often considered part of the Third World, Mexico is more economically advanced than most developing nations. Over the last 40 years Mexico has changed from a rural and agricultural society to a more urban, industrialized society with a mixed economy.

"This recent fast-paced growth has caused many of the problems Mexico faces today, many of which have a 'ripple' effect on the economy and lifestyle of America and Texas. Of particular importance to Texas and the United States are those arising from Mexico's involvement in international finance, the border economy, and illegal immigration.

"Mexico's involvement in international monetary affairs has grown substantially in recent years. After Mexico discovered and began developing huge new reserves of oil, its economy grew much too rapidly, leading to over-expansion and annual inflation rates in excess of fifty percent. What new wealth oil brought to Mexico, however, was soon depleted by its poor spending and economic policies. Consequently, Mexico increased its borrowing from foreign lenders as well as its dependence on international funds, creating immense foreign debts that the country has had great difficulty repaying.

"Mexico's foreign debt increased nearly 230 percent in the six-year period from 1976 to 1982, climbing to \$58.9 billion by the end of 1982. This debt represents money owed to banks in other countries, including the United States. At least \$14 billion of Mexico's total foreign debt is owed to U.S. Banks.

"Because of its international economic problems, Mexico was forced to devalue its currency, the peso. This has had a tremendous impact on Texas and its bordering communities." End of Hance's quotes.

This rather dismal report on Mexico's economic problems does nothing to inspire us, especially considering that all of Mexico's ruling political parties have had strong socialistic tendencies. From socialism to communism is only a small step, one many other countries have made to their deep distress.

Considering that Mexico is our very next door neighbor and that the Central American fighting over communism is in turn Mexico's neighbor, we cannot understand the stupid dolts, both in and out of Congress, who want the United States to ignore the threat of communism to Central America.

Austin, Texas, is as close to the fighting in Central America as it is to Washington, D.C. Maybe this doesn't bother the bean eaters from Boston, but it sure bothers us chili eaters from the Panhandle.

Decisions, Decisions

Starting school for the first time brings so many decisions, such as which notebook to get and what color of supply box to buy. Jennie Morris, daughter of Mr.

and Mrs. Donnie Morris of Texico, is busy looking at the many items in the school supply section at Rose Drug. Jennie will be entering first grade at

Texico next Tuesday and says she is looking forward to being in Mrs. Vicky Lynn's class with many of her friends.

Meeting Set Monday - -

City Dads Ask Ideas For Community Center Project

Farwell city fathers are asking each social and civic group in the community to have a representative at a meeting Monday, Aug. 15, at the old bowling alley on 9th Street at 6 p.m. to take a tour of the facility.

The former bowling alley, which in recent years has been used as a sewing factory, was given to the City of Farwell in June of this year by the Citizens Bank of Clovis and the Clovis National Bank.

At the time the city accepted the deed to the building, the Farwell Development Corporation, the Chamber of Commerce and City Council agreed that it would make a suitable place for

a civic center and perhaps a Senior Citizens building.

Plans were to have a consultant from Texas A & M look at the facilities and help draw up plans for renovation of the property into a place suitable for the needs of the community.

At the Monday night meeting of Farwell City Council, consideration of ideas for the building were discussed by the council members and visitors representing social and civic organizations. It was then decided by the council that they would schedule the meeting at the building site next Monday night so that everyone could take a tour of the facilities to get a better idea of what needs to be

done.

Each representative to the meeting next Monday night is then asked to discuss the findings with his respective organization and then return to the September 12 meeting of the City Council to report and make suggestions for plans for renovating the building.

In other business at the City Council meeting, it was voted to renew a CD in the amount of \$100,000 at Security State Bank.

Repairs for the roof to the city hall building were approved in the amount of \$250, and it was agreed that the city will renew leases for chlorine bottles, and will be purchasing a new chlorinator for approximately \$1190.

Friona Men Arrested, Charged With Burglaries

Three arrests have been made in relation to four burglaries which have occurred in the Friona area since the first of August, reports Parmer County Sheriff Bill Morgan.

Three men, all from Friona, have been arrested in connection with the burglaries of three Friona businesses since August 1, including Abalos Cafe, Plains Hardware, and Mike's Automotive, which was burglarized twice.

Sheriff Morgan reports that about half of the items taken in the burglaries has been recovered.

Assisting the sheriff's officers in the arrests were members of the Friona Police Department.

Tony Morin, 19, of Friona was arrested Saturday, Aug. 6, on three counts of burglary. He is being held in lieu of \$10,000 bond pending Grand Jury investigation. He was on felony probation for prior offenses at the time of his arrest.

Richard Dimas, 18, of Friona was arrested Monday, Aug. 8, on two counts of burglary and is being held in lieu of \$10,000 bond pending Grand Jury investigation. He was also on felony probation for prior offenses.

Jimmy Jarrett, 18, of Friona was also arrested Monday, Aug. 8, on one count of burglary and is also being held in lieu of \$10,000 bond pending Grand Jury investigation.

In other action this week, Parmer County Cattle Company reported their tack room was broken into Monday, Aug. 8, with an estimated \$4,300 in saddles taken.

Tim Lane of Farwell reported a pistol was taken from a city pickup Tuesday, Aug. 2. The pickup was parked inside the fenced area at the city barn at the time of the theft.

Mike Goetsch of Farwell reported that his 1982 Yamaha motorcycle was stolen from the barn behind his home on 2nd Street Saturday, Aug. 6.

Sunday, Aug. 7, Gerald Norton reported a battery had been taken from one of his irrigation motors.

Also on Saturday, Joe Black of Bovina reported a billfold was taken from his trouser pocket.

The Farwell Country Club reported some vandalism Friday, Aug. 5. Eight juveniles were apprehended and ordered to make

restitution for the damages.

John Kuker, 34, of Amarillo was arrested by Texas Highway Patrol officers Friday, Aug. 5, for DWI. He has been released on \$300 bond pending County Court action.

Charlotte Sanford, 21, of Littlefield was arrested by Friona Police Department officers Friday, Aug. 5, on charges of criminal conspiracy. She has been released on \$2,000 bond pending Grand Jury investigation.

Friona Police Department officers arrested Anthony Garcia, 26, of Lubbock Friday, Aug. 5, on charges of burglary. He has been released on \$2,000 bond pending Grand Jury investigation.

Richard Ward, 24, of Farwell was arrested by Parmer County Sheriff's officers Tuesday, Aug. 9, for theft by check. He has been fined \$1 plus court costs and ordered to make restitution.

Dosher Fund Still Open

Contributions may still be made to the hospital fund for Betty Doshier of Texico at the Texico Branch of Citizens Bank.

The fund was established last week by the Texico Volunteer Fire Department to help defray hospitalization costs. Those

wishing to contribute may contact Jerri Herrington at the bank for more information.

Mrs. Doshier remains in the medical intensive care unit at Lubbock Methodist Hospital in critical condition.

School Hours Changed - -

Texico Students Will Begin Classes Tuesday

Youngsters who are heading back to the classrooms at Texico Schools next week probably are thinking, "what a short summer," while their mothers are probably thinking, "will next Tuesday never get here?"

Regardless of the reactions, school will officially start at Texico next Tuesday, Aug. 16, and it's moth ball time for the bathing suits and other summer paraphernalia while taking out the reading, ritin' and 'rithmetic books.

New school hours are among the many changes as the 1983-84 school year begins at Texico with classes scheduled from 8:30 a.m. to 3 p.m. MDT each day. School buses will make their runs one-half hour earlier than last year in accordance with the earlier starting time.

