

THE STATE LINE TRIBUNE

"OFFICIAL PUBLICATION OF PARMER COUNTY"

EIGHT PAGES

FIFTY-NINTH YEAR

10 CENTS

Next Tuesday on May 18th the electorate of Texas will again be called upon to amend the state constitution. Amending the state constitution is rather old hat as we now have amended it exactly 200 times to date. This does not relieve us of the necessity of exercising our duties as free citizens. We must vote on these amendments Tuesday.

Several weeks ago two of the amendments were published in the State Line Tribune for public consumption. The other two were published in other county newspapers; so everyone may not be familiar with all four proposals. We will recap them for your consideration.

Amendment No. 1 will establish a state ethics commission empowered to set rules of ethics for members of the legislature, state officers, and legislative officers and to investigate violations; to recommend compensation for members of the legislature and the Lieutenant Governor; and to recommend improvements and economy in the legislative process.

Amendment No. 2 will provide that the legislature may propose amendments to the constitution in called as well as regular sessions.

Amendment No. 3 provides for removing the limitation on the total state appropriations for assistance grants for the needy aged, the needy blind, and the needy disabled, and setting a limitation on total state appropriations during a fiscal year for assistance grants for needy dependent children and the caretakers of such children.

Amendment No. 4 would authorize the issuance of \$100 million in bonds to provide financial assistance to various other public agencies for water quality enhancement purposes; providing for the improvement and continuance of the water resource program, and establishing an interest on Water Development Bonds at 6 per cent.

A consideration of the merits or demerits of each of these would take up all the space in the rest of the paper; so we will be content merely to give our personal assessment of the situation.

Amendment No. 1 is the most controversial piece of legislation to come along in quite a spell and this has been proposed only because of the public outrage at what seemed to be a rather questionable matter involving our high state officials earlier in the year. We do not like the matter of tying morals and salaries together in a package for voter consideration, but we do think that each of these problems needs some kind of action and this looks like the best bet yet that the public has had to look realistically at ethics and public pay. We will endorse Amendment No. 1 as not the "best in the west," but a darn sight better than nothing and should be adopted.

Amendment No. 2 seems to us to open the gates even wider, if that is possible, for constitutional amendment proposals. We do not think that this amendment is all that important and should be defeated.

Amendment No. 3 is another sticky wicket that could take up reams of space and it certainly has many and quite telling arguments on both sides of the issue, but it does call for adequate aid to the aged, the blind and the disabled, and at the same time will allow us to keep an eye on the Aid to Dependent Children Program. If, and this is a provisional if, we do hold our legislators accountable for their openhandedness in this controversial field.

Amendment No. 4 will allow the state to share with the municipalities and the federal government the cost of water treatment and sewage disposal plants. It will also fund future planning on water importation programs. Unless somebody has been hiding a bogey man in this bill, we would certainly go on record as favoring passage of Amendment No. 4.

Reminder

Twin City residents are reminded of the rabies vaccine clinic set for Friday from 1:30 to 5 p.m. in Farwell City Hall. Cost of the rabies vaccine for each pet is \$2. Town tags for Texico are \$3 and Farwell town tags are \$2.

Twin Cities Schedule Clean-Up, Fix-Up Time

Texico and Farwell residents are urged to participate in the Twin Cities' campaign for "Clean-Up, Paint-Up and Fix-Up Week" which has been designated May 15-22.

Sponsored by the two cities along with their Chamber of

Commerce and their Fire Departments, the clean-up campaign is being instigated to try to help the appearance of the two towns by cleaning off vacant lots, burning excess trash and in general, giving the area a genuine "spring cleaning."

Mayor Perry Winkles of Texico, and Farwell's mayor, Elmer Hargrove, issued a proclamation declaring the week as clean-up time and urged citizens to take advantage of the time to clean up eyesores in both towns.

In Texico, residents who may wish to have extra trash hauled away may call the Town Hall during its regular office hours to request this service. Farwell residents may call the Farwell City Hall for the same request. Bill Christian of the Texico Chamber of Commerce says the Texico dumpgrounds will be open on Saturday for the convenience of anyone wishing to dump trash on that date. Anyone wishing trash hauled off

Saturday should call Christian at 482-9015 or Winkles at 482-9196. The trash may not be removed at that time, he says, but the resident's name and location will be listed so that it can be taken care of during the campaign.

Anyone, young folks or adults, interested in helping with the clean-up campaign in Texico should meet at the City Park at 9 a.m., says Christian, who reports that trucks will be made available for hauling off trash and debris.

Persons interested in having a vacant lot burned off are asked to call their respective fire department for assistance with this. They will determine whether it is feasible according to wind conditions, etc. Everyone is urged to participate in this endeavor which will benefit all citizens of the two communities by making them better looking and more presentable for the visitor's eye.

Governor Smith Issues Conservation Proclamation

Preston Smith, Governor of Texas, has issued the following proclamation:

GREETINGS:
The protection of our environment is the concern of every citizen of this state.

The citizens of this state recognize that the earth is the Lord's and we are His servants charged with caring for it to the best of our abilities.

Without adequate soil and water conservation our environment would be imperiled and the foundation of our economy endangered.

Soil and Water Conservation Districts have been dedicated to the improvement of our environment for over 30 years and are now sponsoring Soil Stewardship Week.

THEREFORE, I, as Governor of Texas, do hereby designate the week of May 16-23, 1971, as SOIL STEWARDSHIP WEEK in Texas.

In official recognition whereof, I hereby affix my signature this 17th day of February, 1971.

/s/Preston Smith
Governor of Texas

New Business Sets Grand Opening Date

One of Farwell's newer businesses, Farwell Builders Supply, has scheduled its Grand Opening for Friday and Saturday, May 21 and 22, according to Max Carter, manager for the firm.

Door prizes will be awarded periodically throughout both days of the event and a grand prize will be awarded at the close of business on Saturday. Specials will be featured on many items throughout the store on these Grand Opening Days, including special prices on paneling and paint.

Refreshments of coffee and doughnuts will be served to those coming by to see the new business, which features a complete line of lumber materials, plumbing supplies, all

kinds of paint, and has a glass replacement service.

A handyman is available for odd jobs and a plumber is also available. The firm will figure re-modeling or new building, either commercial or residential, including steel buildings and on-the-farm structures.

In connection with the Grand Opening of the newly-remodeled business, Nance Construction Company will have open house at one of its recently completed homes at 605 Eighth Street in Farwell.

Additional details of the event will be announced next week. Make plans to go by Farwell Builders Supply to talk over any building need and to make the acquaintance of the new firm's personnel.

Veteran Scouter To Speak At Banquet

Bob Wear, minister of Crescent Park Church of Christ in Littlefield, will be a special guest of Troop 200 at Saturday night's Anniversary Banquet and Court of Honor. Wear, with some 25 years of Scouting to his credit, has served in various capacities such as Assistant Scoutmaster, Troop Committee Chairman, and Neighborhood Commissioner. Also a noted after-dinner speaker, he "earned a living" during the depression through public speaking. After serving as a

part-time minister to several churches, he entered the ministry on a full-time basis. He has served as pastor nine years in Hereford and ten years in Canyon, before moving to Littlefield.

Troop 200's banquet will be held at Clara's Spur Restaurant beginning at 7:30. Admission, including the meal, will be \$2 per person. All boys, family members, committee members, and other friends associated with Boy Scouting in Texico-Farwell are urged to attend.

Highlights of the banquet will include color movies of Troop 200 activities and presentation (Continued on Page 6)

Wolverine Variety Show Set Tonight In Texico

The annual Wolverine Variety Show presented by students of Texico High School will be staged tonight (Thursday) at 8 o'clock in the auditorium with Mrs. Lillie Allman, journalism and home economics teacher, in charge.

Highlight of the event will be the coronation of most beautiful girl and most handsome boy and the presentation of the school yearbook, "The Wolverine."

Candidates for the honors and their sponsors are Terry Yell and Judy Yell, Pep Club; Marty White and Jo Pearce, FFA; Debbie Sharp and Monty Lambert, FFA; Becky Lockmiller and Doug Harrison, OEA; Vickie Richardson and Loren Gibbs, Student Council; and Diane Kelley and Mike Casey, Honor Society.

The program will consist of skits, musical numbers, both vocal and instrumental, and acrobatic routines. Lorene Elycio, Daisy Nabours, Julie Ballejo, Cecilia Romero and Doug Harrison will take part in a skit, "All Men Are Stupid."

A group of students, Betty Steward, Sue Hall, Sheila Hall, Carolyn Steward and Sharon Lindley, accompanied by Harold Hall, will sing a series of gospel songs, and Johnny Dane and Regina Leverton will participate in a skit entitled, "Rocking Chair Blues."

The speech class has written a composition about a typical evening of television and will present this skit. Billy Wilson and Jimmy Starkey are the characters in "The First Indian President," a comedy sketch.

The Autrey Family, composed of Mrs. Milton (Betsy) Autrey and daughters Betty, Connie and Linda, and her sister, Mrs. Carola Moore, will sing several numbers. Ronny Russell and James Burford will present "Hook, Line and Sinker," and Loren Gibbs and James Alexander will present popular guitar selections.

"There's One Born Every Minute," is the title of a playlet to be presented by Johnny Dane, Betty Potts, Regina Leverton, Judy Ballejo, Betty Autrey and Carol Goforth. The journalism students will present the patriotic finale, an excerpt from the musical, "American Nobodies."

The public is cordially invited to the program and coronation. Admission is 75 cents for adults and 50 cents for students.

Play Is Tonight

Farwell seniors will present their play, "Night Gallery" at the school auditorium tonight (Thursday) at 8 p.m. Everyone is invited.

Rotarians Win 23-6

WHOOSHI STRIKE! -- Lion Jim Rogers misses the old apple as Rotary Catcher Charles Aycock prepares to catch the ball. The action took place in Friday night's annual Rotary-Lion baseball game which traditionally kicks off the Twin Cities summer baseball program. Umpiring the annual event was Willie Dannheim who didn't even have to cheat as the Rotary took the contest quite handily, 23-6. Among the excuses, ah reasons, for the loss issued by the Lions was lack of depth, having only nine men show up for the evening.

CLEAN-UP TIME IN TWIN CITIES -- Perry Winkles, left, mayor of Texico, and Elmer Hargrove, Farwell's mayor, have proclaimed that May 15-22 be "Clean-Up, Paint-Up, Fix-Up Week" in the Twin Cities and are showing a little of the activity which they feel needs to take place during the campaign. Persons wishing to have extra trash hauled away during the week should call Texico Town Hall or Farwell City Hall during regular office hours. If a resident wishes to have a vacant lot burned off, he should call his local fire department for assistance. Citizens interested in helping clean in Texico should meet at the City Park at 9 a.m. Saturday to assist with the project. Everyone is urged to participate in this worthwhile endeavor.

Little League Season Underway

The summer Little League baseball program for Texico-Farwell got underway Monday evening at the Lions Ball Park with two games in the Major League division being played. Winners in the season opener were Tide over Kelly Green Seeds and Aldridge Insurance over Worley Grain.