The new school hours were decided on by the school board during the last semester of school last year. By starting classes earlier and letting out a half hour earlier, the problem of many students who live in the country getting home after dark will be reduced.

While school will begin earlier, the lunch times for students will remain the same as last year, therefore, high school and junior high students will be attending four class periods before lunch and two classes after lunch according to a school spokesperson.

Another change in the schedule this year will be the move of all varsity sports to sixth period, the last hour of the school day. According to Supt. Jim

Pierce, "This change will have several advantages, among them, those leaving school to participate in sports activities will be missing fewer academic classes."

Last year many of the required academic courses were scheduled for later in the day, thus many students missed class for sports activities or the classes were changed causing confusion for students and faculty.

The change in the times of the classes should also help the students in their classes by enabling them to attend the academic courses before exhausting themselves in sports activities.

School will be dismissed at 2 p.m. MDT on Tuesday, Aug. 16, giving the teachers time to set up their grade books and make final preparations for the school year, but starting Wednesday, dismissal time will be 3:00 p.m.

Those students enrolling in Texico Elementary for the first time will register in the elementary office on the first day

of school. All students entering the first grade must be six years of age by September 1, and must bring a birth certificate and immunization records to register.

Other elementary students, having attended Texico last year, should go to the classrooms of their grade level. A list of students in each class will be posted on the door of that classroom. All students will fill out their registration forms in the classrooms on that day when the teachers will be present to assist.

Prices for the school lunch tickets will be the same as last year, 90 cents each, and may be purchased at the office of each school.

Members of the school board for this year are Arlye Crooks, president; Herman Gerles, vice-president; Greg Martin, secretary; Roy Thornton, and Johnnie Rucker, members.

Faculty for 1983-84 year will include Kenneth Shaw, high school and junior high principal; Kendale Burci, home eco-

nomics and social studies; Sylvia Burgett, art and librarian; Juanita Hadley, English and Spanish; Roy King, coach, physical education, and social studies;

Also, Paula Leighton, resource room; Ann Liethen, business education; Michael Littlejohn, coach, physical education, and social studies; David Lynn, coach, physical education, and history; Nadine Maben, science; Scott Parker, coach, physical education, and health; Ronnie Warmuth, math and computer sciences; Eddie West, vocational agriculture; and Katherine West, English and journalism.

Also, Carol Brock, math; Joan Edwards, resource room; Jerry Sadberry, band and music; Anna Southard, language arts, English, and math; Ima Gene Swinney, special education;

And George Herrington, elementary principal; Rita Dunsforth and Vicky Lynn, first grade; Alice Richmond and

Little League Sets Wrap-Up Meeting

Texico-Farwell Little League Association will conduct an end-of-season wrap-up meeting next Monday night, Aug. 15, at Luce's at 8 p.m. CDT.

All interested parents are urged to be present for this meeting at which time officers for next year will be elected and plans will be started for the 1984 season of summer baseball for Twin Cities youngsters.

The program was considered highly successful this year with a record number of boys and girls participating, and it is hoped that enough interest will be shown by adults and parents in the communities to keep the program going strong.

Remember: the meeting is Monday, Aug. 15, at 8 p.m. at Luce's.

Bewildered

"Registration day can be a bewildering affair the first time around," Walter Wilhite seems to say as he listens closely to principal Ken Shaw, left. Walter was just one of the students who registered to attend Texico Jun-

ior High this year. Here Shaw, high school and junior high principal, checks the forms and records brought with Walter from another school as he enrolls in Texico for the first time.

Classes will begin at Texico Tuesday, Aug. 16, 8:30 a.m. Classes will normally end at 3:00 p.m. MDT, however, classes will be let out early on Tuesday, the first day of school.

Registration Next Week For Farwell Students

Students planning to attend Farwell Schools during the 1983-84 school term are reminded of the upcoming registration which will take place next week.

Elementary and kindergarten students will start the registration process Tuesday, Aug. 16, when elementary students who have never attended Farwell Schools and kindergarten students who did not pre-enroll will register at 1:30 p.m. in the elementary building.

Kindergarten students must be five years of age by September 1, 1983, and must bring a birth certificate with them for registration. They must also bring their immunization records.

Farwell High School students will register Friday, Aug. 19, in the high school, with students who are new to the school district registering first, between 8

and 9 a.m. The other registration times are as follows: seniors, 9 to 10 a.m.; juniors, 10 to 11 a.m.; sophomores, 11 a.m. to noon; and freshmen, 1 to 2 p.m.

Lynn Burton, high school principal and band director, reminds high school band members that they are to pick up their uniforms at the band hall at the same time as their registration period. Band parents are asked to please send their annual band dues at that time also.

Junior high students will register on Monday, Aug. 22, the first full day of school.

Supply lists for students from kindergarten through 5th grade are as follows:

KINDERGARTEN: Workbox (cigar box is fine), medium size bottle Elmer's Glue, two jumbo pencils, box jumbo crayons

Dead Evergreens Posing Fire Hazards In Farwell

Joel White, Farwell fire chief, says that a tour around the city of Farwell shows that there are many dead and/or dying evergreen trees in yards and near homes and points out that these are a terrible fire hazard.

"The kindling point is so low on these evergreens that even the slightest spark could ignite an entire tree causing a flash fire," the fire chief said.

White added that he and the fire marshal had decided to make it known to residents that they should check the trees on their property and either have them taken out or to watch them very carefully.

"Some of the dead trees we have seen are actually touching a home or other building, and if set ablaze, could cause considerable damage," White said.

The trees are suffering from the drought, a blight and bag worm infestation. Most of the trees are at least 50 percent dead, White says, and pose a potential problem.

White continues by cautioning residents not to use a chain saw to cut down the dead trees unless the tree has been thoroughly "wet down," as even the minute sparks from the chain saw could set off a big blaze he says.

Farwell School Board Accepts Bids For Van

At its meeting Monday night, Aug. 8, Farwell School Board accepted bids for a van for the school and for roof repairs to the administration building and the old gymnasium. In addition, two new teachers were added to the school system to complete the faculty. Jane Stephens was hired as the kindergarten teacher, and Catherine Lanham was employed as elementary physical education teacher.

The bid from Friona Ford Sales, Inc., in the amount of \$14,887.35 was accepted for a 15-passenger Ford Super Club Wagon to be delivered in approximately 75 days. Big Country Ford of Clovis also submitted a bid for the vehicle. This bid was in the amount of \$15,257.19.

West Side Sheet Metal of Clovis submitted the accepted bid for repairs to the administration building roof in the amount of \$5400, and a bid for \$1715 for repairs to the roof of the old gym.

Borden's bid on providing milk for the school lunch room was accepted and the rates for school lunches were kept the same as last year: K-5, 90 cents; 6-8 grade, 95 cents; 9-12 grade, \$1; teachers, \$1.50; and visitors, \$1.75. The price for

extra milk remained at \$0.15 per one-half pint.

The student handbook was accepted as presented by Lynn Burton, principal, and Security State Bank in Farwell was named as the school's depository bank for the period from September 1, 1983 to August 31, 1984.

Bruce Dollar, athletic director, reported on junior high athletics and recommended that accident insurance not be required for participation in athletics.

The board also voted to increase the pay for school bus drivers to \$1.18 per mile, with a \$0.02 per mile bonus to be paid to drivers who stay a full year. A motion to use Cornell and Company as auditors for the 1982-83 school year was tabled until the next board meeting.