There are four teams each in the Major and Minor Divisions of the Little League. A senior division group which plays in competition with teams from Friona and Bovina has also been formed, but a complete schedule of their games was not available this week.

Teams in the Major League Division are Tide, Worley Grain, Kelly Green Seeds and Aldridge Insurance. Coaches or managers include Fred Chandler and Charles Dannheim, Tide; Lewis Foster, Kelly Green Seeds; Jack Wardlaw, Worley Grain; and Toby Booth and Martin Chandler, Aldridge Insurance. Head umpire for this division is Charles Aycock with Willie Dannheim and Pete Rundell assisting.

In the Minor League are teams sponsored by Piggly Wiggly, Sherley - Anderson, Citizens Bank and Gifford-Hill. Bill Bolling is coach for Piggly Wiggly, Cha Cho Arce coaches for Sherley-Anderson, Bill Stone is Citizens Bank coach, and Ron Stevenson is coach of the Gifford-Hill team.

Texico Tracksters Off To State Meet

Seven members of the Texico track squad have qualified for the state meet in Albuquerque this weekend and were to leave Friday morning for the competition.

The Wolverines garnered third place in the district meet at Tatum Saturday, bringing home four first place wins. The 880-yard relay and medley relay teams placed first along with Johnny Dane who won first

in the 180-yard low hurdles and Greg Walters who placed first in the mile run.

Boys qualifying for the state event include Ricky Ketcherside, 100-yard dash; Mike Casey, two-mile run; Greg Walters, mile run; Johnny Dane, 180 low hurdles; and the 880-yard and medley relay teams which are composed of the above mentioned boys and Marty White, Jerry Askew, and Albert Steward.

"YESSIR, COACH," says James Ray Castleberry of the Kelly Green Seed Little League baseball team to his coach, Lewis Foster, at Monday night's season opener for summer baseball in the Twin Cities. James Ray's nine years of age and is a third grader at Farwell Elementary. He is the son of Mr. and Mrs. Jimmie Castleberry and participated in the baseball program here last year.

A FREE GIFT FOR YOU

It seems that everything is going up in cost these days. Nothing comes down, everything goes up -- up -- up. Wages too are going up, but not as fast as the cost of living, for our dollars are decreasing in value all the time. That's why former President Eisenhower suggested we begin calling them dollarettes.

We should thank God, though, that there is one thing that has never gone up in price -- the salvation of our souls. No price was ever put on this and none ever will be, for several good reasons: 1) Because God is not impoverished, that He needs our money. 2) Because if salvation could be bought, the rich would have an advantage over the poor. 3) Salvation was fully paid for by God the Son on Calvary's cross, and to charge one penny for it now would be to cast reflections on His finished work.

Even in Old Testament times God made it clear that sacrifices and good works could not buy His favor. In Isa. 55:1-3, the prophet cried: "Ho, every one that thirsteth, come ye to the waters, and he that hath no money; come ye, buy and eat; yea, come, buy wine and milk without money and without price. Wherefore do ye spend money for that which is not bread, and your labor for that which satisfieth not? Hearken diligently unto Me, and eat that which is good, and let your soul delight itself in fatness. Incline your ear, and come unto Me: Hear, and your soul shall live..."

Years later, after "the gospel of the grace of God" had been committed to Paul, he declared that believers are:

"Justified freely by God's grace, through the redemption that is in Christ Jesus" (Rom. 3:24). "For the wages of sin is death, but the (free) gift of God is eternal life, through Jesus Christ our Lord" (Rom. 6:23). "In whom we have redemption, through His blood, the forgiveness of sins according to the riches of His grace" (Eph. 1:7).

**Letters
To The Editor**

Mr. John Getz
Editor
State Line Tribune
Farwell, Tex.

Dear John:

Would like to commend you for your fine editorial re-districting in the April 2nd issue of the State Line.

I hope you won't mind, but I took the liberty of having copies made and mailed them with accompanying letters to Congressman Mahon and Price, and State Representative Delwin Jones.

Your viewpoint coincides pretty well with those of us in the 19th Congressional District . . . in that we'd more or less like to see the boundary lines remain the same as now.

Best Wishes,
Mrs. Raymond (Therese Anderson) Tapp
Lubbock, Tex.

The Old Timer

**Dinner To Honor
Bob Price May 15**

The Honorable Bob Price, U. S. Congressman, will be honored by residents of Bailey and Parmer Counties with an appreciation dinner Saturday night, May 15, at 8 p.m. in the Fellowship Hall of the First United Methodist Church in Muleshoe. Tickets are on sale now for \$10 per person and can be obtained from John Getz or Gil Patschke in Farwell or Glenn Lust, Lazbuddie, 965-2181.

Since November 1966 Congressman Price has represented the 18th Congressional District which includes Bailey and Parmer Counties. On the floor of the House of Representatives he has been outspoken in his defense of individual freedom, the free enterprise system, and unyielding in his opposition to any unnecessary infringement by the federal government in state and local affairs.

Master of ceremonies for the banquet will be Neal Dillman, superintendent of Muleshoe Schools. Jim Allison, son of Mr. and Mrs. Harold Allison of the Pleasant Valley Community, will lead the pledge of allegiance. The invocation will be given by Rev. Albert Lindley, pastor of First United Methodist Church of Friona and the benediction will be said by Royce Clay, minister of the Muleshoe Church of Christ.

Mrs. Joe Bryan Jennings of Lazbuddie and Miss Cassey Precure, daughter of Mr. and Mrs. Kenneth Precure of the YL Community, will provide dinner music at the piano. Mrs. Ernest Ramm of Lariat is in charge of entertainment.

Among the Republican dignitaries present will be Mrs. Tom Suits of Petersburg, Committeewoman of the 30th Senatorial District; Clarence E. Mason, Bailey County Chairman; and Glenn Lust, Parmer County Chairman.

Congressman Price will be introduced by Frank Hinkson of Lazbuddie, former District Committeeman who was a congressional candidate in 1964. Hinkson serves on the state ASCS Committee by appointment of Secretary of Agriculture Hardin.

The high esteem in which Congressman Price's colleagues hold him is shown by the fact that he has been appointed to two major committees -- the Committee on Agriculture, and the Committee on Science and Astronautics.

The 44-year-old Congressman was graduated in 1951 from Oklahoma State University with a bachelor of science degree. He and his wife, Marty, have three children, Robert Grant, Benjamin Carl, and Janice Ann. Their Texas home is in Pampa. He owns and operates ranches in the Texas Panhandle and Kansas.

Price served four years active duty in the U. S. Air Force as a Sabre Jet fighter pilot. He flew 27 combat missions during the Korean Conflict and was awarded the Air Medal for outstanding service to his country.

NATIONAL OEA ENTRANTS -- These members of the Texico Chapter of the Office Education Association were in Indianapolis, Ind., last week to participate in the National Conference of OEA. They entered the events by virtue of winning state titles earlier in the year. On the back row, left to right, are Mrs. Mary Peyton, OEA sponsor, and Becky Lockmiller, state OEA historian; Regina Leverton, Billy Baldrige, Terry Duncan and Doug Harrison. Front row, left to right, are Kathy Lockhart, Billy Wilson, who won first place at national in public speaking; Wesley Clark, national third place winner in clerical arithmetic; and Betty Potts, fifth place in the nation as "Miss Job Application." The parliamentary procedure team placed fifth in national competition.

**Texico OEA Students
Take National Wins**

Billy Wilson of the Texico Chapter of Office Education Association held last week in Indianapolis, Ind. Billy is the son of Mr. and Mrs. Loren Wilson.

Taking third place in clerical arithmetic at the national event was Wes Clark, son of Mr. and Mrs. Joe Clark.

Betty Potts of the Texico chapter was fifth place winner in the "Miss Job Application" contest and the Texico parliamentary procedure team placed fifth.

Members of the team are Wes Clark, Betty Potts, Kathy Lockhart, Terry Duncan, Billy Baldrige, Doug Harrison, Regina Leverton and Billy Wilson.

Mr. and Mrs. N. W. Peyton accompanied the Texico students who made the trip to Indianapolis by plane. The group expressed appreciation to all the local and area businessmen who assisted in funding their trip by purchasing advertising on Radio Station KZOL and to all others who helped in making the trip possible.

Some 3000 students representing 38 states participated in the national event at the Hilton Hotel in Indianapolis.

**Little Dribblers
Have Annual
Fete**

Farwelp Little Dribblers met at Clara's Spur Restaurant last Friday night for the first annual banquet of the group. Some 34 players attended along with all of the team coaches and sponsoring coaches, Vernon Scott and Jerry Dee Owen.

Plaques were presented to each coach by players from his team and were also awarded to Coaches Scott and Owen. All-Stars were presented their National Little Dribbler Tournament medals at the banquet.

Coaches of the four local teams were Larry Erwin and Brett Hargrove, Pacers; Gary Erwin and Gene Sheets, Cougars; Billy Brigham, Randy Gregory and James Hobbs, Nets; and Kevin Hargrove and Kevin Hardage, Stars.

THE CHALLENGE OF
INCREASING DEMANDS
GENESIS 9:1

"And God blessed Noah
and his sons, and said to them
be fruitful and multiply, and
fill the earth."

The wealth of natural resources entrusted to us by our Maker has, from our beginnings as a nation, undergirded our growth. Always vital, it now becomes more so.

Extraordinary population growth at home and abroad provides substance for mounting demands on the land -- and on the resources associated with land. The forecasts of human increase project figures of such magnitude that they are hard to comprehend.

During the next 35 years, the population of North America is expected to increase by 64 percent, to 350 million; Latin America by 157 percent, to 630 million; Europe by 15 percent, to 780 million; Africa by 151 percent, to 775 million; and Asia by 89 percent, to 3,400,000,000. The total number of people on our planet is expected to rise to six billion by the year 2000 -- an increase of 2,900,000,000 in just 35 years.

At home, more Americans will want more products of the land more often. Food, which has been in "surplus," may never again be in that category. Nevertheless, all prospects indicate that we can increase food production to meet our domestic needs for the foreseeable future. With good stewardship, we can produce more per-acre and we can farm more land more intensively.

On The Farm In Pomeroy County

By R. MACK HEALD
County Agent

In driving over the county, I find it taking on a green, spring-time appearance in spite of all the wind and dust we have had lately. Corn, sugarbeets and potatoes are making a good stand. With continuing warm weather everything will certainly take off in the next few days. A large part of the cotton and grain sorghum is in the ground. Some of the early planted cotton is beginning to come through and make a stand.

Before we know it, wheat harvest will be here. Most of the wheat throughout the county is looking real good. Many fields will range up in the 70 bu. area if all things go as planned.

Two popular varieties, Sturdy and Caprock, semi-dwarf or "shorty" hard red winter wheats released by the Texas Agricultural Experiment Station in 1967, have already established themselves as leaders in both production and quality.