Attending Monday's session were board members Joe Hughes, Wilbert Kalbas, Max-Williams, Floyd Coates, Steve Pierson, Richard Hasehoff, and Edward Corn.

Also attending were W.M. Roberts, superintendent; Lynn Burton, high school principal; Bruce Dollar, athletic director; and Ed Wees, high school mathematics instructor.

Ruins And Rubble

Rubble is about all that remains at the site of one of the old buildings on Texico's main street this week as workers have almost completed the demolishing of the structure. The building, which joined the old Texico Hotel building on the south side of the street, is being torn down by Glenn White of Farwell who is saving the

bricks taken from the site. Through the years the building housed many different businesses, but has been vacant for many years and has been claimed a safety hazard due to age and structure weaknesses. White said at present he has plans only to tear down and remove the one building there.

Texico C Of C Discusses Improvements At Park

The usage of and possible improvements to the KKR Park in Texico was the main topic of discussion at the Texico Chamber of Commerce meeting Monday, Aug. 8.

Chamber members talked about the increased usage of the park by area citizens, and its probable appeal to the public after the newly-planted trees have had time to grow and more improvements have been made to the park.

Several possible improvements were discussed during the meeting, including the possibility of the addition of tennis courts. Plans have been made to set the existing park tables in concrete in the near future.

Jim Pierce, Texico School superintendent, gave a report on the progress of the school's new multi-purpose building now under construction.

In other discussion, Chamber members discussed the possibility of making the old hotel on the south side of main street in Texico an historical landmark.

Attending the meeting were Louise Engram Tidwell, Jim Pierce, John Hadley, and Jim Milsap from Southwestern Public Service.

The next scheduled meeting of the Texico Chamber of Commerce is Monday, Sept. 12, at 6:30 p.m. MDT in the Citizens Bank building.

Dr. Bill Hardage - -

Lazbuddie Native Appointed To New Wayland Position

PLAINVIEW - Dr. Bill Hardage, previously associate academic vice-president at Wayland Baptist University, has declined a previous offer to enter private business locally and has been named Wayland's first advancement vice-president. Hardage is a Lazbuddie native.

Dr. David L. Jester, WBU president, made the announcement late Thursday afternoon.

Hardage, who announced his resignation earlier this month to become associated with Southwestern Life Insurance Co., will assume his new responsibilities immediately, Jester said.

The move completes the administrative chain formed two years ago when Wayland was re-organized into a university. Because the position of advancement vice-president had been vacant until now, Hardage's new duties were previously divided among Jester, Dr. Dan McLallen, academic vice-president, and Dr. Charles Bassett, business and financial vice-president.

"We are extremely pleased that Bill has chosen to remain with us in this new capacity," said Jester. "He has proven himself in the past, and his long association with Wayland will give us a significant advantage in the area of advancement that we might not otherwise have had."

Hardage's previous position as Wayland's number-two man in the academic area will be dissolved, Jester said. He joins McLallen, Bassett and Dr. Paul Butler, student development vice-president, as the university's four chief administrators below the president.

"After Wayland extended the offer to me and I had a chance to consider it fully, I felt it afforded me the opportunity to work with some of the most important areas affecting the university," Hardage said.

"I found that it's not easy to leave a place you've been associated with for almost 20 years. It's a very challenging and interesting package (of responsibilities) and provides me a refreshing new horizon. I am very pleased to be working with the people we have."

As advancement vice-president, Hardage will be directly responsible for the offices of Student Admissions, Public Services, Financial Aid, and Church and Alumni Services. He will also have administrative responsibility for the Llano Estacado Museum and the Wayland athletic program.

In that capacity, he will be in

charge of planning, promoting, marketing and enhancing the image of the university, Jester said, as well as maintaining quality controls in each of the advancement areas. "He will coordinate the efforts of each thrust, and communication within the advancement program and the entire university will be a top priority."

Jester added that "Dr. Hardage's varied background in West Texas education and his significant experience at Wayland in many varied capacities will be invaluable in our institutional advancement challenges, particularly in light of our 75th Anniversary and 'Celebrating Excellence' campaigns."

Hardage's association with Wayland began in 1963 as a student and first member of the Pioneer track team. He coached the track team for more than 11 years, with leaves of absence to complete graduate work at Texas Tech and East Texas State.

He was elevated to the position of assistant academic vice-president in 1979, receiving a promotion to associate vice-president this past spring.

Hardage, his wife Susan, and children Tim, 16, and Cindy, 13, make their home at 1306 Itasca in Plainview.

County Attorney Notes Changes In DWI Laws

The following article is a public service by the State Line Tribune through the cooperation of Charles Aycock, county attorney, and The Prosecutor Council. Its purpose is to make you aware of a prosecutor's role, or your responsibility as a resident of Parmer County and how we can work together to alleviate some of society's problems.

DWI

A FOLLOW-UP REPORT
The outcry against driving while intoxicated has grown tremendously, and rightly so. The statistics can be frightening:

- Half of the people in the U.S. will be involved in a DWI collision during their lifetime.

- In 1980 drunk driving was involved in the death of a person in Texas every four hours.

- Drunk driving is the most common form of violent death and the leading cause of death among young people.

Earlier this year this office in cooperation with the Prosecutor Council presented a series of articles examining the problem. Recognizing the need for reform, the Texas Legislature addressed the issue in its last regular session. In June Governor Mark White signed into law Senate Bill 1, which becomes effective January 1, 1984. The bill brings many changes, some of which are highlighted below.

The very definition of DWI has been revised. If a driver has a .1% or more alcohol concentration in his blood, he will be by definition guilty of DWI.

Evidence of alcohol in the blood is often shown by the results of a breathalyzer test. If a driver refuses to take a breathalyzer test or similar test, that refusal could now have two effects. First, he will lose his driver's license for 90 days. This will be true even if he is not later charged with or convicted of DWI. Second, the fact of his

refusal may be introduced at his trial. The jurors will know the defendant refused a breath test and may believe that the defendant knew he was drunk.

Counties of 25,000 population or more will be required to use videotape equipment to preserve for trial how the defendant looked and behaved shortly after arrest. The tape will allow jurors to see for themselves how the defendant looked and acted that night. Upon conviction a first offender could lose his license for 90 days to a year. A repeat offender could lose his license for 180 days to two years.

Stiffer fines will also be imposed. The driver can expect to pay from \$100 to \$2,000, depending on how many times he has been convicted of DWI.

Jail time has also been increased. Again, depending on the number of times he has been convicted, a driver could expect to spend from three days to five years in jail.

If the driver has seriously injured another person as a result of his drunk driving, his punishment will be even greater. An additional \$500 fine and an additional 60 days in jail could be tacked on to the fines and sentences already mentioned.

The use of deferred adjudication has been eliminated. Under this method of handling cases, the individual pleads guilty before a judge. The judge delays entering judgement pending a period of probation. If the person completes his probation, the offense is removed from his record. This process will no longer be open to DWI defendants.

Probation will also be affected. In the future, if the convicted driver receives probation, he must be evaluated to see if he needs alcohol or drug rehabilitation. Furthermore, a probated sentence will count as a final conviction. If the same

driver is convicted again, it will be his second conviction for purposes of figuring his punishment.

Other changes in the law help keep the offender off the streets. Under certain circumstances, a repeat offender will be forced to forfeit his automobile to the state. Some drivers may find themselves unable to afford automobile coverage; insurance companies will be allowed to place a surcharge for up to three years on rates to a DWI offender.