The plant breeders noted that commercial yields of 100 bushels or more per acre were produced in Texas during the 1969 and 1970 seasons. The new type

type can be heavily fertilized and irrigated to produce high yields without lodging. The 100 plus bushels per acre came from commercial plantings, grown under irrigation and with heavy fertilization; however, dryland yields in the High and Rolling Plains during 1970 approached the 70 bushel per acre level. A yield of 43 bushels an acre was posted as far south as San Antonio.

Wheat growers have been quick to accept Sturdy. From the 3,000 acres grown in 1967 when it was first released, the acreage in Texas jumped to 651,000 acres in 1970. Growers in Oklahoma planted 220,000 acres of Sturdy in 1970 and an estimated 6,000 acres were planted in Kansas last year.

Sturdy and Caprock grows 6 to 10 inches shorter than the older varieties such as Caddo, Crockett, Scout and others. On fertile soil or where fertilized and irrigated, the new wheats will stand for combining even with their very heavy loads of grain. All commercial agencies have approved Sturdy and Caprock as high quality, strong gluten hard wheats suitable for pan bread production.

Sturdy for the last two years has been grown in the International Winter Wheat Performance Nursery which is conducted by the U. S. Department of Agriculture in 15 counties around the world. It ranked third in yield and above all other varieties in resistance to lodging.

New high yielding wheat varieties have since 1940 provided Texas growers with high quality, well adapted varieties and their use is reflected in the increased per acre yields. Better cultural practices and the use of fertilizers and irrigation had also contributed from 12 bushels an acre in 1940 to 26 bushels in 1970. Grain yields of 100 bushels per acre were achieved with corn soon after the release of hybrids and the same was true with grain sorghum. Hybrids in wheat are not yet available, but breeders and growers have been able to achieve this high level of production with pure-line varieties developed over the past 30 years when used in combination with improved production practices.

Howard Wins At Vernon

Buttons Howard of Farwell placed first in calf roping at the Vernon, Tex., rodeo which ended Saturday, May 1, according to the Rodeo Cowboys Association in Denver.

Howard roped two calves in a total of 25.5 seconds to win the average along with \$1,032. Howard has competed in Association-sanctioned rodeos since 1962. A steer wrestler and calf roper, Howard started rodeoing as a youngster under the guidance of his father, Ernest Howard, who also makes his home in Farwell.

SCS Provides Film, Educational Aides

Conservation education is the subject of a new leaflet prepared recently by the U.S. Soil Conservation Service, according to SCS State Conservationist Clyde W. Graham of Temple.

The new leaflet is available from area SCS Districts in time for reading and studying next week, May 16-23, which has been designated Soil Stewardship Week in Texas. Also available, free of charge, is a film on conservation that may be shown to civic groups, clubs or other interested organizations. Anyone interested in securing the film should contact the Parmer County SCS office in Friona.

Title of the new conservation leaflet is "SCS and Conservation Education," and explains the importance of teaching conservation to students and tells how Soil Conservation Service employees can help.

"We believe that everyone needs to be informed about the true meaning and importance of conservation," Graham said. "And a good place to start is in school. Students need to learn that conservation means more than merely saving or setting something aside. It means intelligent use, development, restoration, and conservation of natural resources. We, of course, are especially interested in land, water, plant, and wildlife resources but oil, gas, and other resources are important too."

The leaflet tells how SCS

conservationists can help teachers plan outdoor classrooms or obtain films, publications or other teaching aids. It also suggests how conservation might be taught outdoors if the school does not have an outdoors classroom.

Graham pointed out that the pamphlet also suggests ways the teaching of soil, water, and wildlife conservation might be tied in with such subjects as biology, chemistry, math, social science, art and other regular courses.

Copies of the leaflet are free and can be obtained from any SCS office or by writing the Soil Conservation Service, Box 648, Temple, Texas 76701.

Brownies Hold Hunt, Cook-Out

Brownie Scouts, under the leadership of Mrs. Martha Curtis and Mrs. Alice Vinton, Monday afternoon participated in a scavenger hunt and cook-out. The hunt began at the Farwell School and ended at the Gerald Curtis home where the cook-out was staged. On the hunt, the Brownies were to gather sticks, stones, flowers and any interesting objects they found.

On arriving at the Curtis home, the Brownies read their duties for the day from the Kaper Chart which was made on a tumbleweed tree, the duties being listed on colorful construction paper "leaves."

Brownies and the chores they received off the chart included hostesses Laurie Curtis, Lisa Howard and Tonda Fulcher who were responsible for preparing the meal and arranging a centerpiece. The girls used a log and wild flowers along with some plastic flowers they had found on the hunt for the attractive centerpiece.

Betsy Black received the job as "digger," and dug the hole in which the fire for the cook-out was to be built. Brownies acting as "weeder" who cleared the area of anything that might burn were Paula Hukill and Martha Guzman. They were assisted by Dana Hukill, a first grader, who will be a Brownie next year.

Gathering wood for the fire were Lucretia Turner, Diane McKillip, Tori Hardage, Jana

Berry and Kim Marsh. Each girl had been requested to pick up a small stick on their scavenger hunt and these small sticks were used to start the initial fire. Suzanne Howard, Sharmy Christian, Judith Schilling and Jeanette Balls were responsible for gathering rocks to put around the fire site. Fire builders who stacked the wood were Debra Prather, Cydney Ford and Robin Vinton. Since Brownies are not allowed to strike a match or start a fire, Mrs. Curtis did the actual lighting of the fire.

A meal of hot dogs, marshmallows, pops and all the trimmings were enjoyed by the group. The troop leaders were assisted by a "mother helper" Mrs. Sue Hukill.

Miss Christian Shower Honoree

Miss LaNelle Christian, bride-elect of Bill Polley of Austin, was honored with a bridal shower Saturday in Fellowship Hall of Oklahoma Lane United Methodist Church.