These changes highlight efforts by Texas lawmakers to address the problem of DWI. Now the responsibility lies with you the citizens. As jurors you have the final responsibility in determining how the crime of DWI is viewed in our community and how it is enforced. If you have any questions, please feel free to call my office, Charles Aycock, county attorney.

County Court Results

In recent County Court action before Parmer County Judge Porter Roberts, Harold Henderson, 40, of Amarillo appeared on a charge of DWI Thursday, Aug. 4. He was fined \$200 plus court costs.

Valentine Espinoza, 23, of Bovina appeared before Judge Roberts Friday, Aug. 5, on a charge of DWI. She was fined \$200 plus court costs and given 30 days to serve with six months deferred adjudication.

Meeting Cancelled

Texico City Council did not have their regular session Tuesday, Aug. 9, due to a lack of quorum.

The next regularly scheduled meeting will be Tuesday, Aug. 23, at 6:30 p.m. MDT in city hall.

TELL OUR ADVERTISERS YOU SAW IT IN THE TRIBUNE!

To Lead Texico Band

Leading the Texico Marching Band during the coming school year will be EIDonna McCormack, left, drum major, and assistant drum major, Tim Harmon. EIDonna served as the assistant drum major last season and was moved to the top position this year. Tim was chosen as the assistant during

tryouts at the recent camp conducted for Texico band students under the direction of Jerry SADBERRY, band director. The two drum majors will be leading the band during their performances at various parades in the fall as well as at all the home football games.

Tri State Fair Parade Entry Deadline Aug. 19

Everyone loves a parade, and the Amarillo Tri State Fair Parade always draws a big crowd. This year will be no exception as the parade kicks off the 1983 Tri State Fair on Saturday, September 3. The parade will begin at 10 a.m. on Polk Street in downtown Amarillo, according to John Kuhn, chairman of the Parade Committee, and will feature marching bands, military units, floats, horses, clowns - everything you love about a parade.

The theme of this year's parade is "America's Decade of Water." Cash awards of \$250, \$100, and \$50 plus trophies will be given to the top three floats which best follow the theme of the parade. Trophies will be awarded for

the best overall entry and for the best entry in the following categories: military, equestrian, band (4 trophies to best bands from junior high through high school), junior ROTC, civic, youth and religious organization. Awards will be presented at the outdoor stage on the fairgrounds at 6:45 p.m., Saturday, September 3.

Entries must be in the fair office by August 19. For entry forms or additional information you may call the Fair office at 806/376-7767 or write: Tri State Fair, P.O. Box 31087, Amarillo, Texas 79120.

Sheriff Granted Okay To Purchase Car

In the meeting of the Parmer County Commissioners Court Monday, Aug. 8, Parmer County Sheriff Bill Morgan was granted permission to advertise for the purchase of a new car for his department. He explained that the purchase of this car was not in the budget but enough money has been taken in to pay for this car by boarding prisoners from the overflow from the Randall County jail.

Commissioners voted to pay a bill received for the clearing of right-of-way for proposed FM 3333 in the amount of \$55.

A request for right-of-way

ease was received from Five Area Telephone Cooperative, Inc. of Muleshoe. The request was granted.

A motion was approved to reinvest \$100,000 of Farm-to-Market funds in a CD to mature August 23, 1983.

The payment of a bill received for medical treatment of a county foster child not covered by Medicare in the amount of \$3.35 was approved.

The commissioners also approved payment of a bill received from Blackwell-Ellis Funeral Home of Friona for an indigent funeral in the amount

of \$300. Kevin Deckard of Deckard Equipment Co. of Amarillo met with the court to discuss the lease/purchase agreement of John Deere Co. for road equipment.

A motion was made and approved that the following soil conservation work be approved and ratified and that the work be performed when the machines are in that area and not demanded for use on the roads:

In precinct four, Joe Bryan Jennings, Elvis Powell, and J.T. Mayfield.

Personnel Hired By Texico School

The hiring of personnel and approving purchases were the main topics of business at the Texico School Board meeting Tuesday, Aug. 9.

Board members voted to hire Mary Morin for the position of elementary secretary. The position was left vacant after the resignation of Kay Warmuth, high school secretary, and the transfer of Audrey Kittrell to the high school position from the elementary.

Lupe Olivas was hired as half-time migrant teacher.

Kenneth Shaw, high school and junior high principal, was appointed by the board as a voting delegate to the Activity Association.

In other business, board members voted to purchase 12

new computers on a network hookup. The board will be accepting bids for the computers soon.

Also approved was the purchase of chairs for the home economics department.

Bus drivers and activity bus drivers were also approved by the board.

Those attending the meeting were given a tour of the newly-remodeled gym No. 2 and the

new multi-purpose building.

Those present were board members Arlye Crooks, Herman Gerles, Greg Martin, Roy Thornton, and Johnnie Rucker. Also present were Ronnie Warmuth, Ann Liethen, Jim Pierce, Marcia Leavell, Kenneth Shaw, and George Herrington.

The next scheduled meeting of the Texico School Board will be September 13, at 7 p.m. MDT in the high school lounge.

Father, Daughters Are Reunited On TV Show

Verbie Robinson of Louisville, Kan., son of Mr. and Mrs. E.L. "Bud" Robinson of Farwell, was a recent guest on the NBC television program, "Fantasy." During the show, Robinson was reunited with his three daughters, one whom he hadn't seen in nine years, another he had not seen for 20 years, and his youngest daughter he had never seen.

He was separated from his daughters when he and his wife separated, and she and the girls moved to California. Some nine years ago, the eldest girl, Jonita, went back to Kansas to attend school, and later returned to California, and she had not seen her father since that time.

According to Robinson's mother, the oldest of his daughters kept in touch with her grandparents and through them, with her father.

For some time, the family had been trying to get together for a reunion, but the cost of travel always prevented them from such an event. Jonita wrote to the "Fantasy" show telling of her fantasy of being reunited with her father.

Her letter was chosen from the over 60,000 letters received by the show each week, winning her an appearance on the show. It was her belief, however, that she would be playing the "fantasy fountain" game on the show to win money to make the trip to see her dad.

Robinson received a telephone call notifying him that he would also be appearing on the show June 23. At the time, he wasn't at home and Mrs. Robin-

son took the message. Believing it was a salesman calling, Robinson almost chose not to return the call, but later, realizing that the call came from California where the girls were living, he did return the call.

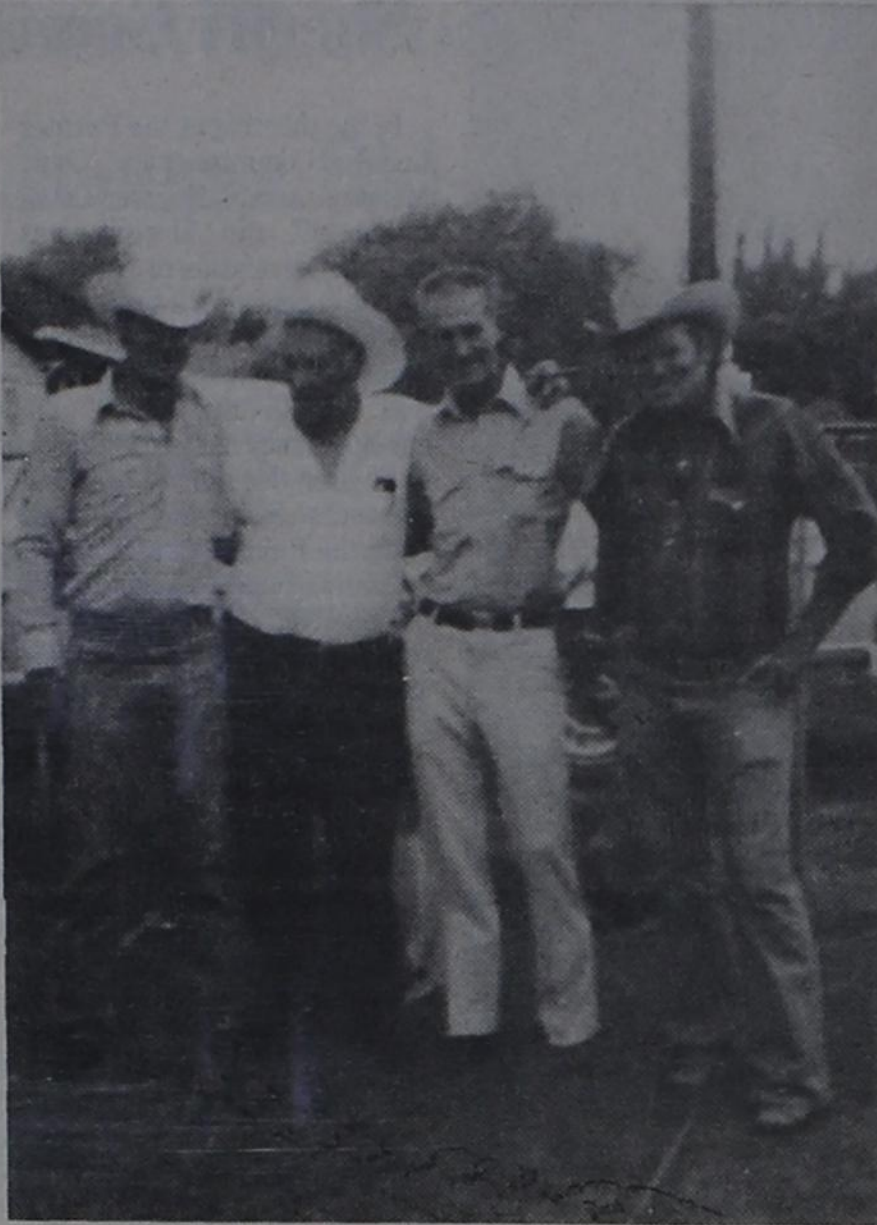

He says he found it hard to believe, but was soon convinced when the show kept calling to verify one thing or another.

According to Robinson, the show spent close to \$2,000 to get him to California, setting him up in a \$200 a day hotel room and paying for his meals. Each of the daughters was given comparable accommodations, but did not know that their father would also be appearing on the show.

When the show began, Robinson was seated in the front row at one side of the audience where he was interviewed by Leslie Uggams, one of the show's hosts. During this interview, his daughters were kept backstage where they could not see or hear him, and were later seated on the other side of the audience.

Later in the show, the three daughters were called onto the stage and were told that the "fantasy fountain" machine was broken and that a substitute had been provided. At that time, the emcee called Robinson on stage, fulfilling all their fantasies of being together.

According to Robinson, he and his family plan to have another reunion in two years when he will be traveling to California for a three-week visit.

Farwell Student Council Group Attends Workshop

Four members of Farwell High School Student Council were in San Angelo last week attending sessions of the Texas Association of Student Councils Summer Leadership Workshop on the campus of Angelo State University. The students were accompanied by Kay Stanton, Student Council sponsor.

Attending from the local high school were Paul Fulcher, senior, son of Mr. and Mrs. Pete Fulcher, who will be serving as president of the Student Council this year; DeAnn Curtis, sophomore, daughter of Mr. and Mrs. James Curtis, and secretary of the organization; Marla Meeks, junior council representative and daughter of Mr. and Mrs. J.C. Meeks; and Elva Whitesides, a sophomore, Student Council reporter, and daughter of Mr. and Mrs. Bill Whitesides.

The group left Farwell about 9 a.m. July 31, arriving at the workshop scene about 3 p.m. where they met for registration and general assembly period for a time of getting acquainted with the some 300 students attending.

The students were divided into councils of about 20 members each, and each council was given a color. The group then had to come up with a name for its group, a mascot, and a cheer, all using that color. That

was how each council was identified during the remainder of the workshop sessions.

Each day was filled with a busy and detailed schedule as the attendants learned how to work together, how to cooperate, to listen to ideas of all and formulate single idea for the group, how to work under pressure and within a time frame, and how to perform before a group in a stage situation.

"The Farwell students came away from the workshop with much enthusiasm for the coming school year and are anxious to get things underway to put into practice some of the things learned," reports Mrs. Stanton.

Hospital Notes

Juanita Foreman of Texico is in the Muleshoe hospital for treatment of pneumonia. She is reported to be doing well.

Buck Gregory of Farwell has returned home from Lubbock Methodist Hospital and is reported to be doing better.

First Baptist Church Schedules Revival

Rev. Max Copeland, pastor of the First Baptist Church of Marble Falls, Tex., will be evangelist for the revival at First Baptist Church, Farwell, August 21 through August 28.

The revival services will begin with the evening program at 7 p.m. CDT on Sunday, August 21, and will conclude with the morning worship service Sunday, Aug. 28, says Rev. Pat Riley, pastor of the local church.

Services will be conducted each evening at 8 p.m., Monday through Friday, and noon services from 12 to 1 p.m. will also be held daily, with a salad luncheon to be served during this time.

Rev. Riley invites all area residents to attend all the revival services to hear the guest evangelist.

Born in Knox County, Tex., in 1930, Rev. Copeland graduated from high school at Weinert in Haskell County. He graduated from Baylor University in 1951,

and finished Southwestern Theological Seminary in 1956.

He was married in 1957, and he and his wife have three children, two sons and a daughter. The eldest son is a graduate of Texas A & M and is married; the daughter is a graduate of Baylor and is about to be married; and the youngest son is a sophomore at Texas A & M.

Rev. Copeland has pastored the Roberts church in Haskell County, Briggs church in Burnet County, and has been at First Church in Marble Falls for 25 years.

He has also served on the Board of Trustees of Texas Baptist Children's Home, on the Board of Directors at Highland Lakes Baptist Encampment, has been on the Texas Baptist Executive Board two terms, and has been Associational Moderator twice.

"We cordially invite everyone to come out and hear this man preach," says Rev. Riley.

Ellisons Attend Annual Family Event At Nogal

Mr. and Mrs. Hubert Ellison of Farwell recently attended the 23rd family reunion of the Ellison family.

The reunion was held Friday through Sunday, Aug. 5-7, in Nogal, N.M.

This year's event was attended by an estimated 76 persons with some 50 families being represented, and a few new features were added to the long established format for the Ellison reunion.

According to Ellison, a grandson who attended the affair brought with him a video recording camera and equipment. "He went around while we were all visiting and filmed the whole thing. His camera was one of those that has a microphone attached and he managed to pick up everything that was said. Later, we took the television set out of one of the RVs and he showed us the tape. Some of the family members requested copies," says the local man.

Louise Terry of Lubbock,

daughter of the Hubert Ellisons, received a trophy for Clansman of the Year for her work in the family during the past year.

Other trophies went to the first place winners in the competition of horse show pitching, 42, Wahoo, and washer pitching.

Those attending the annual event included Mr. and Mrs. Vick Christian of Farwell; Mr. and Mrs. Buck Ellison and Mr. and Mrs. George Trimble, all of Bovina; Aubrey Ellison of Brownwood, Tex.; Mr. and Mrs. Johnnie Glover of Tularosa, N.M.; Rose Lee Tabor of Florida; Mr. and Mrs. Howard Ellison of Utah; and Mr. and Mrs. Melvin Terry of Lubbock.