The serving table was laid with a white net cloth over white. A blue floral arrangement centered the table. Coffee, tea, blue and white mints and assorted breads were served from crystal and silver appointments.

About 50 people signed the guest register, presided over by Mrs. Zula Rundell.

Kitchen gadget corsages were presented the honoree, her mother, Mrs. Wendol Christian, her grandmother, Mrs. C. C. Christian and Mrs. O. H. Polley, mother of the prospective bridegroom.

Among the out-of-town guests were Mrs. Eddie Corn, sister of Miss Christian, and Mrs. Benny Darnell, both of Amarillo.

Hostesses were Mrs. Charles Corn, Mrs. Webb Gober, Mrs. E. G. Snodgrass, Mrs. Clyde Perkins, Mrs. Truman Kent, Mrs. Sam Billingsley, Mrs. Laurence Cooper, Mrs. R. E. Blankenship, Mrs. Leon Billingsley and Mrs. Rundell.

Girls Write Of Home Economics

(Editor's Note: The following articles were written by students in the home economics department at Farwell High School as part of their work toward one of the six goals needed to earn a junior chapter degree.)

Home Economics Is For You

by Deborah Harding
Home economics is a field of wide opportunities and high school home economics classes can be very rewarding. Farwell High School offers three years of home economics and the last two years may be taken any year of the student's choice. Home economics is a solid academic subject and each year counts as one credit toward graduation. Two years of summer home economics count as one credit.

In the first year of home ec, emphasis is placed on foods and nutrition, clothing, child care, and personal grooming. Family relationships, consumer education, home furnishings are studied in the second and third years.

Farwell has an active chapter in the Texas Association of the Future Homemakers of America and each year they participate in one area project and one national project.

Mrs. Naomi Austin is home economics instructor at Farwell.

For Girls Only

I can think of many advantages to taking home economics in high school.

Wedding Reminder

Friends and relatives of the couple are reminded of the wedding of Miss Loyce Brown to Johnny Bocock on Saturday, May 22, at 2 p.m. in the Parkland Baptist Church of Clovis. Miss Brown is the daughter of Mr. and Mrs. Clarence Brown of Route 1, Texico, and the prospective bridegroom is the son of Mr. and Mrs. Barney J. Bocock of Clovis.

CINCO DE MAYO QUEEN -- Miss Hilda Rojas, daughter of Mr. and Mrs. Merced Rojas of Texico, and an Eastern New Mexico University coed, was designated queen of the recent Cinco de Mayo Fiesta at Eastern. Miss Rojas was selected over two other candidates for the title. The Fiesta included mariachi serenades, arts and crafts and food booths, a children's hours, a film on "The Invisible Minority," and a speech by Father Antonio Gonzales of Lubbock. Closing the activities was a dance.

In Perry Home To Receive Degrees

Arriving here Monday afternoon for a visit in the home of Rev. and Mrs. W. T. Perry were her father and a sister, Wiley McNeill and Miss Frances McNeill of Ft. Worth. The McNeills were on an extended trip on which they had visited relatives and friends in Seminole, Artesia and El Paso. They planned to visit in Lubbock with Miss Nancy Perry and Mr. and Mrs. Henry Colwell before returning home later this week.

Farwell students who are candidates for degrees at Texas Tech University's commencement exercises on May 15 are

Susan Lee Patrick, daughter of Mr. and Mrs. Pat Patrick, and Mrs. Diane Lovelace Mayes, daughter of Mr. and Mrs. Woodrow Lovelace. Miss Patrick is receiving her bachelor's degree in applied music while Mrs. Mayes is getting a degree in French.

Return Home

Mr. and Mrs. Cary Cassady of Texico returned to their home last Monday after a two-week vacation trip. The Cassadays visited Wicks and Nashville, Ark., with her brothers and family before returning home. They report a most enjoyable trip and say that the weather was beautiful at each stop on their journey.

Scheduled to receive a bachelor of science degree from Hardin-Simmons University in Abilene at commencement exercises on Sunday afternoon, May 16, is Miss Zella Donaldson, daughter of Mr. and Mrs. Sterling Donaldson of Rt. 1, Farwell.

Do Meet Monday

Texico Woman's Club will meet for installation of new officers at a Clovis restaurant Monday night, May 17, at 8 o'clock. All members are urged to be present.

In 1925, Ford "roadsters" cost only \$260!

In Deel Home

Alan Teel and son, Kyle, from Roswell visited Sunday in the home of his parents, Mr. and Mrs. Elmer Teel, in Texico. The Alan Teel family was in Clovis for the funeral of Mrs. Teel's grandmother, Mrs. Minnie Lou True, who was buried Monday.

Other visitors in the Teel home Sunday afternoon were Mr. and Mrs. E. O. Wassom of Clovis. On Monday afternoon, the Elmer Teels visited in Portales at the home of her parents, the Andy Brunsons, and with a sister and family, Mr. and Mrs. Bill Hanna of Sweetwater, who were guests in the Brunson home.

Relatives Visit

Arriving here last Wednesday for a visit with Mrs. Onie Bradshaw was her brother-in-law and wife, Mr. and Mrs. R. W. Bradshaw of Houston. Mrs. Bradshaw then accompanied the Houston couple to Amarillo to visit her daughter and family, Mr. and Mrs. Jackie Williams and girls, and on to Dumas where they visited a sister-in-law and family, Mr. and Mrs. O. F. Sellers. They returned to Farwell on Saturday.