Ellison said that practically all of Texas was represented by the attendants as well as several other states including New Mexico, Utah and Florida.

April Coffman, Greg King

Wed In Garden Ceremony

In a beautiful garden setting at the home of the bride's parents on Saturday afternoon, July 23, April Dawn Coffman became the bride of Gregory Alan King.

Parents of the couple are Mr. and Mrs. E.R. Coffman of Farwell, and Mrs. LaNora King of Las Cruces, N.M.

The natural garden setting of lush green foliage plants, a large variety of brightly blooming flowers, pots of begonias and coleus, along with snapdragons, gladioli, and daisies, were all shaded by huge trees for the late afternoon wedding.

Marking the entrance to the garden were wrought iron garden lamps entwined with English ivy. A small three-tiered African violet cart stood beside the registration table which was decorated with a single pink rose, a remembrance of the bride couple's first date.

Rev. Jesse Shaver, interim pastor of the Pleasant Hill Baptist Church, officiated at the double-ring ceremony as the couple stood before a white lattice work archway covered with greenery.

The bride was escorted to the wedding setting by her father, and wore a formal length gown of white peau de soie. The long full skirt was enhanced by a hemline ruffle and band of satin trim matching the double satin banding at the fitted waistline. The bodice featured a high neckline of applied lace and sheer lace front yoke. A v-shaped lace flounce extended over the shoulders and fell loose to a point just below the waist in center front. The long full sleeves of sheer lace were cuffed with wide applied lace and satin bands like at the waist and hemline.

She wore a white derby styled hat with illusion veil and carried a cascade bouquet of silk hibiscus and lilies in French rose and burgundy enhanced with ivy leaves and French rose and burgundy streamers.

For something old and borrowed the bride wore cameo and ruby rings which belonged to her mother. Something new was her bridal attire, and something blue was her garter. She wore in her shoe a sixpence given as a good luck token from the bridegroom's grandparents, Mr. and Mrs. L. Ray King.

Attending her sister as matron of honor was Gaye Roberts of Farwell. She wore a long

fitted dress of white enhanced with minute burgundy floral stripes and a sheer waist-length fitted jacket featuring long sleeves. She carried a white bridal parasol decorated with silk flowers in hues of French rose and burgundy decorated with matching streamers.

Jesse Miller of Pampa was best man, and Justin Lee Coffman of Amarillo, nephew of the bride, served as ringbearer.

The bridegroom wore an all-white tuxedo with tails and a burgundy boutonniere. The best man wore a silver grey tux and the ringbearer was attired in navy coat and gray pants. He carried the rings on a white satin pillow. Hobby Coffman of Amarillo, brother of the bride, served as usher.

Alice Autry of Grants, N.M., sister of the bride, sang "Twelfth of Never," and "My Cup Runneth Over." Mike Teague of Clovis accompanied her at the piano and also played traditional wedding selections.

Following the ceremony the couple presented long-stemmed pink roses to their grandmothers, Mrs. Arma Coffman of Friona, and Mrs. Ray King of Guymon, Okla.

A reception honoring the couple was also in the Coffman garden where a white lattice work trellis decorated with turtle doves, English ivy, and French rose and burgundy flowers formed the background for the bride's table.

The table was covered with French rose overlaid with white lace. A five-branched white candelabra holding burgundy votive candles was entwined with burgundy, white and French rose lilies and hibiscus. The bridal bouquet and the parasol carried by the bride's attendant were also featured on the table.

The three-tiered wedding cake, baked by Sheree Montgomery of Farwell, was white, decorated with burgundy flowers. The top two tiers were separated by white columns and the top featured a bridal couple and turtle doves in a garden setting underneath an arch.

Burgundy frosted punch was served from a crystal bowl and burgundy mints and French rose napkins completed the table decor. Presiding at the bride's table were Melody Drake of Friona, and Alice Autrey of Grants, sisters of the bride, and Kim Wilson of Alva, Okla., niece of the bride.

Brown lattice work trellises decorated with hibiscus and English ivy formed the background for the bridegroom's table which was covered with an Irish linen burgundy cloth. The couple's unity candle, a straw basket of rice bags, a watermelon basket fruit compote, a bouquet of French rose and burgundy flowers, and white napkins were on this table. Italian creme cake and mints were served with fruit bits and punch.

Sisters of the bridegroom, Jacque Smythe of Anthony, N.M., and Staci Turner and Tammy King, both of Las Cruces, presided at the bridegroom's table. Also assisting as hostess was Karen Wilson of Alva, Okla., niece of the bride.

The bride's mother wore a white silk print dress with French rose petals, and a picture hat of French rose straw. Her corsage was a camellia.

The mother of the bridegroom wore a beige chiffon dress featuring scalloped hem accented with darker beige embroidery. Her corsage was of burgundy hibiscus. A special guest was Mrs. E.G. Blair, long time neighbor of the Coffmans who now resides in Farwell Convalescent Center.

The bride's sister, Sharon Gallon of Alva, Okla., made all the flowers for the bridal party and for the reception decorations. She and her husband were unable to attend the ceremony because of illness.

For a wedding trip to Padre Island the bride changed into white slacks and rose suntop with matching jacket and sandals.

The newlyweds are now at home in Amarillo where he is employed with Heath's Furniture.

On the day of the wedding the bride's parents hosted a breakfast for some 20 family members at the patio of the Coffman home. A meal of sausage, hot biscuits, jam, jellies, cantaloupe, and Spanish pork was served.

The bridegroom and his grandparents hosted a rehearsal picnic supper in Farwell City Park on the evening prior to the wedding. A ranch style meal featuring hamburgers, beans, salads, relishes and watermelon was served to some 25 persons.

The couple was honored at a lasanga supper at the home of her cousins, Leon and Suzy Langford, on Thursday evening. Attending were April and Greg, E.R. and Joyce Coffman, Gaye, Billy, Shiloh and Shane Roberts, Ogetha and Elmer Langford, Kim Wilson, and the host and hostess and children, Joanna and Watson Langford.

From Amarillo

Visiting in the home of Mrs. Carrie Christian in Farwell this week have been her grandchildren, Keralee and Chad Crume of Amarillo.

The grandchildren arrived Tuesday, Aug. 9, and stayed for the week. They are the children of Mr. and Mrs. Van Crume.

Gay Wilmeth Feted At Lullaby Shower

Gay Wilmeth of Brownfield, Tex., was honored with a lullaby shower at the Oklahoma Lane United Methodist Church Fellowship Hall on Tuesday, Aug. 2.

Guests were registered in a baby book presented to the honoree by her sisters, Tina Sides and Sheree Montgomery.

The 40 guests attending were served assorted cakes and cookies, iced tea and lemonade from a table covered with a white floor length lace cloth. Crystal appointments and pink and blue napkins were featured on the refreshment table.

The centerpiece arrangement of green plants accented with balloons and bears was presented to the honoree.

Assisting Gay in opening the gifts were the two prospective grandmothers, Johnnie Rundell of Farwell and Mrs. Mack Wilmeth of Tokio, Tex. Another special guest was a prospective great-grandmother, Mrs. T.M. James of Brownfield.

Hostesses for the shower were Ginny Blankenship, Louise Christian, Bobbie Pierson, Lois Billingsley, and Ruth Anne Bennett. Their gift to the honoree was a high chair.