Visit Farmers

Arriving Wednesday, May 5, for a visit with Mr. and Mrs. Ed Farmer were their son, ET3 Gary Farmer and a friend, Miss Rosalie Uckeke of Bronx, N.Y. During the past weekend they visited in El Paso and Juarez and plan to return to New York this Sunday. Plans call for Farmer to report to the Naval Academy Preparatory School at Annapolis on June 1.

Hospital Notes

Returning to his home in Farwell Tuesday morning after a stay of several weeks in Clovis Memorial Hospital was Mose Glasscock who had suffered a stroke. His condition is reported as good and he is able to have visitors. He will continue therapy treatments at the hospital for several weeks.

Mrs. Dorothy Quickel was to enter Hotel Dieu Hospital in El Paso Thursday and undergo surgery sometime Friday. She was expected to be hospitalized for about two weeks.

Mrs. Mabel Tharp of Texico is hospitalized in Clovis Memorial Hospital for medical attention and tests. She is reported to be in good condition; however, she is not allowed to receive visitors or phone calls at this time.

Amos Tatum, principal of Farwell High School, was hospitalized at St. Mary's of the Plains Hospital in Lubbock early this week. He was to be dismissed by the end of the week.

Mrs. Charles Turner has been dismissed from Parmer County Community Hospital in Friona and is recuperating at home following a fall in which she broke her right leg. Mrs. Turner will be returning to an Amarillo hospital periodically for checkups, but is able to have visitors at her home.

Rochelle Christian of Farwell has been hospitalized at Clovis Memorial since last Wednesday for medical attention. He was reported to be improving at mid-week and was to be dismissed from the hospital Thursday or Friday.

Mrs. Ruby Dixon was released from Parmer County Community Hospital last Friday and left during the weekend for Santa Fe where she will make her home with a son and family, the Jim Dixons, for a while.

Mrs. E. G. (Blackie) Williams is reported to be some better after being hospitalized in Canyon late last week. Mr. and Mrs. Williams are making their home in Canyon with a son, Glenn Williams, at the present time.

R. V. Hamm of Farwell was reported to be improved this week after being released from Clovis Memorial Hospital Sunday. He had entered the hospital last Monday.

In Glasscock Home

Visiting part of last week in the Mose Glasscock home and visiting Glasscock at Clovis Memorial Hospital were Mrs. Glasscock's step-brother and family, Mr. and Mrs. Chet Koons of Woodland Park, Colo. On Sunday, Glasscock's three brothers and families were on hand to visit him. They included Mr. and Mrs. T. L. Glasscock of Muleshoe, Mr. and Mrs. Johnny Glasscock of Portales, and Mr. and Mrs. Woodrow Glasscock and daughter of Albuquerque. Planning to arrive sometime this week for a stay in the Glasscock home was her brother, James Bruce, of Fountain, Colo.

Visit Here

Mrs. Mike Getz and son, John Bryan, returned to their home in Houston on Sunday after visiting in the Twin Cities since Monday.

Mrs. Getz came to attend funeral services for her grandfather, N. L. Tharp, and also visited her parents, Mr. and Mrs. Ray Tharp, and her husband's parents, Mr. and Mrs. John Getz, while here.

BAND RECEIVES AWARDS -- Farwell's Elementary and Junior High Bands received II Division ratings in both concert and sightreading at the University Interscholastic League contests held at Wilson, Tex., on May 1. County 4-H Members Win At District

LAZBUDDIE 4-H CLUB members winning second place in the junior division Farm and Ranch Management demonstration at district eliminations in Canyon Saturday were Mike Mimms, left, and Kent Winders. They were among 4-H Club members from 22 Panhandle counties participating in the district event.

Meissner Receives Honorary FFA Degree

Calvin Meissner, local farmer and gin operator, was recipient of an honorary Chapter Farmer Degree presented by Farwell Future Farmers of America chapter at a hamburger and ice cream supper Thursday night, May 6. Meissner was cited for his outstanding service to the Farwell FFA chapter.

The chapter hosted the event for fathers of FFA members, members of the Farwell Championship Club, and all buyers of 4-H and FFA livestock at the Farwell County Junior Livestock Show.

Completes Training

Army Private William R. Johnson, 21, son of Mr. and Mrs. Kenneth E. Johnson, Route 1, Farwell, recently completed eight weeks of basic training at Ft. Jackson, S.C. He received instruction in drill and ceremonies, weapons, mapreading, combat tactics, military courtesy, military justice, firstaid, and Army history and traditions.

A 1967 graduate of Farwell High School, Johnson received an associate degree in 1970 at Oklahoma State Technical College, Okmulgee.

The Old Timer

"A bachelor is a man who can keep his foot out of a trap—particularly his own."

Among those attending besides fathers of FFA members were W. M. Roberts, Amos Tatum, members of the school board, members of the Farwell Fire Department, the FFA Sweetheart, Miss Donna Deel; the FFA Plowgirl, Miss Leandra Chadwick; and Miss Debra Garner, former FFA Sweetheart.

Relative Of Local Family Buried

Funeral services were conducted at Boxwell Brothers Ivy Chapel in Amarillo Friday for Allen W. Bryant Jr., 49, of Amarillo, son-in-law of Mr. and Mrs. Rochelle Christian of Farwell. Mr. Bryant, a Southwestern Public Service em-

ployee, was killed about 2:30 p.m. Wednesday in a construction accident seven miles west of Spearman.

Witnesses reported that Bryant, who had worked for the Public Service Company some 18 years, was crushed between a transformer and a vehicle when a loading winch slipped. He was working with a crew which was installing extra power lines in the Spearman-Gruver area.