Free Health Fair At Friona Aug. 20

The Parmer County Child Welfare Board is sponsoring a free Health Fair at the Friona Community Center on August 20, 1983, from 1 to 5 p.m.

Booths are being provided for free blood pressure checks, diabetes, hearing tests, vision checks, and glaucoma.

The Texas Department of Health will have their representatives present for questions concerning pre-natal, neo-natal care, nursing home care, dental care and veterinary public health. Immunizations information will also be available.

The Texas Department of Human Resources will have information regarding foster child care, foster parents, child a-

buse, alternate care. School counselor and school nurse will also be available for questions.

Rape Crisis, The American Heart Association, and Alzheimer's Association will also have booths. The Texas Commission on Alcoholism and Drug Abuse will have information and literature at their booths.

The Friona Police Department will be fingerprinting children for parent information files. Aerobics demonstrations and gymnastics demonstrations will also be held.

All of above is free and the public is encouraged to come and visit. All areas of health care will be covered.

Brucellosis Program Changes Reviewed By Agent

Some changes in the Texas brucellosis program which will allow for more freedom of movement of cattle, along with changes in procedure for establishing a certified free herd, have been approved by Commissioners of the Texas Animal Health Commission.

The changes were approved at a recent Commission meeting in Austin, says Seth Ralston, county agent with the Texas Agricultural Extension Service, Texas A&M University System.

Present for the commission session were newly-appointed commissioners Mrs. Mary Nan West of Batesville, Laurence Bostick of Brookshire, and Robert Bartlett of Canton.

Three changes relate to movement of cattle and include:

1. In a consignment in which there is a vaccinated animal that is a suspect on the brucellosis test will now proceed in this manner: In such a situation, negative cattle in a consignment in which there is a vaccinated card test positive but rivanol or complement fixation negative suspect, may move.

2. In a non-infected herd of cattle which has been adult vaccinated, those animals that are card test negative at the time of movement may move without restriction.

3. A change was made relating to testing requirements from a C state or area within the Texas C area. This change would allow movement of non-vaccinated cattle if they are tested negative within 30 days prior to movement and either be from a herd in which all test eligible cattle have been together for at least 120 days and have been subjected to one negative test as a herd within the previous 365 days, or be from a non-quarantined herd and have been subjected to a negative test not less than 60 or more than 365 days before the test for movement.

Changes in procedures for establishing a certified free herd concern both dairy and beef cattle operators, Ralston said.

For dairy herds, the Commissioners made the change to require a minimum of four con-

secutive, negative milk ring tests conducted at not less than 90-day intervals. Previously, three negative tests were required.

Regulations also were changed to make it easier to establish a certified free herd of cattle originating from a certified herd as follows: All or part of a certified free herd purchased and moved directly to premises without other cattle may qualify without a test.

A proposed change yet to be approved by Commissioners relates to movement of cattle to slaughter from a quarantined herd without testing of that herd, when the cattle are to be sold exclusively for slaughter. This regulation, however, must conform to federal rules—and at present federal rules require that all cattle from a quarantined herd be tested.

TWO MINUTES WITH THE BIBLE

BY CORNELIUS R. STAM, PRES. BEREAH BIBLE SOCIETY CHICAGO, ILLINOIS 60633

"SEALED WITH THE SPIRIT"

"In whom ye also trusted, after that ye heard the Word of truth, the gospel of your salvation: In whom also, after that ye believed, ye were sealed with that Holy Spirit of promise" (Eph. 1:13).

Most English translations of the Bible make it clear that the words "after that," in the above passage, actually have an immediate result in view. Upon hearing (or "heeding") we believed, and upon believing we were sealed with the Spirit.

What is perhaps even more important to note is the fact that upon believing "the gospel of salvation," we are "sealed WITH the Holy Spirit," not "by" the Spirit. There is a difference between the two, as can be simply illustrated.

Here is a housewife, let us say, who is "putting up" jam or preserves and sealing each jar with wax. Now, the jars are being sealed "by" the woman, but she is sealing them "with" wax. Thus it is not merely that the Holy Spirit causes believers to be sealed and made secure. Rather He Himself is the seal that keeps us eternally secure as God's beloved children. We are sealed, not "by the Spirit," but "with the Spirit,"—the Spirit Himself the Seal!

It is wonderful indeed to know that before the bar of God, the simplest believer in Christ has been fully justified (Acts 13:38,39). But this is a court action, a matter of record. Besides this, the Spirit, who first brought the sinner under conviction, now gives him life—eternal life. This is why Romans 8:2 tells us that "the law of the Spirit"—[that] of life in Christ, hath made me free from the law of sin and death." Thank God for the Spirit, who convicts, regenerates and seals believers in Christ!

Farwell Netters Play In Portales Tourney

Farwell tennis players Roger Robertson and Mark Cole took

first place in the men's doubles division of a tournament played July 22-24 in Portales.

Other local players competing were Lezlie Castleberry and Janene Berry. Lezlie captured second place in the women's singles division and she and Janene lost in the second round of the women's doubles competition.

Lezlie also entered the mixed doubles division with Doug Shiding of Clovis and they made it to the semi-finals in that category.

Roger, Mark and Lezlie will all be returning to play for the Farwell High tennis teams during the coming school year.

Miss Rodeo Seminar

Scheduled Aug. 15-17

The 13th annual Miss Rodeo Seminar is scheduled for Monday, Aug. 15, through Wednesday, Aug. 17, according to Wilma Fulgham of Clovis and Renee' Carter of Fort Sumner. The classes will include professional and intensive training for competition in rodeo queen contests. Video tape with instant replay will also be used. Instruction will be offered in Horsemanship and Rodeo Knowledge, Appearance, and Personality Development. Applications will be accepted from any girls and young ladies who are ten years of age and up. Pre-registration is required by Saturday, August 13. Mrs. Powhatan Carter III, Renee', is a former Miss Rodeo New Mexico and won the MRA

Horsemanship title and was second runner-up in the 1976 MRA Pageant. Renee' is also a former Miss Alamogordo; she has won many awards in showing horses. Renee' holds a B.S. degree in Communications; she and husband, Pow, compete in professional rodeo events. Renee' is Pageant Director for Miss Rodeo New Mexico.

Mrs. Benny Fulgham, Wilma, is a Director-at-Large for the Miss Rodeo America Pageant; she is a former County and New Mexico State Fair Queen.

For further information, contact Wilma Fulgham, Box 1845, Clovis, N.M. 88101, telephone 505-763-6262; or Renee' Carter, Box 516, Fort Sumner, NM 88119, telephone 505-355-2998.

Mrs. Bowers Hostess

For Class Meeting

Ruth Sunday School class of First Baptist Church, Texico, met at the country home of Helen Bowers Thursday, July 21, for the regular monthly meeting.

Class president, Mora Schlueter, opened the meeting with prayer. Gracie Dane, secretary, read minutes of the previous meeting, and the Treasurer, Mrs. Schlueter, gave a treasurer's report.

Mrs. Bowers presented the devotional "Religion," and read from 2nd Chronicles 15:8-15, "Returning To God."

Several business matters were discussed, after which refreshments of spiced pudding and lemonade were served to the eight members and three guests attending. Guests were Anson Bowers and Shelby and Monica Walters, granddaughters of Mr. and Mrs. Bowers.

Members present were Mesdames Grace Jones, Eunice Taylor, Mora Schlueter, Hettie Harrison, Kathryn Bourlon, Nora Miller, Gracie Dane, and the hostess, Helen Bowers.

The August meeting of the class will be in the home of Gracie Dane.

Boys Ranch Rodeo Set For Labor Day Weekend

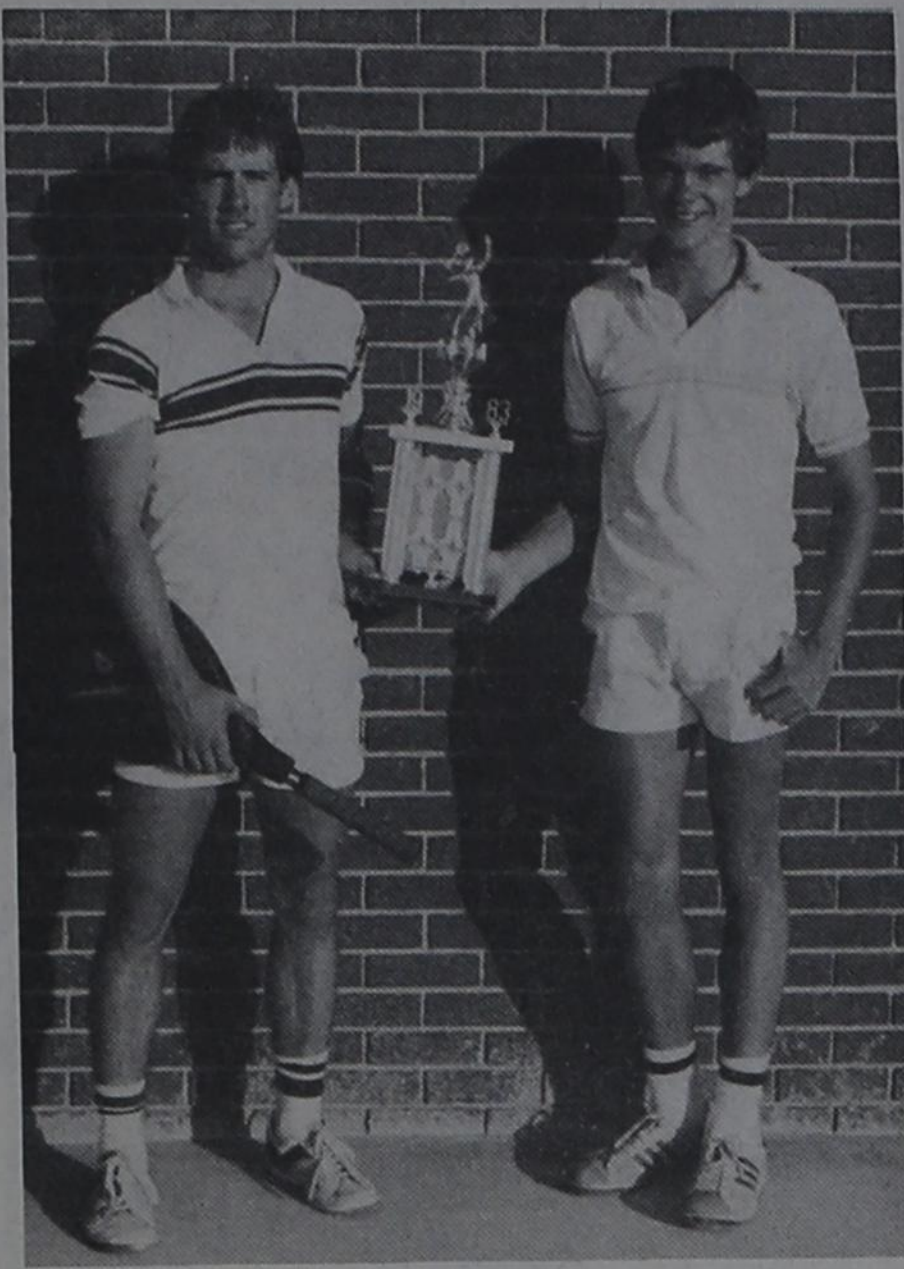

The nationally-famous Boys Ranch Rodeo is expected to attract 10,000 people to the Ranch when the event is held over the Labor Day weekend.

Afternoon performances are scheduled at 2:30 p.m. Sunday, Sept. 4, and Monday, Sept. 5. Nearly 250 boys of the Ranch are the only contestants, riding calves, steers, bulls and bareback broncs. This is the 39th year for the rodeo that also features a Grand Entry of area riding clubs and a homecoming

of Ranch graduates who travel from towns and cities all over the United States. It is a rodeo for all of the Ranch's 350 boys.

Those who do not compete as contestants will be selling soft drinks, popcorn and barbecue beef plates for \$3.00. Reserve box seats are \$3.50, general admission \$2.50, and children age six through 12 are \$1.00.

The rodeo is the only one of its kind in the nation in which the only contestants are boys riding professional rodeo stock under RCA rules.

Win At Portales

Roger Robertson, left, and Mark Cole, both of Farwell, took first place in the men's doubles division of the tennis tournament played at Portales July 22-24. Other Farwellites participating were Lezlie Castleberry, who won second place

in the women's singles division, and Janene Berry. Lezlie and Janene competed in the women's doubles matches, losing in the second round, and Lezlie also competed in the mixed doubles event with Doug Shiding of Clovis as her partner.

County 4-H's Receive Awards For Recordbooks

Each summer, 4-H's are busy compiling recordbooks for their projects to submit for judging. These books show all aspects of 4-H work that the youth have been involved with during the year.

Parmer County had ten books in the South Plains District competition July 25, 1983, in Lubbock. Mindy Neal of Bovina placed second in the Senior Dairy Goat division. Charles Johnson of Bovina placed third in the Senior Swine Division. Maureen Jesko of Lazbuddie received a participation ribbon with her Senior Fashion Revue book.

In the Junior Division Parmer County received the following awards: Blue award: Sharlet Johnson, Bovina, Swine; Elaine White, Friona, Food and Nutrition; Chad Rhodes, Friona, Sheep; and Cain Neal, Bovina, Dairy Goat.

Red award: Casey Wayne Bradshaw, Lazbuddie, Achievement; Jennifer Cass, Friona, Clothing; and Kara Camp, Oklahoma Lane, Horse.

Wolverine Workout

Two-a-day football practice sessions take up a lot of the schedule for Texico Wolverine hopefuls these days as they prepare for the start of the 1983 season under the direction of head

coach Dave Lynn. The two-a-days will continue until school begins next week with the Wolverines getting ready for a scrimmage session at Dexter on August 26. The Texico gridders

are the defending District 2-A champions, winding up with an 8-1 season last year after falling to Capitan in the first round of the playoffs.

4-H's Win Ribbons In Fashion Show

Several members of Parmer County 4-H clubs won ribbons for clothing they had made when they modeled their apparel at the South Plains District 4-H Fashion Show in Lubbock Friday, Aug. 5.

Bringing home awards from competition in the Junior Division were Shelly Salyer, Friona, blue ribbon in Daytime Tailored; Jennifer Cass, Friona, blue ribbon in Evening and Specialty; Danna Ralston, Farwell, blue ribbon in Active Sportswear; and Sharlet Johnson, Bovina, red ribbon in Daytime Non-Tailored.

In the senior division Maureen Jesko of Lazbuddie captured a blue ribbon in the Daytime Tailored Division, and Devra Rhodes, Friona, won a red ribbon in Daytime Non-Tailored.

Several other 4-H Club members competed in the Fashion Show, and two members of the Bovina 4-H group, Charles Johnson and Mindy Neal, assisted with the awards program that day.

Some 20 clubs were represented in the Fashion Show with only the top four first place winners advancing to state competition in San Antonio in