Mr. Bryant was born near Duncan, Okla., and had lived in Amarillo the past 17 years. He was married to Miss Mary Christian, daughter of the Rochelle Christians, on April 6, 1947, in Texico. He was a veteran of World War II, was a master Mason, a member of the Yellow House Lodge of Lubbock and was a member of the Baptist church.

Survivors include his wife; a son Mike and daughter Jan, both of the home; his mother, Mrs. Allen W. Bryant Sr., of Houston; three sisters, and two brothers.

Six Parmer County 4-H Club members participated in the District I 4-H Club elimination contest in Canyon on Saturday, May 1, and one group walked away with the first place in the junior division. A singing group, "The Golden Girls," composed of Tammie Smith, Candy Moore and Karla Littlefield of the Lazbuddie 4-H Club, won first place in the junior bracket of the "Share-the-Fun" contest.

Also participating in the district event were Kent Winders

and Mike Mimms, also from Lazbuddie 4-H, who won second place with their junior Farm and Ranch Management demonstration.

Deborah Harding of the Farwell 4-H Club placed third with her demonstration in the senior division of Food and Nutrition Educational Activity.

The Parmer County 4-H members competed with other club members from a 22-county area covering the entire Texas Panhandle.

Mrs. Ralph Humble Buried Tuesday

Mrs. Ralph Humble of Farwell died Sunday afternoon, May 9, in Clovis Memorial Hospital following a lengthy illness. Services for the long-time Farwell resident were conducted Tuesday afternoon at 2 o'clock in Hamlin Memorial United Methodist Church with Rev. W. T. Perry, church pastor, officiating.

Mrs. Humble was born March 9, 1885, in Mountainview, Ark. On September 5, 1927, she was married to Ralph Humble in Olton, Tex. They moved to Farwell in 1931 and have made

their home here since. She was a member of Hamlin Memorial United Methodist Church.

Survivors include her husband, Ralph; one son, Hurshel Pierce of Iowa Park, Tex.; three daughters, Mrs. J. H. Farquhar of Baytown, Tex., Mrs. Jaqueta McDaniel of Santa Maria, Calif., and Mrs. Twila Starkey of Big Spring, Tex.; one brother, Vincent Goodnight of Mexia, Tex.; seven grandchildren and 11 great-grandchildren.

Interment was in Plains Sanctuary Mausoleum in Clovis with Steed-Todd Funeral Home in charge. Serving as pallbearers were Guy Cox, Joe Blair, Joe Helton, Joe Jones, W. A. Mace and Woodrow Lovelace.

No-Till Farming Evaluated By Soil Conservationists

Farmers are finding that with increasing farming costs the use of minimum or no-till operations can be a big factor in

realizing more net return from their crops. According to Clyde W. Graham, state conservationist for the Soil Conservation Service, minimum tillage compared to conventional tillage is better, faster, cheaper, --- and reduces erosion up to 95 percent. Minimum or no-till is a new system of farming. Residues from a previous crop are left on or near the surface throughout the cropping year.

modern trend in reducing the costs of producing crops while improving the soil on which they depend. These farmers have found that this method of tillage has several advantages such as: ---retards deterioration of the soil structure. ---reduces soil compaction ---improves soil aeration ---improves permeability ---improves tilth ---less labor. --- Plowing and planting trips across the field are reduced. ---lower production costs -- many farmers report savings of up to \$14 an acre. ---more moisture conservation

---less soil erosion ---protection of seedlings from wind damage ---more food and cover for wildlife

Also, some farmers have found they can double crop with this system. The Soil Conservation Service in Friona has new information available which explains more about this new concept in farming.

GRAIN SORGHUM planted in no-till method was planted into undisturbed sturdy wheat stubble from a 62-bushel crop. The picture was made at the Great Plains Research Center at Bushland. The grain sorghum is of the Pawnee variety and despite weather adversities during the growing season, the single row crop produced 3702 pounds per acre.

Drive-In Damaged In Fire

The Burger Barn Drive-In in Texico received extensive smoke damage in an early morning fire Tuesday. The fire was discovered about 5 a.m. by Leon Luce who was en route to work and noticed the smoke at a window. The Texico Fire Department quickly extinguished the blaze which apparently started near or in a linen closet in a store room at the back of the building. Mrs. Juanita Wall, owner of the business, says that no estimate of the damage had been made, but that it was mostly smoke damage and loss of supplies. She hoped the business would be open some time Wednesday or Thursday.

SOIL STEWARDSHIP WEEK

MAY 16 - 23

PSALMS 124:8
"Our help is in the name of the Lord who made Heaven and earth."

WE MUST ALL WORK TOGETHER TO KEEP OUR NATION THE RICHEST ON EARTH

THE COUNSEL OF GOD

Truth and wisdom are elusive. We seek both, and from time to time we gain bits and pieces, but no one of us is wholly successful; no one of us is infallible. Our necessary recourse lies in a search for greater understanding, and in reliance on God's Word.

The landowner, faced with pressing responsibilities and obligations in these days of increasing concern about the care and use of resources, has special reason to seek help from sources outside himself.

In the myriad of decisions he must make each month and year — decisions that he must make either alone or in concert with his neighbors — the choices and the consequences of each are not always clear. The steward of the soil, aware of his responsibilities to his Maker, seeks the counsel of God and relies on it.

CONSERVATION OF WATER AND SOIL STEWARDSHIP ARE GOING HAND IN HAND ON THE BUCK GREGORY FARM SOUTHWEST OF TOWN. MR. GREGORY IS USING A GIFFORD-HILL 360 IRRIGATION SYSTEM IN CONJUNCTION WITH A MINNEAPOLIS-MOLINE HD-800 POWER UNIT TO WATER HIS LARGE POTATO PROJECT.
